

ADDITIONAL SCOPE OF WORK AMENDMENT

HR Green, Inc. shall provide an Acting Chief Building Official (ACBO) and an Electrical Inspector for the Village of Oak Park on an as-need basis for the duration as determined by the Village.

The Acting Chief Building Official will perform the typical daily activities, responsibilities and duties required of a Chief Building Official and as determined and requested by the Village. The ACBO will be an ICC Certified Chief Building Official and an ICC Certified Master Code Professional. The HR Green ACBO will continue to provide assistance to the newly appointed CBO hired by the Village as required for a smooth transition for the duration as determined by the Village.

The Electrical Inspector will perform electrical inspections for all Residential and Commercial projects on an as-needed basis as determined and scheduled by the Village. The Electrical Inspector will be a State Licensed Electrician and/or an ICC Certified Commercial and Residential Electrical Inspector.
