## Meeting Minutes

### President and Board of Trustees

---

Monday, March 7, 2022

7:00 PM

Remote

---

#### I. Call to Order

Village President Scaman called the meeting to order at 7:02 P.M. She authorized a statement be read providing that the meeting is being held remotely due to COVID-19 restrictions and guidelines and that it is not prudent to have people present at the Village Board's regular meeting location due to public health concerns related to that pandemic.

#### II. Roll Call

**Present:** 6 - Village President Scaman, Village Trustee Buchanan, Village Trustee Enyia, Village Trustee Parakkat, Village Trustee Robinson, and Village Trustee Taglia

**Absent:** 1 - Village Trustee Walker-Peddakotla

#### III. Agenda Approval

**It was moved by Village Trustee Robinson, seconded by Village Trustee Buchanan, to approve the Agenda. The motion was approved. The roll call on the vote was as follows:**

**AYES:** 6 - Village President Scaman, Village Trustee Buchanan, Village Trustee Enyia, Village Trustee Parakkat, Village Trustee Robinson, and Village Trustee Taglia

**NAYS:** 0

**ABSENT:** 1 - Village Trustee Walker-Peddakotla

#### IV. Minutes

**A. [ID 22-79](#) Motion to Approve Minutes from Regular Remote Meeting of February 22, 2022, Special Remote Meeting of February 28, 2022 of the Village Board.**

**It was moved by Village Trustee Enyia, seconded by Village Trustee Robinson, to approve the Minutes. The motion was approved. The roll call on the vote was as follows:**

**AYES:** 6 - Village President Scaman, Village Trustee Buchanan, Village Trustee Enyia, Village Trustee Parakkat, Village Trustee Robinson, and Village Trustee Taglia

**NAYS:** 0

**ABSENT:** 1 - Village Trustee Walker-Peddakotla

#### V. Non-Agenda Public Comment

The following persons spoke their Non-Agenda Public Comments aloud:

**Diane Ratekin**: Diane Ratekin spoke their public comment expressing their concern regarding the traffic and gunshot issues on the 500 and 600 blocks of North Taylor which they feel are exasperated by the 24 hour BP gas station on the northwest corner of Taylor Avenue and Chicago Avenue. They believe it is essential to their quality of life on their block that the village responds quickly and effectively to their neighborhood's concerns.

**Kathleen Bokar**: Kathleen Bokar spoke their public comment expressing their concerns with the traffic and gunshots in their neighborhood. They request that time and attention be paid to the safety on our streets.

**John Gagliano**: John Gagliano spoke their public comment expressing their concern at the major safety problem on Taylor Avenue. Taylor Avenue has become the bypass street to avoid Austin Boulevard, and coupled with the 24 hour BP gas station, this has lead to traffic on Taylor Ave that is the cause for their unsafe neighborhood. They are requesting the Traffic Commission support providing a traffic calming measure of physical barrier or impediment that will limit traffic in their neighborhood.

**Karl Leonard**: Karl Leonard spoke their public comment expressing their concerns with the crime and gunshots that have occurred in their neighborhood and believe the BP gas station on their corner is attributing to these issues. They request assistance from the village to help curb the shootings near the gas station and the reckless driving in their neighborhood.

**Carolyn Newberry Schwartz**: Carolyn Newberry Schwartz spoke their public comment expressing their concerns with the rise in gunshots in their neighborhood. There is a sense of urgency to these episodes and about the increasing volume and speed of traffic on their block. They request to not delay in enacting a traffic calming measure that will allow for the egress of traffic and effectively calm things down on their block.

Village clerk Christina Waters then read the following public comments aloud:

**Amanda Valente**: Amanda Valente submitted their public comment asking the Board to consider the impact of the day care masking guidelines released last week, and believes the Oak Park Health Department should not be able to override the standards established by the CDC, ILDCFS, and ILDPH without providing compelling scientific data showing why Oak Park should be treated separately from all neighboring communities.

**Michael Valente**: Michael Valente submitted their public comment asking the Board to investigate how many schools are still requiring facial coverings by their health departments, and believes the Oak Park Health Department should not be able to override the standards established by the CDC, ILDCFS, and ILDPH without providing compelling scientific data showing why Oak Park should be treated separately from all neighboring communities.

**Corina Davis**: Corina Davis submitted their public comment asking the Board to urge the Oak Park Department of Public Health to comply with international, federal, and state guidance which provide that children under 5 may be unmasked indoors regardless of vaccination status.

**Jenny Austin**: Jenny Austin submitted their public comment expressing disappointment that the health department has disregarded federal and state guidance in issuing a mask mandate for Oak Park daycares and preschools, and asks the Board to rescind the local health department's ability to make unilateral decisions such as this one that have widespread consequences for families and businesses across the community.

**Venessa Gonzalez and Justin Mayer**: Venessa Gonzalez and Justin Mayer submitted their public comment thanking the Board for their continued efforts and commitment in keeping the community as safe as possible as we enter year-three of the Covid-19 pandemic. As parents of a disabled D97 student who is at high risk of complications from Covid-19, they ask to maintain the indoor mandate.

**Devon Brennan**: Devon Brennan submitted their public comment pleading with the Oak Park Health Department to make masks optional for their young child, and believes the Oak Park Health Department should not be able to override the standards established by the CDC, ILDCFS, and ILDPH without providing compelling scientific data showing why Oak Park should be treated separately from all neighboring communities.

**Doug Rosenberg**: Doug Rosenberg submitted their public comment requesting to remove the mask requirements and to be in the mainstream.

**Jenna Leving Jacobson**: Jenna Leving Jacobson submitted their public comment in support of continuing public health policies that will help prevent the spread of Covid-19, including requiring masks at childcare centers. Understanding the pandemic fatigue, they believe we should not let a deadly virus spread just because we are tired of it.

**Kristen Sposeep**: Kristen Sposeep submitted their public comment in

support of allowing the early education children to unmask out of concern for our community's children falling behind as a result of this, and believes the Oak Park Health Department should not be able to override the standards established by the CDC, ILDCFS, and ILDPH without providing compelling scientific data showing why Oak Park should be treated separately from all neighboring communities.

**Lauren Hyde:** Lauren Hyde submitted their public comment stating there is no need to continue masking kids under the age of 5 at daycares, and asks the Health Department to update our guidance to match the CDC, IDPH, and DCFS.

**Matt Bogue:** Matt Bogue submitted their public comment requesting the Oak Park Department of Health adhere to the updated guidance of the CDC and the State of Illinois issued on February 28 in respects to daycare settings.

**Marissa and Chris Fasano:** Marissa and Chris Fasano submitted their public comment expressing their concern and disappointment with the Oak Park Health Department's new policy to continue masking preschool and daycares, and asked the Board to reconsider the newly implemented policy.

**Margaret McMahon:** Margaret McMahon submitted their public comment expressing their thankfulness at the continued cautiousness and consideration of the entire community in response to the ongoing pandemic, and requested the village ask the Park District to start employing "masks recommended" rather than "optional" since it engages many young Oak Parkers.

**Robin Kalish:** Robin Kalish submitted their public comment thanking Dr. Chapple for following the guidance of the AAP which continues to emphasize the importance of masking for children under 5 who have not been able to be vaccinated.

**Roshni Ricchetti:** Roshni Ricchetti submitted their public comment expressing their opposition to the Oak Park Health Department's policy requiring 2-4 year olds to keep masking, stating the health department's rules are inequitable, unsubstantiated in science, in contravention of legitimate public health expertise, and cruel.

**Shaina Knepler:** Shaina Knepler submitted their public comment thanking the Oak Park Health Department for taking the steps to continue to protect our unvaccinated children under 5 and in daycare/ preschool facilities, and requested to continue to take protective measures to protect the vulnerable

in our community.

**Brynne Hovde**: Brynne Hovde submitted their public comment expressing a desire for better communications regarding COVID-19, stating all Oak Parker's would benefit from more nuances, real-time communication directly from the Health Department. They asked the Board to consider how we might do better with consistent, candid, and clear communication.

**Sara Pastrovich**: Sara Pastrovich submitted their public comment asking for clarification on, and raise their concerns about, the Oak Park Health Department's order regarding COVID mitigation requirements in daycares. The believe the policy is inconsistent with the CDC guidance and Illinois' recent mask-optional policies for daycares and would like a response and/ or opportunity to have a live conversation about this.

## VI. Proclamation

**B. [MOT 22-22](#) A Motion to Approve a Proclamation for March 2022 as Women's History Month.**

Village Trustee Buchanan read the Proclamation aloud.

**It was moved by Village Trustee Parakkat, seconded by Village Trustee Robinson, to approve the Motion. The motion was approved. The roll call on the vote was as follows:**

**AYES:** 6 - Village President Scaman, Village Trustee Buchanan, Village Trustee Enyia, Village Trustee Parakkat, Village Trustee Robinson, and Village Trustee Taglia

**NAYS:** 0

**ABSENT:** 1 - Village Trustee Walker-Peddakotla

## VII. Village Manager Reports

**C. [ID 22-77](#) Review of the Revised Village Board Meeting Calendars for March and April 2022**

Interim Village Manager Shelley introduced the Item and gave an overview of the Board calendar updates.

Interim Village Manager Shelley added on the Consent Agenda tonight is the CIP plan for alley replacement for ten alleys which was part of the budget discussion this past Fall. The village will continue to waive fees associated with outdoor dining for one more year.

Interim Village Manager Shelley mentioned that the community safety meetings will be starting on March 10 at 6:00 P.M. Additional information and meetings dates can be found at [www.oak-park.us/policeassessment](http://www.oak-park.us/policeassessment) .

## VIII. Village Board Committees & Trustee Liaison Commission Reports

Village Trustee Robinson provided an update on the Community Development Citizens Advisory Committee (CDCAC) and the work of the committee's evaluation of the ARPA fund requests.

Village Trustee Enyia commented the Oak Park Area Arts Council hosts scholarships every year and they have a funding request that comes through some of those ARPA funds as well.

Village Trustee Parakkat thanked everyone who participated in the tourism realm who worked on the proposal.

## IX. Citizen Commission Vacancies

- D. [ID 22-78](#) Board & Commission Vacancy Report for March 7, 2022.

There was no discussion for this Item.

## X. Consent Agenda

### *Approval of the Consent Agenda*

It was moved by Village Trustee Robinson, seconded by Village Trustee Buchanan, to approve the Items under the consent Agenda. The motion was approved. The roll call on the vote was as follows:

**AYES:** 6 - Village President Scaman, Village Trustee Buchanan, Village Trustee Enyia, Village Trustee Parakkat, Village Trustee Robinson, and Village Trustee Taglia

**NAYS:** 0

**ABSENT:** 1 - Village Trustee Walker-Peddakotla

- E. [RES 22-47](#) A Resolution Approving a Collective Bargaining Agreement Between the Village of Oak Park and the International Brotherhood of Electrical Workers for the Period of January 1, 2021, through December 31, 2024, and Authorizing Its Execution

This Resolution was adopted.

- F. This Resolution was adopted.
- O. [RES 22-60](#) A Resolution Approving a Parking Lot Temporary License Agreement with

JD North Blvd. Holdings, LLC d/b/a The Beer Shop, through November 30, 2022, and Authorizing its Execution

This Resolution was adopted.

- P. [RES 22-61](#) A Resolution Approving a Contract with Triggi Construction, Inc. for Project 22-4, Alley Improvements Project, in an Amount Not to Exceed \$1,289,791 and Authorizing its Execution

This Resolution was adopted.

- Q. [RES 22-65](#) A Resolution Approving a Professional Services Agreement with Health Inspection Professionals, Inc. for Food Establishment Inspection Services and Commercial Plan Reviews in an Amount Not to Exceed \$75,000, Authorizing its Execution and Waiving the Village's Request for Proposals/Bidding Process for the Agreement

This Resolution was adopted.

- R. [RES 22-66](#) A Resolution Approving a First Amendment to the Village Manager Employment Agreement with Kevin J. Jackson and Authorizing Its Execution.

This Resolution was adopted.

- S. [ORD 22-16](#) An Ordinance Authorizing Outdoor Dining in the Village of Oak Park in 2022 and Waiving Associated Permit Fees for Both On-Sidewalk and On-Street Dining

This Ordinance was adopted.

## XI. Regular Agenda

- T. [ORD 22-15](#) An Ordinance Granting an Extension of Time to Complete Construction of the Planned Development at 715-717 South Boulevard (Residences of South Boulevard)

Interim Village Manager Shelley introduced Director of Development Customer Services, Tammie Grossman.

Director Grossman then gave an overview of the Item and the reasons behind staff's recommendation of a six month extension.

Village Trustee Buchanan requested clarification regarding what remedies the Board has as an ultimatum.

Director Grossman responded the Board could deny the extension and the developer would have to go back through the plan development process again to move forward with the project. The hope is that a six month extension will require the developer to come back to the Board and report on the progress and ultimately encourage the developer to finish the

project.

Village Trustee Robinson requested the hear from the developer on the reasons for the current extension.

Art Gurevich, construction manager of the development, responded the last two years have been challenging due to the COVID pandemic, and the increase in costs of materials and the supply chain issues have put a drag on the project. We have challenges, we are meeting them, we are overcoming them and moving forward.

Village Trustee Parakkat requested clarification on the tax loss and if there is a financial impact when there is a delay in a development.

Director Grossman responded while a development is under construction it is assessed at a lower rate than when it is complete and fully occupied, and there is a financial impact.

Village Trustee Buchanan requested clarification regarding the validity of supply chain disruption as it relates to the delays for this project.

Village Planner Craig Failor responded he has seen it affect other developments, but maybe not to the same extent. The developer is more if an independent developer, unlike a larger developer that may have better resources.

Village Trustee Taglia expressed their support of staff's recommendation for a six month extension.

Village Trustee Enyia expressed their support of staff's recommendation for a six month extension.

President Scaman then requested a motion for an ordinance granting an extension of time to complete the construction of the planned development at 715-717 South Boulevard for an additional six months.

Village Trustee Enyia moved, and Village Trustee Robinson seconded the motion.

**It was moved by Village Trustee Enyia, seconded by Village Trustee Robinson, to adopt the Ordinance. The motion was approved. The roll call on the vote was as follows:**

**AYES:** 6 - Village President Scaman, Village Trustee Buchanan, Village Trustee Enyia, Village Trustee Parakkat, Village Trustee Robinson, and Village Trustee Taglia

**NAYS:** 0

**ABSENT:** 1 - Village Trustee Walker-Peddakotla

**U. [RES 22-68](#) A Resolution Approving a Purchase Price Agreement with Stryker Corporation to Purchase Lucas Cardiopulmonary Resuscitation Devices and**

**Related Items in an Amount Not to Exceed \$93,894.91, Authorizing its Execution and Waiving the Village's Bid Process for the Purchase**

Interim Village Manager Shelley introduced the Item.

Deputy Fire Chief Joseph Terry gave some background and an overview of the Item.

Village Trustee Buchanan commented while she understands the desire to have consistent and good compressions, from her research she cannot find where these devices improved outcomes, although they may provide a safety benefit to the EMS staff during transit. She provided some resources of her findings to the Trustees.

Village Trustee Enyia requested clarification on the maintenance for this equipment.

Deputy Chief Terry responded there is a five year service plan that is at no additional cost for this request.

Village Trustee Robinson requested clarification regarding staff's thoughts on the effectiveness of this equipment especially under specific instances during various transport scenarios.

Deputy Chief Terry responded staff's perspective was to drill down and see where and what they can correct to improve outcomes for people experiencing cardiac arrest. It is difficult to do compressions transporting someone on a cot or chair maneuvering on stairs or a ramp. This equipment will hopefully give the person a chance, even a small chance, to go home.

Village Trustee Taglia expressed their appreciation for the information presented and all the research into this equipment and is in support of this request.

Village Trustee Buchanan requested clarification if staff has had to use this equipment.

Deputy Chief Terry responded they have had them since January 11 and have had to use them in 12 instances, with three individuals having a return to spontaneous circulation. Staff has had a good experience with the equipment both with patient outcome and staff moral and confidence.

**It was moved by Village Trustee Robinson, seconded by Village Trustee Parakkat, to adopt the Resolution. The motion was approved. The roll call on the vote was as follows:**

**AYES:** 6 - Village President Scaman, Village Trustee Buchanan, Village Trustee Enyia, Village Trustee Parakkat, Village Trustee Robinson, and Village Trustee Taglia

**NAYS:** 0

**ABSENT:** 1 - Village Trustee Walker-Peddakotla

**V. [RES 22-64](#) A Resolution Authorizing the Submission of an Application for a COVID-19 Response Grant with the Illinois Department of Public Health with an Anticipated Total Funding Amount of \$250,000 and Approval of Subsequent Agreements and Authorizing their Execution**

Interim Village Manager Shelley introduced the Item and introduced Dr. Chapple-McGrudder, the Director of Health, to present on this request.

Dr. Chapple-McGrudder provided an overview of the Item.

Village Trustee Robinson requested clarification regarding the hazard pay for the four current health staff within the grant request.

Dr. Chapple-McGrudder responded the grant allows for hazard pay as part of the grant request. It is an opportunity to provide additional pay to public health employees who are putting themselves in risk for the community. This will cover some overtime for four staff for COVID-related activities such as managing the vaccination clinics which typically happen outside of normal working hours. Hazard pay is already built in to the two additional positions in the grant request. Ultimately the State will have to approve all requests in the grant, so they will determine if this hazard pay request is reasonable.

Interim Village Manager Shelley added it is their understanding that there are different definitions for hazard pay. This grant refers to those administering the test and is paid on an hourly basis. We will have to wait and see if the Illinois Department of Public Health accepts the request and determining what the hourly rate would be.

Village Trustee Buchanan commented in their experience with these types of requests, if the government is allowing for extra money to pay you, you apply for the extra money to pay you. If this grant is allowing for requests to pay hazard pay then it makes sense to apply for it.

Village Trustee Buchanan requested clarification if this grant is solely for testing and not vaccination promotion.

Dr. Chapple-McGrudder responded in the affirmative, adding there is an additional grant that is for vaccines so both of these grants can be used in concert when they are out to do both vaccines and testing at the same time.

Village Trustee Buchanan requested clarification on the future use of the mobile health van.

Dr. Chapple-McGrudder responded currently they are utilizing the van for flu, COVID and testing purposes. The long term goal is to use this mobile van moving forward to do all health department types of work in the

community.

Village Trustee Parakkat requested clarification regarding what happens after this grant expires on December 31, 2022 when it seems that fall and winter are the times that cases will go up.

Dr. Chapple-McGruder responded the state has historically extended grants if the need continues and they would expect there would be discussions about extending the grants should there be a surge in the winter. Should the grant expire on December 31 we would most likely have access to the antigen tests.

Village Trustee Parakkat added in terms of the long-term plan we are not banking on tax dollars from the local community to support this program - this will always be a grant-based.

Dr. Chapple-McGruder responded in the affirmative.

Village Trustee Taglia commented they had a similar concern to Trustee Parakkat regarding the long-term funding of this program. They understand there is some uncertainty of what happens beyond the end of the year, but as a fiduciary we are not employing a lot of full-time employees that the village will have to fund; at the end of the year if there is no further funding from the State then that is it. The board will need to be mindful and see what it looks like at the end of the year.

Village Trustee Enyia requested clarification on when we would hear back about the grant and what the next steps would be.

Dr. Chapple-McGruder responded the State typically does a 48 hour turn around time from when they receive the grant request.

Village Trustee Parakkat requested clarification regarding the marketing role that will work with our Communications Department.

Dr. Chapple-McGruder responded they think that role is best filled by a social media marketing firm that would do all the messaging on various platforms, and will work with the Communications Department to help identify a firm to help with all of this.

Village Trustee Parakkat requested an update on this grant sometime in October in terms of where we stand and what will happen going forward.

Dr. Chapple-McGruder responded in the affirmative.

Village Trustee Robinson commented she will be voting no for this Item principally because of the hazard pay request for the four staff positions who, up to this point, have not received hazard pay and do not meet the criteria by the Department of Labor for hazard pay.

Dr. Chapple-McGrudder clarified the grant as written does not necessarily have to be the grant as funded, but that decision would come from the State if they felt we were doing something that is not in line with what the grant is intended for.

Village Attorney Stephanides added this is totally controlled by the State and their interpretation and is out of the Village's hands. It would be pursuant to the State's view of the application as filed by the Village.

Interim Village Manager Shelley commented if we were to receive the grant, when it relates to people's pay we would double check with payroll and the grant staff to ensure we are submitting it correctly and to ensure the village gets reimbursed.

**It was moved by Village Trustee Buchanan, seconded by Village Trustee Taglia, to adopt the Resolution. The motion was approved. The roll call on the vote was as follows:**

**AYES:** 5 - Village President Scaman, Village Trustee Buchanan, Village Trustee Enyia, Village Trustee Parakkat, and Village Trustee Taglia

**NAYS:** 1 - Village Trustee Robinson

**ABSENT:** 1 - Village Trustee Walker-Peddakotla

## **XII. Call to Board and Clerk**

Village Clerk Waters mentioned the Community Development Citizens Advisory Committee (CDCAC) is seeking volunteers with a background in the nonprofit field, early childhood education, or someone who is a part of our active adult aging in place senior community to join their committee.

Village Trustee Buchanan had no comment.

Village Trustee Parakkat had no comment.

Village Trustee Robinson had no comment.

Village Trustee Enyia had no comment.

Village Trustee Taglia had no comment.

President Scaman expressed her support for all the victims of the Russian aggression in the Ukraine and the innocent citizens of Russia. She encouraged people to visit the Onion Roll who is donating all the proceeds of their yellow and blue bagels to support Ukraine. She had the opportunity to attend the Oak Leyden fundraiser which supports children and adults with disabilities, as well as the Dominican University's scholarship benefit which raised money to provide financial aid to students to attend the

University. She also thanked Forest Park Mayor Rory Hoskins for inviting her and other local officials to walk together in the Forest Park St. Patrick's Day Parade. She invited the community to join her on Tuesday night to attend Good Shepherd Lutheran Church for a tribute to woman in the arts.

### **XIII. Adjourn**

**It was moved by Village Trustee Robinson, seconded by Village Trustee Enyia, to adjourn. The motion was approved. The meeting adjourned at 9:20 P.M., Monday, March 7, 2022.**

**Respectfully Submitted,  
Deputy Clerk DeViller**

**AYES:** 6 - Village President Scaman, Village Trustee Buchanan, Village Trustee Enyia, Village Trustee Parakkat, Village Trustee Robinson, and Village Trustee Taglia

**NAYS:** 0

**ABSENT:** 1 - Village Trustee Walker-Peddakotla
