Section 5. Bond Details

There shall be borrowed for and on behalf of the Village the principal amount of not to exceed \$3,900,000 (to be evidenced by the 2021 Bonds) to finance the Refunding and related issuance costs.

General. With respect to the Series 2021 Bonds and subject to the limitations contained in this Ordinance, authority is delegated to the Designated Officials (i) to sell each of the Series 2021 Bonds at a price of not less than 98% of the aggregate principal amount of the Series 2021 Bonds, (ii) to determine the maturities (or mandatory sinking fund dates) of the Series 2021 Bonds with a final maturity not to exceed November 1, 2035, (iii) to determine the interest rate on the Series 2021 Bonds with a rate per annum not to exceed 5.50% with respect to the Series 2021 Bonds, (iv) with a maximum annual par amount of \$325,000, (v) with a minimum savings of 3% present value and (vi) to determine all of the terms and details of the Series 2021 Bonds not determined in this Ordinance.

Nothing in this section shall require the Designated Officials to sell the Series 2021 Bonds if in their judgment the conditions in the municipal bond market shall have deteriorated markedly from the time of adoption of this Ordinance.

The sale of the Bonds and the determination of the details of the Bonds shall be evidenced by a Bond Order, which shall be signed by any two of the Designated Officials. An executed counterpart of the Bond Order and this Ordinance shall be filed with the Village Clerk and entered in the records of the Village and also with the Cook County Clerk as hereinafter provided.

The Bonds shall bear interest from the later of its Dated Date as provided herein or from the most recent Interest Payment Date to which interest has been paid or duly provided for,

until the principal amount of the Bonds is paid, such interest (computed upon the basis of a 360-day year of twelve 30-day months) being payable on May 1 and November 1 of each year, commencing on May 1, 2022 or as otherwise set forth in a Bond Order. So long as the Bonds are held in book-entry form as hereinafter more specifically set forth, interest on each Bond shall be paid to the Depository by check or draft or electronic funds transfer as may be agreed to by the Village and the Depository; in the event the Bonds should ever become available in physical form to registered owners other than the Depository, interest on each Bond shall be paid by check or draft of the Paying Agent to the person in whose name such Bond is registered at the close of business on the Regular Record Date. Principal of and premium (if any) on each Bond shall be paid in lawful money of the United States of America, at the designated corporate trust office of the Paying Agent.

The Bonds shall have impressed or imprinted thereon the corporate seal or facsimile thereof of the Village and shall be signed by the manual or duly authorized facsimile signatures of the Village President and the Village Clerk of the Village, as they shall determine, and in case any officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

All Bonds shall have thereon a certificate of authentication substantially in the forms hereinafter set forth duly executed by the Bond Registrar as authenticating agent of the Village and showing the date of authentication. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Ordinance unless and until such certificate of authentication shall have been duly executed by the Bond Registrar by manual signature, and such certificate of authentication upon any such Bond shall be conclusive evidence

that such Bond has been authenticated and delivered under this Ordinance. The certificate of authentication on any Bond shall be deemed to have been executed by the Bond Registrar if signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder.

Section 6. Book-Entry Only Form

The Bonds shall be initially issued in the form of a separate single fully registered Bond for each of the maturities of the Bonds. Upon initial issuance, the ownership of each such Bond shall be registered in the Bond Register in the name of “Cede & Co.”, or any successor thereto, as nominee of the Depository. All of the outstanding Bonds from time to time shall be registered in the Bond Register in the name of Cede & Co., as nominee of the Depository. The Village Treasurer and the Bond Registrar are authorized to execute and deliver on behalf of the Village a Representation Letter. Without limiting the generality of the authority given with respect to entering into such Representation Letter, it may contain provisions relating to (a) payment procedures, (b) transfers of the Bonds or of beneficial interests therein, (c) redemption notices and procedures unique to the Depository, (d) additional notices or communications, and (e) amendment from time to time to conform with changing customs and practices with respect to securities industry transfer and payment practices.

With respect to Bonds registered in the Bond Register in the name of Cede & Co., as nominee of the Depository, and except as otherwise herein provided, the Village and the Bond Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which the Depository holds Bonds from time to time as securities depository (each such broker-dealer, bank or other financial institution being referred to herein as a “**Depository Participant**”) or to any person on behalf of whom such a Depository Participant holds an interest

in the Bonds. Without limiting the meaning of the immediately preceding sentence, the Village and the Bond Registrar shall have no responsibility or obligation with respect to (a) the accuracy of the records of the Depository, Cede & Co., or any Depository Participant with respect to any ownership interest in the Bonds, (b) the delivery to any Depository Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any notice with respect to the Bonds, including any notice of redemption, or (c) the payment to any Depository Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any amount with respect to principal of or interest on the Bonds.

No person other than a registered owner of a Bond as shown in the Bond Register shall receive a Bond certificate with respect to any Bond. Upon delivery by the Depository to the Bond Registrar of written notice to the effect that the Depository has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions hereof with respect to the payment of interest to the registered owners of Bonds at the close of business on the applicable record date, the name “**Cede & Co.**” in this Bond Ordinance shall refer to such new nominee of the Depository.

In the event that (a) the Village determines that the Depository is incapable of discharging its responsibilities described herein and in the Representation Letter, (b) the agreement among the Village, the Bond Registrar and the Depository evidenced by the Representation Letter shall be terminated for any reason or (c) the Village determines that it is in the best interests of the Village or of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the Village shall notify the Depository and the Depository Participants of the availability of Bond certificates, and the Bonds shall no longer be restricted to being registered in the Bond Register in the name of Cede & Co., as nominee of the Depository. The Village may determine that the Bonds

shall be registered in the name of and deposited with a successor depository operating a book-entry system, as may be acceptable to the Village, or such depository's agent or designee, and if the Village does not select such alternate book-entry system, then the Bonds may be registered in whatever name or names registered owners of Bonds transferring or exchanging Bonds shall designate, in accordance with the provisions hereof. Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of the Depository, all payments with respect to principal of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the Representation Letter.

In the event that the Bonds ever become generally registrable, as aforesaid, the Village Treasurer may, in his or her discretion at such time, designate a bank with trust powers or trust company, duly authorized to do business as a bond registrar, paying agent, or both, to act in one or both such capacities hereunder, in the event that the Village Treasurer shall determine it to be advisable. Notice shall be given to the registered owners of any such designation in the same manner, as near as may be practicable, as for a notice of redemption of Bonds, and as if the date of such successor taking up its duties were the redemption date.

Section 7. Redemption

The Bonds shall be subject to redemption prior to maturity as shall be provided in the Bond Purchase Agreement.

(a) **Optional Redemption**. Any Bond may be made subject to redemption at the option of the Village upon such terms and at such redemption prices (not to exceed 102% of par) as shall be determined in the Bond Order, and, pursuant to the Bond Order, the Bonds may be

designated as term bonds subject to mandatory sinking fund redemption from sinking fund installments.

(b) **Sinking Fund Redemption**. This subsection (b) shall apply only to the extent the Bond Purchase Agreement shall specify any Term Bonds, and otherwise shall not apply. Bonds specified in the Bond Purchase Agreement as Term Bonds (the “**Term Bonds**”), if any, are subject to mandatory sinking fund redemption in the principal amount on November 1 of the years so specified, but corresponding to the principal maturities specified in the Bond Purchase Agreement, as confirmed by the Bond Order.

At its option before the 45th day (or such lesser time acceptable to the Bond Registrar) next preceding any mandatory sinking fund redemption date in connection with Term Bonds, the Village, by furnishing the Bond Registrar and the Paying Agent an appropriate certificate of direction and authorization executed by the Village President or Village Treasurer may: (i) deliver to the Bond Registrar for cancellation Term Bonds in any authorized aggregate principal amount desired; or (ii) furnish the Paying Agent funds for the purpose of purchasing any of such Term Bonds as arranged by the Village; or (iii) receive a credit (not previously given) with respect to the mandatory sinking fund redemption obligation for such Term Bonds which prior to such date have been redeemed or purchased and cancelled. Each such Bond so delivered, previously purchased or redeemed shall be credited at 100% of the principal amount thereof, and any excess shall be credited with regard to future mandatory sinking fund redemption obligations for such Bonds in chronological order, and the principal amount of Bonds to be so redeemed as provided shall be accordingly reduced. In the event Bonds being so redeemed are in a denomination greater than \$5,000, a portion of such Bonds may be so redeemed, but such portion shall be in the principal amount of \$5,000 or any authorized integral multiple thereof.

(c) **Procedure.** The Village covenants that it will redeem Bonds pursuant to the redemption provisions applicable to such Bonds. Proper provision for redemption having been made, the Village covenants that the Bonds so selected for redemption shall be payable as at maturity.

The Village shall, at least 45 days prior to an optional redemption date (unless a shorter time shall be satisfactory to the Bond Registrar), notify the Bond Registrar in writing of any optional redemption date and of the principal amount of Bonds to be redeemed (no such notice shall be required in the case of any mandatory sinking fund redemption of Term Bonds). In the event that less than all of the Bonds of a particular series or maturity are called for redemption as aforesaid, as necessary, the particular Bonds or portions of Bonds to be redeemed shall be selected by lot not more than sixty (60) days or less than thirty (30) days prior to the redemption date by the Bond Registrar by such method of lottery as the Bond Registrar shall deem fair and appropriate; provided, that such lottery shall provide for the selection for redemption of Bonds or portions thereof so that any \$5,000 Bond or \$5,000 portion of a Bond shall be as likely to be called for redemption as any other such \$5,000 Bond or \$5,000 portion. The Bond Registrar shall promptly notify the Village in writing of the Bonds or portions of Bonds selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof to be redeemed.

Unless waived by the registered owner of Bonds to be redeemed, presentment for payment being conclusively such a waiver, notice of any such redemption shall be given by the Bond Registrar on behalf of the Village by mailing the redemption notice by first class mail not less than thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption to each registered owner of the Bond or Bonds to be redeemed at the address shown on the Bond

Register or at such other address as is furnished in writing by each such registered owner to the Bond Registrar.

All notices of redemption shall include at least the information as follows: **(1)** the identification of the particular Bonds to be redeemed; **(2)** the redemption date; **(3)** the redemption price; **(4)** if less than all of the Bonds of a particular maturity are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed; **(5)** a statement that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption and that interest thereon shall cease to accrue from and after such date; and **(6)** the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the principal corporate trust office of the Paying Agent.

Prior to any redemption date, the Village shall deposit with the Paying Agent an amount of money sufficient to pay the redemption price of all the Bonds or portions of Bonds which are to be redeemed on that date.

Notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, together with accrued interest, and from and after such date (unless the Village shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest. Neither the failure to mail such redemption notice nor any defect in any notice so mailed to any particular registered owner of a Bond shall affect the sufficiency of such notice with respect to any other registered owner. Notice having been properly given, failure of a registered owner of a Bond to receive such notice shall not be deemed to invalidate, limit or delay the effect of the notice or the redemption action described in the notice. Such notice may be

waived in writing by a registered owner of a Bond, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice shall be filed with the Bond Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Upon surrender of such Bonds for redemption in accordance with such notice, such Bonds shall be paid from available funds therefor by the Paying Agent at the redemption price. Interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for the partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unpaid principal.

If any Bond or portion of Bond called for redemption shall not be so paid upon surrender thereof for redemption, the principal, and premium, if any, shall, until paid, bear interest from the redemption date at the rate borne by the Bond or portion of Bond so called for redemption. All Bonds which have been redeemed shall be marked cancelled by the Bond Registrar and shall not be reissued.

In addition to the foregoing notice set forth above, further notice shall be given by the Bond Registrar on behalf of the Village as set out below, but no defect in such further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed. Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus **(a)** the CUSIP numbers of all Bonds being redeemed; **(b)** the date of issue of the Bonds as originally issued; **(c)** the rate of interest borne by each Bond being redeemed; **(d)** the maturity date of each Bond being redeemed; and **(e)** any other descriptive information needed to identify accurately the Bonds being redeemed.

Each further notice of redemption shall be sent at least thirty (30) days before the redemption date to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Bonds and to one or more national information services or through Electronic Municipal Market Access (“**EMMA**”), a service of the Municipal Securities Rulemaking Board, chosen in the discretion of the Bond Registrar, to disseminate notice of redemption of obligations such as the Bonds.

Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall identify the Bond or Bonds, or portion thereof, being redeemed with the proceeds of such check or other transfer.

Section 8. Registration of Bonds; Persons Treated as Owners

The Village shall cause the Bond Register to be kept at the office maintained for the purpose by the Bond Registrar, which is hereby constituted and appointed the Bond Registrar. The Village is authorized to prepare, and the Bond Registrar shall keep custody of, multiple Bond blanks executed by the Village for use in the transfer and exchange of Bonds.

Upon surrender for transfer of any Bond at the trust office maintained for the purpose by the Bond Registrar, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Bond Registrar and duly executed by, the registered owner or his attorney duly authorized in writing, the Village shall execute and the Bond Registrar shall authenticate, date and deliver in the name of the transferee or transferees a new fully registered Bond or Bonds of the same maturity of authorized denominations, for a like aggregate principal amount. Any fully registered Bond or Bonds may be exchanged at said office of the Bond Registrar for a like aggregate principal amount of Bond or Bonds of the same maturity of other authorized denominations. The execution by the Village of any fully registered Bond

shall constitute full and due authorization of such Bond and the Bond Registrar shall thereby be authorized to authenticate, date and deliver such Bond.

The Bond Registrar shall not be required to transfer or exchange any Bond during the period commencing on any Regular Record Date to and including the relevant Interest Payment Date thereon, nor to transfer or exchange any Bond after notice calling the same for redemption has been mailed, nor during a period of fifteen (15) days next preceding mailing of a notice of redemption thereof.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of, premium (if any) or interest on any Bond shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

No registered owner shall be charged a service charge for any transfer or exchange of Bonds.

Section 9. Form of the Bonds

The Bonds shall be in substantially the form hereinafter set forth or with such additional provisions as set forth in the Bond Purchase Agreement and a Bond Order; provided, however, that if the text of the Bond is to be printed or typed in its entirety on the front side of the Bond, then paragraph [2] and the legend “See Reverse Side for Additional Provisions” shall be omitted and paragraphs [6] through the last paragraph shall be inserted immediately after paragraph [1].
