A Resolution Approving an Amendment to the Professional Services Agreement with Pest Management Services, Inc. to Change the Not to Exceed Amount from \$21,753.60 to \$30,652.80 and Authorizing its Execution

Overview

The Village currently has the Contractor providing pest management services for the Village's Health Department pursuant to a Professional Services Agreement through December 31, 2022.

Recommendation

Adopt the Resolution

Fiscal Impact

The current services provided under the Agreement in the amount of \$21,753.60 are budgeted under the Village Budget Health Services (44550)-Environmental Services (612)-External Support (530667). Additional services in the amount of \$8,899.20 are also budgeted under the Village Budget Health Services (44550)-Environmental Services (612)-External Support (530667).

Background

The Contractor is currently providing rodent control services every other week during the months of January, February, March, and December and weekly rodent control services during the months of April, May, June, July, August, September, October, and November of 2022.

In order to better control the rodent population over the peak gestation period, the Health Department is requesting an increase from once weekly to twice weekly rodent control services during the months of June, July, August, and September of 2022.

Alternatives

The Contractor could continue to provide weekly rodent control services during the months of June, July, August, and September of 2022.
