Zoning Board Of Appeals

Appoint as Commissioner

Name: Kimberly Zeiser

Term: 1st Term

Term Expiration Date: Oct 08, 2029

Kim choose to live in Oak Park because of the architectural and cultural heritage of the community. Over the course of their 23 years in Oak Park, they witnessed development that positively impacts the community, but has also seen development that detracts from the community. Development should happen and is necessary for the growth of the community, and must be in alignment and in harmony with the vision for the community. Kim believes development must contribute to a vibrant, diverse, and connected neighborhood where people can work, live, learn play, and thrive. Kim would like to serve on the ZBA to ensure that the development in Oak Park enhances and strengthens our community.
