

SUBRECIPIENT GRANT AGREEMENT

THIS SUBRECIPIENT GRANT AGREEMENT (hereinafter referred to as the “Agreement”) is entered into as of the day of _____ September, 2024 between the VILLAGE OF OAK PARK, Illinois (hereinafter referred to as the “Village”) and NORTH WEST HOUSING PARTNERSHIP, an Illinois not-for-profit corporation (hereinafter referred to as the “Subrecipient”).

RECITALS

WHEREAS, the Village has applied for Community Development Block Grant (hereinafter referred to as “CDBG”) funds from the United States Department of Housing and Urban Development (hereinafter referred to as “HUD”) as provided by the Housing and Community Development Act of 1974, as amended (P.L. 93-383) (hereinafter “the Act”); and

WHEREAS, Subrecipient has applied to the Village for CDBG funds for the 2024 Program Year; and

WHEREAS, the Village has considered and approved the application of Subrecipient and hereby agrees to distribute to Subrecipient a portion of the total CDBG funds allotted to the Village by HUD, with the portion distributed to Subrecipient being in the amount provided in this Agreement and upon the conditions set forth herein; and

WHEREAS, the Village and Subrecipient, acting through their respective Boards are each authorized to enter into this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants hereinafter set forth, the parties agree as follows:

1. INCORPORATION OF RECITALS. The foregoing recitals are incorporated into this Agreement as though fully set forth herein.

2. SCOPE OF SERVICES.

A. Subrecipient’s project schedule and project budget (hereinafter collectively referred to as “the Project”) are set forth in the Subrecipient’s Program Year 2024 Community Development Block Grant Program Proposal attached hereto and incorporated herein by reference as Exhibit A (hereinafter referred to as the “Subrecipient’s Proposal”).

B. The Project will proceed in accordance with the terms of this Agreement, the Subrecipient’s Proposal and all laws and regulations referenced in this Agreement. Any changes(s) in the Project must be approved by the Village prior to the Subrecipient incurring any Project costs or implementing any substantial Project modifications. Such approval shall only be effective if authorized by a written amendment to this Agreement.

C. The funds to be provided by the Village to Subrecipient pursuant to this Agreement shall be used to provide cost-effective services by professional and qualified persons to seniors aged 63 and older in the Village of Oak Park. A total of 150 persons (150 Oak Park persons) will benefit.

3. ALLOCATION OF FUNDS.

A. The Village shall distribute to Subrecipient as Subrecipient's portion of the total grant received by the Village from HUD a maximum of eight thousand five hundred dollars (\$8,500) (hereinafter referred to as the "Grant Funds") to be paid in accordance with the terms of this Agreement. The Subrecipient acknowledges and agrees that only those budget line items and percentages that appear in its Program Year 2024 Project Budget will be considered for reimbursement through the Grant Funds.

B. The Grant Funds shall not be used for ineligible or unallowable costs, including costs incurred prior to the effective date of this Agreement as defined herein. In the event the Village does not receive the Grant Funds from HUD, the Village shall not provide the Grant Funds, or any other funds, to Subrecipient.

4. PAYMENT.

A. The Village shall make all Grant Funds payments on a reimbursement basis. To request a payment of Grant Funds, the Subrecipient must submit a request for payment to the Village in the form of an invoice, together with such supporting documentation as the Village deems necessary in its discretion to support the invoice. The Village shall only reimburse the Subrecipient for approved expenditures to the maximum of the allocated Grant Funds for the Project.

B. The Village may refuse to reimburse the Subrecipient if the Subrecipient is not in compliance with any applicable law, rule or regulation or this Agreement. In such case, the Village shall assist the Subrecipient to bring the Project into compliance.

C. The Subrecipient shall submit invoices to the Village for reimbursement monthly for the first quarter (a separate invoice for October, November and December, 2024, respectively) and at least quarterly for the last three quarters of the Program Year, as defined below. Final project invoices must be submitted to the Village no later than October 31, 2025. Any invoices submitted after October 31, 2025 shall not be paid by the Village.

5. PROGRAM YEAR.

A. The Subrecipient shall perform the Project beginning October 1, 2024 and ending on September 30, 2025 (hereinafter referred to as the "Program Year").

B. The Project shall be completed no later than September 30, 2025. Project costs shall not be incurred after the Program Year.

C. If the Subrecipient is delayed in the completion of the Project by any cause legitimately beyond its control, it shall immediately, upon receipt and knowledge of such delay, give written notice to the Village and request an extension of time for completion of the Project. The Subrecipient shall request an extension from the Village in writing at least thirty (30) days before the end of the Program Year. The Village shall either grant or deny the request for an extension in its discretion and shall provide notice to the Subrecipient of its grant or denial of the request.

D. The Subrecipient shall return any funds not expended by the end of the Project to the Village. All funds obligated or committed by the Subrecipient to contractors, suppliers, etc. during the Program Year must be expended by the end of the Program Year unless an extension has been given to the Subrecipient. The Subrecipient shall have 30 days after the close of the Program Year to request reimbursement for costs incurred for the Project, unless an extension has been granted pursuant to this Agreement.

6. COMPLIANCE WITH LAWS AND REGULATIONS.

A. The Subrecipient shall comply with the applicable provisions Housing and Community Development Act of 1974, 42 U.S.C. § 5301 *et seq.* (hereinafter referred to as the "Act"), and all applicable rules and regulations promulgated under the Act by the Department of Housing and Urban Development (HUD), including, but not limited to 24 CFR Part 570, and all other applicable federal, state, county and local government laws, ordinances or regulations which may in any manner affect the performance of this Agreement, including but not limited to those set forth herein, and those identified in the document titled "Assurances," attached hereto and incorporated herein by reference as Exhibit B.

B. The Subrecipient shall comply with the applicable administrative requirements set forth in the Code of Federal Regulations at 2 CFR 200.

C. The Subrecipient shall comply with the following in its performance of the Project:

1. Not discriminate against any worker, employee, or applicant, or any member of the public because of race, religion, disability, creed, color, sex, age, sexual orientation, status as a disabled veteran or Vietnam era veteran, or national origin, nor otherwise commit an unfair employment practice;

2. Take action to ensure that applicants are employed without regard to race, religion, handicap, creed, color, sex, age, sexual orientation, status as a

disabled veteran or Vietnam era veteran, or national origin, with such action including, but not limited to the following: employment, upgrading, demotion or transfer, termination, rates of pay, other forms of compensation, selection for training, including apprenticeship; and

3. The Village's Reaffirmation of Equal Employment Opportunity Policy ("EEO"), attached hereto and incorporated herein by reference as Exhibit C.

D. Subrecipient agrees not to violate any state or federal laws, rules or regulations regarding a direct or indirect illegal interest on the part of any employee or elected officials of the Subrecipient in the Project or payments made pursuant to this Agreement.

E. Subrecipient agrees that, to the best of its knowledge, neither the Project nor the funds provided therefore, nor the personnel employed in the administration of the program shall be in any way or to any extent engaged in the conduct of political activities in contravention of Chapter 15 of Title 5 of the United States Code, otherwise known as the "Hatch Act."

F. Subrecipient shall be accountable to the Village for compliance with this Agreement in the same manner as the Village is accountable to the United States government for compliance with HUD guidelines.

G. The Village, as a condition to Subrecipient's receipt of Grant Funds, requires Subrecipient, when applicable, to assist in the completion of an environmental review as needed for the Project.

H. Subrecipient shall permit the authorized representatives of the Village, HUD, and the Comptroller General of the United States to inspect and audit all data and reports of Subrecipient relating to its performance of this Agreement.

I. Subrecipient agrees and authorizes the Village to conduct on-site reviews, examine personnel and employment records and to conduct other procedures or practices to assure compliance with these provisions. The Subrecipient agrees to post notices, in conspicuous places available to employees and applicants for employment, setting forth the provisions of this non-discrimination clause.

J. The Village will provide technical assistance as needed to assist the Subrecipient in complying with the Act and the rules and regulations promulgated for implementation of the Act.

K. The Project shall be administered in accordance with all applicable federal, state, and local laws, codes, ordinances, and regulations, including the federal Davis-Bacon Act and related acts, requirements, environmental regulations, and all conditions and exhibits attached

hereto. Eligible costs are limited to those associated with the scope of the Project described herein. It is mutually understood that allocated funds are to be expended by the Subrecipient. The Subrecipient shall provide documentation to the Village as required to sufficiently document financial compliance, the beneficiaries of the Project, and compliance with applicable laws concerning equal opportunity and non-discrimination. This Agreement is subject to the completion of the environmental review in accordance with 24 CFR Part 58 and HUD regulations set forth in 24 CFR Part 58, as amended. The Village shall receive approval of a "Request for Release of Funds" from HUD before the Subrecipient enters into any written contracts pursuant to this Agreement. If the environmental review requires conditions to mitigate any environmental impacts, the Village shall enter into an agreement with any applicable purchaser and ensure any conditions set forth in the environmental review shall be undertaken.

7. REPORTING AND RECORD KEEPING.

A. Subrecipient's Maintenance of Required Records. Subrecipient shall maintain records to show actual time devoted and costs incurred in connection with the Project. Upon fifteen (15) days' notice from the Village, originals or certified copies of all timesheets, billings, and other documentation used in the preparation of said Progress Reports required pursuant to Section 7(C) below shall be made available for inspection, copying, or auditing by the Village at any time, during normal business hours.

B. Subrecipient's documents and records pursuant to this Agreement shall be maintained and made available during the Project Period and for three (3) years after completion of the Project. The Subrecipient shall give notice to the Village of any documents or records to be disposed of or destroyed and the intended date after said period, which shall be at least 90 days after the effective date of such notice of disposal or destruction. The Village shall have 90 days after receipt of any such notice to give notice to the Consultant not to dispose of or destroy said documents and records and to require Consultant to deliver same to the Village. The Subrecipient shall maintain for a minimum of three (3) years after the completion of this Agreement, or for three (3) years after the termination of this Agreement, whichever comes later, adequate books, records and supporting documents to verify the amounts, recipients and uses of all disbursements of Grant Funds passing in conjunction with the Agreement. The Agreement and all books, records and supporting documents related to the Agreement shall be available for review and audit by the Village and the federal funding entity, if applicable, and the Subrecipient agrees to cooperate fully with any audit conducted by the Village and to provide full access to all materials. Failure to maintain the books, records and supporting documents required by this subsection shall establish a presumption in favor of the Village for recovery of any Grant Funds paid by the Village under the Agreement for which adequate books, records and supporting documentation are not available to support their purported disbursement. The Subrecipient shall make the documents and records available for the Village's review, inspection and audit during the entire term of this Agreement and three (3) years after completion of the Project as set forth

herein and shall fully cooperate in responding to any information request pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/1 *et seq.* by providing any and all responsive documents to the Village.

C. Quarterly Progress Reports & Final Report. Subrecipient shall prepare and submit a quarterly Progress Report to the Village reporting on the status of the Project. Project progress is to be implemented based on the Project timeline set forth in the Proposal, listed below. The information provided in the Progress Reports shall be forwarded to the United States Department of Housing and Urban Development and shall be made available to the Village's Community Development Citizen Advisory Committee in order to determine the success or failure of the Project.

All Progress Reports, unless otherwise specifically noted, shall be due by the 15th day of the month following the end of each quarter and shall contain data obtained during the preceding three months. The Subrecipient shall be required to submit a final report at the end of the Project in lieu of the last Progress Report.

The following timeline shall be applicable:

1 st Quarter: October-December, 2024	Progress report due by January 15, 2025
2 nd Quarter: January-March, 2025	Progress report due by April 15, 2025
3 rd Quarter: April-June, 2025	Progress report due by July 15, 2025
4 th Quarter: July-September, 2025	Progress report/Final report due by October 15, 2025

Each quarterly Progress Report and the Final Report shall include information regarding activity compliance pursuant to the national objective criteria set forth in 24 C.F.R. Section 208 (2) and 570 and in Section 2 - Scope of Services. See the attached formats Exhibits D & E. The Village may request additional reports from the Subrecipient as necessary to comply with any applicable federal law requirements.

D. Penalty for Late Submission of Quarterly Reports or Final Report. In the event the Subrecipient does not provide the Village with any report within the required time period, the Village shall withhold \$25.00 from the Grant Funds for each business day the report remains overdue. Funds charged for failure to submit a required report shall be deducted from the total Grant Funds and the amount allocated to reimburse for the scope of services shall be reduced accordingly. It is the Subrecipient's sole responsibility to be aware of the reporting schedule and to provide the Village with timely reports.

E. Subrecipient will keep and maintain such records and provide such reports and documentation to the Village as the Village deems necessary to further its monitoring obligations.

8. MONITORING AND PERFORMANCE DEFICIENCIES.

A. Village Project Monitoring. The Village will monitor the Subrecipient's planning and implementation of the Project on a periodic basis to determine Subrecipient's compliance with all laws, rules and regulations and to determine whether Subrecipient is adequately performing and operating the Project in accordance with the approved Project guidelines. Subrecipient acknowledges the necessity for such monitoring and agrees to cooperate with the Village in this effort by providing all requested records and information and allowing such on-site visits as the Village determines is necessary to accomplish its monitoring function.

B. Performance Deficiency Procedures. The Village may take such actions as are necessary to prevent the continuation of a performance deficiency, to mitigate, to the extent possible, the adverse effects or consequences of the deficiency, and to prevent a recurrence of the deficiency. The following steps outline the general procedure the Village will use when it becomes aware of a performance deficiency. The Village is not bound to follow these steps. Depending on the seriousness of the deficiency, the Village may take any steps it deems necessary to address the deficiency, including immediate termination of the Project and any other remedies available by law.

1. When an issue involving a performance deficiency arises, including performance reporting requirements, the Village will first attempt to resolve the issue by informal discussions with the Subrecipient. The Village will attempt to provide Technical Assistance, to the maximum extent practicable, to help the Subrecipient successfully resolve the performance issue.
2. If discussion does not result in correction of the deficiency, the Village will schedule a monitoring visit to review the performance area that must be improved. The Village will provide the Subrecipient with a written report that outlines the results of the monitoring. Generally this report will include a course of corrective action and a time frame in which to implement corrective actions.
3. If, despite the above efforts, the Subrecipient fails to undertake the course of corrective action by the stated deadline, the Village will notify the Subrecipient in writing that its Project is being suspended. CDBG funds may not be expended for any Project that has been suspended.
4. The Village's written suspension notice will include a specified, written course of corrective action and a timeline for achieving the changes. Generally, corrective action plans will require a 15 to 60 day period of resolution (depending upon the performance issue).

5. The Village may lift a suspension when the performance issue has been resolved to the satisfaction of the Village. The Village will release a suspension by written release signed by the Village Manager or her designee.

C. Unresolved Performance Deficiencies. Subrecipient's failure, in whole or in part, to meet the course of corrective action to have a suspension lifted, shall constitute cause for termination pursuant to the procedures set forth in Section 9 below.

9. TERMINATION.

This Agreement may be terminated as follows:

A. By Fulfillment. This Agreement will be considered terminated upon fulfillment of its terms and conditions.

B. By Mutual Consent. The Agreement may be terminated or suspended, in whole or in part, at any time, if both parties consent to such termination or suspension. The conditions of the suspension or termination shall be documented in a written amendment to the Agreement.

C. Lack of Funding. The Village reserves the right to terminate this Agreement, in whole or in part, in the event expected or actual funding from the Federal government or other sources is withdrawn, reduced or eliminated.

D. For Cause. The Village may terminate this Agreement for cause at any time. Cause shall include, but not be limited to:

1. Improper or illegal use of funds;
2. Subrecipient's suspension of the Project; or
3. Failure to carry out the Project in a timely manner.

E. Termination for Illegality. This Agreement shall be subject to automatic termination due to the Subrecipient's improper or illegal use of the Grant Funds. Notice of termination for illegality shall be provided by the Village to Subrecipient pursuant to Section 18 below.

10. REVERSION OF ASSETS.

A. At the termination of this Agreement, Subrecipient shall transfer to the Village any CDBG funds on hand, and any accounts receivable attributable to the use of CDBG funds.

B. Any real property under Subrecipient's control that was acquired or improved in whole or in part with CDBG funds (including CDBG funds provided to Subrecipient in the form of

a loan) in excess of \$25,000 must be either:

1. Used to meet one of the national objectives in Section 570.208 for a period of five years after the expiration of the agreement, or for such longer period of time as determined to be appropriate by the recipient; or
2. If not so used, Subrecipient shall then pay to the Village an amount equal to the current market value of the property, less any portion of the value attributable to expenditures of non-CDBG funds for the acquisition of, or improvement to, the property, which payment shall be considered program income to the Village, as required by law. Such change in use or property disposition will be reported to the Village within 30 days of the intent to dispose of said property. Promissory notes, deeds of trust or other documents may additionally be negotiated as a term for receipt of funds.

C. If Subrecipient intends to dispose of any real property acquired and/or improved with CDBG funds, Subrecipient must report, in writing, to the Village, such intent to dispose of said property 30 days prior to the negotiation and/or agreement to dispose of said property.

D. For a period of 5 years after the Project Year, Subrecipient will provide the Village with an annual report inventorying all real property acquired or improved with CDBG funds and certifying its use in accordance with the CDBG National Objectives.

11. REMEDIES.

A. In the event of any violation or breach of this Agreement by Subrecipient, misuse or misapplication of funds derived from the Agreement by Subrecipient, or any violation of any laws, rules or regulations, directly or indirectly, by Subrecipient and/or any of its agents or representatives, the Village shall have the following remedies:

1. The Subrecipient may be required to repay the Grant Funds to the Village;
2. To the fullest extent permitted by law, the Subrecipient will indemnify and hold the Village harmless from any requirement to repay the Grant Funds to HUD previously received by the Subrecipient for the Project or penalties and expenses, including attorneys' fees and other costs of defense, resulting from any action or omission by the Subrecipient; and
3. The Village may bring suit in any court of competent jurisdiction for repayment of Grant Funds, damages and its attorney's fees and costs, or to seek any other lawful remedy to enforce the terms of this Agreement, as a result of any action or omission by the Subrecipient.

12. INDEPENDENT CONTRACTOR. Subrecipient is and shall remain for all purposes an independent contractor and shall be solely responsible for any salaries, wages, benefits, fees or other compensation which she may obligate herself to pay to any other person or consultant retained by her.

13. NO ASSIGNMENT. Subrecipient shall not assign this Agreement or any part thereof and Subrecipient shall not transfer or assign any Grant Funds or claims due or to become due hereunder, without the written approval of the Village having first been obtained.

14. AMENDMENTS AND MODIFICATIONS.

A. The nature and the scope of services specified in this Agreement may only be modified by written amendment to this Agreement approved by both parties.

B. No such amendment or modification shall be effective unless reduced to writing and duly authorized and signed by the authorized representative of the Village and the authorized representative of the Subrecipient.

15. SAVINGS CLAUSE. If any provision of this Agreement, or the application of such provision, shall be rendered or declared invalid by a court of competent jurisdiction, or by reason of its requiring any steps, actions or results, the remaining parts or portions of this Agreement shall remain in full force and effect.

16. ENTIRE AGREEMENT.

A. This Agreement sets forth all the covenants, conditions and promises between the parties.

B. There are no covenants, promises, agreements, conditions or understandings between the parties, either oral or written, other than those contained in this Agreement.

17. GOVERNING LAW, VENUE AND SEVERABILITY.

A. This Agreement shall be governed by the laws of the State of Illinois both as to interpretation and performance. Venue for any action brought pursuant to this Agreement shall be in the Circuit Court of Cook County, Illinois.

B. If any provision of this Agreement, or the application of such provision, shall be rendered or declared invalid by a court of competent jurisdiction, or by reason of its requiring

any steps, actions or results, the remaining parts or portions of this Agreement shall remain in full force and effect.

1. Background and Need

Since 1990, our mission at North West Housing Partnership is to create and preserve affordable quality diverse housing for low to moderate income residents through senior assistance, renovations and educational programs. Our vision is to be a recognized leader

and trusted partner helping to enhance healthy communities by providing safe, high quality housing choices for low to moderate income residents of Oak Park. For over 30 years NWHP has administered housing programs. All our programs are done in partnership and collaboration with various partners including federal, state, county and municipal entities. We also collaborate with other nonprofits and senior support services fields. The senior demographic in Oak Park is growing. With older housing stock, it can be difficult for seniors to address necessary home repairs. Our HUD certified housing counselors are trained and equipped to counsel senior residents on housing programs and options.

C. Project Narrative

1. Project Title

Senior Handyman Program

2. Project Description

This program would support seniors 63 and older residing in the Village of Oak Park to receive handyman services. These services are minor in nature and do not require a permit. Each service call will be up to two hours on average. The handymen are experienced and carry liability insurance. Residents of Oak Park pay a sliding scale fee based on income. All residents with an income of less than \$25,000 will receive the service at no charge, others will pay either \$20, \$30 or \$40 an hour depending on income. If a resident refuses to disclose their income, then they will pay \$40 an hour. In addition, residents who report income less than \$25,000 will not have to pay for needed supplies for the repairs. The funds requested will cover the administration of the program in Oak Park, the handyman's hourly rate of \$40

an hour. As well as to cover the cost of those that will not be paying a fee or paying for their materials.

3. Project Location (if different from above)

4. Which eligible activity will be reached/met through this project with CDBG funds?

- Senior Services (05A)
- Other Public Services (05Z)

5. Describe how your proposed program will meet the eligible activity with CDBG funds

Our handyman program helps seniors with minor repairs that are often left neglected. Failure to maintain the home can lead to safety issues and health hazards. Home maintenance and repair is often a cost burden expense for seniors. NWHP's handyman program offers a cost-effective solution for minor home repairs for elderly persons.

D. Approach

North West Housing Partnership started the Oak Park handyman program in October 2021. NWHP can report that the program is a success and beneficial to senior residents that are low-moderate income. Our program is unique because we address the need for minor cost effective home repair services for senior residents. No agency provides the same program for Oak Park residents.

Is this a new or a quantifiable increase in the level of existing service from a PY23 program?

Yes

E. Budget Narrative

Budget Worksheet

[py_2024-cdbg_project_budget_-nwHP.xlsx](#) [4]

1. Total CDBG dollars requested

\$ 9,555

2. Total project budget

\$ 9,555

3. Budget description

NWHP's budget will cover program administration (\$4,455), the cost of materials for extremely low income seniors (\$1,000), handyman services for extremely low income seniors (\$1,500), and gap funding for handyman services not covered by the hourly fee (\$2,600).

F. Program Eligibility

1. Meeting Outcomes

NWHP made the process for a senior to participate in the program efficient and quick. A senior provides their current annual household income. Based on this information, clients will be asked to pay no fee if their income is under \$25,000.00 and either \$20, or \$30 an hour for low to moderate income seniors. Seniors that have a higher income or prefer not to disclose their income will pay \$40 per hour.

2. Successes and challenges

NWHP's handyperson program is a popular program we are proud to offer senior residents of Oak Park. Many of the homes in Oak Park require extensive repair beyond what our program can provide. To address this issue, staff and handypersons are equipped with resources to provide to seniors to address major home repairs such as Oak Park's home rehabilitation program.

3. Intended accomplishments

A long-term goal for NWHP is to increase the number of new seniors that participate in the program. Our short-term goal is to host an information event at the library to spread awareness.

4. Project management process

Actively seek opportunities to work with property managers to post flyers of our program. Provide speaking engagements at the senior center of Oak Park. Attend community events such as senior fairs.

5. Income Documentation

Documenting household income is a self-identifying system. Our staff asks the senior to disclose their annual household income at the time of completing the client work order. Based on their answer, NWHP staff uses the income scale to determine the client's hourly fee. Eligibility is determined based on the client's Village of Oak Park address and their stated age of 63 or older.

6. Procurement and Management Process

NWHP is a HUD approved housing counseling agency with HUD certified housing counselors on staff. NWHP has extensive experience in administrating HUD CDBG programs. When a senior calls, our patient and competent staff explains the program and completes a simple work order form. Each senior is given the name of their handyperson. The handyperson is provided a copy of the work order that outlines the work the senior is requesting. The handyperson follows up with the senior to schedule their service. All seniors are contacted within four business days. A survey is provided annually to clients to receive feedback of service satisfaction or recommendations if improvement is necessary. The number of clients not satisfied is significantly small.

EXHIBIT C
VILLAGE OF OAK PARK REAFFIRMATION OF EQUAL EMPLOYMENT OPPORTUNITY POLICY
(EEO)

APPENDIX V

REAFFIRMATION STATEMENT

MARCH 31, 1997

**REAFFIRMATION OF
EQUAL EMPLOYMENT OPPORTUNITY POLICY (EEO)
VILLAGE OF OAK PARK**

It is the policy of the Village of Oak Park to afford equal opportunity in employment to all individuals, regardless of race, color, religion, age, sex, national origin, sexual orientation, disability, or status as a disabled veteran or Vietnam era veteran. The Village is committed to this policy because of legal requirements set forth in the Civil Rights Act of 1964 and the Equal Employment Opportunity Act of 1972, and because such principles are fundamental to Oak Park's existence as a racially and culturally diverse community. Equal Employment Opportunity within the Village government is essential if Oak Park is to effectively pursue community-wide goals of racial diversity and increased economic opportunity. EEO is, therefore, a legal, social, moral and economic necessity for the Village of Oak Park.

Chapter 13, Article III of the Code of the Village of Oak Park expressly prohibits discrimination in hiring, terms and conditions of employment, and promotions. Appeal procedures set forth in the Village Personnel Manual provide a mechanism for reporting any such practice to the Village Manager, who is empowered to hold hearings and issue decisions on such matters in behalf of the Village.

Policy statements alone are not sufficient, however, to address longstanding social barriers which have resulted in under-utilization of the skills and abilities of certain groups within our society. The Village of Oak Park, therefore, embraces a policy of affirmative recruitment, whereby specific efforts are made to attract and retain qualified female, minority, and disabled employees in the Village work force.

Responsibility for administering the Village of Oak Park's Equal Employment Opportunity/Affirmative Recruitment Plan lies with the Village Manager, who is assisted by the Human Resources Director in implementing policies which ensure Equal Employment Opportunity within the Village work force. Ultimately, however, the Village's EEO/Affirmative recruitment efforts will succeed only with the cooperation of all Village employees. Each of us is responsible for creating a work environment which encourages full participation by women, minorities and the disabled. Each of us is responsible for forging a Village work force that reflects the diversity of our community and utilizes the best talent available for serving the residents of Oak Park.
