

Exhibit A
Village of Oak Park
Surplus Equipment

November 2, 2018

Department	Division	Equipment	Quantity
Development Customer Services	Parking and Mobility Services	Parking Meters & poles	50

Comments

These old meters are being removed from the street as they are being replaced by pay stations. The meters will be retained and stored by P&MS Division for use in a special program ("Meters for Charity") as well as for replacement parts for parking meters still in use.
