### 2021 Accomplishments YTD

Oak Park Regional Housing Center has successfully accomplished the following tasks for calendar year 2021:

- We are 90% complete with the development of a **new Client Management System (CMS)**. This will allow OPRHC to do the following: a) allow clients to register directly from the website into the CMS; b) allow landlords to register their units directly into the website; c) allow listings to be aggregated to clients with additional counselor follow up; d) have an ease of reporting for various outcomes.
- We have **hired two AmeriCorp Vistas** whom are working to develop procedures to extract data that can be used as a tool to improve our outreach and marketing plans.
- We have contracted with the Prescott Group to perform our **Development Services to organize our upcoming fundraising**.
- We have **hired a Public Relations Director** who will work to improve our messaging and communications throughout Oak Park.
- We have become **property owner** as we have purchased our office space through a partnership with Cook County Bureau of Economic Development. The goal is to partner with a not-for-profit affordable housing developer to construct mixed use affordable housing.
- We have provided two Fair Housing workshops.
- We have held one mini- fundraiser.
- We have remained constant with our number of individual registrants for apartment referrals and affirmative moves.
