Re: Contract Price Adjustment for 2015 Parkway Tree Removal and Parkway Tree Pruning Contracts (Proposal Nos. 15-100, 15-101, respectively)

Rob,

Pursuant to Section I (Contract Renewal) of each of the above-referenced contracts between Sterling Tree Solutions LLC and the Village of Oak Park for tree removal and tree pruning services for parkway trees, Sterling Tree Solutions requests that no adjustment be made to either of the contract's unit prices moving forward into 2016.

As the attached Revised Consumer Price Index indicates, the latest CPI index as compared to the same period one year ago has *decreased 1%*. As such, Sterling Tree Solutions will hold all unit prices from the 2015 contracts for the completion of all work for the 2016 contract period.

If you need further information or documentation, please feel free to contact me at your earliest convenience.

Sincerely,

Robert Davis
