NOW, THEREFORE, in consideration of the mutual covenants hereinafter set forth, the parties agree as follows:

1. RECITAL INCORPORATED.

The above recital is incorporated herein as though fully set forth.

2. SERVICES OF THE CONSULTANT.

2.1. The Consultant shall provide the services as more completely described in the Consultant's Proposal (hereinafter referred to as the "Services") and the Village's RFP after receiving written authorization by the Village. The Village shall approve the use of sub-consultants by the Consultant to perform any of the Services that are the subject of this Agreement.

2.2. The Consultant shall submit to the Village all reports, documents, data, and information set forth in the Project. The Village shall have the right to require such corrections as may be reasonably necessary to make any required submittal conform to this Agreement. The Consultant shall be responsible for any delay in the Services to be provided pursuant to this

Agreement due to the Consultant's failure to provide any required submittal in conformance with this Agreement.

2.3. In case of a conflict between provisions of the Consultant's Proposal and this Agreement or the Village's Request for Proposals, this Agreement and/or the Village's Request for Proposals shall control to the extent of such conflict.

2.4. Village Authorized Representative. The Village's Police Chief or the Police Chief's designee shall be deemed the Village's authorized representative, unless applicable law requires action by the Corporate Authorities, and shall have the power and authority to make or grant or do those things, certificates, requests, demands, approvals, consents, notices and other actions required that are ministerial in nature or described in this Agreement for and on behalf of the Village and with the effect of binding the Village as limited by this Agreement. The Consultant is entitled to rely on the full power and authority of the person executing this Agreement on behalf of the Village as having been properly and legally given by the Village. The Village shall have the right to change its authorized representative by providing the Consultant with written notice of such change which notice shall be sent in accordance with Section 17 of this Agreement.

2.5. Consultant's Authorized Representative. In connection with the foregoing and other actions to be taken under this Agreement, the Consultant hereby designates John Meister, President/Executive Director as its authorized representative who shall have the power and authority to make or grant or do all things, certificates, requests, demands, approvals, consents, notices and other actions required that are ministerial in nature or described in this Agreement for and on behalf of the Consultant and with the effect of binding the Consultant. The Village is entitled to rely on the full power and authority of the person executing this Agreement on behalf of the Consultant as having been properly and legally given by the Consultant. The Consultant shall have the right to change its Authorized Representative by providing the Village with written notice of such change which notice shall be sent in accordance with Section 18 of this Agreement.

2.6. The Consultant shall be an independent Consultant to the Village. The Consultant shall solely be responsible for the payment of all salaries, benefits and costs of supplying personnel for the Services. Nothing contained in this Agreement shall create a contractual relationship with or a cause of action in favor of a third party against Consultant. The Consultant's services under this Agreement are being performed solely for the Village's benefit, and no other party or entity shall have any claim against the Consultant because of this Agreement or the performance or nonperformance of services hereunder.

3. COMPENSATION FOR SERVICES.

3.1. The Village shall compensate the Consultant for the Services in an amount not to exceed \$144,300. The Consultant shall be paid installments not more frequently than once

each month ("Progress Payments"). Payments shall be made within thirty (30) days of receipt by the Village of a pay request/invoice from the Consultant. Payments shall be due and owing by the Village in accordance with the terms and provisions of the Local Government Prompt Payment Act, 50 ILCS 505/1 *et seq.*, except as set forth herein.

3.2. The Village may, at any time, by written order, make changes within the general scope of this Agreement in the Services to be performed by the Consultant. If such changes cause an increase or decrease in the amount to be paid to Consultant or time required for performance of any Services under this Agreement, whether or not changed by any order, an equitable adjustment shall be made and this Agreement shall be modified in writing accordingly. No service for which additional compensation will be charged by the Consultant shall be furnished without the written authorization of the Village.

3.3. The Consultant shall, as a condition precedent to its right to receive a progress payment, submit to the Village an invoice accompanied by such receipts, vouchers, and other documents as may be necessary to establish costs incurred for all labor, material, and other things covered by the invoice and the absence of any interest, whether in the nature of a lien or otherwise, of any party in any property, work, or fund with respect to the Services performed under this Agreement.

3.4. Notwithstanding any other provision of this Agreement and without prejudice to any of the Village's rights or remedies, the Village shall have the right at any time or times to withhold from any payment such amount as may reasonably appear necessary to compensate the Village for any actual or prospective loss due to: (1) Services that are defective, damaged, flawed, unsuitable, nonconforming, or incomplete; (2) damage for which the Consultant is liable under this Agreement; (3) claims of sub-consultants, suppliers, or other persons performing Consultant's Services; (4) delay in the progress or completion of the Services; (5) inability of the Consultant to complete the Services; (6) failure of the Consultant to properly complete or document any pay request; (7) any other failure of Consultant to perform any of its obligations under this Agreement; or (8) the cost to the Village, including reasonable attorneys' fees and administrative costs, of correcting any of the aforesaid matters or exercising any one or more of the Village's remedies set forth in this Agreement. The Village must notify the Consultant of cause for withholding within fourteen (14) days of receiving invoice.

3.5. The Village shall be entitled to retain any and all amounts withheld pursuant to this Agreement until the Consultant shall have either performed the obligations in question or furnished security for such performance satisfactory to the Village. The Village shall be entitled to apply any money withheld or any other money due the Consultant under this Agreement to reimburse itself for any and all costs, expenses, losses, damages, liabilities, suits, judgments, awards, reasonable attorneys' fees, and administrative expenses incurred, suffered, or sustained by the Village and chargeable to the Consultant under this Agreement.

4. TERM AND TERMINATION.

4.1. This Agreement shall be for a one (1) year term beginning on January 1, 2020 at 12:01 a.m. through 11:59 p.m. on December 31, 2020. 4.2. This Agreement may be terminated, in whole or in part, by either party if the other party substantially fails to fulfill its obligations under this Agreement through no fault of the terminating party. The Village may terminate this Agreement, in whole or in part, for its convenience. No such termination may be effected unless the terminating party gives the other party not less than ten (10) calendar days' written notice pursuant to Section 18 below of its intent to terminate.

4.3. If this Agreement is terminated by either party, the Consultant shall be paid for Services performed to the effective date of termination, including reimbursable expenses. 6. INSURANCE.

6.1. The Consultant shall, at the Consultant's expense, secure and maintain in effect throughout the duration of this Agreement, insurance of the following kinds and limits set forth in this Section 6. This provision (or reasonable equivalent) shall also be stated on each Certificate of Insurance: "Should any of the above described policies be

canceled before the expiration date, the issuing company shall mail fifteen (15) days' written notice to the certificate holder named to the left." The Consultant shall require any of its sub-consultants to secure and maintain insurance as set forth in this Section 6 and indemnify, hold harmless and defend the Village and its officers, officials, agents, employees and volunteers as set forth in this Agreement.

8. FORCE MAJEURE.

8.1. Neither the Consultant nor the Village shall be responsible for any delay caused by any contingency beyond their control, including, but not limited to: acts of nature, war or insurrection, strikes or lockouts, walkouts, fires, natural calamities, riots or demands or requirements of governmental agencies.

9.1. This Agreement may be modified or amended from time to time provided, however, that no such amendment or modification shall be effective unless reduced to writing and duly authorized and signed by the authorized representative of the Village and the authorized representative of the Consultant.

10. STANDARD OF CARE.

10.1. The Consultant is responsible for the quality, technical accuracy, timely completion, and coordination of all reports and other Services furnished or required under this Agreement, and shall endeavor to perform such Services with the same skill and judgment which can be reasonably expected from similarly situated professionals.

10.2. The Consultant shall be responsible for the accuracy of its Services under this Agreement and shall promptly make revisions or corrections resulting from its errors, omissions, or negligent acts without additional compensation. The Village's acceptance of any of Consultant's Services shall not relieve Consultant of its responsibility to subsequently correct any such errors or omissions, provided the Village notifies Consultant thereof within one year of completion of the Consultant's Services.

10.3. The Consultant shall respond to the Village's notice of any errors and/or omissions within seven (7) days of written confirmation by the Consultant of the Village's notice. Such confirmation may be in the form of a facsimile confirmation receipt by the Village, or by actual hand delivery of written notice by the Village to the Consultant.

10.4. The Consultant shall comply with all federal, state, and local statutes, regulations, rules, ordinances, judicial decisions, and administrative rulings applicable to its performance under this Agreement.

10.5. The Consultant shall give all notices, pay all fees, and take all other action that may be necessary to ensure that the Services are provided, performed, and completed in accordance with all required governmental permits, licenses, and other approvals and authorizations that may be required in connection with providing, performing, and completing the Services, and with all applicable statutes, ordinances, rules, and regulations, including, but not limited to, the Fair Labor Standards Act; any statutes regarding qualification to do business; any statutes prohibiting discrimination because of, or requiring affirmative action based on race, color, religion, sex, national origin, ancestry, age, order of protection status, marital status, physical or mental disability, military status, sexual orientation, or unfavorable discharge from military service or other prohibited classification, including, without limitation, the Americans with Disabilities Act of 1990, 42 U.S.C. §§ 12101 *et seq.*, and the Illinois Human Rights Act, 775 ILCS 5/1-101 *et seq.* The Consultant shall also comply with all conditions of any federal, state, or local grant received by the Village or the Consultant with respect to this Agreement.

10.6. The Consultant shall be solely liable for any fines or civil penalties that are imposed by any governmental or quasi-governmental agency or body that may arise, or be alleged to have arisen, out of or in connection with the Consultant's, or its sub-consultants', performance of, or failure to perform, the Services required pursuant to this Agreement or any part thereof.

11. DOCUMENTS AND BOOKS AND RECORDS.

11.1. Reports, examinations, information, observations, calculations, notes and any other reports, documents, data or information, in any form, prepared, collected, or received by the Consultant in connection with any or all of the Services to be provided pursuant to this Agreement ("Documents") shall be and remain the property of the Village upon completion of the Services and payment to Consultant all amounts then due under this Agreement. At the Village's request, or upon termination of this Agreement, the Documents shall be delivered promptly to the Village. Consultant shall have the right to retain copies of the Documents for its files. Consultant shall maintain files of all Documents unless the Village shall consent in writing to the destruction of the Documents, as required herein.

11.2. Consultant's Documents and records pursuant to this Agreement shall be maintained and made available during performance of the Services under this Agreement and for three (3) years after completion of any Services. Consultant shall give notice to the Village of any Documents to be disposed of or destroyed and the intended date after said period, which shall be at least ninety (90) days after the effective date of such notice of disposal or destruction. The Village shall have ninety (90) days after receipt of any such notice to give notice to Consultant not to dispose of or destroy said Documents and to require Consultant to deliver same to the Village, at the Village's expense. Consultant and any subconsultants shall maintain for a minimum of three (3) years after the completion of this Agreement, or for three (3) years after the termination of this Agreement, whichever comes later, adequate books, records and supporting documents to verify the amounts, recipients and uses of all disbursements of funds passing in conjunction with the Agreement. All books, records and supporting documents related to this Agreement shall be available for review and audit by the Village and the federal funding entity, if applicable, and Consultant agrees to cooperate fully with any audit conducted by the Village and to provide full access to all materials. Failure to maintain the books, records and supporting documents required by this section shall establish a presumption in favor of the Village for recovery of any funds paid by the Village under this Agreement for which adequate books, records and supporting documentation are not available to support their purported disbursement. Consultant shall make the Documents available for the Village's review, inspection and audit during the entire term of this Agreement and three (3) years after completion of the Services as set forth herein and shall fully cooperate in responding to any information request pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/1 *et seq.* by providing any and all responsive documents to the Village.

11.3. Consultant shall furnish all records related to this Agreement and any documentation related to the Village required under an Illinois Freedom of Information Act (5 ILCS 140/1 et. seq.) ("FOIA") request within five (5) business days after the Village issues notice of such request to Consultant. Consultant shall not apply any costs or charge any fees to the Village regarding the procurement of records required pursuant to a FOIA request. Consultant agrees to defend, indemnify, and hold harmless the Village, and its officers, officials, employees, agents, and volunteers, and agrees to pay all reasonable costs connected therewith (including, but not limited to reasonable attorney's and witness fees, filing fees, and any other expenses) for the Village to defend any and all causes, actions, causes of action, disputes, prosecutions, or conflicts arising from the Consultant's actual or alleged violation of the FOIA, or the Consultant's failure to furnish all documentation related to a request within five (5) days after the Village issues notice of a request. Furthermore, should the Consultant request that the Village utilize a lawful exemption under FOIA in relation to any FOIA request thereby denying that request, Consultant shall pay all costs connected therewith (such as reasonable attorney's and witness fees, filing fees, and any other expenses) to defend the denial of the request. The defense shall include, but not be limited to, challenged or appealed denials of FOIA requests to either the Illinois Attorney General or a court of competent jurisdiction. Consultant shall defend, indemnify, and hold harmless the Village, and its officers, officials, employees, agents, and volunteers, and shall pay all costs connected therewith (such as reasonable attorney's and witness fees, filing fees and any other expenses) to defend any denial of a FOIA request by the Consultant's request to utilize a lawful exemption to the Village.

12. SAVINGS CLAUSE.

12.1. If any provision of this Agreement, or the application of such provision, shall be rendered or declared invalid by a court of competent jurisdiction, or by reason of its requiring any steps, actions or results, the remaining parts or portions of this Agreement shall remain in full force and effect.

13. NON-WAIVER OF RIGHTS.

13.1. No failure of either party to exercise any power given to it hereunder or to insist upon strict compliance by the other party with its obligations hereunder, and no custom or practice of the parties at variance with the terms hereof, nor any payment under this agreement shall constitute a waiver of either party's right to demand exact compliance with the terms hereof.

13.2. This Agreement shall not prohibit the Consultant from providing engineering Services to any other public or private entity or person. In the event that the Consultant provides Services to a public or private entity or person, the Village, at its sole discretion, may determine that such Services conflict with a service to be provided to the Village by Consultant, and the Village may select another civil engineer and/or land surveyor to provide such Services as the Village deems appropriate.

14. THE VILLAGE'S REMEDIES.

14.1. If it should appear at any time prior to final payment that the Consultant has failed or refused to prosecute, or has delayed in the prosecution of, the Services to be provided pursuant to this Agreement with diligence at a rate that assures completion of the Services in full compliance with the requirements of this Agreement, or has attempted to assign this Agreement or the Consultant's rights under this Agreement, either in whole or in part, or has falsely made any representation or warranty, or has otherwise failed, refused, or delayed to perform or satisfy any other requirement of this Agreement or has failed to pay its debts as they come due ("Event of Default"), and has failed to cure, or has reasonably commenced to cure any such Event of Default within fifteen (15) business days after Consultant's receipt of written notice of such Event of Default, then the Village shall have the right, at its election and without prejudice to any other remedies provided by law or equity, to pursue any one or more of the following remedies:

14.1.1. The Village may require the Consultant, within such reasonable time as may be fixed by the Village, to complete or correct all or any part of the Services that are defective, damaged, flawed, unsuitable, nonconforming, or incomplete and to take any or all other action necessary to bring Consultant and the Services into compliance with this Agreement;

14.1.2. The Village may accept the defective, damaged, flawed, unsuitable, nonconforming, incomplete, or dilatory Services or part thereof and make an equitable reduction in the Contract Price;

14.1.3. The Village may terminate this Agreement without liability for further payment of amounts due or to become due under this Agreement except for amounts due for Services properly performed prior to termination;

14.1.4. The Village may withhold any progress payment or final payment from the Consultant, whether or not previously approved, or may recover from Consultant, any and all costs but not exceeding the amount of the Contract Price, including attorneys' fees and administrative expenses, incurred by the Village as the result of any Event of Default or as a result of actions taken by the Village in response to any Event of Default; or

14.1.5. The Village may recover any damages suffered by the Village as a result of the Consultant's Event of Default.

14.2. In addition to the above, if Consultant fails to complete any required Services pursuant to this Agreement, the Village shall be entitled to liquidated damages in the amount of five hundred dollars (\$500.00) per day for each day the Services remains uncompleted. This amount is not a penalty, and the parties agree to said amount given the difficulties associated

with determining or calculating damages to the Village in the event the required Services are not completed on time.

15. NO COLLUSION.

15.1. The Consultant hereby represents and certifies that the Consultant is not barred from contracting with a unit of state or local government as a result of: (1) a delinquency in the payment of any tax administered by the Illinois Department of Revenue unless Consultant is contesting, in accordance with the procedures established by the appropriate revenue Act, its liability for the tax or the amount of the tax, as set forth in 65 ILCS 5/11-42.1-1; or (2) a violation of either Section 33E-3 or Section 33E-4 of Article 33E of the Criminal Code of 1961, 720 ILCS 5/33E-1 *et seq.* The Consultant hereby represents that the only persons, firms, or corporations interested in this Agreement are those disclosed to the Village prior to the execution of this Agreement, and that this Agreement is made without collusion with any other person, firm, or corporation. If at any time it shall be found that Consultant has in procuring this Agreement, colluded with any other person, firm, or corporation, then the Consultant shall be liable to the Village for all loss or damage that the Village may suffer thereby, and this Agreement shall, at the Village's option, be null and void and subject to termination by the Village.

16. ENTIRE AGREEMENT.

16.1. This Agreement sets forth all the covenants, conditions and promises between the parties, and it supersedes all prior negotiations, statements or agreements, either written or oral, with regard to its subject matter. There are no covenants, promises, agreements, conditions or understandings between the parties, either oral or written, other than those contained in this Agreement.

We are pleased to have the opportunity to extend our crisis services to the Department and the community for another three years.

Thrive Counseling Center makes a real difference in the lives of those with urgent needs in our community. Our Crisis Response Team is comprised of highly skilled clinicians who are specially trained to respond to emergency situations. We take pride in our quick response times as well as our ability to make professional and thorough assessments of each individual experiencing a crisis. While we pay particular attention to the needs of the individual in crisis, we are trained to look at the whole picture...keeping in mind the needs of the family and significant others that may be present.

Since June of 2018, Thrive Counseling Center has engaged with LivingWorks International to provide various suicide awareness, prevention and intervention workshops and trainings. One critical aspect of this effort is ASIST, Applied Suicide Intervention Skills Training which Thrive has made available to more than 20 people, the majority of whom are Thrive Counseling Center crisis workers. This training enhances Thrive's ability to serve the community's crisis needs. In addition to providing for assistance in a Mental Health Crisis, Thrive is now able to intervene when someone is in the midst of a Suicide Crisis.

Since July of 2018, Thrive has also conducted 15 safeTALK workshops, training approximately 300 people to be suicide aware gatekeepers and alert helpers to recognize someone who is suffering with thoughts of suicide. These gatekeepers are trained to provide assistance to someone who is suffering and then connect them to an ASIST trained person to get them the help they need to stay safe.

We recognize the financial challenges facing all public support agencies in Illinois and although we are requesting a modest increase of approximately 2.5% per year in our proposal over previous years, we are asking for this increase after four years of no increase.

Thank you for the opportunity to continue to partner... and thank you for your thoughtful consideration of this proposal. As you review our proposal, please do not hesitate to call me if you have any questions or concerns.

Respectfully,

A handwritten signature in black ink, appearing to read "John Meister".

Monthly in-service trainings are provided on a variety of topics with learning objectives focused on the development of sensitivity to such issues as diversity. Crisis Intervention and Police Social Work Services Proposal
Submitted by: Thrive Counseling Center

All full-time staff is trained in several suicide prevention approaches including ASIST (suicide intervention skills), QPR (Question, Persuade, Refer) and safeTALK (suicide alertness).

In addition, workers receive weekly individual and group supervision, attend monthly in-services and can attend relevant seminars. This clinical training and prior experience in the mental health and social service field enable crisis workers to differentiate between various types of mental illnesses, substance abuse and other mental health concerns. The agency's Crisis and Access Services Coordinator is a Licensed Professional Counselor. The crisis team is supervised by the Clinical Program Manager who is a Licensed Clinical Social Worker. The Crisis Coordinator and Clinical Program Manager have extensive mental health assessment and crisis intervention training and experience. This staff person or another senior level crisis staff is available through Telmediq (HIPPA compliant smart phone app) 24/7 for crisis staff consultation.

Thrive crisis workers will provide risk assessment services which will differentiate among mental illnesses, substance abuse, and other mental illness related problems, and will have access to licensed therapist for consultation.

Services

- 5. Crisis workers will respond to pages by telephone within 15 minutes, and will, when deemed appropriate by police personnel, arrive at the scene of a crisis within one hour without transportation assistance from the Village.*

Response: Over the past year the crisis team has had an average phone response time of 5 minutes and an in-person response time of 30 minutes. On a rotating schedule, Thrive Counseling Center crisis workers carry a pager 24 hours per day. This enables them to respond by telephone to OPPD within the 15 minutes expected response time. Agency crisis workers on average arrive on the scene within one half hour during business hours and within an hour after business hours, and will continue to hold both response times as top priorities.

Thrive crisis workers will respond to pages by telephone within 5 minutes, and will, when deemed appropriate by police personnel; arrive at the scene of a crisis within one hour after business hours without transportation assistance from the Village of Oak Park. When necessary, crisis worker will coordinate transportation on behalf of the client to an appropriate medical facility for further care.

Crisis Intervention and Police Social Work Services Proposal

- 6. Crisis workers must provide preliminary assessment for clients referred by the police, regardless of a client's ability to pay for services.*

Response: Clinical assessments are completed on all police-referred clients regardless of the client's ability to pay for the service. Emergency crisis services are offered without cost to people referred by the OPPD. For ongoing counseling and psychiatric services following the post-crisis consultation, client fees are determined based on their funding (including all forms of insurance) and the family or individual's ability to pay. The agency honors a sliding fee schedule sensitive to household size and income for residents of Oak Park and River Forest to ensure access to service if the resident does not have insurance or is unable to afford the deductibles or co-pays of their insurance.

- 7. When appropriate, crisis workers will arrange for the hospitalization of clients. When safety considerations permit and at the discretion of the Police Department, crisis workers who are at a scene with a client will assume control of a situation and allow officers to leave.*

Response: The crisis workers have been trained to facilitate admission of both voluntary and involuntary clients to the local state-operated hospital and to other local private hospitals. Crisis staff is trained in the admission process of the state-operated facility and are regarded as the primary gatekeeper for such referrals coming out of our community by the Illinois Department of Mental Health. Thrive has ongoing contractual working relationships with the state-operated facilities and is able to address problems arising around admissions expeditiously. Additionally, Thrive's crisis workers have extensive knowledge of local hospitals and their psychiatric units and are able to ensure the most clinically appropriate and expeditious referral is made.

Thrive crisis staff, when clinically indicated, will arrange for the hospitalization of clients. Crisis workers who are at a scene with a client will, when safety considerations permit, assume control of a situation and allow officers to leave.

- 8. The agency will contact persons mentioned in police reports, (i.e., crime victims, mentally ill persons, substance abusers) in a timely manner and offer non-emergency follow-up services when appropriate, or link them to agencies, preferably sited within the Village, which can provide appropriate services.*

Response: A Thrive crisis worker will collect non-emergency police reports from the Oak Park Police station Records Department on a weekly basis, or more often as needed. (It is Thrive's current understanding that domestic violence reports are referred to Sarah's Inn through another referral process.) These reports are provided by police station personnel once the crisis worker signs off on the exchange. Thrive's police social service staff then sorts through the non-emergency police reports. All persons listed on police reports

forwarded to Thrive are contacted by agency staff via telephone within 24 hours of receiving the report. Referrals in need of more urgent outreach are faxed to Thrive Counseling Center, and Thrive's police social service staff will outreach within 24 hours. The person(s) are informed of various types of counseling services offered at Thrive and are encouraged to engage in services.

Thrive's crisis staff will contact individuals mentioned in police reports, i.e., crime victims, mentally ill people, substance abusers, and offer non-emergency follow-up service when appropriate or link them to agencies, preferably situated within the Village which can provide appropriate services.

9. The agency will provide support for the victims and witnesses of crimes under the Victim Witness Assistance Program.

Response: Crisis workers provide emergency assessment and crisis counseling for victims and witnesses of violent crimes referred by the officer responding to the scene. Non-emergency referrals of Victim/Witness' are made either via fax, telephone or written report from the responding officer. The agency no longer receives funding from the Illinois States Attorney for the Victim Witness Programming but will continue to provide free risk assessments and consultations to victims and witnesses of violent crime through our agreement with the Village of Oak Park. Services required beyond these will be available on a reduced fee schedule. When appropriate, case management services are available for victims and witnesses. In addition, these clients have access to the full range of counseling and other social services offered at Thrive Counseling Center.

10. The agency will provide Interim Crisis Intervention Service to youths who meet the criteria for Minors Requiring Authoritative Intervention as defined in 705 ILCS 405/3-3.

Response: Emergency assessments and follow-up services are available to youth (ages 12 through 17) and their families who are experiencing crises, including but not limited to, youth who are: a) absent from home without parental consent or lockouts; b) runaway youth; c) homeless youth; or d) acting out behavior beyond the control of the parents. Emergency referrals are made by the responding officer. A crisis worker will provide an on-site assessment and crisis intervention with the goal of stabilizing and reunifying the family. If family reunification is not possible at the time of the crisis assessment, the crisis worker will secure alternative housing for the minor. Non-emergency referrals occur via telephone or submission of a written report by the responding officer. Crisis workers will provide assessments, and, if appropriate, follow-up counseling and social services for up to 21 days in order to stabilize the family and reintegrate the youth back to the home.

Referrals may be made to the youth program either during the agency's normal hours of operation via telephone or written referral by the responding officer, or after hours via the on-call crisis worker.

The State of Illinois Department of Human Services no longer provides Delinquency Prevention Grants throughout the state including their funding of Thrive for these services. Thrive's crisis and youth services will continue to accept referrals of youthful offenders for delinquency prevention through counseling and other structured programs designed to deter future delinquent behavior through our agreement with the Village of Oak Park.

12. The agency will contact the Police Department every business day to receive referrals and relevant police reports and provide consultation on individual cases, to the degree that confidentiality requirements permit;

Response: Agency crisis staff will contact the Police Department every business day to receive referrals and relevant police reports and provide consultation on individual cases, to the degree that confidentiality requirements permit. Crisis workers will follow up on every non-emergency referral with a telephone assessment, and will offer follow-up services to all residents referred in this manner. Crisis workers will inform referring officers of the status of each case (whether services were accepted or declined) via a written feedback report.

13. The agency will consult on, and when necessary, provide training for officers in handling persons who are mentally ill and others in need of help;

Response: Consultation is provided to the police officer whenever needed, 24 hours a day. Training to the police officers is formally presented by Thrive's staff regarding mental illness, suicide prevention (safeTALK, QPR) and other mental health issues either annually or as requested.

On an annual basis, Thrive staff will provide appropriate psychiatric crisis intervention training to Oak Park Police officers in January and February or as requested. Thrive's crisis staff will consult on, and when necessary, provide training for officers in dealing with persons with serious mental illness and others in need of help.

18. The agency will provide public speaking and community education in conjunction with police officers for community problems/concerns; and

Response: Thrive crisis and/or other staff is available to join police officers to address community problems per request. available for more than two community public speaking events per month, the agency would need to further discuss this contract requirement.

19. The agency will provide monthly reports of services rendered, as well as such other reports as may be required by the Village.

With over 45 years of experience in providing these services, no lead time is required as the service delivery system is in place. While this collaborative model has been effective over the years, our team will continually look for ways to improve and enhance our work to best serve the Oak Park Community.
