To the Chairperson and Members of the Plan Commission:

I represent the Rush Oak Park Hospital in the matter of the text amendment application pending before the Plan Commission. The text amendment relates to proposed zoning amendments affecting the Rush Oak Park Hospital in the vicinity of S. Maple Street and Madison Street. I understand that the matter is on the agenda for consideration by the Plan Commission on December 1, 2022.

This is a request for a sixty-day extension of the scheduled hearing, to February 2, 2023. The request is made to allow time for Rush Oak Park Hospital to prepare its response to the proposed text amendment, to engage an expert consultant and to allow time for the consultant to prepare a report. Considering the impending holidays, the requested period is the minimum necessary to prepare the hospital's response. Your favorable action will be appreciated.

Very truly yours,

Richard F. Friedman
