EXHIBIT 3**ADDENDUM TO AGREEMENT**

The Contractor shall comply with the terms and conditions set forth herein. Any violation of the terms and conditions set forth herein shall subject the Contractor, at the Village's discretion, to possible contract termination or suspension of payments in accordance with the Agreement.

A. Conflicts of Interest and Standards of Conduct.

The Contractor shall adhere to the "Conflicts of Interest and Standards of Conduct" set forth below or to such equivalent policies of the Contractor as has been reviewed and approved by the Village in accordance with the Agreement.

Conflicts of Interest and Standards of Conduct

1. **Compensation:** Members of the Board of Directors shall serve without salary, but the Board of Directors may authorize payment of the reasonable expenses incurred by such members in the performance of their duties.
2. **Impartiality:** Every director and employee shall perform his or her duties with impartiality and without prejudice or bias in furtherance of the goals, objectives and contractual obligations of the Contractor. No director or employee shall, in the performance of his or her duties on behalf of the Contractor, grant or make available to any person or entity, including other directors or employees of the Contractor, any consideration, treatment or service beyond that which is available to every other similarly situated person or entity served by the Contractor.
3. **Conflict of Interest:** No director or employee shall engage in any business transaction or shall have any financial or other personal interest, direct or indirect, which is incompatible with the proper discharge of the Director's official duties in the interest of the Contractor or which may tend to impair his/her independence of judgment or action in the performance of his/her official duties.
4. **Interest in contracts:** No director or employee shall have any financial or personal interest, directly or indirectly, in any contract, work or business with the Contractor except that a director may provide materials, merchandise, property, services or labor under the following circumstances:
 - a. The contract is with a person, firm, partnership, association, or corporation in which the director has less than a 7.5% share in the ownership, and the aggregate of any

contracts awarded to the director or the director's firm, association, partnership or corporation under this subsection (b) during the same fiscal year does not exceed \$25,000; or

- b. The contract does not exceed \$2,000, and the aggregate of any contracts awarded to the director or the director's firm, association, partnership or corporation under this subsection (a) during the same fiscal year does not exceed \$4,000; or
- c. The contract is with a person, firm, partnership, association or corporation in which the director has less than a 1% share in ownership; or
- d. The Contractor is not a party to the contract, and the contract is with a person or entity served by the Contractor as a part of its corporate purpose.

Any contract awarded under this Section 4 must comply with the Contractor's policies concerning competitive bidding and outreach to women and minority business enterprises.¹

- 5. In the event that the Board of Directors considers taking any action, including but not limited to entering into a contract in which any director has any financial or personal interest, direct or indirect, which may reasonably tend to impair the director's independence of judgment or action in the best interests of the Contractor, the director shall:
 - a. Before consideration of the proposed action, publicly disclose any such interest to the Board of Directors; and
 - b. Refrain from evaluating, recommending, approving, deliberating or otherwise participating in negotiation, approval or both of the contract or work; and
 - c. Abstain from voting on the proposed action; and
 - d. The contract must be approved by a majority of the Board of Directors.

For purposes of this Section, personal interest shall include the financial interest of the spouse and minor children of the director, but shall not include any interest that a director may have in a proposed general policy of the Contractor solely by virtue of his business or profession.²

¹ The exceptions in Section 4 are drawn from 65 ILCS 5/3.1-55-10.

² The final sentence in Section 5 is intended to ensure that a board member who may be a landlord, realtor, banker, etc., is not prevented from voting on general policies that may have some impact, direct or indirect, on all members of that profession.

6. Disclosure and/or Use of Confidential Information: No director or employee shall, without proper legal authorization, disclose confidential information concerning the property, government or affairs of the Contractor or use such information to advance the financial or other private interest of the director, or employee or others.
7. Corporate Property: No director or employee shall request, permit or engage in the unauthorized use of the Contractor's funds, vehicles, equipment, materials or property of personal convenience or profit.

B. Procurement Policy.

The Contractor shall comply with the provisions set forth below relating to the procurement of goods and services which are funded, in whole or in part, by the Village or through the Village as funding agent, or such equivalent policy of the Contractor as has been reviewed and approved by the Village in accordance with the Agreement.

1. **All Contracts for Goods and Services Require the Approval of the Board of Directors; Exceptions.** No contract shall be made for goods or services when the total cost exceeds ten thousand dollars (\$10,000.00), unless such contract shall have been authorized by the Board of Directors. Whenever the total cost of such contract shall not exceed, in any one case, one thousand dollars (\$1,000.00), the Executive Director or his or her designee (hereinafter "Executive Director"), without such previous authorization, shall cause the same to be purchased upon his or her written order; and further provided that when the total cost thereof shall exceed one thousand dollars (\$1,000.00) but shall not exceed ten thousand dollars (\$10,000.00), the Executive Director may cause the same to be purchased without previous authorization in like manner, but the Executive Director shall first obtain in writing, whenever possible, at least three (3) informal quotes to furnish same, which quotes shall be attached in every case to the accounts payable vouchers authorizing payment for such goods or services and filed with the financial records of the Contractor. All contracts shall be let to the lowest responsible bidder, provided that any and all informal quotes for equipment, supplies or repair work may be rejected by the Executive Director if the character or quality of the goods or services does not conform to requirements. In determining the lowest responsible bid or quote, other factors, in addition to cost, such as experience, availability, expertise, resources, work history with the Contractor, work history with others, quality of work and ability to meet all specifications and/or requirements of the Contractor may be taken into consideration and may form the basis for an award of contract. Many of these factors will have increased significance when considering the award of contracts for professional services.
2. **Contracts Which Require the Use of the Formal Bidding Process.** Except as set forth in Section 3 below, when the total cost of a contract for goods, materials, equipment, supplies or construction work is expected to exceed ten thousand dollars (\$10,000.00), the Executive Director or his or her agent shall issue a call for bids which shall be formally advertised. All such bids for construction work shall require a bond for the faithful performance of the work.

All contracts for which bids are required shall be let to the lowest responsible bidder within the judgment of the Board of Directors, provided that any and all bids received in response to an advertised call for bids may be rejected by the Board of Directors if the character or quality of goods, materials, equipment, supplies or construction work does not conform to the specifications and/or requirements set forth in the call for bids.

3. **Exception to Bid Requirements for Urgent Materials or Repairs; Lack of Competition and Inability to Draft Adequate Specifications; Bid Waiver.** In cases of urgently needed materials or urgently needed repairs which are expected to exceed ten thousand dollars (\$10,000.00), the Executive Director is authorized to obtain such materials and/or services through a negotiated contract without formal advertising when it is in the best interest of the Contractor and it is impractical to convene a meeting of the Board of Directors. If it is practical to convene a meeting, the Board of Directors shall be required to waive the bidding requirement and approve such a negotiated agreement.

Such negotiated contracts may also be approved by the Board of Directors when (1) the contract is for professional services, (2) it is impractical to secure competition, or (3) it is impossible to draft adequate bid specifications. The Executive Director or his or her designee shall, however, whenever possible, obtain in writing at least three (3) informal quotes to furnish same.

Bidding in all instances may be waived by a two thirds (2/3) vote of the Board of Directors.

4. **Procedure for Advertising for Bids.** Whenever any formal bids are required, as stated above, the Executive Director or his/her authorized agent shall advertise in some newspaper published in the Village and/or in such other newspaper of general circulation as, in his/her judgment, may be desirable. A plan or profile of the work to be done, accompanied by specifications for doing the same and specifications for material, supplies or equipment to be furnished, shall be first placed on file in the office of the Executive Director or his/her authorized agent before any such advertisement shall be made, which plan, profile and specifications for goods, material, supplies, equipment or construction work shall at all times be open for public inspection. Such advertisement shall be published not less than ten (10) days before the day fixed for opening such bid, and shall state the work to be done, or material, supplies or equipment to be furnished, and the time and place for the filing and the opening of the sealed bids.
5. **Filing of Bids; Deposit Accompanying Bids, Preservation and Opening of Bids.** In all cases, the formal bids under the preceding section shall be sealed bids and directed to the Executive Director. A bid deposit may be required, the amount of which shall be fixed by the Executive Director but which shall not exceed five percent (5%) of the estimated

cost of the work or material to be furnished, not less than the sum of twenty-five dollars (\$25.00). Such bid deposit shall be in the form of a cashier's check, a certified check, or at the discretion of the Executive Director, a bid bond. Checks shall be drawn upon a bank in good standing, payable to the order of the Contractor and shall be forfeited to the Village in the event the bidder shall neglect or refuse to enter into a contract and bond when required, with approved sureties, to execute the work or furnish the material for the price mentioned in his/her bid and according to the plans and specifications in case the contract shall be awarded to him/her. Bids shall be opened at the hour and place mentioned in the notice.

6. **Contracts to be Executed in Writing.** All contracts, whether for work or materials, shall be executed in writing and in duplicate by the President of the Board of Directors or the Executive Director. One original so executed shall be kept and filed in the Contractor's office and the other shall be given to the contractor. All contracts and bonds so taken shall be in the name of, and run to, the Contractor.

7. **Contractors' Bonds.** Whenever any construction work, expected to be in excess of ten thousand dollars (\$10,000.00), is let by contract to any person or entity, the Contractor shall, in all cases, take a bond from such person or entity with good and sufficient sureties, licensed in the State of Illinois to be approved by the Board of Directors, in such amount as shall not only be adequate to insure the performance of the work in the time and manner required in such contract, but also to save and indemnify and keep harmless the Contractor against all liabilities, judgments, costs and expenses which may in any manner accrue against the Contractor in consequence of granting such contract or which may in any manner result from the carelessness or neglect of such person, or entity or its agents, employees or workers in any respect whatever.

8. **Bid Tabulation.** The Contractor shall prepare a spreadsheet for each separate contract over ten thousand dollars (\$10,000.00) for goods and services awarded by it. Each spreadsheet shall name and identify all entities submitting bids or proposals on specific contracts by name and address, describe the goods provided or the work performed, set forth the cost, fee or amount proposed by each such entity in response to the call for bids or request for proposals or quotes, the name and address of the entity who was awarded the contract, and the reasons therefore. The Contractor shall submit copies of all such spreadsheets to the Village on a quarterly basis as a part of the general quarterly reporting process required under this agreement.

C. Diversity Statement

An employee who believes he or she has been the subject of sexual harassment shall report the alleged conduct immediately to the Contractor's Human Resources Director, Executive Director or such other employee, other than the alleged harasser, as may be designated by the Contractor. The information will then be forwarded to the CEO/Manager/Executive Director. A confidential investigation of any complaint will be undertaken by the Human Resources Director or such other officer or employee designated by the Executive Director.

EXHIBIT A

Diversity Statement

The people of Oak Park choose this community, not just as a place to live, but as a way of life and as a place to seek shelter, refuge and acceptance. Oak Park commits itself to equity, diversity, and inclusion because these values make us a desirable and strong community for all people. Creating a mutually respectful, multicultural and equitable environment does not happen on its own; it must be intentional.

We believe in equity. By embracing equity, with an explicit but not exclusive focus on racial equity, we work to break down systems of oppression, including racism, sexism, homophobia, xenophobia and other forms of bias and hate to achieve a society where race no longer determines one's outcomes, where everyone has what they need to thrive. This is both a process and a goal. We reject racial barriers that limit and divide us, and we reject bias towards any group of people.

We believe in diversity because our commonalities and differences are both assets. Oak Park is a dynamic community that welcomes, respects, and encourages the contributions of all people, in all our rich variety by race, color, ethnicity, ancestry, national origin, religion, age, sex, sexual orientation, gender identity or expression, marital and/or familial status, language, mental and/or physical impairment and/or disability, military status, economic class, immigration status, foster status, body size, criminal history, or any of the other characteristics that are often used to divide people.

We acknowledge intersectionality and the compounding effect of multiple forms of discrimination that many in our community experience. We affirm all people as members of the human family. Our goal is for people of widely differing backgrounds to do more than live next to one another. Through intentional interaction and fair treatment, we can respect our differences while fostering unity and developing a shared, intersectional vision for the future.

We believe in inclusion because we need to go beyond numerical diversity and strive for authentic representation, empowered participation, full access, and a true sense of belonging for all people. Oak Park recognizes that a free, open, and inclusive community is achieved through full and broad participation of all community members and the ongoing commitment to active and intentional engagement across lines of difference. We believe the best decisions are made when everyone is authentically represented in decision-making and power is shared collectively.

The Village of Oak Park commits itself to a future ensuring equity, diversity, and inclusion in all aspects of local governance and community life. We strive to make these values aspirational and operational, reflected in our everyday practices and priorities. This includes fair treatment, equal access, and full participation in all of the Village's

institutions and programs, and the goal of racial equity in all Village operating policies. The Village of Oak Park must continue to support its fair housing philosophy that fosters integration and unity in our community. Our intention is that such principles will be a basis for policy and decision making in Oak Park. The President and Board of Trustees of the Village of Oak Park reaffirm their dedication and commitment to these precepts.

FOR EMPLOYEES OF THE VILLAGE OF OAK PARK

A. **DEFINITIONS.** When used in the Ordinance, the following terms have the following meanings:

AFFIDAVIT OF DOMESTIC PARTNERSHIP: A form, provided by the Director of Human Resources, in which two people agree to be jointly responsible for the necessities of life incurred during the domestic partnership and state under oath that all qualifications for domestic partnership as set forth in this Article are met when the Affidavit is signed.

The form shall set forth all the requirements for a domestic partnership as defined herein. The form shall indicate that the fraudulent misrepresentation of information set forth therein by the Village employee executing same shall be considered cause for the termination of the employee's employment with the Village. The affidavit shall further state that the persons executing such affidavit may be held civilly liable for the misstatement of any information set forth therein and that such affidavit may further be construed by a court of law as creating enforceable, legal obligations between the persons executing the affidavit.

DEPENDENT: One who lives with a domestic partner and is a biological, adopted or step child of a domestic partner, a dependent of a domestic partner as defined by Internal Revenue Service regulations, or a ward of a domestic partner as determined under the laws of guardianship or agency.

DOMESTIC PARTNER: Each adult in a domestic partnership.

DOMESTIC PARTNERSHIP: Two unrelated adults of the same sex, one of whom is an employee of the Village of Oak Park who is otherwise eligible for employee benefits, who have chosen to share one another's lives in an intimate and committed relationship of mutual caring, who also:

1. share the same primary, regular and permanent residence and have lived together for the previous six (6) months;
2. agree to be jointly obligated and responsible for the necessities of life for each other;
3. are not married to anyone;
4. are each eighteen (18) years of age or older;
5. are competent to enter into a contract;
6. are and have been each other's sole domestic partner for at least six (6) months prior to execution of the Affidavit of Domestic Partnership required under this

Article;

7. agree to file a Termination of Domestic Partnership within 30 days if any of the above facts change;
8. have filed the required notice of Termination of any prior domestic partnership acknowledged under the provision of this Article in the manner required herein and no less than six (6) months prior to the execution of the current Affidavit of Domestic Partnership; and
9. execute an Affidavit of Domestic Partnership, indicating compliance of the persons executing such affidavit with all the requirements for a domestic partnership set forth in this Article.

LIVE TOGETHER: Two people claiming domestic partnership status share the same primary, regular and permanent residence. It is not necessary that both domestic partners have the legal right to possess the residence. Domestic partners do not cease to live together if one leaves the shared residence for a period not to exceed one (1) year, but intends to return.

NECESSITIES OF LIFE: Basic food, shelter, clothing, medical care and the costs associated therewith. The domestic partners need not contribute equally or jointly to the cost of these expenses as long as they agree that both are responsible and obligated for the cost.

TERMINATION OF DOMESTIC PARTNERSHIP: Any change in the domestic partnership which causes the partnership not to satisfy any one of the requirements for a domestic partnership, set forth herein.

B. AFFIDAVIT OF DOMESTIC PARTNERSHIP; EXECUTION AND ACCOMPANYING DOCUMENTATION. An Affidavit of Domestic Partnership must be signed, under oath, by both parties seeking recognition by the Village as a domestic partnership. The Director of Human Resources shall, within thirty (30) days of the effective date of this ordinance, make such forms available.

The signatures of both persons must be witnessed and notarized. The affiants will also be required to indicate that they have thoroughly read the affidavit and that they understand the content thereof at the time of execution. The Director of Human Resources, or the Director's designee, shall receive executed affidavits of domestic partnership and may require reasonable documentation verifying the truth and accuracy of any statements contained in the affidavit, including verification of the primary, regular and permanent residence address of the persons seeking recognition as a domestic partnership.

Once the affidavit has been properly executed by both individuals seeking recognition as a domestic partnership by the Village and presented to the Director of Human Resources,

or the Director's designee, along with all supporting documentation requested by the Director, or the Director's designee, and the Director is satisfied that the individuals seeking recognition as a domestic partnership have satisfied the requirements for same, the Director, or the Director's designee, shall provide those individuals with a letter under the Director's signature, recognizing the domestic partnership, identifying the parties to same and identifying the benefits to which the domestic partners are then entitled. The letter shall further indicate that the domestic partners must comply with the provisions of Section Four herein and notify the Director, or the Director's designee, of the termination of the domestic partnership within thirty (30) days of the termination and the possible consequences for the failure to do so.

C. EMPLOYMENT BENEFITS. The Village of Oak Park shall provide the same family sick leave, funeral leave benefits and H.M.O. health and dental benefits available to any Village employee, and the spouse and dependents of any Village employee, to any Village employee and any other person with whom the employee has formed a domestic partnership and the dependents of such domestic partnership as defined herein. The Village shall, however, not extend health insurance benefits to a domestic partner, or the domestic partner's dependents, if the domestic partner who is not a Village employee is otherwise eligible for health insurance benefits through his or her employer.

D. TERMINATION OF DOMESTIC PARTNERSHIP: NOTICE REQUIRED. Any employee of the Village who is receiving employment benefits as a member of a domestic partnership and whose domestic partnership terminates as defined herein, shall notify the Director of Human Resources of the termination of the employee's domestic partnership within thirty (30) days of such termination.

E. FRAUDULENT MISREPRESENTATION: REIMBURSEMENT TO VILLAGE AND CAUSE FOR TERMINATION. Any employee who fraudulently misrepresents information in the Affidavit of Domestic Partnership executed by such employee, or fails to inform the Village of the termination of his or her domestic partnership, shall reimburse the Village for any expenditures made by the Village in reliance on such misrepresentations or for expenditures made due to the employee's failure to notify the Village of the termination of a domestic partnership. Such fraudulent misrepresentations shall also constitute cause for the termination of the employee's employment with the Village.

EXHIBIT 3a**PROCUREMENT POLICY OF THE HOUSING AUTHORITY OF THE VILLAGE OF OAK PARK**

This Procurement Policy (Policy) is hereby established for the Housing Authority of the Village of Oak Park (PHA) by official action of its Board of Commissioners. B. APPLICATION

This Policy applies to all contracts for the procurement of supplies, **service**, and construction entered into by the PHA after the effective date of this Policy. It shall apply to every expenditure of Federal funds by the PHA for public purchasing, funds, including contracts which do not involve an obligation of funds (such as concession contracts); however, nothing in this Policy shall prevent the PHA from complying with the terms and conditions of any grant, contract, gift or bequest that is otherwise consistent with law. Funds obtained from public sources other than HUD shall use the procurement standards applicable to those funds, provided such standards are consistent with the **minimum** requirements of this Policy. The term "procurement," as used in this Policy, includes both contracts and modifications (including change orders) for construction or services, as well as purchase, lease, or rental of supplies and equipment.

C. PUBLIC ACCESS TO PROCUREMENT INFORMATION

Procurement information shall be a matter of public record to the extent provided State law and shall be available to the public as provided by State statute.

II. PROCUREMENT AUTHORITY AND ADMINISTRATION

- A.** All procurement transactions shall be administered by the Contracting Officer, who shall be the Executive Director or other individual he or she has authorized in writing. The Executive Director shall issue operational procedures to implement this Policy, which shall be based on HUD Handbook 7460.8. The Executive Director shall also establish a system of sanctions for violations of the ethical standards described in Section IX

below, consistent with State law.

B. The Executive Director or his/her designee shall ensure that:

1. procurement requirements are subject to an annual planning process to assure efficient and economical purchasing;
2. contracts and modifications are in writing, clearly specifying the desired supplies, services, or construction, and are supported by sufficient documentation regarding the history of the procurement, including as a minimum the method of procurement chosen, the selection of the contract type, the rationale for selecting or rejecting offers, and the basis for the contract price;
3. for procurements other than small purchases, public notice is given of each upcoming procurement at least 10 days or other **time** period if required by State or local law before a solicitation is issued; responses to such notice are honored to the maximum extent practical; a minimum of 15 days or other time period if required by State or local law is provided for preparation and submission of bids or proposals; and notice of contract awards is **made** available to the public;
4. solicitation procedures are conducted in full compliance with Federal standards stated in 24 CFR 85.36, or State and local laws that are more stringent, provided they are consistent with 24 CFR 85.36;
5. an independent cost estimate is prepared before solicitation issuance and is appropriately safeguarded for each procurement above the small purchase limitation, and a cost or price analysis is conducted of the responses received for all procurements;
6. contract award is made to the responsive and responsible bidder offering the lowest price (for sealed bid contracts) or contract award is made to the offeror whose proposal offers the greatest value, considering price, technical, and other factors as specified in the solicitation (for contracts awarded based on competitive proposals); unsuccessful firms are notified within ten days or other **time** period required by State or local law after contract award;
7. there are sufficient unencumbered funds available to cover the anticipated cost of each procurement before contract award or modification (including change orders), work is inspected before payment, and payment is **made** promptly for contract work performed and accepted; and
8. the PHA complies with applicable HUD **review** requirements, as provided in the operational procedures supplementing this Statement.

C. This Policy and any later changes shall be submitted to the Board of Commissioners for approval. The Board appoints and delegates procurement authority to the Executive Director and is responsible for ensuring that any procurement policies adopted are appropriate for the PHA.

III. PROCUREMENT METHODS

A. SELECTION OF METHOD

If it has been decided that the PHA will directly purchase the required items, one of the following procurement methods shall be chosen, based on the nature and anticipated dollar value of the total requirement.

B. SMALL PURCHASE PROCEDURES

1. General. Any contract not exceeding \$20,000 may be made in accordance with the small purchase procedures authorized in this section. Contract requirements shall not be artificially divided so as to constitute a small purchase under this section (except as may be reasonably necessary to comply with Section VIII of this Policy).
2. Petty Cash Purchases. Small purchases under \$100 may be processed through the use of a petty cash account. The Contracting Officer shall ensure that: the account is established in an amount sufficient to cover small purchases made during a reasonable period (e.g., one week); security is maintained and only authorized individuals have access to the account; the account is periodically reconciled and replenished by submission of a voucher to the PHA finance officer; and, the account is periodically audited by the finance officer or designee to validate proper use and to verify that the account total equals cash on hand plus the total of accumulated vouchers.
3. Small purchases of \$5,000 or less. For small purchases of \$5,000 or less only one quotation need be solicited if the price received is considered reasonable. Such purchases must be distributed equitably among qualified sources. If practicable, a quotation shall be solicited from other than the previous source before placing a repeat order.
4. Small purchases over \$5,000. For small purchases in excess of \$5,000 but not exceeding \$20,000 no less than three offerers shall be solicited to submit price quotations, which may be obtained orally, by telephone, or in writing, as allowed by State or local laws. Award shall be made to the offerer providing the lowest acceptable quotation, unless justified in writing based on price and other specified factors, such as for architect-engineer contracts. If non-price factors are used, they shall be disclosed to all those solicited. The names, addresses, and/or telephone numbers of the offerers and persons contacted, and the date and amount of each quotation shall be recorded and maintained as a public

record (unless otherwise provided in State or local law).

5. Small purchases over \$10,000. For small purchases in excess of \$10,000 but not exceeding \$20,000, staff shall follow the procedures outlined in paragraph 4 above but such purchases must be approved by a vote of the Board of Commissioners.

C. SEALED BIDDING

1. Conditions for Use. Contracts shall be awarded based on competitive sealed bidding if the following conditions are present: a complete, adequate, and realistic specification or purchase description is available; two or more responsible bidders are willing and able to compete effectively for the work; the procurement lends itself to a firm fixed price contract; and the selection of the successful bidder can be made principally on the basis of price. Sealed bidding is the preferred method for construction procurement. For procurements under the Comprehensive Improvement Assistance Program (CIAP), sealed bidding shall be used for all construction and equipment contracts exceeding the small purchase limitation. For professional services contracts, sealed bidding should not be used.
2. Solicitation and Receipt of Bids. An invitation for bids shall be issued including specifications and contractual terms and conditions applicable to the procurement, including a statement that award will be made to the lowest responsible and responsive bidder whose bid meets the requirements of the invitation for bids. The invitation for bids shall state the time and place for both the receipt of bids and the public bid opening. All bids received shall be time-stamped but not opened and shall be stored in a secure place until bid opening. A bidder may withdraw its bid at any time prior to bid opening.
3. Bid Opening and Award. Bids shall be opened publicly and in the presence of at least one witness. An abstract of bids shall be recorded and the bids shall be available for public inspection. Award shall be made as provided in the invitation for bids by written notice to the successful bidder.

The Executive Director or Chairman and Board of Commissioners, as the case may be, shall make the applicable purchase from or award the contract to the lowest responsible bidder on the basis of the bid or proposal that is in the best interest of the PHA to accept. In awarding the contract or making the purchase, in addition to price, the Chairman and Board of Commissioners and/or the Executive Director shall consider;

- a) the ability, capacity and skill of the bidder to perform the contract to provide the service required;
- b) whether the bidder can perform the contract or provide the service promptly, or within the time specified, without delay or interference;

- c) the character, integrity, reputation, judgement, experience and efficiency of the bidder;
- d) the quality and timeliness of the performance of previous contracts or services rendered to the Housing Authority or third parties.
- e) the previous and existing compliance by the bidder with laws and ordinances relating to the contract or service;
- f) the sufficiency of the financial resources and ability of the bidder to perform the contract or provide the service;
- g) the quality, availability and adaptability of the supplies or contractual services to the particular use required;
- h) the ability of the bidder to provide the future maintenance and service for use of the subject of the contract; and
- i) the number and scope of conditions attached to the bid.

The Executive Director shall report to the Chairman and Board of Commissioners any conditions, variance from specifications or other non-conforming aspects of any particular bid.

If equal low bids are received from responsible bidders, award shall be made by drawing lots or similar random method, unless otherwise provided in State or local law and stated in the invitation for bids. If only one responsive bid is received from a responsible bidder, award shall not be made unless a cost or price analysis verifies the reasonableness of the price.

4. Mistakes in Bids.

- a. Correction or withdrawal of inadvertently erroneous bids may be permitted, **where** appropriate, before bid opening by written or telegraphic notice received in the office designated in the invitation for bids prior to the time set for bid opening. After bid opening, corrections in bids shall be permitted only if the bidder can show by clear and convincing evidence that a mistake of a nonjudgmental character was made, the nature of the **mistake**, and the bid price actually intended. A low bidder alleging a nonjudgmental mistake may be permitted to withdraw its bid if the mistake is clearly evident on the face of the bid document but the intended bid is unclear or the bidder submits convincing evidence that a mistake was made.
- b. All decisions to allow correction or withdrawal of bid

mistakes shall be supported by a written determination signed by the Contracting Officer. After bid opening, no changes in bid prices or other provisions of bids prejudicial to the interest of the PHA or fair competition shall be permitted.

5. Bonds. In addition to the other requirements of this Statement, the following requirements apply:
 - a. For construction contracts exceeding \$ 100,000, other than those specified in Sb and Sc below, contractors shall be required to submit the following, unless otherwise required by State or local laws or regulations:
 - (1) a bid guarantee from each bidder equivalent to 5% of the bid price; and
 - (2) a performance bond for 100% of the contract price; and
 - (3) a payment bond for 100% of the contract price.
 - b. In the case of construction of conventional development projects funded pursuant to the U.S. Housing Act of 1937, the contractor shall be required to submit the following, unless otherwise required by State or local laws or regulations:
 - (1) a bid guarantee from each bidder equivalent to 5% of the bid price; and
 - (2) one of the following:
 - (i) a performance and payment bond for 100% of the contract price; or
 - (ii) a 20% cash escrow; or
 - (iii) a 25% irrevocable letter of credit.
 - c. In the case of construction under the Comprehensive Improvement Assistance Program (CIAP) and Comprehensive Grant Program (CGP) funded pursuant to the U.S. Housing Act of 1937, for any contract over \$25,000, the contractor shall be required to submit the following, unless otherwise required by State or local laws or regulations:
 - (1) a bid guarantee from each bidder equivalent to 5% of the bid price; and
 - (2) one of the following:
 - (i) a performance and payment bond for 100% of the contract price; or

(ii) **separate** performance and payment bonds, **each** for 50% or **more** of the contract price; or

(iii) a 20% cash escrow; or

(iv) a 25% irrevocable letter of credit.

D. COMPETITIVE PROPOSALS

1. Conditions for Use. Competitive proposals (including turnkey proposals for development) may be used if there is an adequate method of evaluating technical proposals and where the PHA determines that conditions are not appropriate for the use of sealed bids. An adequate number of qualified sources shall be solicited.
2. Solicitation. The request for proposals (RFP) shall clearly identify the relative importance of price and other evaluation factors and subfactors, including the weight given to each technical factor and subfactor. A mechanism for fairly and thoroughly evaluating the technical and price proposals shall be established before the solicitation is issued. Proposals shall be handled so as to prevent disclosure of the number of offerers, identity of the offerers, and the contents of their proposals. The proposals shall be evaluated only on the criteria stated in the request for proposals.
3. Negotiations. Unless there is no need for negotiations with any of the offerers, negotiations shall be conducted with offerers who submit proposals determined to have a reasonable chance of being selected for award, based on evaluation against the technical and price factors as specified in the RFP. Such offerers shall be accorded fair and equal treatment with respect to any opportunity for negotiation and revision of proposals. The purpose of negotiations shall be to seek clarification with regard to and advise offerors of the deficiencies in both the technical and price aspects of their proposals so as to assure full understanding of and conformance to the solicitation requirements. No offeror shall be provided information about any other offerer's proposal, and no offerer shall be assisted in bringing its proposal up to the level of any other proposal. Offerers shall not be directed to reduce their proposed prices to a specific amount in order to be considered for award. A common deadline shall be established for receipt of proposal revisions based on negotiations.
4. Award. After evaluation of proposal revisions, if any, the contract shall be awarded to the responsible firm whose qualifications, price and other factors considered, are the most advantageous to the PHA.
5. Architect/Engineer Services. Architect/engineer services in the excess of the small purchase limitation (or less if

required by State or local law) may be obtained by either the competitive proposals method or qualifications-based selection procedures, unless State law mandates the specific method. Sealed bidding, however, shall not be used to obtain architect/engineer services.

Under qualifications-based selection procedures, competitors' qualifications are evaluated and the most qualified competitor is selected, subject to the negotiation of fair and reasonable compensation. Price is not used as a selection factor under this method. Qualifications-based selection procedures shall not be used to purchase other types of services even though architect-engineer firms are potential sources.

E. NONCOMPETITIVE PROPOSALS

1. Conditions for use. Procurements shall be conducted competitively to the **maximum** extent possible. Procurement by noncompetitive proposals may be used only when the award of a contract is not feasible using small purchase procedures, sealed bids, or competitive proposals and one of the following applies:
 - a. The item is available only from a single source, based on a good faith **review** of available sources;
 - b. An emergency exists that seriously threatens the public health, welfare, or safety, or endangers property, or would otherwise cause serious injury to the PHA, as may arise by reason of a flood, earthquake, epidemic, riot, equipment failure, or similar event. In such cases, there must be an immediate and serious need for supplies, services, or construction such that the need cannot be met through any other procurement methods, and the emergency procurement shall be limited to those supplies, services, or construction necessary to meet the emergency;

In case of an apparent emergency which requires immediate purchase of supplies, materials, or services, the Executive Director is empowered to secure without bids at the lowest obtainable price, the necessary supplies, materials or services regardless of the amount of expenditure. If a contract of \$10,000 or more is awarded on an emergency basis, the Executive Director shall **make** a report of the award to the Chairman and Board of Commissioners.

- c. HUD authorizes the use of noncompetitive proposals; or
 - d. After solicitation of a number of sources, competition is determined inadequate.
2. Justification. Each procurement based on noncompetitive proposals shall be supported by a written justification for using such procedures. The justification shall be approved in writing by the Contracting Officer.

3. Price reasonableness. The reasonableness of the price for all procurements based on noncompetitive proposals shall be determined by performing a cost analysis, as described in paragraph IIIF below.

F. COST AND PRICE ANALYSIS

1. General. A cost or price analysis shall be performed for all procurement actions, including contract modifications. The method of analysis shall be determined as follows. The degree of analysis shall depend on the facts surrounding each procurement.
2. Submission of Cost or Pricing Information. If the procurement is based on noncompetitive proposals, or when only one offer is received, or for other procurements as **deemed** necessary by the PHA (e.g., when contracting for professional, consulting, or architect/engineer services) the offerer shall be required to submit:
 - a. a cost breakdown showing projected costs and profit;
 - b. commercial pricing and sales information, sufficient to enable the PHA to verify the reasonableness of the proposed price as a catalog or market price of a commercial product sold in substantial quantities to the general public; or
 - c. documentation showing that the offered price is set by law or regulation.
3. Cost Analysis. Cost analysis shall be performed if an offerer/contractor is required to submit a cost breakdown as part of its proposal. When a cost breakdown is submitted: a cost analysis shall be performed of the individual cost elements; the PHA shall have a right to audit the contractor's books and records pertinent to such costs; and profit shall be analyzed separately. Costs shall be allowable only to the extent that they are consistent with applicable Federal cost principles (for commercial firms, Subpart 31.2 of the Federal Acquisition Regulation, 48 CFR Chapter 1). In establishing profit, the PHA shall consider factors such as the complexity and risk of the work involved, the contractor's investment and productivity, the amount of subcontracting, the quality of past performance, and industry profit rates in the area for similar work.
4. Price Analysis. A comparison of prices shall be used in all cases other than those described in IIIF3 above.

G. CANCELLATION OF SOLICITATIONS

1. An invitation for bids, request for proposals, or other solicitation may be cancelled before offers are due if: the PHA no longer requires the supplies, services or construction; the PHA can no longer reasonably expect to

fund the procurement; proposed amendments to the solicitation would be of such magnitude that a new solicitation would be desirable; or similar reasons.

2. A solicitation may be cancelled and all bids or proposals that have already been received may be rejected if the supplies, services, or construction are no longer required; ambiguous or otherwise inadequate specifications **were** part of the solicitation; the solicitation did not provide for consideration of all factors of significance to the PHA, prices **exceed** available funds and it would not be appropriate to adjust quantities to **come** within available funds; **there** is reason to **believe** that bids or proposals may not have **been** independently arrived at in open competition, may have been, collusive, or may have been submitted in bad faith; or for good cause of a similar nature when it is in the best interest of the PHA.
3. The reasons for cancellation shall be documented in the procurement file and the reasons for cancellation and/or rejection shall be provided upon request to any offerer solicited.
4. A notice of cancellation shall be sent to all offerers solicited and, if appropriate, shall explain that they will be given an opportunity to compete on any resolicitation or future procurement of similar **items**.
5. If all otherwise acceptable bids received in response to an invitation for bids are at unreasonable prices, or only one bid is received and the price is unreasonable, the PHA shall cancel the solicitation and either:
 - a. resolicit using a request for proposals; or
 - b. complete the procurement by using the competitive proposals method, following paragraphs IIID3 and IIID4 above (when **more** than one otherwise acceptable bid has been received), or by using the noncompetitive proposals method and following paragraph IIIE2 above (when only one bid is received at an unreasonable price); provided, that the Contracting Officer determines in writing that such action is appropriate, all bidders are informed of the PHA's intent to negotiate, and each responsible bidder is given a reasonable opportunity to negotiate.

H. COOPERATIVE PURCHASING

The PHA may enter into State and local intergovernmental agreements to purchase or use common goods and services. The decision to use an intergovernmental agreement or conduct a direct procurement shall be based on economy and efficiency. If used, the intergovernmental agreement shall stipulate who is authorized to purchase on behalf of the participating parties and shall specify inspection, acceptance, termination, payment, and other relevant terms and conditions.

The PHA will endeavor to use Federal or State excess and surplus property instead of purchasing new equipment and property whenever such use is feasible and reduces project costs.

IV. CONTRACTOR QUALIFICATIONS, AND DUTIES

A. CONTRACTOR RESPONSIBILITY

Procurements shall be conducted only with responsible contractors, i.e., those who have the technical and financial, competence to perform and who have a satisfactory record of integrity. Before awarding a contract, the PHA shall review the proposed contractor's ability to perform the contract successfully, considering factors such as the contractor's integrity (including a review of the list of Parties Excluded from Federal Procurement and Nonprocurement Programs published by the U.S. General Services Administration), compliance with public policy, record of past performance (including contacting previous clients of the contractor, such as other PHAs), and financial and technical resources. (see list of award factors detailed in Section III. C.3). If a prospective contractor is found to be nonresponsible, a written determination of nonresponsibility shall be prepared and included in the contract file, and the prospective contractor shall be advised of the reasons for the determination.

B. SUSPENSION AND DEBARMENT

Contracts shall not be awarded to debarred, suspended, or ineligible contractors. Contractors may be suspended, debarred, or determined ineligible by HUD in accordance with HUD regulations (24 CFR Part 24) or by other Federal agencies (e.g., Department of Labor for violation of Secretary of Labor regulations) when necessary to protect the PHA in its business dealings.

C. QUALIFIED BIDDER'S LISTS

Interested businesses may be given an opportunity to be included on qualified bidder's lists if the PHA decides, in its sole discretion, to maintain such lists. Any prequalified lists of persons, firms, or products which are used in the procurement of supplies and services shall be kept current and shall include enough qualified sources to ensure competition. Firms shall not be precluded from qualifying during the solicitation period. Solicitation mailing lists of potential contractors shall include, but not be limited to, such prequalified suppliers.

V. TYPES OF CONTRACTS, CLAUSES, AND CONTRACT ADMINISTRATION

A. CONTRACT TYPES

Any type of contract which is appropriate to the procurement and which will promote the best interests of the PHA may be used, provided that the cost-plus-a-percentage-of-cost and percentage

of construction cost methods are prohibited.

A1.1 procurements shall include the clauses and provisions necessary to define the rights and responsibilities of the parties.

A cost reimbursement contract shall not be used unless it is likely to be less costly or it is impracticable to satisfy the PHA's needs otherwise, and the proposed contractor's accounting system is adequate to allocate costs in accordance with applicable cost principles (for commercial firms, Subpart 31.2 of the Federal Acquisition Regulation (FAR), found in 48 CFR Chapter 1). A time and material contracts may be used only if a written determination is made that no other contract type is suitable, and the contract includes a ceiling price that the contractor **exceeds** at its own risk.

B. OPTIONS

Options for additional quantities or performance periods may be included in contracts, provided that: (i) the option is contained in the solicitation; (ii) the option is a unilateral right of the PHA; (iii) the contract states a limit on the additional quantities and the overall term of the contract; (iv) the options are evaluated as part of the initial competition; (v) the contract states the period within which the options may be exercised; (vi) the options may be exercised only at the price specified in or reasonably determinable from the contract; and (vii) the options may be exercised only if determined to be more advantageous to the PHA than conducting a new procurement.

C. CONTRACT CLAUSES

In addition to containing a clause identifying the contract, all contracts shall include any clauses required by Federal statutes, executive orders, and their implementing regulations, as provided in 24 CFR 85.36(i), such as the following:

1. Termination for convenience,
2. Termination for default,
3. Equal Employment Opportunity,
4. Anti-Kickback Act,
5. Davis-Bacon provisions of the United States Housing Act of 1937,
6. Contract Work Hours and Safety Standards Act, reporting requirements,
7. Patent rights,
8. Rights in Data,
9. Examination of records by Comptroller General, retention of records for three years after closeout,

10. Clean air and water,
11. Energy efficiency standards,
12. Bid protests and contract claims,
13. Value engineering, and
14. Payment of funds to influence certain Federal transactions.

The operational procedures required by section IIA of this statement shall contain the text of all clauses and required certifications (such as required non-collusive affidavits) used by the PHA.

D. CONTRACT ADMINISTRATION

A contract administration system designed to insure that contractors perform in accordance with their contracts shall be maintained. The operational procedures required by Section IIA above shall contain guidelines for inspection of supplies, services, or construction, as well as monitoring contractor performance, status reporting on construction contracts, and similar matters. For cost reimbursement contracts with commercial firms, costs are allowable only to the extent that they are consistent with the cost principles in FAR Subpart 31.2.

VI. SPECIFICATIONS

A. GENERAL

All specifications shall be drafted so as to promote overall economy for the purposes intended and to encourage competition insatisfying the PHA's needs. Specifications shall be reviewed prior to solicitation to ensure that they are not unduly restrictive or represent unnecessary or duplicative items.

Functional or performance specifications are preferred. Detailed product specifications shall be avoided whenever possible.

Consideration shall be given to consolidating or breaking out procurements to obtain a more economical purchase (but see VIII below). For equipment purchases, a lease versus purchase analysis should be performed to determine the most economical form of procurement.

B. LIMITATIONS

The following specification limitations shall be avoided: geographic restrictions not mandated or encouraged by applicable Federal law (except for architect-engineer contracts, which may include geographic location as a selection factor if adequate competition is available); unnecessary bonding or experience requirements; brand name specifications (unless a written determination is made that only the identified item will satisfy the PHA's needs); brand name or equal specifications (unless they list the minimum essential characteristics and standards to which the item must conform to satisfy its intended use). Nothing in

this procurement policy shall preempt any State licensing laws.

Specifications shall be scrutinized to ensure that organizational conflicts of interest do not occur (for **example**, having a consultant perform a study of the PHA's computer needs and then allowing that consultant to compete for the subsequent contract for the computers).

VII. APPEALS AND REMEDIES

A. GENERAL

It is the PHA's policy to resolve all contractual issues informally at the PHA level, without litigation. Disputes shall not be referred to HUD until all administrative remedies have been exhausted at the PHA level. When appropriate, the PHA may consider the use of informal discussions between the parties by individuals who did not participate substantially in the matter in dispute, to help resolve the differences. HUD will only review protests in cases of violations of Federal law or regulations and failure of the PHA to review a complaint or protest.

B. BID PROTESTS

Any actual or prospective contractor may protest the solicitation or award of a contract for serious violations of the principles of this Policy. Any protest against a solicitation must be received before the due date for receipt of bids or proposals, and any protest against the award of a contract must be received within ten calendar days after contract award, or the protest will not be considered. All bid protests shall be in writing, submitted to the Contracting Officer or designee, who shall issue a written decision on the matter. The Contracting Officer may, at his or her discretion, suspend the procurement pending resolution of the protest, if warranted by the facts presented.

C. CONTRACT CLAIMS

All claims by a contractor relating to performance of a contract shall be submitted in writing to the Contracting Officer or designee for a written decision. The contractor may request a conference on the claim. The Contracting Officer's decision shall inform the contractor of its appeal rights to a higher level in the PHA, such as the Executive Director or a designated Board member, or a Procurement Appeals Board.

VIII. ASSISTANCE TO SMALL AND OTHER BUSINESSES

A. REQUIRED EFFORTS

1. Consistent with Presidential Executive Orders 11625, 12138, and 12432, and Section 3 of the HUD Act of 1968, the PHA shall **make** efforts to ensure that small and minority-owned

businesses, women's business enterprises, labor surplus area businesses, and individuals or firms located in or owned in substantial part by persons residing in the area of a PHA project are used when possible. Such efforts shall include, but shall not be limited to:

- a. Including such firms, when qualified, on solicitation mailing lists;
 - b. Encouraging their participation through direct solicitation of bids or proposals whenever they are potential sources;
 - c. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit **maximum** participation by such firms;
 - d. Establishing delivery schedules, **where** the requirement permits, which encourage participation by such firms;
 - e. Using the services and assistance of the Small Business Administration, and the Minority Business Development Agency of the Department of Commerce;
 - f. Including in contracts a clause requiring contractors, to the greatest extent feasible, to provide opportunities for training and employment for lower income residents of the project area and to award subcontracts for work in connection with the project to business concerns which are located in, or owned in substantial part by persons residing in the area of the project, as described in 24 CFR 135;
 - g. Requiring prime contractors, when subcontracting is anticipated, to take the positive steps listed in A1.a through A1.f above.
2. Goals may be established by the PHA periodically for participation by small businesses, minority-owned businesses, women's business enterprises, labor surplus area businesses, and business concerns which are located in, or owned in substantial part by persons residing in the area of the project, in the PHA's **prime** contracts and subcontracting opportunities.

B. DEFINITIONS

1. A small business is defined as a business which is: independently owned; not dominant in its field of operation; and not an affiliate or subsidiary of a business dominant in its field of operation. The **size** standards in 13 CFR 121 shall be used, unless the PHA determines that their use is inappropriate.
2. A minority-owned business is defined as a business which is at least 51% owned by one or more minority group members; or, in the case of a publicly-owned business, one in which

at least 51% of its voting stock is owned by one or more minority group members, and whose management and daily business operations are controlled by one or more such individuals.

Minority group members include, but are not limited to Black Americans, Hispanic Americans, Native Americans, Asian Pacific Americans and Asian Indian Americans, and Hasidic Jewish Americans.

3. A women's business enterprise is defined as a business that is at least 51% owned by a woman or women who are U.S. citizens and who also control or operate the business.
4. A labor surplus area business is defined as a business which, together with its immediate subcontractors, will incur more than 50% of the cost of performing the contract in an area of concentrated unemployment or underemployment, as defined by the U.S. Department of Labor in 20 CFR 654, Subpart A, and in lists of labor surplus areas published by the Employment and Training Administration.
5. A business concern located in the area of the project, is defined as an individual or firm located within the relevant Section 3 covered project area, as determined pursuant to 24 CFR 135.15, listed on HUD's registry of eligible business concerns, and meeting the definition of small business above. A business concern owned in substantial part by persons residing in the area of the project is defined as a business concern which is 51% or more owned by persons residing within the Section 3 covered project, owned by persons considered by the U.S. Small Business Administration to be socially or economically disadvantaged, listed on HUD's registry of eligible business concerns, and meeting the definition of small business above.

IX. ETHICS IN PUBLIC CONTRACTING

A. GENERAL

The PHA shall adhere to the following code of conduct, consistent with applicable State or local law.

B. CONFLICT OF INTEREST

No employee, officer or agent of this PHA shall participate directly or indirectly in the selection or in the award or administration of any contract if a conflict, real or apparent, would be involved. Such conflict would arise when a financial or other interest in a firm selected for award is held by:

1. An employee, officer or agent involved in making the award;
2. His/her relative (including father, mother, son, daughter, brother, sister, uncle, aunt, first cousin, nephew, niece, husband, wife, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather,

stepmother, stepson, stepdaughter, stepbrother, stepsister, half brother, or half sister);

3. His/her partner, or,
4. An organization which employs, is negotiating to employ, or has an arrangement concerning prospective employment of any of the above.

C. GRATUITIES, KICKBACKS, AND USE OF CONFIDENTIAL INFORMATION

PHA officers, employees or agents shall not solicit or accept gratuities, favors, or anything of monetary value from contractors, potential contractors, or parties to subcontracts, and shall not knowingly use confidential information for actual or anticipated personal gain.

D. PROHIBITION AGAINST CONTINGENT FEES

Contractors shall not retain a person to solicit or secure a PHA contract for a commission, percentage, brokerage, or contingent fee, except for bona fide employees or bona fide established commercial selling agencies.
