A. SCOPE OF SERVICES

1. Arts Funds Grants

OPAAC will administer the Arts Funds grant program, which provides grants to local Oak Park not-for-profit organizations for operations and/or project support. OPAAC will award funds based on Arts Funds criteria including artistic and application merit and to what degree the proposed work contributes to the arts community. Grants are awarded to approximately 25 local organizations that offer programs or performances in the community.

2. Community Awareness/ e-Art newsletter.

OPAAC will create and distribute the e-Art newsletter, an electronic listing of the latest art and cultural happenings in the tri-Village area. The newsletter will be issued every two weeks. It is also a resource for art space listings, employment opportunities, auditions and exhibit space.

3. Public Art Programs – OPAAC will be responsible for the management and execution of the following duties to encourage and maintain Public Art throughout the community:

3.2 Recommend to the Village President and Board of Trustees as part of the OPAAC Annual Budget Submission an annual designation of funds to the Public Art Acquisition and Maintenance Fund for the acquisition of new public art and the repair and maintenance of the existing public art collection, together with a supporting acquisition and maintenance plan and cost analysis.

3.3 Maintain a detailed inventory and record of all existing public art in the Village, including site drawings, photographs, designs, explanations of the piece, the artist's name and the year of creation, obtain appraisals if needed, artist waivers, evidence of ownership and purchase price, whenever applicable and/or feasible.

3.4 Inspect the condition of existing public artworks on at least an tri-annual basis and to communicate maintenance problems and/or suggested solutions to owner, artist or other person or entity designated as responsible for the artwork, or to recommend removal if maintenance efforts are unsuccessful in the case of privately owned artwork. Report on these inspections in required quarterly reports.
