
SECTION I
REQUEST FOR BIDS
INSTRUCTIONS AND SPECIFICATIONS FOR:

Village of Oak Park South Fire Station Asbestos Removal and Abatement
Bid Number: 22-202 BM
Issuance Date: 4/29/2022

The Village of Oak Park will receive bids from qualified asbestos removal and abatement contractors to remove/abate asbestos contained underneath the existing floor tile in the locker room and restroom at the south fire station, located at 900 S. East Ave., Oak Park, IL 60302. Bids will be accepted at the Public Works Center, 201 South Blvd., Oak Park, IL 60302 Monday through Friday, 7:30 a.m. to 4:00 p.m. local time until 10:00 a.m. on Tuesday, May 17th, 2022. Bids may also be sent via e-mail to vics@oak-park.us. Bids will be reviewed and the results of the review will be presented to the Village of Oak Park Board of Trustees.

There will be a mandatory pre-bid meeting at the south fire station on Thursday, May 5th, 2022 at 9:00 a.m. Prospective bidders are encouraged to attend the pre-bid meeting to inspect site conditions and receive other relevant pertinent information for the scope of work.

Specifications and bid forms may be obtained by sending a request to Building Maintenance Superintendent, Vic Sabaliauskas at vics@oak-park.us or by stopping by the Public Works Center at the address listed above or by calling 708-358-5710.

The Village Board of Trustees reserves the right to accept or reject any and all bids or to waive technicalities, or to accept any item of any bid.

Do not detach any portion of this document. Upon formal award to the successful bidder, a written agreement will be executed for the project in substantially the form attached.

Submission of Bids

The bid shall be submitted on the bid form included herewith. If bid is hand delivered or mailed to the Public Works Center, the bid shall be submitted in a sealed envelope marked "BID: 22-202BM Village of Oak Park South Fire Station Asbestos Removal and Abatement", shall bear the return address of the bidder, and shall be addressed as follows:

TO: Vic Sabaliauskas, Building Maintenance Superintendent
Department of Public Works
201 South Blvd.
Oak Park, IL 60302

SECTION II
BID INSTRUCTIONS, TERMS AND CONDITIONS

Preparation and Submission of Bid

All bids must be submitted electronically or delivered to the Public Works Center by the specific time indicated on the cover page. Bids arriving after the specified time will not be accepted. Mailed bids that are received by the Village after the specified hour will not be accepted regardless of the post-marked time on the envelope. Bids must be signed by an officer of the company who is authorized to enter into agreements on behalf of the company. Bids shall be sealed in an envelope and marked as stated on the cover page.

Contract Term

Contractor shall achieve completion of all work required pursuant to the contract documents by Thursday, June 30th, 2022 ("Contract Time"). The Contract Time is of the essence. In the event the contractor fails to complete the project on or before said date, the Village shall be entitled to liquidated damages in the amount of \$500.00 per day for each day the Project remains uncompleted beyond the completion date set forth above. This amount is not a penalty, and the parties agree to said amount given the difficulties associated with determining or calculating damages to the Village in the event the Project is not completed on time. Contractor shall have no claim for damages, for compensation in excess of the Contract Price, or for a delay or extension of the Contract Time based upon conditions found at, or in the vicinity of, the site(s).

Notice to Proceed

Asbestos removal/abatement contractor shall notify Cook County by submitting its ten (10)-day notification within two (2) days from the date the contractor receives the Notice to Proceed from the Village's Building Maintenance Superintendent or his/her designee. All work shall be completed in accordance with the detailed specifications set forth herein, unless the Village's Building Maintenance Superintendent grants an extension.

Award of Agreement

The Agreement will be awarded in whole or in part to the responsible bidder whose bid, conforming to the Request for Bids, will be most advantageous to the Village; price and other factors considered.

Costs of Preparation

The Village will not be responsible for any expenses incurred in preparing and submitting a bid or entering into the applicable Agreement.

Taxes not Applicable

The Village of Oak Park as an Illinois municipality pays neither Illinois Sales Tax nor Federal Excise Tax (State Tax Exemption Identification Number E9998-1823-06). Contractors should exclude these taxes from their prices.

Withdrawal of Bids

Any contractor may withdraw its bid at any time prior to the time specified in the advertisement as the closing time for the receipt of bids, by signing a request therefore. No contractor may withdraw or cancel its bid for a period of sixty (60) calendar days after the advertised closing time for the receipt of bids. The successful contractor may not withdraw or cancel its bid after having been notified that the Bid was accepted by the Village Board of Trustees.

Investigation of Contractors

The Village will make such investigations as are necessary to determine the ability of the contractor to fulfill bid requirements. If requested, the contractor should be prepared to present evidence to the Village of Oak Park of ability and possession of necessary facilities and financial resources to comply with the terms of the attached specifications and bids. In addition, the contractor shall furnish the Village with any information the Village may request, and shall be prepared to show completed work of a similar nature to that included in its bid. The Village reserves the right to visit and inspect the premises and operation of any contractor.

Rejection of Contractor

The Village will reject any bid from any person, company or corporation that appears to be in default or arrears on any debt, agreement or the payment of any taxes. The Village will reject any bid from a contractor that failed to satisfactorily complete work for the Village under any previous agreement.

Conditions

Contractors are advised to become familiar with all conditions, instructions and specifications governing the work. Contractors shall be presumed to have investigated the work site, conditions and scope of the work before submitting a bid.

Compliance with Applicable Laws and Permits

The successful bidder shall strictly comply with all ordinances of the Village of Oak Park and Village Code and laws of the State of Illinois. Successful bidder shall be responsible for obtaining the necessary permits for asbestos removal and abatement from the Village, County, and State, and shall be responsible for paying all permit fees associated with this work. Successful bidder shall strictly comply with all laws, policies, procedures of Cook County, Illinois Department of Public Health (IDPH), and Illinois Environmental Protection Agency (IL EPA) related to asbestos removal and abatement.

Governing Law

All agreements entered into by the Village of Oak Park are governed by the laws of the State of Illinois without regard to conflicts of law. Any action brought to enforce an agreement with the Village of Oak Park must be brought in the state and federal courts located in Cook County, Illinois.

Subletting of Agreement

No agreement awarded by the Village of Oak Park shall be assigned or any part sub-agreement without the written consent of the Village of Oak Park or as noted in the contractor's bid. In no case shall such consent relieve the contractor from its obligations or change the terms of the Agreement.

Interpretation of Agreement Documents

Any contractor with a question about this bid may request an interpretation thereof from the Village. If the Village changes the bid, either by clarifying it or by changing the specifications, the Village will issue a written addendum, and will mail a copy of the addendum to all prospective contractors. The Village will not assume responsibility for receipt of such addendum. In all cases, it will be the contractor's responsibility to obtain all addenda issued. Contractors will provide written acknowledgment of receipt of each addendum issued with the bid submission.

Minority Business and Women Business Enterprise Requirements

The Village of Oak Park, in an effort to reaffirm its policy of non-discrimination, encourages the efforts of contractors and subcontractors to take affirmative action in providing for Equal Employment Opportunity without regard to race, religion, creed, color, sex, national origin, age, handicap unrelated to ability to perform the job or protected veteran's status.

Licenses

The contractor shall be responsible for becoming a licensed contractor in the Village.

Agreement

The selected bidder shall enter into an Independent Contractor Agreement with the Village to provide asbestos removal and abatement services at the south fire station in a form substantially similar to the Agreement attached hereto. The Agreement shall be executed by the contractor and returned, together with the contract bond within ten (10) calendar days after the Agreement has been mailed to the contractor. The contractor shall execute three copies of the Agreement. One fully executed copy will be returned to the contractor. See Section XIII for a sample copy of the agreement.

Fees and Cost

In the event any action is brought to enforce any agreement entered into by the Village of Oak Park, or to collect any unpaid amount from the Village of Oak Park, each party bears the responsibility of paying its own attorneys' fees and costs.

Dispute Resolution

The Village of Oak Park does not agree to mandatory arbitration of any dispute.

Village of Oak Park Logo or Likeness Use

The official logo of the Village of Oak Park is not to be used in any form. Use of the Village logo is strictly prohibited by law and such use could subject the proposer to disqualification or termination of contract.

SECTION III

GENERAL SPECIFICATIONS

Scope of Work

The Village retained the services of Midwest Environmental Consulting Services (MEC) to conduct a NESHAP Asbestos Survey at the south fire station located at 900 S. East Ave. in Oak Park, IL. The survey was done on April 26th, 2022. The comprehensive inspection was intended to address the potential existence of ACM on the interior west portion of the building prior to future planned renovations of the building. The test results were positive for asbestos in various areas in the building. A copy of the test results will be made available at the May 5th pre-bid meeting.

The Village is seeking bids from qualified asbestos removal and abatement contractors to remove and remediate asbestos contained underneath existing floor tile, carpeting and linoleum in the locker room and restroom at the south fire station located at 900 S. East Ave., Oak Park, IL 60302. This work is necessary as part of the bunk room, locker room and restroom renovation project at the south fire station scheduled to begin in June of 2022.

Responsibility of Contractor

The selected contractor shall furnish all labor, supervision, tools, equipment, materials and supplies, and other means necessary for performing and completing the work, including debris hauling, and shall obtain and pay for any required permits.

Extent of Services

It is expected that the contractor will begin providing emergency repair services from seven (7) days after receiving the notice to proceed. The Village reserves the right to award the contract to the lowest responsible bidder.

Alterations, Omissions and Extra Work

The Village of Oak Park reserves the right to increase or decrease the quantity of any item or portion of the work, or to omit portions of the work as may be deemed necessary.

Method of Payment

The Village of Oak Park will pay monthly, all undisputed invoices within 30 days of approval as provided in the Local Government Prompt Payment Act, 50 ILCS505/4. The maximum interest rate for any payment not made within 30 days of approval is 1%.

Emergency Changes

Contractor may perform work not included in the Scope of Work if necessary to remedy a condition that poses an immediate threat to persons or property. Work of this nature shall be carried out only to the extent of bringing the condition under control. The Village shall be notified immediately. A Change in the Scope of Work will then be negotiated and executed for the work performed, and for work remaining, if any.

- **Minor Changes (Field Orders):** The Village may verbally authorize minor changes in the Scope of Work in order to prevent a delay in the progression of the Work. These field orders may not involve a change in the agreement price or be inconsistent with the Scope of Work.
- **Changes Due to Unknown Conditions:** The contractor is not responsible for changes in the work that are due to conditions that were not reasonably observable or conditions that have changed. In such cases, the contractor shall notify the Village and a change order will be negotiated.

Correction of Work Prior To Final Payment

The Village has the right to stop work if the contractor fails to carry out the work in a manner acceptable to the Village. If the Village deems the contractor's work unacceptable, at the Village's election, the contractor shall do one of the following:

1. Promptly repair or replace the defective work, without expense to the Village, including costs associated with repairing any damage to property caused by the replacement work; or;
2. If the Village deems it unacceptable to have the contractor correct work which has been incorrectly done, a deduction from the agreement price shall be made based on the costs to the Village to have the work repaired. Such a deduction from the agreement price shall in no way affect the Village's other remedies or relieve the contractor from responsibility for defects and related damage occurring as a result of defective or unacceptable work.

Bidder's Representative

The bidder shall have at all times a competent foreman or superintendent on the job that shall have full authority to act for the bidder, and to receive and execute orders from the Village Manager or appointed representative. Any instructions given to such superintendent or person executing work for the bidder shall be binding on the bidder as though given to him personally. Bidder's representative must be proficient in the use and interpretation of the English language.

Workers

The bidders shall employ competent laborers and shall replace, at the request of the Building Maintenance Superintendent any incompetent, unfaithful, abusive or disorderly workers in their employ. Only workers expert in their respective branches of work shall be employed where special skill is required. Inappropriate behavior or examples of unproductive work effort will not be tolerated. The Village has the right to require a bidder's employee to be immediately removed from the work crew if the above behavior is exhibited.

Dispute Resolution

All disputes, including collection disputes, shall be brought in the Circuit Court of Cook County, Illinois. This agreement shall be interpreted in accordance with the laws of the State of Illinois. In any dispute resolution process, each party shall bear its own costs, including attorney's fees. Any purported agreement between the parties that states terms contrary to this paragraph will be deemed per se invalid.

Reporting Requirements

The following forms must be completed in their entirety, notarized and included as part of the Bid document. Failure to respond truthfully to any question on the list or failure to cooperate fully with further inquiry by the Village of Oak Park will result in disqualification of your bid.

Detail Specifications

The contractor selected under this RFB shall be used to provide asbestos removal and abatement services for the Village of Oak Park at the south fire station located at 900 S. East Ave. in Oak Park.

1. Location of Work

The location of the work is known as: Village of Oak Park south fire station. All work is to be done in accordance with the enclosed specifications, and all pertinent municipal, county and state codes/laws.

2. Property Damage

While working in or around Village buildings, the bidder shall take great care to avoid damaging adjacent mechanical equipment, materials, office furniture and office equipment, and landscaping (trees, shrubs, turf, etc. if applicable). Bidder shall be held responsible for all damage it causes to Village property, buildings and structures, etc. All damage caused by the bidder will be the responsibility of the bidder to repair to its original condition and to the satisfaction of the Village at no cost to the Village.

3. Idling of Equipment

The Department of Public Works has a "No Idling" policy. A copy of the policy is available from the Department of Public Works if needed. The bidder is expected to adhere to this policy as they are an extension of the Public Works Department staff.

4. Obstruction of Streets and Rights-of-Way

The bidder shall arrange to keep sidewalks open for traffic whenever possible, and to block portions of the streets only when deemed necessary to protect the public and Village property. The bidder shall remove all surplus materials and debris from the streets as the work progresses so that the public may have the use of the streets a maximum amount of time. Bidder is to erect appropriate warning signs and furnish adequate barricades that identify the work zone for the motoring public and pedestrians.

5. Accident Prevention

The bidder shall exercise every precaution at all times for the protection of the persons and properties. The safety provisions of all applicable laws and ordinances shall be strictly observed. Any practice obviously hazardous in the opinion of the Building Maintenance Superintendent or authorized representative shall be immediately discontinued by the bidder upon their receipt of instructions from the Building Maintenance Superintendent, or authorized representative, to discontinue such practice.

The bidder shall abide by all applicable laws, standards, and regulations that apply to the completion of the work, including EPA and OSHA safety standards and regulations.

6. Parking

No off-street parking for equipment shall be provided for by the Village of Oak Park on any of the Village's public properties except as may be designated by the Building Maintenance Superintendent.

7. Pedestrian Traffic Control

While emergency repair work is taking place, the bidder shall block off the sidewalk to pedestrian traffic immediately adjacent to the work site (if applicable) if there is a reasonable concern of potential harm to pedestrians.
