Caution! This message was sent from outside your organization.

Hi Jill, hope you are well.

Please see the picture of the completed petition along with the map with suggestions and more info.

When is the soonest the humps can be installed? Our alley is **VERY busy** and **VERY dangerous**. We have tons of little children on the bocks that share the alley and **weekly** there are close calls with **children almost getting hit by cars.**

Thank you for your help.
