TOTAL BUDGET REQUEST FOR ~~2024~~2025: \$~~63~~,000.00

Notes for August 28, 2024 Meeting:

~~One thing I want to mention to you know that should go on the Agenda for this August's meeting is the 2025 Workplan. Per the clerk the general timeline should be that commissioners should begin that discussion in August, compiled and discussed again in October, finalized and voted on in November. Ideally that should be approved and submitted to the Village before Thanksgiving which actually leads me into the next thing that the DAC should begin conversations on, November and December meetings. The November meeting is the day before Thanksgiving this year and the December meeting will fall on Christmas Day. If the commission plans to meet in those months, we need to discuss when to move the meeting times. This is essential for space purposes as library meeting rooms fill up very fast so I'd try to make the adjustments as soon as you all make that decision. Additionally if you all choose to forgo those meetings, that would then impact the timeframe for working on and completing the 2025 work plan.~~
