BUILDING SAFETY MONTH

MAY 2025

WHEREAS, the Village of Oak Park is committed to recognizing that our growth and strength depends on the safety and essential role our homes, buildings and infrastructure play, both in everyday life and when disasters strike, and;

WHEREAS, our confidence in the resilience of these buildings that make up our community is achieved through the devotion of vigilant guardians—building safety and fire prevention officials, architects, engineers, builders, tradespeople, design professionals, laborers, plumbers and others in the construction industry—who work year-round to ensure the safe construction of buildings, and;

WHEREAS, these guardians are dedicated members of the International Code Council, a nonprofit that brings together local, state, territorial, tribal and federal officials who are experts in the built environment to create and implement the highest-quality codes to protect us in the buildings where we live, learn, work and play, and;

WHEREAS, the goals of BUILDING SAFETY MONTH are to educate individuals, families and businesses on creating safe and sustainable structures by reinforcing the importance of adopting modern building codes, and highlighting the work of building safety professionals in a collaborative effort to keep communities safe, and;

WHEREAS, modern building codes include safeguards to protect the public from hazards such as hurricanes, snowstorms, tornadoes, wildland fires, floods and earthquakes, and;

WHEREAS, BUILDING SAFETY MONTH is sponsored by the International Code Council to remind the public about the critical role of our communities' largely unknown protectors of public safety—our local code officials—who assure us of safe, sustainable and affordable buildings that are essential to our prosperity, and;

WHEREAS, “Game On,” the theme for BUILDING SAFETY MONTH 2025, encourages us all to raise awareness about building safety on a personal, local and global scale, and;

WHEREAS, each year, in observance of BUILDING SAFETY MONTH, people all over the world are asked to consider the commitment to improve building safety, resilience and economic investment at home and in the community, and to acknowledge the essential service provided to all of us by local and state building departments, fire prevention bureaus and federal agencies in protecting lives and property, and;

NOW, THEREFORE, I, Vicki Scaman, President of the Village of Oak Park and the Board of Trustees, do hereby proclaim the month of May 2025 as BUILDING SAFETY MONTH.

DATED this 20th day of May 2025.
