Dear Sean,

Thank you for your assistance on this matter and for your service to our community.

As we discussed previously, Oak Park Commons Cohousing is interested in applying for a waiver of the right-of-way obstruction permit fee and the parking obstruction fee related to the construction of our new homes at 839 Madison Street. This request is made to allow for building construction, and staging in the areas within the boundaries of the construction fence (diagram attached) and to ensure that traffic can continue, on Carpenter St. and vehicle, bicycle and pedestrian traffic can continue on Madison St. This will be for the duration of excavation, foundation installation, and building construction for seventeen months starting August 14th, 2023 to January 14th, 2024.

Thank you again for your assistance in this matter. Please feel free to reach out to me with any questions regarding this request for waiver of right-of-way obstruction permit fee and the parking obstruction fee for 839 Madison St. and Carpenter St. from Madison St. to the alley.

Sincerely,

Jonathan Shack
