Dear Sean,

Thank you for your assistance on this matter and for your service to our community.

As previously discussed, Oak Park Commons Cohousing is applying for a waiver of the right-of-way obstruction permit fee and the parking obstruction fee related to the construction of our new homes at 839 Madison St. This request is made to allow for building construction, and staging in the areas within the boundaries of the construction fence and to ensure that traffic can continue, on Carpenter St. and vehicle, bicycle and pedestrian traffic can continue on Madison St. We sent you a letter dated July 5, 2023, for the same request but due to the construction not starting as planned, we are resubmitting this request. Construction started May 1, 2024, and this will be for the duration of excavation, foundation installation, and building construction for sixteen months starting from May, 2024 to September, 2025.

Thank you again for your assistance in this matter. Please feel free to reach out to me with any questions regarding this request for waiver of right-of-way obstruction permit fee and the parking obstruction fee for 839 Madison St. and Carpenter St. from Madison St. to the alley.

Sincerely
