

Q6 EVENTS LLC PETITION

Petition Title: Support the Opening of Q6 Events LLC at 6136 Roosevelt Rd, Oak Park, IL 60304

To: Village of Oak Park

Purpose:

We, the undersigned residents and business owners of the Village of Oak Park, formally express our support for the opening of Q6 Events LLC, a new multi-use event space. We believe this venue will address the current shortage of local gathering spots for private events such as small weddings, community workshops, or corporate meetings.

Community Impact:

- **Local Economic Growth:** The space will drive foot traffic to nearby businesses.
- **Cultural Hub:** It provides a dedicated home for local artists and non-profits that currently lack affordable options.
- **Safe Management:** The owners have committed to strict noise/security protocols to ensure it remains a "good neighbor".

Call to Action:

We urge the Village of Oak Park to approve the necessary Special Use Permits and Certificate of Occupancy for this project to move forward immediately.

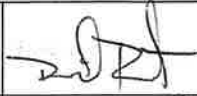

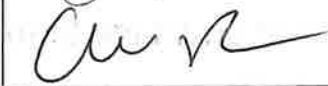

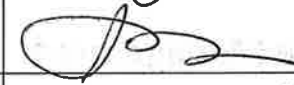

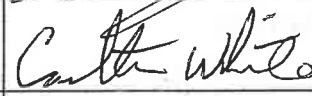

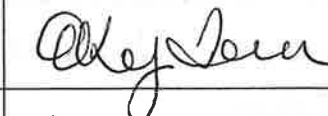

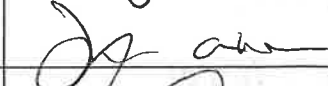

Signatory Table:

Each signature must be accompanied by a legible printed name and a valid local address to be considered a "valid signature" by local authorities.
