Agency-specific Content for the Notice of Funding Opportunity

A. Program Description

Local Health Department (LHD) will provide case management services for children identified with a confirmed blood lead level of 10 micrograms per deciliter or greater. In conjunction with the case management, the LHD will participate in public awareness and education campaigns regarding lead poisoning prevention. Additionally, the LHD will complete an environmental investigation and provide follow-up services for children according to the following:

- age 35 months or less with a confirmed blood lead level at or greater than 10 micrograms per deciliter of blood;
- age 35 months or less with a confirmed blood lead level greater than 5 micrograms per deciliter but less than 10 micrograms per deciliter of blood, whose physician requests an inspection to determine if the child should be removed from the regulated facility due to a lead hazard;
- age 36 months or older with a confirmed blood lead level at or greater than 20 micrograms per deciliter of blood; or age 36 months or older with a confirmed blood lead level of 15 micrograms per deciliter of blood, whose physician requests an inspection to determine if the child should be removed from the regulated facility due to a lead hazard.

Kert McAfee, 525 West Jefferson Street, Springfield, IL 62761
Phone Number: 217-557-4519

2. Content and Form of Application Submission

Same as above.

3. Dun and Bradstreet Universal Numbering System (DUNS) Number and System for Award Management (SAM)

Each applicant (unless the applicant is an individual or Federal or State awarding agency that is exempt from those requirements under 2 CFR § 25.110(b) or (c), or has an exception approved by the Federal or State awarding agency under 2 CFR § 25.110(d)) is required to:

(i) Be registered in SAM before submitting its application. If you are not registered in SAM, this link provides a connection for SAM registration: <https://governmentcontractregistration.com/sam-registration.asp>;

(ii) provide a valid DUNS number in its application; and

(iii) continue to maintain an active SAM registration with current information at all times during which it has an active Federal, Federal pass-through or State award or an application or plan under consideration by a Federal or State awarding agency.

The State awarding agency may not make a Federal pass-through or State award to an applicant until the applicant has complied with all applicable DUNS and SAM requirements and, if an applicant has not fully complied with the requirements by the time the State awarding agency is ready to make a Federal pass-through or State award, the State awarding agency may determine that the applicant is not qualified to receive a Federal pass-through or State award and use that determination as a basis for making a Federal pass-through or State award to another applicant.
