## **Village Manager's Budget Message**

**Date:** October 19, 2020

**To:** Village President and Board of Trustees

**From:** Cara Pavlicek, Village Manager

**Re:** FY2021 Recommended Budget

**Cc:** Department Directors

### **Introduction**

The enclosed recommended budget for Fiscal Year 2021 (FY21) is hereby presented for your review and discussion. The budget was developed following a number of internal discussions including individual meetings with all Village Department Directors, the Village Clerk, and representatives from the seven<sup>1</sup> not-for-profit organizations which have a grant/funding agreement with the Village for FY20 funding and have also requested Village funds for FY21.

Appreciation is extended to Village staff for the significant work they have done in order to present information to CFO Drazner, Finance staff, as well as myself for a recommended budget that includes a levy increase capped at 3% as requested by the Village Board of Trustees.

Additionally, via a separate document, staff has prepared a five year Capital Improvement Plan (CIP) which will be reviewed in conjunction with the recommended operating budget. It is requested that the Village Board approve a five year CIP document no later than the adoption of the FY21 Budget in December. Subject to Village Board authorization, Public Works may request to begin engineering design on some projects identified for 2020 in advance of the next fiscal year in order to obtain competitive bidding in a timely manner early in 2021.

### **FY21 Administrative Considerations**

Chapter 2 of the Municipal Code establishes the foundation for the Municipal Budget and provides:

- The Village fiscal year is January 1 - December 31 annually.

---

<sup>1</sup> Downtown Oak Park, Oak Park Regional Housing Center, Oak Park Residence Corporation, Oak Park Housing Authority, Oak Park Area Arts Council, Oak Park Economic Development Corporation and Visit Oak Park.

- The Board of Trustees must adopt the annual budget prior to the start of the Fiscal Year and the passage of the annual budget shall be in lieu of passage of the appropriation ordinance.
- On or before the Village Board of Trustees' first regular meeting in November of each year, the Village Manager shall submit to the Board of Trustees an annual Municipal budget which contains estimates of revenues together with recommended expenditures in conformity with good fiscal management practice.

Each year, the administrative preparation of the budget compels staff to consider where there are increasing demands for Village services, where demands have diminished, and the cost implications of shifting demands. Staff began with the Village's current fiscal position as documented in the independent financial audit for the year ending December 31, 2019 took into account the following considerations when recommending proposed service levels:

- The ongoing response to the COVID-19 pandemic; and
- The related economic crisis; and
- The fiscal stability of the Village government.

To highlight the tough fiscal decisions reflected in the FY21 recommended budget, the Board's direction to limit the overall property tax levy increase to 3% or approximately \$1 million was taken into account. This has been done despite the \$1.3 million increase in funding for the Firefighters' and Police public safety pension funds, which requires the General Fund's share of the property tax levy to actually decrease by approximately \$314,000 to maintain a 3% cap. While tax year 2020 is the triennial reassessment year for Oak Park, the assessed valuations are not anticipated to significantly increase as result of the ongoing recession related to the pandemic.

The Village entered FY20 with General Fund reserves at the maximum 20 percent per Board policy of approximately \$14 million. With lowered revenue expectation due to the pandemic throughout FY20 and projected reduced revenues in FY21, expenditure reductions have been made and there are drawdowns in General Fund balance of about \$6.1 in FY20 and \$2.1 in FY21. As a result, at the end of FY21, it is anticipated that the Village will be at the minimum 10 percent General Fund balance of approximately \$5.7 million. Such drawdowns cannot be repeated again in FY22 and beyond.

The Village will celebrate the 119<sup>th</sup> Anniversary of its incorporation in 2021. Staff has developed a comprehensive five year Capital Improvement Plan (CIP) and the first year of this updated plan is the foundation for capital projects in FY21 and allows the Village to identify and evaluate the state of the Village's infrastructure and plan for the associated costs. As is the case with most well-established communities, infrastructure needs will continue to increase and deferring such capital projects may likely cost significantly more in the future. Prior Village Boards have dedicated certain revenues to capital projects such as the 1% home rule sales tax, a local \$.06/gallon gasoline tax, and a portion

of the telecommunications tax. While these revenues are helpful, they are nonetheless insufficient to finance capital projects using a *pay-as-you-go* model which the Village has previously elected. *Pay-as-you-go* allows the Village to save interest charges that come with debt financing as the primary alternative. The current dedicated revenue sources for capital are insufficient for a municipality the size and complexity as Oak Park. Village staff were able to balance the main FY21 capital plan budget (which also includes Fleet, Equipment Replacement, and Building Improvements) by cancelling or deferring projects. However, subsequent to FY21, there are really only a handful of realistic options in order to afford much needed infrastructure improvements and capital purchases:

- Issue debt to cover capital amounts which exceed dedicated revenues sources. Please note that such dedicated revenues only amount to approximately \$3M a year. Therefore, aggregated projects which are not grant funded and exceed this \$3M must either be either deferred or cancelled with the one other alternative of issuing more debt. Using leverage to pay for such projects is not ideal, but if it improves the community as a whole and incentivizes further development and the desire to live in Oak Park, it is worthwhile to consider, especially now with the extremely low rates.
- In lieu of debt, additional dedicated revenue sources can be imposed such as an increase in the home rule sales tax rate, a locally assessed food & beverage tax, or a fixed dollar or percentage of the levy which is allocated to the Capital Fund. Even during normal times (pre-pandemic), increasing or imposing new taxes is detrimental to the business community and property owners. With so many businesses struggling due to the pandemic and related economic impact, this is not an option being recommended.

## **Revenues and Expenditures**

The Village fiscal year begins January 1, 2021 and ends December 31, 2021 and is comprised of 35 (excluding various small health grants) Funds. These Funds include:

- a) General Funds which accounts for all the operating departments and general operating revenues which are not classified elsewhere.
- b) Internal Service Funds are used to track revenues and expenses that do not require legal separation from the General Fund but are budgeted and tracked independently for internal control, transparency, and accounting purposes. These include Debt Service Fund, Health Insurance Fund and the Self-Insured Retention Fund (SIRF).
- c) Enterprise Funds (Environmental Services, Parking and Water/Sewer) which are distinguished from other Village Funds in that they are often run similar to a business as they are strictly funded by user fees rather than property taxes. For these types of Funds, the Village may still issue bonds to help pay for capital improvements or expenditures but the

payment on the debt service for this bonds is usually abated(removed) from the tax levy and paid by user fee revenue within the Fund.

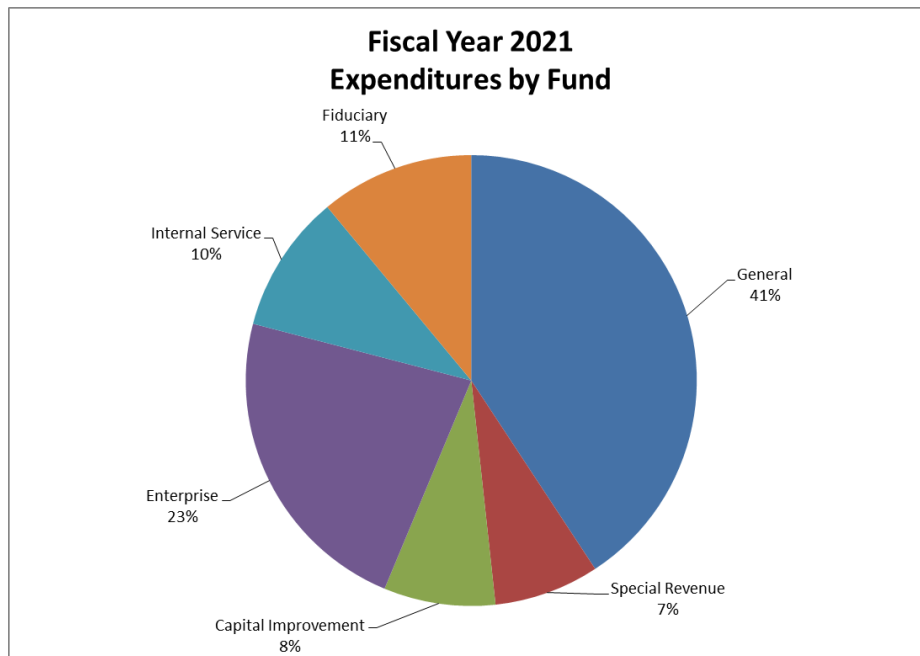

- d) Special Revenue Funds are isolated from the general operations of the Village. These funds are for the financial management of Village services funded by revenues that have been earmarked for specific purposes. While the use of such revenues is sometimes guided by state and federal requirements, they can also be guided by policy directives from the Village Board of Trustees.
- e) Fiduciary Funds are established when pursuant to State of Illinois Compiled Statutes (ILCS), the Village maintains an independent pension board for both the Police and Firefighters' Pensions. The function of these boards is to serve in a fiduciary manner and diligently invest pension assets according to the limitations provided within their respective pension code sections of the ILCS. On an annual basis, the Village levies a fixed amount which is adopted with its General Fund levy in December of each year. Each pension fund then collects the distributions from its levy and may use the proceeds to either invest and/or pay pensioner benefits. Investments and expenses in the pension funds are not managed by Village staff but are rather handled by the elected or appointed members on each pension board. As such, the Village has limited control over the expenses and investment results in these funds.
- f) Capital Funds including the Capital Improvement Fund, Building Improvement Fund, Equipment Replacement Fund, and Fleet Replacement Fund support equipment and projects that have an extended life. The Capital Funds also include expenditures for personnel salaries and benefits that exclusively support the Funds programs and projects.
- g) Capital projects must meet the following criteria:
  - ✓ Minimum value of \$25,000 in aggregate per project
  - ✓ Useful life of longer than two years
  - ✓ Results in a fixed asset
  - ✓ If an engineering study, leads to a capital program

The use of Fund Accounting for the Village's revenues and expenditures is required as the Village of Oak Park is established under State Law as a municipal corporation and the Financial Accounting Foundation (FAF) requires the use of Generally Accepted Account Principles (GAAP) established by the Government Accounting Standards Board (GASB). Among the basic principles of governmental GAAP is fund accounting. Because of the diverse nature of governmental operations and the numerous legal and fiscal constraints under which those operations must be conducted, it is impossible to record all governmental financial transactions and balances in a single accounting entity. Therefore, unlike a small private business which is accounted for as a single entity, a governmental unit is accounted for through separate funds, each of which is a fiscal and accounting entity with a self-balancing set of accounts. When compared to the private sector, fund accounting would most closely resemble a large publicly traded company that consists of a parent corporation

and its subsidiaries, where each subsidiary maintains a separate set of accounting records and reports its numbers to the parent which then consolidates all the information for investor reporting.

The FY21 Recommended Budget for all Funds includes \$146 million in expenditures after excluding interfund transfers. Such interfund transfers are being excluded so expenditures are not double counted resulting in inflated totals (interfund transfers out are always offset with a corresponding interfund transfer-in which net to zero). For comparison purposes, total village-wide expenditures in the current FY20 budget totals \$168 million. The decrease from FY20 adopted to FY21 recommended includes a reduction in capital projects.

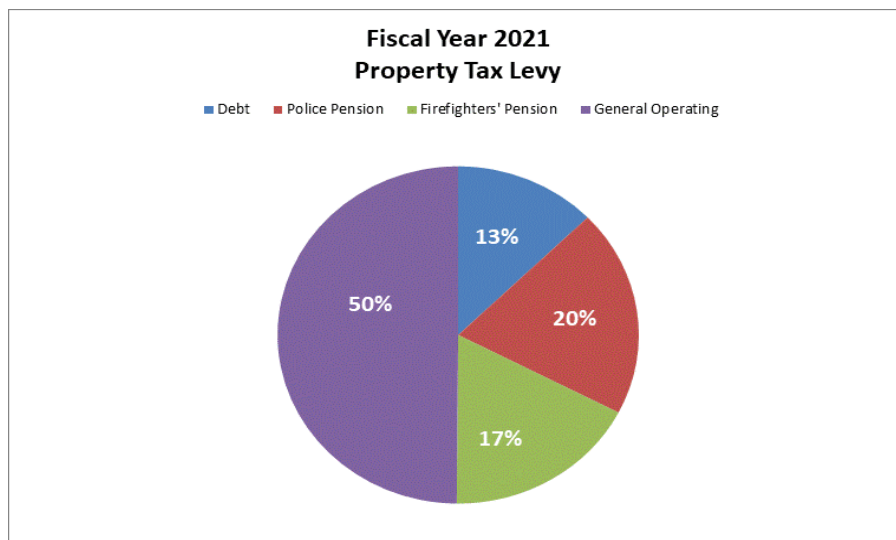

The chart below summarizes all budgeted FY21 expenditures by type of fund, with the General Fund comprising 41%.

The FY21 Recommended Budget was developed with the following impact to property taxes levied by the Village of Oak Park, before the application by Cook County of the loss allowance to the property tax levy:

1. No change in the levy for annual debt service expense after reducing for abatements (primarily, Enterprise Fund debt);
2. A combined increase of \$1,334,557 for the recommended police/fire pension levies;
3. A decrease of \$314,095 for the general corporate levy

The following chart depicts the allocation of the recommended property tax levy for the Village in FY21:

Furthermore, the next chart identifies the recommendations as compared to the adopted FY20 levy:

	Fiscal Year 2020 Tax Year 2019			Fiscal Year 2021 Tax Year 2020		
	Estimated Assessed Valuation 1,706,506,276	Loss Allowance %	Estimated Assessed Valuation 1,706,506,276	Estimated Assessed Valuation -	Loss Allowance %	Estimated Assessed Valuation -
	<u>Village Levy</u>		<u>Extended Levy</u>	<u>Village Levy</u>		<u>Extended Levy</u>
Corporate Levy	17,938,940	3%	18,477,108	17,624,845	3%	18,153,590
Police Pension Levy	6,338,241	3%	6,528,388	6,973,534	3%	7,182,740
Firefighters Pension Levy	5,438,948	3%	5,602,116	6,138,212	3%	6,322,358
Subtotal	29,716,129		30,607,613	30,736,591		31,658,689
Gross Debt Service Levy	10,507,911	5%	11,033,307	11,453,717	5%	12,026,403
Debt Service to be Abated	(6,275,258)	5%	(6,589,021)	(7,221,064)	5%	(7,582,117)
Subtotal Net Debt Service Levy after Abatement	4,232,653		4,444,286	4,232,653		4,444,286
Total Property Tax Levy Request	33,948,782		35,051,899	34,969,244		36,102,974

It is noted that Cook County automatically adds on an additional 3% (5% for debt service) to the Village's levy to offset any potential unpaid taxes and/or reductions due to appeals. The end result is that in most years, the Village will realize between 98-100% of its levy which generally means that the sum of all appeals plus any unpaid taxes typically averages between 3- 5% each year.

The purpose of this automatic loss allowance add-on by the County is to allow taxing districts to collect close to 100% of the amount that is levied. In rare circumstances when appeals and/or unpaid taxes do not exceed 3%, it is theoretically possible that the Village may collect more than 100% of its levy, however, this has not happened looking back at the last ten years. Data on the

actual percentage of levies collected by fiscal year may be viewed on page 163 of the FY19 Comprehensive Annual Financial Report.

Sales tax revenues are also an important revenue stream for the Village and are established as follows:

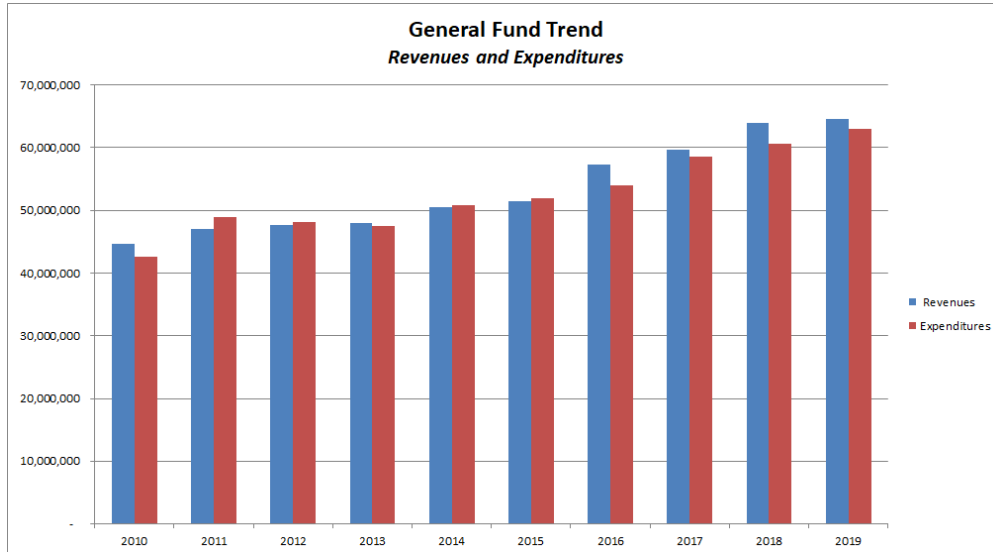

Sales Tax in Oak Park	
State portion	5.00%
Village portion	1.00%
County portion	0.25%
Total Sales Tax by State Regulation- General Merchandise	6.25%
Village Home Rule Retailers' Occupation Tax	1.00%
Cook County Home Rule Retailers' Occupation Tax	1.75%
RTA Sales Tax	1.00%
Total Sales Tax Home Rule- General Merchandise	3.75%
Total Combined Sales Tax- General Merchandise**	10.00%
<i>**Registered property (i.e. vehicles) and eligible food &amp; drugs are taxed at a lower rate</i>	

Reviewing sales tax collections by category for 2019, approximately 29.2% of all tax collected was from bars and restaurants, 21.1% from grocery stores, 13.5% from drug stores and miscellaneous retail shops, and 12.1% from gas stations/automotive repair. Unfortunately, the pandemic is adversely affecting the largest revenue source and many independently owned bars and restaurants may never recover from the pandemic. For the first six months of 2020, the Village saw an overall 5% decrease in total sales tax compared to the same period from 2019. The percentages by category as stated above remained approximately the same.

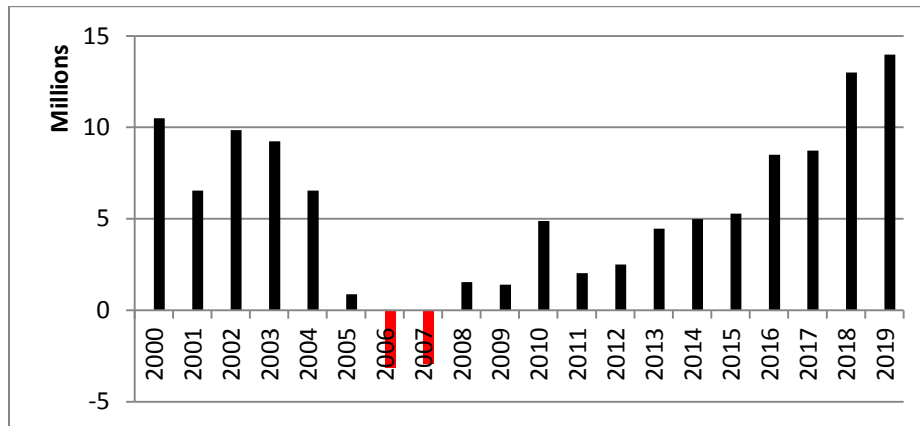

Sales Tax Analysis- 2019 to 2020						
First Six Months of Each Year						
Category	First Half			First Half		
	1Q 2019	2Q 2019	2019	1Q 2020	2Q 2020	2020

Agriculture	375,574	261,598	637,172	358,783	367,151	725,934
Manufacturers	96,121	103,589	199,709	84,651	51,475	136,126
All Others	9,441	12,213	21,655	8,307	12,222	20,529

TOTAL	<u>1,501,657</u>	<u>1,687,530</u>	<u>3,189,187</u>	<u>1,541,588</u>	<u>1,490,965</u>	<u>3,032,553</u>
-------	------------------	------------------	------------------	------------------	------------------	------------------

When focused on the Village's General Fund, which captures operating expenditures, the chart below tracks General Fund revenues and expenditures from 2010 – 2019.

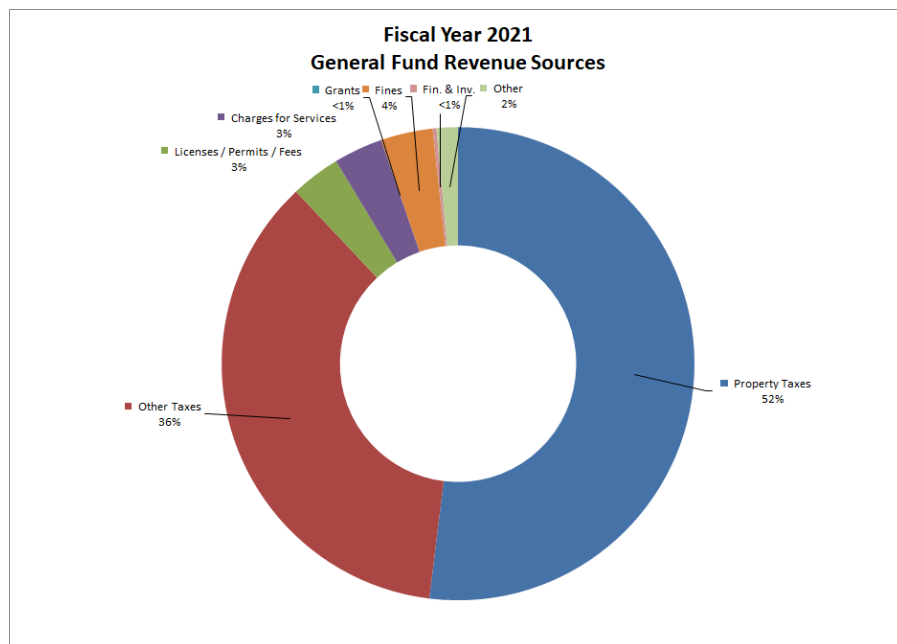

The Village Board adopted **Fund Balance Policy** for the General Fund states that an unreserved fund balance goal of no less than 10% or more than 20% of the current year's estimated operational expenses shall be maintained. Of this balance, cash and investments should compose no less than 60%, equating to 6% of annual operating expenditures.

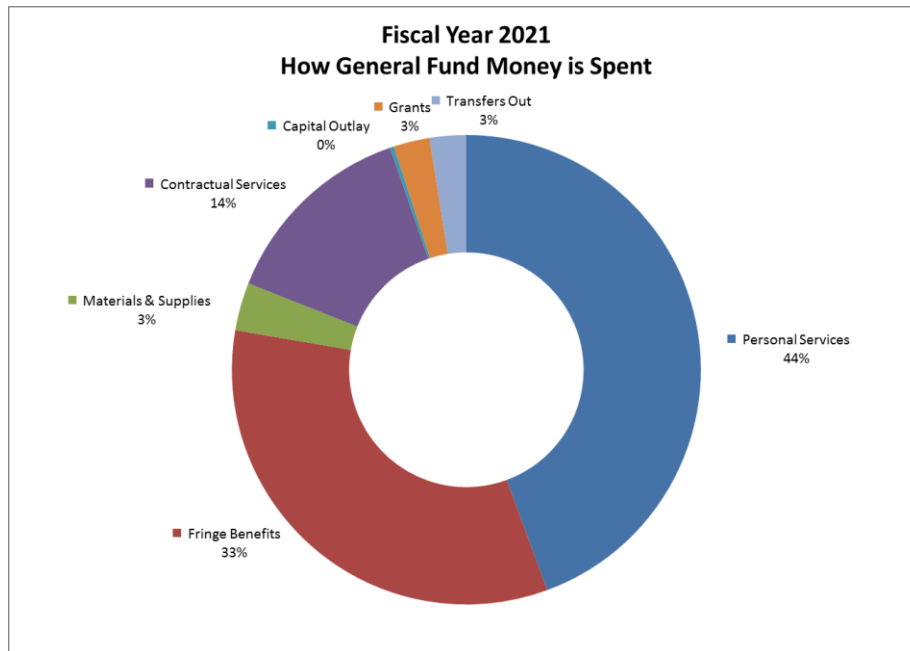

The revenue sources for the General Fund includes taxes, licenses, permits, fees, charges for services, grants, fines, and other sources. Property taxes remain the primary revenue source accounting for 52% of budgeted General Fund revenues.

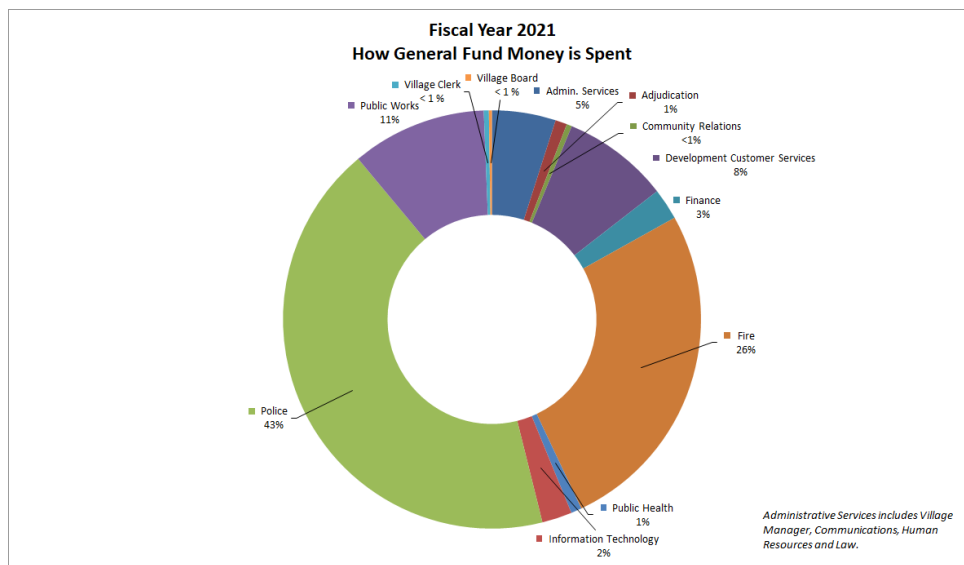

In the recommended FY21 General Fund budget, revenues total approximately \$58.9 million which is about a 7.5% decrease from original FY20 budgeted revenues but 11% higher than FY20 amended revenues due to the pandemic. It is noted that property taxes - *excluding the amount allocated to the public safety pensions* – will actually see a decrease of about \$314,000. A visual depiction of General Fund revenues is shown below:

Overall FY21 budgeted General Fund expenditures total \$61.1 million, which is approximately a 3.4% decrease from FY 2020 projected expenditures. Approximately half of this decrease is the result of reallocating certain eligible salaries and benefits to the Motor Fuel Fund which was not done in the current fiscal year. During FY20 the Village has been undergoing an audit by the Illinois Department of Transportation (IDOT) of its motor fuel tax allocation and the shift of expenses to the fund has been deemed a best practice going forward.

Public Safety functions, comprised of the Police and Fire Departments, continue to make up the majority of General Fund expenditures, totaling \$42.9 million or 70% of FY21 budgeted expenditures as seen in the department breakdown below. It is noted that \$13.1 million, or 31% of the Police and Fire Department funding, is due to statutory pension contributions.

The following table provides a history on call volume for both departments as noted below:

Calls For Service							
	<u>2013</u>	<u>2014</u>	<u>2015</u>	<u>2016</u>	<u>2017</u>	<u>2018</u>	<u>2019</u>
Police	33,155	32,651	34,529	65,830	70,418	68,932	65,027
Fire	6,016	6,419	6,731	6,714	6,822	7,267	7,662
Combined	<u>39,171</u>	<u>39,070</u>	<u>41,260</u>	<u>72,544</u>	<u>77,240</u> 	<u>76,199</u>	<u>72,689</u>

In 2016, a new 911 dispatch system began capturing police calls for service to include calls, traffic stops, premise checks, and alarm checks, thus resulting in the spike in police calls in 2016 compared to previous years.

The General Fund also accounts for the majority of all expenditures related to the Village's workforce. The Village Manager's Office continues to make labor relations a key priority in partnership with the Human Resources Department and each Department Director. Of the nine collective bargaining agreements, five are current and four expire at the end of this year and therefore successor agreements negotiations are either in process or pending:

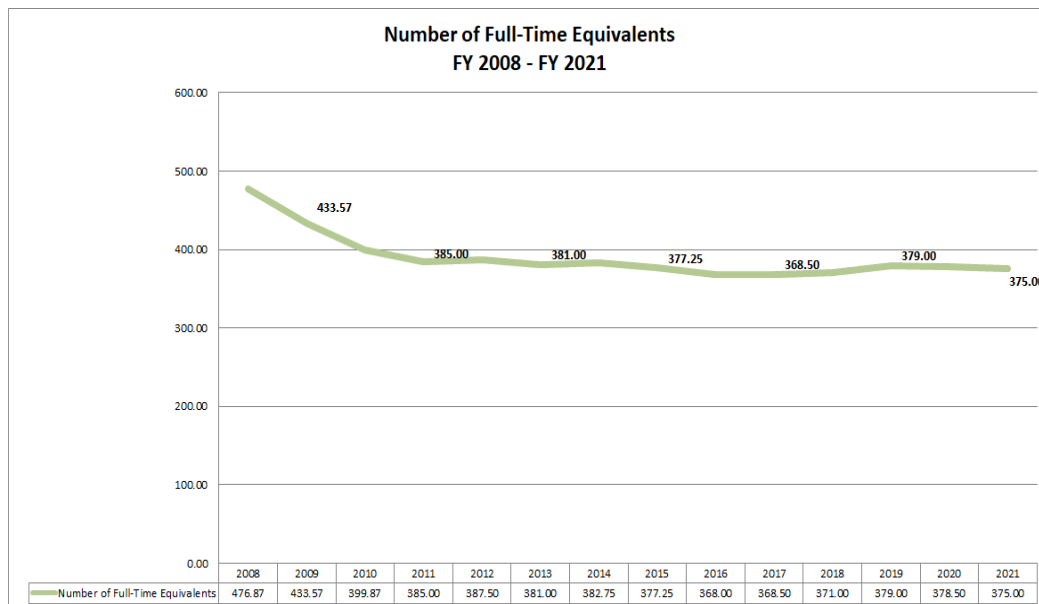

<u>Bargaining Group</u>	<u>Expiration</u>
FOP Police Officers	12/31/20
FOP Community Service Officers	12/31/20
IAFF Firefighters/Lieutenants	12/31/20
IBEW Local 9	12/31/20
Teamsters Local 705	03/31/21
SEIU Local 73 (Administrative)	12/31/21
IAM Local 701	06/30/22
FOP Police Sergeants	12/31/22
SEIU Local 73 (Water/Sewer Employees)	06/30/23

The recommended Budget provides funding for all covered employee wages and benefits as established in the applicable agreements. In regard to non-union exempt/non-exempt employees, the Budget does not include any wage increases, either for cost of living adjustments or merit tied to performance evaluations. The FY21 budget contains a net decrease of 3.5 FTE positions summarized as follows:

**Synopsis of FTE Changes from FY20 to FY21 Recommendations**

Administrative Adjudication: Reduced hours for Community Service Coordinator	(0.25)
Village Managers Office: Added Deputy Village Manager	1.00
Village Managers Office: Increased hours for Executive Secretary	0.25
Community Relations: Eliminated Intern	(0.50)
Development Customer Services-Parking Division: Eliminated PT Administrative Clerk	(0.50)

Development Customer Services-Parking Division: Added PT Customer Service Representative III	0.50
Development Customer Services-Parking Division: Eliminated Customer Service Representative II	(1.00)
Development Customer Services-Permit Processing Division: Added 2.5 Customer Service Representative III	2.50
Development Customer Services-Permit Processing Division: Eliminated 3 Customer Service Representative II	(3.00)
Finance: Eliminated Budget Revenue Analyst	(1.00)
Police: Added Police Administrative Commander	1.00
Police: Eliminated two Parking Enforcement Officers	(2.00)
Police: Eliminated two Field Police Officers	(2.00)
Police: Eliminated three School Resource Officers	(3.00)
Police: Eliminated Sergeant-Internal Affairs	(1.00)
Police: Added one Support Sergeant	1.00
Police: Added two Juvenile Officers	2.00
Public Health: Added Community Health Advisor	1.00
Public Works-Admin: Added a Customer Service Rep II	1.00
Public Works-Admin: Eliminated Administrative Assistant	(1.00)
Public Works-Admin: Added 1/2 FTE for Interns	0.50
Public Works-Forestry: Added one Forestry Technician II	1.00
Public Works-Forestry: Eliminated one Forestry Technician I	(1.00)
Public Works-Water/Sewer: Added Water Meter Supervisor	1.00
<b>Net Impact of Recommended Changes</b>	<b>(3.50)</b>

It is important to consider that personnel expenses (wages and benefits) account for approximately 75% of the General Fund budget and consistent with past practice, the FY21 Budget for General Fund expenditures reflect an approximately 95 percent staffing level. While all positions, both vacant and filled, are budgeted, a \$1.5 million “turnover savings” amount is included in the General Fund’s Finance Department budget (explained in greater detail below). A review of the prior fiscal years indicates that actual expenditures for salary and benefits are never 100% of the adopted budget amount:

Actual Expenditures for Salary & Benefits as a % of Budgeted Expenditures	
Fiscal Year	
2013	94.52%
2014	94.70%
2015	99.95%
2016	99.06%
2017	99.22%
2018	97.29%
2019	98.20%

Salary and benefit actual to budget variances have ranged from approximately 2 to 5% over the last several years, primarily attributable to normal retirements and turnover. In essence, while a full year of salary is budgeted, when vacancies occur mid-year, savings are realized which are, at times, partially offset by payment to an employee for earned, but unused vacation at the time of retirement/separation. Savings from position vacancies during the course of the fiscal year are accounted for within the department budget. An estimated contra-expense (negative expense) is budgeted for annually in the Finance Department within the General Fund. Therefore, salaries and benefits are typically not over-appropriated when looking at budgeted General Fund expenditures in its entirety, assuming that the estimated contra expense is fairly accurate. However, it should be understood that unanticipated turnover and resulting vacancies can be rather difficult to predict.

Consistent with past practice, staff will seek Village Board authority in 2021 to “over-hire” for sworn staff when there is a known pending separation (retirement or resignation) of a sworn member of the Police or Fire Department and in situations of a long-term employee disability where said employee is not expected to return to work for an extended time period (labor law provides for an extended process for the employee to move to a disability retirement). The practice of seeking Board authority each year to “over-hire” for sworn staff reduces the use of sworn employees working excessive overtime in order to fill a “vacancy” and maintain minimum public safety staffing levels at the discretion of the Police/Fire Chiefs. This program was first approved in FY17 by the Village Board. This is an important strategy to meet the needs of the community for emergency responses.

The Village has a number of public services that are provided in the Village via contractors. While many are provided via a competitive bidding process (such as snow removal, building permit review/inspections or public infrastructure improvements) the Village has a class of contracts with various not-for-profit entities that are collectively referred to as “Partner Agencies” and others that are provided via Intergovernmental Cooperation Agreements supported via a contract for services which are captured within the General Fund. General Fund and CDBG expenditures for these

Partners are nearly \$1.5 million when the Downtown Oak Park SSA levy is excluded. While such partnerships serve an important purpose, the Village Board may want to review and discuss further these expenditures in the event on continued structural deficits during the pandemic and the anticipated recovery. In FY21, staff is recommending the following:

- Strengthening the funding agreements with the Village to ensure that any unexpended funding is returned to the Village and preclude funded used for alternate purposes during the one-year term of agreement.
- Eliminating salary/benefit increases for partners which receive a majority of funding from the Village (either for cost of living adjustments or merit tied to performance) consistent with Village staff.
- Limiting Visit Oak Park Funding to hotel/motel tax revenues received
- Eliminate the purchase of a piece of public art in 2021.

In closing, I would like to reiterate the important role played by all employees in the Village Manager's Office, the Finance Department, and each Department Director along with their respective staff for their dedication to Oak Park and their focus on identifying effective and efficient ways to deliver public services on a daily basis. As noted throughout this transmittal letter, FY21 budget recommendations take into account a number of considerations regarding the ongoing response to the COVID-19 pandemic; the related economic crisis; and the fiscal stability of the Village government.

Sincerely,

A handwritten signature in cursive script, appearing to read "Cara Pavlicek".

Cara Pavlicek  
Village Manager

## Introduction

### The Budget Adoption Process

The process for adoption and amendment of the Village of Oak Park budget, along with a calendar of the major dates and activities related to the development of the Village of Oak Park Budget is outlined in this section. Chapter 2 of the Village of Oak Park's Municipal Code establishes the foundation for the Municipal Budget. Excerpts from Chapter 2 follow:

- The Village's fiscal year is January 1 - December 31.
- The Board of Trustees must adopt the annual budget prior to the start of the Fiscal Year and passage of the annual budget shall be in lieu of passage of the appropriation ordinance.
- On or before the Village Board of Trustees' first regular meeting in November of each year, the Village Manager shall submit to the Board of Trustees an annual Municipal budget which contains estimates of revenues together with recommended expenditures in conformity with good fiscal management practice.
- The recommended budget presented by the Village Manager shall show the specific fund from which anticipated expenditures are charged.
- The annual budget may contain funds set aside for contingency purposes not to exceed ten percent (10%) of the total budget, commonly referred to as the Working Cash Fund.
- At least one public hearing shall be held by the Board of Trustees on the tentative annual budget prior to final action by the Board of Trustees. Copies of the tentative annual budget shall be made available for public inspection for at least ten (10) days prior to the hearing. After said hearing, the tentative budget may be further revised and passed without further notice, inspection or hearing.

### The Budget Amendment Process

Annually, following adoption of the Budget, it may be necessary for the Village Board to consider amendments to the Adopted Budget in response to unforeseen issues as follow:

- **§2-6-5 (F) Revision of Annual Budget:** The Municipal Budget Officer, subject to approval by the Village Manager, may delete, add to, or change items within object classes, provided the budget for the object class is not increased.
- The Municipal Budget Officer, subject to approval by the Village Manager, may delete, add to, or change items, up to an amount of three thousand dollars (\$3,000) between object classes, provided the total fund budget is not increased and the annual aggregate of such transfers does not exceed one percent (1%) of the total fund budget.
- The corporate authorities, by a vote of two-thirds ( $\frac{2}{3}$ ) of the members then holding office, shall have the authority to revise the budget by transferring monies from one fund to another or adding to any fund. No revision of the annual budget shall be made increasing the budget

in the event monies are not available to do so. (Ord. 1989-0-52, 7-5-89).

- Budget amendments will be compiled and submitted to the Board of Trustees for consideration in the month subsequent to each quarter end with the exception of the fourth quarter. Therefore, it is anticipated that a budget amendment will be included in Board agenda in the following months:
  - April (for quarter ended 3/31)
  - July (for quarter ended 6/30)
  - October (for quarter ended 9/30)
  - December (to adjust budget based on final year end projections)
- Should a requested budget amendment increase an account without an offsetting decrease in a different account, adequate revenue and/or reserves are required for an amended appropriated amount.

## Financial Policies

The following is a summary of the Village of Oak Park's financial policies related to the following areas:

- Accounting and Budgeting Methods
- Balanced Budget
- Fund Balance
- Debt Limits
- Purchasing Practices
- Investment Practices

**Accounting and Budgeting Methods** – The accounting and budgeting records for general governmental operations are maintained on the modified accrual basis of accounting. Under this method, revenues are recorded when available and measurable and expenditures are recorded when materials or services are received and the liability is incurred. Accounting and budgeting records for the Village's enterprise funds, internal services funds and pension trust funds are maintained on the accrual basis of accounting.

**Balanced Budget** – A balanced budget is defined as a Fund in which annual budgeted revenues either meet or exceed annual budgeted expenditures or expenses, without the necessity of utilizing reserves or fund balance as a revenue source.

**Fund Balance Policy** – Appropriate fund balance levels are necessary to respond to unexpected emergencies and annual cash flow requirements. For the General Fund, the objective is to have an on-hand unreserved fund balance between 10% and 20% of the current year's estimated operating expenditures. Since unreserved fund balance is often comprised of non-cash amounts, it is furthermore the goal that cash and investment comprise no less than 60% of the targeted unreserved fund balance under this policy. Thus, it is the policy that total General Fund cash and investment balances be in the range of 6% and 12% of annual operating expenditures. For example, if the General Fund has annual budgeted expenditures of \$50 million, the goal would be for the General Fund to have a net (after offsetting inter-fund receivables/payables) \$3 million to \$6 million in cash/investments.

**Debt Limit Policy** – Under the 1970 Illinois Constitution, there is no legal limit for home rule municipalities, of which Oak Park is, except as set by the General Assembly. Reasonable rules of financial management, however, do offer some guidance which is subject to Village Board policy. The Village does not currently have any formula driven debt limit, but looks to the market to determine its credit worthiness which, in part, takes various measures of debt into account.

**Purchasing Policy (subject to change pursuant to adoption of new policy)** – When the total cost of any contract made for supplies, equipment, repair work or personal services exceeds \$25,000, or the total cost of making any public improvement exceeds \$10,000, the expenditure must be authorized by the Board of Trustees.

**Additional policies on the bidding process** – When the total cost of a public work or improvement is expected to exceed \$10,000, or when the total cost of any supplies, equipment or repair work is expected to exceed \$25,000, a call for bids is to be formally advertised. Bidding in all instances may

be waived by a two-thirds vote of the Board of Trustees. In cases of urgently needed material or urgent repairs involving labor and material, repairs and material may be obtained through negotiated contract without formal advertising with the approval of the Village Manager, when it is in the best interest of the Village and when it is not practical to convene a meeting of the Board of Trustees. Negotiated purchases without formal advertising may be approved by the Board of Trustees when it is impractical to secure competition, impossible to draft adequate specifications or any other adequately detailed description of the required property or services, or when the contemplated contract involves maintenance, repair, alteration or inspection and the exact nature or amount of work to be done is not known. However, staff shall first obtain in writing, whenever possible, at least three informal bids for the work whenever possible.

## **Investment Policy**

**Pooling of Funds** – Except in certain restricted and special funds, the Village of Oak Park will consolidate cash balances from all funds to maximize investment earnings. Investment income will be allocated to the various funds based on their respective participation and in accordance with generally accepted accounting principles.

**Safety of Principal** – Investments shall be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio. The objective will be to mitigate credit risk and interest rate risk.

**Liquidity** – The investment portfolio shall remain sufficiently liquid to meet all operating requirements that may be reasonably anticipated. This is accomplished by structuring the portfolio so that securities mature concurrent with cash needs (static liquidity). Furthermore, since all possible cash demands cannot be anticipated, the portfolio should consist of securities with active secondary or resale markets (dynamic liquidity). A portion of the portfolio may be placed in money market mutual funds or local government investment pools that offer the same-day liquidity as for short-term funds.

**Rate of Return** – The investment portfolio shall be designed with the objective of attaining a market rate of return throughout budgetary and economic cycles, taking into Investment risk constraints and liquidity needs. Return on investment is of least importance compared to the safety and liquidity objectives. The core of investments is limited to relatively low-risk securities in anticipation of earning a fair return relative to the risk being assumed. Securities shall not be sold prior to maturity with the following exceptions:

- Declining credit security could be sold early to minimize loss of principal
- Security swap would improve the quality, yield or target duration in the portfolio
- Liquidity needs of the portfolio require that the security be sold.

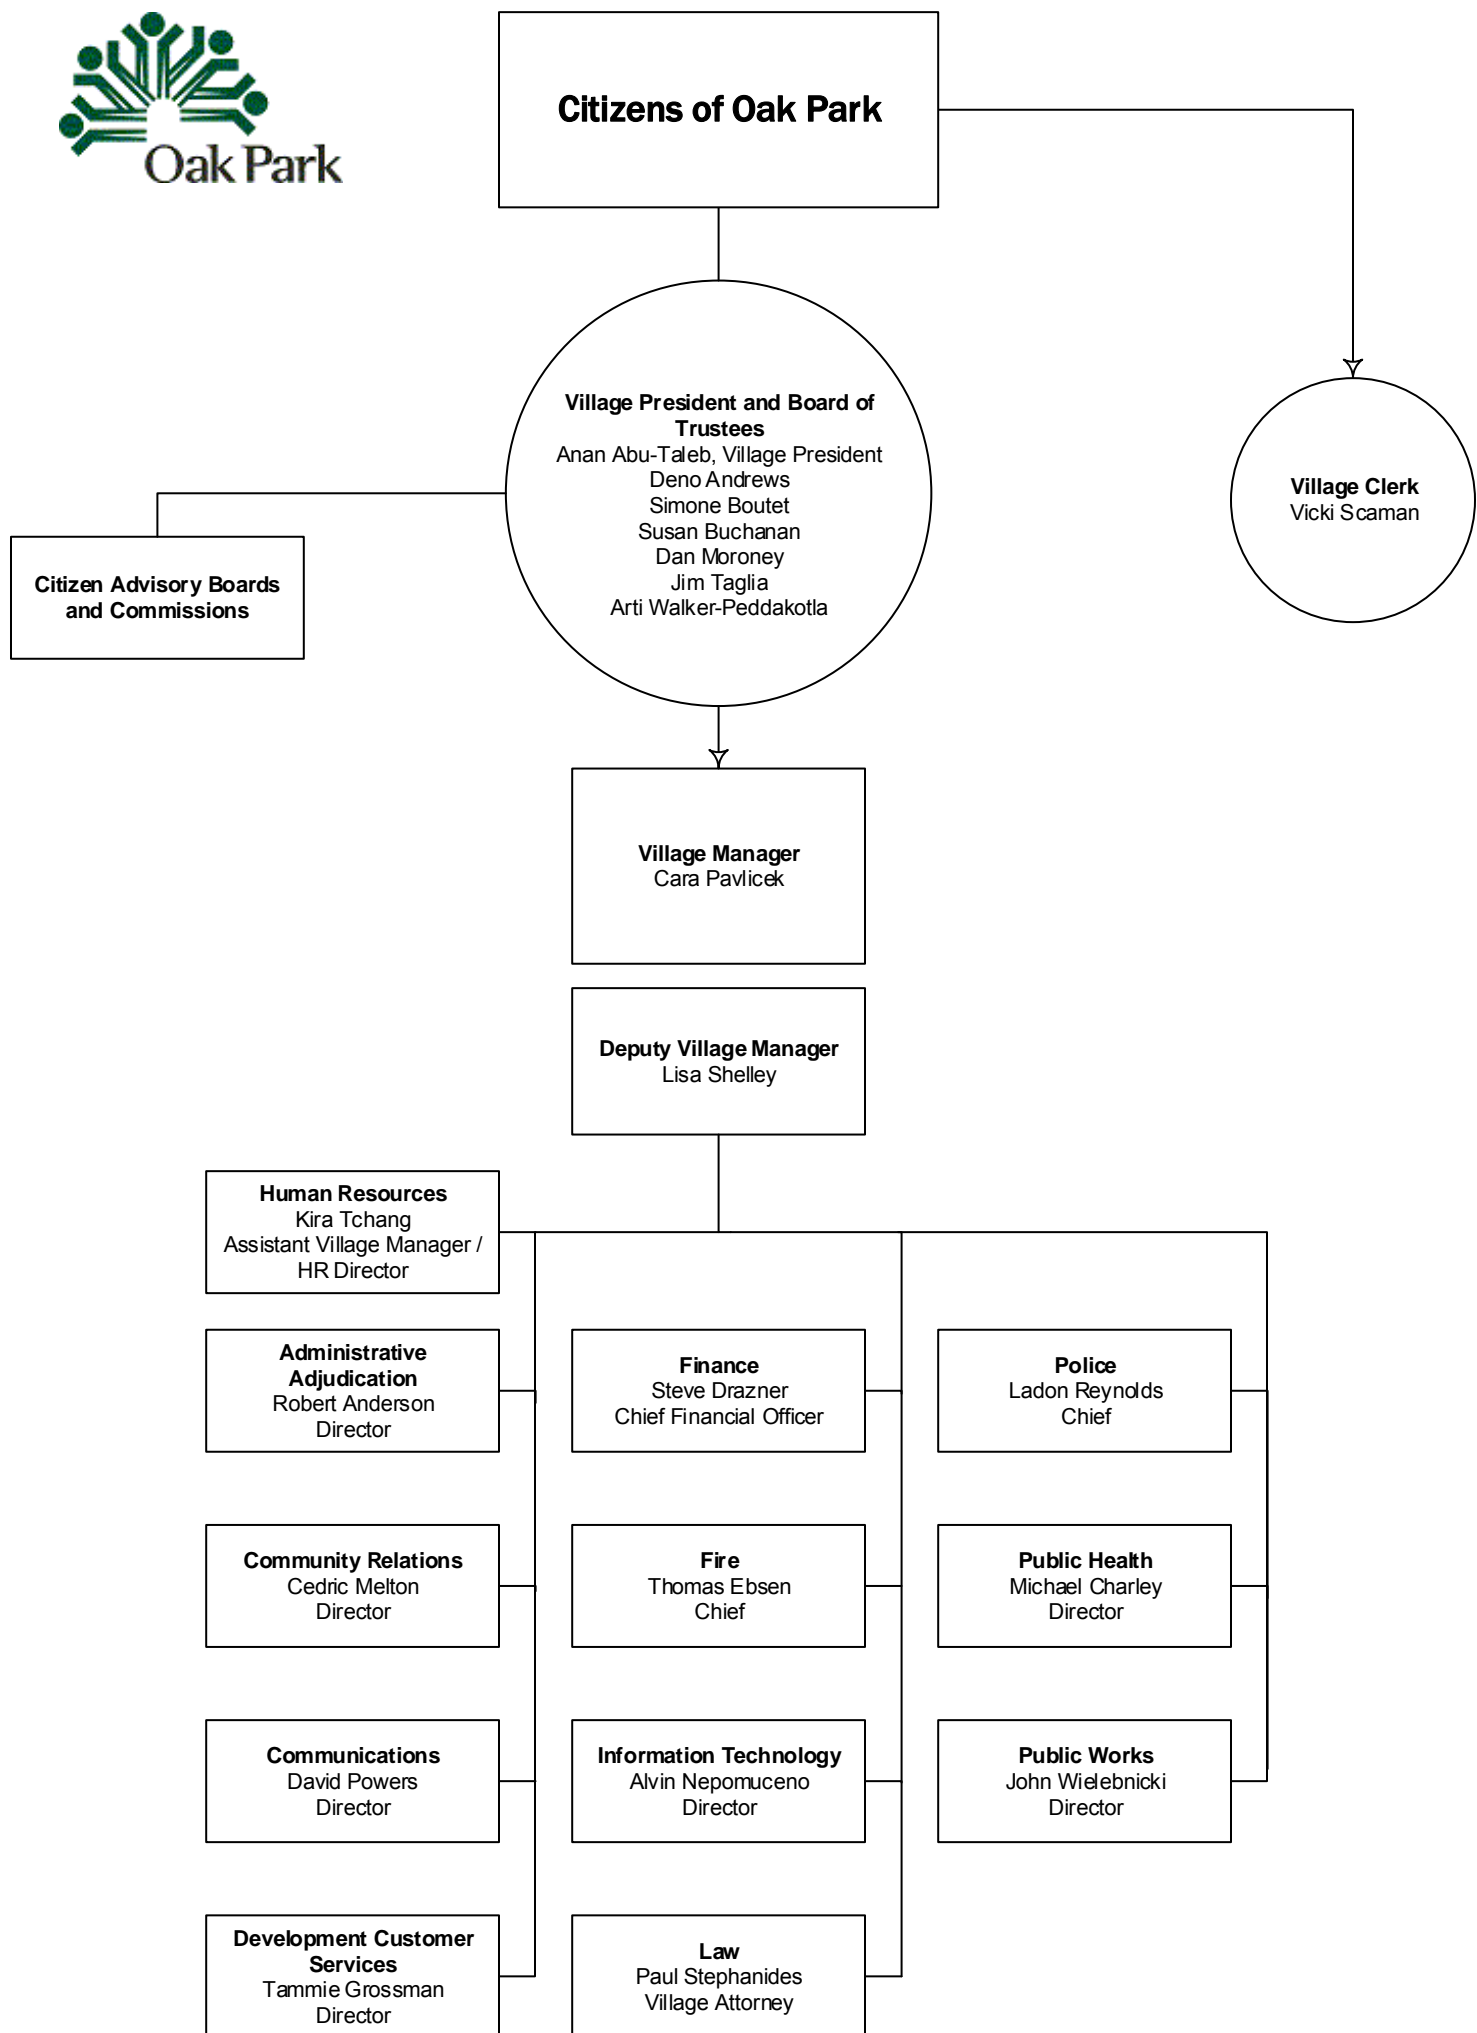

Consistent with Illinois Compiled Statutes 23 5/2, the following investments will be permitted by this policy:

- U.S. Government obligations, U.S. Government agency obligations and U.S. Government instrumentality obligations, which have a liquid market and a readily determinable market value

- Investment-grade obligations of state, provincial and local governments and public authorities
- Certificates of deposits and other evidences of deposit at financial institutions, bankers' acceptances and commercial paper, rated in the highest tier by a nationally recognized rating agency
- Money market mutual funds regulated by the SEC and whose portfolios consist only of domestic securities
- Local government investment pools, either state-administered or through joint powers, statutes or other intergovernmental agreement legislation.

In accordance with Illinois Compiled Statutes, collateralization of Public Deposits will be required on non-negotiable certificates of deposits.

- The Village of Oak Park will limit maximum final stated maturities to five (5) years unless specific authority is given to exceed or the investment is matched to a specific cash flow. To the extent possible, the Village will attempt to match its investments with anticipated cash flow requirements.
- Reserve funds and other funds with longer-term investment horizons may be invested in securities exceeding five (5) years if the maturity of such investments is made to coincide with the expected use of funds.

## **GENERAL FUND**

### **Overview**

The General Fund of the Village includes all the operating departments and general operating revenues which are not classified elsewhere. The following operating departments are budgeted in this Fund:

- Administrative Adjudication
- Administrative Services- Village Manager's Office
- Administrative Services- Communications
- Administrative Services- Human Resources
- Administrative Services- Law
- Community Relations
- Development Customer Services
- Finance
- Fire
- Public Health
- Information Technology
- Police
- Public Works
- Village Clerk's Office
- Village President & Board of Trustees

There are several revenue sources devoted to the General Fund in the following broad categories:

- Taxes
- Licenses & Permits
- Charges for Services
- Grants
- Fines
- Interfund Transfers-In
- Financing & Investment
- Other/Miscellaneous

## General Fund Revenues

General Fund Revenues are the taxes, fees, and charges that the Village assesses to provide services to its citizens. General Fund revenues are managed within the Village's General Fund, and are comprised of the following revenue categories:

- Tax revenues (e.g.- property taxes)
- Licenses, permits, and fees (e.g.- business licenses)
- Charges for services (e.g.- police reports)
- Grants
- Fines (e.g.- parking tickets)
- Other financing sources (transfer of resources from other funds)

The following table presents a summary of the Village's major General Fund taxes and revenues:

<u>General Fund Revenues</u>	<u>Description</u>
<b>Property Taxes</b>	Property tax revenues are the proceeds that the Village receives from assessing taxes on residential and commercial properties within the Village. Each year, the Village Board adopts a fixed levy that is used to fund operations, debt service, and Village contributions into the Police and Fire Pension funds. In order to collect the necessary amount, the County extends the levy by a set percentage beyond the Village's request to account for any potential loss in collections. This additional "loss" percentage varies from 3.0% -5.0%
<b>Liquor Taxes</b>	Liquor Tax Revenues are the revenues that the Village charges to vendors that sell liquor within the Village. The current Liquor Tax rate is 3% of the liquor purchase price. This is a locally administered tax.
<b>Natural Gas Use Tax</b>	The Natural Gas Use Tax is a tax that the Village charges to customers who purchase natural gas from outside the State of Illinois and assessed at 5.0 cents per therm. This tax is collected and remitted by NICOR.
<b>Sales Taxes</b>	<p>In the State of Illinois, there is a base 6.25 % Sales Tax on general merchandise. It is administered and collected by the Illinois Department of Revenue. One percent (1%) of this Sales Tax is distributed to the municipality where the sale occurred. This tax, officially referred to as the Retailer's Occupation Tax (ROT) is captured in the Village's General Fund and is used to support general Village operations.</p> <p>The Village also imposes a 1% Home Rule Occupation Tax (HROT). While approved locally, this tax is also administered and collected at the state level. This tax is dedicated to the Capital Improvement Project (CIP) Fund. Pursuant to State law, the HROT tax is not assessed on qualifying food, drugs, or registered property purchases (vehicles).</p>

<b>Real Estate Transfer Tax</b>	The Real Estate Transfer Tax (RETT) is a tax on the seller of property within the Village. The tax is assessed at \$8 for every \$1,000 of the sale or “transfer” price. For example, when a \$500,000 house is sold, the seller would pay a RETT of \$4,000 ( $\$500,000/\$1,000 = 500 \times \$8 = \$4,000$ ).
<b>Utility Taxes</b>	The Electricity Tax and the Natural Gas Tax. Both taxes are assessed based upon user consumption within the Village. The Electricity Tax is based on the number of kilowatt hours (kwh) consumed. The actual rate varies from a low of \$0.00202/kwh to a high of \$0.0033/kwh, based on usage. The Natural Gas Tax is assessed on natural gas purchased within State lines at a rate of 5.0%.
<b>Licenses and Permits</b>	The Village charges fees to individuals, businesses and other entities to acquire authorization and permission to conduct certain activities within the Village. These authorizations and permissions are extended in the form of licenses and permits. For example, the Village charges business licensing fees for entities that wish to conduct business within the Village. Individuals that wish to park in public spaces within the Village must acquire a parking permit.
<b>Intergovernmental Revenues</b>	Intergovernmental revenues are revenues that the Village receives from other government entities. Apart from other grants, the revenues that the Village receives from this revenue stream are primarily from the State of Illinois. Intergovernmental revenues typically take the form of grants, entitlements, shared revenues, or payments in lieu of taxes.
<b>Charges for Services</b>	The Village provides a number of services for which it charges fees directly to the service recipient. Such services include: drafting of police reports, ambulance services, animal adoption services, and environmental health services.
<b>Fines</b>	The Village charges fines and penalties to individuals and businesses when they become non-compliant with Village rules and regulations. Parking citations is an example of such a fine for which the Village charges a fee directly to the offender.

## General Fund Expenditures

General Fund Expenditures are the expenditures related to the performance of direct Village services, such as police, fire, public works and housing services. General fund expenditures also relate to the performance of administrative services such as finance, human resources, and information technology. General Fund Expenditures are managed within the Village's General Fund, and are comprised of the following expenditure types:

- Personal Services (e.g.- salaries and overtime)
- Fringe Benefits (e.g.- health insurance and pension contributions)
- Materials and Supplies (e.g.- printing and office supplies)
- Contractual Services (e.g.- vendor service contracts, Telecommunications)
- Capital Outlay (e.g.- infrastructure, Fleet Management)
- Granting Activities (e.g.- funding of community services via funds allocated from another agency)
- Transfers (e.g.- transfer of resources from other Village funds)

The following table presents a summary of the Village's major General Fund Expenditures:

<b><u>General Fund Expenditure Types</u></b>	<b><u>Description</u></b>
<b>Personal Services</b>	Personal Services expenditures are the expenditures for the compensation of Village staff to perform Village services and activities. Given the labor-intensive nature of Village services, personnel and benefits expenditures typically make up the largest proportion of general fund expenditures.
<b>Fringe Benefits</b>	Fringe Benefits expenditures are the expenditures for the insurance and pension support for which the Village provides its employees. Similarly to Personal Services, Fringe Benefits typically make up a large portion of general fund expenditures.
<b>Materials and Supplies</b>	Materials and Supplies expenditures are expenditures related to maintaining administrative operations within Village departments. These expenditures include costs such as printing costs, general maintenance and upkeep, telephones services and software support.

**Contractual Services**

Contractual Services are for specialized services that are provided to the Village by independent contractors/consultants. These expenditures are tracked separately from the Village's salary and benefit resources.

**Capital Outlay**

Capital Outlay expenditures are for the maintenance of Village physical and technical infrastructure.

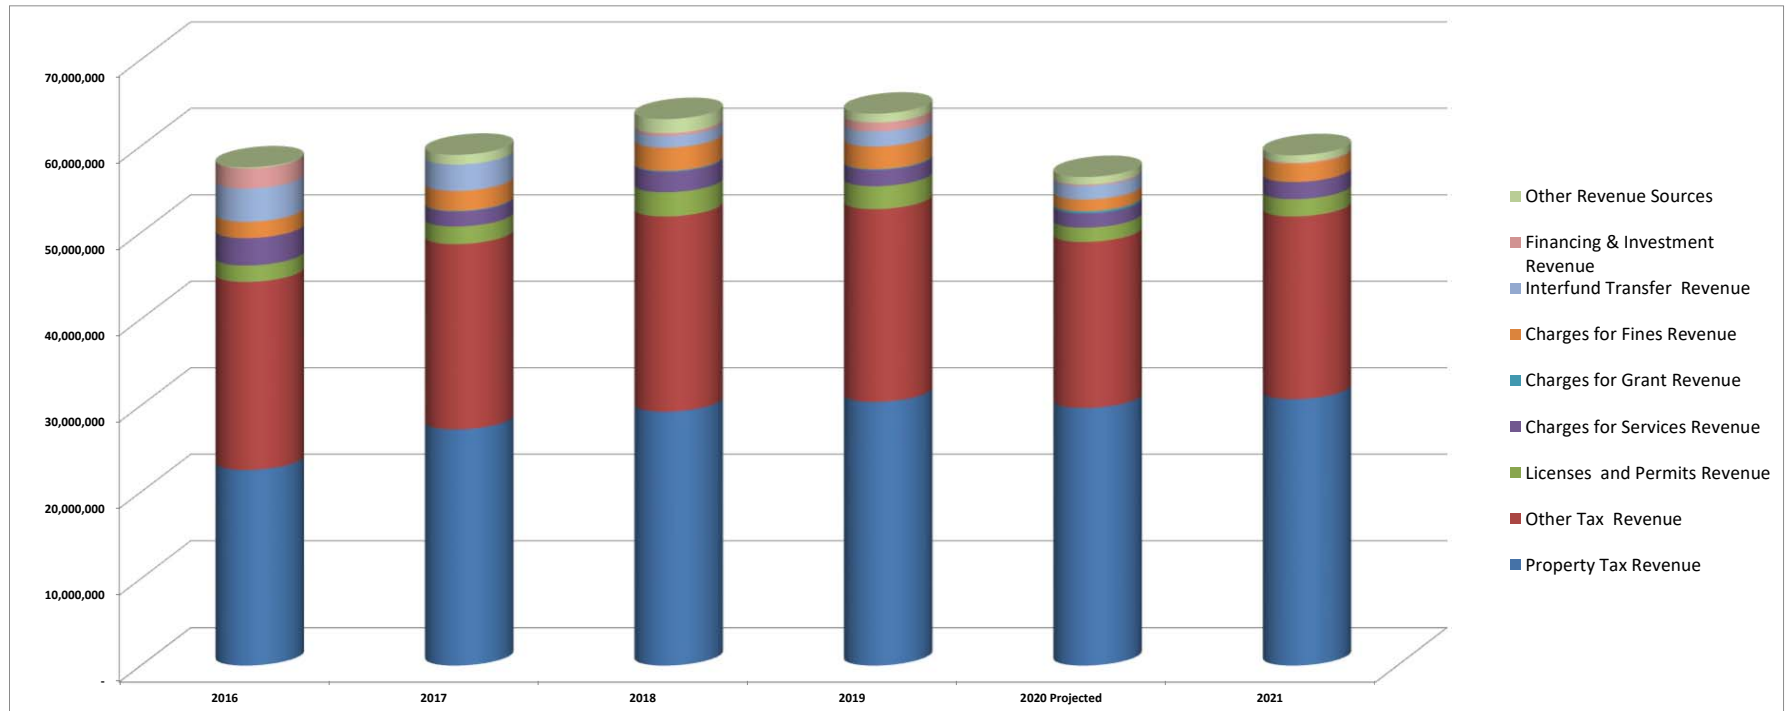

**Grants**

In some cases, the Village serves as a grantor of funds to local community service providers, who provide services to the community on behalf of the Village. Grants expenditures are associated with these types of activities.

**Transfers**

Transfer expenditures are the expenditures that are transferred from the General Fund to support service activities or other types of reimbursements.

## **ADJUDICATION**

### **EXECUTIVE OVERVIEW**

#### **DEPARTMENTAL SUMMARY**

The Office of Adjudication conducts administrative hearings for the Village of Oak Park, Illinois. The hearings are divided into two primary categories: Parking and Local Ordinance Violations. The citations adjudicated are issued by various departments in the Village including Police, Fire, Health, Public Works and Development Customer Services. The Office of Adjudication maintains the records of the hearings and transmits notices to individuals that have pending matters.

## 2020 ACCOMPLISHMENTS

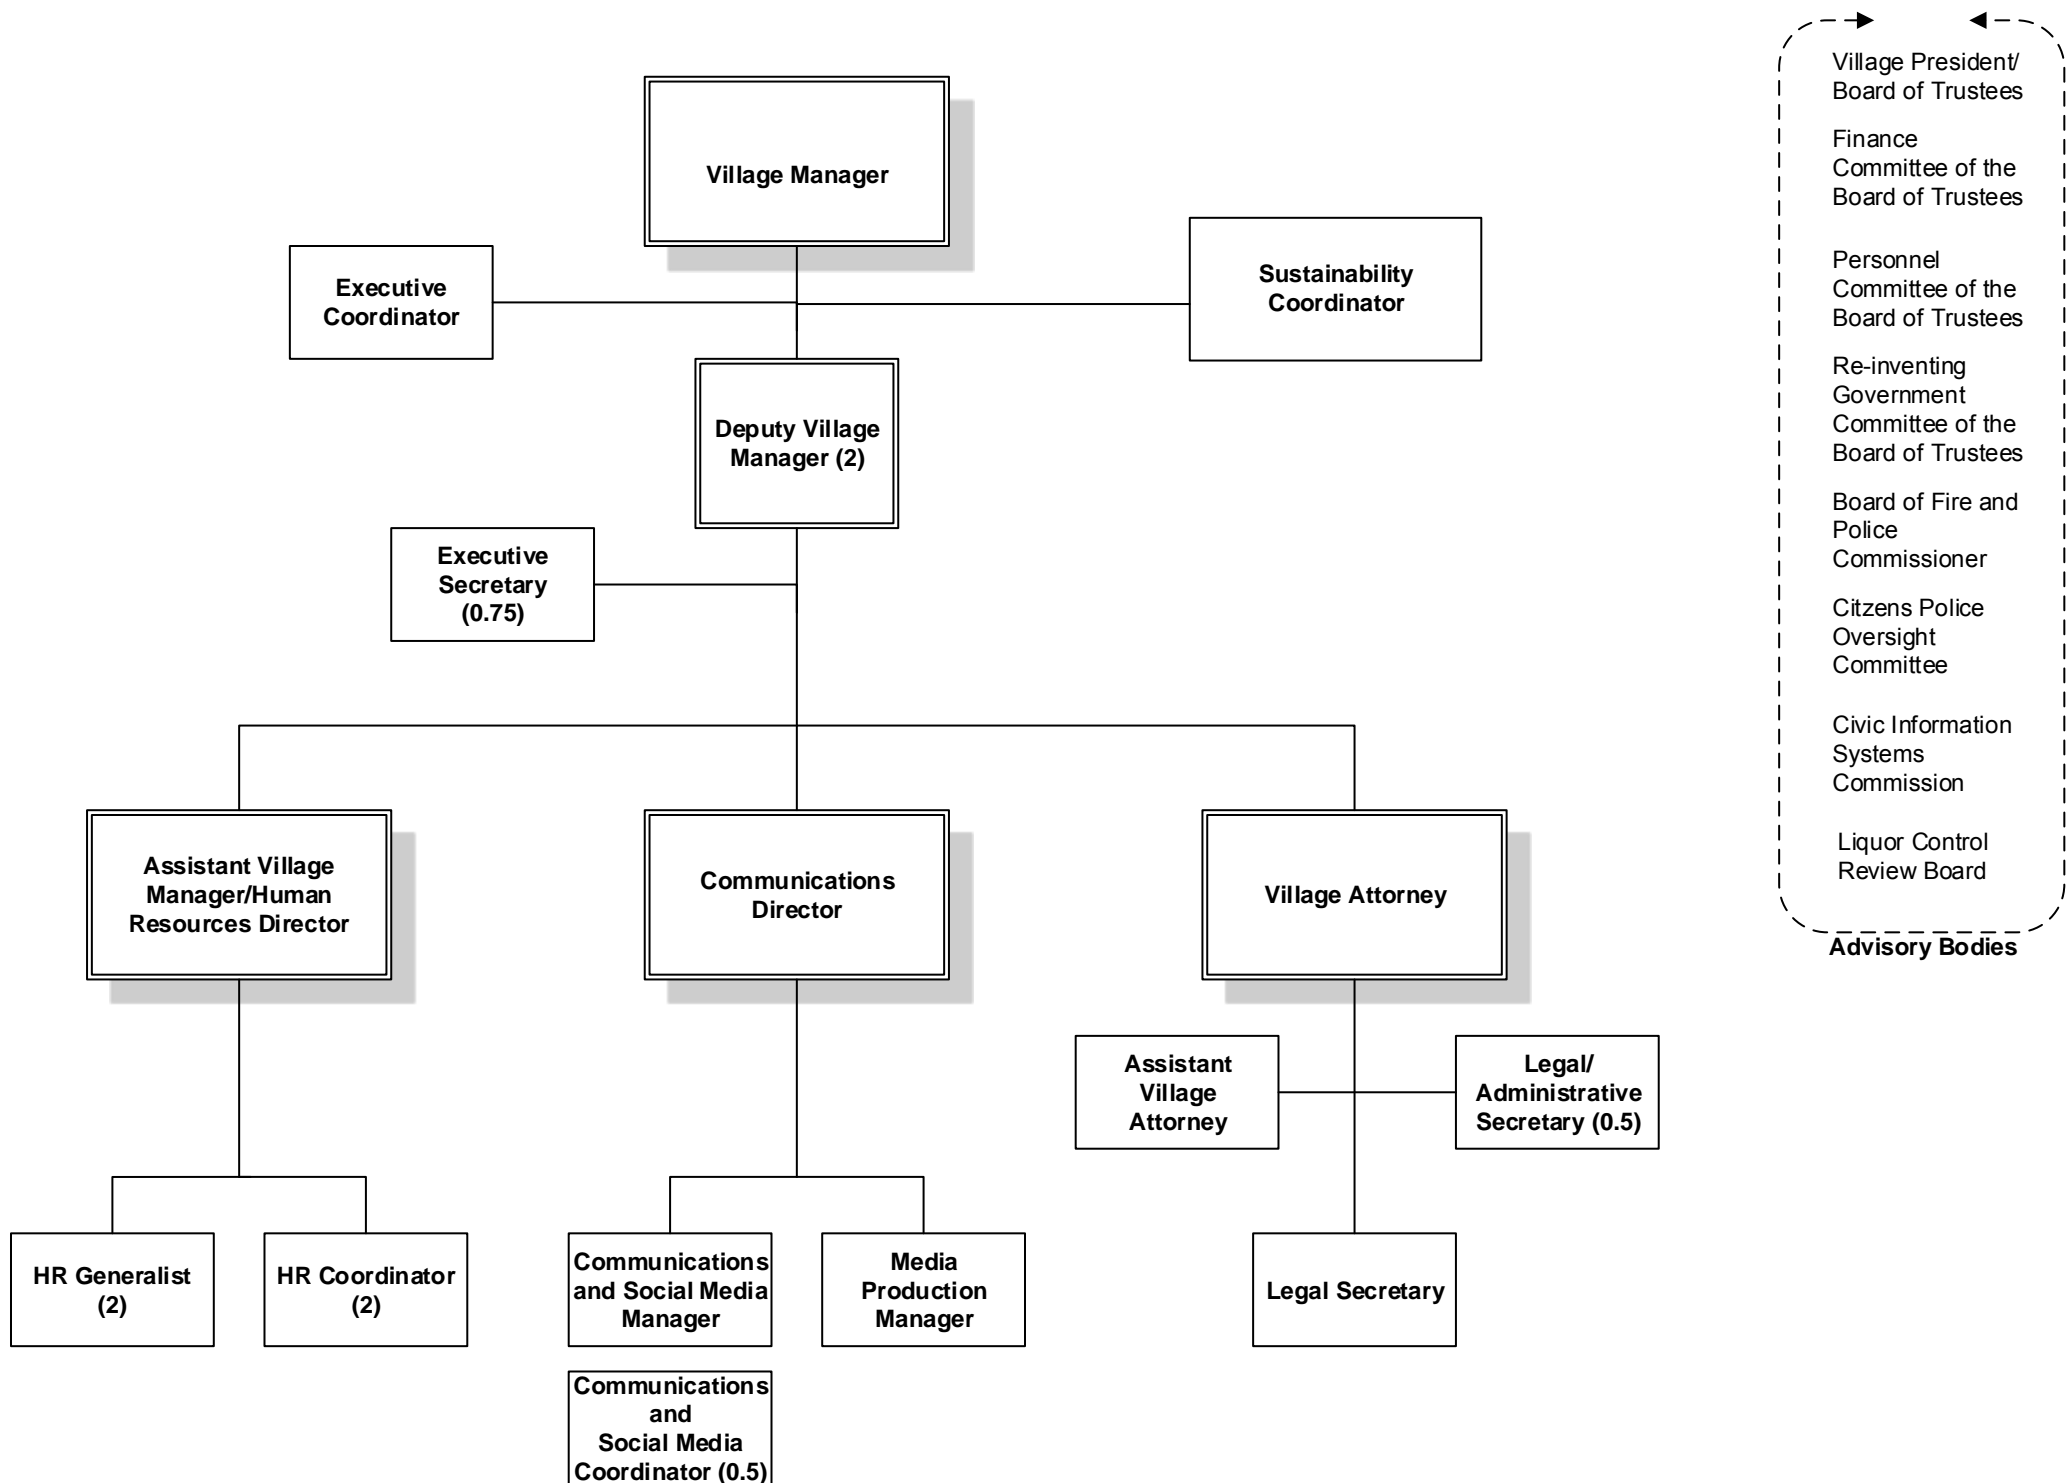

- Adjudication implemented a remote hearing process. The remote hearing process allows respondents, attorneys and witness to participate in hearings via an online portal or by telephone.
- Adjudication increased the number of unpaid citations submitted to the Illinois Comptroller's Tax Intercept Program known as IDROP. Eligible citations issued prior to January 1, 2018 were submitted to the Comptroller's Office. As a result, the Village has collected so far this year in excess of \$330,000.00 in previously delinquent fines.
- Adjudication has continued to make significant steps to improve customer service and is utilizing an online customer service survey to help identify high, mid, and low performance areas and implement appropriate improvements.
- Adjudication works with Oak Park Township Youth Services, The Community Mental Health Board of Oak Park Township, Rosecrance, Youth Outreach Services, Opportunity Knocks and other providers to deliver community service, substance education and other diversionary opportunities to youth respondents.
- Adjudication is working towards moving from the legacy code compliance/local ordinance system into CityView before the end of 2020.

## 2021 WORK PLAN

- Adjudication will continue to work toward the reduction of paper by having more matters conducted electronically. This includes encouraging online contests, remote hearings and online payments. Adjudication will increase the use of scanning to store documents as opposed to paper copies.
- In addition, Adjudication will continue to work to improve customer service without jeopardizing the legitimacy of the adjudication process. It is expected that further automation will make the process smoother and ideally eliminate the amount of paper that is used.
- Further, Adjudication will continue efforts to improve the services provided to youth that appear in Administrative Adjudication. Adjudication plans to continue working with providers such as the Oak Park Township Youth Services, Rosecrance, Youth Outreach Services and Opportunity Knocks to provide appropriate solutions for youth respondents.

## **VILLAGE MANAGER'S OFFICE EXECUTIVE OVERVIEW**

### **DEPARTMENTAL SUMMARY**

The Village Manager's Office is responsible for overseeing day-to-day operations of the Village. This is accomplished by the Village Manager, Deputy Village Manager, Sustainability Coordinator, Executive Coordinator in the office of the Village Manager and a part time Executive Secretary. There is also an Assistant Village Manager/Human Resources Director that serves over the Human Resource Department. The Village Manager's Office is responsible for overseeing the daily and long-term operations of the Village consisting of 13 departments in the Village, in addition the Department also provides staff support to the Mayor and Board of Trustees along with any Committees of the Village Board, manages the collection and review of board meeting agenda materials, manages the Village's Sustainability Office, manages negotiations for the Village's nine collective bargaining agreements, coordinates the staff liaisons to all of the Citizen Boards and Commissions. The Village Manager's Office also represents the Village on various intergovernmental boards such as those associated with the West Suburban Dispatch Center Board, Oak Park's Business Association Council, Oak Park Economic Development Corporation, the Early Childhood Collaboration Administrative Board, Friends of the Children Chicago Board, the Oak Park Management Council, the Oak Park Council of Governments, the GIS Consortium Board and the Stadium Neighbors Advisory Committee (OPRF Stadium Lights).

The Village Manager position is established pursuant to 65 Illinois Compiled Statutes 5/5-3-7 and the Village Manager shall be appointed by the Board of Trustees. The General Duties of the Village Manager are stated in §2-4-2 of the Municipal Code and note that the Village Manager shall be the chief administrative officer of the Village and exercise all powers and duties assigned to him or her by Statute and such other authority as may be granted by the Board of Trustees. The Manager shall be charged with hiring all employees, other than those under tenure of office laws (e.g. sworn police officers and sergeants, firefighters and lieutenants) and with the enforcement of all laws and ordinances within the municipality insofar as their enforcement is within the powers of the Village. The Manager shall attend all meetings of the Board of Trustees, shall keep the Board informed as to the affairs of the Village, and shall recommend to the Board such actions as may be necessary or expedient for the welfare of the Village.

Under the policy direction and leadership of the Mayor and Board of Trustees, the Village Manager's Office mission is to create excellence in local services via professional local government management, consistent with the following Guiding Principles and Values that inform or influence staff activities at all levels of the organization:

Communication: Sharing our knowledge, perspectives and information openly, regularly and clearly with citizens and each other

Customer Service: Understanding and providing for the needs of our customers in a prompt, courteous and caring manner

Diversity: Valuing, promoting and nurturing human diversity in staff, consultants and contractors

Fiscal Stewardship: Assuring the most cost-effective and efficient use of the public's money; earning and maintaining public trust

Integrity: Committed to the highest ideals of honor and integrity in all public and professional relationships

Learning Organization: Challenging ourselves to learn, grow and expand our professional and technical knowledge

Professional Management: Dedicated to consistent, accountable, equitable and effective management techniques and systems

Recognition: Appreciating the contributions of our most important resource: Village employees and those citizens who volunteer their time and expertise in service to the community

Team Work: Working collaboratively through personal initiative, professional accountability, mutual respect and trust

## 2020 ACCOMPLISHMENTS

During 2020, the Village Manager's Office has overseen the response strategy to three major events: the COVID-19 Pandemic, an economic crisis and civil unrest related to police reform.

### COVID -19 Pandemic

State of Illinois Governor JB Pritzker issued a disaster proclamation on March 9, 2020 due to the COVID-19 disease outbreak in the State of Illinois.

On March 11, 2020, the World Health Organization (WHO) declared the COVID-19 disease outbreak a worldwide global pandemic.

On March 13, 2020, the Village Board adopted Resolution 20-120 declaring an emergency affecting the public health due to the outbreak of the COVID-19 disease in the State of Illinois. On April 6, 2020, the Village Board adopted Resolution 20-124 and on April 27, 2020 the Village Board adopted Resolution 20-128 which extended the declaration through June 1, 2020. On July 27, 2020, the Village Board adopted Resolution 20-184 which declared an emergency affecting public health due to the ongoing outbreak of the COVID-19 disease through September 14, 2020.

On Sunday May 31, 2020, and again Monday June 1, and Tuesday, June 2, 2020, through action of the Mayor and subsequently authority of the Village Board, a curfew was instituted in the Village from 9 p.m. to 6 a.m. due to a local state of emergency and in response a high number of nightly criminal property damage at local businesses. Substantial graffiti also occurred on residential properties and cars during this time. The initial curfew was enacted pursuant to the authority vested in the office of the Village President of the Village of Oak Park ("Village") by Section 11-1-6 of the Illinois Municipal Code, 65 ILCS 5/11-1-6, and Section 11 of the Illinois Emergency Management Agency Act, 20 ILCS 3305/11 for May 21, 2020. On June 1, 2020, by Ordinance 20-047, the Village Board authorized the Village President to declare a local state of emergency to allow for a temporary curfew to be declared overnight as part of a declaration through June 8, 2020. The Village President/Mayor did so on both Monday June 1, and Tuesday, June 2, 2020.

A majority of public services were pivoted to remote deliver during the initial months of the pandemic with Village Hall remained closed to the public, with the exception of appoints from approximately March 16, 2020 through July 3, 2020. Communication and coordination with the collective bargaining units representing employees was done to facilitate changes in working conditions as the spread of COVID-19 quickly became a rapidly evolving situation/

In the succeeding months since the initial Village Board emergency declaration, the impact of requirements in both Oak Park and the State of Illinois for all but essential workers to “stay at home” in order to slow the spread of the disease, all meeting of the Village Board and citizen commissions have been held via remote participation with live audio available and optional video of the Village Officials. The meeting have also been streamed live and archived online for on-demand viewing at [www.oak-park.us/boardtvas](http://www.oak-park.us/boardtvas) authorized pursuant to Section 6 of Governor J.B. Pritzker's Executive Order 2020-07 as extended since March.

Additionally, to ensure operational response during a local emergency, the Village Manager, as provided for in the Village’s local emergency operating plan, activate the Emergency Operations Center at various levels throughout the pandemic order designated EOC staff members to report to the EOC. This action additional documented/preserved the right of the Village to seek reimbursement from the Federal Government for COVID-19 expenditures. For background, the Village Manager, or designee, determines the level of activation for the Emergency Operating Center using the following guidelines:

**Level 5 - Normal Conditions**

Day-to-day operations.

**Level 4 – Watch**

EOC Staff/Department heads are notified of the potential for opening the EOC.

**Level 3 - Partial Activation**

The activation of the EOC happens at the recommendation of the ESDA Coordinator or when an Incident Commander makes a formal request for the resources of other Village services (e.g. Damage Assessment Team, Evacuation, Shelter, etc., and/or multiple incidents are occurring in the Village that will impact Village services. Partial Activation may also take place when an incident spans two or more operational periods.

The Incident Commander(s) and the ESDA Coordinator will meet to make a decision if the incident level should be elevated.

Those IMT members needed to fill the request and the EOC support staff will report to the EOC. The Village President will be notified and the Village Manager and other IMT members will be called to the EOC.

## **Level 2 - Full Activation**

The Village Manager, or designee, will authorize a Level 1 EOC activation during a major catastrophe, accident, storm or terrorist attack.

Full activation of the EOC automatically occurs at the time the Incident Commander and the EOC Manager see a need for all of the Village resources, and mutual aid agreement are exhausted to mitigate the emergency. All IMT members will be notified and report to the EOC.

All Village Departments will follow their SOPs/SOGs for that incident under their Chief or Director.

If it is determined that a situation can be handled by the Village of Oak Park government, with the available usual mutual aid and County resources, the President should declare a State of Emergency. This declaration authorizes the activation of the Village of Oak Park Emergency Operation Plan, and authorizes the rendering of assistance by Cook County.

## **Level 1 - State, and Federal Response**

If the Village can no longer manage the incident with normal and mutual aid resources, a formal request for State or Federal resources is made by the ESDA Coordinator through the County and State EOCs. A declaration of "State of Disaster" will be initiated. This disaster declaration formally identifies that the situation is larger than the Village and Cook County can handle and IEMA and FEMA assistance is formally requested. This Disaster Declaration is forwarded to the Cook County Emergency Agency as soon as possible.

During the pandemic, the Village's Emergency Operations Center (EOC) functioned virtually within the National Incident Management System (NIMS) which provides a common, nationwide approach to enable the whole community to work together to manage all threats and hazards. Under the Federal Emergency Management Agency (FEMA) NIMS applies to all incidents, regardless of cause, size, location, or complexity.

Since June 29, 2020, the EOC is currently has been maintained at a Level 4 –Watch.

Throughout the pandemic response, the Village has coordinate meetings, weekly, monthly and bi-monthly based upon conditions of both the Management Council and Council of Governments (COG) as part of the continuing dialogue amongst the local appointed and elected leadership in the taxing bodies in Oak Park, River Forest and Forest Park.

In addition, the Village Manager recommended various changes to maintain the vital services of the Farmers Market and the need to provide access to healthy food sources during the pandemic as outlined by the Village’s Public Health Director. This included both reorganizing the general procedures and ensuring public health orders were followed for this service as well as reassigning various village employees to assist the Farmers Market Commission in order to manage all the new regulations required due to the pandemic.

#### Review of Policing in Oak Park

2020 brought forth national and local attention to civil unrest related to police reform and Oak Park took measures also related to a review of policing in Oak Park. At the June 22, 2020 Village Board Meeting, the Village Manager assigned Assistant Village Attorney Rasheda Jackson as the internal staff lead and tasked with the administrative responsibilities for managing the review of Oak Park’s police use of force policies as well as coordinator of community forums on policing in Oak Park.

Two community conversations were held thus far at the time of this publication, to listen and hear from the public about their experiences and perception to Oak Park policing. The Village Board also authorized a release of a Request for Proposals (RFP) for a third party to review various aspects of policing in Oak Park.

#### Racial Equity Training

In 2020 another priority was to fulfill one of the Village Board’s goals of providing equity training to the Village Board and staff. The Assistant Village Administrator/Human Resources Director recommended an organization to the Village Board to begin this process. By the time of the publication, training for the Village Board and Commission Chairs was completed and training for staff was underway.

#### Sustainability

Although access to information was delayed during the pandemic, the Sustainability Coordinator continued to work with the Village’s AmeriCorp Sustainability Fellow to

collect information and data needed for the Village to complete a Green House Gas Inventory. The Sustainability Fellow at the time of this publication completed her report.

## **2021 WORK PLAN**

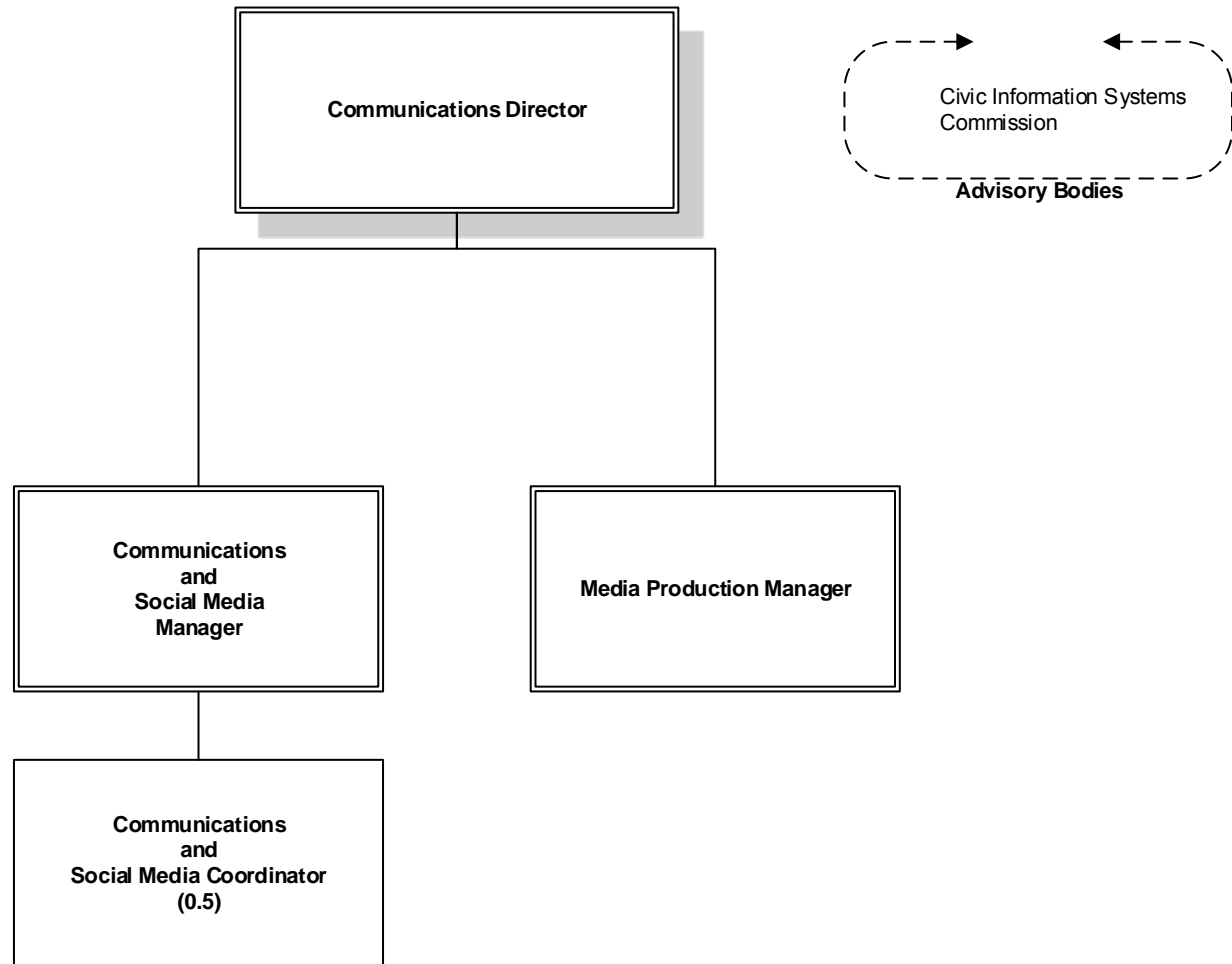

Subject to the duration and extent of the pandemic in 2021, the Village Manager's Office work will continue to focus on overseeing the response strategy to three major events: the COVID-19 Pandemic, an economic crisis and civil unrest related to police reform.

In addition, the VMO will implement the policy directives contained in the FY21 adopted budget and 2021 Village Board Goals as well as continue to:

- Organize leadership training for employees, with a focus on race equity and proceed with a Racial Equity Assessment.
- Implement a work plan for sustainability initiatives under the oversight of the Department's Sustainability Coordinator and finalize the Village Board's policy direction for projects recommended for use by the Sustainability Fund to include a roadmap of the Board's goal of reaching 50% renewable energy by 2030.
- Continue with the recommendation to the Village Board to address public safety, employee safety and physical building hazards including inefficiencies in the existing police department and options for a new or remodeled police station.
- Gather information about the SMART city initiatives being introduced in communities

## COMMUNICATIONS

### EXECUTIVE OVERVIEW

#### DEPARTMENTAL SUMMARY

The Communications Department manages both external and internal communications, informing the public about municipal government programs, services and activities, and providing employees with information relevant to their duties and responsibilities. Department staff uses a wide range of proven public information tools, including print, electronic and broadcast/streaming media to carry out its mission. Tasks performed by Communication staff include the following:

- Write, design, produce and manage informational messages for the full range of communication tools, including online, broadcast and print.
- Manage the public website, [oak-park.us](http://oak-park.us), and the employee intranet website
- Manage social media communications tools for the Village, Police Department and Fire Department including [Facebook](#), [Twitter](#), [YouTube](#), [Linked-In](#), [Pinterest](#) and [Instagram](#).
- Publish [enews](#), an ongoing subscription-based, direct electronic news information dissemination tool with nearly 5,000 subscribers.
- Produce publications such as brochures, booklets, flyers, signs, the *OP/FYI* community newsletter and quarterly *Employee News*.
- Manage news media relations, including issuing news releases and event advisories, answering inquiries from reporters and supervising crisis communications and response.
- Operate the Village's government access cable television station VOP-TV, producing original video programming as well as live broadcasting and online streaming of meetings of the Village Board and citizen commissions.
- Serve as in-house editors and writers of a wide range of public messages created by other departments and volunteer bodies.
- Design and produce all forms and documents necessary for conducting business with the Village, including employee business cards, various forms and signs.
- Provide video and photographic services for all departments, including training films, audio-visual support and photographs for employee identification badges and employee website.

- Provide support to the Village Manager's Office assembling and disseminating agenda materials for Village Board meetings via Granicus Legistar, MediaManager and LiveManager modules as part of the online public policy transparency suite that includes streaming and archiving meetings online in a searchable database.

## 2020 ACCOMPLISHMENTS

The current fiscal year has been dominated by the worldwide COVID-19 coronavirus pandemic that has required staff to operate in an ongoing crisis response and preparedness mode. Communications staff has been working from home on call seven days a week disseminating important public health updates and responding to residents' many questions about how both state and local directions apply to specific situations.

Among the fiscal year's accomplishments related to the pandemic are the following:

- Created an [online archive of all COVID-19-related information](#), including regular case bulletins, reports to the Village Board, case data and links to a wide range of local, state and federal resources.
- Published 164 COVID-19-related news items through August, posting online and distributing via enews and other communications platforms, adding nearly 1,000 new enews subscribers in the first half of 2020.
- Posted to the website 117 local public health bulletins, 117 Village Manager reports, 32 local, state and federal orders and guidelines, and more than 50 documents and links targeted to specific groups, including businesses (through August).
- Created charts from local public health data to help present the impact of COVID-19 on the community in a visual context. Since introduced in April, charts have been updated weekly with the latest data.
- Designed scores of signs, posters and flyers to disseminate local information related to COVID-19. Every sign at Village Hall and the Farmers' Market were designed by the Communications Department, as well as many of the signs displayed by local merchants.
- Added a combined 2,400 new Facebook followers on the Village, Police and Fire Department Facebook pages during the first half of 2020, a 16-percent increase in total audience on Facebook that has grown to more than 16,900 followers across the three pages.
- Posted nearly 700 messages across the Village, Police and Fire Facebook pages during the first half of the year.
- Averaged more than 3,250 users reached per post on the Village Facebook page, which has the largest following of the three pages.
- Increased engagement across all three Facebook pages, with each post averaging more than 190 engaged users who like, comment, share or click on the Village's posts.
- Tweeted nearly 800 messages through first half of 2020 via the Village and Police Twitter accounts, averaging 1,954 impressions per tweet and 83 engagements

(retweets, likes, URL clicks) per tweet.

- Doubled Twitter impressions and increased engagements six fold as compared to the first half of 2019. The Village and Police Twitter accounts have combined to add more than 1,900 followers, a 25 percent increase in the first half of the year.
- Added nearly 1,600 Instagram followers in the first half of 2020, a 50-percent increase to what is now more than 5,000 followers. Created 132 Instagram posts in the first half of the year, averaging 89 likes per post.
- Generated nearly 600 quality engagements across all social media platforms during the first months of the year in which Village staff directly fielded a question or complaint from a social media user and provided a timely response. This is more than double the number of quality engagements generated in the first half of 2019, reflecting the sharp increase in social media inquiries in the midst of the COVID-19 pandemic.
- Updated the employee website daily with Village Manager reports during Level 2 EOC operations and continue to update several times a week to keep employees informed with the latest information.
- Researched and tested various online meeting platforms in preparation to conduct large community meetings economically and efficiently.
- Started a monthly Police newsletter to provide timely and seasonal public safety information. More than 1,500 accounts have signed up to receive the month emails.
- Produced multiple community awareness videos, including about safety measures and business services available during the pandemic such as restaurant carry out services and other economic support.
- Configured and managed a system to allow the Village Board and citizen commissions to meet remotely, while meeting Illinois Open Meetings requirements of streaming on the Village website and cablecasting on VOP-TV.
- Provided technical support to the Adjudication Department as it moved hearings to a server-based system for video storage and later was a key element in its ability to host remote hearings.

## 2021 WORK PLAN

The 2021 fiscal year poses unanticipated challenges that will require communication strategies to reflect the priorities set by the Village Board in terms for program support. Priorities may require delays in the department's long-range goals of improving technology, staff training and facilities updates. Communications efforts are driven by staff knowledge, experience and skillsets. All staff members are formally trained communicators who can pivot as messages are driven by management and community needs. Among the broader, further reaching activities to consider in 2021 are the following:

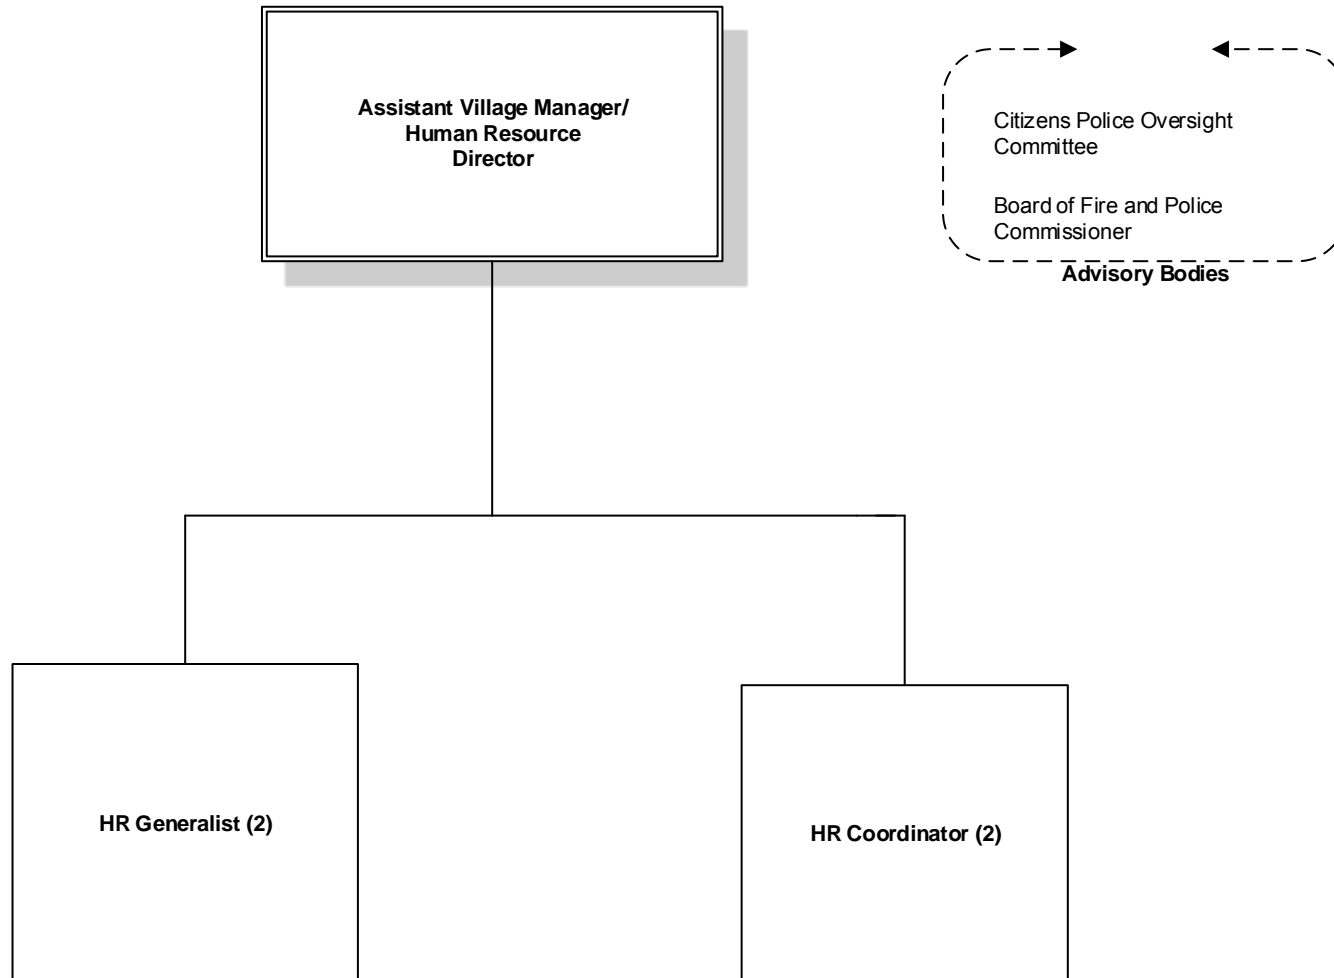

- **Determine next steps for Village website.** The pending demise of the current Drupal 7 content management system (CMS) had initially forced a need in 2020 for an update. However, issues with the national Drupal 8 rollout provided an additional 12 – 18 month window. The decision now is whether to pursue a completely new website at an expense of about \$50,000 or update to Drupal 9, modernize the look of the landing page and implement a more robust search feature at an expense of about \$20,000.
- **Reestablish production schedule for OP/FYI newsletter.** Typically, published six times each year, the newsletter was put on hold following the January/February newsletter as the Village moved into lockdown. The speed at which information was changing made a printed newsletter impossible given the advance timeliness necessary for production and distribution. However, the newsletter consistently outperforms all other communications tools when residents are asked in the biannual survey where they get their information about Village programs and services. The OP/FYI newsletter, which is distributed to every residential address in the Village, even outperforms the local newspapers, according to respondents. The cost to produce and distribute the newsletter is relatively high in relation to other communication tools, but its reach is unparalleled.
- **Update equipment needed for remote management of Village communications infrastructure.** While Village operations as a whole quickly set up remote activities, the Communications Department had to rely heavily on personal equipment to meet the demands of the software necessary to manage websites, produce creative materials and manage remote meetings. More attention needs to be given to how communications operations and technical needs exceed those of most other municipal programs.
- **Update software necessary to the content creation and production.** Communications staff relies on the Adobe Creative Suite for much of its activities, especially those that require visuals. However, current versions are years behind later versions. Updates anticipated in 2020 have been requested for 2021.
- **Train staff to better use later versions of creative software.** With new versions of software come training needs. While some staff likely have the skills to use

later versions, new staff that have not had experience of basic versions will need training.

- **Continue to improve Village audio/visual capacity of VOP-TV.** The Communications Department has been gradually replacing much of the aging equipment that allows for recording, streaming and cablecasting of public meetings. This work needs to continue even if in-person meetings return to Village Hall. Some of the basic infrastructure is nearly 30 years old.
- **Investigate and implement where feasible platforms that will allow for multiple simultaneous recording, streaming and cablecasting of public meetings.** Current equipment configurations are limited to one meeting being streamed and cablecast. A second in-person meeting can be recorded for later online archiving. A goal of 2021 will be to determine the cost and support needed to expand this capability.
- **Continue to monitor marketplace for new platforms for message dissemination tools.** The Communications Department uses all relevant platforms for message dissemination generally available. But the need to monitor an ever-changing communications landscape will always exist. Expanding the use of social media paid advertising is one example of an option that may help the communications department reach a larger share of its target audiences.

## HUMAN RESOURCES

### EXECUTIVE OVERVIEW

#### DEPARTMENTAL SUMMARY

The Human Resources department serves as an internal service provider and consultant to all departments via highly complex administrative support of the Village Manager, Department Directors and all staff. Human Resources manages and supports a wide variety of processes and procedures related to employee recruitment and retention, health and welfare benefits administration, employment law compliance, employee compensation, records maintenance, leave management, staff training and development, employee/labor relations, and retirement plan administration.

Services are provided through the following programs:

- **General Administration** – Maintaining accurate employment and benefit records.
- **Labor Relations** – Assisting in the negotiation and administration of nine collective bargaining agreements and administering the Personnel Manual to ensure that contractual terms and conditions of employment and general Village policies are applied in a fair and equitable manner.
- **Benefits Administration** - Providing and administering a comprehensive employee benefits program that is cost effective while also considered by employees as having value in terms of their total compensation from the Village.
- **Employment** – Being recognized as an employer of choice through an effective talent management program that includes applicant management, on-boarding, performance management, learning management and recognition and rewards (including compensation) management.
- **Training** – Creating and sustaining a learning environment to communicate Village Guiding Principles and Values, enhance employee engagement through opportunities for personal and professional growth, and evaluate and affirm that programs and services are aligned to Village Board priorities and strategic objectives in a cost-effective manner.

## 2020 ACCOMPLISHMENTS

### 1. Supported the workforce in responding to the COVID-19 Pandemic

- Designed, negotiated and implemented discrete work groups for Village Hall and Public Works Center staff with a focus on employee safety, customer service and operational redundancy.
- Developed and implemented COVID-19 related administrative programs, policies and procedures to mitigate employee risk in the workplace. This includes policies and procedures governing remote/flexible work arrangements, cloth mask usage, quarantine, COVID-related leaves, and temperature screens for staff.
- Tracked and monitored Village employees' COVID-19 positive diagnoses and managed the Village's internal contact tracing and quarantining program.
- Designed and implemented a special enrollment and matching program for Dependent Care Flexible Spending Accounts in response to COVID-19-related remote school re-openings and childcare closures.
- Provided Emergency Operation Center (EOC) support in the form of Safety Officer, Assistant Safety Officer and Procurement Unit Leader staffing.

### 2. Continued the focus on improved employee relations:

- Served on the negotiation team for all Collective Bargaining Agreements up in 2020 including FOP Sergeants, SEIU Water & Sewer, FOP Community Service Officers, FOP Patrol Officers and IAFF.
- Maintained positive and productive working relationships with union stewards and business representatives in response to significant workplace changes related to COVID-19, including successful and timely negotiation of Memorandums of Agreement with all unions.
- Implemented regular HR-specific communication to all employees in the form of "The Resource," sharing employee new hires, promotions/transfers, vacancies and wellness tips.

### 3. Accelerated the Digital Business Transformation

- Designed and implemented a seamless and paperless signatory process for status sheets, job requisitions and other forms using AdobeSign and the HRsupport distribution list.
- Utilized PowerDMS for the purpose of training, tracking and monitoring employee engagement with Village policies and procedures.
- Increased visibility and usage of Kronos self-service functionality, particularly related to timekeeping and remote work.

### 4. Continued to focus on Workforce Training and Development

- Successfully implemented cross-training program for Customer Service Representatives working in Public Works, Building Permits and Parking to expand employee skillset and better provide inter-department staffing and support.
- Conducted mandatory Anti-Harassment training remotely for all employees during the COVID-19 pandemic utilizing PowerDMS.
- Conducted Racial Equity Training for Board Members, select Commissioners, and all Village employees.

### 5. Monitored and stabilized leave and occupational health programs:

- Administered complex federal Families First Coronavirus Response Act (FFCRA) Leave programs for employees who were impacted by COVID-19 diagnosis for self or family or employees whose childcare was impacted by COVID-19-related closures.

- Successfully negotiated flat renewals with the Village's third-party workers compensation administrator (PMA) and the Village's occupational health provider (Concentra).
- Continued to settle outstanding workers compensation claims with over \$300,000 in closed settlements to date.
- Managed a light duty program where applicable and to return employees to the workplace as appropriate to their injury.

**6. Oversaw and supported Village-wide benefit and wellness program**

- Partnered with Health Department to support the Employee Wellness Team.
- Leveraged existing Employee Assistance Program to provide support and training opportunities related to health and wellness to all staff.
- Managed employee benefits program including major medical, dental, vision and medical and dependent care flexible spending account programs.
- Introduced flexible workplace benefits including prepaid legal, accident, critical illness and hospital indemnity insurance.
- Implemented telehealth benefits available to all staff during the COVID-19 pandemic.

**7. Continued support of external committees:**

- Served as staff liaison to Fire and Police Commissioners and oversaw the timely creation of four (4) eligibility lists related to the hiring and promotion of sworn employees in Police and Fire including Entry Level Police Officer, Police Sergeant, Entry Level Firefighter/Paramedic and Fire Lieutenant and the subsequent hiring and promotion of 4 Entry Level Police Officers, 3 Police Sergeants, 2 Entry Level Firefighter Paramedics, 2 Lieutenants and 2 Battalion Chiefs.
- Supported the Citizen Police Oversight Committee as staff liaison, transitioned to remote meetings during the COVID-19 pandemic, successfully provided reporting to the Board of Trustees for the first time in several years and joined the National Association for Civilian Oversight of Law Enforcement (NACOLE)

## **2021 WORK PLAN**

### **1. Continued workforce support in responding to the COVID-19 Pandemic**

- Explore creative staffing opportunities within the workforce to provide full services to the community in an efficient and flexible manner.
- Ensure ongoing COVID-19 mitigation within the workplace as the pandemic necessitates.

### **2. Improve Recruitment and Retention Processes**

- Recruit a multi-level diverse workforce that meets the Villages' organizational needs with increased use of technology and social media.
- Continue developing flexible workplace policies and strategies to assist recruitment efforts in the changing marketplace.
- Continue creating more Training & Development opportunities for existing employees.
- Develop a digital onboarding process.
- Develop a digital off-boarding process.
- Introduce Kronos Applicant Tracking System.

### **3. Support the Village's racial equity work both broadly and as it specifically relates to HR**

- Conduct an equity audit related to job descriptions to ensure minimum job requirements and qualifications utilize a Diversity Equity and Inclusion Focus.
- Provide guidance and training specific to hiring managers and interview teams, to ensure equity is built into the hiring process.
- Support the Village Equity Team in sustaining and advancing the Village's racial equity commitment

### **4. Continued emphasis on Employee Wellness**

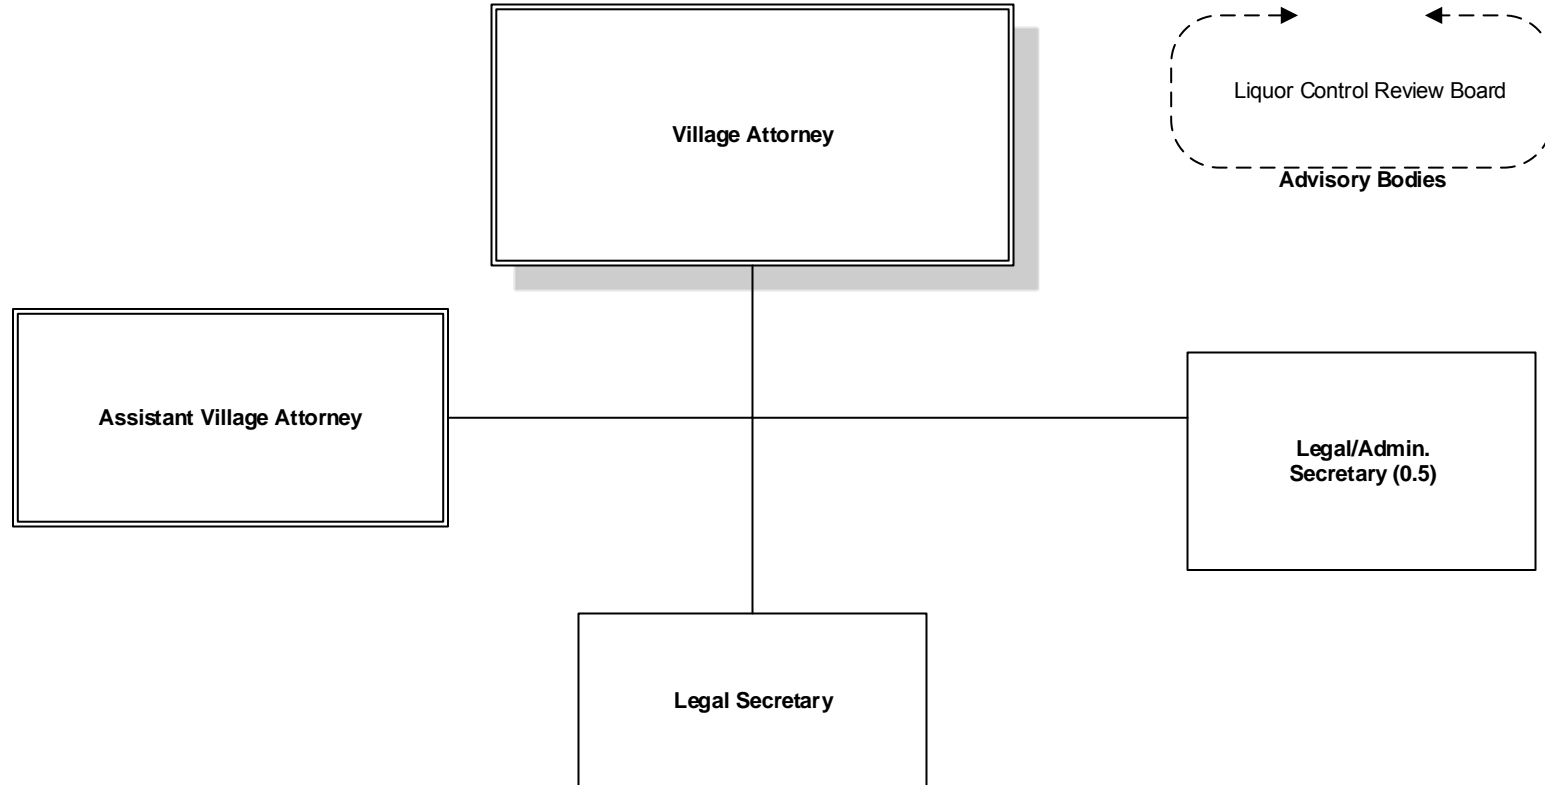

- Review benefits programs to find cost efficiencies or new benefit opportunities such as introducing a High Deductible Health Plan and Health Savings Account.
- Develop activities that will result in employee engagement, promote a healthier lifestyle, create more unity among the workforce.
- Leverage the Employee Wellness Team to promote ways to assist in decreased medical costs and increased work life balance.

### **5. Continue to support Committees and Commissions**

- Continue to work with the Fire & Police Commission on hiring entry level employees and internal promotions, adapt new rules for the entry level Fire Department employees
- Continue support of the Citizen Police Oversight Committee

## **LEGAL**

### **EXECUTIVE OVERVIEW**

#### **DEPARTMENTAL SUMMARY**

It is the mission of the Law Department to provide effective legal services to the Village Board, the Village Manager, Boards and Commissions and Village staff.

The Law Department is responsible for all legal matters concerning the Village of Oak Park. Such matters include the following: advice and counsel, the prosecution and defense of civil litigation, workers' compensation claims and other contested matters, real estate, land use and zoning matters, transactional matters, development agreements, the drafting of ordinances, resolutions, contracts, policies, memorandums and other documents, the enforcement of the Village Code and Village ordinances, traffic court prosecutions, collections, document review, procurement of the Village's excess insurance policies and property and casualty policy, provide legal support for Freedom of Information Act requests, and various other matters as they arise. The Law Department consists of the Village Attorney, Assistant Village Attorney, Legal Secretary and a part-time Secretary.

## **2020 ACCOMPLISHMENTS**

Significant accomplishments include a reduction in pending civil litigation and workers' compensation cases pursuant to dismissals or settlements reached during the year, managing the Village's legal work due to the COVID-19 disease outbreak in the State of Illinois, including the drafting of contracts, numerous orders and guidance documents in coordination with the Health Department and other legal documents related to the outbreak, bringing additional work in-house at a cost-savings to the Village, cost containment of the Village's excess insurance policies and property and casualty policy, drafting and adoption of numerous ordinances to be codified as part of the Village Code, acting as the liaison to the Liquor Control Review Board and working to implement various processes for the Board, the drafting, review and approval of 232 contracts through July 31, 2020, and 407 contracts during 2019 and the drafting, review and approval of 38 ordinances and 138 resolutions also through July 31, 2020. The Law Department completed the legal documentation necessary for the termination of the Downtown Madison Street tax increment financing districts, the drafting of the easements necessary for the Lake Street Improvement Project, the drafting of ordinances regulating cannabis establishments in the Village and prohibiting the sale of flavored tobacco products, the sale of the Dole Center property to the Park District of Oak Park, the award of property tax exemptions for Village owned property at 1118 Westgate, continued legal work on other real estate developments in the Village, the ordered closures of several businesses through prosecutions for illegal activities, and the successful defense of several lawsuits brought against the Village.

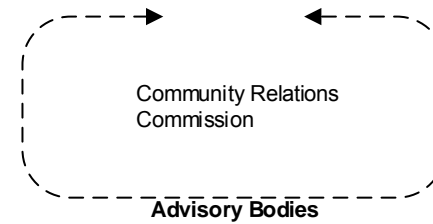

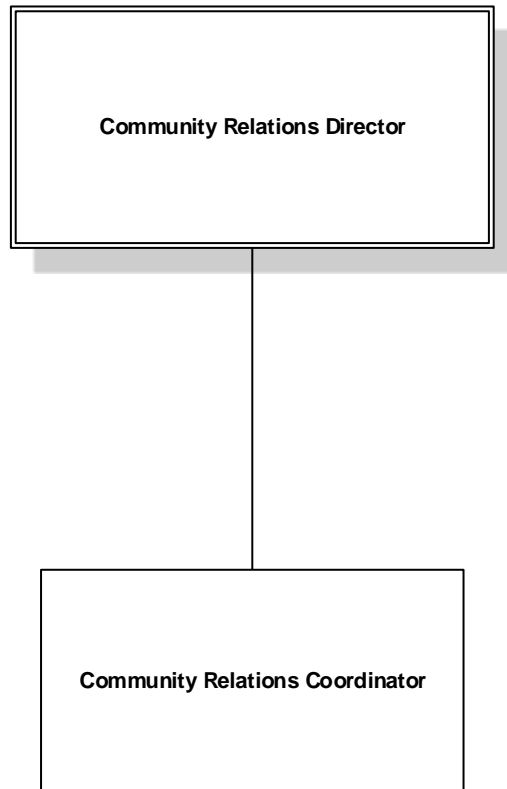

Projects and planned accomplishments for the remainder of 2020 and 2021 include continuing work on pending civil litigation and workers' compensation cases and bringing such matters to a successful conclusion, continued standardization of contracts, intergovernmental agreements, partner agency agreements, and Board agenda item matters, work related to various pending property developments in the Village, continued administration of the Village's risk management and excess insurance programs and the review and processing of liquor license applications.

## **2021 WORK PLAN**

The 2021 Work Plan for the Law Department includes continued aggressive efforts to successfully defend civil litigation and workers' compensation matters brought against the Village and affirmative litigation in favor of the Village, the rewrite and revision of various chapters and articles of the Village Code, continued standardization of contracts, intergovernmental agreements, partner agency agreements and forms for use by the Law Department and other departments, acting as liaison to the Liquor Control Review Board and the handling and processing of liquor license matters to the Village Board, continued legal support for responses to Freedom of Information Act requests and successful administration of the Village's risk management and excess insurance programs. The proposed 2021 budget will provide the necessary resources to handle these matters and other matters as they arise throughout the 2021 budget year.

## **COMMUNITY RELATIONS**

### **EXECUTIVE OVERVIEW**

#### **DEPARTMENTAL SUMMARY**

Established in 1971, the Oak Park Community Relations Department is responsible for monitoring and enforcing the Village's Fair Housing and Public Accommodations Ordinances. The Department is established specifically by Municipal Code and also provides a wide range of intervention and outreach services to the community designed to enhance the overall quality of life and promote the Village's goal of fostering diversity and respect for human differences. The Community Relations Department works amongst and through each department within the Village for the provision of its multiple services to residents. The department accomplishes its mission via three areas of service delivery, including:

##### **Tenant/Landlord Relations**

- Investigates complaints of discrimination, unlawful management practices and code compliance for mitigation
- Provides diversity counseling and training to the public, residents, landlords and realtors to increase awareness of diversity and inclusion issues
- Mediation of landlord tenant disputes to promote long term tenancies in rental sector
- Conducts fair housing and educational sessions to realtors, property managers landlords, tenants and public

##### **Community Outreach Services**

- Serves as Village information clearinghouse
- Develops programs that promote neighbor connectivity
- Provides new resident information and orientation services
- Facilitates neighborhood and community conflict resolution
- Provides referrals to community resources
- Trains residents for community organizing projects
- Coordinates Village's graffiti hotline and removal program

##### **Special Events and Services**

- Coordination of Day in Our Village Festival
- Coordination of July 4<sup>th</sup> Diversity Parade
- Summer Youth Life/Employment Skills Program
- Dinner and Dialogue Program

## 2020 ACCOMPLISHMENTS

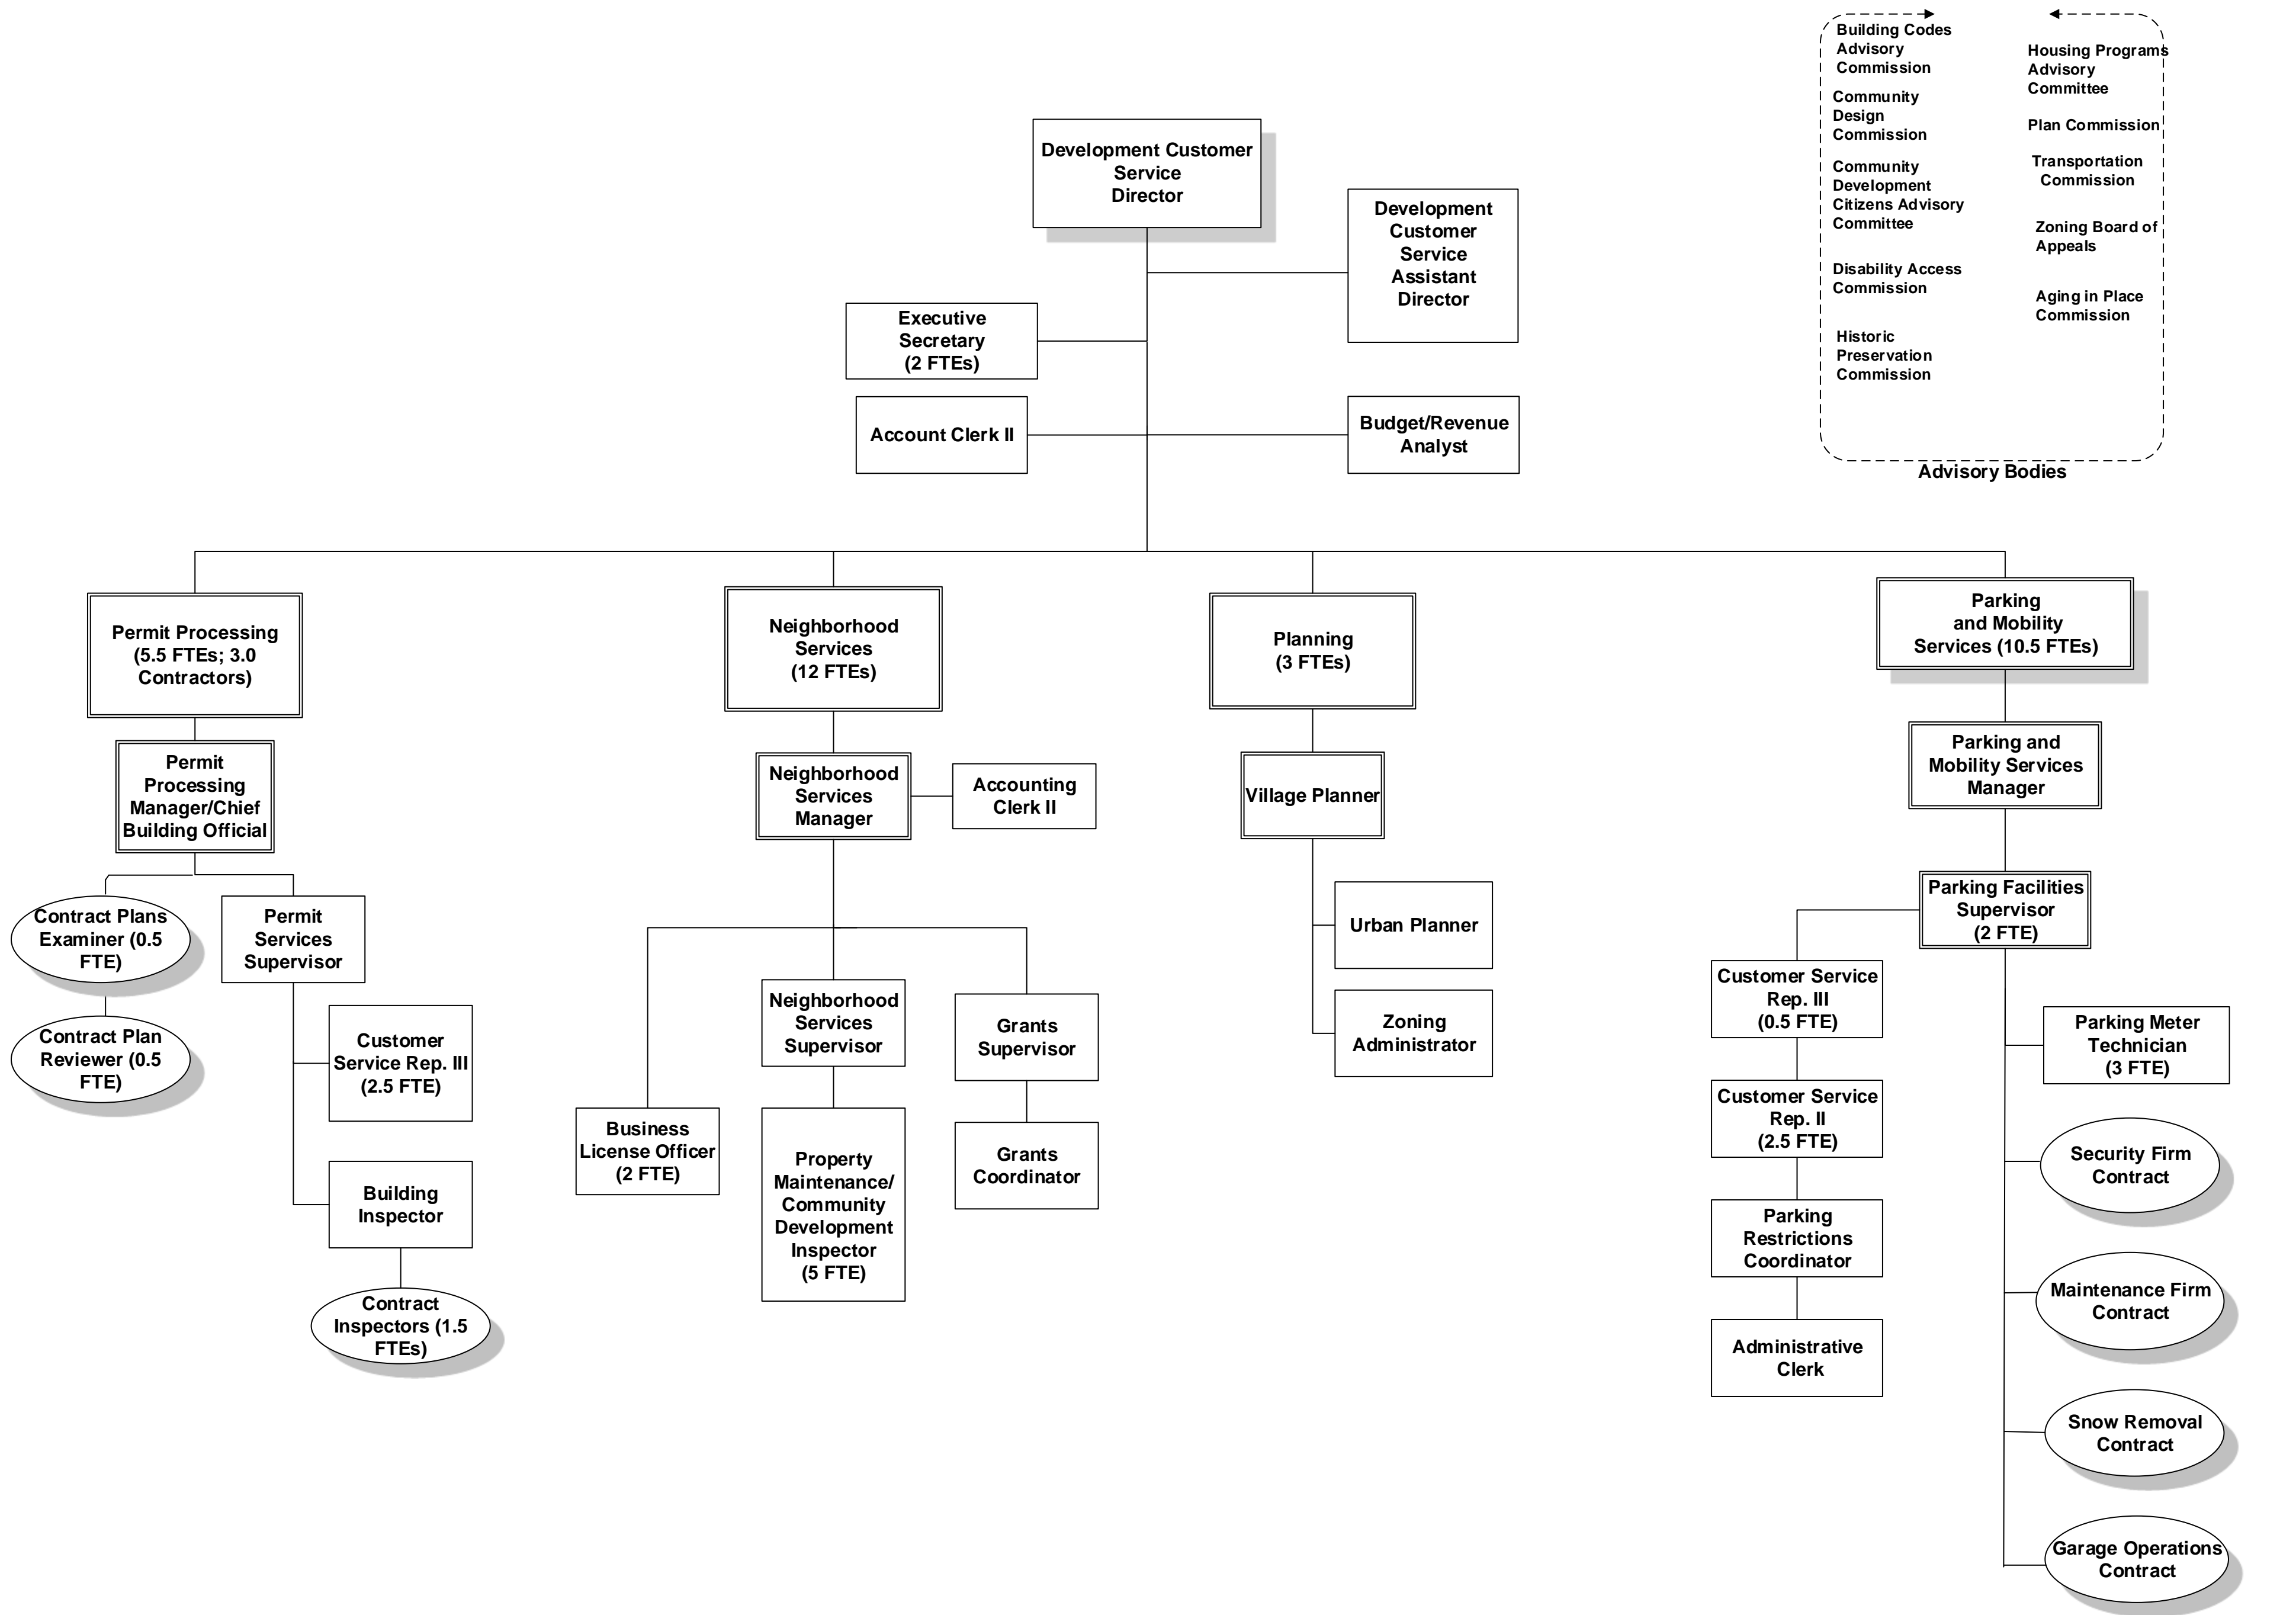

- In collaboration with Communications Department and Day in our Village festival committee, coordinated virtual 47<sup>th</sup> Annual Day in Our Village festival to promote diversity, inclusion and community engagement. Over 100 local organizations participated and posted content messages and videos intended for public viewing, community pride, information sharing and community education. The Village alone contributed 64 posts about municipal services and ways to get involved in local government throughout the day across its Facebook, Twitter, Instagram and LinkedIn pages. The Village's posts combined to reach more than 88,000 social media users and generated more than 3,700 engagements across all platforms.
- Department continued outreach activities to the Austin and West side community to increase networking and possible joint initiatives to build stronger relationships between communities. This included outreach to Forest Park and Austin mental health providers to increase mental health referral resource opportunities for local residents.
- Department continued provision of landlord/tenant intervention activities to promote fair housing compliance education and complaint mitigation.
- In partnership with Department of Public Works, Community Relations Department continued coordination of Village graffiti removal program to reduce community and neighborhood blight. The department also continued partnership with Illinois Department of Transportation to secure rapid removal of graffiti and defacements along the I-290 expressway.
- Department staff collaborated with Community Policing Program and Resident Beat Officers to assess and mitigate neighborhood conflicts and tensions as appropriate throughout Village zones.
- Department continued to provide resource referral activities for residents seeking alternative services and interventions to enhance overall quality of life.
- Department staff participated on Census Complete Count Committee which promoted resident participation and involvement in the 2020 Census.

## 2021 WORK PLAN

- Department will continue to promote Fair housing and inclusion through various forms of communications including but not limited to one on one consultations, presentations, social media and informational videos and productions designed for landlords and prospective/current tenants.
- Department will coordinate and execute 48<sup>th</sup> Annual Day in our Village festival to promote positive community interaction, cohesion and intergroup relations.
- Department will coordinate and execute 2021 Youth Skills Initiative in partnership with public library to promote youth employment and life skill development for area youth.
- Department will continue to serve as information resource to school districts 97 and 200 on cultural issues and inclusion.
- Department will continue coordination of neighborhood zone meetings with Community Policing officers to assist with neighborhood tensions, conflict resolution and resource referral as appropriate.
- Department will continue to promote fair housing through collaboration with local housing entities by providing education and consultation to residents, landlords and property managers.
- Continue provision of conflict mediation services to address neighborhood or community tensions that are disruptive to quality of life.
- Continue outreach to neighboring communities to develop cross-community partnership opportunities.
- Work with Human Resources Department on development of racial equity training for staff development.
- Work throughout the Village to promote racial equity activities.

## DEVELOPMENT CUSTOMER SERVICES

### EXECUTIVE OVERVIEW

#### DEPARTMENTAL SUMMARY

The Development Customer Services Department is comprised of five divisions: Administration, Parking and Mobility Services, Planning, Permit Processing and Neighborhood Services. The department delivers its services through the divisions listed below.

- **Administration Division** – Oversees the work of the department's divisions and manages the development activities of the Village.
- **Neighborhood Services Division** – Responsible for the Village's housing programs, Community Development Block Grant activities and property maintenance issues, including the Neighborhood Walk Program, Business District Inspection Program, rental unit inspections and handling neighborhood complaints. The Division is also responsible for the licensing and inspection of all businesses.
- **Parking and Mobility Services Division** – Manages all aspects of the Village's parking program, except parking enforcement.
- **Permit Processing Division** – Responsible for issuing of permits for all construction activities including right-of-way construction and/or obstructions (cranes/PODs/dumpsters/moving vehicles) in the Village. The process includes a detailed plan review, contractor registration/issuance, and thorough inspections.
- **Planning Division** – Responsible for all planning activities including new developments and existing Village plans. The Division also is responsible for managing zoning, historic preservation and Village business signage.

## 2020 ACCOMPLISHMENTS

- Led effort for Village's designation as a Dementia Friendly Community and began work on obtaining Age Friendly Designation.
- Coordinated staff liaison activities for 10 Village Commissions, Committees and Boards including Aging in Place, Building Codes, Community Design, Community Development, Disability Access, Historic Preservation, Housing Programs Advisory, Plan Commission and Zoning Board of Appeals. Staff further assisted with the Transportation Commission and the Liquor Control Review Board. Still further, staff led the Census 2020 Complete Count Committee activities for the Village.
- Represented the Village on the Board of Directors of the Downtown Oak Park organization, the Visit Oak Park organization and the Oak Park Area Arts Council.
- Coordinated the activities of the Business Association meetings.
- Managed all major development projects for the Village, including negotiating and implementing all redevelopment activities, and coordinating timely and efficient responses from the Department and all other Village departments involved. Projects included, but are not limited to, the list below.
  - *855 Lake Street*  
(Existing residential building remodel with 65-units, scheduled for completion in 2020)
  - *Lexington Reserve at Oak Park* (932-958 Madison and 438-450 Home)  
(New 21-unit townhome development, scheduled for completion in 2020)
  - *Rush Oak Park Hospital Parking Structure* (520 S. Maple)  
(Scheduled for completion in 2021)
  - *Ambrosia Homes Apartment Development* (504 Lyman at Madison)  
(24-unit apartment complex, scheduled for completion in 2020)
  - *6555 North Ave.*  
(Mixed-Use building completed in 2020)
  - *6545 North Ave.*  
(Residential building, construction activities to begin in 2020 and scheduled for completion in 2021)
  - *Oak Park Edge Development* (6031-35 W. North Ave.)  
(Three, 8 –unit apartment buildings, scheduled for completion in 2020)

- *Madison and Oak Park Avenue Development*  
(174-unit senior housing community and Pete's Fresh Market, scheduled for completion in 2022-2023)
- *Turano's Corporate Headquarters (6500 Roosevelt Rd.)*  
(25,000 sq. ft., two-story office building with parking, completed in 2020)
- *The Residences of South Blvd. (514 South Blvd.)*  
(14-unit apartment building with commercial space, scheduled for completion in 2021)
- *Community Builders Oak Park (801 S. Oak Park Ave.)*  
(37-unit apartment building, including two live-work units and a retail commercial space on the ground floor, scheduled for completion in 2021)
- *6603-09 W. North Ave.*  
(7-unit townhome development, completed in 2020)
- Continued to promote the C-FIP (Commercial Façade Improvement Program) designed to promote reinvestment in Oak Park commercial buildings. Four to five commercial façade improvements will be completed in 2020.
- Issued approximately 4,500 permits, an estimated 20% decrease from 2019 (5,800), and processed approximately 904 contractor registrations, a 9% increase. 3,000 of these permit applications were reviewed for compliance with the Zoning Ordinance, Sign Code and historic preservation regulations. Twenty (20) of these applications underwent a review by the Village's architectural design consultant.
- Performed over 8,200 residential and commercial inspections, a 20% decrease from 2019 (10,432), including building, mechanical, electrical, plumbing, accessibility, energy and conveyance.
- Continued the Elevator Inspection Program by overseeing contractor inspection services in providing safety checks twice per year. The program provides service to over 334 elevators located throughout the Village.
- Reviewed and processed over 46 public hearing applications including sign variance applications, special use applications, Planned Development Applications and Planned Development Ordinance amendments, Zoning Ordinance variation applications, Zoning Ordinance text amendment applications, historic preservation demolition applications, Section 106 historic reviews and historic preservation certificates of appropriateness.
- Performed reviews for certificates of zoning, prepared zoning verification letters, reviewed complaints of various zoning issues and conducted onsite inspections for ongoing Planned Development projects.

- Entered approximately 500 additional Oak Park's historic properties information into Ruskin ARC database to enable homeowners and customers to search historic home information. While not all forms are complete, forms have now been created for all properties in the historic districts and all landmarks including photos, contributing status, and approximate construction date.
- Researched historic landmark nominations.
- Coordinated the Village's work on the North Avenue Study/Plan with partners from CMAP, ULI, T-NAD, City of Chicago, and CDOT.
- Administered the Community Development Block Grant (CDBG) and Emergency Solutions Grant (ESG) to fund Village activities and non-profit agencies that provided services such as fair housing, health, early childhood development and nutrition for low income individuals and assisted persons experiencing homelessness and those at risk of becoming homeless.
- Wrote the five-year Program Year (PY) 2020-2024 Consolidated Plan for Housing and Community Development and the PY 2020 Action Plan, both submitted to HUD in August 2020.
- Received a \$980,107 CDBG-Corona Virus (CV) grant from HUD and created four programs to use these funds and assist Oak Park residents: Business Assistance, Housing Assistance, Public Services and Administration. All programs were up and running in July 2020.
- Managed and promoted the Section 108 loan pool program through Housing and Urban Development for economic development. The program allows businesses to apply for capital and construction financing that creates or retains jobs for low-and-moderate-income people.
- Property maintenance inspectors investigated approximately \_\_\_\_ citizen-initiated property maintenance complaints, an estimated reduction of \_\_%, and conducted approximately \_\_\_\_ inspections of residential homes through the Village's Neighborhood Walk program, an estimated \_\_% decrease.
- Continued with the issuance of citations and violation notices to commercial and residential properties found in violation of Village codes. Where needed, worked these projects through the Village's adjudication program.
- Serviced one (1) project under the Single Family Housing Rehabilitation (SFR) Loan Program, a decrease of 85% from 2019. This program seeks to provide funding to low-and-moderate-income residents to rehabilitate their homes. Some 21 inquiries were received of which 3 were financially eligible to participate in the program.
- Assisted five (5) units under the Small Rental Properties Rehabilitation (SRP) Loan Program. This program seeks to provide funding to landlords to improve rental units occupied by low-and-moderate-income residents at reduced rental rates.
- Processed 57 applications for the Sewer Backup Protection Grant Program in conjunction with the Public Works Department. An increase in demand was seen after a very heavy May thunderstorm.

- Continued managing the Village's RainReady Program, which saw 27 participants in 2020. The program offsets homeowner investments in stormwater retention improvements.
- Completed 50 cab inspections and renewals, a decrease of 28% from 2019.
- Completed over 132 liquor and tobacco license issuances and renewals, a 4.5% decrease from 2019.
- Due to COVID-19, outdoor dining was expanded to include additional areas for seating, including on-street parking. Staff assisted in the processing of the applications and completed inspections with the restaurants, reinforcing the importance of maintaining chairs and tables in accordance with the Village's 5' accessible path regulation and new social distancing guidelines issued by the Public Health Department.

## **2021 WORK PLAN**

### **Administration**

- Coordinate and direct all of the activities of the DCS Department.
- Continue managing all major development projects for the Village, including negotiating and implementing all redevelopment activities, and coordinating timely and efficient responses from the Department and all other Village departments involved.
- Focus on development projects on the Madison Street, Harrison, North and Roosevelt corridors, while also working to support the Village Board goal of creating an economic development environment that includes a clear, comprehensive approach to meeting the needs of diverse constituents for commercial vitality throughout the Village.
- Successfully complete staff liaison responsibilities for assigned Commissions, Committees and Boards and examine the possibility of recommending the potential consolidation of Commissions, Committees and Boards.
- Continue efforts to expand outdoor dining spaces and assist the business community during the ongoing COVID-19 crisis.
- Continue the successful roll-out of the Village's Aging-In-Place strategies including obtaining the Age Friendly Community designation and ongoing efforts related to the Dementia Friendly Community designation, achieved in 2020.
- Continue to promote and facilitate, and possibly expand, the Village's successful Commercial Façade Improvement Program.
- Continue promoting improved public awareness of residents and customers utilization of Oak Park's VillageView and Passport parking system.

### **Neighborhood Services Division**

- Complete seven (7) Single Family Housing Rehabilitation Projects and assist ten (10) households through the completion of at least three (3) Small Rental Properties Rehabilitation projects.
- Continue to assist low-and-moderate-income (LMI) persons through non-profit agencies, using Community Development Block Grant Funds targeting Oak Park residents.
- Continue to offer and administer the Sewer Back-Up Prevention Grants Program, which helps to protect homes during heavy rain.
- Continue the administration of the RainReady Program to offset homeowner investments in stormwater retention improvements. The program's goal will again be to meet the needs of thirty (30) Oak Park residents.

- Continue to promote and implement the federal Section 108 Loan Pool pilot program, providing loans of up to \$1,000,000 each. Each loan will create or retain one (1) job for a low or moderate income person for every \$35,000 financed.
- Continue working to increase efficiencies related to property complaints, including implementing the performance-based rental licensing and inspections ordinance to ensure that residential properties are maintained and available funding is used to proactively address issues.

### **Permit Processing Division**

- Continue implementation and modification of VillageView, the online permit system software. Benchmarks will include expanding the level of online services, improving process transparency and improving interdepartmental communication related to plan reviews through an electronic tracking system.
- Maintain a high level of customer service while learning to be more effective and efficient.
- Continue updating all code requirement bulletins and guidelines to inform the general public of various construction activities.
- Meet an anticipated high volume of plan reviews and inspections for ongoing, large-scale developments; residential and commercial inspections; plan reviews and permit processing.
- Continue to focus on staff training and obtaining certifications.
- Continue to work with our contractor to maintain quick plan reviews and next-day availability of inspectors.
- Continue the *Elevator Inspection Program* by overseeing a contractor to provide elevator safety inspections twice a year.

### **Planning Division**

- Convert print versions of Oak Park historic preservation books to an online, e-book format.
- Complete the North Avenue Study/Plan, in coordination with governmental and quasi-governmental partners.
- Continue the Village's review of business signage, resolving illegal temporary and business signage.
- Effectively manage the architectural design consultant that is kept on retainer for building permit and planned development reviews.

- Continue contracting with RuskinARC to support the Village's efforts to provide historic preservation district information.
- Continue to finalize review of the Envision Oak Park Comprehensive Plan.
- Facilitate annual awards for Oak Park Historic Preservation and Cavalcade of Pride.
- Finalize an update to Oak Park's Historic Preservation Design Guidelines and Ordinance.
- Assist the Community Design Commission on their year-end review of the sign code.

## **FINANCE**

### **EXECUTIVE OVERVIEW**

#### **DEPARTMENTAL SUMMARY**

The Finance Department oversees and manages all financial operations of the Village. The Department is responsible for providing internal customer service to other Village Departments and maintaining the financial health of the Village in accordance with the annual budget and the requirements of the Municipal Code. The Finance Department directly oversees accounting, audit, budget, debt issuances, purchasing, records management for all departments and payroll. The department also oversees utility billing and cashier operations at Village Hall.

Services are provided through the following divisions: Administration, Accounting, Budgeting and Performance Management, Payroll, and Purchasing.

##### Administration

Finance Administration provides general support to the operating divisions of the department. Tasks include providing customer service regarding all department activities to both internal and external customers.

##### Accounting

Accounting personnel are responsible for the timely and accurate recording and financial reporting of all Village financial activity.

##### Budgeting and Performance Management

The Budget function is shared by a few Finance staff members who are responsible for management and oversight of the process by which the Village Board and Manager allocate resources. The division also coordinates the Village's Monthly Measures Report to assess and communicate the activities of all departments.

##### Payroll

All payroll functions are being performed by Village staff, including tracking and approving time, reviewing payroll reports and files, printing checks and processing direct deposits, paying and filing all required taxes and forms, updating employee pay rates (including retroactive calculations) and deductions and collecting and remitting all voluntary deductions and garnishments .

##### Purchasing

The Purchasing function involves overall procurement of goods and services to ensure the process results in the selection of the most cost-effective solution to the Village. Finance personnel involved in purchasing ensure the Village is adhering to Municipal Code as well as all local, State and Federal regulations.

## 2020 ACCOMPLISHMENTS

- Received the Distinguished Budget Presentation Award from the Government Finance Officers Association (GFOA) for FY 20. An application will be submitted to this award program for the FY 21 Budget.
- Received the Certificate of Achievement for Excellence in Financial Reporting from the Government Finance Officers Association (GFOA) for the FY 18 CAFR. An application was submitted to this award program for the FY 19 CAFR.
- The FY19 Audit (completed in FY 20) once again resulted in no Management Letter comments. This is considered a significant achievement.
- Assisted the Public Works Engineering Division in designing the 2021-2025 Capital Improvement Plan, providing an ongoing framework for identifying capital requirements and future financial impacts.
- Significantly improved storage recordkeeping and disposed of records no longer legally required to maintain.
- Prepared an updated budget due to the COVID-19 pandemic.
- Enhanced online payment acceptance via Invoice Cloud.
- Finance staff continued to collaborate with other Village departments on integration and connectivity of networked systems, including VillageView and Passport, ensuring seamless customer service and timely collection of receivables.
- Coordinated with Human Resources staff to implement time-clock procedures and functionality for the Fire Department.
- Finance staff continued their commitment to professional development, attending educational seminars and maintaining active memberships in the following professional organizations: Government Finance Officers Association (GFOA), Illinois Government Finance Officers Association (IGFOA), Illinois City/County Management Association (ICMA) and Illinois Association of Municipal Management Assistants (IAMMA).
- Effectively managed liquid cash to maximize rate of return.

## **2021 WORK PLAN**

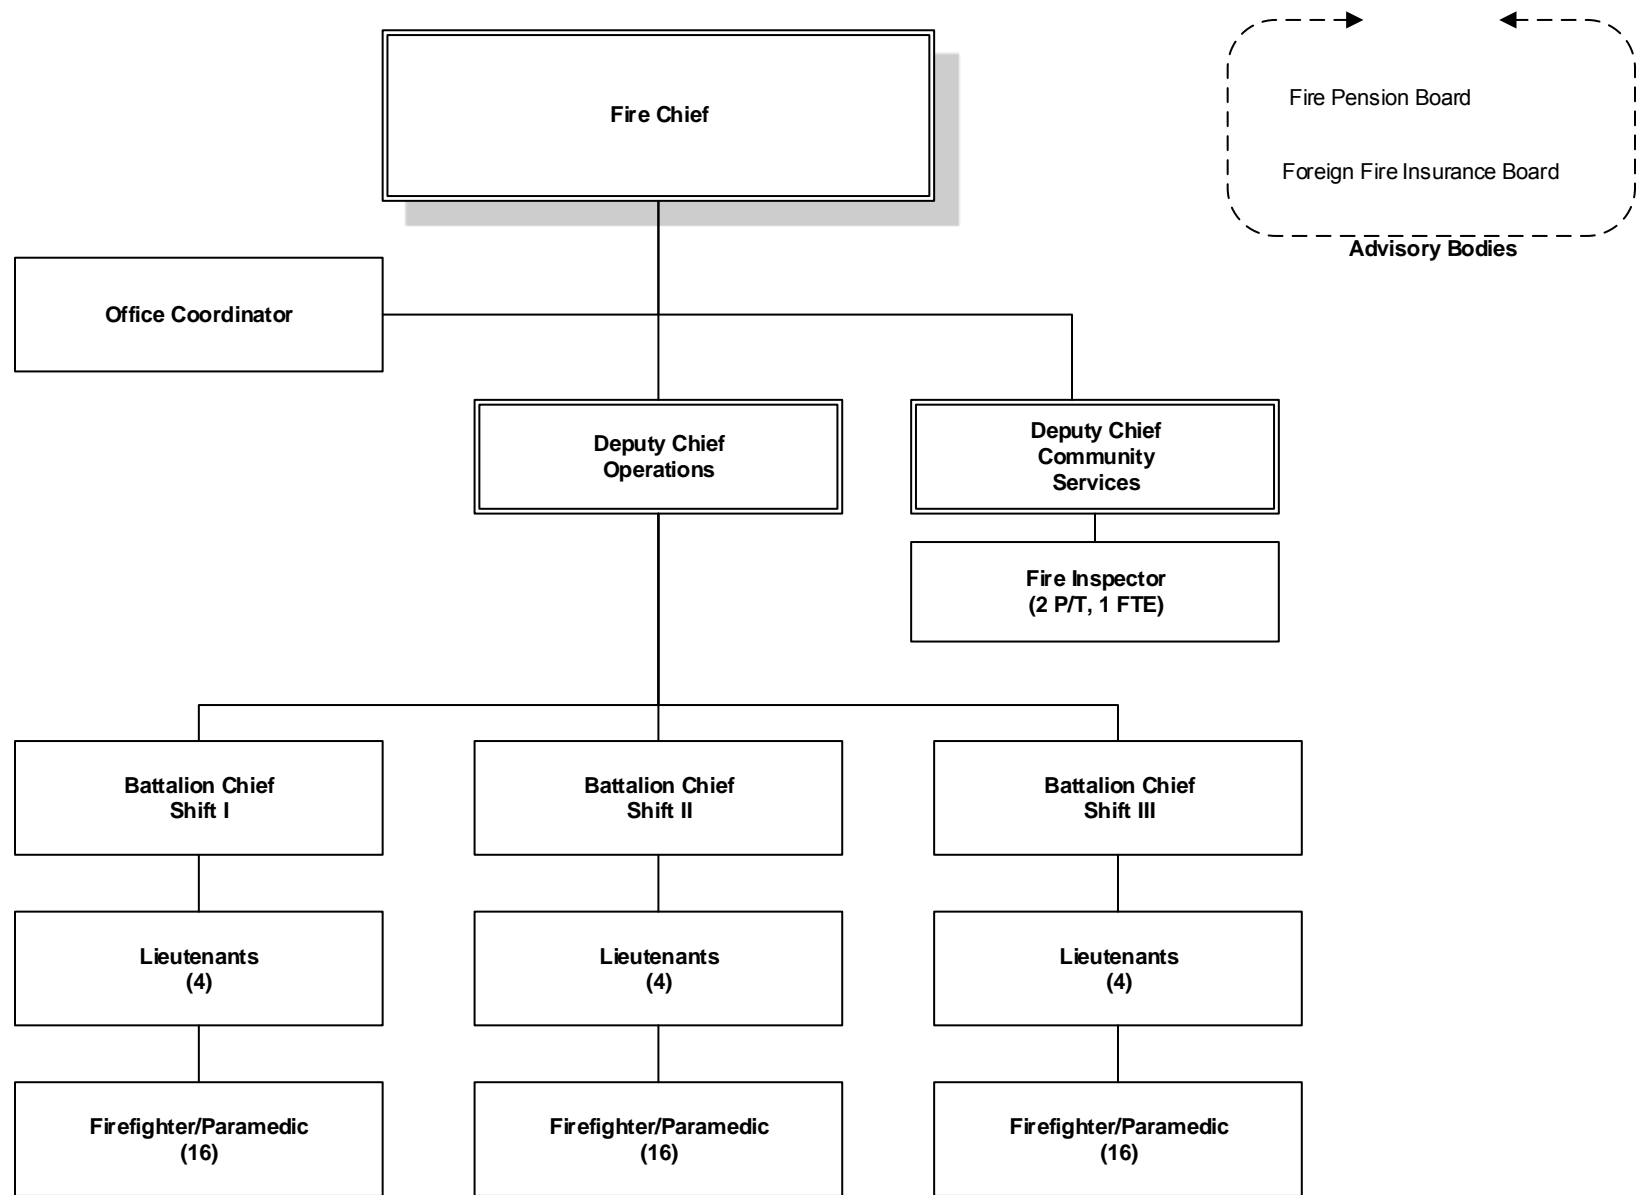

- Work with financial consultants to seek the most desirable rates on new debt.
- Continually review and analyze cash balances to maximize rate of return.
- Continue to improve the efficiency of the payroll process by utilizing additional capabilities of the Village's financial software system of BS&A.
- Apply for and receive both the Certificate of Achievement for Excellence in Financial Reporting for audit year 2019 and the Distinguished Budget Presentation Award for 2020 from the Government Finance Officers Association (GFOA), exceeding local government standards of financial reporting.
- Continue to exceed financial transparency standards by exploring additional tools and platforms through which to display financial information to internal and external stakeholders.
- Seek new efficiencies within the department, maximizing staff time through cross-training of duties.
- Continue to review quarterly financial reporting and adjust or improve report to obtain the perfect balance between simplicity, understandability, and transparency.
- On an as-needed basis, assist other operating departments to a greater degree in preparing requests for proposals and analyzing results.
- Comply with all IRS reporting requirements, including the new 1098-F form filing related to fines and penalties collected by municipalities.

## **FIRE DEPARTMENT**

### **EXECUTIVE OVERVIEW**

#### **DEPARTMENTAL SUMMARY**

The mission of the Oak Park Fire Department is to provide excellent emergency response and standards of care that enhance the quality of life in our community. This is accomplished through the delivery of fire suppression operations, emergency medical services and fire prevention through inspections, public education and code enforcement. The Fire Department will assist the public in all areas of emergency and non-emergency situations as well as provide mutual aid to other local and state agencies. The department provides emergency medical care in both advanced and basic life support with highly trained and licensed paramedics.

Risk Statement: The Oak Park Fire Department prioritizes firefighter safety, human life, property and environment. Risk is determined by a continuous evaluation based on the expertise, education, experience, and resources of the department.

The Oak Park Fire Department maintains three fire stations that are strategically located to provide optimal response times to emergencies within the Village Oak Park. Included are Divisions for Administration, Operations, Emergency Medical Services (EMS), Fire Prevention and Fire Investigation, Training, Public Education, Hazardous Materials and the Technical Rescue Team (TRT).

## 2020 ACCOMPLISHMENTS

The Fire Department has accomplished or is on schedule to complete all projected work plan tasks for FY2020 with the exception of tasks dependent on external components negatively impacted by COVID 19.

### **Accomplished:**

- Received and placed in-service an ambulance power load cot system and new self-contained breathing apparatus for all members. These were deliverables from our 2019 Department of Homeland Security grant of \$346,576.
- A new Pierce fire engine was placed in-service in February replacing a 21 year old engine.
- Two new cardiac monitors were placed in-service as part of our on-going replacement program for these essential medical devices.
- Hired two probationary firefighter/paramedics replacing two retired department members.
- Secured authorization from the Police & Fire Commission to have an entry level test in late summer and a Lieutenant promotional test in the fall.
- In response to the COVID 19 crisis we obtained approval to temporarily promote our part-time EMS Coordinator to a full time position overseeing our departments COVID tasks and responsibilities, and importantly working with the Health Department to manage the Villages Long Term Care Facilities reporting obligations and mandated tasks.
- In response to the COVID19 crisis we worked with our Union and the Village Manager to temporarily raise our minimum manning to 16 which allowed us to run three ambulances every day. This ensured that we maintained our EMS response capability when taking an ambulance out of service to disinfect.
- Expanded our Fire Department Facebook page to just over 1000 users.
- Installation of new, energy efficient overhead doors at our two perimeter fire stations
- Implemented a software program to manage and make available in our apparatus our critical preplan information for OP buildings.
- Developed a new public education program for older adults focusing on fall risks and fire safety. This program is in conjunction with the Villages Dementia Friendly initiatives. The roll-out of this program is ready to go as soon as COVID19 restrictions will allow.

## **2021 WORK PLAN**

A major effort of the Oak Park Fire Department is to maintain a results-oriented agency. Continuous improvement, maximum efficiency, and service are pursued through the following anticipated FY 2021 goals:

- Deploy fire suppression resources to contain and extinguish fires, minimizing injuries and property loss consistent with NFPA standards. Continue to achieve a 4-minute response time for the first arriving OPFD unit 95% of the time, and an 8-minute response for the entire first alarm assignment 90% of the time.
- Deliver emergency medical services (EMS) in a professional and timely manner.
- Provide emergency COVID 19 medical treatment and transports
- Realignment of the Deputy Chief of Community Services responsibilities to include Infection control and EMS services
- Continuously improve training programs to safely and effectively support the mission of the Oak Park Fire Department.
- Remodel our station #3 to include multiple gender-neutral washrooms and locker rooms instead of the current one large washroom /locker room.
- Maintain equipment in a state of readiness to handle emergency operations.
- Improve OPFD services while enhancing firefighter safety and improving employee wellness.
- Enhance coordination between OPFD and surrounding communities to improve public service delivery.
- Reduce fatalities, injuries, and property damage through proactive community risk reduction programs.
- Develop Fire Department internship program for high school or college students interested in a career in the fire service. This program was set for 2020 development when the COVID 19 crisis placed it on hold.
- Develop Public Education Programs that focus on the senior population within the community pertaining to falls, cooking safety, and home safety.
- Continue to apply for grants that will provide funding to the Fire Department, which will result in reducing overall costs.
- Develop succession planning for the future leadership of the Oak Park Fire Department.

## **INFORMATION TECHNOLOGY**

### **EXECUTIVE OVERVIEW**

#### **DEPARTMENTAL SUMMARY**

The Information Technology (IT) Department oversees the Village's computer and telephone systems and is responsible for providing internal services to other Village Departments via the administration and support of various office technology services, communication systems and data processing services that are utilized daily in all department operations in accordance with the annual budget document. Basic office technology support ranges from printer, desktop, laptop and mobile devices. Communication systems include local data network, Internet, security, wireless, cellular, fiber-network and voice. Data processing services include the business and process analysis to enhance service to the operating departments and the residents of Oak Park.

## 2020 ACCOMPLISHMENTS

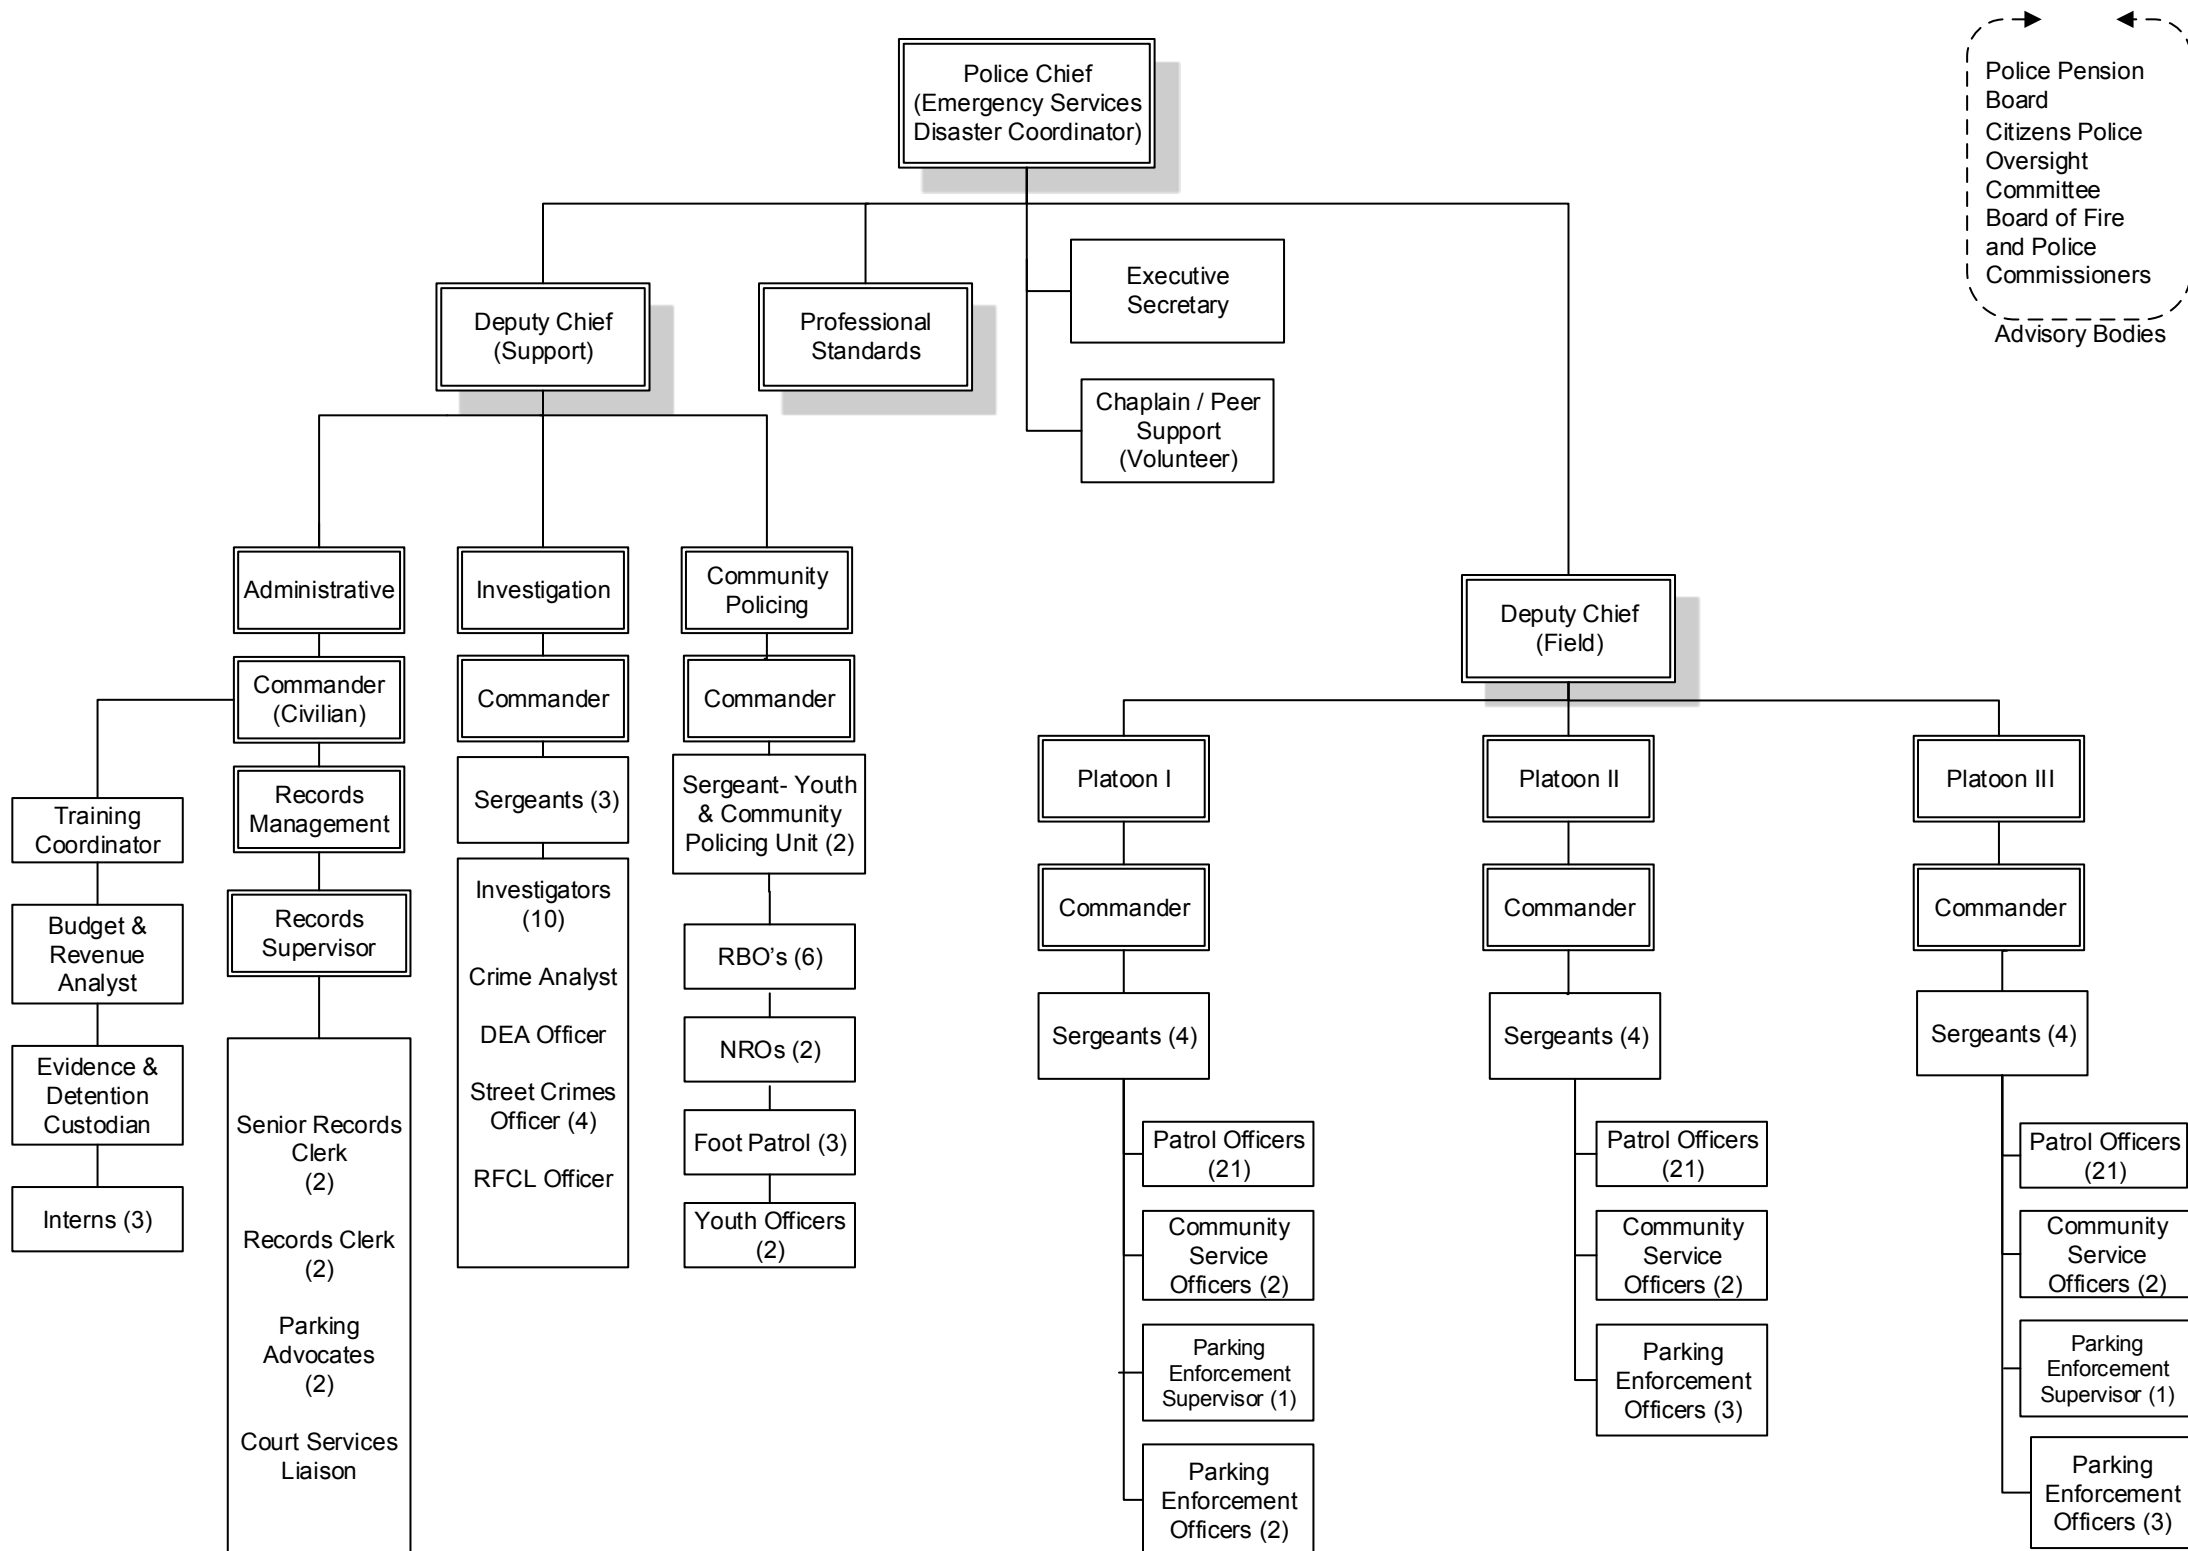

- In response to COVID-19
  - Telephone service changes
  - Rapid Chromebook laptop research for work-from-home service
  - 50+ Chromebook deployment & remote access
  - Health Online CERT Volunteer Form in Laserfiche
  - Health Online MRC Form in Laserfiche
  - Relocate staff to accommodate COVID response team
  - Virtual web server configuration update and stress testing
  - Employee & Farmer's Market Temperature Screening Form in Laserfiche
  - Curbside Business Service GIS mapping
  - Outdoor Dining GIS mapping
  - Web Remote Desktop research and implementation
  - 2 Factor Authentication security research and 100+ implementation
  - Work-from-home telephone service
  - Village Hall Lobby online appointment, workstations & phone services
- Fiber Wide Area Network (WAN) project (Core System)
  - Inter-Governmental Agreement (IGA) with School District 97 (SD97)
  - All facility site visit and main design completed by vendor
  - Project progressing with major assistance from PW Engineering
- Internal Process Automation
  - Community Relations Complaint in Laserfiche
  - PW Online Block Event (Sales/Party) Form in Laserfiche with GIS Mapping
  - Police Online Bicycle Registration Form in Laserfiche
  - Police Citizen Feedback survey in Laserfiche
  - Police microfilm and documents migrated in Laserfiche
  - Police Traffic Mission in Laserfiche
  - Business License integration with GIS mapping
  - Graffiti integration with GIS mapping
  - MyGIS release for internal service
- Data quality review and maintenance
  - Small & Large Rentals data cleaning
  - Condo Association Registration data cleaning
  - Unit Addressing Ordinance
  - NG911 data review and prep
- Server, network & telephone upgrades
- Upgrade most workstations with MS-Office 2019 and Windows 10
- Migrate legacy back office interface (BSA to Passport) to Open Source code
- Backup PWC HVAC for data center
- Legacy Parking Citation and Permit lookup interface
- Parking Citation iDROP
- MS-Teams research and testing
- Police Intranet upgrade

## **2021 WORK PLAN**

- Final configuration of Fiber WAN (Core System)
- Workstation & Laptop Upgrades
  - Workstation for Police
  - Continued upgrade of in-car computers
- On-going core data quality review and maintenance
- Upgrade end-of-life servers and network systems
- On-going system security review
- On-going upgrade of core systems
- Continued MS-Office 2019/365 upgrade
- Continued MS-Windows 10 upgrade
- Continued automation of internal processes

## POLICE

### EXECUTIVE OVERVIEW

#### DEPARTMENTAL SUMMARY

The Oak Park Police Department is a full-service law enforcement agency serving the citizens of the Village of Oak Park. The mission of the Department is to provide high-quality police services that are accessible to all members of the community. The Department believes in the dignity of all people and respects individual and constitutional rights in fulfilling this mission. In order to achieve this mission, the Department has adopted Community Based Policing which includes the following components: citizen involvement, problem solving and quality of life focus, ethical behavior, situational leadership, and employee value. It is our goal to incorporate these values in the organization, and throughout our interactions with the community to promote a desirable quality of life in the community, with a commitment to maintaining and improving peace, order, and safety through excellence in law enforcement and community service.

The department has both sworn police officers and civilian personnel assigned to operating and support programs in two bureaus:

**Field Services Bureau** – The Field Services Bureau is responsible for performing a variety of duties related to the protection of life and property and enforcement of criminal and traffic laws, parking enforcement, prevention and investigation of crime, collection and preservation of evidence, preservation of the public peace, and the apprehension of violators of the law. This bureau also manages the Field Training and Evaluation Program.

**Support Services Bureau** – The Support Services Bureau includes: Investigations, Drug Enforcement Administration (DEA) and Regional Computer Forensic Laboratory (RCFL) assignments, Resident Beat Officer and Neighborhood Resource Officer Programs, Records, School Resource Officer Program, Evidence and Property, Training and Research and Planning.

## **2020 ACCOMPLISHMENTS**

- We continued to implement our web based policy and procedure manual supported by daily training to reinforce policy comprehension and application. The manual will be periodically updated in accordance with changes to federal and state laws.
- The Department will fully implement and integrate an electronic citation system with the Cook County Court System. This software increases efficiency and eliminates the need for hand writing citations and duplicate data entry.
- In furtherance of Officer Wellness, the Department implemented a wellness check program. The program will consist of officers attending a one-on one session with a licensed mental health professional to assess an employee's current abilities to cope with job stressors and to learn additional healthy ways to deal with these and future stressors.
- The Department also partnered with WeNeverWalkAlone to provide an online portal to connect Officers with Peer Support Officers and vetted mental health professionals. This online portal allows anonymity and Officers can call a Peer Support Officer from anywhere and at any time.
- All supervisors completed the FBI Law Enforcement Executive Development Association's Online Distance Learning Supervisor Liability courses. These courses focused on multiple topics relating to the legal standards applicable to supervisors. They are intended to provide new and experienced supervisors with tools to protect themselves and the department from liability.
- The Department's intranet website was revamped to provide department employees with a more user friendly interface. The intranet provides one central place to store department communications, which are always up-to-date and can be accessed by anyone in our department.

## **2021 WORK PLAN**

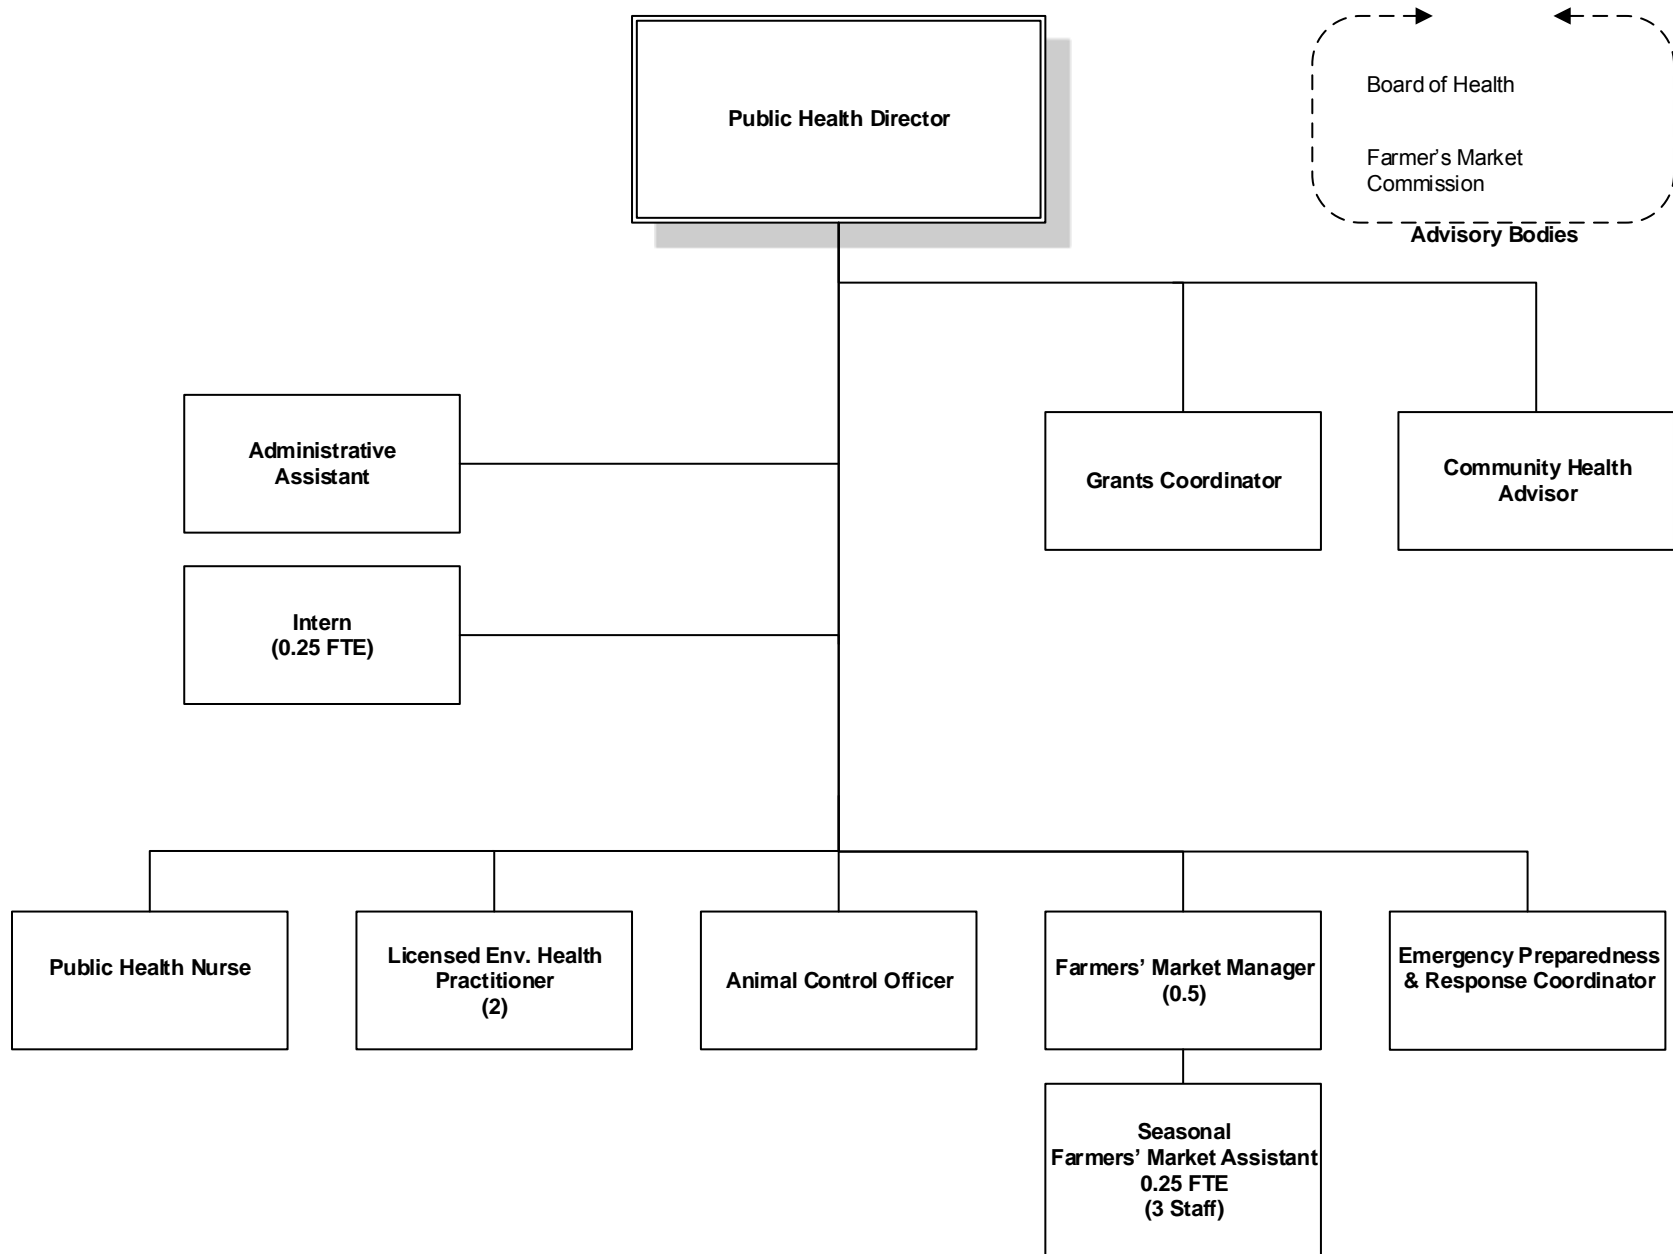

- The Department will increase our community engagement by utilizing a trained a Therapy/Community Outreach K9. The Pawfficer will attend engagements that officers from the Community Police Unit attend.
- Complete the implementation of our web based policy and procedure manual supported by daily training to reinforce policy comprehension and application. The manual will be periodically updated in accordance with changes to federal and state laws.
- The Department will relaunch the Citizen Police Academy. The Academy provides attendees with an overview of the Police Department's structure and function, as well as insight into the ways in which officers perform their duties. Additionally, the Department will integrate the 10 Shared Principles into the curriculum, providing an opportunity for community discourse as it relates to police-community relations.
- We will utilize a consultant to provide us with custom reporting and more detailed analysis of our Records Management System as we continue to initiate the President's Report on 21st Century Policing, specifically pillars related to Building Trust and Legitimacy and Technology and Social Media.
- A National Police Services Survey will be sent to 1,200 randomly selected households. The information from the survey will then be compiled into a report that compares the responses of residents from different backgrounds (e.g. age, race/ethnicity, gender) to identify gaps in perceptions in safety, policy trust and community public safety priorities. In addition, the gaps from a community are compared to the disparities found across the nation to identify areas where organizations are successful and challenged.
- In the furtherance of the succession plan, the Department will implement a career development program for all personnel. The focus of this career development program is to provide opportunities for individual growth and development at all levels of the organization. The objective of the program is to promote productive, efficient and effective job performance and to improve the overall level of job satisfaction, personal skills, knowledge, abilities and attitudes.

## **HEALTH DEPARTMENT**

### **EXECUTIVE OVERVIEW**

#### **DEPARTMENTAL SUMMARY**

The Oak Park Health Department has been an Illinois' certified local health department since 1948. It is one of only four municipal certified health departments in suburban Cook County and in the State of Illinois. As such, the Department is required to deliver the ten essential public health services of a local health department:

1. Monitor health status to identify and solve community health problems.
2. Diagnose and investigate health problems and health hazards in the community.
3. Inform, educate, and empower people about health issues.
4. Mobilize community partnerships and action to identify and solve health problems.
5. Develop policies and plans that support individual and community health efforts.
6. Enforce laws and regulations that protect health and ensure safety.
7. Link people to needed personal health services and assure the provision of health care when otherwise unavailable.
8. Assure competent public and personal health care workforce.
9. Evaluate effectiveness, accessibility, and quality of personal and population-based health services.
10. Research for new insights and innovative solutions to health problems.

As a delegate agency for the State of Illinois, a certified health department must maintain qualified staff to carry out public health programming and must complete a community health needs assessment and strategic plan (IPLAN) every five years. The IPLAN for 2016-2021 was completed in 2017 and submitted as part of the State's recertification requirement and is posted on the Village website. The Health Department is scheduled to begin a new community health needs assessment process in late 2020 or early 2021, after receiving an extension from the State of Illinois, due to the COVID-19 pandemic, to submit the IPLAN application and supporting documents by January 20, 2022.

A certified local health department is uniquely qualified to deliver Local Health Protection programs which are core public health programs and include food protection and communicable disease control. The Local Health Protection Grant is awarded to every certified health department, annually, to help defray a portion of the costs of carrying out these programs.

Every year, the Health Department receives grants from local and state agencies including Cook County, the Illinois Department of Human Services and the Illinois Department of Public Health (IDPH) to carry out a variety of public health programs. These include:

- Food Protection
- Communicable Disease Prevention and Surveillance
- HIV/AIDS Surveillance
- Childhood Lead Poisoning Prevention
- Illinois Tobacco Free Communities Programming
- West Nile Virus/ Mosquito Prevention Programs
- Body Art (Tattoo) Inspections
- Public Health Emergency Preparedness and Response Activities
- Farmers' Market Double Coupon Incentive Programs

- Rodent Control to the External Environment, and
- Family Case Management

In addition, due to the COVID-19 pandemic the Health Department received addition COVID-19 funding for 2020 and 2021 to support the Village's COVID-19 response.

In addition to delivering grant funded programs, the Health Department is also required to address the health priorities identified by the Department and its community stakeholders in the IPLAN community needs assessment process. The health priorities identified for 2016-2021 are obesity prevalence, chronic disease, youth alcohol and substance abuse, under-addressed mental and behavioral needs, illicit opioid use and needs of people with developmental disabilities are under-addressed. The Health Department collaborates with internal staff and external stakeholders to address the health priorities.

The Health Department staff consists of the Public Health Director, two (2) Environmental Health Practitioners ('Sanitarians'), one (1) full-time Public Health Nurse, two (2) part—time contracted public health nurses, one (1) full-time Public Health Advisor, one (1) Administrative Assistant, one (1) full-time Grants Coordinator, one (1) full-time Emergency Preparedness and Response Coordinator and one (1) Animal Control Officer. The Department also contracts with the PCC Wellness Center for required Medical Consultation by Paul Luning, MD, MPH and with an Illinois licensed pest Control Company for additional rat control resources.

The Department is responsible for management of animal control. The Department provides monitoring and oversight of the Village's agreement with the Animal Care League, first entered into in 2007 and renewed most recently in 2017 for a period of five years, which provides care for impounded animals, redemption of animals as well as adoption services.

The Oak Park Farmers' Market and its part-time seasonal staff also are managed by the Health Department. The Farmers' Market which runs from mid-May through the end of October annually has staff including a Market Manager and Market Assistants.

There are two advisory bodies that work under the Health Department, the Board of Health and the Farmers' Market Commission. The Board of Health has seven members and serves as an advisory body to the Director of Public Health and makes recommendations on issues related to disease prevention and health promotion. The Farmers' Market Commission has eleven members and works closely with the Market Manager to make the Oak Park Farmers' Market one of the most successful farmers' markets in Illinois. The Commission coordinates special events, helps publicize the market, volunteers on market Saturdays and recommends any changes in operating policies and/or regulations to the Market Manager, Director of Public Health and Village Board.

## 2020 ACCOMPLISHMENTS

### Administration

- The Health Department working collaboratively with all Village Departments coordinated a comprehensive response to the COVID-19 pandemic. The response included, but not limited to internal stakeholder meetings, external partner meetings, testing bulletins, public health orders, public health guidance and expert education and consultation to residents, businesses and community partners. The response activities were extensive and required the Health Department to reprioritize goals and objectives in order to respond quickly and efficiently to the pandemic.
- The Health Department was an active participant with the Oak Park Township as a coalition partner for the Strategic Prevention Framework – Partnership for Success Grant. The purpose of the grant is to support the Township and all the coalition partners to reduce the 30-day alcohol use rates and negative consequences of underage drinking amount 8th to 12th graders, as reported in the Illinois Youth Survey.
- The Health Department continues to play a significant role in implementation and improvement of the new VillageView (CityView) Permitting, Licensing and Code Enforcement System.
- The Village entered into an annual agreement with the Public Health Institute of Metropolitan Chicago to carry out additional surveillance work on residents who have been diagnosed with HIV/AIDS and are apparently no longer in care, in order to reengage with medical care, case management and to offer partner notification systems.
- The Village signed a contract with a third-party Illinois licensed pest control company to provide for village-wide external rat control.
- The Health Department continued to investigate revenue opportunities including available grants to increase revenue from existing and/or new programs to help fund Health Department activities. Because Oak Park has it's own state-certified health department, the Village was awarded several COVID-19 grants, including the COVID-19 Case Tracing Grant (\$817,000) and the COVID-19 Crisis Grant (\$49,820).
- The Health Department continued work with the Collaboration for Early Childhood on a partnership around the Public Health Nurse position and the Family Case Management (FCM) program and coordinated outreach and referral for home visiting programs throughout Oak Park. Through this partnership, the Collaboration provides funding support for this position, above the amount of the FCM grant. The monies help the Village to support the Public Health Nurse's salary. The Nurse Family Case Management position ensures children under age two who are medically fragile, low income or living in other very challenging home environments receive visits from a trained nurse who follows the child to monitor their growth and development. Equally as important are the referrals and connections to the home visiting programs that the Nurse Family Case

Manager has provided in the past. The Collaboration benefits from this arrangement by consolidating the outreach and intake function for home visiting, ensuring that children are referred to the home visiting program in Oak Park that best meets their needs.

- The Health Department continued participation on the Oak Park River Forest Opioid Task force with the first meeting being in February 2018. The primary purpose being to implement prevention around opioid use.
- Through the funding of the Illinois Tobacco-Free Community Grant for the Village enforces the Smoke-free Illinois Act (SFIA) as well as our local smoking ordinance and tobacco 21 ordinance which is more stringent than most surrounding cities and the State of Illinois. Additionally, two grant enhancements programs are provided through this grant including Tobacco in Retail Environment with the focus on E-Cigarettes and Tobacco Prevention and Control Policy resources for Smoke-free multi-unit housing. Both grant enhancements provide the community with resources for programming to prevent tobacco use among youth, promote tobacco cessation among adults/youth and eliminate exposure to second hand smoke.
- The Village executed an agreement with the local Community Economic Development Association (CEDA)/WIC office to share data in order to enhance the Family Case Management program with the goal of better-birth outcomes for Oak Park residents.
- Health worked collaboratively with the Communications Department to educate the public about heart health through Village social media channels.
- The Board of Health conducted research at the request of the Village Board on the Village's current outreach to educate residents on the issues of lead in drinking water. The Board of Health worked collaboratively with the Director of Public Works to best understand current protocols, process and procedure. As a result of this collaboration, research and discussion the Board of Health generated recommendations submitted to the Village Board on how the Village can best use existing Village resources to best communicate issues of lead in drinking water to Oak Park residents.

#### Food Program

- The Health Department provided food safety and sanitation presentation trainings regarding the Illinois Food Code's Person in Charge requirements to sixty (60) licensed food establishments including restaurants, schools, day cares and hospitals.
- As mandated with the Local Health Protection Grant Rules, the Health Department's Food program completed food safety inspections at Oak Park's licensed food establishments and permitted/inspected temporary food vendors.
- Section 8-2-1 License Fee Schedule as amended, adjusting both Temporary Food Establishment and Mobile Establishment fees. The new fees will increase annual revenue and promote timely submittal of Temporary Food applications/payments.

## Animal Control

- The Animal Control Division worked in collaboration with the IT Department to continue the more efficient process of sending animal license renewal reminders via email versus solely paper mail reminders, saving the Village money on postage and creating a process that is much more convenient for both residents and the Village.
- The Animal Control Division worked collaboratively with the Village's Communicable Disease Nurse to manage several cases where humans came into contact with bats. Management included testing the bats and post-exposure rabies prophylaxis for two individuals when the bat they came into contact with tested positive for rabies.
- The Village helped 300 cats and dogs that are found at-large, with most animals returned safely to owners.

## Grants

- The Village entered into grant agreements with the Illinois Department of Public Health, the Illinois Department of Human Services, the Cook County Health Department, the Public Health Institute of Metro Chicago and other grantors for a total of approximately \$839,000 in potential grant revenue.

## Farmers' Market

- The Farmers' Market had another successful year, despite the COVID-19 pandemic. The Village's Farmers' Market Commission, Market Manager and Customer Development Services Assistant Director adjusted/modified the market's layout, processes and procedures based on State of Illinois and CDC COVID-19 guidance to provide a market that was profitable to market vendors & church donut sales and was made safe and enjoyable for all market vendors, staff and customers.
- The Village received an additional \$13,000 in CDBG funding to help support the Double Value Coupon Program for Link customers. In addition, the Village received \$9,000 in grant funds from the Shawnash Institute to support the Double Value Coupon program for Link customers. This program provides a \$25 match per market to patrons that use Supplemental Nutrition Program monies to purchase link-eligible products from vendors at the farmers' market.

## Communicable Disease

- The Communicable Disease Division responded to the COVID-19 pandemic by learning more about how the disease spreads and affects people and the Oak Park community. COVID-19 communicable disease responsibilities included surveillance of all Oak Park resident cases, case tracing of close-contacts and professional prompt consultation with residents, local community partners and County, State and Federal health officials. The Communicable Disease staff helped frontline healthcare workers, community partners and the public to protect themselves and save lives.
- Communicable Disease staff provided mandated certified Health Department surveillance services for reportable communicable diseases occurring in any Oak Park resident and Sexually Transmissible Illness positive lab resulting for any person treated by an Oak Park health care provider. In a normal year, the Communicable Disease Nurses provided professional surveillance and follow-up approximately 100 communicable disease cases for Oak Park residents and approximately 750 sexually transmitted illness cases. In 2020, the Public Health Nurses responded to over 575 COVID-19 cases through September 1. COVID-19 response included COVID-19 positive case follow-up and all associated contact tracing with cases.
- Communicable Disease staff managed multiple communicable disease outbreaks that affected Oak Park institutional facilities including at Oak Park schools, assisted living facilities, long-term care facilities. The Deputy Chief of Infectious Disease played an important role in managing COVID-19 outbreaks at the Village's long-term-care and assisted living facilities.
- The Communicable Division coordinated an annual employee flu clinic for 120 Village employees, providing convenient and free flu vaccinations to employees.
- The Communicable Disease program worked closely with several Oak Park schools, students, parents and close contacts to provide for education, surveillance and consultation on communicable disease cases at Oak Park schools.

## Emergency Preparedness

- The Emergency Preparedness program successfully completed the annual IDPH Medical Counter Measures - Operational Readiness Review (MCM ORR). An annual self-assessment of how well the Village is prepared to conduct medical countermeasure operations meant to dispense medication or vaccinate 51,878 residents within 48 hours.
- Recruitment efforts were successful in increasing membership in the CERT (Community Emergency Response Team) and MRC (Medical Reserve Corps) volunteer groups. As of August 21, 2020, the Village had 86 members between the two volunteer groups, and numbers are expected to rise as the response to COVID-19 continues.

- Emergency Preparedness provided various trainings for CERT and MRC volunteers. Prior to the onset of COVID-19, these groups were meeting and training bimonthly. Members are trained to volunteer to assist the Police and Fire Departments with traffic control and have been activated as part of the response to COVID-19. Volunteers served as temperature screeners for Village Hall employees, as well as screening employees and volunteers at weekly Farmers Market. Volunteers are also trained as contact tracers and will continue to be involved in the Health Department's COVID-19 response, including staffing vaccination Point of Dispensing.
- Provided all deliverables in support of the Public Health Emergency Preparedness (PHEP) Grant and the Cities Readiness Initiative (CRI) Grant, and successfully applied and are awaiting State approval for FY21.
- The community emergency preparedness was enhanced through reinstating regular Community Stakeholder Emergency Planning Meetings which include participation from both internal staff stakeholders and external stakeholders such as schools, hospitals, utilities and other public health organizations. These meetings were very successful in information sharing and collaboration during the initial response to COVID-19.

## 2021 WORK PLAN

- The Health Department will continue to work collaboratively with all Village Departments on a coordinated a comprehensive response to the COVID-19 pandemic. The response will include, but not limited to, internal stakeholder meetings, external partner meetings, routine testing bulletins, timely public health orders and public health guidance. Plus expert education and consultation to residents, businesses and community partners. The response activities will be extensive and likely require the Health Department to reprioritize goals and objectives as necessary in order to respond quickly and efficiently to the pandemic.
- The Health Department will work with internal and external stakeholders on COVID-19 Point of Dispensing Planning, which entails vaccinating the Village's first responders and 52,000 residents with the COVID-19 vaccine one it is available and distributed by the CDC and IDPH. This effort will include significant planning, resources and committed staff and volunteers to make the operation successful.
- To create new and build upon relationships with local social service providers and medical providers to create a network of care for those families participating in the Family Case Management and High Risk Infant Follow-up programs. The Health Department will work closely with the Collaboration for Early Childhood on this objective.
- The Health Department receives funding from sixteen (16) different grants. The Health Department's goal is to meet and/or exceed all sixteen (16) grants' deliverables in 2020.
- The Health Department is recommending that the Village Board approve the addition of a full-time Public Health Advisor position to work within the Health Department. This position is currently grant funded through May 31, 2021 through the COVID-19 Case Tracing grant, however future grant funding for this position is not guaranteed. The Health Department's recommendation includes funding this position indefinitely within the Health Department's General Fund. The positions responsibilities include managing a community health approach to health care including identifying and addressing vulnerable and disparate populations as it relates to public health disparities, social determinants of health, cultural competence and social justice by meeting with stakeholders, designing appropriate outreach, fostering health literacy, access to services, reduce chronic health inequalities and education for vulnerable and disparate populations. Other responsibilities include communicable disease surveillance, promoting a safe health care environment; providing professional public health nursing services including health education, outreach and promotion which includes disseminating information, making referrals, and counseling as well as managing caseloads.
- The Department is recommending that the Village Board approve a Change

Order for CityView to develop and deliver an Animal License Module to the Village that meets the required deliverables required to manage all aspects of animal licensing with the Village.

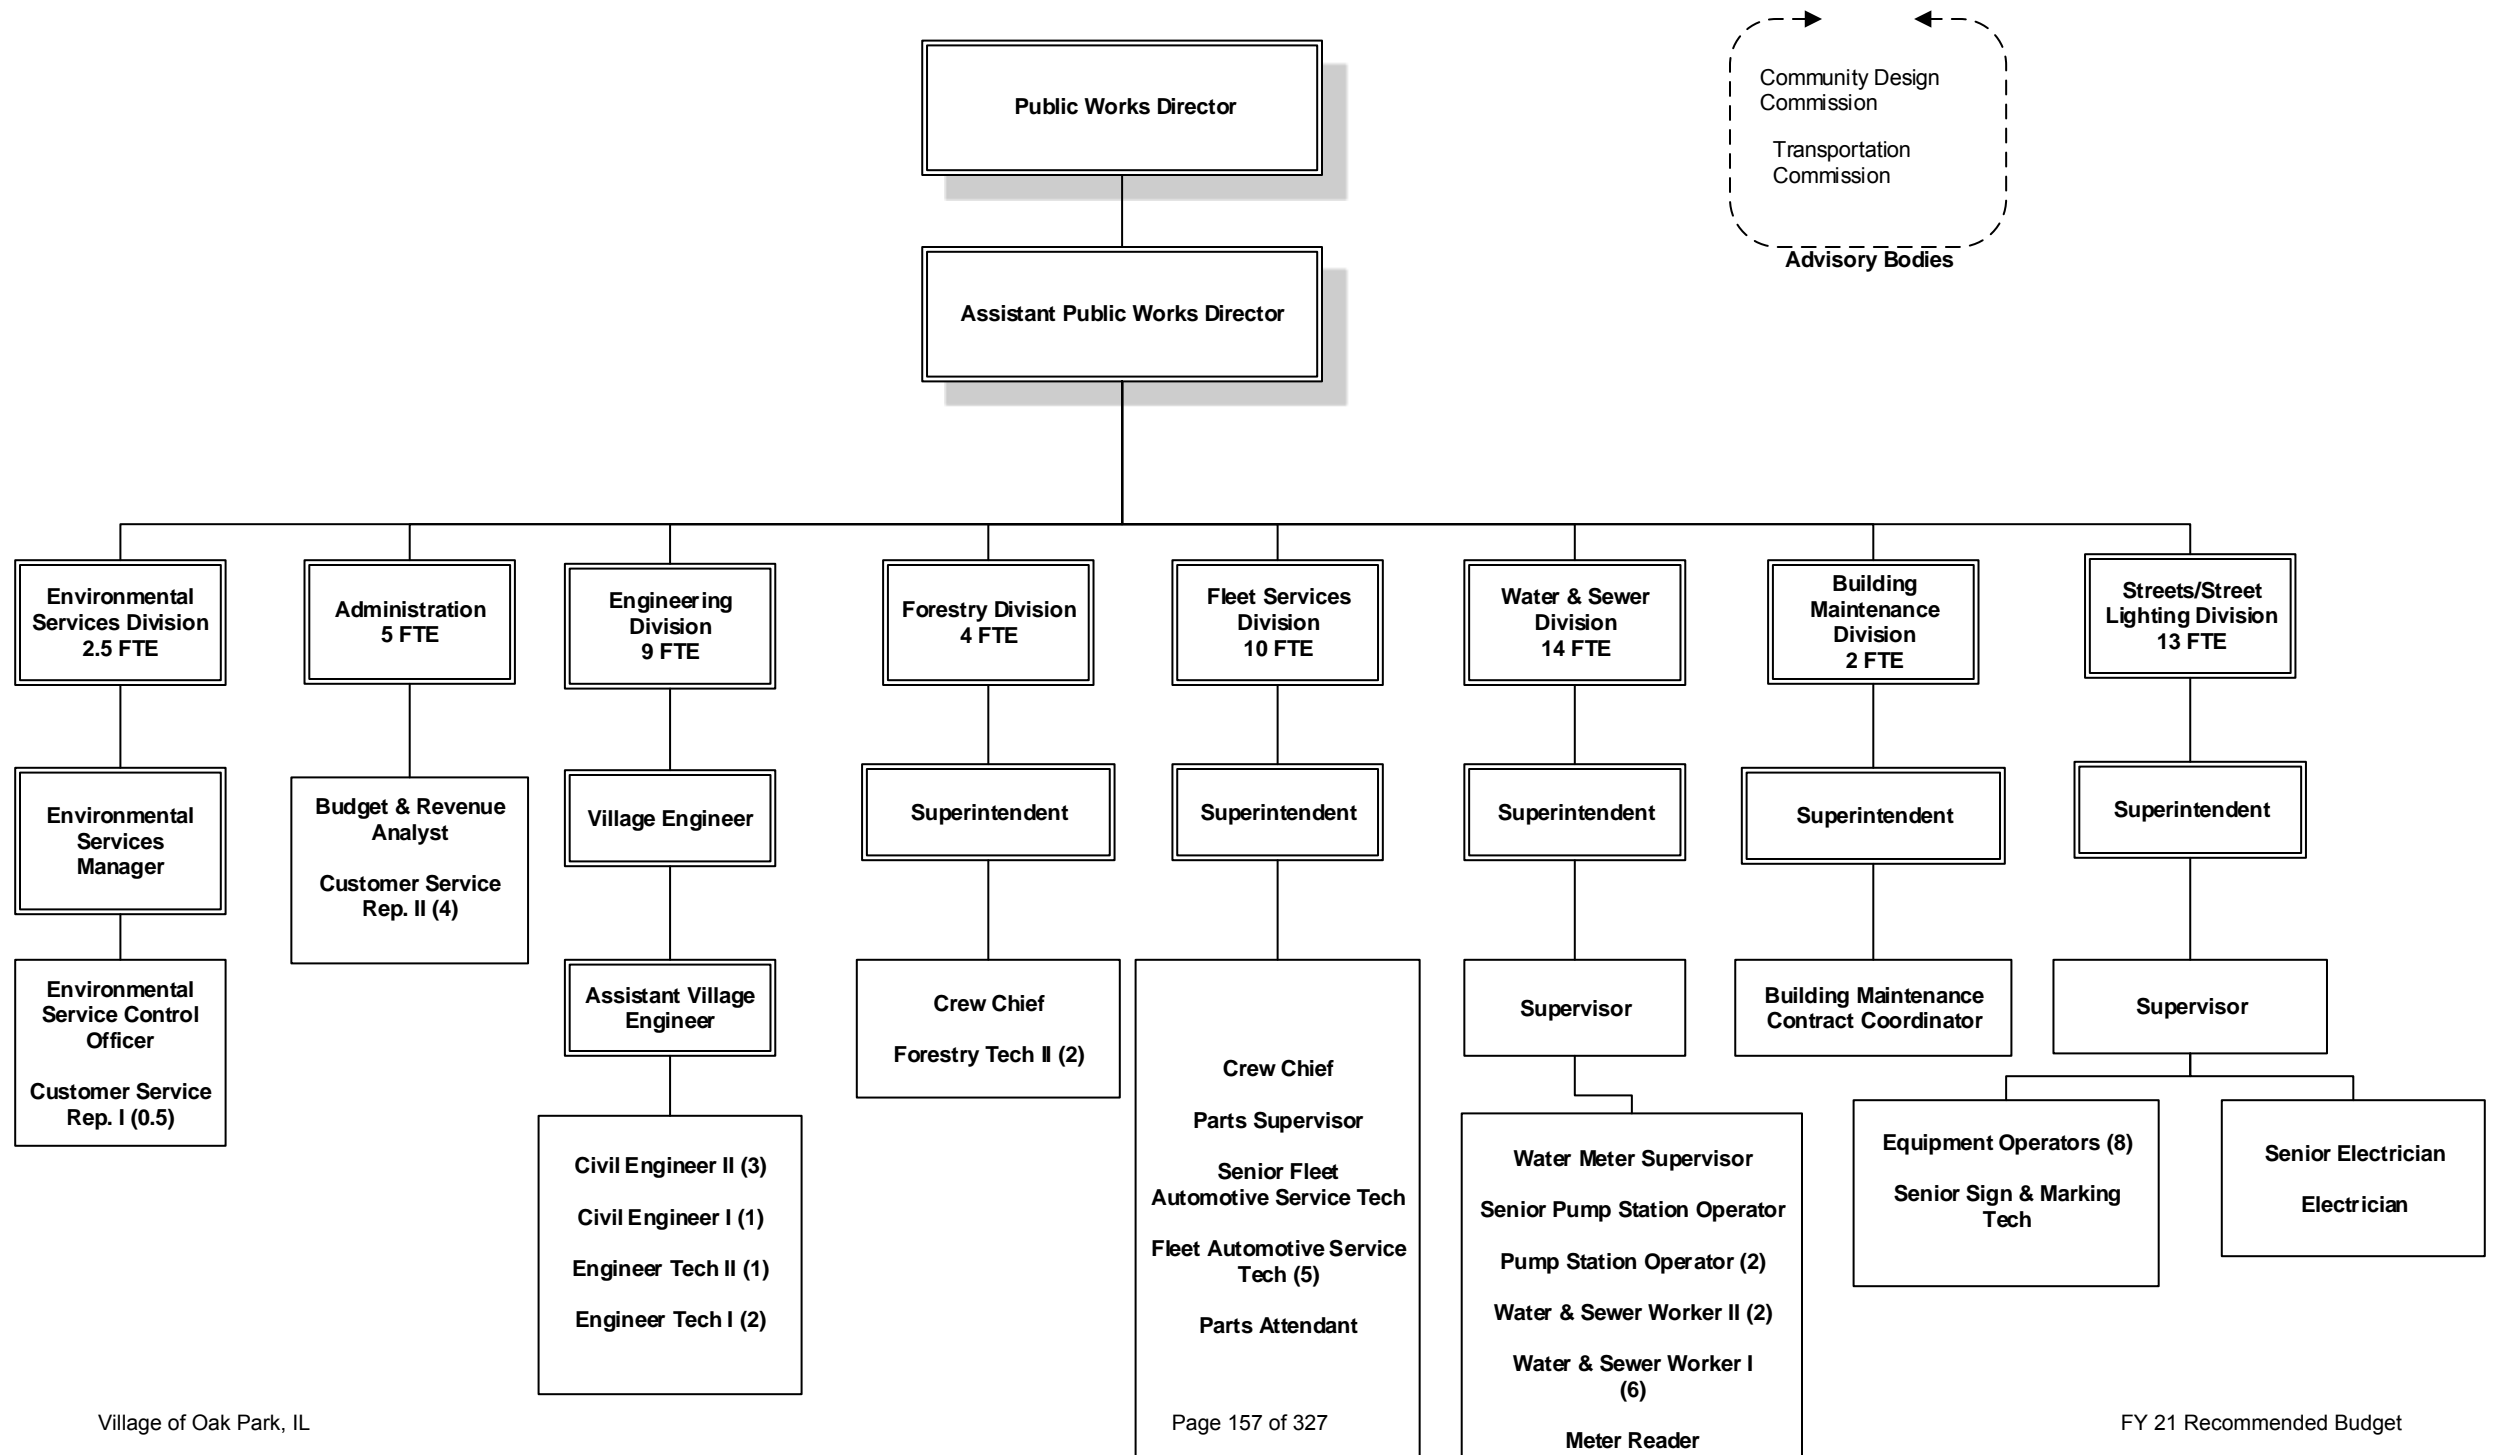

- The Department will research, seek out and recommend new grant opportunities to the Village Manager and Village Board that will benefit the Village fiscally and will enhance the public health of Village residents.
- The Department will continue the partnership with the PCC Wellness Center for medical consultation as required under the Local Health Protection Grant Rules.
- The Oak Park Township's Community Mental Health Board, the River Forest Township's Mental Health Committee and the Health Department will partner and collaborate with schools, hospitals, mental health organizations and all other Public Health organizations on tackling the priorities identified during the IPLAN process. This will be a beneficial partnership to leverage creativity, experience and community resources.
- The Emergency Preparedness Program will continue to seek ways to outreach in the community as well as review opportunities for collaborating with nearby communities.
- The Link double-coupon program will be marketed to, and utilized by, an increased number of recipients as a result of continued funding obtained from the CDBG program as well as from private grant funders.
- Opportunities for increased outreach by organizations and agencies in the community at the Farmers Market will be made available.
- The Food Protection Program will create and offer two educational programs to Oak Park licensed food establishments.
- The Food Protection Program is to be fully compliant with all Local Health protection requirements.

## **PUBLIC WORKS**

### **EXECUTIVE OVERVIEW**

#### **DEPARTMENTAL SUMMARY**

The Department of Public Works is charged with a wide range of tasks associated with the Village's infrastructure. In addition to the more traditional infrastructure-related duties such as street maintenance, safe drinking water delivery, sewer collection, and capital improvements, Divisions within the Department also maintain the Village's extensive urban forest, manage refuse and recycling collections, and maintain traffic signals and streetlights. Public Works staff is also responsible for maintaining all municipal facilities and equipment, including vehicles for Police, Fire, and Park District as well as its own vehicles.

The Department resources include the General Fund, Water and Sewer Fund, Capital Improvements Fund, Motor Fuel Tax Fund and Environmental Services Fund.

Services are provided through the following Divisions: Administration, Engineering, Streets Services, Fleet Services, Building Maintenance, Street Lighting, Forestry, Water and Sewer and Environmental Services.

The Department maintains approximately 103 center line miles (250 lane miles) of streets, 51 miles of alleys, approximately 235 miles of sidewalks, 43 traffic signal intersections (15 of those are maintained for the Illinois Department of Transportation), over 5,000 street lights, 1,000 alley lights and nearly 19,000 trees.

In addition, the Department maintains 212 Village vehicles and equipment, 105 miles of watermain, 3 water pumping stations, over 13,000 water services, 1,200 fire hydrants, 1,350 water valves, 104 miles of sewers, 6,500 catch basins and 2,000 manholes.

## **2020 ACCOMPLISHMENTS**

### **Administration Division**

- The Administration Division and all of the Public Works spent a large portion of the year working on split shifts in an effort to provide a safe environment for the Department's employees.
- All conferences and training was suspended due to COVID-19.
- The Customer Service Call Center located at the Public Works Center is on pace to make over 40,000 customer contacts throughout 2020. These contacts consist of phone calls, voice mails, emails and in-person contacts generating approximately 9,000 work orders. Approximately 4,000 invoices will be processed through the accounts payable process.
- It is anticipated that over 200 Block Parties will be processed this year.

### **Engineering Division**

- The Division successfully designed and managed the 2020 Capital Improvement Program (CIP).
- Successfully implemented online bidding to facilitate contractor plan pickup during COVID-19.
- Managed a variety of consulting firms working on major projects or studies including the Madison St. streetscape project, Oak Park Ave water-sewer and resurfacing projects, oversight of the various developments, I-290 bridge repairs at East Ave, and the Lake St streetscape project.
- Continued working with private developments for public utility and street improvements including District House, Albion development at Lake and Forest, Pete's Fresh Market and Senior Living projects at Madison and Euclid.
- Assisted in the development of the 2021 Capital Improvement Program.
- Public right of way permitting is being successfully completed by an engineering consultant with Village engineer oversight.
- Assisted the Transportation Commission in implementing the Slow Streets Pilot Program to allow for greater social distancing for walking and biking during the COVID-19 pandemic.
- Managed the fiber optic ring installation which connects D97 and Village sites to provide greater connectivity and security for the future joint network.

### **Street Division**

- The Division has brought all litter collection in house in order to cut costs due to the budget short fall caused by COVID-19. Response times for complaints have been cut dramatically and litter complaints are down.
- Village Wide Business District Sidewalk Pressure Washing has also been brought in house. This has made the scheduling of the work more flexible. The staff can do different areas as needed during early morning hours instead of overnight. Problem areas can be done with more frequency. Quality has also increased with in house personnel.
- Although the majority of Utility Opening Restorations are still done by a contractor, staff is taking on more of these in house.
- There has been an increase of graffiti this year. Working with the Community Relations Department, the division has made response times a priority in order to keep up with the high rate of incidences.

- Contractual Street Sweeping has been reduced due to the pandemic shortfalls. Staff is supplementing their work with the in house street sweeper. With parking restrictions on hold, there are a lot of parked cars to go around. Regardless, the streets have remained fairly clean in most areas.
- The snow season was mild with low amounts of snow and the numbers of events.
- The Street Division assisted Engineering with setting up outside dining areas with water filled barriers for area businesses.
- With the pandemic, the farmers market has moved on to area streets. The Division sets up and breaks down the street closures weekly on Saturdays.
- Staff continues to do all the Village wide trash container emptying. Response times to full cans have been cut down due to communication being more direct.
- Sign Shop Work numbers have been down due to the partial schedule that was instituted at the beginning of the pandemic. Last minute sign fabrication has been utilized for the Farmers Market and DTOP's Thursday Night Out.

### **Street Lighting Division**

- The second phase of the Residential LED Street Light Project continued.
- Street lighting and Traffic Signal utility locates are done in-house. With all the construction projects and a large fiber optic project, the volume of locates and refresh marks have increased. • With costs of repairs by contractors increasing, we are studying ways to do more of the work in-house when possible.
- Continued to replace street light and traffic light outages in a timely manner.

### **Fleet Services Division**

- Between June 2019 and June 2020, 12,510 pounds of scrap metal have been recycled utilizing the communal container maintained in Fleet Services. As the vendor collects and deposit said container Public Works man-hours are saved not transporting scrap.
- Through auction proceeds the Division has recouped almost \$36,000 from surplus vehicle/equipment disposal. The decrease this year was due to the pandemic interrupting auction times and decreasing equipment replacement for this year.
- Added two hybrid vehicles, replacing two ICE (Internal Combustion Engine) vehicles, expanding the Village's green fleet.
- Maintained the Automotive Service Excellence (ASE) Blue Seal certification for Fleet Services staff.
- Continued the utilization of Telematics in the Village Fleet.
- Telematics are used to report Automatic Vehicle Location (AVL or commonly referred to as GPS), report vehicle trouble codes, report vehicle usage and to identify as well as reeducate excessive idling offenders, helping to continue the decrease usage of fossil fuels.
- Reports are also used to evaluate vehicle utilization and needs among divisions.
- Replaced four pieces of equipment per the amended 2020 Fleet Replacement Program.
- Purchased one garbage truck, one unmarked squad car, one hybrid marked squad car and one hybrid Parking Enforcement vehicle.
- Maintained the Village essential equipment during the pandemic's modified staffing schedule. Kept all frontline equipment downtime to a minimum. Continued focus on preventative maintenance. Scheduled downtime is manageable, unscheduled downtime is not.

- Developed and instituted a COVID-19 vehicle usage and cleaning procedure for all Village equipment.

### **Building Maintenance Division**

- The Building Maintenance Division worked closely in conjunction with the Village Manager's Office throughout the early part of 2020 during the COVID-19 pandemic to ensure the safest possible re-opening of Village Hall for all staff and the public. Some specific improvements and modifications included:
  - Rearrangement of Village Hall furniture to maintain adequate social distancing between staff and the public.
  - Installation of permanent glass and plexiglass structures to protect staff from the public.
  - Installation of new doorways in the Cashier's Office and the Adjudication Office so those staff members could access those areas without coming in contact with the public.
  - Purchase and installation of several room dividers, stanchions, signage and hand sanitizing stations throughout all of Village Hall.
  - Establishment of a recurring deep cleaning service for the Police Department.
- The Village entered into a contract with the consulting/engineering firm of Clark Dietz to design a new and improved HVAC system for the Police Dept. firing range in the lower level of Village Hall. Staff met with PD and the consultant several times throughout the spring and summer of 2020. As of June, the anticipated completion date is late September.
- A supplemental air conditioning unit was installed in the MDF room (IT computer room) at the Public Works Center. This unit will serve as a back-up unit when the main unit breaks down which will protect the various expensive pieces of IT equipment.
- Building Maintenance staff worked closely with the Building Maintenance contractor, the custodial contractor and the janitorial paper supply company throughout the COVID pandemic in 2020. All contractors and vendors worked very hard to accommodate all of the Village's requests for supplies and PPE as well as various modifications to Village buildings meant to protect staff and the public. New touchless water faucets were installed in all restrooms at Village Hall, and protective glass was installed where staff and the public interact at Village Hall and Public Works Center. Additionally, several automatic hand sanitizer dispensers were installed throughout Village Hall.
- A new ADA platform lift was installed at the Village Hall main entrance. It replaced an outdated and inoperable lift that had been in place for over 20 years.
- A new security gate was installed at the Village Hall main entrance, including a drywall covering for the new barrel and motor. The new gate replaced an old and inoperable gate that broke down beyond repair at the end of 2019.
- A very good working relationship was established between the new Building Maintenance contractor and staff. The contracted workers are very knowledgeable and professional and overall service of the Division has improved over the previous contractor.
- Three new exterior doors were installed at Village Hall:
  - The Lombard side entranceway, which included a new intercom and camera system so the Police Dept. can monitor ingress and egress of citizens into the lower level of Village Hall.

- The east courtyard door.
  - The west courtyard door, which include a new key card reader.
- Staff issued an RFP for new floor mat services and in doing so was able to secure a new floor mat service provider saving the Village over \$15,000 annually.
- Staff issued an RFP for new pest control/management services and was able to secure a new pest control company which also is saving money for the Village.

### **Forestry Division**

- The Division and its contractors pruned approximately 6,000 parkway trees in sections three and four (the middle third) of the Village through the Village's Parkway Tree Cycle Pruning Program.
- The Division and its contractors removed approximately 200 parkway trees across the village that were dead, diseased or otherwise in decline.
- Planted a diverse mix of 128 high-performing, properly sited parkway trees throughout the Village and maintained them with contracted watering crews.
- Maintained over 180 permanent landscape areas and planting and maintained over 435 planters in 12 Business Districts throughout the Village.
- Re-inventoried one third of the Village's Urban Forest.
- Received Accreditation from Tree City USA.
- Continued care and maintenance of two bee hives on the roof of the Public Works Center and two additional hives on the roof of Village Hall.

## **2021 WORK PLAN**

### **Administration Division**

- The Department will continue to work towards providing exceptional Customer Service by managing requests and work orders through the Request for Action (RFA) database as well as completing the performance measures and monthly reporting.
- The Department will host a Public Works Open House as part of the EarthFest event.
- Staff will continue to coordinate regular safety meetings of the entire Department as well as offer opportunities for continued professional growth of the staff utilizing professional organizations.

### **Engineering Division**

- Design and manage the 2021 Capital Improvement Program.
- Oversee construction of the Madison St Streetscape project between Oak Park Ave and East Ave, and the Oak Park water-sewer and resurfacing projects.
- Coordinate with private development construction projects related to public improvements to minimize impacts to the community.
- Continue to manage various consultants working on capital projects.
- Continue to improve permit review and inspection services through the use of consultant.
- Update the system-wide pavement condition scores for streets and alleys, which helps determine the 5-year capital improvement program.
- Complete Madison St traffic calming data collection when traffic is more regular after COVID-19 and start construction.
- Construct traffic calming improvements on Forest Ave between Lake St and Marion St.

### **Street Division**

The Division will continue to make the safe travel of Village streets a priority through:

- Snow Plan updating and putting it into practice through improved process and equipment training .
- Regular pavement maintenance such as utility patching, pothole repair, bluestone and brick upkeep and street sweeping.
- Replacement of faded/unreadable/low reflective signage Village wide and the rapid replacement of damaged STOP and other regulatory signs.
- Assisting Forestry operations after storm damage occurs.
- Immediate vehicle accident clean up when called upon.

The Division will continue to keep the Village clean and beautiful through:

- Direction of the street sweeping contractor and assistance with in-house supplemental help in the effort to continue to keep the streets clean and inlets clear of debris.

- Timely upkeep and maintenance activities of business district areas, viaducts and the Village as a whole through in-house litter removal, trash container emptying and regular sidewalk power washing.
- Immediate removal of graffiti and dead wild life.
- Re-sealing of the bluestone sidewalks in Downtown Oak Park and the Pleasant District areas in order to keep them viable for years to come.

### **Street Lighting Division**

- The Division will do more to repair cable hits in-house saving on contractual costs
- Oversee completion of the last stage of the residential street lighting LED change out project (if not completed this year).
- We are hoping to do some training on the Opticom system which allows emergency personnel to change traffic signal lights in order to pass through intersections in a safe manner, and the Centracs system which allows engineers and electricians to monitor and manage traffic through the traffic signals in order to improve traffic flow, also monitors malfunctions.
- Continue Traffic Signal Controller & Detection Equipment replacement and Street Light Control Cabinets as required.
- Continue to make timely repairs on streetlight and traffic signal outages and JULIE Locates.

### **Fleet Services Division**

- Evaluate adding additional electric, hybrid or other alternative fuel vehicles, as technology develops, to the Village Green Fleet, while remaining fiscally responsible.
- Maintain Fleet Services ASE Blue Seal of Excellence classification.
- Expand the use of Telematics in Village equipment to other divisions helping Fleet evaluate usage, fleet size and needs, as well as provide coaching for proper vehicle usage.
- Complete hands on inventory of the parts department.
- Continue to find ways of increasing employee productivity while maintaining a high level of service.
- Continue to search for increased educational opportunities to improve our employee's skill sets, both soft and technical.
- Add another ASE Master Technician certification to Fleet Services.
- Complete reevaluation of the entire village fleet.
- Collaborate with divisions on their needs and wants, taking into account new budgetary constraints and the effects of extending equipment lifecycles. Spec out and replace equipment as funding allows with Village Board approval of the Fleet Replacement fund.
- Another notable 2021 work plan item is listed in the Building Improvement Fund Budget. (Truck lift addition to supplement current maxed out drive on lift.)

### **Building Maintenance Division**

- The 2021 Work Plan for the Building Maintenance Division includes continuation of excellent and reliable service from the Building Maintenance contractor.
- Staff plans to renew agreements with contracted mechanical, electrical and plumbing companies to ensure uninterrupted service and operations at all Village buildings.

- Staff plans to successfully complete all of the planned CIP Building Improvement Fund projects scheduled for 2021.
- Staff intends to play an integral part in the COVID-19 response should the need arise in early 2021.

### **Forestry Division**

- Improve the quality of the urban forest and reduce resident request based work by continuing the three year pruning cycle that will include all trees over 2".
- Maintain the Village urban forest in a safe, competent, and timely manner.
- Development of new Standard Operating Procedures for safe work practices.
- Provide cross training opportunities for Public Work's employees in other divisions.
- Evaluate performance of both contractors and division staff for different types of work.
- Strive for continuous improvement to the Village owned landscapes in the business districts as well as other Village maintained landscape areas.
- Drafting of an Urban Forestry Management plan for the Village. This document will give readers an understanding of the current state of the Village's Urban Forest; outline its needs and develop standard operating procedures in its maintenance. The document will help guide the Village's forestry program in the future by identify short and long range action items and putting a value and cost on them.
- Development of a new parkway maintenance and installation ordinance with a focus on more native landscaping material.
- Continue to improve the species diversity of the Village urban forest with the removal of poor quality and dying trees and replacement with new improved cultivars and species procured through the Suburban Tree Consortium and a contract growing program.
- Improve the continued use of the Village's online tree inventory by tracking all pruning work.
- Installation of a bioswale rain garden at the Public Works Facility with partial funding through an MWRD Grant.
- Continue the care and maintenance of bee hives at Village Hall and the Public Works Center.
- Seek Accreditation from Society of Municipal Arborists for our Forestry Program.
- See Accreditation as a Tree City USA from the Arbor Day Foundation.
- The hiring of a new Forestry Superintendent during Q1

## VILLAGE CLERK'S OFFICE

### EXECUTIVE OVERVIEW

#### DEPARTMENTAL SUMMARY

The Office of the Village Clerk records the proceedings of all Village Board meetings, including committee and special meetings; maintains all official records of the Village Board (including minutes and ordinances), is the keeper of the Village Seal; and monitors Village compliance with the Open Meetings Act and Freedom of Information Act. The Village Clerk's office also serves as the local election authority and registrar for voters.

#### MISSION STATEMENT

**Our Purpose** is to keep official records in an independently managed and publicly accessible elected office.

**Our Business** is to provide meticulous and professional records management, and to facilitate public participation in open government.

**Our Values** are to provide gracious, diplomatic customer service, and serve with fairness and accuracy.

The statutory requirements of the Village Clerk's Office include:

- Attend all meetings of the Corporate Authorities (Village Board) and keep a full journal of its proceedings. 65 ILCS 5/3.1-35-90(a).
- Keep the corporate seal of the Village, and keep all books, records, ordinances, resolutions, and papers belonging to the Village, the custody and control of which are not given to other officers.
- Make preparations for and supervise all Village elections. 65 ILCS 5/1-1.8.
- Issue all notices under the Open Meetings Act, including the annual notice and notices of special meetings. 5 ILCS 120/2.02(a).
- Administer oaths. 65 ILCS 5/5-3-9.
- Administer the Freedom of Information Act and the Local Records Act, which provides for the preservation and destruction of public records. 5 ILCS 140/3.5; 50 ILCS 205/4.
- Manage all reports, filings, notices and publications made on behalf of the Village, including the filing of a certified copy of the tax levy ordinance, copies of annexation or disconnection ordinances, copies of subdivision plats and other documents with the county clerk and county recorder. 65 ILCS 5/5-3-2.
- Prepare a certification of the authenticity of the annual report and further attest that it was published or posted as required by state statute. 50 ILCS 305/1.
- Receive service of process in litigation filed against the Village. 735 ILCS 5/2-211.

Under the Village Code, Oak Park has designated the Village Clerk's Office to:

- Receive and maintain all disclosure statements for conflict of interest and code of ethics for elected and appointed officers of the Village.
- Work with the Citizen Involvement Commission in order to foster citizen participation on various boards, commissions, and committees of the Village.

## **2020 ACCOMPLISHMENTS**

### **MINUTES, RECORDS AND TRANSCRIPTS**

The Village Clerk's Office supplies minutes for all Village of Oak Park regular session Board meetings and for special Village Board meetings, executive sessions, and committee meetings. All minutes, records, resolutions, proclamations, ordinances, and contracts are maintained in the Village Clerk's Office.

### **ADVISORY BOARDS AND COMMISSIONS**

The Village Clerk's Office maintains records for membership on 19 boards and commissions, appointments and reappointments of commissioners, maintains certification of the Open Meetings Act requirement, and serves as the staff liaison to the Citizen Involvement Commission. The Village Clerk's office and the Citizen Involvement Commission have increased citizen awareness of civic service, worked to engage and recruit from all sectors of the community, provide needed support and training to commissioners, and maintained a low vacancy rate on volunteer commissions.

### **LOCAL ELECTION OFFICIAL, OATH OF OFFICE, AND VOTER REGISTRATION**

The Village Clerk's Office received petitions for eighteen candidates for various municipal offices for the 2019 consolidated election. The Village Clerk's Office certified all candidates and referendum questions, certified the ballot, hosted voter registration, grace period registration, early voting, and certified results of the election to the Cook County Clerk's Office. The Village Clerk swore in all newly elected officials, police officers, and fire fighters.

### **NOTARY SERVICES AND CUSTOMER SERVICE**

The Village Clerk's Office averages providing free notary services to approximately 30 residents a month and assisting 200 members of the public with access to Village records and services.

## **2021 WORK PLAN**

### **MINUTES, RECORDS AND TRANSCRIPTS**

The Village Clerk's office will maintain and archive appropriately Village minutes, records and transcripts so that they are quickly and accurately accessible for review. In doing so, the Village Clerk's office will identify needed updates and improvements in current procedures. The Village Clerk's office will work with the Village Manager's Office in transferring information to Laserfiche records management software as needed.

### **FREEDOM OF INFORMATION ACT**

The Village Clerk's office plans to implement procedure improvements, identified through a proper review, for processing of freedom of information requests. In addition, the Village Clerk's office plans to evaluate options for storing and making accessible results of freedom of information requests for public view.

### **ADVISORY BOARDS AND COMMISSIONS**

The Village Clerk's office, with the Citizen Involvement Commission, will continue to increase citizen awareness of civic services, engage and recruit volunteers from all sectors of the community, and provide needed support and training for commissioners with a goal of filling all vacancies and maintaining an appropriate waitlist.

### **LOCAL ELECTION OFFICIAL, NOTARY SERVICES, AND VOTER REGISTRATION**

The Village Clerk's office will work to increase voter turnout for municipal elections by increasing voter registration, spreading awareness of upcoming elections and volunteer opportunities, and responding to a community desire for transparency and understanding of how decisions are made in the Village of Oak Park.

The Village Clerk's office will collaborate with Village staff and community partners to educate members of the community regarding Census 2020 and support strong participation from all sectors of the Village.

The Village Clerk's office will continue to provide notary services and voter registration.

## **VILLAGE PRESIDENT & BOARD OF TRUSTEES**

Pursuant to §2-2-4 of the Municipal Code the Village President and Board of Trustees via their legislative authority established under state law are elected by the citizens of Oak Park to establish the policies related to the operation of the Village Government. The Village President and Board of Trustees are responsible for the selection and employment of the Village Manager and annually establish the goals and vision for the organization and authorize the annual budget/appropriations document to support the implementation of these goals.

## **Special Revenue Funds**

Special Revenue Funds are isolated from the general operations of the Village. These funds are for the financial management of Village services funded by revenues that have been earmarked for specific purposes. While the use of such revenues is sometimes guided by state and federal requirements, they can also be guided by policy directives from the Village Board of Trustees.

The Village maintains the following Special Revenue Funds:

- Bullet Proof Vest Grant Fund
- Community Development Block Grant (CDBG) Fund
- Community Development Block Grant Revolving Loan Fund
- Cook County Lead Hazard Prevention Grant Fund
- Earth Fest Fund
- Emergency Solutions Grant Fund
- Farmer's Market Fund
- Federal Recovered Drug Asset Forfeiture (RICO) Fund
- Foreign Fire Insurance Fund
- Health Grant Funds
- IL Department of Transportation Grant Fund
- Madison Street Tax Increment Financing District Fund
- Motor Fuel Tax Fund
- Special Services Area (SSA) #1 Fund
- Section 108 Loan Fund
- Special Services Area (SSA) #7
- Special Services Area (SSA) #8
- State Recovered Drug Asset Forfeiture (RICO) Fund
- Sustainability Fund
- Tobacco Enforcement Program Fund
- Travel, Training & Wellness Fund

## **Bullet Proof Vest Grant Fund**

### **Fund Summary:**

The Bullet Proof Vest Grant is a U.S. Department of Justice initiative designed to provide a critical resource to state and local law enforcement. The police department applies for the grant every year to purchase and replace sworn officers' bullet proof vests.

## **Community Development Block Grant (CDBG)**

### **Fund Summary**

The Community Development Block Grant (CDBG) program is HUD's most important community development program and it is one of the most flexible programs provided to the Village by the federal government. This flexibility is designed to promote innovative programs in economically disadvantaged areas of the community.

The Emergency Solutions Grant (ESG) program is designed to identify sheltered and unsheltered homeless persons, as well as those at risk of homelessness, and provide the services necessary to help those people quickly regain stability in permanent housing after experiencing a housing crisis and/or homelessness.

## **Community Development Revolving Loan Fund**

### **Fund Summary**

At present, funding for the single family rehab loan program is from the Village's Revolving Loan Fund. The Revolving Loan Fund consists of funds that were re-paid by prior homeowners. Additionally, we give homeowners with lead based paint hazards a grant using CDBG funds to correct such hazards.

## **Cook County Lead Hazard Prevention Grant Fund**

### **Fund Summary:**

The Cook County Board of Commissioners authorized the creation of the Lead Poisoning Prevention Fund establishing a Lead Prevention Program. Funds from the Lead Prevention Program are utilized to award grants to provide for the provision of lead mitigation and abatement services to low income applicants. The Lead Prevention Program (LLP) Grant is administered by the Cook County Department of Public Health Lead Poisoning Prevention and Healthy Homes Unit (LPPHHU).

The Village of Oak Park is a LLP grant recipient for this program and is responsible for soliciting, receiving, maintaining and documenting its review of all applications for assistance through the LPP Grant Program. The program is limited to single family homes or single dwellings within a residential building and is further targeted towards persons at risk. Qualifying units must be owned by low income homeowners and be occupied by at least one pregnant woman or occupied by at least one child, six years or younger, who has tested positive for lead in their blood. Direct lead hazard control activities would be initiated by the Village that would consist of lead abatement or mitigation, lead risk assessments, occupant relocation, and clearance testing.

## Emergency Solutions Grant Program

### Fund Summary:

The Emergency Solutions Grant (ESG) Program is the first step in a continuum of assistance to prevent homelessness and help homeless persons move toward independent living. The ESG Program was originally established in 1986 to address the issue of homelessness in the United States. The Village receives ESG funds from the U.S. Department of Housing and Urban Development to assist persons experiencing homelessness and those at risk.

Village-funded non-profit agencies assist approximately 1,000 persons with ESG funds each program year. In addition to using a small amount of funds to administer the Oak Park ESG Program, the Village provides funds to non-profit agencies to operate the activities listed below.

- **Emergency Shelter** – Immediate temporary housing, along with the provision of case management and food for those experiencing a loss of housing.
- **Homelessness Prevention** - Assistance designed to reduce the number of people who become homeless for the first time, including financial assistance and services.
- **Rapid Re-Housing** - Rental assistance and supportive services to help an individual or family that is homeless move as quickly as possible into permanent housing and achieve stability in that housing.
- **Street Outreach** - Services necessary to reach out to unsheltered homeless individuals and families and connect them with emergency shelter, housing, and/or critical services and care.
- **Homeless Management and Information System (HMIS)** - A sophisticated database that measures the needs and characteristics of homeless persons, and reports on the specific assistance provided.

## **Farmer's Market**

### **Fund Summary:**

The Oak Park Farmers' Market offers high quality, locally grown produce. The Market offers a vision of stepping back to simpler times when produce could be purchased directly from farmers.

The Market is open every Saturday beginning the second to last Saturday of May through October. In 2020, the COVID-19 Pandemic forced modification of traditional operations in accordance with Public Health Guidance. The Market location was expanded from the parking lot at Pilgrim Church, to include the use of public streets south of Lake Street on Scoville, South Boulevard and East Avenue.

Through October 10, 2020 the Village has held twenty (87%) of the twenty-three Markets planned for the year. Combined attendance to date is 54,492. Additionally, pick-up of on-line pre-orders has exceeded \$100,000 in sales to date. The week of October 10<sup>th</sup>, 101 customers used the pre-order on-line and pick-up pilot program. The program has served 1,769 customers to date.

The 2020 Market has benefited from the volunteer services of approximately 58 separate local individuals. This is a huge increase in volunteer service, compared to previous years.

## **Federal RICO Fund**

### **Fund Summary:**

The Federal Recovered Drug Asset Forfeiture Fund is a fund by which assets related to drug crimes can be seized by federal government. A percentage of those seized assets can then be turned over to the involved local enforcement agencies. Proceeds can only be used for law enforcement purposes and have been utilized in the past to purchase police vehicles and other crime fighting equipment.

## **Foreign Fire Insurance Fund**

### **Fund Summary:**

The Foreign Fire Insurance program is comprised of a Board of Directors that is elected from the members of the Oak Park Fire Department. The mission of the Board is to receive and account for revenues from the tax issued on fire insurance policies sold by foreign (out of state) insurance companies, and to use such funds for the maintenance, use, and benefit of the Oak Park Fire Department.

## Health Grant Funds

### Funds Summary:

The Oak Park Public Health Department is funded from a combination of sources including local fee-for-services, local tax support and **grant funding** from Federal, State, County and other not-for-profit grant sources. The Oak Park Public Health Department has been Illinois State Certified Public Health Department since 1948. Being a certified state health department makes the Health Department eligible to apply for various state grants only available to state certified health departments. The Health Department's 2021 budget includes \$740,835 in potential grant revenue from sixteen different grant programs. Of those sixteen (16) grants, eleven (11) grants have been awarded because the Health Department is a state certified health department.

1. Local Health Protection Grant: As a certified local health department, the Oak Park Health Department must implement a comprehensive program to control infectious diseases and a comprehensive food protection program. Each certified local health department must administer these health protection programs in accordance with the Local Health Protection Grant Code (77 Ill. Adm. Code 615).
2. Narcan Distribution Grant: IDPH monies to be used to support Narcan purchase for the Oak Park Police Department and/or Fire Department.
3. Body Art Grant: This Body Art Establishment and makes possible the inspection of businesses in Oak Park that provide body art services. Inspections are conducted as required by the Body Piercing Establishment Registration Act by trained local health department inspectors.
4. Lead Poisoning Prevention Grant: Provides funding to local health departments to carry out the provisions of the Lead Poisoning Prevention Act (410 ILCS 45/1) and Lead Poisoning Prevention Code (77 IAC, Part 845) through nursing case management and environmental inspection.
5. Vector Surveillance and Control Grant (IDPH & Cook County): Provides funding to local health departments for surveillance and prevention of West Nile virus, Zika and other mosquito-borne and vector-borne diseases (mosquitoes, ticks, rodents and other potential vectors of human disease, and conduct surveillance of animals that provide a reservoir for disease producing organisms) as described in the Vector Control Act (410 ILCS 95).
6. Illinois Tobacco-Free Communities Grant: The purpose of this grant is to provide funding to certified Illinois local health departments to implement strategies and activities for tobacco prevention and control within their jurisdictions. Under the Illinois Tobacco-Free Communities (ITFC) program, local tobacco prevention and control programs will implement science-based, policy-focused strategies aligned with State and national goals and objectives to 1) prevent tobacco use among youth; 2) promote tobacco use cessation among adults and youth; 3) eliminate exposure to secondhand smoke; and 4) identify and eliminate tobacco-related health disparities among specific population groups.

7. Public Health Emergency Preparedness Grant: The purpose of this grant is to fund eligible Illinois certified local health departments to assess, prioritize, build, and exercise the necessary resource elements, tasks, and functions of the Centers for Disease Control and Prevention's (CDC) 15 Public Health Emergency Preparedness (PHEP) Capabilities National Standards. These standards are intended to prepare the Village to prevent, mitigate, and recover from the top hazards to public health in its jurisdiction. This includes both specific mandated deliverables from the Scope of Work and Performance Measures selected during the application process, as well as various activities selected and prioritized by the applicant according to these instructions.
8. Community Readiness Initiative Grant: The purpose of the Cities Readiness Initiative Program is to provide funding to certain certified, local health departments located in federally-designated Metropolitan Statistical Areas (called MSAs) in Illinois, outside of the City of Chicago, to prepare for public health events involving the distribution and mass dispensing/ mass vaccination of emergency medical countermeasures. These jurisdictions in Illinois are as follows: Chicago MSA, Peoria MSA, and St. Louis MSA. The geographical boundaries of the Metropolitan Statistical Areas are as defined by the Federal Office of Management and Budget (OMB).
9. Medical Reserve Corp grant: This grant supports the operational needs of the Village's Medical Reserve Corp.
10. Family Case Management Grant: Family Case Management (FCM) is a statewide program that provides comprehensive service coordination to improve the health, social, educational, and developmental needs of pregnant women and infants from low-income families in the communities of Illinois (410 ILCS 212/15). Family Case Management (FCM) aims to "assess current needs within the State and provide goals and objectives for improving the health of mothers, children, and for reducing infant mortality" (Joint Committee on Administrative Rules, Section 630.20).
11. High Risk Infant Follow-up Grant: The Department of Human Services (DHS) Bureau of Maternal and Child Health (BMCH) aims to facilitate case management services to high risk infants and children ages 0-2 years old statewide with the goal of reducing infant mortality and morbidity rates at both the state and local level. Assistance in obtaining health and human services which promote healthy growth and development will be provided to low income high risk families as mandated in the Illinois Family Case Management Act through two programs listed in this Notice of funding opportunity. For the HRIF program Infants and children are referred to the high risk infant follow up program either through the Adverse Pregnancy Outcomes Reporting System (APORS) or based on assessments done in the Family Case Management program which determine that specific physical or social risks are present. The primary goals of HRIF are to:
  - Minimize disability in high risk infants by early identification of possible conditions requiring further evaluation, diagnosis, and treatment
  - Promote optimal growth and development of infants
  - Teach family to care for high risk infant
  - Decrease stress and potential for abuse

12. PHIMC HIV Grant: The purpose of this grant is to provide specific HIV prevention services to targeted populations of individuals living with or at high risk of HIV.
13. Shawnash Institute Grant: This grant provides funding to support the Farmers' Market's SNAP benefits Double Coupon program.
14. CDBG Farmers' Market Healthy Nutrition Incentives Program: This grant provides funding to support the Farmers' Market's SNAP benefits Double Coupon program.
15. Cook County West Nile: The purpose of this grant is to provide additional funding for control larval mosquitoes of the genus *Culex*, the primary vectors of WNV and SLE in suburban Cook County, CCDPH.
16. COVID-19 Contact Tracing Grant: This grant is a one-year grant agreement (June 1, 2020 – May 31, 2021) to support the Oak Park Health Department in conducting contact tracing programs. Contact tracing is a critical component of the COVID-19 pandemic response and a key strategy to preventing further spread of COVID-19. Contact tracing links to epidemiological case investigation, identifying, assessing and managing persons exposed to a positive COVID-19 case and connecting persons to resources to assist them during quarantine. To ensure contact tracing is a successful disease control measure, it is important local health departments have the capacity to appropriately implement program activities locally. The funding will support building capacity (competency, training, human resources for key roles identified, literacy and interpretation services), responding to outbreaks in congregate settings, facilities and community and performing necessary interventions (case investigation and contact tracing), collaborating and providing for resource coordination (food, housing, alternative housing, medicine, social services, etc.), having surge support for call centers and follow-up, promoting testing in vulnerable and health disparity populations, ensuring health equity and addressing community and regional network for successful sustainability of the local contact tracing program.

## **Rebuild Illinois Grant Fund**

### **Fund Summary:**

In 2019 Governor Pritzker signed the REBUILD ILLINOIS capital plan to fund transportation projects throughout the state. As part of this plan the Motor Fuel Tax (MFT) law was amended to increase the motor fuel tax. A portion of this increased revenue from motor fuel taxes is being used to fund the roughly \$1.5 billion REBUILD ILLINOIS capital plan. The State will distribute these Rebuild Illinois grant funds to municipalities in six (6) disbursements over a three (3) year time period. The Village of Oak Park is scheduled to receive an estimated \$3,418,964 over this three (3) year time period starting in 2020.

Rebuild Illinois Grant Funds can only be used for bondable transportation capital improvements with an average useful life of 13 or more years and must follow The Illinois Department of Transportation processes and procedures.

## **Madison Street Tax Increment Financing District**

### **Fund Summary:**

The Madison Street TIF was adopted by the Village Board on February 6, 1995 and at that time it identified the following projects (along with costs estimates) for the Madison TIF District:

The Madison Street TIF terminated on December 31, 2019. However, a budget is provided to account for any residual expenses which were obligated on or before this TIF expiration date but have not yet been invoiced or paid.

## **Motor Fuel Tax Fund**

### **Fund Summary:**

The Motor Fuel Tax (MFT) Fund receives the Village's share of the state gasoline tax distributed to municipalities based on a multi-layered formula. These funds are transferred to the General Fund to be used for labor and material costs associated with maintaining roadways throughout the Village.

## **Special Service Area (SSA) #1**

### **Fund Summary:**

The Special Service Area (SSA) #1 Fund is used to account for the property tax receipts as collected by the County. The area, which is confined to the greater downtown Oak Park area, levies a separate tax to assist in the marketing and promoting of businesses in the district.

The expenditure of the these funds is subject to the on-going application of an agreement between the Village of Oak Park and the Harlem Lake Marion Corporation (commonly referred to as Downtown Oak Park).

## **Section 108 Loan Fund**

### **Fund Summary:**

The Village's Section 108 Loan Fund was established in order for Oak Park businesses to be able to utilize up-to \$3 million dollars in available federal money provided by the Department of Housing and Urban Development (HUD). Eligible Oak Park Section 108 Loan Fund activities include acquisition, rehabilitation, operating capital and the purchase and installation of equipment.

Federal guidelines require that every Section 108 Loan Fund activity must be CDBG-eligible and must create and/or retain permanent full-time jobs, at least 51 percent of which must be held by or made available to low and moderate income persons. Also, one low and moderate income full-time equivalent job must be created, or retained, for every \$35,000 invested in a Section 108 Loan Fund activity.

Oak Park businesses seeking a Section 108 loan are expected to have additional sources of funding for the proposed economic development activity. In order to minimize the risk to the Village, each loan application is required to go through an intensive and thorough review process, based on accepted underwriting standards and HUD guidelines.

## Sustainability Fund

### Fund Summary:

The Village Manager's Office oversees Sustainability initiatives and the Sustainability Fund was established in 2009 with Grant Funds for the hiring of a position to support sustainability efforts in the Village. After the grant expired, all sustainability related costs have been provided via a transfer from the Environmental Service Funds – Enterprise fund generating revenue from waste hauling fees. A full time sustainability coordinator joined the Village Manager's Office in Q4 2017.

Beginning in 2016, as part of the Village's Community Choice Electrical Aggregation program (CCA) for residential electricity, a 0.3¢/kWh local fee to support the Smart City USA renewable energy projects within the Village was established. That revenue, currently estimated at \$400,000 per year is shown as revenue in this fund as well and is restricted to supporting sustainability related energy efficiency and renewable energy initiatives.

CCA 0.3 cent/kWh Local Fee Restricted Revenue (through 12/31/19)	\$1,635,743
CCA 0.3 cent/kWh Local Fee Restricted Revenue (Projected 2020 and Budgeted 2021)	\$850,000
(Less Energy Efficiency Grants))	(\$220,000)
(Less On-site Solar)	(\$270,000)
(Less Sustainable VOP Projects)	(\$50,000)
(Less Street Lighting Improvements)	(\$50,000)
(Less Bikeway Capital Project)	(\$165,000)
Restricted Fund Balance 12/31/2021	\$1,730,743

Effective January 1, 2018, the Village established a mandatory fee of 10 cents on every single-use bags (paper and plastic) provided to customers in retail establishments greater than 5,000 sf with five cents being retained by the retailer and five cents remitted to the Village. Since its inception, the fees have generated an average of \$10,000 per month and the revenue is also shown within the Sustainability Fund to support sustainability initiatives.

Single-Use Bag Fee (through 12/31/19)	\$126,930
Single-Use Bag Fee (Projected 2020)	425,000
(Less reusable bag expenses through 12/31/19)	(21,206)
(Less reusable bag projected 2020 expenses)	(1,750)
Net Single-Use Bag Fee restricted revenue	\$528,974

## **2020 Accomplishments**

During the Village's COVID-19 pandemic response, the Sustainability Coordinator provided substantive professional support to the Farmers Market to ensure continuation of this event within the Public Health guidance.

The Sustainability Fund revenue from single use bags was also impacted from the pandemic due to the suspension of Oak Park's retail single-use bag fee in accordance with the State of Illinois guidance on reusable bags, prohibiting their use in retail establishments, which became effective on March 31, 2020 and was lifted in mid-October 2020.

The Village was one of eight municipalities to become subscribers to the first active Adjustable Block Program (ABP) Community Solar Site located in Elgin, Illinois. The project was selected in the ABP as part of the State's clean energy goals under the Future Energy Jobs Act (FEJA). The Village began receiving net metering credits against Village owned facility energy invoices for the pro-rated share of the energy generated at the Elgin facility during the third quarter of 2020.

The Village marked the 50th anniversary of Earth Day by announcing the Oak Park launch of Illinois' first residential community solar pilot program in the fall of 2020. Participants in the new pilot program will receive 20 percent guaranteed savings through net metering credits on their monthly ComEd invoice while supporting the development of renewable energy resources in Illinois. Chicago-based MC Squared Energy Services, the Village of Oak Park electric aggregation provider continues to manage subscriptions to the community solar pilot program on a first come first serve basis. Residents can join the Oak Park Waitlist today through [oakparksolar.mc2energyservices.com](http://oakparksolar.mc2energyservices.com) and there is no obligation to subscribe.

Village Hall and Public Works combined efforts of the bee hives at both locations to provide 170 jars (which is about 60 lbs) of honey to Beyond Hunger.

The Village's sustainability funds additionally supported the retrofitting of residential street lights to an LED bulb to reduce electrical energy consumption.

## 2021 Sustainability Work Plan

The work plan structure for 2020 is the first year Oak Park plans to structurally align with the consensus goals of the Greenest Region Compact (GRC) Framework. It is organized around 10 categories and goals of the GRC.

### Climate

- Update, measure and monitor Greenhouse Gas (GHG) utilizing US EPA's Local Climate Action Framework to plan and evaluate strategies.
- Establish and confirm data-driven GHG emission reduction target
- Commit to the Global Global Covenant of Mayors' Emission Inventory Framework.
- Measure and monitor Greenhouse Gas emissions for municipal facilities using data inputted into EnergyStar Portfolio and following the Global Covenant of Mayors' Emission Inventory Framework.
- Contribute and adopt global protocol for Community-Scale Greenhouse Gas Emission Inventories.
- Conduct energy audits on all municipal facilities; provide recommendations to optimize facility performance.
- Establish a Greenhouse Gas emission action plan for mitigation and reduction target.
- Explore viability of green infrastructure/sustainability requirements for new and existing residential/commercial developments in the Village.
- Collect energy consumption and Greenhouse Gas emissions data, using the EnergyStar Portfolio database.
- Continue to monitor Greenhouse Gas emissions on all municipally owned facilities.

### Economic Development

- Encourage green innovation among residents and local businesses.
- Continue with the annual Plastics Free July Campaign to promote green initiatives by local businesses.
- Promote local goods and services

### Energy

- Implement the collaborative facilitation process for residents to sign up for Community Solar Subscriptions as they become available in 2020-2021.
- Collect and clean energy data for electricity, natural gas, water, transportation emissions, and waste for all municipally owned facilities.
- Use a data-driven decision recommendation process for future on-site renewable energy municipal installations.
- Track and benchmark data into EnergyStar Portfolio database provided by EPA. Assess facility energy savings, renewable energy production, and Greenhouse Gas emissions.
- Achieve EnergyStar certifications for municipal buildings.
- Become a US EPA Green Power Community.

- Utilize data for strategy in improving municipal facilities' energy efficiency, accelerate VOP sustainability plan, and contribute to regional Climate Action Plan. (energy) (municipal operations)
- Conduct energy audits on all municipal facilities; provide recommendations to optimize facility performance. (energy) (municipal operations)
- Continue to monitor energy data for all municipally owned facilities. (energy) (municipal operations)

#### Land Use

- Continue collaborative promotion of Oak Park's Rain Ready program
- Continue education and outreach on the Village's management of public landscapes to optimize ecosystem services and support biodiversity by increasing using native and sustainable landscaping on municipal properties.
- Protect and restore soil integrity with the CompostAble program and provisions of free compost for participants and their properties.

#### Leadership

- Create and report local and regional environmental data to advance local, national and international collaborative efforts.
- The Village of Oak Park is a participating member of the Metropolitan Mayors Caucus' (MMC) Regional Climate Action Planning and Reporting Opportunity. The Caucus has been selected as one of four pilot Regional and Metro-scale Climate Leaders by the International Urban Cooperation (IUC)
- Create a more robust plan to share the environmental impacts of all of the sustainability energy initiative program projects and renewable energy installations approved by the Village Board.

#### Mobility

- Continue Greenways collaboration with multiple municipal departments and community groups to create a bicycle and pedestrian plan to improve connectivity in the community.
- Expand communication on Green Fleet progress and alternative fuel initiatives in Oak Park.
- Encourage active transportation and community building in an open streets and public events.

#### Municipal Operations

- Continue to dedicate full time staff to direct sustainability initiatives.
- Achieve ENVISION certification for public facilities infrastructure.
- Work on adoption of environmental purchasing guidelines.
- Promote the use of sustainable materials for municipal maintenance and new projects.

#### Sustainable Communities

- Enhance communication to the community on the Village of Oak Park's efforts to maintain the community's historic assets.
- Develop and implement income eligible housing policies to implement sustainable building and maintenance practices.
- Educate the community about sustainability initiatives using existing municipal multi-media communication outlets.
- Utilize strategic partnerships with other community organizations to promote sustainability.

#### Water

- Educate residents on the benefits associated with Oak Park's designation as a Water Sense Partner
- Collaborate with multiple departments to continue collaboration with energy utilities to integrate water conservation into energy audits for residential residents.

#### Waste & Recycling

- Set a specific waste reduction goal for municipal operations
- Promote and practice waste reduction, recycling and composting in municipal operations.
- Continue to case study zero waste efforts and support for public events.
- Expand collaborative efforts to promote Oak Park's compost and food scrap composting programs for homeowners.
- Continue expansion of education and outreach to the community on recycling and composting practices.

## **Tobacco Enforcement Program Fund**

### **Fund Summary:**

The Tobacco Enforcement Program (TEP) is funded by the Illinois Department of Human Services – Division of Alcoholism and Substance Abuse. TEP enables the Police Department to collaborate with retailers to stop illegal tobacco sales to minors.

## **Travel, Training & Wellness**

### **Fund Summary:**

The Travel, Training & Wellness Fund exists to fund initiatives related to the professional and personal development of the Village's workforce. Revenues in the Fund are generated from point rewards issued when purchases are made with Village credit cards. The credit card rebate is paid to the Village each January and credited to prior year budget revenue. There are no legal restrictions for use of these funds.

In FY20 and FY21, funds are additionally being allocated to replacement of furnishings when warranted to employee wellness.

## **Capital Improvement Funds**

The Capital Improvement Fund generates revenue through a dedicated 1 percent sales tax, a six cent per gallon gasoline tax, as well as IMF Telecommunications Taxes distributed through the state. The fund's most notable expenses are the repair and replacement of local streets, alleys and sidewalks. It also funds the other capital funds through inter-fund transfers.

Although the current focus is on the actual infrastructure improvements it is not possible to have a valid conversation about the fund's ability to pay for the costs of projects without also discussing the other expenses of the fund.

The revenue and expense table below illustrates the overall fund finances. However, the operations portion (i.e. everything beyond the capital costs), are currently under review and will come before the Finance Committee and Village Board as a part of the operational budget recommendation.

The Public Works Department is responsible for the oversight and management of three Capital Funds including the Capital Improvement Fund, Building Improvement Fund and Fleet Replacement Fund. These funds support equipment and projects that have an extended life. Streets, sidewalks, HVAC systems and vehicles are typical expenditures from these funds. The Capital Improvement Fund also includes expenditures for personnel salaries and benefits that support the Funds programs and projects. The Capital Improvement Fund includes expenditures to the other capital funds through inter-fund transfers.

The Finance Department is responsible for the oversight and management of the Equipment Replacement Fund, which tracks expenses related to major technical equipment purchases for Village departments.

### **Criteria**

Capital projects must meet the following criteria:

- Minimum value of \$25,000
- Useful life of longer than two years
- Results in a fixed asset
- If an engineering study, leads to a capital program

Capital projects include costs in the following six main categories:

- Professional Services
- Land Acquisition
- Infrastructure Improvements
- Building Improvements
- Machinery and Equipment
- Other/Miscellaneous

## **Building Improvement Fund**

### **Fund Summary:**

The Building Improvement Fund revenue is transferred from the primary Capital Improvement Fund and is therefore indirectly funded by bond proceeds. This fund accounts for all expenses related to the repair and maintenance of all Village owned facilities. Specific items include HVAC components, Mechanical, Electrical and Plumbing (MEP) components, Structural, Roofing and Building Envelope components, Fire Protection and Life Safety components, and general site components such as driveways, sidewalks, concrete and pavement.

Village owned facilities include Village Hall and the Police Station, Public Works Center, three fire stations, the Metra Station and various other Village owned properties. The three water pumping stations are managed through the Water & Sewer Fund, and the Holley Court and Avenue Garage parking garages are managed through the Parking Fund.

## Fleet Replacement Fund

### Fund Summary

The Fleet Replacement Fund tracks expenses related to vehicle purchases for Village departments outside of the Village's Enterprise funds (Water/Sewer, Parking and Environmental Services).

The Fleet Services Division within the Public Works Department reviews equipment needs with relevant departments and determines optimal replacement cycles. This is based on an analysis of cost effectiveness of maintenance, life expectancy, technological advancements and environmental impacts.

The Fleet Services Division continues to search for fiscally responsible ways of expanding our Green Fleet with equipment that provide the required features for each Village department, while also using less fuel and helping clean the environment. The Village "Green Fleet" consists of 2 Compressed Natural Gas pickup trucks, 20 Hybrid vehicles, 6 electric cars and all 68 of the diesel vehicles run on B20 biodiesel fuel. This equals 45% of the fleet using alternate fuels.

The Village owns and maintains 212 vehicles and pieces of equipment which are dedicated to each department as follows:

- Village Hall vehicles includes Development Customer Services, Health Department and Pool cars: 14 total: 9 hybrid sedans, 3 electric sedans, 1 SUV and 1 van
- Police: 76 total: 41 marked squads and 22 unmarked squads. The remaining vehicles consist of CSO vehicles, specialty vehicles, Segways and generators.
- Parking Enforcement: 5 total: 1 Sedan, 1 Minivan, 2 SUVs and 1 Hybrid SUV.
- Fire: 18 total: 3 Pumpers, 1 ladder truck, 4 ambulances, 1 command vehicle, 1 pickup truck, 4 SUVs, 2 hybrid inspector vehicles, 1 electric inspector vehicle and 1 ATV
- Public Works: 68 total: 1 electric admin/pool vehicle, 5 hybrid admin/pool vehicles, 6 admin/pool vehicles, 1 full size van, 2 minivans, 9 pickup trucks, 4 aerial trucks, 14 large trucks, 3 front end loaders, 5 one ton trucks, 1 garbage truck, 1 street sweeper, 1 tow truck and 15 various equipment and trailers
- Parking Fund vehicles: 5 total: 3 minivans, 1 pickup truck w plow and 1 small SUV
- Water & Sewer Fund vehicles: 25 total: 5 large trucks, 3 one ton trucks, 2 backhoe/loaders, 3 pickup trucks, 1 portable pumping station generator, 1 stationary pumping station generator, 1 hybrid sedan, 1 electric sedan, 2 minivans, 2 full size vans and 4 various equipment and trailers
- Environmental Services Fund: 1 pickup truck

## **Capital Improvement Fund**

### **Fund Summary:**

The Capital Improvement Fund generates revenue through a dedicated 1% home rule sales tax, a six cent per gallon gasoline tax, an allocated 1% telecommunications tax, as well as grants and bond proceeds.

The fund's most notable expenses are the repair and replacement of local streets, alleys and sidewalks. It also funds the other capital funds through inter-fund transfers.

## **Enterprise Funds Overview**

The Village has the following three enterprise Funds:

- Environmental Services
- Parking
- Water

Enterprise Funds are distinguished from other Village Funds in that they are often run similar to a business and funded by user fees rather than taxes or other revenue sources typically assessed to the public for funding general Village operations. Enterprise Funds usually serve a very specific purpose such as providing water/sewer services or refuse pickup and such services are billed directly to the customer or user of such service.

For these types of Funds, the Village may still issue bonds to help pay for non-routine capital improvements or expenditures but the payment on the debt service for this bonds is usually abated (removed) from the tax levy and paid by user fee revenue within the Fund. Finally, although expenses in these Funds are kept separate and not paid for by general Village revenues, the same rules apply regarding purchases and same level or degree of due diligence is performed to receive the best services at the lowest possible cost.

## **ENVIRONMENTAL SERVICES FUND**

### **DEPARTMENTAL SUMMARY**

#### **Fund Summary**

The Public Works Department provides oversight and management of the Environmental Services Fund through its Environmental Services Division. This division manages the Village's solid waste collection and comprehensive recycling programs. Waste, compost and recycling collections are provided through a contracted waste hauler. The contracted services are provided to single and multi-family residential structures up to five units as well as over 80 institutional facilities.

The Environmental Services Fund also supports the fall leaf collection program, Keep Oak Park Beautiful program, At Your Door special collections and an enforcement program which provides enforcement of the Village Ordinances for solid waste and alley related violations.

This Fund transfers resources to the Sustainability Fund (a special revenue fund) which supports all expenditures related to Sustainability (a function in the Village Manager's Office) including personnel, materials, supplies and contractual services. The Fund also transfers money to the alley replacement program. The alley replacement fees are assessed on water bill invoices as a refuse charge, on residential properties, and as an alley improvement fee, on commercial properties.

Revenues for this fund are generated through the solid waste collection fees which cover the cost of both collection and disposal.

## 2020 ACCOMPLISHMENTS

- The CompostAble program is on track to serve over 2300 participants. By reaching the Village Board goal of 2300 compost participants, the program will have increased by a rate of 20% from 2019. The three month free incentive and free kitchen pail, initiated by the Village Board, has received positive feedback from those registering for the program.
- A volunteer sidewalk snow removal program was successfully implemented for the 2019-2020 winter season. Residents, located within 150 feet of a qualified Sidewalk Snow Removal Assistance Program participant, were offered the opportunity to remove sidewalk snow after each snow event. The Village was able to confirm that registered volunteers successfully removed sidewalk snow after each snow event.
- The At Your Door special electronic and hazardous waste collection program serves, on average, 208 residents a month. The overwhelming majority of customer responses have indicated an “excellent” rating for the program.
- In an effort to reduce exposure to residents that are highly susceptible to COVID-19, grocery stores were contacted to provide an alternative to instore refuse sticker purchases. Sugar Beet Food Co-op was able to accommodate the Village’s request by providing online purchase of refuse stickers and curbside delivery.
- The fall leaf collection program was reduced from eight (8) weeks to six (6) weeks providing a savings of \$28,198.
- With the assistance of several Public Works divisions, a refuse cart inventory audit was conducted for all residential properties receiving the Village’s waste hauling services. The purpose of the audit was to identify properties where refuse billing differed from the refuse carts onsite.

### **2021 WORK PLAN**

- Begin the RFP process for a new waste hauling contract for the solid waste, recycling and yard waste collection programs.
- Continue efforts to increase participation in the CompostAble organics collection program.
- Continue to provide education on acceptable recyclable materials to reduce the overall contamination of Oak Park recycling. Annual recycling audits are conducted by Waste Management to track contamination rates.

## **PARKING FUND**

### **2020 ACCOMPLISHMENTS**

- The Division finalized the Village's Capital Improvement Plan for the parking garages. All repairs have been completed as recommended by the Village's consultant.
- The Division removed coin meters and installed new Parking Payment Stations on Lake Street as part of the Lake Street Streetscape improvement project.
- The Division continues working to implement technology based upgrades to the Village's parking services permit, vehicle sticker, citations, as well as license plate recognition capabilities. Currently approximately 74% of all parking permit and vehicle license transactions are conducted online using the Passport system.
- The Division began the analysis of the Parking Pilot program but was unable to complete its evaluation due to the Covid 19 crisis.
- The Division also began an analysis to increase overnight parking options for residents.

## **2021 WORK PLAN**

- Continue implementation of the planned parking lot facilities maintenance program.
- Continue working to elevate the Divisions sustainable practices through the installation of additional electric vehicle charging stations.
- Expansion of the Parking Pilot successful practice and continue the multi-year installation of new on-street parking restriction signage.
- Continue working to implement technology based upgrades to the Village's parking services permit, vehicle sticker, citations, as well as license plate recognition capabilities. Completion of this task continues to require the participation by adjudication, finance, information technology and police staff.
- Effectively implement, promote, manage and evaluate the Village's parking pilot program.

## **WATER & SEWER FUND**

### **DEPARTMENTAL SUMMARY**

The Public Works Department is responsible for the oversight and management of the Public Works portion of this Fund through its Water & Sewer Division.

The Department maintains 105 miles of watermain, 3 water pumping stations, 1,200 fire hydrants, 1,350 water valves, 104 miles of sewers, 6,500 catch basins and 2,000 manholes.

#### ***Water Services***

Public Works is responsible for the delivery of safe, potable water to residents and businesses within the Village and for fire suppression. Purchased directly from the City of Chicago, water is stored in several sites throughout the Village and pumped through water mains. Personnel and contractors supported by this fund are responsible for the emergency replacement of broken mains as well as repair and exercising of system water valves and fire hydrants, repair and replacement of water meters and pumping equipment. The division also responds to requests for locating underground water facilities via the one call system Joint Utility Locating Information for Excavators (JULIE).

Revenues for the Water portion of the Fund are generated through the users of the water system through quarterly metering. Rates are determined based on the charges from the City of Chicago for the delivery of water and the Village's expenses and programming.

#### ***Sewer Services***

Village sewage is transported to the interceptor sewers of the Metropolitan Water Reclamation District of Greater Chicago (MWDGC) where it is eventually treated and discharged into the receiving streams.

Revenues for the Sewer portion of the Fund are generated through the users of the water system as a portion of the utility charges. The Village does not pay the MWDGC for discharging to their sewers. Property owners are assessed on their property tax bill for this service.

## 2020 ACCOMPLISHMENTS

The Public Works Department, Water & Sewer Division, is responsible for maintaining the safe drinking water for the Village as well as the efficient collection of all storm and sanitary water. The Engineering Division is responsible for managing the Capital programs in this fund.

The following accomplishments were completed in 2020 by the Department of Public Works:

- The Department of Public Works is projecting the water purchase from the City of Chicago to be approximately 1.9 billion gallons for the 2020 calendar year. This is an increase of 0.1 billion gallons that was predicted. The increase could be due to COVID-19 and residents being at home more time and using water keeping demand consistently high.
- The Water & Sewer Division is on pace for completion of approximately 100 water and sewer utility repairs in 2020.
- The Division is also on pace to complete nearly 30 water service upgrades, on the Village side, from lead to copper as part of the Village program for water service line lead abatement. This year, a contractor was approved to assist with this work. Plans began on the implementation of a CDBG funded private side lead service line replacement program.
- Residential water meter replacement program was suspended in March 2020 due to COVID-19. Meter replacements were only done if necessary.
- A leak detection survey of the water system was completed in 2020 with repairs taking place shortly after the leaks were found.
- The Village as the owner of a Public Water Supply is required to develop a Risk and Resilience Assessment (RRA) and corresponding Emergency Response Plan (ERP) in compliance with the American Water Infrastructure Act (AWIA). This work began in June.
- The testing and/or replacement of the Village's large water meters (greater than 2") was suspended due to COVID-19.
- Engineering design and construction of the Lake St. and Austin Blvd. watermain and sewer was completed in 2020.
- Engineering design and construction of a project consisting of relocating the water and sewer main on Euclid Ave between Madison St. and the alley south of Madison St. as part of a Redevelopment Agreement was completed.
- Distributed the Annual Water Quality Report via electronic format.
- Pumping Stations Operators performed testing of Unregulated Contaminant Monitoring Rule 4<sup>th</sup> Revision, which included monitoring for unregulated contaminants such as:

pesticides, Cyanotoxins, metals, disinfection bi-products, alcohols, and semi-volatile compounds.

- Continued upgrading of the chlorine feeding equipment at the pumping stations.
- Upgraded a check valve for a pump at the south station which will help avoid water hammer and potential water main breaks.
- Continued the Sewer backup Protection Program and RainReady grant programs. Both programs have been very popular and at times will have a waiting list.
- In 2020 the Village reported to the Illinois EPA that there are a total of 12,587 water service lines in the water system. Of that total, 4,735 services have lead pipe on either the private side line or the public side line. The private side is from the water meter in the house to the shut off valve in the parkway. The public side is from the shutoff valve in the parkway to the watermain in the street. In addition there are 5,992 services that have unknown material on either the public side or private side. Assuming the worst case scenario there could be a total of  $(4,735 + 5,992)$  10,727 lead services.

## **2021 WORK PLAN**

- Water purchase from the City of Chicago is projected to approach 1.8 billion gallons for 2020. The City of Chicago is expected to increase their water rates based on the Consumer Price Index.
- Continue repair/replacement of defective/leaking water valves, fire hydrants and water lines identified during the 2020 Leak Detection survey. This is one of several efforts to continue to lower the Village's non-revenue water.
- Proposed is to continue the residential water meter change out program.
- Continued to focus on the large water meter testing and/or replacement program to ensure and increase accurate water billing revenue.
- Continue the water service line lead abatement program.
- Perform Lead and Copper Sampling at about 50 qualifying single family homes in the Village in accordance with the Village's Reduced Monitoring Plan with the IEPA.
- Continue with engineering design and construction of watermain and sewer replacements per the Capital Improvement Plan.
- Continue the sewer backup grant program to aid residents in basement backup protection.
- Continue the RainReady grant program to encourage private property storm water improvements.
- Continue regular combined sewer and storm sewer drain cleaning.

## Internal Service Funds

The Villages Internal Service Fund (ISF) are used to track revenues and expenses that do not require legal separation from the General Fund but are budgeted and tracked independently for internal control, transparency, and accounting purposes. The following ISF are included under this section:

- Debt Service Fund
- Health Insurance Fund
- Self-Insured Retention Fund (SIRF)

The Self Insured Retention Fund is used to account for all expenses related to general liability and workers compensation case claim payments as well as related insurance premiums paid for stop loss coverage which is currently \$750,000. This Fund does not have its own dedicated revenue source and is funded by inter-fund transfers-in from other Village Funds.

The Health Insurance Fund is used to track and account for expenses related to the Village's health and life insurance benefits provided to eligible full time employees. Eligible employees receive a comprehensive health insurance benefit which includes either a PPO or HMO option chosen by each employee and a prescription drug benefit as well.

In addition, the Village provides eligible employees with a flat \$50,000 life insurance benefit at no cost and employees may purchase at their own expense additional coverage above this amount.

Finally, with a certain limited exception, dental insurance is available and offered to employees at an employee's own expense.

The largest expense in this Fund is related to health insurance coverage. The Village is self-insured and uses Blue Cross/Blue Shield to administer its plans. Actual health insurance claims are paid out of this fund and budgeted as expense while corresponding revenues are budgeted from Village contributions, employee payroll contributions, and pensioner/COBRA contributions.

The Debt Service Fund accounts for all principal and interest payments made on bond issues which are not dedicated to Special Revenue or Enterprise Funds. Detailed schedules by bond issue are provided within this budget document.

## **Debt Service Fund**

### **Fund Summary:**

The Debt Service Fund accounts for the general debt of the Village. Debt is also paid directly by the Village's Enterprise Funds if the proceeds were used for expenses in one of those Funds.

Annual Debt payments are primarily funded through a portion of the Village's property tax levy.

## HEALTH INSURANCE FUND

### Fund Summary:

The Human Resources Department develops, supports, and administers an employee benefits program that is cost effective while also considered by employees as having value in terms of their total compensation from the Village. Specific benefits provided include:

- Health insurance in the form of two Blue Cross/Blue Shield PPOs and HMOs
- A prescription drug plan with a three-tier co-pay (\$10, \$30 and \$50)
- Village paid basic life and accidental death and dismemberment insurance
- Outsourced S-125 Plan administration for reimbursement of qualified expenses
- Reimbursement for qualified transportation expenses

The Human Resources Department relies on assistance from an insurance broker to provide the most cost-effective benefit plans and options to its employees.

## **SELF-INSURED RETENTION FUND**

### **Fund Summary:**

The Self Insured Retention Fund exists to fund the payment of liability judgments and settlements, workers compensation settlements, payments, attorney fees and related costs necessary to the defense of those cases.

In recent years, staff has been reviewing various options as they pertain to how the Village insures itself. While maintaining a self-insured status of \$750,000, the Village Board is continually seeking alternatives such as joining an intergovernmental insurance pool in order to reduce costs.

## **Fiduciary Funds**

Pursuant to State of Illinois Compiled Statutes (ILCS), the Village maintains an independent pension board for both the Police and Firefighters' Pensions. The function of these boards is to serve in a fiduciary manner and diligently invest pension assets according to the limitations provided within their respective pension code sections of the ILCS.

On an annual basis, the Village levies a fixed amount which is adopted with its General Fund levy in December of each year. Each pension fund then collects the distributions from its levy and may use the proceeds to either invest and/or pay pensioner benefits. Investments and expenses in the pension funds are not managed by Village staff but are rather handled by the elected or appointed members on each pension board. As such, the Village has limited control over the expenses and investment results in these funds.

The Village does at a minimum adopt the recommended levy based on an annual valuation performed by a qualified, credential, and independent actuary hired by the Village. The Village Board may levy an amount which equals the recommended actuarial amount or increase it at its discretion to reduce unfunded pension liabilities. At a pension board's discretion, it may too hire its own actuary to provide an actuarial valuation and recommend the annual Village levy amount as the employer contribution into the pension fund.

## GLOSSARY OF TERMS

**Accrual Basis:** A basis of accounting in which transactions are recognized at the time they are incurred not necessarily at the time they are received. For example, a parking ticket issued (once in final determination) in December, it becomes a receivable to the Village under the accrual basis of accounting. This is different than the cash basis where all activity is recorded only when money changes hands.

**Adopted Budget:** The revenue and expenditure plan for the Village for the fiscal year, as reviewed and approved by the Village Board.

**Appropriation:** An authorization by the Village Board to expend monies and incur obligations for a specific purpose. The adopted budget is the Village's appropriation of fiscal resources for the specific fiscal year.

**Assets:** Property and equipment owned by the Village which has monetary value.

**Audit:** A review of the Village's accounts by an independent accounting firm to verify that the Village's financial statements accurately reflect the Village's financial position. In Oak Park's case, the Village also includes additional information that results in the document to be classified a Comprehensive Annual Financial Report.

**Bond:** A written promise to pay a specified sum of money, called the face value of principal amount, at a specified date or dates in the future, called the maturity date(s), together with periodic interest at a specified rate.

**Budget:** A financial plan consisting of an estimate of proposed expenditures and their purposes for a given period, and the proposed means of financing.

**Budget Amendment:** An adjustment made to the budget during the fiscal year, by the Village Board, to properly account for unanticipated changes in revenues and/or expenditures and for program initiatives occurring during the fiscal year.

**Capital Improvement:** A permanent major addition to the Village's real property assets, including the design, construction or purchase of land, buildings or facilities, or major renovations of same. These include installation of re-paved streets, storm drains, water and sewer lines, and other public facilities.

**Capital Improvement Budget:** A financial plan of proposed capital improvement projects and the means of financing them for a given period of time.

**Capital Outlay:** Expenditures relating to the purchase of equipment, facility modifications, land and other fixed assets.

**Contingency:** Funds set aside for unanticipated expenditure requirements, new programs, or to absorb unexpected revenue losses.

**Debt Service:** Payment of interest and principal on an obligation resulting from the issuance of bonds, notes or certificates of indebtedness. There are different types of debt instruments issued by the Village with the most common being General Obligation (GO) debt.

Also included is cash, assets, investments and accounts receivable against outstanding liabilities, such as accounts payable and outstanding contracts.

**Deficit:** (1) the excess of an entity's liabilities over its assets; (2) the excess of expenditures over revenues during a single accounting period (e.g., a fiscal year).

**Department:** A major unit of organization in the Village, comprised of sub-units named divisions. i.e. Police; Fire; Public Works

**Division** - A group of related tasks to provide a specific benefit to either the general public or the Village organization. A division is a sub-organizational unit of the department.

**Encumbrance:** Obligations in the form of purchase orders or contracts, which are to be met from an appropriation and for which a part of the appropriation is reserved so that a line-item is not overspent.

**Enterprise Fund:** A fund established to account for the total costs of those governmental facilities and services which are operated in a manner similar to private businesses. These programs are predominately self-supporting from user fees. i.e. Water; Sewer; Parking.

**Equalized Assessed Valuation:** The taxable value placed upon a property in the Village by the Cook County Assessor. The cumulative total of value is a basis for the calculation of the tax levy.

**Expenditure:** Amounts paid for all purposes, including expense provisions for retirement of debt and capital outlay.

**Financial Plan:** A major section of the budget which contains the statement of estimated expenditures, revenues and balances for each major fund.

**Fiscal Year:** A 12-month period of time to which the annual budget applies. For the Village of Oak Park, the fiscal year begins on January 1<sup>st</sup> and ends on December 31<sup>st</sup>.

**Fixed Asset:** A fixed asset is tangible in nature and has a useful life of more than one year. A fixed asset will be capitalized if it meets the previous criteria and has a value of \$10,000 or greater.

**Fringe Benefits:** Various non-wage compensations provided to [employees](#) in addition to their normal [wages](#) or [salaries](#) or paid on their behalf. For example, the employer paid portion of health insurance premiums, federal wage taxes, etc.

**Full-Time Equivalent (FTE):** A part-time position converted to the decimal equivalent of a full-time position, usually based on either 1,950 or 2,080 hours per year. A full-time position that is funded for the year is equal to 1.0 FTE.

**Fund:** A fiscal entity with revenues and expenditures which are segregated for the purpose of carrying out a specific purpose or activity.

**Fund Balance:** The fund equity of governmental funds and trust funds at a particular point of time, usually the end of a fiscal year. The Fund Balance is usually presented on a net accrual basis.

**Generally Accepted Accounting Principles (GAAP):** Uniform minimum standards for financial accounting and recording, encompassing the conventions, rules, and procedures that define accepted accounting principles.

**General Fund:** The Village's principal operating fund which is supported by taxes and fees which can be used for any legal government purpose. It accounts for resources devoted to financing the general services which the Village provides its citizens. In Oak Park, the General Fund funds a majority of Public Safety, Administration, Economic Development, Health and Public Works functions other than enterprise activities.

**General Fund Full-Time Equivalents (FTE's):** The positions that are 100% funded by the Village's General Fund

**General Obligation (GO) Debt:** Debt issued by the Village backed by the full-faith and credit of the government.

**Grants:** Contributions or gifts of cash or other assets from another governmental entity or organization to be used or expended for a specific purpose or activity. As policy, the Village tracks grants in individual funds for transparent reporting.

**Infrastructure:** The basic physical framework or foundation of the Village, referring to its buildings, roads, sidewalks, water system and sewer system.

**Inter-fund Transfer:** The transfer of asset revenue from one fund to another to either pay for that fund's proportionate share of expenses incurred or for some other corporate purpose.

**Internal Service Fund:** A fund used to account for the financing of goods and services provided by one department or fund to other departments or funds within the Village.

**Modified Accrual Basis of Accounting:** For all governmental funds and agency funds under which revenues are recorded when they become measurable and available. Expenditures are recorded when the liability is incurred, except for interest on general long-term obligations, which are recorded when due.

**Non-Operating Budget:** Costs that do not relate to any one department but represent costs of a general Village-wide nature, such as debt service and appropriated reserve.

**Ordinance:** A law set forth by a governmental authority; a municipal law established by the Village Board.

**Operating Budget:** Annual appropriation of funds for ongoing program costs, including personal services, fringe benefits, materials and supplies, capital outlay, and debt service.

**Personal Services:** Salary and wages of Village employees inclusive of overtime.

**Performance Management:** The M.A.P. program, as it is known in Oak Park, stands for Measure, Analyze, Perform and includes activities which ensure that organizational goals are consistently being met in an effective and efficient manner. Performance management can focus on the performance of an organization, a department, employee, or even the processes to build a product or service, as well as many other areas.

It is also known as a process by which organizations align their resources, systems and employees to strategic objectives and priorities.

**Program Budget:** Budget that presents all related expenditures associated with the completion of a particular function or process. i.e. Oak Park's budget reflects the expenditures (personnel, fringe benefits and associated costs for materials and supplies) in providing Police services for patrol and resident beat officers separately.

**Property Tax:** Revenue received by the Village that is collected by Cook County based on an established rate and then calculated against the equalized assessed valuation of property.

**Recommended Budget:** The Village Manager presents a recommended budget to the Board and Finance Committee each year. Once the Board has had opportunity to review and edit as it sees fit, the document evolves into the Adopted Budget.

**Revenues:** Sources of the Village's monetary resources, such as income from taxes, licenses, permits, fines and fees.

**Resources:** Total amounts available for appropriation during the fiscal year, including revenues, fund transfers and beginning fund balances.

**Revenue Bonds:** Bonds issued to construct capital facilities, repaid from revenue produced by the operation of those facilities. i.e. water rates assist in the payment of the debt service for the water revenue bonds the Village has issued in the past.

**Special Service Area:** A specially established district contained within the Village that is levied an additional special tax for the financing of improvements or services that benefit only the properties in that area. i.e. Special Service Area 6 funded additional streetscape improvements in the Oak Park/Eisenhower business district. Those property owners pay an additional tax for reimbursement to the Village for those improvements.

**Tax Increment Finance (TIF) District:** A Tax Increment Finance (TIF) District is a legally defined area that allows for the capture of property tax receipts above a base amount, usually the amount collected just before the district is created. This incremental property tax collected is then earmarked for economic development projects within the district.

**Total Department Full Time Equivalents (FTE's):** While many Village departments are solely funded with General Fund resources, a number of departments have staff members that are funded with non-General Fund resources. This summary identifies total number of department FTE's, by their supporting fund.

**Turnover:** Position turnover is an expenditure discount that reflects the difference between the Village's budgeted personnel costs and its anticipated cost savings from personnel events that occur throughout

the year. Personnel events that contribute to position turnover discount include resignations, retirements, terminations, etc. While the Village budgets for all costs related to salaries, benefits and anticipated merit increases, the Village historically experiences budgetary savings in these areas.

**Unreserved Fund Balance:** Unreserved fund balance represents the equation of assets less liabilities and any other commitments on a given date. It also represents the accumulation of revenues in excess of expenditures over time.

Office of the County Clerk

## Village of Oak Park Pension Funding Summary

Qualifying Village employees participate in one of the following three pension plans, depending on the position:

- 1) Illinois Municipal Retirement Fund (IMRF)
- 2) Police Pension
- 3) Firefighters' Pension

All three plans are governed under the Illinois Compiled Statutes. Both the Police and Firefighters' pensions are considered single -employer plans, while IMRF is structured as an agent multiple-employer plan. The single employer plans for eligible sworn public safety employees are independently managed by Village's Police and Fire Pension Plan Boards while IMRF is managed by a separate organization not connected to the Village.

Employee contributions based on eligible (pensionable) compensation into each plan are fixed by State statute and summarized as follows:

- |           |        |
|-----------|--------|
| 1) IMRF   | 4.500% |
| 2) Police | 9.910% |
| 3) Fire   | 9.455% |

IMRF determines the employer contributions on an annual basis and for 2020 it is 8.81% compared to 6.48% in the previous year. The Village contributions for the public safety pensions are determined by an independent actuarial valuation and the Village typically levies the recommended actuarial amount which is then directly distributed to each

Pension plan funding ratios for last five years are summarized below:

Pension Plan	Actuarial Value Assets	Actuarial Accrued Liability	Funded Ratio
Police 12/31/11	69,560,813	116,975,968	59.5%
Police 12/31/12	75,288,859	123,975,581	60.7%
Police 12/31/13	83,892,130	128,124,811	65.5%
Police 12/31/14	86,522,448	142,947,184	60.5%
