1. RECITALS INCORPORATED

The above recitals are incorporated herein as though fully set forth.

2. SCOPE OF WORK

The Contractor shall perform the Project in accordance with its Bid in an amount not to exceed \$112,000.00 (the “Contract Price”). The Contractor shall complete the Project in accordance with any applicable manufacturers’ warranties and in accordance with the Village’s Request for Bids, the Contractor’s Bid, and this Contract, all of which together shall constitute the “Contract Documents.” The Contractor hereby represents and warrants that it has the skill and experience necessary to complete this project in a good

and workmanlike manner. The Contractor further represents and warrants that the Project will be completed in a good and workmanlike manner in accordance with the Contract Documents, and that the Project will be free from defects.

3. DESIGNATED REPRESENTATIVES

The Contractor shall designate in writing a person to act as its designated representative with respect to the Work to be performed under this Contract who shall have the power and authority to make or grant or do all things, certificates, requests, demands, approvals, consents, notices, and other actions required that are ministerial in nature or described in this Agreement for and on behalf of the Contractor and with the effect of binding the Contractor. The Village is entitled to rely on the full power and authority of the person executing this Contract on behalf of the Contractor as having been properly and legally given by the Contractor. The Contractor shall have the right to change its designated representative by providing the Village with written notice of such change, which notice shall be sent in accordance with Section 13 of this Agreement.

The Public Works Director or the Director's designee shall be deemed the Village's authorized representative for purposes of this Agreement, unless applicable law requires action by the Corporate Authorities, and shall have the power and authority to make or grant or do those things, certificates, requests, demands, approvals, consents, notices, and other actions required that are ministerial in nature or described in this Agreement for and on behalf of the Village and with the effect of binding the Village as limited by this Contract. The Contractor is entitled to rely on the full power and authority of the person executing this Agreement on behalf of the Village as having been properly and legally given by the Village. The Village shall have the right to change its authorized representative by providing the Contractor with written notice of such change which notice shall be sent in accordance with Section 13 of this Agreement.

4. TERM OF CONTRACT, CONTRACT RENEWAL, AND RATE ADJUSTMENT

The Contractor shall perform the Work pursuant to this Contract beginning on the effective date as defined herein and shall expire on December 31, 2024. The Village will have the right to renew the contract for one (1) additional one (1) year term with all terms and conditions, other than price, remaining the same. The Village will allow the Contractor to increase or decrease the contract price for each annual renewal.

Upon written request from the Contractor, on or before October 20 of each year of the Agreement, the cost of the services provided under the Agreement may be adjusted as follows: The Contractor shall submit a request for adjustment to the Village based upon the average of the published monthly Index (as defined below) for the period October through September for the previous year. The Index shall be the United States Department of Labor, Bureau of Labor Chicago Statistics, Revised Consumer Price Index for all Urban Wage Earners for Chicago-Naperville-Elgin, IL-IN-WI (all items, 1982-84 =

100). Notwithstanding anything contained in this Agreement to the contrary, an annual adjustment shall not be greater than five percent (5.0%) of the previous year's cost for services provided under this Agreement in any year. Any applicable adjustment shall take effect on January 1st.

5. PAYMENT SCHEDULE

The Contractor shall, as a condition precedent to its right to receive any payment, submit to the Village an application for payment and such receipts, vouchers, and other documents as may be necessary to establish the Contractor's payment for all labor and material and the absence of any interest, whether in the nature of a lien or otherwise, of any party in any property, work, or fund with respect to the Work performed hereunder. Such documents shall include, where relevant, the following forms, copies of which are attached hereto:

- (i) the Contractor's sworn statement;
- (ii) the Contractor's partial or final waiver of lien;
- (iii) any subcontractor's sworn statement(s); and
- (iv) any subcontractor's partial or final waiver of lien.

Payment by the Village shall be conditioned upon an inspection by the Village of the Work completed and the submission of required waivers by the Contractor. Payment by the Village shall in no way constitute a waiver of, or relieve the Contractor from, any defects in the Work. All payments shall be made in accordance with the Illinois Local Government Prompt Payment Act, 50 ILCS 505/1 *et seq.* Final payment for any Work performed by the Contractor pursuant to an invoice submitted by the Contractor shall be made by the Village to the Contractor when the Contractor has fully performed the Work and the Work has been approved by the Village and submission of required waivers and paperwork by the Contractor. Approval of the Work and issuance of the final payment by the Village shall not constitute a waiver of, or release the Contractor from, any defects in the Work.

The Village shall have the right to withhold from any payment due hereunder such amounts as may reasonably appear necessary to compensate the Village for any actual or prospective losses due to Work which is defective or does not conform to the Contract Documents; damage for which the Contractor is liable hereunder; liens or claims of liens; claims of third parties, subcontractors, or material men; or any failure of the Contractor to perform any of its obligations under this Contract. The Village may apply any money withheld or due the Contractor hereunder to reimburse itself for any and all costs, expenses, losses, damages, liabilities, suits, judgments, awards, and attorneys' fees incurred, suffered, or sustained by the Village and chargeable to the Contractor.

6. TERMINATION

The Village may terminate this Contract for cause, which includes but is not necessarily limited to, the Contractor's failure to perform the Work pursuant to this Contract. The

Village shall provide the Contractor with five (5) days' written notice of a termination for cause pursuant to the provisions of Section 13 below. The Village may also terminate this Contract when it determines the same to be in its best interests by giving fourteen (14) days' written notice to Contractor pursuant to the provisions of Section 13 below. In such event, the Village shall pay to the Contractor all amounts due for the Work performed up to the date of termination.

7. DEFAULT/THE VILLAGE'S REMEDIES

If it should appear at any time prior to payment for the Work provided pursuant to this Contract that the Contractor has failed or refused to prosecute, is in default, or has delayed in the prosecution of, the Work to be provided pursuant to this Contract with diligence and at a rate that assures completion of the Work in full compliance with the requirements of this Contract, or has attempted to assign this Contract or the Contractor's rights under this Contract, either in whole or in part, or has falsely made any representation or warranty, or has otherwise failed, refused, or delayed to perform or satisfy any other requirement of this Contract or has failed to pay its debts as they come due (an "Event of Default"), and has failed to cure, or has not reasonably commenced to cure any such Event of Default within fifteen (15) business days after the Contractor's receipt of written notice of such Event of Default, then the Village shall have the right, at its election and without prejudice to any other remedies provided by law or equity, to pursue any one or more of the following remedies:

(A) The Village may require the Contractor, within such reasonable time as may be fixed by the Village, to complete or correct all or any part of the Work that are defective, damaged, flawed, unsuitable, nonconforming, or incomplete and to take any or all other action necessary to bring the Contractor and the Work into compliance with this Contract;

(B) The Village may accept the defective, damaged, flawed, unsuitable, nonconforming, incomplete, or dilatory Work or any part thereof and make an equitable reduction;

(C) The Village may terminate this Contract without liability for further payment of amounts due or to become due under this Contract except for amounts due for Work properly performed prior to termination;

(D) The Village may withhold any payment from the Contractor, whether or not previously approved, or may recover from the Contractor any and all costs, including attorneys' fees and administrative expenses incurred by the Village as the result of any Event of Default or as a result of actions taken by the Village in response to any Event of Default; or

(E) The Village may recover any damages suffered by the Village as a result of the Contractor's Event of Default.

(F) In addition to the above, if the Contractor fails to complete any required Work pursuant to this Contract, the Village shall be entitled to liquidated damages in the amount of five hundred dollars (\$500.00) per day for each day the Work remains uncompleted. This amount is not a penalty, and the Parties agree to said amount given the difficulties associated with determining or calculating damages to the Village in the event the required Work is not completed on time and in keeping with the terms of the Contract Documents.

8. COMPLIANCE WITH APPLICABLE LAWS

The Contractor shall comply with all applicable laws, regulations, and rules promulgated by any federal, state, county, municipal, and/or other governmental unit or regulatory body now in effect during the performance of the Work. By way of example only and not as a limitation, the following are included within the scope of the laws, regulations, and rules with which the Contractor must comply: all forms of workers' compensation laws, all terms of the equal employment opportunity rules and regulations of the Illinois Department of Human Rights, any statutes relating to contracts let by units of government, and all applicable civil rights and anti-discrimination laws and regulations.

9. INDEMNIFICATION

To the fullest extent permitted by law, the Contractor shall waive any right of contribution against the Village and shall indemnify and hold harmless the Village and its officers, officials, employees, volunteers, and agents from and against all claims, damages, losses, and expenses, including, but not limited to, legal fees (attorneys' and paralegals' fees, expert fees and court costs) arising out of or resulting from the performance of the Contractor's Work, provided that any such claim, damage, loss, or expense is attributable to bodily injury, sickness, disease or death, or injury to or destruction of property, other than the Work itself, including the loss of use resulting therefrom, or is attributable to misuse or improper use of trademark or copyright-protected material or otherwise protected intellectual property, to the extent it is caused in whole or in part by any wrongful or negligent act or omission of the Contractor, any subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable. Such obligation shall not be construed to negate, abridge, or otherwise reduce any other right to indemnity which the Village would otherwise have. The Contractor shall similarly protect, indemnify and hold and save harmless, the Village, its officers, officials, employees, volunteers, and agents against and from any and all claims, costs, causes, actions, and expenses, including, but not limited to, legal fees incurred by reason of the Contractor's breach of any of its obligations under, or the Contractor's default of, any provisions of this Contract. The indemnification obligations under this Section shall not be limited in any way by any limitation on the amount or type of damages,

compensation, or benefits payable by or for the Contractor or any subcontractor under workers' compensation, disability benefit, or employee benefit acts.

10. INSURANCE

The Contractor shall at the Contractor's expense secure and maintain in effect throughout the duration of this Contract, insurance of the following kinds and limits set forth in this Section. The Contractor shall furnish "Certificates of Insurance" to the Village before beginning the Work on the Project pursuant to this Contract. All insurance policies shall be written with insurance companies licensed to do business in the State of Illinois and having a rating of at least A according to the latest edition of the Best's Key Rating Guide; and shall include a provision preventing cancellation of the insurance policy unless thirty (30) days' prior written notice is given to the Village. This provision shall also be stated on each Certificate of Insurance: "Should any of the above described policies be canceled before the expiration date, the issuing company shall mail thirty (30) days' written notice to the certificate holder named to the left."

The limits of liability for the insurance required shall provide coverage for not less than the following amounts, or greater where required by law:

In case employees engaged in hazardous work under this Contract are not protected under the Workers' Compensation Act, the Contractor shall provide, and shall cause each

subcontractor to provide, adequate and suitable insurance for the protection of employees not otherwise provided.

(C) Comprehensive Automobile Liability:

i. Comprehensive Automobile Liability coverage shall include all owned, hired, non-owned vehicles, and/or trailers and other equipment required to be licensed, covering personal injury, bodily injury, and property damage.

The coverage shall contain no special limitations on the scope of protection afforded to the Village, its officers, officials, employees, agents, and volunteers.

(F) The Contractor understands and agrees that any insurance protection required by this Contract or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify, keep and save harmless, and defend the Village, its officers, officials, employees, agents, and volunteers as herein provided. The Contractor waives and shall have its insurers waive, its rights of subrogation against the Village, its officers, officials, employees, agents, and volunteers.
