# Introduction

## The Budget Adoption Process

The process for adoption and amendment of the Village of Oak Park budget, along with a calendar of the major dates and activities related to the development of the Village of Oak Park Budget is outlined in this section. Chapter 2 of the Village of Oak Park's Municipal Code establishes the foundation for the Municipal Budget. Excerpts from Chapter 2 follow:

- The Village's fiscal year is January 1 - December 31.
- The Board of Trustees must adopt the annual budget prior to the start of the Fiscal Year and passage of the annual budget shall be in lieu of passage of the appropriation ordinance.
- On or before the Village Board of Trustees' first regular meeting in November of each year, the Village Manager shall submit to the Board of Trustees an annual Municipal budget which contains estimates of revenues together with recommended expenditures in conformity with good fiscal management practice.
- The recommended budget presented by the Village Manager shall show the specific fund from which anticipated expenditures are charged.
- The annual budget may contain funds set aside for contingency purposes not to exceed ten percent (10%) of the total budget, commonly referred to as the Working Cash Fund.
- At least one public hearing shall be held by the Board of Trustees on the tentative annual budget prior to final action by the Board of Trustees. Copies of the tentative annual budget shall be made available for public inspection for at least ten (10) days prior to the hearing. After said hearing, the tentative budget may be further revised and passed without further notice, inspection or hearing.

## The Budget Amendment Process

Annually, following adoption of the Budget, it may be necessary for the Village Board to consider amendments to the Adopted Budget in response to unforeseen issues as follow:

- **§2-6-5 (F) Revision of Annual Budget:** The Municipal Budget Officer, subject to approval by the Village Manager, may delete, add to, or change items within object classes, provided the budget for the object class is not increased.
- The Municipal Budget Officer, subject to approval by the Village Manager, may delete, add to, or change items, up to an amount of three thousand dollars (\$3,000) between object classes, provided the total fund budget is not increased and the annual aggregate of such transfers does not exceed one percent (1%) of the total fund budget.
- The corporate authorities, by a vote of two-thirds ( $\frac{2}{3}$ ) of the members then holding office, shall have the authority to revise the budget by transferring monies from one fund to another or adding to any fund. No revision of the annual budget shall be made increasing the budget

in the event monies are not available to do so. (Ord. 1989-0-52, 7-5-89).

- Budget amendments will be compiled and submitted to the Board of Trustees for consideration in the month subsequent to each quarter end with the exception of the fourth quarter. Therefore, it is anticipated that a budget amendment will be included in Board agenda in the following months:
  - April (for quarter ended 3/31)
  - July (for quarter ended 6/30)
  - October (for quarter ended 9/30)
  - December (to adjust budget based on final year end projections)
- Should a requested budget amendment increase an account without an offsetting decrease in a different account, adequate revenue and/or reserves are required for an amended appropriated amount.

## Financial Policies Summary

The following is a summary of the Village of Oak Park's financial policies related to the following areas:

- Accounting and Budgeting Methods
- Balanced Budget
- Fund Balance
- Debt Limits
- Purchasing Practices
- Investment Practices

**Accounting and Budgeting Methods** – The accounting and budgeting records for general governmental operations are maintained on the modified accrual basis of accounting. Under this method, revenues are recorded when available and measurable and expenditures are recorded when materials or services are received and the liability is incurred. Accounting and budgeting records for the Village's enterprise funds, internal services funds and pension trust funds are maintained on the accrual basis of accounting.

**Balanced Budget** – A balanced budget is defined as a Fund in which annual budgeted revenues either meet or exceed annual budgeted expenditures or expenses, without the necessity of utilizing reserves or fund balance as a revenue source.

**Fund Balance Policy** – Appropriate fund balance levels are necessary to respond to unexpected emergencies and annual cash flow requirements. For the General Fund, the objective is to have an on-hand unreserved fund balance between 10% and 20% of the current year's estimated operating expenditures. Since unreserved fund balance is often comprised of non-cash amounts, it is furthermore the goal that cash and investment comprise no less than 60% of the targeted unreserved fund balance under this policy. Thus, it is the policy that total General Fund cash and investment balances be in the range of 6% and 12% of annual operating expenditures. For example, if the General Fund has annual budgeted expenditures of \$50 million, the goal would be for the General Fund to have a net (after offsetting inter-fund receivables/payables) \$3 million to \$6 million in cash/investments.

**Debt Limit Policy** – Under the 1970 Illinois Constitution, there is no legal limit for home rule municipalities, of which Oak Park is, except as set by the General Assembly. Reasonable rules of financial management, however, do offer some guidance which is subject to Village Board policy. The Village does not currently have any formula driven debt limit, but looks to the market to determine its credit worthiness which, in part, takes various measures of debt into account.

**Purchasing Policy (subject to change pursuant to adoption of new policy)** – When the total cost of any contract made for supplies, equipment, repair work or personal services exceeds \$25,000, or the total cost of making any public improvement exceeds \$10,000, the expenditure must be authorized by the Board of Trustees.

**Additional policies on the bidding process** – When the total cost of a public work or improvement is expected to exceed \$10,000, or when the total cost of any supplies, equipment or repair work is expected to exceed \$25,000, a call for bids is to be formally advertised. Bidding in all instances may

be waived by a two-thirds vote of the Board of Trustees. In cases of urgently needed material or urgent repairs involving labor and material, repairs and material may be obtained through negotiated contract without formal advertising with the approval of the Village Manager, when it is in the best interest of the Village and when it is not practical to convene a meeting of the Board of Trustees. Negotiated purchases without formal advertising may be approved by the Board of Trustees when it is impractical to secure competition, impossible to draft adequate specifications or any other adequately detailed description of the required property or services, or when the contemplated contract involves maintenance, repair, alteration or inspection and the exact nature or amount of work to be done is not known. However, staff shall first obtain in writing, whenever possible, at least three informal bids for the work whenever possible.

## **Investment Policy**

**Pooling of Funds** – Except in certain restricted and special funds, the Village of Oak Park will consolidate cash balances from all funds to maximize investment earnings. Investment income will be allocated to the various funds based on their respective participation and in accordance with generally accepted accounting principles.

**Safety of Principal** – Investments shall be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio. The objective will be to mitigate credit risk and interest rate risk.

**Liquidity** – The investment portfolio shall remain sufficiently liquid to meet all operating requirements that may be reasonably anticipated. This is accomplished by structuring the portfolio so that securities mature concurrent with cash needs (static liquidity). Furthermore, since all possible cash demands cannot be anticipated, the portfolio should consist of securities with active secondary or resale markets (dynamic liquidity). A portion of the portfolio may be placed in money market mutual funds or local government investment pools that offer the same-day liquidity as for short-term funds.

**Rate of Return** – The investment portfolio shall be designed with the objective of attaining a market rate of return throughout budgetary and economic cycles, taking into Investment risk constraints and liquidity needs. Return on investment is of least importance compared to the safety and liquidity objectives. The core of investments is limited to relatively low-risk securities in anticipation of earning a fair return relative to the risk being assumed. Securities shall not be sold prior to maturity with the following exceptions:

- Declining credit security could be sold early to minimize loss of principal
- Security swap would improve the quality, yield or target duration in the portfolio
- Liquidity needs of the portfolio require that the security be sold.

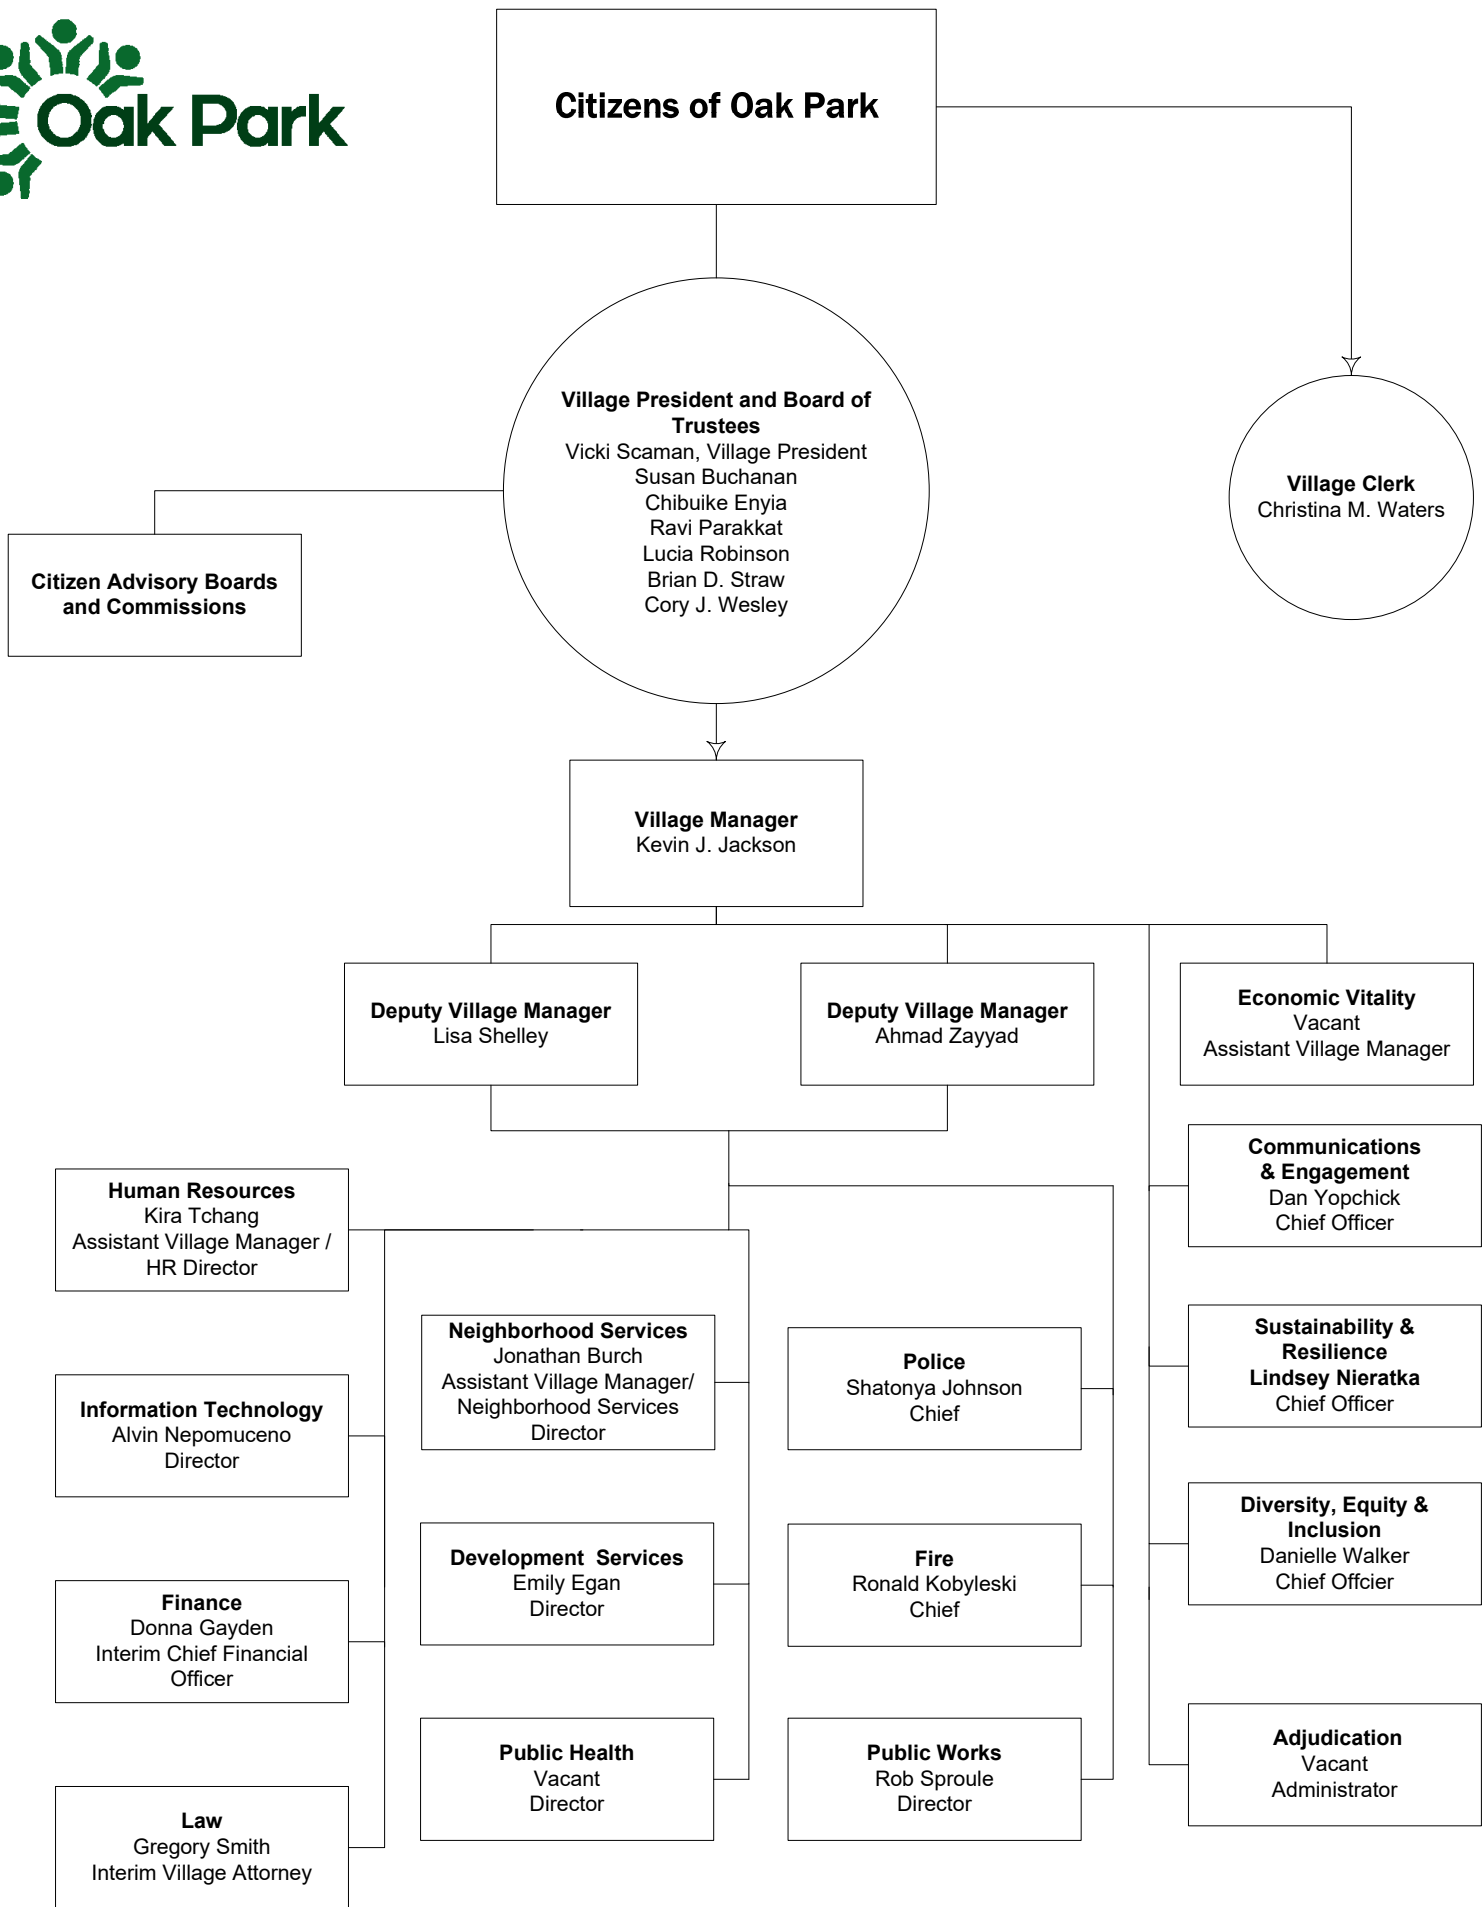

Consistent with Illinois Compiled Statutes 23 5/2, the following investments will be permitted by this policy:

- U.S. Government obligations, U.S. Government agency obligations and U.S. Government instrumentality obligations, which have a liquid market and a readily determinable market value

- Investment-grade obligations of state, provincial and local governments and public authorities
- Certificates of deposits and other evidences of deposit at financial institutions, bankers' acceptances and commercial paper, rated in the highest tier by a nationally recognized rating agency
- Money market mutual funds regulated by the SEC and whose portfolios consist only of domestic securities
- Local government investment pools, either state-administered or through joint powers, statutes or other intergovernmental agreement legislation.

In accordance with Illinois Compiled Statutes, collateralization of Public Deposits will be required on non-negotiable certificates of deposits.

- The Village of Oak Park will limit maximum final stated maturities to five (5) years unless specific authority is given to exceed or the investment is matched to a specific cash flow. To the extent possible, the Village will attempt to match its investments with anticipated cash flow requirements.
- Reserve funds and other funds with longer-term investment horizons may be invested in securities exceeding five (5) years if the maturity of such investments is made to coincide with the expected use of funds.

---

# Vision, Values & Guiding Principles

## VISION STATEMENT

---

The Village of Oak Park is a highly desirable place to live and visit because of our people, our shared values, our culture and our location.

We have a strong sense of responsibility to embrace our historic past and support our thriving present as a diverse, welcoming, inclusive and integrated community.

Oak Park is a leader in transformational thought and action committed to making brave decisions that are racially and environmentally just and create a safe, equitable, affordable and vibrant future.

## VILLAGE BOARD CORE VALUES & GUIDING PRINCIPLES

---

- We are Community-Centered in Our Thinking
- We are Fiscally Responsible with Our Public Resources
- We Build Trust through Respectful Dialogue and Board Actions
- We are Transparent and Accountable to the Community
- We Engage and Collaborate with the Community and Partners
- We are Focused on Equity, Innovation and Sustainability

## 1 Community Affordability

- Priority 1:** Remove Economic Barriers
- Priority 2:** Limit the Tax Levy per a Finance Policy
- Priority 3:** Pursue Governmental Partnerships

## 2 Community Health & Safety

- Priority 1:** Reduce Crime
- Priority 2:** Explore Alternatives for Youth Engagement
- Priority 3:** Implement BerryDunn Report Recommendations
- Priority 4:** Provide for the Safe Use and Enjoyment of Private and Public Property
- Priority 5:** Provide for Safe Mobility
- Priority 6:** Ensure Healthy Work Environments for Village Workers

## 3 Racial Equity

- Priority 1:** Ensure Equitable Access to Government Services and Contracts
- Priority 2:** Assess and Address Historical Lack of Equity
- Priority 3:** Support Integration and Diverse Community Entry Points
- Priority 4:** Enhance Cultural Competency

## 4 Vibrant, Diverse, Connected Neighborhoods

- Priority 1:** Support Sustainable Advancement of Affordable Housing
- Priority 2:** Support Strategies Related to Parking & Mobility
- Priority 3:** Create Opportunities for Neighborhood & Community Engagement
- Priority 4:** Infrastructure that Promotes Sustainable Transportation
- Priority 5:** Emphasis on Relationship Between Neighborhoods and Business Districts
- Priority 6:** Rapid Response Support for Unhoused Residents

## 5 Sustainability & Resiliency

- Priority 1:** Implement Climate Action Plan
- Priority 2:** Reporting on Plan Progress
- Priority 3:** Resident Engagement and Education
- Priority 4:** Maintain Viable Sustainability Fund

## 6 Economic Vitality

- Priority 1:** Update the Village's Formal Economic Vitality Strategy
- Priority 2:** Support New and Existing Small Businesses and Districts

## GENERAL FUND REVENUES

General Fund Revenues are the taxes, fees, and charges that the Village assesses to provide services to its citizens. Such revenues are comprised of the following broad revenue categories:

- Tax revenues (e.g.- property taxes)
- Licenses, permits, and fees (e.g.- business licenses)
- Charges for services (e.g.- police reports)
- Grants
- Fines (e.g.- parking tickets)
- Other financing sources (transfer of resources from other funds)

The following table presents a summary of the Village's major General Fund taxes and revenues:

<b><u>General Fund Revenues</u></b>	<b><u>Description</u></b>
<b>Property Taxes</b>	Property tax revenues are the proceeds that the Village receives from assessing taxes on residential and commercial properties within the Village. Each year, the Village Board adopts a fixed levy that is used to fund operations, debt service, and Village contributions into the Police and Fire Pension funds. In order to collect the necessary amount, the County extends the levy by a set percentage beyond the Village's request to account for any potential loss in collections. This additional "loss" percentage varies from 3.0% -5.0%
<b>Liquor Taxes</b>	Liquor Tax Revenues are the revenues that the Village charges to vendors that sell liquor within the Village. The current Liquor Tax rate is 3% of the liquor purchase price. This is a locally administered tax.
<b>Natural Gas Use Tax</b>	The Natural Gas Use Tax is a tax that the Village charges to customers who purchase natural gas from outside the State of Illinois and assessed at 5.0 cents per therm. This tax is collected and remitted by NICOR.
<b>Sales Taxes</b>	<p>In the State of Illinois, there is a base 6.25% Sales Tax on general merchandise. It is administered and collected by the Illinois Department of Revenue. One percent (1%) of this Sales Tax is distributed to the municipality where the sale occurred. This tax, officially referred to as the Retailer's Occupation Tax (ROT) is captured in the Village's General Fund and is used to support general Village operations.</p> <p>The Village also imposes a 1% Home Rule Occupation Tax (HROT). While approved locally, this tax is also administered and collected at the state level. This tax is dedicated to the Capital Improvement Project (CIP) Fund. Pursuant to State law, the HROT tax is not assessed on qualifying food, drugs, or registered property purchases (vehicles).</p>

<b>Real Estate Transfer Tax</b>	The Real Estate Transfer Tax (RETT) is a tax on the seller of property within the Village. The tax is assessed at \$8 for every \$1,000 of the sale or “transfer” price, or .08%. For example, on the sale of a \$500,000 home, the seller would pay a RETT of \$4,000.
<b>Utility Taxes</b>	The Electricity Tax and the Natural Gas Tax. Both taxes are assessed based upon user consumption within the Village. The Electricity Tax is based on the number of kilowatt hours (kwh) consumed. The actual rate varies from a low of \$0.00202/kwh to a high of \$0.0033/kwh, based on usage. The Natural Gas Tax is assessed on natural gas purchased within State lines at a rate of 5.0%.
<b>Licenses and Permits</b>	The Village charges fees to individuals, businesses and other entities to acquire authorization and permission to conduct certain activities within the Village. These authorizations and permissions are extended in the form of licenses and permits. For example, the Village charges business licensing fees for entities that wish to conduct business within the Village. Individuals that wish to park in public spaces within the Village must acquire a parking permit.
<b>Intergovernmental Revenues</b>	Intergovernmental revenues are revenues that the Village receives from other government entities. Apart from other grants, the revenues that the Village receives from this revenue stream are primarily from the State of Illinois. Intergovernmental revenues typically take the form of grants, entitlements, shared revenues, or payments in lieu of taxes.
<b>Charges for Services</b>	The Village provides a number of services for which it charges fees directly to the service recipient. Examples of services include: drafting of police reports, ambulance services, animal adoption services, and environmental health services.
<b>Fines</b>	The Village charges fines and penalties to individuals and businesses when they become non-compliant with Village rules and regulations. Parking citations is an example of such a fine for which the Village charges a fee directly to the offender.

## **GENERAL FUND EXPENDITURES**

General Fund Expenditures are the expenditures related to the performance of direct Village services, such as police, fire, public works and housing services. General fund expenditures also relate to the performance of administrative services such as finance, human resources, and information technology. General Fund Expenditures are managed within the Village's General Fund, and are comprised of the following expenditure types:

- Personal Services (e.g.- salaries and overtime)
- Fringe Benefits (e.g.- health insurance and pension contributions)
- Materials and Supplies (e.g.- printing and office supplies)
- Contractual Services (e.g.- vendor service contracts, Telecommunications)
- Capital Outlay (e.g.- infrastructure, Fleet Management)
- Granting Activities (e.g.- funding of community services via funds allocated from another agency)
- Transfers (e.g.- transfer of resources from other Village funds)

The following table presents a summary of the Village's major General Fund Expenditures:

**General Fund Expenditure Types**

**Description**

**Personal Services**

Personal Service expenditures include the compensation of Village staff to perform Village services and activities. Given the labor-intensive nature of Village services, personnel and benefits expenditures typically make up the largest proportion of general fund expenditures.

**Fringe Benefits**

Fringe Benefits expenditures are the expenditures for the insurance and pension support for which the Village provides its employees. Similarly to Personal Services, Fringe Benefits typically make up a large portion of general fund expenditures.

**Materials and Supplies**

Materials and Supplies expenditures are expenditures related to maintaining administrative operations within Village departments. These expenditures include costs such as printing costs, general maintenance and upkeep, telephones services and software support.

**Contractual Services**

Contractual Services are for specialized services that are provided to the Village by independent contractors/consultants. These expenditures are tracked separately from the Village's salary and benefit resources.

**Capital Outlay**

Capital Outlay expenditures are for the maintenance of Village physical and technical infrastructure.

**Grants**

In some cases, the Village serves as a grantor of funds to local community service providers, who provide services to the community on behalf of the Village. Grants expenditures are associated with these types of activities.

**Transfers**

Transfer expenditures are the expenditures that are transferred from the General Fund to support service activities or other types of reimbursements.

## VILLAGE MANAGER'S OFFICE

---

*The Village Manager's Office provides strategic, organizational leadership and governance support to ensure effective implementation of core Village services and the vision, goals and strategic priorities of the Village Board.*

### **DEPARTMENT OVERVIEW**

The Village Manager is the Chief Executive Officer of the Village, appointed by the President and Village Board of Trustees (Village Board), to provide professional management and oversight of Village operations and advise the Village Board on the analysis and formulation of legislative policy. The Village Manager's Office consists of Five divisions: General Administration; Administrative Adjudication; Communications & Engagement; Diversity, Equity, & Inclusion; and, Sustainability & Resiliency.

#### Administration

The Administration Division is responsible for providing executive oversight of Village operations; Village Board Governance support including managing implementation of the Village Board Agenda process, assistance with policy analysis and development, coordinating Village Board goal development and implementation, Board and Commission liaison support, intergovernmental relations, constituent customer-service and problem-solving; labor relations management; emergency management coordination; organizational project management; and oversight of Emergency 911 Dispatch services. The Administration provides staff liaison support for the Citizen Police Oversight Commission and Village Board committees.

#### Administrative Adjudication

The Office of Administrative Adjudication conducts administrative hearings for the Village of Oak Park, Illinois. Administrative adjudication hearings are divided into two primary categories: parking citations and compliance violations. The citations adjudicated are issued by various departments in the Village including the Police, Fire, Finance, Health, Public Works, Neighborhood Services, and Development Services.

#### Communications & Engagement

The Office of Communications & Engagement manages all formal conduits of information between the Village program administration and the community, playing a key role in all efforts to ensure transparency in policy-making, implementation, and oversight. Responsibilities include both external and internal communications, informing the public about municipal government programs, services, and activities, and providing employees with information relevant to their duties and responsibilities. Department staff uses a wide range of proven public information tools, including social media, the web, print, and broadcast/streaming media to carry out its mission.

#### Diversity, Equity & Inclusion

The Office of Diversity, Equity & Inclusion (DEI) provides subject manager expertise to advise Village Leadership in the professional practice of assessing and employing methods and strategies for achieving diversity, equity, and inclusion utilizing a data-driven, collective impact approach, internal and external to the Village Organization.

The Office of DEI works collaboratively with Village executive leadership while also facilitating community engagement to help guide equitable development and implementation of Village policy, programs, and services. Other core responsibilities include coordination with Village staff, commissions, residents, community-based organizations, anchor institutions, and the local business community to assist with implementing programming and events that celebrate diversity, cultural heritage, and the unique multicultural identity of Oak Park; development and implementation of organizational protocols to ensure policy, program, and procedural decisions are evaluated through a DEI lens; and, administration of the Village's historic Community Relations Program, including implementation of the Village's Human Rights Ordinance and related operational activities and events to advance the goals of the ordinance and Village Board. The Office of DEI provides staff liaison support to the Community Relations, Disability Access, and Aging in Communities commissions.

#### Sustainability & Resilience

The Office of Sustainability & Resilience partners with Village departments and external organizations to implement the Village's Climate Ready Oak Park Plan and reduce community and municipal greenhouse gas emissions, increase community and infrastructure resiliency to climate change impacts, protect and enhance local biodiversity, and implement triple-bottom-line sustainability initiatives while advancing community diversity, equity, and inclusion goals. The Office of Sustainability & Resilience also provides subject-matter expertise and ongoing policy advice to executive leaders and staff on environmental issues and oversees the Village's community energy programming and other initiatives consistent with advancing the goals of the Climate Ready Oak Park. The Office of Sustainability & Resilience provides staff liaison support to the Environment and Energy Commission.

#### Economic Vitality

The Office of Economic Vitality leads the Village's efforts to maintain and strengthen a dynamic, equitable, and sustainable local economy through the implementation of the Economic Vitality Strategic Plan. As the Organizational leader of economic development in the Village, the Office of Economic Vitality, through local, regional and statewide partnerships, aims to encourage inclusive business, real-estate, and workforce development; maintain and enhance the vitality of commercial corridors and business districts; create opportunities that drive sustainable redevelopment; and, ultimately broaden the Village's tax base in support of Village's goals for fiscal sustainability and community affordability. The Office of Economic Vitality is committed to collaborating with the community on adaptable initiatives that ensure the Village remains a vibrant destination for residents, businesses, entrepreneurs, investors, workers, and visitors.

## 2025 WORK PLAN

### Key Initiatives or Projects in Support of Board Goals

#### COMMUNITY HEALTH & SAFETY

- **Priority 2: Explore Alternatives for Youth Engagement**
  - a. Explore partnerships and opportunities to rehabilitate unclaimed or donated bikes for a bike lending or giving program.
  - b. Establish a youth defense program in the Village's adjudication system.
  - c. Increase non-traditional partners for youth adjudication such as a partnership with BUILD from the Austin area.

#### VIBRANT, DIVERSE, CONNECTED NEIGHBORHOODS

- **Priority 3: Create Opportunities for Neighborhood and Community Engagement**
  - f. Implement a comprehensive strategic communications plan and community engagement guide for the Village, ensuring resources are maximized, strategies are unified and implementation is standardized across all departments and disciplines.
  - g. Implement a brand story that clearly articulates the Village's vision, mission, and core values. Further modernize the brand standards and style guide to better unify the image, tone, and messaging delivered by the Village.

#### RACIAL EQUITY

- **Priority 1: Ensure Equitable Access to Government Services and Contracts**
  - c. Complete Racial Equity Assessment and implement a Racial Equity Action Strategic Plan.
  - d. Audit policies and procedures from a racial equity lens regarding ADA and aging in community accessibility.
  - e. Review the current purchasing policy regarding Minority and Woman-Owned Business for the Village and recommend any updates.
  - g. Evaluate the Village's current emergency notification system, and other partners who may have similar notification systems that impact residents, to understand if the existing hazard notification and response system are responsive to language needs and are culturally appropriate and accessible to individuals with disabilities. (CROP AR02).
- **Priority 2: Assess and Address Historical Lack of Equity**
  - a. Finalize reparations research and evaluation, conduct community educational sessions and provide recommendations for next steps including potential advocacy efforts at the federal and state level.
  - c. Ensure equitable treatment for tenants when renting units by utilizing contractor or Village staff more routinely to test rental practices within the Village to ensure equity among potential tenants.

- e. Evaluate Village historic commitment to protecting human rights (i.e. current Human Rights Ordinance, associated policies and practices and associated Community Relations division programming).
- **Priority 3: Support Integration and Diverse Community Entry Points**
  - a. Develop a “Will You Be My Neighbor?” Train the Trainer Series that will educate the community on developing inclusive neighborhood practices.
- **Priority 4: Enhance Cultural Competency**
  - a. Create a Community Cultural Conversation Speaker Series.
  - b. Develop DEI educational resource bank on the Village website (i.e. cultural holiday guides, educational videos, book references)

## **SUSTAINABILITY & RESILIENCY**

- **Priority 1: Implement Climate Action Plan**
  - c. By the end of 2025, transition the municipal aggregation contract to be at least one-third renewable energy supply by pursuing procurement opportunities to increase the percent of renewable energy in the electricity supplied and expand Community Choice Aggregation subscribership (CROP RE01, RE02).
  - di. Adopt an energy stretch code for major building renovations and public facilities that requires enhanced building system performance, electrification and readiness for on-site solar energy and electric vehicle charging (CROP EE01).
  - dii. Revise the current Village’s housing rehabilitation programs to a multi-year program to encompass electrification, renewable energy, climate resiliency, and healthy housing retrofits for highly vulnerable community members to maintain affordability (CROP BD06).
  - fi. Evaluate the return of various shared-mobility programs (CROP VT05).
  - hii. Develop a plan to transition 30% of Village-owned property to native species, green infrastructure including bioswales, organic soil amendments, and new forested areas, via turf removal/reduction or other site-appropriate strategies. Include equitable and authentic community engagement processes during the planning process. (CROP NN03).
- **Priority 2: Reporting on Plan Progress**
  - a. Create a public report of key performance indicators annually on Climate Ready Oak Park progress. (CROP action MU01).
- **Priority 3: Resident Engagement and Education**
  - a. Create and implement a strategic communications and engagement plan to educate, raise awareness, and connect residents, businesses, institutions, and property owners to programs and services.
  - b. Launch a local arts and social media initiative to communicate climate science and inspire action across community groups.
- **Priority 4: Maintain Viable Sustainability Fund**
  - Identify, review, and seek Board direction on revenue options for Climate Ready actions.

- **Priority 5: Identify Partnerships**
  - a. Return the annual Earth Day event to an annual Earth Day to May Day celebration. Collaborate with governmental partners, neighboring jurisdictions, local organizations, community groups, and artists to recognize and encourage sustainable action (CROP action AC01).

**ECONOMIC VITALITY**

- **Priority 1: Update the Village’s Formal Economic Strategy**
  - a. Finalize and begin implementation of the Economic Vitality Strategic Plan; and, fully establish operations of the Office of Economic Vitality including all aspects of economic development programming in support of real estate, business and workforce development in the Village consistent with the Economic Vitality Strategic Plan.
  - f. Implement a strategic Village promotional plan aimed at increasing awareness and visibility of Oak Park’s unique community profile, regionally, statewide, nationally, and internationally.

**Department Baseline Service Levels and Goals**

Administration 1001.41020.101
-------------------------------

***Current Service Levels***

- **Executive Management:**
  - Provide strategic leadership, oversight, and support to and evaluate the performance of 12 Village departments and the West Suburban Consolidated Dispatch (911) Center, to ensure efficient and effective service delivery consistent with the Village Board adopted annual budget and financial plan for community of services.
  - Facilitate organizational strategic planning and alignment of Village operations with Village Board goals and direction.
  - Coordinate and manage the implementation of organizational projects related to Village Board goals and Village Manager strategic organizational priorities.
  - Oversee and manage all personnel actions of the Village.
  - Continuously assess and facilitate organizational development.
- **Village Board Governance Support:**
  - Coordinate and manage the Village Board Agenda process;
  - Conduct policy analysis, formulate policy proposals consistent with Village Board direction, and provide requisite information to assist the Village Board with the review, development, and approval of legislative policy;
  - Support Village Board goal development and implementation;
  - Assist the Village Board with the review and approval of the annual budget;
  - Facilitate responses to constituent and Village Board member inquiries and concerns;
  - Conduct briefings with and prepare memoranda for Village Board members concerning emergent operational issues and milestones;
  - Support Village Board intergovernmental collaboration via the Collaboration for Early Childhood IGA and the Oak Park Council of Governments (COG) activities;
  - Provide administrative support for Village Boards, Commissions, and Committees;

- Coordinate responses to constituent inquiries and concerns and relevant problem-solving where necessary;
  - Provide administrative support to the elected Village Clerk; and,
  - Assist the Village Board with training and community engagement activities.
- Labor Relations Management: periodically negotiate and oversee implementation of the Village's nine collective bargaining agreements consistent with Village Board direction and facilitate positive relations with all collective bargaining groups.
- Citizen Police Oversight: staff and oversee the operations of the Citizen Police Oversight Committee (CPOC) consistent with the Village's enabling ordinance, Village administrative protocols, and Village Board direction.
- Government Affairs: coordinate the implementation of all activities across the enterprise concerning legislative matters (local, state, and federal), intergovernmental/agency relations (local, state, and federal), and organizational grants coordination.
- Emergency Management: oversee and coordinate the implementation of the Village's Emergency Operations Plan, in collaboration with the Public Health Department.
- West Suburban Consolidated Dispatch (911) Services: oversee and coordinate the implementation of the Village's IGA for Emergency Communication services, in support of Police, Fire, and Public Works emergency response operations.
- Special Events: Coordinated implementation of the Village's Special Event Ordinance and administrative protocols for Organizational review and approval of special event applications.
- American Rescue Plan Act (ARPA) Oversight: Oversee implementation of the ARPA grant through fiscal year 2026 to ensure compliance with applicable standards and timely commitment and expenditure of funding allocated to Village departments and community-based agencies.

***Department Goals***

- Implement a strategic and automated approach with all the Village departments to successfully implement and report on the Village Board's goals.
- Implement updated Village Board Agenda planning protocols and reporting format consistent with new branding guidelines.
- Finalize development of and implement the Government Affairs Program including processes and procedures to support state and federal legislative and funding advocacy; systematic engagement and coordination with the Village's state and federal delegations; Organizational grants management that aligns with the Village Board goals and priorities; and, Sister City programming.
- Lead collective bargaining efforts and finalize all outstanding collective bargaining agreements with FOP Sergeants, SEIU-Village Hall, IBEW.
- Establish and implement operational programming and protocols for the newly created Office of Economic Vitality.

**Current Service Level:**

- Adjudication will continue to work to improve customer service without jeopardizing the integrity of the adjudication process.
- Maintain the superior quality of the adjudication hearings. Adjudication has a team of experienced adjudicators who are conscientious about maintaining the superior quality of the process. The Director regularly meets with the adjudicators in training sessions that help keep the process at the cutting edge of administrative adjudication in Illinois.
- Continue to provide a diversionary process for youth who appear in adjudication.
- The Office of Adjudication maintains the records of the hearings and transmits notices to individuals who have pending matters. In addition, Adjudication oversees the collection of outstanding fines and the immobilization process.
- A subcategory of compliance violations is the youth adjudication process. Once a month, night hearings are conducted for youth who have received citations issued by the Police Department. The youth adjudication process is a diversionary process. Diversionary processes seek nonpunitive outcomes and the citations issued to the youth are civil rather than criminal in nature.
- As part of the diversionary process, restorative justice principles have been incorporated into the adjudication process. Restorative justice involves having the complainant and the respondent resolve the incident in a manner that leads to the respondent accepting responsibility for their actions, offering apologies, and performing a penance that satisfies the complainant. Also, the complainant gains an understanding of why the respondent committed the harm, a diminution of any fears or reservations that may have been held, and hopefully a restoration of their self.

**Department Goals**

- Develop and Implement a Mediation Program to Facilitate Resident Conflict Resolution
  - Design a structured mediation program to help resolve disputes between residents in a timely and impartial manner.
  - Train Adjudication Judges and Staff as mediators or facilitators in conflict resolution techniques.
  - Set clear timelines for program rollout and assess its impact through participant feedback and resolution success rates.
- Establish and Implement a Comprehensive Youth Defense Program
  - Create a comprehensive youth defense initiative to provide legal assistance and advocacy for at-risk youth.
  - Collaborate with legal professionals and community organizations to offer resources, legal representation, and counseling.
- Evaluate and Optimize the Existing Immobilization Program
  - Conduct a thorough evaluation of the current immobilization program to assess its effectiveness, efficiency, and areas for improvement.

- Gather feedback from relevant stakeholders, including staff, to identify gaps or challenges in the program.
- Develop recommendations for program optimization and set measurable targets for future performance improvement.

Communications & Engagement 1001.41022.101
--

***Current Service Levels***

- Write, design, produce, and manage informational messages for the full range of communication tools, including online, broadcast, and print.
- Manage the public website, oak-park.us, and the employee intranet website.
- Oversee the Village’s new public engagement platform, EngageOakPark.com.
- Manage social media communications tools for the Village, Police Department, and Fire Department including Facebook, Twitter, YouTube, LinkedIn, Instagram, and Threads.
- Publish e-news, an ongoing subscription-based, direct electronic news information dissemination tool with more than 6,000 subscribers.
- Produce publications such as brochures, booklets, flyers, signs, and the OP/FYI community newsletter.
- Manage news media relations, including issuing electronic news releases and event advisories, answering inquiries from reporters, and supervising crisis communications and response.
- Operate the Village’s government access cable television station VOP-TV, producing original video programming as well as live broadcasting and online streaming of meetings of the Village Board and citizen commissions.
- Serve as in-house editors and writers of a wide range of public messages created by other departments and volunteer bodies.
- Design and produce all forms and documents necessary for conducting business with the Village, including employee business cards, various forms, and signs.
- Provide video and photographic services for all departments, including training films, audio-visual support, and photographs for employee identification badges and employee website.
- Provide support to the Village Manager’s Office assembling and disseminating agenda materials for Village Board meetings via Granicus Legistar, iLegislate, MediaManager, and LiveManager modules as part of the online public policy transparency suite that includes streaming and archiving meetings online in a searchable database.
- Provide staff liaison support to the Civic Information Systems Commission.

***Department Goals***

- Update the Village’s comprehensive strategic communications plan to ensure strategies are standardized across all departments while allowing for proactive and custom communication protocols and activities consistent with each department’s operations.

- In collaboration with the Office of Economic Vitality, coordinate the development of promotional marketing strategies to help advance economic vitality and expand awareness of the Village's many assets. Include strategies as a component of the comprehensive strategic communications plan.
- Collaborate with Village leadership to produce a Year-in-Review document that can live in print and digitally, to report on the work of the Village Board and staff over the past year.
- Finalize and launch the updated Village website with new brand design standards.

Diversity, Equity & Inclusion 1001.41023.101
--

***Current Service Levels:***

- Conduct DEI impact analysis on relevant policies and programs.
- Conduct surveys and focus groups: gathering qualitative and quantitative data to aid in data driven policy development.
- Benchmarking: Compare DEI metrics with industry standards and best practices.
- Training and Education: Develop in partnership with the HR department regular training sessions on topics like unconscious bias, cultural competency, and inclusive leadership.
- Partner with local organizations to support DEI initiatives through the community.
- Coordinate implementation of best DEI practices for local government that support in uplifting all groups with respect to race, color, ethnicity, ancestry, national origin, religion, age, sex, sexual orientation, gender identity or expression, marital and/or familial status, language, mental and/or physical impairment and/or disability, military status, economic class, immigration status, and unhoused status.
- Collaborate with Village departments to assess and advance DEI in all government operations.
- Evaluate Village DEI needs and identify actions to address gaps in policy, programming and business practices.
- Provide a DEI impact analysis for all Village Board agenda items.
- Engage and coordinate with community leaders to discuss emerging DEI needs.
- Oversee implementation of Racial Equity polices, programs, initiatives, and service activities:
  - Coordinate development and implementation of the Village's Racial Equity Action Plan in collaboration with Village departments.
  - Collaborate with other governing bodies to address DEI needs utilizing a collective impact approach to advance mutually beneficial and reinforcing initiatives.
  - Coordinate implementation of the Village's language access program and related services consistent with Village approved policy.
  - Coordinate development and implementation of the Village's Welcoming City initiative and related services.
- Coordinate community-based DEI education and training to continuously foster an inclusive culture throughout the Village.

- Implement Community Relations polices, programs, initiatives, and service activities:
  - Administer and enforce the Village’s Human Rights Ordinance.
  - Oversee and coordinate community conflict resolution services and intercultural relations programming on behalf of the Village:
    - Implement the Village’s community mediation program; and,
    - Coordinate group/intergroup facilitation programming and services to foster positive intercultural relations.
  - Coordinate Tenant/Landlord Relations:
    - Investigate complaints of discrimination, unlawful management practices, and code compliance for mitigation;
    - Provide diversity training to the public, residents, landlords, and realtors;
    - Mediate landlord-tenant disputes to promote long-term rental tenancy; and,
    - Conduct fair-housing educational sessions for realtors, landlords, property managers, tenants and the public.
    - Conduct diversity counseling in accordance with Article 6 of the Human Rights Ordinance.
  - Plan and coordinate cultural/heritage community celebration events that reflect the rich diversity of Oak Park:
    - Day in Our Village Festival;
    - Juneteenth Flag Raising Ceremony and Community Cookout;
    - July 4th Diversity Parade;
    - Black History Month;
    - Viva Oak Park” Hispanic Heritage Month;
    - Women’s History Month;
    - Pride Party Celebration; and,
    - Holi Festival of Colors.
  - Collaborate with governmental partners to assist with coordination of youth engagement and development activities.
  - Educate landlords/property managers and prospective/current tenants on the Residential Tenant Landlord Ordinance (RTLO), Just Housing Amendment, and other state or local ordinances so as to improve quality of life and mitigate legal issues.
  - Provide referrals for legal, housing, mental health, senior, and youth services.
- Provide staff-liaison support to the Community Relations, Disability Access and Aging in Communities commissions.

***Department Goals***

- Review and evaluate all Community Relations programming.
- Review and update the process for receiving and processing discrimination complaints regarding alleged violations of the Village’s Human Rights Ordinance.
- Develop DEI webpages and data dashboards on the Village’s updated website.
- Expand 4<sup>th</sup> of July celebration festivities to account for the loss of the annual fireworks show.

***Current Service Levels:***

- Oversees the implementation of the Climate Ready Oak Park action plan.
- Coordinates across departments to integrate sustainability actions and principles into Village operations.
- Engages and coordinate with community members and partner organizations on Climate Ready Oak Park implementation and community education.
- Continues to support renewable energy in the Village through the administration of the Oak Park Community Solar program, promotion of additional community solar opportunities, and promotion of opportunities for residential installation of renewable energy systems. (RE1, RE03, and BD04).
- Supports the building energy and benchmarking program by providing technical support to building owners, increasing awareness of the program, and seeking opportunities to incentivize and increase compliance (EN01).
- Tracks and reports on progress towards Climate Ready Oak Park commitments via Village communication mediums and through the Climate Disclosure Project (CDP), an international climate reporting platform.
- Seeks external funding for Climate Ready-aligned actions and recommends additional funding options for Board consideration.
- Develops programming plans for an Earth Month celebration in collaboration with local organizations, groups, governmental partners, and neighboring jurisdictions. (AC01)

***Department Goals***

- Hire staff to fill key roles within the Sustainability and Resilience Office.
- Develop program recommendations for revising the current housing rehabilitation programs and grant programs into a “one-stop-shop” to provide coordinated guidance and assistance, particularly to highly vulnerable community members, on increasing energy efficiency, climate resiliency, and electrification of homes and businesses (BD06).
- Utilizing technical assistance provided by the U.S. Department of Energy’s Energy Efficiency and Conservation Block Grant (EECBG) program, develop policy recommendations for a building performance standard (EE02).
- Develop and conduct outreach on the implementation of a parkway ordinance to allow private planting in the parkways with consideration to the use of native species as well as safety and accessibility (NN01).
- Review and propose policy updates to reduce the impacts of light pollution on wildlife and humans (PE03).
- Improve metrics reporting on the Village website. Improve the way CIP projects are identified as CROP actions and how Village spending on climate initiatives is tracked (MU01).

- Develop policy recommendations to update the Retail Single Use Bag Ordinance to improve the policy's effectiveness at reducing plastic use (PP02).

Office of Economic Vitality 1001.410**.101
--

***Current Service Levels:***

- Oversee and manage implementation of the Village's Economic Vitality Strategic Plan, goals, priorities, initiatives and projects in collaboration with Village departments; community, governmental, institutional, and private partners; and various stakeholders specifically including but not limited to real-estate developers and brokers; commercial and multifamily property owners; business owners, entrepreneurs, and investors.
- Lead and manage implementation of the Village's Economic Development practice including various real estate, business, and workforce development programs, services, projects and/or initiatives.
- Conceptualize, initiate, and coordinate business and/or real estate development projects with varying levels of complexity and scale.
- Create and administer economic development incentive policies and programs and provide guidance on and facilitate access to business and development incentives not directly administered by the Village.
- Negotiate and monitor implementation of development agreements.
- Continuously initiate strategic promotion of Village investment opportunities.
- Manage the Village's real-estate portfolio and coordinate all property acquisition and disposition activities of the Village according to established policy.
- Coordinate and facilitate access to small business and entrepreneurship assistance programs including support for women, minority, and disadvantage businesses, for business start-up, expansion and stabilization needs.
- Communicate with existing and prospective property owners, tenants, and business owners to anticipate, assess, and resolve issues related to business occupancy and attracting new investment in Oak Park.
- Continuously implement and refine targeted, business and real-estate investment attraction practices consistent with the Village's Economic Vitality Strategy.
- Serves as the Village's point of contact for business and developer concierge on new investment opportunities and/or emergent challenges, facilitating resource navigation and access to technical assistance within and beyond the Village Organization.
- Facilitate strategic investments in economic vitality focus areas (commercial corridors, business districts, key development sites, etc.).
- Initiates community, intergovernmental, and/or public-private partnerships to advance Economic Vitality goals of the Village.
- Initiate and sustain local, regional, and statewide collaboration on economic development.

- Strategically promote and support arts, culture, filming and special events in the Village.
- Maintain and build strategic partnerships with medical and educational anchor institutions, (locally and regionally) contributing to the economic vitality of Oak Park.
- Compile, publicize, and continuously update economic/market/business research and data/analytic insights on the local economy.
- Lead and manage a comprehensive promotional marketing program for the Village in collaboration with the Office of Communications and Engagement, other Village departments, and community partners to continuously and strategically promote and maintain a positive image of the Village.
- Coordinate community engagement and educational forums on matters concerning EVO policy, programs, projects, services, emergent issues, and the status of economic vitality of the village.
- Coordinate and oversee the operations of the Village's interdepartmental Economic Vitality Team and implementation of its collaborative workplan activities.
- Serve as liaison and coordinate the activities of assigned boards, commissions, and committees of the Village.
- Lead and manage intergovernmental relations and represent the Village on external boards for the advancement of economic vitality goals and priorities.
- Provide administrative oversight of the Economic Vitality Village Board Goal and related projects and initiatives and support to ensure effective and timely implementation.
- Maintain effective organizational and public communication on EVO programs, services, data, and other related content, ensuring quality and timely production and updating of content with all media channels.

### ***Department Goals***

- Hire a new Assistant Village Manager of Economic Vitality to oversee the new Office.
- Finalize and operationalize the Economic Vitality Strategic Plan, ensuring alignment with the Village's goals for long-term economic resiliency.
- Develop and implement promotional programs and materials to retain and attract residents and enterprises, including programs and materials tailored to historically marginalized and veteran business enterprises.
- Explore opportunities to improve consistency and predictability to the Special Events permitting process.
- In alignment with the strategies identified in the Economic Vitality Strategic Plan, assist with the update of the Roosevelt Road Corridor Plan.
- Cultivate partnerships between the Village, business community and partner agencies, and regional and other stakeholders to efficiently secure and leverage funding for key redevelopment and infrastructure projects.
- Develop, refine, and expand the Village's loan, grant, and incentive programs to support business development and real-estate investment.
- Partner with educational institutions and workforce development organizations to provide access to training programs that meet the present and future needs of businesses.

- Foster partnerships with internal Village Departments and external partners to align the Economic Vitality Strategic Plan’s recommendations with the Strategic Vision for Housing Plan to encourage socioeconomically diverse and integrated housing development.
- Proactively pursue local, state, and federal grants and private funding opportunities to support economic vitality initiatives, infrastructure improvements, and sustainable redevelopment projects.
- Coordinate with the City of Chicago to determine the availability of state funding allocated to the North Avenue Streetscape Project, and proactively pursue economic development opportunities along the corridor.
- Coordinate implementation of an economic development strategy along Oak Park Avenue within the Hemingway Business District.
- Coordinate completion of the design for the Percy L. Julian Chicago Avenue Streetscape initiative and begin implementation of economic vitality initiatives along the Chicago Ave Business Corridor, including proactive efforts to build the capacity of the business districts along the corridor.

## **2024 ACCOMPLISHMENTS**

### **Key Initiatives or Projects in Support of Board Goals**

#### **COMMUNITY HEALTH & SAFETY**

- Finalized and presented the Village Board with a comprehensive Alternative Call Response Service-Delivery Model; obtained Village Board approval on the Phase 1 implementation; and, presented the Board with options for the final Phase 2 implementation. (Priority 1.a.iii)
- Finalized the multi-agency CAD/RMS needs assessment and completed vendor selection for the initiation of project implementation in FY25. (Priority 3.d)

#### **RACIAL EQUITY**

- Created a formal language access policy and plan for the Village. (Priority 1.a)
- Completed racial Equity Assessment. (Priority 1.c)
- Ensured equitable treatment for tenants when renting units by utilizing contractor or Village staff more routinely to test rental practices within the Village to ensure equity among potential tenants. (Priority 2.c)
- Collaborated with the West Cook YMCA’s chronic health disease prevention initiative (using Village ARPA funds) to develop the health equity component of the program and evaluate if this model should be institutionalized. (Priority 2.d)

#### **VIBRANT, DIVERSE, CONNECTED NEIGHBORHOODS**

- Conceptualize a curriculum for a VOP-U (City/Village Government Academy) in preparation for an anticipated launch in 2025. (Priority 3bi)
- Finalized work with the consultant to develop a logo, typeface, and imagery for the Village. Gradual implementation began in 2024 and will continue into the first quarter of 2025 and beyond. (Priority 3bii)

## **SUSTAINABILITY & RESILIENCY**

- Continued support of the Village's energy efficiency grant programs with the Sustainability Fund. (CROP AE03, BD06). (Priority 1.d)
- Secured technical assistance from the Energy Efficiency and Conservation Block Grant (EECBG) allocation of approximately \$114,000 for technical assistance to support the development of Building Performance Standards (EE02). (Priority 1. d.i)
- Secured technical assistance from the National Renewable Energy Lab to research models for technical assistance centers for building decarbonization and develop a proposal to secure additional technical assistance for program development (BD06). (Priority 1.d. ii)
- Assessed the community's interest in and preferences for an electric shuttle using Engage Oak Park (VT05). (Priority 1. f. ii)
- Assessed the Village's greenhouse gas emissions and progress towards CROP commitments (MU01). (Priority 2. b.)
- Supported the Vision Zero planning process (VT02). (Priority 5. a.)

## **ECONOMIC VITALITY**

- Hosted multiple community and stakeholder engagement meetings to advance the development of the Village's Economic Vitality Strategic Plan. (Priority 1.a)
- Collaborated with Village's Economic Vitality Strategic Plan consultant to identify emerging businesses suitable for operations in the Oak Park area. (Priority 1.a.iv)
- Collaborated with Village's Economic Vitality Strategic Plan consultant to identify categories of greatest retail sales loss in the community. (Priority 2.a.iii.)

### **Department Baseline Service Levels and Goals**

#### Administration

- Asylum-Seeking Migrant Emergency Response: Managed the migrant emergency response including mobilizing and managing EOC operations; initiating intergovernmental collaboration with Cook County Emergency Management, the IL Department of Human Services, and the Governor's Office; and engaging local partners and community volunteers to enable housing options and support services for asylum-seeking migrants.
- Continued Village Organizational Assessment and Reorganization: The Adjudication Department and Economic Vitality Office are being reorganized into the Village Manager's Office. Parking Enforcement is being reorganized under the Parking and Mobility Services Division of the Development Services Department.
- Collective Bargaining: Completion of FOP Patrol IAFF Fire Fighters, FOP Community Service Officer, and SEIU-Water/Sewer contracts.
- Grants Management: Finalized development and implementation of Amplifund Grant Management Software, which will further strengthen the Village's capacity to identify, apply for, track, and manage the implantation of grants in support of Village priorities.
- Goal & Project Management: Finalizing and implementation of Envisio Goal and Project Management Software to further enhance staff ability to track and manage adopted Village Board Priorities.
- Formalized the Emergency Preparedness program village-wide.

## Communications & Engagement

- Enhanced Engage Oak Park community engagement portal by soliciting robust input on more than 20 projects including electrification, leaf-blowers, language access, new housing vision, vision zero, racial equity assessment, Oak Park Ave streetscape; alternative call response, cashless businesses, etc.). Additionally, implemented an aesthetic refresh of the platform to align with revitalized Village brand standards.
- Revamped Village Manager Weekly Report format to be more modern and engaging and launched a new weekly e-news channel.
- Periodic Communication on Events: Introduced periodic info-only memos to the Board on upcoming events.
- Communication on Migrant Response: Managed ongoing emergency communications related to the Village's migrant response efforts (EOC, Board, public, media, etc.)
- Awarded National Community Development Association (NCDA) honor for video production for celebration of CDBG Week.
- Worked to finalize design and content migration of new Village web site

## Diversity, Equity & Inclusion

- Presented its first Homeownership Workshop for tenants in support of the pathway to homeownership goal. Fifteen (15) families received information on credit management, financial management, the home buying process, and other information presented to move residents from tenancy to homeownership. Partners for the event included the Park District of Oak Park and CEDA of Illinois who will provide home-buying counseling and resources for down-payment assistance.
- Participated in the Learning and Operationalizing Racial Equity (LORE) pilot program. This innovative program, designed to support municipalities in operationalizing DEI initiatives, spanned eight months and brought together municipal governments from across the State of Illinois.
- The DEI Office played a pivotal role in responding to the needs of Venezuelan migrants arriving in our community. The office coordinated with local agencies, community organizations, and volunteers to provide essential services, including housing assistance, language support, and access to healthcare.
- The DEI Office successfully implemented four large community events; Black History Month, Day in Our Village, Juneteenth, Pride, 4th of July Diversity Parade, and VIVA! In addition to these large community events that averaged over 400 participants, the DEI Office also introduced new programming around Women's History month and Holi "The Festival of Colors".
- Partnered with the UIC Great Cities Institute to conduct a comprehensive racial equity assessment from May 9, 2023, to January 31, 2024. This assessment utilized a three-part mixed-methods research design. It began with a data-driven community profile, offering a snapshot of the Village's demographics. This was followed by an internal assessment that gathered insights from senior directors within Village Hall to identify institutional barriers, assets, and resources. The final component involved an external assessment of community needs through public engagement with residents and external stakeholders. With the assessment now complete, the office is preparing to conduct a policy audit and will subsequently develop a targeted action plan.

- Collaborated with Northern Illinois University (NIU) Master of Public Administration students, in completing an external assessment of language needs within the community. The NIU students were assisting with the development of VOP's Language Access Plan (LAP) as part of their capstone project.

#### Sustainability & Resilience

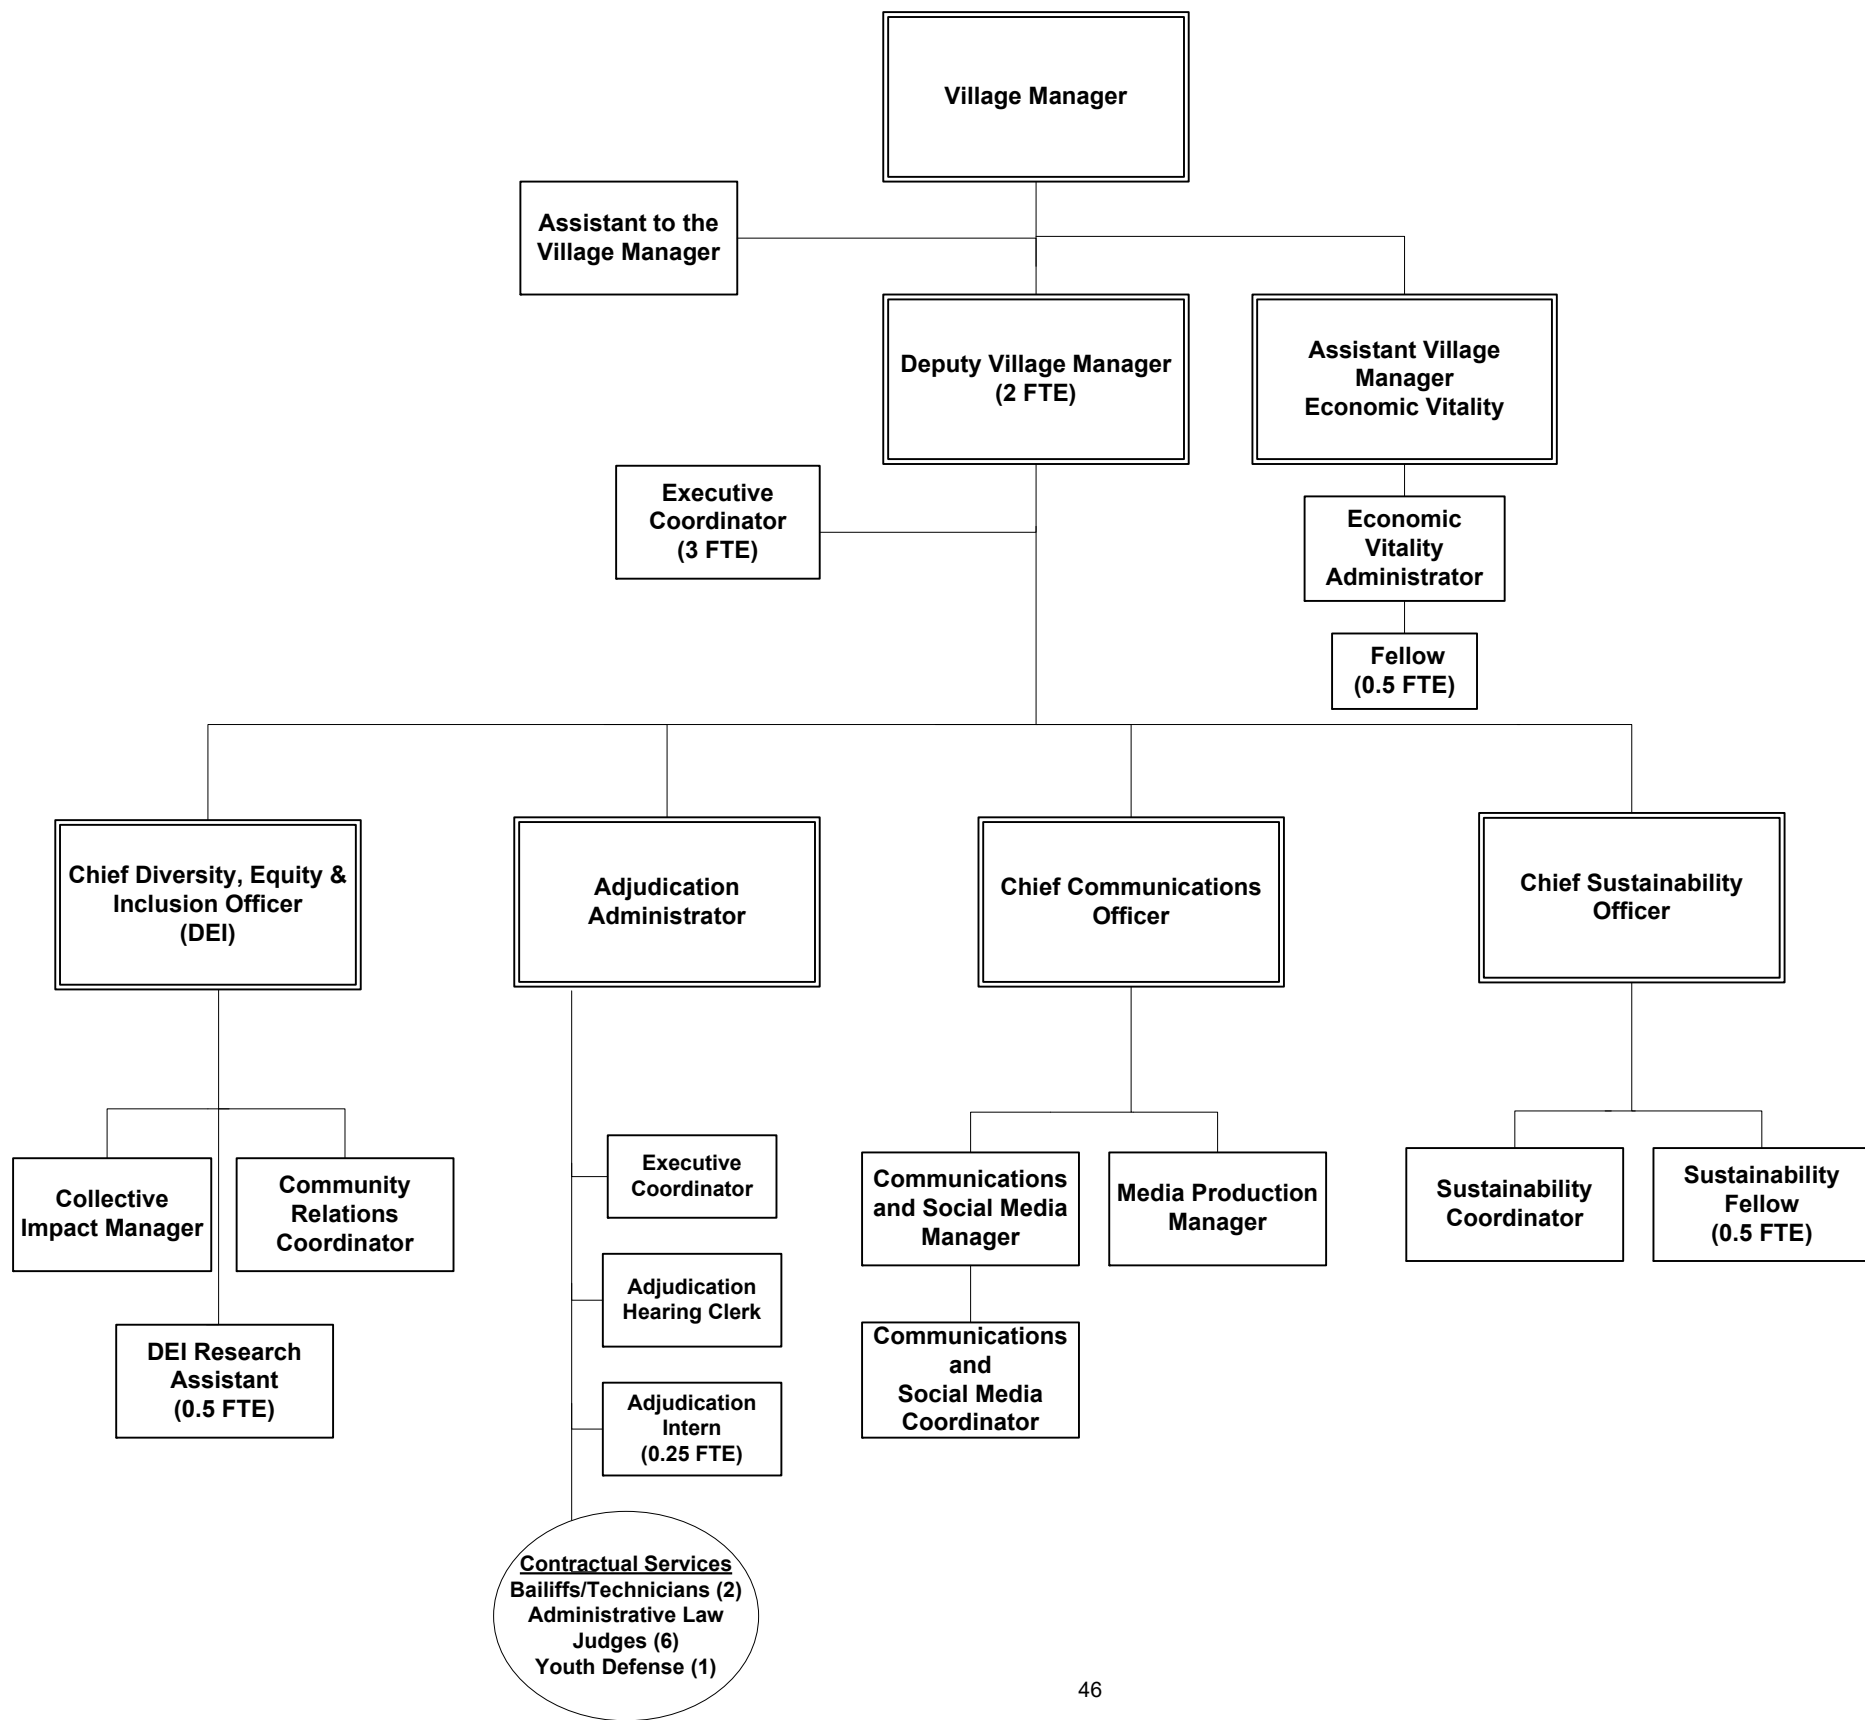

- Provided strategic recommendations and technical assistance to Village departments to increase the integration of climate and sustainability considerations into municipal operations and policies.
- Facilitated the work of the Environment & Energy Commission, which brought forward policy recommendations to the Board regarding composting and who are in the process of developing recommendations related to electric shuttles.
- Completed a Nighttime Light Environment Assessment and presented the findings to the Environment & Energy Commission.
- Completed Village and community activities in support of the tri-national Monarch Initiative. Received community feedback on a draft Parkway Planting Ordinance in 2023. Staff will use feedback to revise the ordinance draft and conduct more public outreach before bringing the draft recommendations back to the Board in Q4.
- Gathered and analyzed cross-departmental program information and climate data and reported via the global Carbon Disclosure Project reporting platform. The Village received an 'A' score for the 2023 reporting year, which is reflective of the community-wide planning and implementation efforts made towards Climate Ready Oak Park.

#### Economic Vitality

- Created and issued Request for Qualifications to solicit proposals for the Chicago Avenue Streetscape Project to publicly recognize the exceptional legacy of Oak Parker Dr. Percy L. Julian; outlined process and potential opportunities to publicly recognize other historically significant Oak Parkers
- Facilitated revisions to the Pete's Market Redevelopment Agreement, strengthening performance standards to accelerate implementation.
- Engaged Oh1Media in a collaboration with Visit Oak Park on a month-long Village tourism and promotional campaign.
- Engaged in preliminary conversations with partner and neighboring taxing authorities, community groups, and nonprofit organizations to explore opportunities to partner on shared economic vitality goals and initiatives
- Managed relationship with the Oak Park, Illinois Film Festival ("OPILFF") and administered \$2,000 Special Events Incentive to reestablish the event.
- Continued and expanded the Oak Park Green Business Program. Raise awareness of Oak Park's commitment to sustainable business practices and connect businesses to resources for furthering sustainability practices.

### **DEPARTMENT PERFORMANCE MEASURES**

FINANCE DEPARTMENT WILL CUT/PASTE METRICS TO THIS PAGE

- Village President/Board of Trustees
- Finance Committee of the Board of Trustees
- Personnel Committee of the Board of Trustees
- Re-inventing Government Committee of the Board of Trustees
- Civic Information Systems Commission
- Liquor Control Review Board
- Community Relations Commission
- Aging in Communities Commission
- Disability Access Commission
- Environment & Energy Commission

# HUMAN RESOURCES DEPARTMENT

---

*The Human Resources Department's mission is to recruit and retain a diverse and highly qualified workforce.*

## EXECUTIVE OVERVIEW

### DEPARTMENTAL SUMMARY

The Human Resources department serves as an internal service provider and consultant to all departments via highly complex administrative support of the Village Manager, Department Directors, and all staff. Human Resources manages and supports a wide variety of processes and procedures related to employee recruitment and retention, health and welfare benefits administration, employment law compliance, employee compensation, records maintenance, leave management, staff training and development, employee/labor relations, and retirement plan administration.

Services are provided through the following programs: Administration, Labor Relations, Benefits Administration, Employment Engagement, Recruitment & Selection & Training

#### Administration

Maintains accurate employment and benefit records.

#### Labor Relations

Assists in the negotiation and administration of nine collective bargaining agreements and administers the Personnel Manual to ensure that contractual terms and conditions of employment and general Village policies are applied fairly and equitably.

#### Benefits Administration

Provides and administers a comprehensive employee benefits program that is cost-effective while providing significant value to employees in terms of their total compensation.

#### Employment Engagement & Retention

Supports the Village's goal of retaining a high quality workforce by promoting a positive, inclusive and productive work environment.

#### Recruitment & Selection

Supports the Village's goal of being an employer of choice through effective recruitment and retention programs that include applicant management, onboarding, performance management, learning management and recognition and rewards management.

#### Training

Creates and sustains a learning environment to communicate the Village's Mission, Vision and Values, enhances employee engagement through opportunities for personal and professional growth and evaluates and affirms that programs and services are aligned with the organization's priorities and strategic objectives in a cost-effective manner.

## 2025 WORK PLAN

### Key Initiatives or Projects in Support of Board Goals

#### COMMUNITY HEALTH & SAFETY

- **Priority 1: Reduce Crime**
  - a.iii. Support ongoing development and implementation of alternative response to calls for service model.
- **Priority 3: Implement BerryDunn Report Recommendations**
  - c. Continued support of the Board of Fire and Police Commissioners and the Police Department in the recruitment of a diverse pool of qualified candidates.
  - g. Manage the selection and support a third-party firm's review of the Citizen Police Oversight policies, procedures and protocols and assist the firm and Citizen Police Oversight Committee in making recommendations for enhancements to the current model.
- **Priority 6: Ensure Healthy Work Environments for Village Workers**
  - c. Update the strategic plan to strengthen and encourage the health and wellness of Village staff.

#### RACIAL EQUITY

- **Priority 1: Ensure Equitable Access to Government Services and Contracts**
  - c. Champion the Village's racial equity-related goals and projects

#### VIBRANT, DIVERSE, CONNECTED NEIGHBORHOODS

- **Priority 5: Emphasis on Relationship Between Neighborhoods and Business Districts**
  - Support the ongoing transition of the Special Event permitting process to the Neighborhood Services department.
- **Priority 6: Rapid Response Support for Unhoused Residents**
  - Partner with the Community Services Administrator to implement the Alternative Response to Calls for Service Phase I and Phase II models adopted by the Board of Trustees including support for unhoused residents.

#### SUSTAINABILITY & RESILIENCY

- **Priority 1: Implement Climate Action Plan**
  - g. Assess Flexible Work Arrangement Policy to identify opportunities to reduce commuter miles from gas-powered passenger vehicles.

## Department Baseline Service Levels and Goals

Human Resources Administrative 1001.41300.101

### ***Current Service Levels***

- Recruit and retain a multi-level diverse workforce that meets the Village’s organizational needs by leveraging technology, social media and ensuring the Village’s compensation and benefits are desirable.
- Partner with all departments in succession planning, workforce planning, and other plans to support a sustainable, inclusive and productive work environment.
- Support the Village Manager in organizational planning and development
- Manage general employee relations; Conduct workforce investigations, promoting open communication between employees and management.
- Review the Village’s benefits program to find cost efficiencies or new benefit opportunities that are attractive and add value to the organization.
- Partner with the Law Department to oversee the Village’s risk management and worker’s compensation program.

### ***Department Goals***

- Create a leadership development program to support the evolving needs of the organization and retain and prepare future organizational leaders.
- Continued enhancement of digital onboarding/offboarding and exploration of efficiencies and process improvements by leveraging technology; explore new HRIS and performance management technology solutions.
- Continued implementation and improvement of the Village’s updated performance management and evaluation system including integration of the of updated Organizational mission and values.

## **2024 ACCOMPLISHMENTS**

### **Key Initiatives & Projects in Support of Board Goals**

#### **COMMUNITY HEALTH & SAFETY**

- Developed recommendation for the alternative response to calls for service model began implementation of Phase 1 of the program in partnership with the Neighborhood Services Department (Priority 1.a.iii)
- Continued to support the Board of Fire and Police Commissioners with hiring entry-level police and fire employees and internal police promotions, revising and adopting new rules to enhance recruitment of critical public safety staff (Priority 3.c)
- Introduced a lateral police officer hiring process and worked with the Village Manager’s office to negotiate employment incentives and compensation programs to enhance recruitment and retention of public safety staff (Priority 3.c)
- Conducted an RFP for Citizen Police Oversight Recommendation Consultant Services to review the Citizen Police Oversight policies, procedures and protocols and make recommendations for enhancements to the current model (Priority 3.g)

- Reinstated Employee Wellness Committee in partnership with the Health Department designed to enhance current wellness options, evaluate existing health strategies, and encourage health and wellness Village-wide (Priority 6.a & 6.b)

## **RACIAL EQUITY**

- Worked with the Chief Diversity Equity and Inclusion Officer to advance racial equity programming.

## **VIBRANT, DIVERSE NEIGHBORHOODS**

- Supported the Development Services Department in developing special event policies related to the Board's vision, values and goals (Priority 5)
- Supported the development of unhoused support within the alternative response to calls for service phase 1 model (Priority 6.b)

## **SUSTAINABILITY & RESILIENCY**

- Assessed the flexible work arrangement policy and implemented a summer hours pilot program that may reduce Village infrastructure energy usage (Priority 1.g.i)
- Implementation of the Illinois Transportation Benefits Program Act within our organization. This initiative has been one component of our efforts to promote environmentally friendly practices and support the well-being of employees. (Priority 1.g.i)

### **Department Baseline Service Levels and Goals**

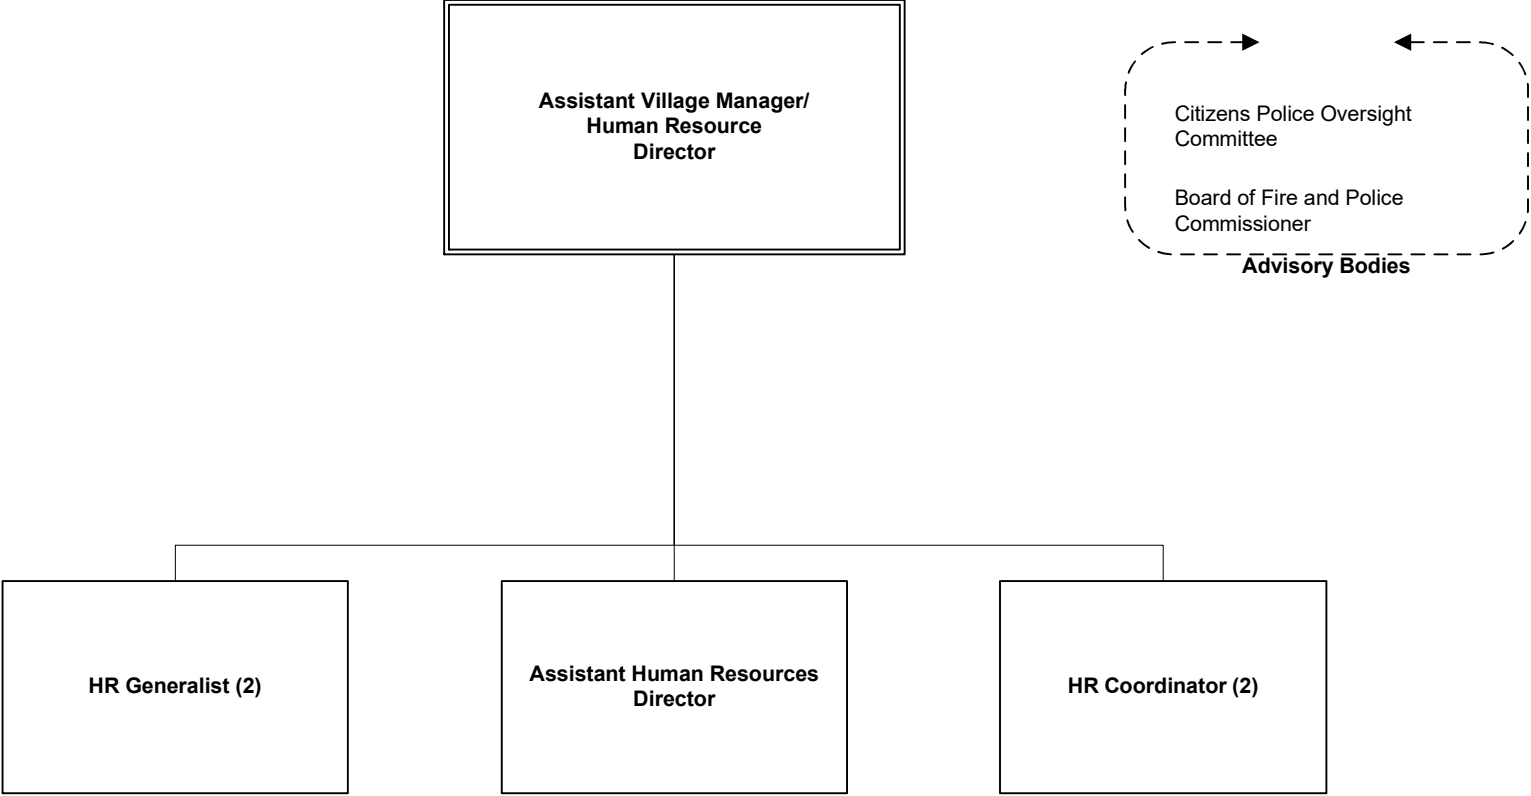

- Updated the Village's performance management and evaluation process to align with the new mission and values of the organization.
- Conducted a non-union classification and compensation evaluation for 100 employees throughout the organization; made recommendations related to the evaluation and implemented the Village's updated compensation and classification pay plan for non-union employees
- Enhanced Village training and development opportunities through a variety of activities including the implementation of a Learning Management System (LMS) platform which offers a comprehensive suite of training modules that support continuous learning and professional development for all staff and commission members.
- Created opportunities for in-house and in-person professional development sessions including management training focused on expectations & accountability, leadership, and strategies & insights for managers and general training and development for all staff including worksite safety, teamwork, customer service, and conflict resolution
- Continued partnership with the Oak Park River Forest High School to operate the high school internship program in the Public Works Department, recruiting and onboarding 6 local high school students to work in various Public Works divisions; creating career pathways and enhancing the relationship with an intergovernmental partner.
- Hired and onboarded over 50 employees (45 as of 8/7)
- Established a series of employee engagement opportunities designed to create more unity in the workforce including Quarterly Supervisor Town Halls, the 3<sup>rd</sup> Annual Employee BBQ, Village Values Awards, and a number of other employee engagement events throughout the year which fostered recognition and community amongst colleagues.
- Implemented an electronic eligibility file transmittal to life insurance provider for seamless benefits administration.

- Participated in successor bargaining agreement negotiations with FOP Sergeants, SEIU Water & Sewer, Mechanics, IAFF, FOP Patrol and FOP CSO work groups.
- Reviewed the Village's benefits program to find cost efficiencies or new benefit opportunities that are attractive and add value to the organization.
- Partnered with the Law Department to oversee the Village's risk management and worker's compensation program.
- Coordinated the Village's response to asylum-seeking migrants in the community including program development, partnership management and funding strategy
- In partnership with the Village Manager's Office, supported the reorganization of the Village organization to recruit key leadership positions within the newly aligned Neighborhood Services Department

## **LAW DEPARTMENT**

---

*The Law Department's mission is to provide cost effective legal services to the Village in an efficient and responsive manner.*

### **EXECUTIVE OVERVIEW**

#### **DEPARTMENTAL SUMMARY**

The Law Department is responsible for all legal matters for the Village Organization, providing effective legal services to the Village Board, Village Manager, Boards and Commissions, and Village staff. Legal services include the following: advice and counsel, the prosecution and defense of civil litigation, workers' compensation claims and other contested matters, real estate, land use and zoning matters, transactional matters, development agreements, drafting of ordinances, resolutions, contracts, policies, memorandums, and other documents, the enforcement of the Village Code and Village ordinances, traffic court prosecutions, collections, document review, procurement of the Village's excess insurance policies and property and casualty policy, legal support for Freedom of Information Act requests, supervision of outside counsel, and various other matters as they arise. The Law Department consists of the retained Village Attorney, two Assistant Village Attorneys, Paralegal, and a part-time Secretary.

## 2025 WORK PLAN

### Key Initiatives or Projects in Support of Board Goals

#### COMMUNITY HEALTH & SAFETY

- **Priority 1: Reduce Crime**
  - a.iii. Support Village staff in implementing the recommendations of the Alternative Calls for Service Task Force.
- **Priority 3: Implement BerryDunn Report Recommendations**
  - g. Support Village staff and the Citizens' Police Oversight Commission on implementation of strategies to refine civilian oversight of the Police Department.

#### RACIAL EQUITY

- **Priority 1: Ensure Equitable Access to Government Services and Contracts**
  - e. Support DEI in the review of the Village Purchasing Policy regarding engagement of Minority and Women-owned businesses
- **Priority 2: Assess and Address Historical Lack of Equity**
  - a. Continue coordination with the Village's Chief Diversity, Equity, and Inclusion Officer in the development of a possible reparations program for the Village.
  - e. Support DEI with the evaluation of the Village's Human Rights Ordinance.
- **Priority 3: Support Integration and Diverse Community Entry Points**
  - a. Support DEI and Neighborhood Services in the assessment of historical racial integration strategies to modernize the Village's approach to racial integration in the context of the Village's Strategic Vision for Housing and Racial Equity Assessment and Action Plan.

## Department Baseline Service Levels and Goals

Law 1001.41070.101

### ***Current Service Levels***

- Continue efforts to successfully defend civil litigation and workers' compensation matters brought against the Village and affirmative litigation in favor of the Village.
- Draft ordinances amending the Village Code as applicable.
- Act as a liaison to the Liquor Control Review Board and the handling and processing of liquor license matters to the Village Board.
- Serving as legal counsel to the Zoning Board of Appeals.
- Prosecute business licensing matters and other matters as they arise.
- Oversee the legal work for other Village boards and commissions.
- Provide legal support for responses to Freedom of Information Act requests.
- Administer the Village's risk management and excess insurance programs.

### ***Department Goals***

- Continued standardization and processing of contracts, intergovernmental agreements, grant agreements, and forms for use by the Law Department and other departments.
- Continue to support Village Staff while evaluating Legal Department operations to achieve the most cost-effective legal service delivery.
- Partner with the Office of Racial Equity and Collective Impact for the Village's community safety plan and think through specific equity goals for each phase.
- Attend training opportunities offered by the Office of Racial Equity and Collective Impact.

## **2024 ACCOMPLISHMENTS**

### **Key Initiatives or Projects in Support of Board Goals**

#### **COMMUNITY AFFORDABILITY**

- Added an in-house Assistant Village Attorney to reduce need for contracted legal work.
- Brought additional legal work in-house at a cost-savings to the Village.
- Conducted legal work-related to various pending property developments in the Village.
- Obtained and maintained property tax exemptions for properties owned by the Village.
- Returned properties held privately to the property tax rolls.
- Drafted an ordinance to amend the Village's hotel tax to include transient occupancy rental units.

#### **COMMUNITY HEALTH & SAFETY**

- Continued to lead the community safety project discussions internally and externally and drafted additional contractual documents for the services of the Village's third-party contractor for the project.
- Resolved litigation pending against the Village in a cost-effective manner at significant cost savings as compared to potential exposure.
- Drafted an ordinance revising the Village's leaf collection program.
- Conducted enforcement actions to resolve health and safety issues at dilapidated properties.
- Prosecuted business license revocation matters.
- Oversaw the Village's traffic prosecution program.

#### **RACIAL EQUITY**

- Supported the Village's continued discussions of reparations.

#### **VIBRANT, DIVERSE, CONNECTED NEIGHBORHOODS**

- Continued to support Village staff on measures related to humane treatment and delivery of support services to the unhoused population.
- Drafted agreements with not-for-profit entities to provide American Rescue Plan Act funding and coordinated Village Board agenda items for approval of the agreements.
- Drafted numerous agreements to provide grant funds to local not-for-profit agencies.
- Drafted numerous agreements with artists for the installation of murals, sculptures, and other public artworks throughout the community.

#### **SUSTAINABILITY & RESILIENCY**

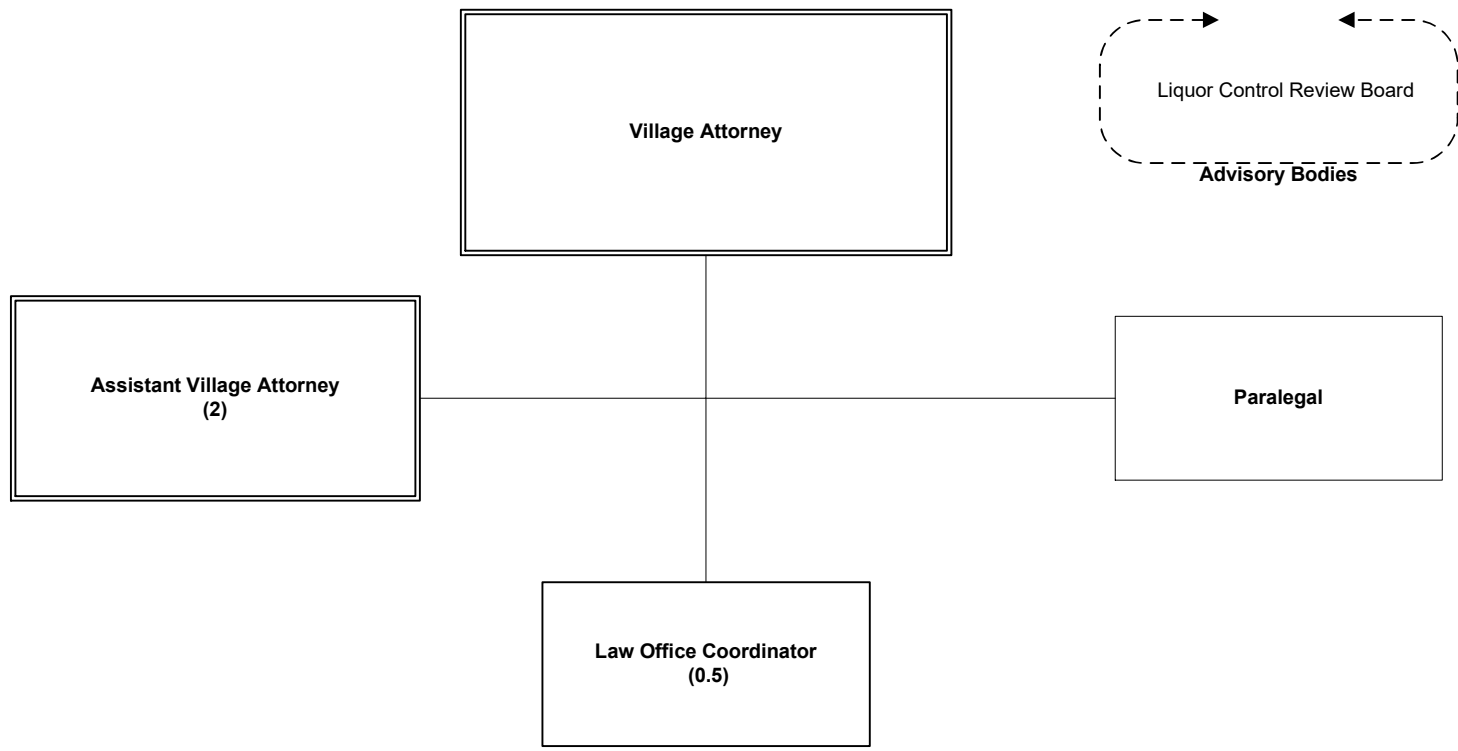

- Assisted with the drafting and processing of numerous contracts related to the Village's climate action plan.

## **Department Baseline Service Levels and Goals**

- Reduced pending civil litigation and workers' compensation cases pursuant to dismissals or settlements reached during the past year.
- Contained the Village's excess insurance policies and property and casualty policy.
- Acted as the liaison to the Liquor Control Review Board and worked to implement various processes for the Board.
- Drafted, reviewed, and approved 424 contracts through October 16, 2024, and 636 contracts during 2023.
- Drafted, reviewed, and approved 116 ordinances and 299 resolutions in 2023 and 45 ordinances and 170 resolutions through October 16, 2024.
- Acted as legal counsel to the Zoning Board of Appeals by attending its meetings and public hearings and drafting, reviewing, and approval of legal notices, staff reports, findings of facts, and resolutions for the Zoning Board of Appeals.
- Oversaw the legal work for various other Village boards and commissions.
- Conducted the legal work related to real estate developments in the Village.
- Filed civil complaints and claims against persons who cause damage to Village property and costs for such damages and the prosecution of those persons through the Village's adjudication system.
- Continued work on pending civil litigation and workers' compensation cases and brought such matters to a successful conclusion.
- Continued standardization and processing of contracts, intergovernmental agreements, grant agreements, and Board agenda item matters.
- Continued administration of the Village's risk management and excess insurance programs.
- Reviewed and processed liquor license applications.
- Worked with other departments to review and process Freedom of Information Act (FOIA) requests.

## **DEPARTMENT PERFORMANCE MEASURES**

\*The Community Relations Department was merged into the VMO's Office of Diversity, Equity & Inclusion beginning in FY 2024

## DEVELOPMENT SERVICES DEPARTMENT

---

*The Development Services Department's mission is to enhance the quality of life in the Village of Oak Park by providing efficient, consistent, cost-effective, courteous and prompt customer services designed to encourage investment in our community.*

### EXECUTIVE OVERVIEW

#### DEPARTMENTAL SUMMARY

The Development Services Department is comprised of the following five divisions: Administration, Business Services, Parking and Mobility Services, Permit & Development and Planning & Urban Design. The Department delivers its services through the divisions listed below.

##### Administration

Oversees the work of the department's divisions and manages the various development activities of the Village.

##### Business Services Division

Responsible for working with all Village business partner organizations including the Chamber of Commerce and all active business districts. Responsible for the Village's Business District Inspection Program; and the licensing and inspection of all businesses in Oak Park. Assists existing and potential business owners with economic vitality matters and manages the Village's business grant programs.

##### Parking and Mobility Services Division

Manages all aspects of the Village's public parking program, including parking enforcement. (Accomplishment and Work Plan listed in the Parking Fund)

##### Permit & Development Division

Responsible for issuing of permits for all construction activities in the Village. The division is also responsible for the Village's detailed plan review, contractor registration/issuance and construction inspections.

##### Planning & Urban Design Division

Responsible for all planning activities including new developments and administering existing Village plans. The Division also is responsible for managing zoning, historic preservation and Village business signage.

## 2025 WORK PLAN

### Key Initiatives or Projects in Support of Board Goals

#### VIBRANT, DIVERSE, CONNECTED NEIGHBORHOODS

- **Priority 1: Support Sustainable Advancement of Affordable Housing**
  - a. i. Implement and evaluate an increase to the Hotel/Motel tax with a portion of said tax dedicated to funding the Housing Trust Fund.
  - ii. Implement and evaluate various building permit fee increases.
  - c. i. Re-evaluate single-family zoning land uses relative to “Missing Middle” housing opportunities and report results to the Village Board with potential recommended action.
  - c. iii. Review the potential of additional housing types/choices in the Village’s existing single-family zoning classifications, beyond ADUs.
  - d. iv. Explore zoning changes to accommodate at-scale housing. The “at-scale” housing term relates to affordable housing-the missing middle.
- **Priority 2: Support Strategies Related to Parking & Mobility**
  - a. Evaluate alternative or expanded eligibility criteria for the Village’s Employee Discount Parking Program, which provides discounted parking rates for employees who work in Oak Park and earn less than \$20 per hour in an effort to lessen parking pressures for neighborhoods in and around business districts.
- **Priority 5: Emphasis on Relationship Between Neighborhoods and Business Districts**
  - a. Explore the role that special events play in the community including impact to neighborhood relationships, economic vitality and overall community experience.

#### SUSTAINABILITY & RESILIENCY

- **Priority 1: Implement Climate Action Plan**
  - d. i. Review the energy stretch code for major building renovations and public facilities that require an enhanced building system performance, electrification and readiness for on-site solar energy and electric vehicle charging (based on CROP EE01).
  - iii. Update the Plan Development process to enhance compensating benefits to include additional building energy and water efficiency, waste reduction, and climate resiliency features (based on CROP EE02).

#### ECONOMIC VITALITY

- **Priority 1: Update the Village’s Formal Economic Vitality Strategy**
  - a. vi. Continue to strategically encourage and grow the nighttime economy of Oak Park.
  - vii. Grow the organizational capacity and vibrancy of neighborhood business districts as a foundational element of growing the economic vitality of the Village.
  - c. i. Renew the Village’s vision and plan for redevelopment of the Roosevelt Road corridor plan.
  - e. i. Explore opportunities with Visit Oak Park to increase local and regional opportunities for visitors that could have a positive impact on Village revenues.

- g. i. Evaluate relevant land-use standards to ensure consistency with implementation expectations of the updated Economic Vitality and Housing strategies.
- **Priority 2: Support New and Existing Small Businesses and Districts**
  - a. ii. Work with representing brokers and property owners to identify and direct potential retail/commercial clients to consider available vacant spaces.
  - iv. Work with businesses, non-profit organizations and established business districts in their efforts to sponsor and improve upon existing special event programming and assist, where possible, and organization looking to create new community events or re-establish previous events.
  - b. Implement an outreach and education program to raise awareness of Oak Park’s commitment to sustainable business practices. Continue to connect businesses to resources for furthering sustainable practices.

### **Department Baseline Service Levels and Goals**

DS Administration 1001.46260.101
----------------------------------

#### ***Current Service Levels***

- Coordinate and direct all of the activities of the DS Department with special emphasis on ways in which DS programs and activities can be made more affordable to Oak Park residents and businesses.
- Continue to facilitate the Village Staff Construction Communication meetings to ensure cross-departmental cooperation on major construction projects (Private Developments) occurring in Oak Park.
- Continue to serve as a member of the Executive Steering Committee of the Oak Park Homeless Coalition which meets quarterly to work towards a comprehensive plan to make homelessness brief and a rare one-time instance in Oak Park.
- Partner with the office of Racial Equity and Collective Impact to develop DEI goals.
- Review current policies, programs, and procedures with the Chief DEI Officer.
- Continue to ensure that the Department maintains a high level of customer service while striving to be more effective and efficient.
- Continue to serve as the Village’s representatives on the Visit Oak Park Board and the Oak Park Area Arts Council.
- Continue to manage the Departments multiple citizen commission agendas and facilitated multiple meetings and public hearings.

#### ***Department Goals***

- Continue promoting improved public awareness of residents’ and customers’ utilization of Oak Park’s VillageView and Passport Parking online software system.

- Assist in managing the completion of the Villages Housing study, Economic Vitality Study and Roosevelt Road Business Corridor Plan.
- Continue participation in the staff generated Comprehensive Sustainability and Climate Action and Resiliency Plan process.

DS Business Services Division 1001.46262.101
--

***Current Service Levels***

- Continue working with community business partners in assisting and retaining Oak Park businesses.
- Continue assisting in the administration of the joint Village and Chamber of Commerce New Business License and free Chamber of Commerce Membership Program.
- Manage the Village’s New Business Site Assistance (NBSA) Program which involves DS staff coordinating walk-through inspections to ensure business owners receive the attention they need to open successfully.
- Continue to promote and facilitate the Village’s successful Commercial Façade Improvement Program.
- Establish and manage a community-wide commercial space availability data base and make that information available on-line to individuals seeking available spaces that meet their business model plan.
- Continue managing all development projects for the Village, including negotiating and implementing all redevelopment activities, and coordinating timely and efficient responses from the Department and all other Village departments involved.

***Department Goals***

- Continue efforts to effectively and safely facilitate non-traditional outdoor dining spaces and assist the business community.
- Continue working to increase efficiencies related to property complaints using the inspections ordinance to ensure that commercial properties are maintained.
- Focus on development projects on the North Avenue, Madison Street, and Roosevelt Road Business Corridors, while also working to support the Village Board's goal of creating an economic development environment that includes a clear, comprehensive approach to meeting the needs of diverse constituents for commercial vitality throughout the Village.
- Continue to serve as the Village’s representatives on the Downtown Oak Park Board and attend and assist other business districts throughout the community.

DS Planning & Urban Design Division 1001.46202.101
--

***Current Service Levels***

- Continued to maintain a list of Accessory Dwelling Units and associated attributes.

- Continue to review Village codes and ordinances for updates.
- Continue to review multiple building permit applications.
- Continue working with the GIS Consortium on updating the zoning and historic preservation information for the online GIS Map program.
- Work with GIS Consortium to updated Historic Preservation information.
- Continue the Village’s review of business signage, resolving illegal business signage when necessary.
- Facilitate annual awards program for Oak Park Historic Preservation and Cavalcade of Pride.
- Assist the Community Design Commission with their year-end review of the Village’s sign code.
- Continue to manage multiple citizen commission agendas and facilitated multiple meetings and public hearings.
- Continue to Participate in North Avenue and Oak Park Avenue streetscape and design projects.
- Continue to participate in the Bicycle Plan update process.
- Continue staffing and managing the Village’s planned development and staff Project Review Team (PRT) processes.

***Department Goals***

- Continue to monitor multiple planned development construction projects and their adherence to approved ordinances.
- Continue to participate in the Home Avenue bridge replacement project.
- Continue to participate in the Cap the Ike bridge deck expansion project.
- Continue to participate in bi-monthly construction progress meetings.
- Continue to effectively manage the architectural design consultant that is kept on retainer for building permit and planned development reviews.
- Begin Envision Oak Park Revision/update process.
- Facilitate the Roosevelt Road Corridor Plan in partnership with the City of Berwyn and Town of Cicero.
- Assist in the completion and facilitation of the Village’s Comprehensive Plan.
- Evaluate sing-family zoning, and recommend diversification of housing stock, by implementing the Strategic Vision for Housing Plan.

DS Permit & Development Division 1001.46250.101
---

***Current Service Levels***

- Implement the newly adopted 2021 International Codes.

- Continue the Photo Inspection Policy, established during Covid, in efforts to provide continued customer services.
- Continue to focus on training and obtaining certifications in order to better serve our customers.
- Continue the Elevator Safety Inspection Program by overseeing a contractor to provide elevator safety inspections yearly. Work to streamline process into the CityView Permit /licensing Program.
- Continue our ongoing construction season code enforcement activities.
- Start a more detailed public outreach program promoting the importance of building permits and inspections.
- Continue to offer seminars for contractors and homeowners, either on-line or in-person, focusing on basic construction codes.
- Continue to respond in a timely manner to all Freedom of Information Requests.
- Continue to offer a completely paperless and electronic permitting system through use of our CityView online software. Benchmarks will include expanding the level of online services, improving process transparency and improving interdepartmental communication related to plan reviews through an electronic tracking system.
- Continue participation in the staff generated Comprehensive Sustainability and Climate Action and Resiliency Plan process.

### ***Department Goals***

- Continue updating all code requirement bulletins and guidelines to inform the general public of various construction activities.
- Meet an anticipated high volume of plan reviews and inspections for ongoing, large-scale developments; residential and commercial inspections; plan reviews and permit processing.
- Continue to work with our contractors to maintain quick plan reviews and next-day availability of inspectors.
- Continue to assist the Administration Division with the Village's New Business Site Assistance Program which involves performing walk-through inspections to ensure new business owners receive the attention they need to open successfully.
- Implement the electrification code requiring all new residential and commercial buildings to be entirely electric.
- Present the newly adopted State of Illinois Stretch Energy Code to the Village Board for adoption.

## 2024 ACCOMPLISHMENTS

### Key Initiatives or Projects in Support of Board Goals

#### VIBRANT, DIVERSE, CONNECTED NEIGHBORHOODS

- **Priority 1: Support Sustainable Advancement of Affordable Housing**
  - a. i. Implement and evaluate an increase to the Hotel/Motel tax with a portion of said tax dedicated to funding the Housing Trust Fund.
  - ii. Implement and evaluate various building permit fee increases.
    - Staff presented a surcharge of 3.5% on short-term rentals to be dedicated to the Housing Trust Fund. The Village Board adopted the ordinance in February to be effective May 1<sup>st</sup>, 2024.
    - Staff implemented a demolition fee, per Village Board direction, on demolitions of single-family dwellings, multi-family dwellings, non-residential commercial buildings, mix-use buildings and institutional buildings. This fee, as of January 1, 2024 is deposited directly to the Housing Trust Fund.
  - b. Complete the housing study and begin implementation of the updated housing vision and strategy.
    - Successfully completed the Strategic Vision for Housing Plan. Staff began conversations with the Village Board on implementation of the plan and received a grant from the Metropolitan Mayors Caucus to provide training and resources for Missing Middle implementation.
  
- **Priority 4: Infrastructure that Promotes Sustainable Transportation**
  - a. Pursue grants or other resources to accelerate the Village's efforts to strategically deploy publicly-accessible electric vehicle charging stations (EVCS) in public lots, garages, and the right-of-way, with an emphasis on areas where residents do not have access to private parking.
    - Staff applied for several grants to accelerate the Village's efforts to increase the EVCS. The Village was awarded a grant from the Metropolitan Mayors Caucus to purchase the charging infrastructure.

## 2024 ACCOMPLISHMENTS

### Department Baseline Service Levels and Goals

DS Administration 1001.46260.101

- DS staff coordinated the Inclusionary Housing Program update and development of fund ordinance.
- DS staff performed staff liaison activities for numerous Village Commissions, Committees, and Boards including Building Codes Advisory, Community Design, Community Development, Disability Access, Historic Preservation, Housing Programs Advisory, Plan Commission, and Zoning Board of Appeals. Further, DS staff assisted with both the Transportation Commission and the Liquor Control Review Board.
- DS staff continued to facilitate the Village’s New Business Site Assistance program by organizing walk-throughs for new business owners interested in receiving feedback from Village staff regarding potential Village licensing, program, and code issues.
- DS staff conducted racial equity assessments of the Village’s partner agencies and worked with them to ensure they have equitable policies for the organizations.
- DS staff represented the Village on the Board of Directors of the Downtown Oak Park organization, the Visit Oak Park organization, and the Oak Park Area Arts Council.
- DS staff attended and assisted Business Association meetings (DTOP, Arts District, Hemingway District, etc.) and assisted said Districts throughout the year. In addition, staff assisted business owners in the Pleasant Business District as they work to become a more formal organization.
- DS managed all major building development/redevelopment projects and zoning/special use requests for the Village, including negotiating and implementing all redevelopment activities, plus coordinating timely and efficient responses from the Village. Projects DS worked on in 2024 include, but are not limited to, the extensive list below. Some projects have multi-year construction completion schedules.

326 and 404 Lake Street (Working with owners on re-boot of daycare, special use process)

501 Lake Street OPRF High School (Playing Fields Lighting Improvement Project)

855 Lake Street (ICON – 65-unit remodel)

835 Lake Street Planned Development (New 78-unit residential building)

1034 Lake Street (Building damaged by fire and now property being redeveloped)

1140 Lake Street (Future Holiday Inn Express, 68 Units)

930 N. Boulevard (Property condemned due to safety concerns, undergoing improvements)

715 S. Boulevard (Mixed use with 14 Condos)

261 Washington Boulevard (Ambrosia Homes, five story, 28 unit apartment building)

839 Madison (24-unit mixed use co-housing condominium project)

703 Madison (REDICO’s American House 7 story, 177 unit senior living development)

668 Madison (Pete’s grocery store)

435 Madison Street (Five story, 42-unit apartment building)

400 Madison (New Oak Park Bank & Trust Building)

229 Madison Street (Three story Park District Community Rec Center)  
 228 Madison Street (Park District new parking lot required variance)  
 1117 Garfield Street (Kiddie Academy new development)  
 HJ Mohr & Sons Property (Working with new owner on redevelopment)  
 6212 Roosevelt Road (Special use application for BM Custom, LLC for vehicle repair)  
 7 Van Buren Avenue (OPRC's new 48-unit apartment building)  
 1105 Pleasant Street (FOCUS Developments new mixed use five story building)  
 6139 - 6147 North Avenue (Working with owners on re-boot of daycare, special use process)

- DS staff managed the benchmarking program, ensuring that buildings over 10,000 square feet were compliant with the Benchmarking Ordinance. Staff held workshops and seminars to educate property owners on the benefits of reporting energy data.
- DS staff facilitated bi-monthly Village staff Construction Communication Meetings to ensure cross-departmental cooperation on major construction projects occurring in Oak Park.
- DS staff worked with the Village Manager's Office to coordinate Business Association Council meetings and activities.
- DS staff worked with the Village Attorney and Liquor License Review Board to process approximately 20 new liquor license requests.

DS Business Services 1001.46262.101
-------------------------------------

- Continued with the issuance of citations and violation notices to commercial properties found in violation of Village codes with an option of a virtual adjudication hearing.
- Commercial property maintenance inspectors investigated approximately 259 property maintenance complaints, an estimated increase of 159%, which included citizen-initiated complaints and Business Corridor Walks.
- Assisted in the processing 133 new business license applications.
- Processed and issued over 100 liquor license issuances and renewals.
- Applications for 49 outdoor dining sidewalk locations and 6 outdoor dining on-street locations were approved, with 5 businesses doing both. Staff assisted in the processing of the applications and completed inspections with the restaurants reinforcing the importance of maintaining chairs and tables in accordance with the Village's 5' accessible path regulation and new social distancing guidelines. In coordination with Public Works, DS worked diligently with local businesses to ensure appropriate placement of temporary on-street dining opportunities.
- Successfully facilitated the new Pick Oak Park Economic Vitality E-Newsletter to improve business communication throughout the Village.
- Provided New business Opening Assistance.
- DS staff continued to promote and administer the Village's C-FIP (Commercial Façade Improvement Program) designed to promote reinvestment in Oak Park commercial buildings. Several façade improvements were completed in 2024.

## DS Planning & Urban Design 1001.46202.101

- Completed a new Strategic Vision for Housing Plan assisted by Metropolitan Mayors Caucus.
- Completed follow-up on the Village Board's request regarding changes relative to the Village's Accessory Dwelling Unit regulations in the Zoning Ordinance.
- Continued to maintain a list of Accessory Dwelling Units and associated attributes.
- Continued the Village's review of business signage, resolving illegal business signage when necessary.
- Assisted the Community Design Commission with their year-end review of the Village's sign code.
- Continued to review Village codes and ordinances for updates.
- Converted RuskinARC data to GIS Consortium platform to support the Village's efforts to provide historic preservation district information.
- Participated in the public art selection for Oak Park Avenue Streetscape project.
- Continued to effectively manage the architectural design consultant that is kept on retainer for building permit and planned development reviews.
- Continued working with the GIS Consortium on updating the zoning and historic preservation information for the online GIS Map program.
- Worked with GIS Consortium to updated Historic Preservation Landmark Map.
- Facilitated annual awards program for Oak Park Historic Preservation and Cavalcade of Pride.
- Managed multiple citizen commission agendas and facilitated multiple meetings and public hearings.
- Completed participation in the EV Readiness Cohort in review of electric vehicle evaluation and development.
- Completed participation in the staff generated Building and Energy Code review process.
- Processed various Zoning Ordinance regulations amendments for electric vehicle charging stations and map and text amendment process.
- Continued staffing and managing the Village's planned development and staff Project Review Team (PRT) processes.
- Monitored multiple planned development construction projects and their adherence to approved ordinances.
- Participated in North Avenue and Oak Park Avenue streetscape and design projects.
- Participated in bi-monthly construction progress meetings.
- Reviewed multiple building permit applications.

- Continued working with the GIS Consortium on updating the zoning and historic preservation information for the online GIS Map program.
- Facilitated annual awards program for Oak Park Historic Preservation and Cavalcade of Pride.
- Managed multiple citizen commission agendas and facilitated multiple meetings and public hearings.

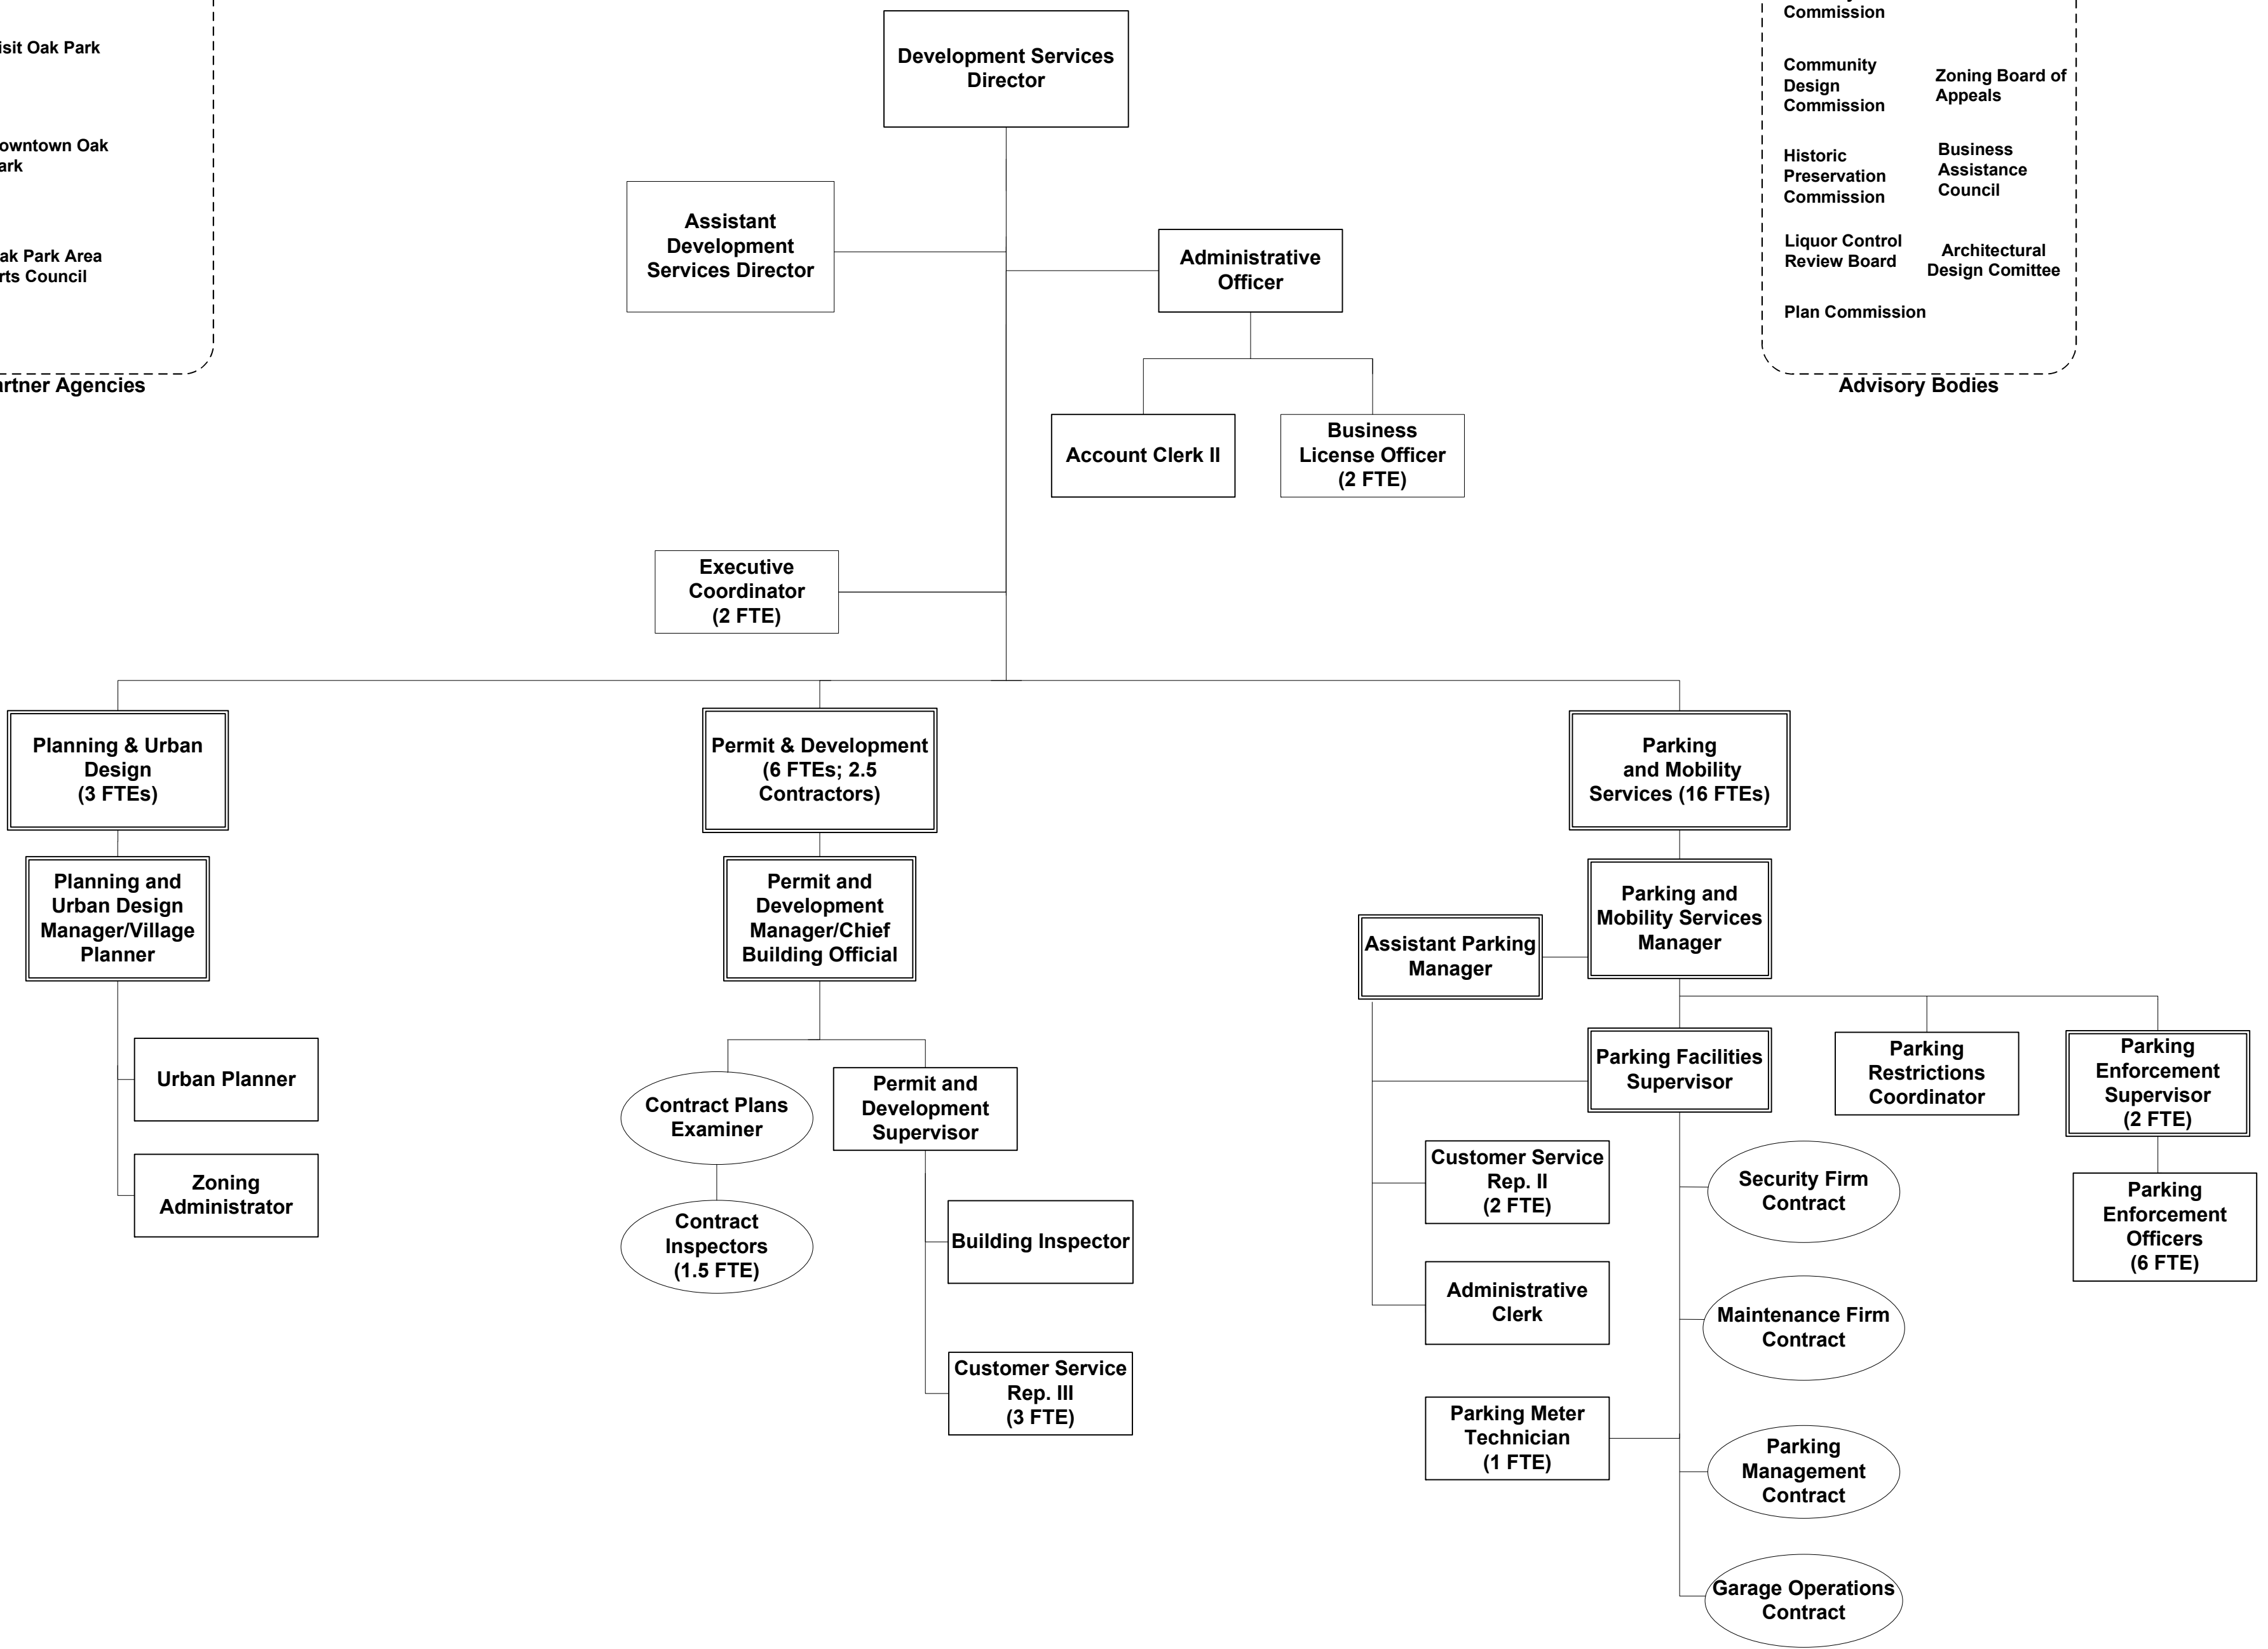

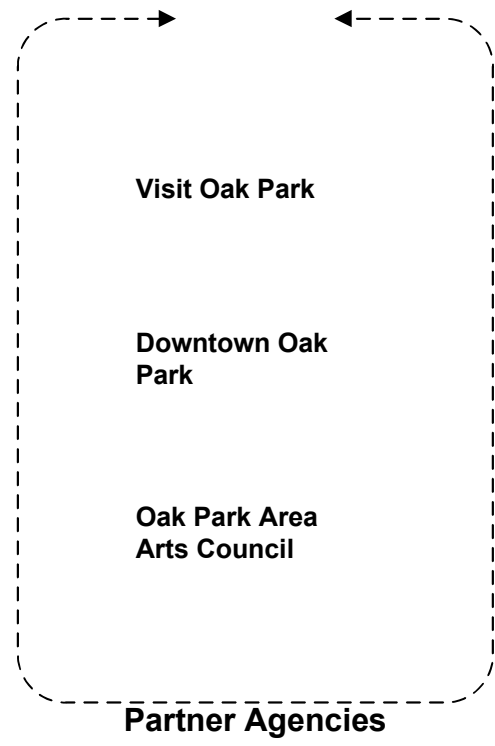

DS Permit & Development 1001.46250.101
--

- Continued the Elevator Inspection Safety Program by overseeing contractor inspection services in providing safety checks twice per year. The program provides service to over 330 elevators located throughout the Village.
- While staffing the Building Code Advisory Commission (BCAC), the Commission is currently reviewing the 2024 International Codes to replace the recently the adopted 2021 International Codes.
- The DS - Permit & Development Division educate our customers and the general public by offering an on-line pre-recorded seminar was initiated and held to educate individuals on the changes.
- The DS - Permit & Development Division established an Abandoned or Unissued Permit Follow-Up Pilot Program.
- The DS - Permit & Development Division continues the recently initiated customer service improvements such as photo & Skype inspections. These new services were possible because of our sophisticated software program CityView, where permit and inspection processes are entirely paperless and electronic.
- Established an Abandoned or Unissued Permit Follow-Up Pilot Program
- Continued to offer a completely efficient paperless and electronic permitting system through the use of the Village's CityView online software. Benchmarks will include expanding the level of online services, improving process transparency, and improving interdepartmental communication related to plan reviews through an electronic tracking system.
- While the DS - Permit & Development Division staffs the Building Code Advisory Commission (BCAC), the Commission is currently reviewing the State of Illinois Stretch Energy Code.
- The DS - Permit & Development Division developed an electrification code requiring all new residential and commercial buildings to be entirely electric.
- The DS - Permit & Development Division issued over 3400 permits a similar amount of permits as issued in 2024 and process approximately 800 contractor registrations. An estimated 2,800 of these permit applications were reviewed for compliance with the Zoning Ordinance, Sign Code and historic preservation regulations.

## DEPARTMENT PERFORMANCE MEASURES

\*FINANCE DEPARTMENT WILL ADD 2024 METRICS TO THIS PAGE

## FINANCE DEPARTMENT

---

*The Finance Department's mission and overall objective is to ensure proper fiscal use of tax payer money, maximize returns, maintain investments, monitor credit ratings, increase efficiencies and reduce costs.*

### EXECUTIVE OVERVIEW

#### DEPARTMENTAL SUMMARY

The Finance Department oversees and manages all financial operations of the Village. The Department is responsible for providing internal customer service to other Village Departments and maintaining the financial health of the Village in accordance with the annual budget and the requirements of the Municipal Code. The Finance Department directly oversees accounting, audit, budget, debt issuances, purchasing, records management for all departments, and payroll. The department also oversees utility billing and cashier operations at Village Hall.

Services are provided through the following divisions: Administration, Accounting, Budgeting and Performance Management, Payroll, and Purchasing.

#### Administration

Finance Administration provides general support to the operating divisions of the department. Tasks include providing customer service regarding all department activities to both internal and external customers.

#### Accounting

Accounting personnel are responsible for the timely and accurate recording and financial reporting of all Village financial activity.

#### Budgeting and Performance Management

The Budget function is shared by a few Finance staff members who are responsible for management and oversight of the process by which the Village Board and Manager allocate resources. The division also coordinates the Village's Monthly Measures Report to assess and communicate the activities of all departments.

#### Payroll

All payroll functions are being performed by Village staff, including tracking and approving time, reviewing payroll reports and files, printing checks and processing direct deposits, paying and filing all required taxes and forms, updating employee pay rates (including retroactive calculations), and deductions and collecting and remitting all voluntary deductions and garnishments.

#### Purchasing

The Purchasing function involves the overall procurement of goods and services to ensure the process results in the selection of the most cost-effective solution for the Village. Finance personnel involved in purchasing ensure the Village is adhering to Municipal Code as well as all local, State, and Federal regulations.

## 2025 WORK PLAN

### Key Projects in Support of Board Goals

#### COMMUNITY AFFORDABILITY

- **Priority 2: Limit the Tax Levy per a Finance Policy**
  - a. Finalize financial policies to include but not limited to, a policy centered around specific property tax limitations.
  - b. Complete work with Baker Tilly to create a long-term financial plan which will support the fiscal sustainability, effectiveness, efficient and equitable service delivery.
  - c. Complete a comprehensive review of Village fees, including the development of low and moderate-income standards, as part of the long-term financial plan.
- **Priority 3: Pursue Governmental Partnerships**
  - a. Seek opportunities with other Oak Park taxing bodies to alleviate the property tax burden

#### COMMUNITY HEALTH & SAFETY

- **Priority 6: Ensure Healthy Work Environments for Village Workers**
  - Develop a strategic financial plan to support construction of a new Police Station and improvements to Village Hall consistent with the Village Board approved vision.

#### RACIAL EQUITY

- **Priority 1: Ensure Equitable Access to Government Services and Contracts**
  - e. Provide support to the Office of DEI in the review of the Village's purchasing policy regarding Minority and Women-owned Business Enterprises (MBEs/WBEs).
  - f. Collaborate with the Information Technology Department to create and implement protocols for systematic publication of financial data on the Village's open data portal.

#### VIBRANT, DIVERSE, CONNECTED NEIGHBORHOODS

- **Priority 1: Support Sustainable Advancement of Affordable Housing**
  - a. Work with the the Economic Viability Team to support the analysis of potential, additional funding sources for the Housing Trust Fund

#### SUSTAINABILITY & RESILIENCY

- **Priority 1: Implement the Climate Action Plan**
  - Provide support for advancing Priorities 1a and 1b.
- **Priority 4: Maintain Viable Sustainability Fund**
  - Support staff efforts to identify, review and obtain Village Board direction on additional revenue options for Climate Ready actions.

#### ECONOMIC VITALITY

- **Priority 1: Update the Village's Formal Economic Vitality Strategy**
  - Support the Economic Vitality Team in developing a policy framework for evaluating the use of development and business incentives, consistent with growing the Village's tax base in the most cost effective manner.

## Department Baseline Service Levels, Goals and Initiatives

Finance Administrative 1001.41300.101

### ***Current Service Levels***

- Continually review and analyze cash balances to maximize the rate of return.
- Continue to improve the efficiency of the payroll process by utilizing additional capabilities of the Village's financial software system of BS&A.
- Apply for and receive both the Certificate of Achievement for Excellence in Financial Reporting for the audit year 2023 and the Distinguished Budget Presentation Award for 2024 and 2025 from the Government Finance Officers Association (GFOA), exceeding local government standards of financial reporting.
- Continue to exceed financial transparency standards by exploring additional tools and platforms through which to display financial information to internal and external stakeholders.
- Seek new efficiencies within the department, maximizing staff time through cross-training of duties.
- Continue to review quarterly financial reporting and adjust or improve reports to obtain the perfect balance between simplicity, understandability, and transparency.
- Continue to collect and coordinate reporting of Monthly Performance Measures for all Village departments, to be included in the FY25 budget document, and assist in tracking information, improving efficiencies, and communicating activities of all departments.
- On an as-needed basis, assist other operating departments to a greater degree in preparing requests for proposals and analyzing results.
- Comply with all IRS reporting requirements.
- Assist the Village Manager in strategically accomplishing board goals in the most economically feasible way.

### ***Department Goals***

- Implement the updated organizational structure of the Finance Department, including completion of recruitments for any existing vacancies and the new, Budget Manager position.
- Evaluate the Village's budget development and review process (operating and capital) and initiate enhancements, incorporating any pertinent guidance from the long-term financial strategic plan.
- Collaborate with the Office of Communications and Engagement to identify a software solution for an updated budget book including a modern, digital solution.
- Finalize updates to the Village's financial policies.
- Continue submitting eligible expenditures to various grants in order to maximize revenues and cash flows to Village.
- Develop financial equity related goals with the Chief DEI officer.
- Attend equity trainings offered by the Office of Racial Equity and Collective Impact.
- Update policies, as needed, to support Climate Ready Oak Park goals.

## 2024 ACCOMPLISHMENTS

### Key Projects in Support of Board Goals

#### COMMUNITY AFFORDABILITY

- Conducted an RFP for a Financial Strategic plan which resulted in hiring a consultant and began the process of developing the plan.
- Began the process of updating the financial policies to include but not limited to, a policy centered around specific property tax limitations.
- Assisted the Public Works Engineering Division and other departments in updating the 2024-2028 Capital Improvement Plan, providing an ongoing framework for identifying capital requirements and future financial impacts.
- Oversaw annual budgeting process to prepare Operating Budget, including adoption, implementation, monitoring, and revisions/amendments.
- Maintained High Grade Village bond credit ratings from Moody's Investors Service of Aa3, and Standard & Poor's of AA. In the current environment with rising interest rates, each High-Grade credit rating has the potential to translate to thousands of dollars in interest expense savings on any future debt issuances.

#### RACIAL EQUITY

- Administered and tracked several million dollars in Federal American Rescue Act (ARPA) grants to assist partner agencies and community partners in recovery due to the negative economic impacts of the COVID-19 pandemic.
- Maintained in-person water bill payment option 24/7, 365 days a year via a kiosk located in the Police Department lobby at Village Hall.

#### Department Baseline Service Levels and Goals

- Received the Distinguished Budget Presentation Award from the Government Finance Officers Association (GFOA) for FY23. An application will be submitted to this award program for the FY24 and the FY25 Budgets.
- Received the Certificate of Achievement for Excellence in Financial Reporting from the Government Finance Officers Association (GFOA) for the FY22 Annual Financial Report. An application was submitted to this award program for the FY23 Annual Financial Report.
- Continued collaboration with other Village departments on integration and connectivity of networked systems, including VillageView and Passport, ensuring seamless customer service and timely collection of receivables.
- Continuing commitment to professional development, attending educational seminars, and maintaining active memberships in the following professional organizations: Government Finance Officers Association (GFOA), Illinois Government Finance Officers Association (IGFOA), Illinois City/County Management Association (ICMA) and Illinois Association of Municipal Management Assistants (IAMMA).
- Effectively managed liquid cash to maximize the rate of return.

## FIRE DEPARTMENT

---

*The Fire Department's mission is to save lives and property and to protect the environment.*

### **DEPARTMENT OVERVIEW**

The Oak Park Fire Department maintains three fire stations strategically located to provide optimal response times to emergencies within the Village of Oak Park. The department is led by the Fire Chief with support from the Deputy Chief of Operations, Deputy Chief of Emergency Medical Services (EMS), and Office Coordinator. There are three shifts of 22 personnel. Each shift has a Battalion Chief in charge of the shift with four Lieutenants who serve as company officers and 17 Firefighter/Paramedics who staff three ambulances, two engines, a ladder truck, and the command vehicle. The shift personnel handle the delivery of fire suppression operations, emergency medical services, and all other emergency events. The Fire Prevention Bureau is led by the Fire Marshall with a staff of two part-time civilian inspectors. Through inspections, public education, and code enforcement, the Fire Prevention Bureau strives to make Oak Park as fire-safe as possible. The Fire Department will assist the public in emergency and non-emergency situations and provide mutual aid to other local and state agencies. The department provides emergency medical care in both advanced and basic life support with highly trained and licensed paramedics.

## 2025 WORK PLAN

### Key Initiatives or Projects in Support of Board Goals

#### COMMUNITY HEALTH & SAFETY

- **Priority 3: Implement BerryDunn Report Recommendations**
  - d. Partner with West Suburban Consolidated Dispatch and participating jurisdictions (River Forest and Forest Park) to secure and begin implementation of a new CAD/RMS system to meet new data collection goals.
  
- **Priority 6: Ensure Healthy Work Environments for Village Workers**
  - a. Improve existing Village facilities (i.e. police station and Village Hall are currently in process) and create a long-term strategy for all other facilities such as fire station needs.
    - a. Remodel Station 3's Office and living areas. Install spray foam insulation on the underside of the roof deck and all exterior walls. Replace the "glass wall" with smaller low "E" windows.
    - b. Pursue a space/feasibility assessment plan for Station 1, to add multiple gender-neutral washrooms and locker rooms and increase the energy efficiency of the targeted areas.
    - c. Conduct a replacement assessment plan for Station 2 to ascertain of a new location is needed or if a new building can be placed at the current location. (Priority 6: Ensure
    - d. Complete the removal of fluorescent lights in station 1 and convert them to LED fixtures.
    - e. Purchase thermal imaging cameras for each air pack on the department. This is to increase situational awareness while operating in a hostile work environment.

#### SUSTAINABILITY & RESILIENCY

- **Priority 1: Implement Climate Action Plan**
    - d. Advance Village policies and programs to support the transition of the Village's and the community's natural gas equipment to electric equipment, improve building energy efficiency, and increase onsite renewable energy installations.
      - Investigate battery-powered chain saws technology to replace our current 2-cycle saws.
      - Redesign the landscaping at stations one and three to include a vegetable garden area and pollinator beds.
  
    - f. Advance Village policies and programs to support the transition of the Village's and the community's gas-powered passenger vehicles to zero-carbon vehicles.
      - Replace the last ICE staff vehicle with a hybrid vehicle.
-

## Department Baseline Service Levels and Goals

Fire Department 1001.42500.101

### ***Current Service Levels:***

- **Emergency Service Calls:**
    - Respond to and control all fires within the Village and surrounding communities.
    - Prepare and train to face new challenges when faced with electric car fires and other electrical technology such as solar panels.
    - Provide ALS medical care to all persons requesting such aid.
    - Rescue those who are trapped in vehicles after automobile crashes.
    - Have department members trained and equipped to handle all types of technical rescues including, high-angle rescue, trench collapse, confined space rescue, and
    - Maintain a Hazardous Materials Team members equipped to provide immediate mitigation protocols when toxic materials have been released.
    - Check on wires down and alert the proper entity, make the area safe until the utility company arrives.
    - Respond to all unknown hazards and calls for assistance to assess and request proper resources to handle the situation.
    - Handle water leaks and flooding when the Public Works Division is not available.
    - Rescue pets from various locations and hazards.
  
  - **Non-Emergency Service Calls:**
    - Respond to all false fire, carbon monoxide, carbon dioxide, and EMS alarms. Assist in their restoration if no problem is found.
    - Assist residents with mobility issues getting into and out of their homes.
    - Check for miscellaneous smells and odor investigations.
    - Do storm damage assessment.
  
  - **Fire Prevention:**
    - Perform inspections of all commercial occupancies, schools, and high-hazard spaces.
    - Review and approve building plans.
    - Enforce fire and life safety codes.
    - Track and oversee testing of life safety equipment.
    - Approve special event permits.
  
  - **Administration:**
    - Oversee and direct all Fire Department Operations
    - Coordinate and plan purchasing of equipment.
    - Oversee building repair and improvement projects.
    - Prepare and implement the annual budget.
    - Track sick leave and time off for all personnel.
    - Oversee and request new hires and promotions.
    - Check and approve payroll for all employees.
-

- Track overtime usage.
  - Coordinate with other MABAS departments in the area.
  - Maintain working relationships with all area hospitals including our resource hospital, Loyola Medical Center.
  - Work with the Human Resource Department to negotiate union contracts
  - Complete all paperwork required for IDOL and ISO inspections.
  - Attend various meetings to maintain operational awareness within the village.
- Training:
    - Ensure all state, federal, and ISO-mandated training is completed and tracked for continuing education hours.
    - Work with all three shifts so all operational training is coordinated across the department.
    - Work with new hires while they complete their one year of probation.
    - Review and suggest new equipment and methods of handling emergency calls.
    - Work with other MABAS departments to develop large multi-jurisdiction drills.
- Public Education:
    - Provided school-age education through the Adopt a Firefighter program.
    - Prepare students for fire emergencies with the fire safety trailer, stop drop and roll, how to contact 911, and crawling low through smoke training.
    - Set up on-premise training for senior residents.
    - Teach American Hart CPR and First Aid classes.
    - Conduct block party visits with a fire engine to engage and educate the public.
    - Hold an open house so villagers can meet and greet firefighters and ask questions they may have about any facet of how the Fire Department operates.

***Department Goals***

- Continue new hire outreach by hosting open houses and meeting possible candidates at schools and other public functions to inform area residents of the opportunities afforded by the fire department and how to pursue a career with the Oak Park Fire Department.
- Work with the Vision Zero team and research smaller firefighting equipment that will be able to traverse the new Vision Zero streetscapes.
- Expand public event exposure by sending crews out to attend various special events, festivals, and public gatherings.
- Take delivery of a new fire engine, this is replacing a 15-year old unit.

## 2024 ACCOMPLISHMENTS

### Key Initiatives or Projects in Support of Board Goals

#### COMMUNITY HEALTH & SAFETY

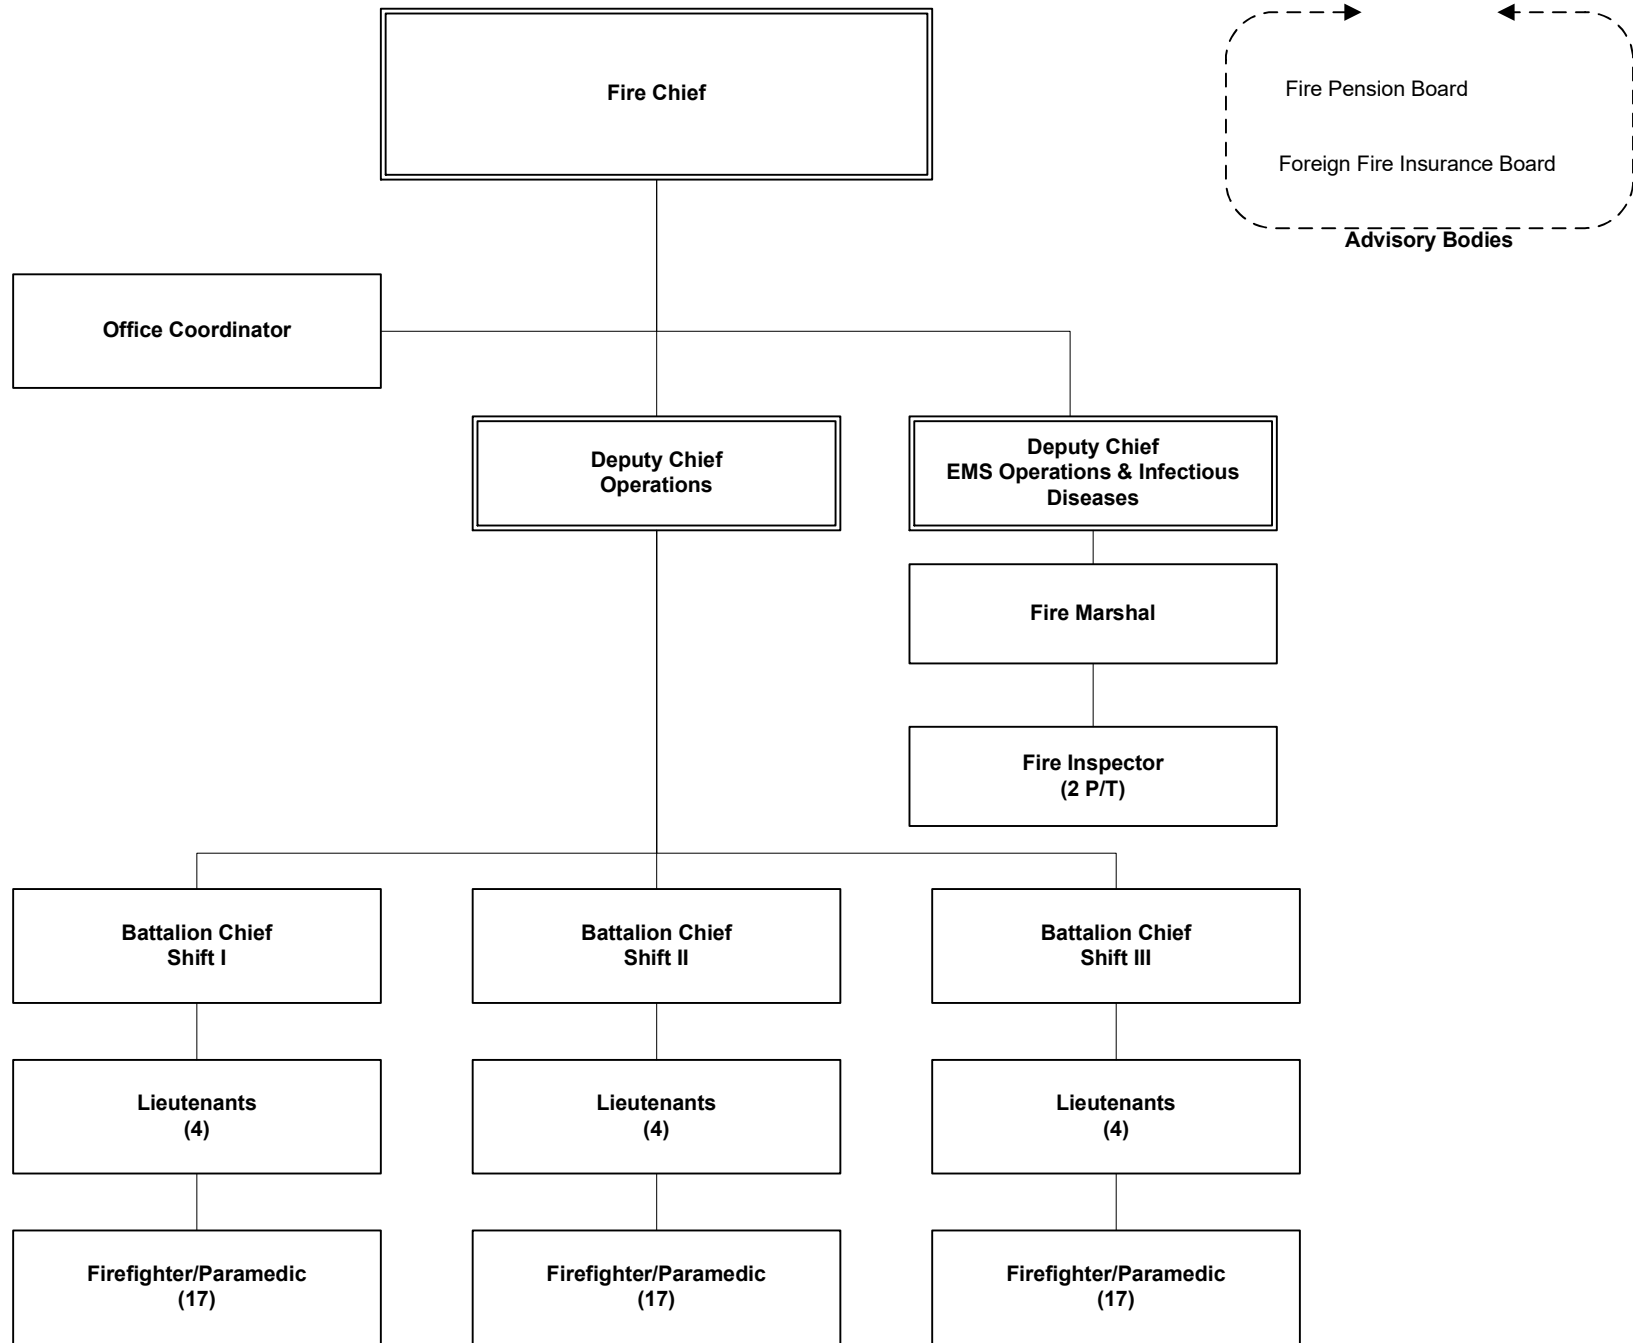

- Station 1 bunkroom remodel was completed. This remodel provides individual enclosed sleeping areas for each firefighter, making the work environment more comfortable and equitable for all genders. It also limits the spread of sickness and reduces alarm stress by only alerting the crews that are due to respond. All exterior walls have closed-cell insulation installed, and the ceiling also has added spray foam insulation.
- Station 1 roof was replaced. The new built-up deck has closed-cell foam base to increase the flat roof assembly's R factor.
- Station 1 original 1981 HVAC system was replaced with new high-efficiency electric units.
- Station 2 gas fired hot water heater was replaced with an electric unit.

#### Department Baseline Service Levels and Goals

- Minimum staffing was increased to 16 allowing the third ambulance to be in service at all times.
- The department successfully promoted internally to fill two Lieutenant positions.
- Prepared for electric vehicle fires through training and equipment purchases.
- The Fire Prevention Division continued to show a significant increase in the number of completed inspections done and overall efficacy within the division.
- The training division has populated the database and continued to streamline the training tracking process using the new web-based program to better track members' training hours and requirements.
- We have also updated our report writing program. Among the advantages is the ability to input data to comply with the Illinois Office of State Fire Marshal requirements, run reports, and analyze data.
- Eight new cardiac monitors were placed in service as part of our 10-year lease program.
- A new AEV ambulance was ordered and will be placed in service in late 2024.
- The fire department reinstated the American Heart Association CPR and First-Aid program, offering certification classes to the residents of Oak Park and the surrounding communities.

## INFORMATION TECHNOLOGY DEPARTMENT

---

*The Information Technology Department's mission and overall objective is to enable and enhance the use technology and data in an efficient and safe manner for the operating departments to provide service in our community.*

### EXECUTIVE OVERVIEW

#### DEPARTMENTAL SUMMARY

The Information Technology (IT) Department serves as the backbone of the organization's digital operations. It is responsible for managing and maintaining critical technological infrastructure, such as network systems, servers, and databases, to ensure smooth and secure communication and data management. Additionally, the IT Department facilitates implementation of digital solutions that enhance citizen services, improve internal processes, and optimize overall efficiency within the agency. By continuously monitoring emerging technologies and cybersecurity measures, the IT Department remains committed to providing reliable and innovative technology solutions that support the agency's mission and enhance the lives of Village residents.

The department provides services listed below.

#### Operation Support

IT Operation Support is responsible for providing technical assistance to end-users, troubleshooting hardware and software issues, and ensuring the smooth operation of IT systems and services.

#### System Administration

The role of IT System Administration is to design, implement, and maintain an organization's IT infrastructure, including servers, networks, and storage systems, to ensure seamless operations and optimal performance.

#### Application Development

The IT Application Development role revolves around designing, creating, and maintaining software applications tailored to meet the specific needs and requirements of the organization, driving innovation and enhancing efficiency in business processes.

## 2025 WORK PLAN

### Key Initiative or Projects in Support of Board Goals

#### COMMUNITY AFFORDABILITY

- **Priority 1: Remove Economic Barriers**
  - e. Enhance the communication, education, and prospects of economical Internet connectivity such as Affordable Connectivity Program (ACP) while maintaining documentation of Internet Service Provider (ISP) expansion based on initial data; and, continue exploring the feasibility of encouraging broadband connections to Multifamily properties where they do not exist.

#### RACIAL EQUITY

- **Priority 1: Ensure Equitable Access to Government Services and Contracts**
  - f. Develop open data reports and a dashboard (Phase I) for Village Financial, Permit, and Business Licensing core system data, with the goal of enabling residents to access and comprehend public information, engage in decision-making, and showcase government transparency.

#### COMMUNITY HEALTH & SAFETY

- **Priority: Reduce Crime**
  - e. Support the Police Department in addressing information technology needs to help develop and implement its data-informed policing strategies.
- **Priority 3: Implement BerryDunn Report Recommendations**
  - f. Support implementation of new CAD/RMS system in collaboration with the Police and Fire departments, the Village Manager, and the West Suburban Consolidated Dispatch Center (WSCDC).

## Department Baseline Service Levels and Goals

Information Technology 1001.41040.101
---------------------------------------

### ***Current Services Levels***

- Support and analyze process and data flow of new technology projects including Granicus system, Police RMS consultant and meeting room audio/visual enhancements.
- Manage and support user account services including network login, workstations, file, email, keycard, telephone and mobile.
- Manage and support network, storage, server and services including domain controller, firewall, file, email, telephone, print, internet, fiber WAN, database, backup, video/keycard and security. A major task will be the upgrade of video/keycard security system and implementation of meeting room technologies.
- Develop, enhance, and support applications including BSA, CityView, Passport, CAD/RMS, Laserfiche, GIS, intranet web. Additionally, the on-going task will be automating internal processes, replacing end-of-life MS-Access application and online form processes utilizing Laserfiche and other applications.
- Support development and maintenance of GIS program and data including additional activities of parking sign, lead reporting, sidewalk maintenance and CRM asset integration.
- Support and facilitate upgrades of 300+ workstations, 80+ printers, 40+ laptops, 55+ MDC, 60+ mobile printers, 50+ tablets and 180+ SmartPhones.
- On-going core data quality review and maintenance.

### ***Department Goals***

- Provide support to Change Management Team to evaluate information technology needs of the Village and begin working toward updating the Village's IT Strategic Plan.
- Work with Village Departments to optimize performance of the Cityview and Passport applications.
- Continue use of the Geographic Information Systems Consortium for services that produce a computer-generated analysis and display of data related to location specific information (i.e., tree inventory, mapping, etc.).
- Develop equity related goals with the Chief DEI officer.
- Attend equity trainings offered by the Office of Racial Equity and Collective Impact.

## 2024 ACCOMPLISHMENTS

### Key Initiatives or Projects in Support of Board Goals

#### COMMUNITY AFFORDABILITY

- Researched affordable high-speed Internet options and planned how to share this information to further improve opportunities to expand access and availability (Priority 1.e).

#### RACIAL EQUITY

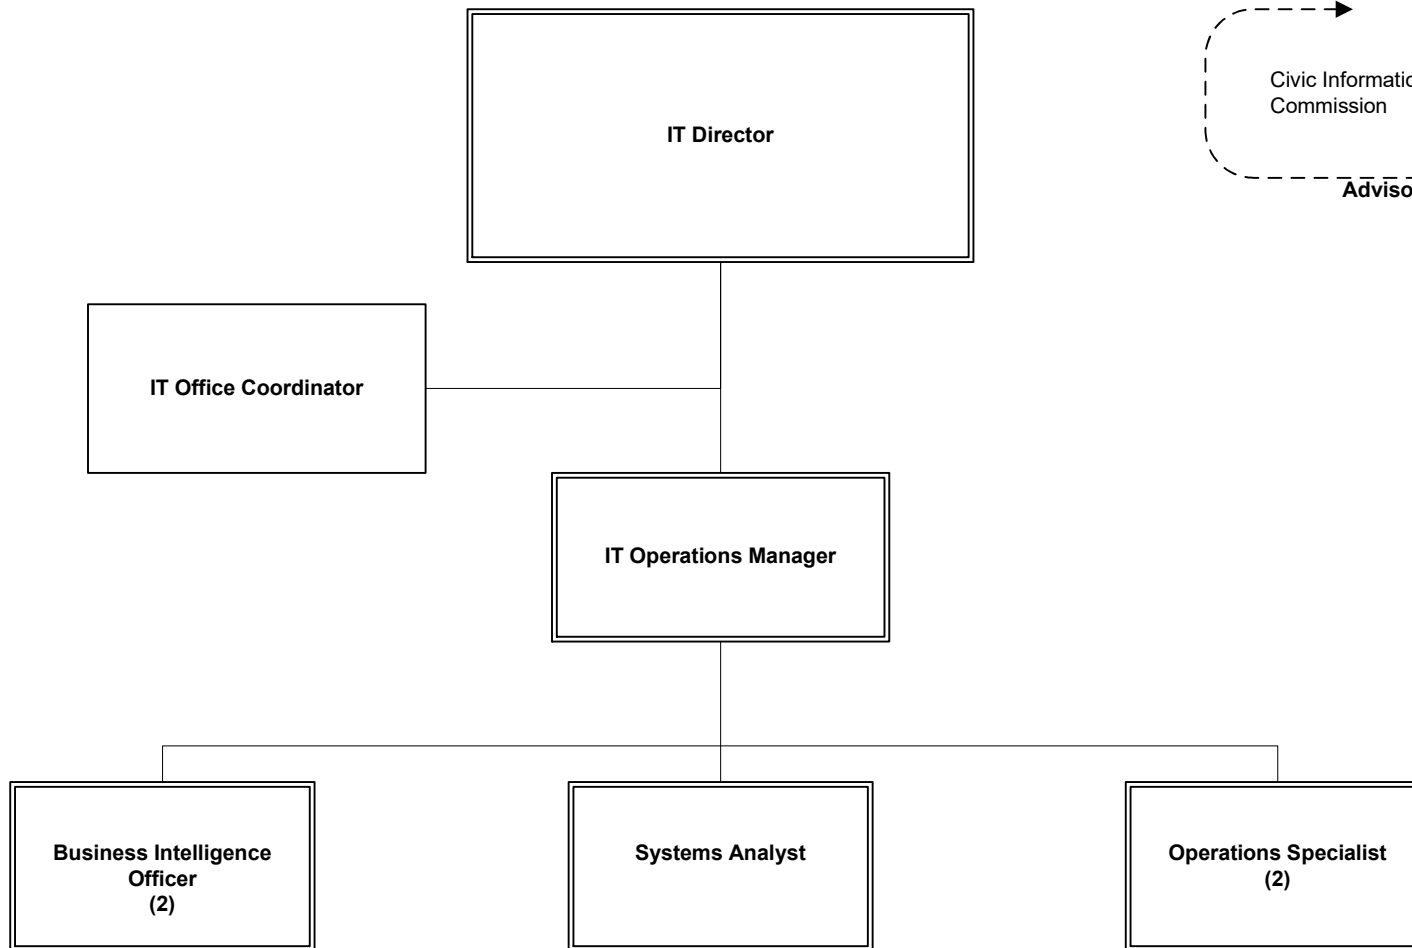

- Developed a secure and sustainable solution for “Say My Name” identity exploration training experience for staff (Priority 1.b)
- Identified open data platform and dashboard for our Financial, Permit, and Licensing core system data, with engaging the operating department to review the data for their decision-making process (Priority 1.f).

#### Department Baseline Service Levels and Goals

- Upgraded end-of-life facility security system and outdated telephone system which enhances service and reduces energy consumption.
- Implemented hosted FOIA system which enhances service for the public and streamline staff process.
- Attended equity trainings offered by the Office of Racial Equity and Collective Impact.
- Continued partnership on the Geographic Information Systems Consortium services to generate analysis and display of data related to location specific information (i.e. Inclusionary Housing Mapping, Historical Resources site, Water Service Survey, Transportation Calming Map, etc.).

## NEIGHBORHOOD SERVICES DEPARTMENT

---

*The Neighborhood Services Department's mission is to help Oak Parkers live out their shared values of equity and inclusion through neighborhood-based problem-solving, programs, and services.*

*We do this in many ways. We welcome all Oak Park, cultivating opportunities for deeper engagement with our community and one-another. We enhance quality of life through housing, programs, and grants to support households with low-to moderate incomes and ensure access to alternative services. We are committed to safety, health, and well-being by enforcing property maintenance codes and local ordinances.*

### EXECUTIVE OVERVIEW

#### DEPARTMENTAL SUMMARY

The Neighborhood Services Department is comprised of five divisions: Administration, Neighborhood Code Compliance, Neighborhood Programs, Neighborhood Partnerships, and Community Services. The Department delivers its services through these divisions.

##### Administration

The Administration Division oversees the work of the department, including coordinating with key external partners to address neighborhood-oriented issues.

##### Neighborhood Code Compliance

The Neighborhood Code Compliance Division is responsible for enforcing the residential property maintenance code through Neighborhood Walk inspections, rental property inspections, condominium inspections, and responses to resident complaints.

##### Neighborhood Programs

The Neighborhood Programs division is responsible for the Village's housing programs including the Single-Family Rehabilitation Program, Small Rental Rehabilitation Program, Rental Licensing, the Sewer Backup Protection Grant Program, and the Housing Trust Fund.

##### Neighborhood Partnerships

The Neighborhood Partnerships Division coordinates responses to neighbor challenges, develops and maintains a neighborhood registry to facilitate ongoing relationship building and outreach efforts, oversees civic education and engagement activities, and serves as a welcome center at the Village Hall for assisting community members and connecting them with the appropriate resources.

##### Community Services

The Community Services Division oversees community service programming, which includes managing the Village's Alternative Response to Calls for Service pilot program, coordinating the Village's response to unhoused residents in the community, and managing community service grants. These grants include the Community Development Block Grant (CDBG) and the Revolving Loan Fund.

## 2025 WORK PLAN

### Key Initiatives or Projects in Support of Board Goals

#### COMMUNITY AFFORDABILITY

- **Priority 1: Remove Economic Barriers**
  - a. Complete review of the existing residential assistance programs including the sewer backup protection grant, the single-family rehabilitation program, and the small rental property rehabilitation program. Staff will identify several opportunities to remove potential economic barriers in order to increase participation in the programs and bring any program changes to the Village Board for approval.

#### COMMUNITY HEALTH & SAFETY

- **Priority 1: Reduce Crime**
  - a. **iii.** Implement the Phase 1 pilot for Alternative Response Calls for Service.
    - Engage the Villages of Forest Park and River Forest in dialogue regarding opportunities for coordination of policies and procedures for 911 dispatch to streamline the Alternative Response Calls for Services pilot.
    - Pursue “combined” trainings between Fire Department/EMS, Police Department, and mental health crisis responders to build trust, collegiality, and shared language around mental health to support Alternative Response Calls for Service.
    - As implementation of Phase 1 begins, develop outcome measures to provide annual updates to the Village Board of Trustees and Village of Oak Park on Alternative Response Calls for Service.

#### RACIAL EQUITY

- **Priority 2: Assess and Address Historical Lack of Equity**
  - b. Present the Board a proposal for a comprehensive homeownership support program, inclusive of education, downpayment, and purchase supports that addresses the lack of equity in homeownership.
  - c. Enter into a new contract with an organization to continuously test throughout 2025 on fair housing issues. The contract will also include support for tenants seeking to file fair housing complaints. Staff will present on the results and use them to adjust education and enforcement approaches.
- **Priority 3: Support Integration and Diverse Community Entry Points**
  - a. Implement a refreshed affirmative marketing program for the Village that reflects feedback from the Housing Study and the Racial Equity Assessment.

#### VIBRANT, DIVERSE, CONNECTED NEIGHBORHOODS

- **Priority 1: Support Sustainable Advancement of Affordable Housing**
  - a. Update the Board on the impacts of previously approved revenue sources and propose additional revenue sources to support sustainability of the Housing Trust Fund.
  - c. **i.** In conjunction with Development Services’ zoning work, review and develop financial incentives to support the development of “missing middle” housing that is at least affordable to households earning less than 80% of the area median income.

- c. ii. Present the Board a proposal for a comprehensive homeownership support program, inclusive of education, downpayment, and purchase supports that addresses the lack of equity in homeownership.
  - d. Present the Board a proposal for a revised Inclusionary Housing Ordinance reflective of previous Board feedback, including a racial equity assessment of the current ordinance and the proposed new ordinance.
- **Priority 3: Create Opportunities for Neighborhood & Community Engagement**
  - a. ii. Develop and launch the neighborhood registry program to facilitate systematic communication, relationship building, and effective neighborhood partnerships.
  - a. iii. Develop Village volunteer policies and programming, including volunteer management software to connect volunteers and volunteer groups with opportunities in and around the Village.
  - b. i. Develop a Village Government 101 Program in collaboration with Village departments and community organizations.
  - c. Develop a vision for a “Welcome Center” inside and outside of Village Hall and implement it within Village Hall.
  - e. Recommend to the Board how best to operationalize a fair housing coalition within the framework of the Village’s broader commission structure and housing work.
  - f. Implement the compressive neighborhood-based engagement framework, providing support and guidance to other departments as they engage the community.
- **Priority 6: Rapid Response Support for Unhoused Residents**
  - a. Examine increasing financial and programitic support for organizations working to assist the unhoused.
    - As a result, to the 100-Day Challenge, launch a new initiative called “Yes to the Address” which is focused on working with housing providers to building capacity for affordable housing for unhoused residents in the Oak Park community by working with Housing Forward.
    - Implement phase II of the panhandling campaign to harness resident generosity to meet the needs of unhoused residents.
    - Work with private housing providers and the Homelessness Coalition to bridge gaps and remove barriers in unhoused residents accessing available, vacant residential properties in the Village.
    - Host two community forums to promote education, awareness, and advocacy within the community for residents, social services, and our unhoused population. One will be a panhandling campaign and the second will be about preventative homelessness.

## **SUSTAINABILITY & RESILIENCE**

- **Priority 1: Implement Climate Action Plan**
  - d. In reviewing existing standards for the residential assistance programs, explore how they can better support CROP goals, including offering a single-point-of-entry system for households looking for assistance.

## Department Baseline Service Levels and Goals

Administration 1001.46211.101
-------------------------------

### ***Current Service Levels***

- Oversee operations of the department, including development and performance management for each team member.
- Build and develop the Neighborhood Services team through regular department meetings, team building activities, and periodic employee check-ins.
- Monitor the department's budget, including all needed reporting to Finance.
- Build and maintain relationships with key partners in the housing, social service, and neighborhood spaces.
- Lead cross-departmental teams in responding to neighborhood issues as they arise.

### ***Department Goals***

- Develop performance measures for each division to track responsiveness to community issues, efficiency of operations, and alignment with Village Board goals.
- Complete hiring to support launch of the Neighborhood Partnerships division and the Alternative Response Calls for Service pilot.
- Work with the Oak Park Regional Housing Center to explore possibilities for partnership within the boundaries of Village goals and OPRHC capacities.
- Transition oversight of the Village's special events permitting process into Neighborhood Services.

Neighborhood Code Compliance 1001.46212.101
---

### ***Current Service Levels***

- Administer the short-term rental licensing inspections to regulate short-term rentals in the interest of public health, safety, and welfare of the residents.
- Work with the Building Improvement Committee (BIC) to improve neglected and abandoned properties.
- Conduct inspections of the common areas of condominium buildings insuring these areas meet code standards for safety and maintenance in multi-unit buildings.
- Inspect one-third of the housing stock as part of the Neighborhood Walk program to guard Oak Park's aging housing stock from decay and encourage maintenance of all residential properties.
- Respond to citizen complaints of property maintenance violations at single family homes and rental units.
- Conduct inspections of rental properties to ensure that they are maintained.

### ***Department Goals***

- Develop performance measures on all types of inspections to improve responsiveness to complaints, serve residents, and improve properties.
- Refresh the Village's education, monitoring, and enforcement of the gas-powered leaf blower ordinance as the full ban goes into effect.
- Explore community education opportunities to proactively address property issues.
- Seek adoption and then implement the 2024 International Property Maintenance Code.

Neighborhood Programs 1001.46213.101
--------------------------------------

***Current Service Levels***

- Administer the Housing Trust Fund by reviewing project applications, presenting those projects to the Housing Programs Advisory Committee and monitoring the performance of projects.
- Administer the performance based rental licensing program to improve the health and safety for tenants by ensuring well-maintained rental units.
- Administer the CDBG Energy Efficiency Grant program that provides energy savings to income eligible households.
- Administer the Single-Family Rehabilitation Program and the Small Rental Rehabilitation Program
- Administer the Sewer Back-up Prevention Grants Program that helps to protect homes during heavy rain.
- Administer the ClimateReady Rainscapes program, which helps homeowners use smart landscaping to manage rain at their property.
- Administer and oversee the short-term rental licensing program jointly with the Development Services Department to regulate short-term rentals in the interest of public health, safety, and welfare of the residents of the Village.
- Foster equitable treatment for renters by testing rental practices within the Village.
- Hold housing provider management training programs that promote fair housing in conjunction with the performance based rental licensing program.
- Facilitate monthly meetings of the Housing Programs Advisory Committee.

***Department Goals***

- Complete seven Single Family Rehabilitation (SFR) Program projects and assist 10 households through three Small Rental Properties (SRP) Rehabilitation Program projects.
- Develop application and payment processing measures for the Sewer Back-up Prevention Grants Program, including a goal of issuing reimbursement checks is two weeks from the time all paper work has been submitted.
- Assist 22 homeowners through the ClimateReady Rainscapes program.
- Develop a landing page on the Airbnb website for hosts to increase participation in the Village's short-term rental license efforts.

Neighborhood Partnerships 1001.46214.101
--

***Current Service Levels***

- Building out the team to begin undertaking the Board goals identified above.
- Responding to cross-departmental neighborhood issues as they arise.

***Department Goals***

- Hire the Welcome Center Coordinator and CSR II to launch the Village Welcome Center and Welcome to Oak Park program.
- Coordination of the Village's special events permitting process, including exploration of CityView permit process improvements.

***Current Service Levels***

- Launching phase 1 of the Alternative Response Calls for Service, including coordination of work with community partners and integrating the pilot into the Village’s emergency response.
- Manage the Village’s approximately \$1.5m annual CDBG allocation, including all HUD planning, reporting, and subrecipient monitoring.
- Manage the Village’s CBDG-CV award in coordination with other community partners.
- Seek additional government and philanthropic grants to support social service and unhoused resident needs.
- Coordinate Village responses to unhoused residents in the community across multiple departments and with community partners.
- Represent the Village with the Oak Park Homelessness Coalition.
- Facilitate monthly meetings of the Community Development Citizens Advisory Committee.

***Department Goals***

- Complete the 2025-2029 Consolidated Plan assisted by Chrysalis Consultants. The Consolidated Plan will help to assess affordable housing and community development needs based on data-driven decisions. Data, engagement, and plans will be reflected in the Program Year 2025 Action Plan (October 1, 2025 – September 30, 2026).
- Complete internal and subrecipient monitoring of Program Year 2023 CDBG grants. Use the findings to educate subrecipients on compliance and revise operational policies and procedures.
- Continue working with community partners to develop places for individuals to receive care to assist in a crisis or to prevent escalation to crisis, including Living Room programs.
- Educate individuals on what to expect when engaging with a crisis response, including who is likely to be on the scene and how long it can take for the responders to arrive.
- Define the Alternative Response Calls for Service program to increase community recognition.

## 2024 Accomplishments

### Key Initiatives or Projects in Support of Board Goals

#### COMMUNITY HEALTH & SAFETY

- In response to the Mental Health Task Force, through Alternative Response Calls for Service, staff coordinated with the Police and Fire Departments to define the parameters that constitute a “mental health crisis” and determine the appropriate method of assessment at dispatch that results in an appropriate on-the-scene response.
- On June 11, 2024 the Village Board of Oak Park approved Phase 1 of Alternative Response Calls for Service which will add social workers/case managers to the Neighborhood Services Department. This team is responsible for post-crisis case management and care coordination with the goal of increasing health outcomes and reducing recidivism of 911 calls. These individuals also build relationships with community partners to ensure access to care.
- Through the recently approved Alternative Response Calls for Service, Phase 1, the Care Coordinators will provide case management and linkage services to unhoused residents and coordinate resources with Housing Forward’s Street Outreach team.
- Through Phase 1, the Village will hire the appropriate staffing model that 1) ensure the quickest dispatch, 2) most appropriate staffing to reduce the dispatch of police unless there is a threat to safety, and 3) seamlessly integrates the Police Department, Fire Department, and Emergency Medical Support.

#### RACIAL EQUITY

- Testing was conducted by HOPE Fair Housing that examined landlord compliance with anti-discrimination practices on the basis of Source of Income and arrest or conviction records. Working with DEI and Community Relations, the housing provider management training seminar material was revised and a change was made to the structure of the program to require increased attendance from rental provider end users. A presentation was made to the Village Board with the test findings and staff recommended actions.

#### VIBRANT, DIVERSE, CONNECTED NEIGHBORHOODS

- Operationalized cooling and warming centers with community partners, the Oak Park Homeless Coalition, and Housing Forward. This included updating weather requirements to support the unhoused in extreme weather conditions.
- Staff worked with Housing Forward, Archdiocese, and Metro Strategies to submit two grants to the State of Illinois Department of Commerce and Economic Opportunity (DCEO). One grant in the amount of \$2 Million was awarded to support the renovation of the Write Inn.
- Begin development of a comprehensive neighborhood-based engagement framework to guide future Village engagement efforts.
- Hosted two community forums, “Providing support to Oak Park’s unhoused residents” and “The role of affordable housing in assisting Oak Park’s unhoused population.”
- Reviewed the Inclusionary Housing Ordinance and recommend options for revisions including the possibility of adjusting the Village ordinance to require the inclusion of affordable units on-site, increasing the Village’s current \$100,000 per space “in lieu of” contribution, and other ordinance changes to better align with the Strategic Vision for Housing.
- In light of the Strategic Vision for Housing and the Village Board goals to address lack of equity in homeownership, staff began exploring paths to homeownership to create a Renter to Homeowner

Program, including shared equity models, first-time home-buying counseling and potential down-payment assistance.

#### **SUSTAINABILITY & RESILIENCY**

- Created a new energy efficiency grant program with CDBG funds to assist Low to Moderate Income (LMI) households to improve their energy consumption.
- Supported the transition of the Village's and the community's natural gas equipment to electric equipment by way of various outreach measures and held a landscaper listening session which identified the equity and environmental impact.

## Department Baseline Service Levels and Goals

### Neighborhood Code Compliance

- Two newly hired Property Maintenance/Community Development Inspectors passed the International Code Council's International Property Maintenance Code exam, ensuring that all of the Village's Property Maintenance/Community Development Inspectors are certified as a Property Maintenance and Housing Inspectors.
- Conducted inspections for 115 short-term rental properties, supporting the work of Development Services staff in licensing short-term rental properties.
- Property maintenance inspectors investigated approximately 550 citizen-initiated property maintenance complaints, an estimated increase of 19%.
- Conducted approximately 2,422 inspections of residential homes through the Village's Neighborhood Walk program, an estimated 14% decrease.
- Performed a total of 150 multi-family building inspections, including apartments and condominiums.

### Neighborhood Programs

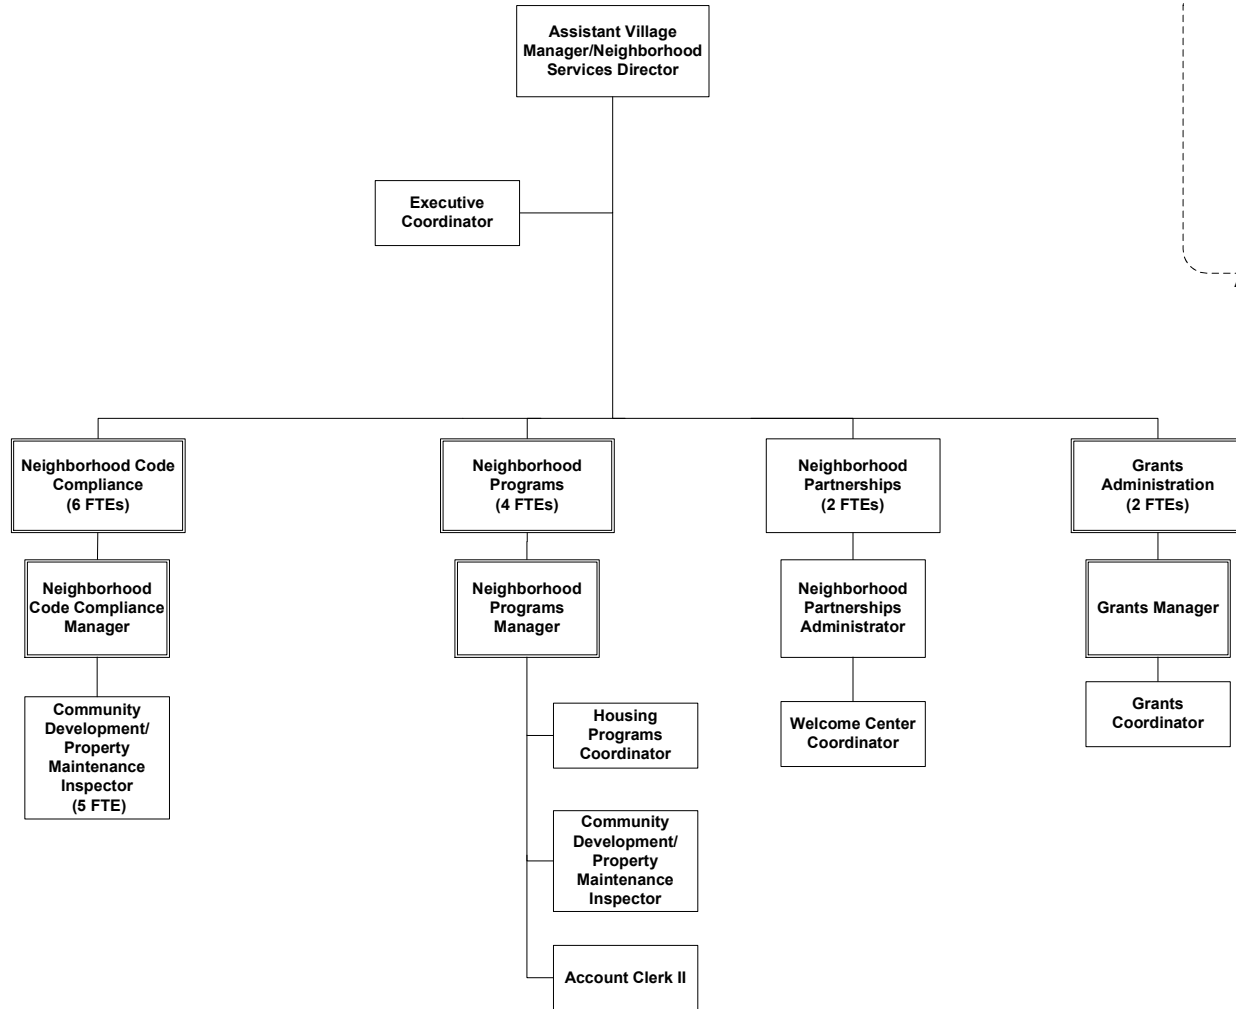

- Serviced four projects under the Single-Family Housing Rehabilitation (SFR) Loan Program, which is one more project than 2023. This program seeks to provide funding to low-and-moderate-income residents to rehabilitate their homes. We received 32 inquiries of which 12 were financially eligible to participate in the program.
- Assisted five new units under the Small Rental Properties Rehabilitation (SRP) Loan Program. This program seeks to provide funding to landlords to improve rental units occupied by low-and-moderate-income residents. We received 15 inquiries of which three were financially eligible to participate in the program.
- Worked in conjunction with Public Works to revitalize and bring back the ClimateReady Rainscapes program to start in 2025, which helps homeowners use smart landscaping to manage rain at their property. Neighborhood Programs participated in developmental meetings to formulate goals, objectives and procedures for the renewed program.
- Processed 50 new applications for the Sewer Backup Protection Grant Program for the Public Works Department. This is a popular program with homeowners and the demand continues to remain high as a result of heavy rain storms. The program offsets homeowner investments in stormwater retention improvements.
- Continued to administer the income-based Energy Efficiency Grant Program. This year four projects have been completed with the total amount spent being \$23,140.97. There is currently \$103,515.93 remaining in the fund; however, all of these funds are encumbered with pending projects.

### Community Services

- Facilitated a request for quotes to procure grant software for the Village to track grant management of funds, reporting, grant activities and applications.
- Beginning September 2024 to align with suicide prevention month, the Village promoted access to mental health crisis services through either 988-call line or through the 590 provider 24/7/365 crisis line in partnership with the Village's Public Health Department, Mental Health Task Force, and Community Mental Health Board.

- Participated in the 100 Day Challenge geared towards transforming social systems and making communities more equitable, just, and safe. In February, the group had been tasked with housing 88 people experiencing unsheltered homelessness in safe and stable housing, along with connecting 167 people experiencing unsheltered homelessness to shelter in 100 days. The cohort housed 117 individuals and 310 individuals have been connected to shelter.
- Hosted Community Development Citizen Advisory Commission tours with CDBG Partners.
- Provided written communication and resources to the business communities, including Downtown Oak Park, Hemingway, Pleasant District, Arts District, and North Avenue. This communication offers the businesses to have a point of contact through the Village of Oak Park, ensure they understand how the Village is working to address unhoused residents, panhandling, and provides opportunity for education, awareness, and advocacy.

## POLICE DEPARTMENT

---

*The Police Department's mission is to provide high-quality police services that are accessible to the public while maintaining peace, order and safety through excellence in law enforcement and community service.*

### EXECUTIVE OVERVIEW

#### DEPARTMENTAL SUMMARY

The Oak Park Police Department is a full-service law enforcement agency that serves and protects the citizens and visitors of the Village of Oak Park by treating people fairly, with dignity and respect. The Police Department implemented the six pillars from the President's taskforce report on 21<sup>st</sup> Century Policing and adopted the NAACP's Ten shared Principles to ensure the Department is exemplifying police excellence. With a holistic approach, the Police Department operationalizes the proactive strategies of the Community Policing model. These strategies include citizen involvement, problem-solving and crime prevention to promote a desirable quality of life.

The Police Department consists of sworn police officers and civilian personnel assigned to three divisions:

#### Field Services Bureau

The Field Services Bureau is comprised of the Patrol Division, Community Service Officers and the Field Training Program. Collectively, this Bureau is responsible for performing a variety of duties related to the protection of life and property, enforcement of criminal and traffic laws, crime prevention, preliminary investigations, collection and preservation of evidence, preservation of public peace, and the apprehension of violators of the law.

#### Support Services Bureau

The Support Services Bureau is composed of Investigations, the Community Policing Unit, the Criminal Intelligence Unit, the Drug Enforcement Administration (DEA) and Regional Computer Forensic Laboratory (RCFL) assignments. This Bureau conducts follow-up investigations of criminal incidents, quality of life concerns, proactively engages with the public, maintains police reports, court services, inputs and analyzes data, identifies crime trends and collaborates with federal and local partners to apprehend individuals involved in criminal activities.

#### Administrative Services

Administrative Services manages Professional Standards, Evidence and Property, Training, Research and Planning. Administrative Services primary responsibilities include managing the budget, officer wellness and accountability, internal affairs, property preservation and inventory, background investigations, recruitment, department training and current trends in policing.

## 2025 WORK PLAN

### Key Initiatives or Projects in Support of Board Goals

#### COMMUNITY HEALTH & SAFETY

- **Priority 1: Reduce Crime**
  - a. Implement an alternative calls-for-service response.
    - ii. Establish a Telephone Report Unit as recommended in the BerryDunn study to allow citizens the option to file miscellaneous incidents via telephone.
    - iii. Implement staff's recommendations on a pilot alternative response to calls for service model based on the Village Manager's Task Force and evaluate the results.
  - d. Start a Citizen Police Academy to educate the community on police procedures, promote community partnership with law enforcement and potentially establish a volunteer program with the graduates.
  - e. Develop and implement a strategy for data-informed policing to prevent and reduce crime and allocate resources effectively.
  
- **Priority 3: Implement BerryDunn Report Recommendations**
  - a. Update and evaluate all policies to ensure the Department is operating constitutionally based on vetted best practices to guard against the potential for any predatory policies.
  - d. Partner with West Suburban Consolidated Dispatch and participating jurisdictions (River Forest and Forest Park) to secure and begin implementation of a new CAD/RMS system to meet new data collection goals.
  - e. Work with the DEI Office to create specific protocols in the proposed five-year department strategic plan for advancing diversity, equity and inclusion in the Police Department.
  - f. Develop a communication and engagement strategy to strengthen the Police Department's connection with the community.
  
- **Priority 4: Provide for the Safe Use and Enjoyment of Private and Public Property**
  - a. Evaluate the pilot towing initiative for Southeast Oak Park
  - b. Explore a formal agreement with funeral directors to establish routes in Oak Park and explore potential community outreach/traffic alerts and notifications.
  
- **Priority 5: Provide for Safe Mobility**
  - c. Update the Village's traffic enforcement strategy.

## Department Baseline Service Levels and Goals

Police Department 1001.42400.101

### ***Current Service Levels:***

#### Fields Services

- Respond to all calls for service and appropriately restore peace/maintain order.
- Provide services to vulnerable populations with compassion.
- Strategically conduct traffic enforcement.
- Build trust and legitimacy through community engagement.

#### Support Services

- Identify crime trends and strategically address acute crimes to prevent chronic crimes.
- Educate the public on crime prevention tips.
- Partner with stakeholders including, but not limited to local community organizations, schools, businesses, and residents to address the root causes of crime and improve neighborhood well-being.
- Provide crime victims and their families closure through the apprehension and prosecution of offenders.

#### Administrative Services

- Ensure officers are current on state-mandated training.
- Continue to provide officers with ongoing training on de-escalation techniques, cultural sensitivity, and bias-free policing to ensure safe and respectful interactions with community members.
- Identify grant opportunities to support the Police Department's mission.
- Partnering with Community engagement is an effective crime reduction strategy.

### ***Department Goals:***

- Collaborate with the Communications and Human Resources departments to develop a recruitment campaign to attract a diverse, highly qualified pool of police applicants.
- Promote career development through training and inclusive policy implementation to ensure the continuity of operations.
- Identify technology to improve efficiency in police services.

## 2024 ACCOMPLISHMENTS

### Key Initiatives or Projects in Support of Board Goals

#### COMMUNITY HEALTH & SAFETY

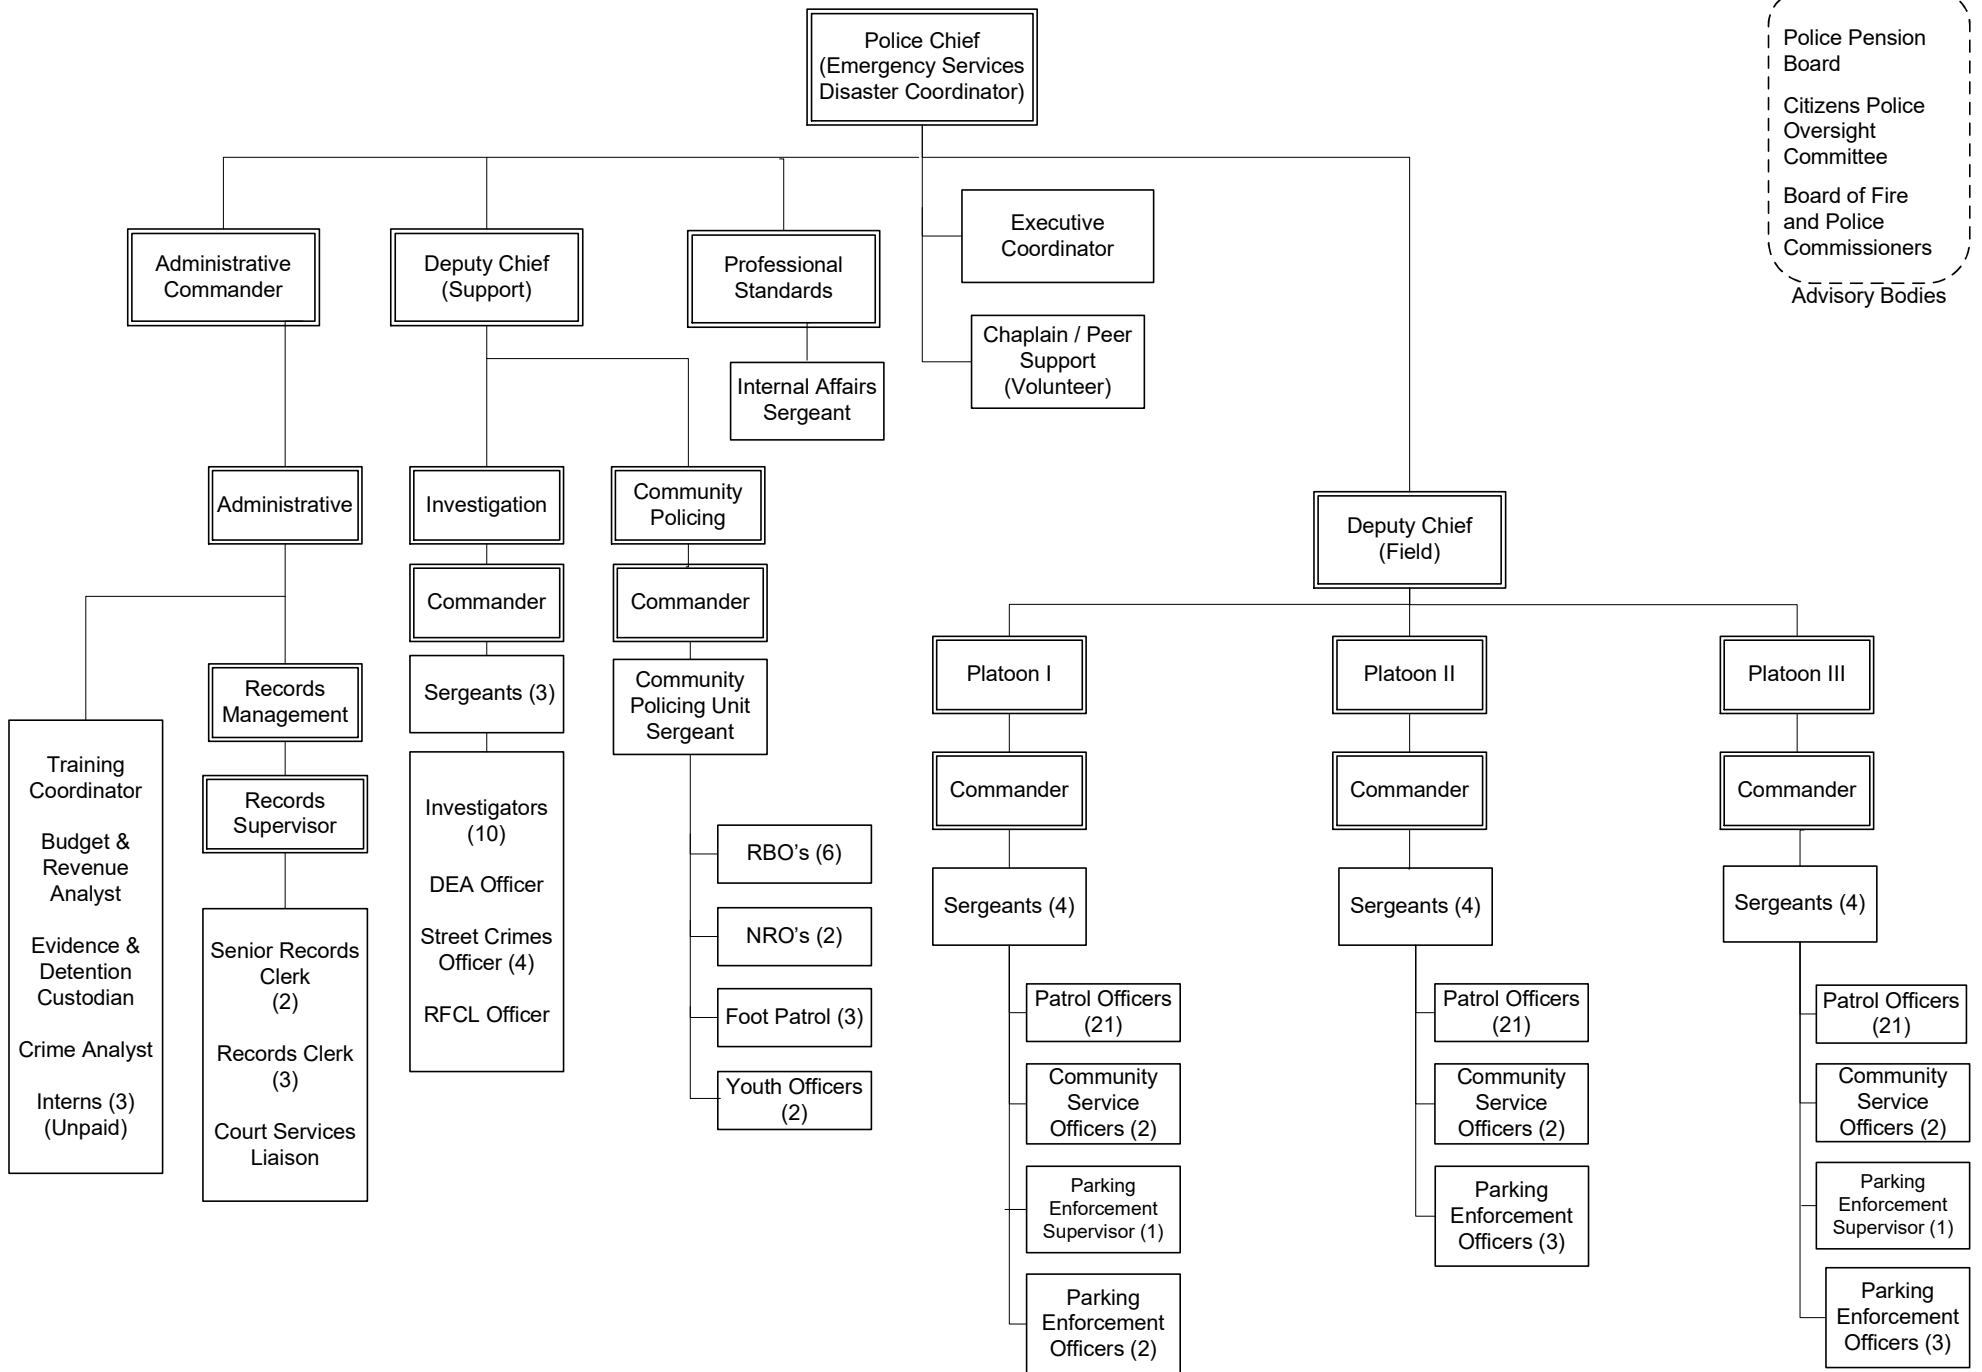

- **Priority 1: Reduce Crime**
  - a. Implement an alternative calls-for-service response.
    - i. Activate the “Police to Citizen” RMS Portal as recommended in the BerryDunn study to allow citizens to self-report miscellaneous incidents online.
  
- **Priority 3: Implement BerryDunn Report Recommendations**
  - b. Create a three-year strategic plan that prioritizes and implements BerryDunn’s 42 recommendations.
  - c. Develop recruitment strategies to attract a diverse pool of qualified candidates and provide the highest quality training and support staff personally and professionally to maintain the highest level of service to the Village of Oak Park.

#### Department Baseline Service Levels and Goals

- Transitioned officers to a 12-hour shift schedule, minimizing officer overtime. ILETSB awarded a \$311,000 grant to reimburse the Village for body-worn and in-car cameras purchased in 2023.
- Introduced the first lateral police officer hiring program.
- In partnership with West Suburban Consolidated Dispatch, the Department acquired new digital radios that have improved officer communication and safety.
- An in-house training program provided our officers with the required Illinois-mandated training. Having in-house trainers is more cost-effective and convenient, allows for Department customization, and boosts morale.
- Recycled/donated old Taser equipment for other police departments to utilize instead of going to the landfill.
- Donated bicycles to the Migrant Settlement Task Force.

# PUBLIC HEALTH DEPARTMENT

---

*To provide services to prepare for and respond to community health needs; prevent injuries, communicable and chronic diseases; to create equitable systems that promote health for the community; and protect the residents and employees in the Village through public health services and education.*

## EXECUTIVE OVERVIEW

### DEPARTMENT OVERVIEW

As a delegate agency for the state of Illinois, a certified health department must maintain qualified staff to carry out public health programming and must complete a community health needs assessment and strategic plan (IPLAN) every five years. The IPLAN for 2022-2026 was completed in 2022. In 2023, an implementation roadmap was completed for the most current IPLAN, with activities and metrics for the department, as well as the local health system at large. Elements from this roadmap appropriate for the scope of the department are included in its 2023-2026 strategic plan.

The Public Health Department has identified four priority areas over the next four years which are:

1. Invest in building our core infrastructure;
2. Protect the community from environmental hazards and injury;
3. Promote community health and prevent preventable diseases; and
4. Build public/private partnerships to increase access to care.

Our vision is to be a trusted source for public health information and services for those who live, work, and play in our community; this will be achieved through the successful completion of the above priorities.

## 2025 WORK PLAN

### Key Initiatives or Projects in Support of Board Goals

#### COMMUNITY HEALTH & SAFETY

- **Priority 1: Reduce Crime**

- b.ii** Increase public awareness of gun violence as a public health issue.
  - b.iii.** Explore with D97 and D200 the Safe2Help program designed to help students, staff and parents report concerning behavior with the goal of sharing information that might help prevent suicide, bullying, school violence or other threats to school safety.
  - b.iv.** Increase the reach of the Opioid Overdose Prevention Project by expanding education to reduce opioid use in our community.
- c.** Create and implement regular educational campaigns for Safe Gun Storage and Back School/Bike to School safety.

#### Department Baseline Service Levels and Goals

Public Health 1001.44550.101
------------------------------

#### Administration

##### ***Current Service Levels***

- Provides strategic direction to the Department's five divisions: Administration, Clinical/Nursing, Emergency Preparedness, Environmental Health/Animal Control, and Health Education.
- Supervises the day to day operations of the Environmental Services Division (temporarily managed a Environmental Services Supervisor with ARPA funding).
- Supervises the Community Health Advisor (temporarily managed by a Health Education Manager with ARPA funding).
- Supervises the Grants Coordinator that assists each divisions with the reporting and tracking of the many health grants awarded to the department (temporarily managed by a Health Education Manager with ARPA funding).
- Supervises the Farmers Market Manager including the operations and oversight of the Oak Park Farmers Market (temporarily managed by Health Education Manager with ARPA funding)
- Liaison to the Board of Health.

##### ***Department Goals***

- Evaluate the temporary ARPA funded positions and make recommendations for the FY 26 budget to finalize the organizational chart and confirm the mission and recommended service levels of the Department over the next several years.
- Review the inaugural 2024 Community Health survey data and formalize a system to incorporate this data into future needs assessment and programming.
- Begin the process for creating the next IPLAN, which is required of state-certified local health departments every five years by the Illinois Department of Public Health.

- Asses the expansion of the Farmers Market Manager’s role including new opportunities and programming during the off-season. The Farmers Market Manager became full-time in 2023.

### **Environmental Health Division**

#### ***Current Service Levels***

- In accordance with the ARPA grant for the Health Department, the Division Supervisor manages the environmental health division for the Public Health Director.
- As required by the Local Health Protection Grant Rules, conduct approximately 300 food safety inspections at Oak Park’s licensed food establishments and oversee the permitting and inspection of around 40 temporary food vendors.
- Administer pest management on public property and coordinate implementation of animal control ordinances and activities.
- Enforce the ban on flavored tobacco products, aimed at preventing youth from using nicotine and reducing the risk of developing lifelong addiction.
- Provide residents with tick prevention and West Nile Virus (WNV) prevention kits, along with educational resources.
- Conduct lead risk assessments for Oak Park homes with children who have elevated blood lead levels, providing education and mitigation guidelines to property owners.
- Enforce the Single-Use Plastic and Polystyrene Ordinance, in collaboration with the Office of Sustainability & Resilience.

#### ***Department Goals***

- Collaborate with CityView to create electronic forms for Rodent Control and Temporary Food Permits, ensuring they are easily accessible to residents. This will streamline the process, making it easier for individuals to complete and submit forms in a timely manner
- Continue its agreement with a third-party Illinois-licensed pest control company to provide ongoing rat control and surveillance services, and increase the number of bait stations available to residents to enhance rat control efforts
- Evaluate the effectiveness of the current pest management program
- Fill the vacant Licensed Environmental Health Practitioner position, which will be responsible for managing the food program and enforcing state and local ordinances

### **Nursing & Clinical Division**

#### ***Current Service Levels***

- Perform communicable disease response and reporting in accordance with the State of Illinois Public Health Act.
- Provide case management for Oak Park children with elevated lead levels.
- Provide connection to care for people diagnosed with HIV.
- Implements vaccines for children program.
- Coordinate with local health providers to create referral services for residents in need.
- Attend monthly meetings to educate local daycares, schools, and health providers on communicable and infectious diseases.
- Provide updates on the latest trends in communicable disease.
- Host seasonal flu clinics for Village staff.

### ***Department Goals***

- Conduct education and training on communicable diseases as well as how to properly use needed medical equipment to long-term care facility staff
- Continue offer community training for Narcan, Stop the Bleed and bloodborne pathogens.
- Conduct contact tracing for STI's to help reduce community spread
- Nursing and clinical staff will work with Township Senior services to provide health education/nutrition programming for chronic disease.
- Explore Medicaid/Medicare billing in order to provide more services to those in need.

### **Health Education Division**

#### ***Current Service Levels***

- In accordance with the ARPA grant for the Health Department, the Division Manager provides administrative and operational support as needed to the Public Health Director which includes oversight of the Farmers Market operations.
- Develop programming, policy and health promotion activities for injury prevention and harm reduction response.
- Monitor progress of current community needs assessment, known as the IPLAN.
- Create and disseminate health education messaging in print and on-line Enforce the Smoke Free Illinois Act among businesses in the community.
- Work with local property owners and managers to create smoke-free environments in multi-unit housing buildings.

### ***Department Goals***

- Coordinate and oversee the IPLAN process which is a two-year community engagement activity as mentioned under Administration.
- Explore with the Farmers' Market Manager opportunities to increase the nutrition and sustainability outreach and programming at the Farmers' Market and during the off-season with community partners.
- Provide a public health lens to pedestrian safety planning by participating in the Vision Zero plan
- In alignment with an adopted Vision Zero Plan develop health education and awareness campaigns for pedestrians, cyclists and drivers.
- Coordinate and plan the activities of the new fellow from the Center for Disease Control's Public Health Associate Program.
- Implement a campaign for safe firearm storage and prevention in collaboration with local schools, both public and private, and the Community Mental Health Board.
- Expand harm reduction work in the area of opioid overdose prevention. Assess the locations and number of Narcan distribution boxes and onboard new community trainers.
- Partner with other taxing bodies, including the Community Mental Health Board and Oak Park Public Library, to create messaging, awareness and community engagement on the topic of suicide prevention and amplify the mental health resources available to Oak Park community members.
- Increase readership for the Health Department's monthly e-newsletter, the Health Beat and Health Department Facebook page.
- In collaboration with the Nursing team, work with Township Senior Services to provide health education/nutrition programming for chronic diseases to older adults in the community through lunch 'n learn programming and other community engagement activities.

## **Emergency Preparedness Division**

### ***Current Service Levels***

- Maintaining updated list of emergency preparedness assets and supplies procured with CDC grant funds.
- Conduct quarterly emergency notification drills with staff assigned to positions during Village Emergency Operations Center and Points of Dispensing operations.
- Participate in monthly Starcom Radio and Illinois Public Health Mutual Aid System request drills with regional health department and healthcare coalition partners.
- Complete annual Hazard Vulnerability Assessment.
- Conduct Point of Dispensing activation, set-up, and throughput drills.
- Support the coordinated response to disasters and all-hazards emergencies within the Village of Oak Park.
- Participate in outreach and educational activities to promote emergency preparedness during events such as the Annual Health Fair, Day in Our Village, and other public events.

### ***Department Goals***

- In collaboration with Region 8 Healthcare Coalition and Oak Park Healthcare facilities, review and update Chempack Plan, for distribution of chemical countermeasures in response to an incident involving the release of a chemical agent.
- Review and update Oak Park Mass Prophylaxis Dispensing Plan, including the identification of sites to serve as points of dispensing and updating agreements.
- Along with the Communications Department, assess current emergency notification system for functionality and accessibility in regards to populations with access and functional needs, and other vulnerable populations.
- Update and maintain Village Hall Emergency Plans and Procedures such as Tornado Sheltering Procedure and evacuation in the event of fires. Also ensure safety equipment and supplies such as AED's, First Aid Kits, and Stop the Bleed Kits are kept current.
- Continue to track status of NIMS training for Village staff with defined roles during emergency response activities, and identify opportunities for staff training related to emergency preparedness
- Review and update Village Emergency Operations Plan and Annexes.
- Develop and implement Multi-Year Training and Exercise Plan.
- Re-establish Medical Reserve Corps Volunteer Roster and ensure all rostered volunteers complete a criminal background check and receive appropriate training for the various missions of the MRC. Those missions include: Cooling and Warming Shelters, Vaccination Clinics, Mass Prophylaxis Dispensing, Family Assistance/Reunification Centers, Special Events.

## 2024 ACCOMPLISHMENTS

### Key Projects in Support of Board Goals

#### COMMUNITY HEALTH & SAFETY

- Launched several awareness campaigns for gun violence prevention through the Village's Facebook, e-news, and OP/FYI newsletter.
- Created a new e-newsletter and Facebook page in 2024 for public health education and community engagement campaigns.
- Participated in monthly meetings with the school districts, and created educational materials to raise awareness and promote safe storage strategies.
- Created several "conversation cards" to encourage community members to discuss safe gun storage with neighbors and family members.
- Distributed free gun locks at various community events throughout the year.
- Through its partnership with Police, Community Mental Health Board, the Township and local school districts, the Health Department provided gun safety and storage programming, as well as education on the Village's gun storage ordinance..
- Provided guidance, resources and technical assistance to D97 and D200 officials about the Safe2Help program, which is a State of Illinois program for schools to engage students on issues of gun violence prevention.
- Continued to distribute free Naloxone throughout Oak Park via opioid overdose prevention kits, provided free community training. By the end of 2024, the program had distributed more than 3,500 doses of Naloxone, certified one additional trainer, facilitated 12 community trainings, and created a region-wide campaign with the Northern Illinois Public Health Consortium to raise awareness.
- Participated in the Vision Zero internal planning team to align future educational campaigns with the goals and policies that result from the Vision Zero project.

## **2024 Department Baseline Service Levels and Goals**

### **Administration**

- Significantly supported the Village's migrant response with regular on-site attendance at the Village's shelter sites at the West Cook YMCA, the Carleton Hotel, and Grace Episcopal Church to serve more than 100 migrants with emergency services support, nursing services, case management for health care, social services and school enrollment, translation services, food safety services and training.
- Assisted the Village Manager's Office with emergency response planning in preparation for the Democratic National Convention in Chicago.
- Began the planning process to initiate an annual community-wide health survey.
- Hired and supervised a short-term fellow to assist the West Cook YMCA with their ARPA application and programming to create a health-equity focused program.
- Applied for and received a fellow from the Center for Disease Control who will support the Health Education Division for a two-year period.

### **Health Education Division**

- Assisted significantly with the Village's migrant crisis response by providing on-site support including educational needs to enroll each child in the appropriate school, assisted with various case management activities and attended weekly town hall style meetings on site to assist in answering questions, and provided translation and interpretation services.
- Increased the number and quality of health communications messaging and engagement activities for our community by including relevant health messages in the weekly e-news bulletins, social media, the Village website and the OP/FYI newsletters, and videos featuring key projects
- Participated in several community coalitions, including the Opioid Overdose Taskforce, the planning committee for the Oak Park River Forest Chamber of Commerce Health and Wellness Fair, and the local homelessness coalition.
- Participated in several community events including health fairs, A Day in Our Village, Early Childhood Collaborative community fairs, Juneteenth, the annual Oak Park Township backpack giveaway, and BarrieFest.
- Under the IPLAN's the "Mental Health and Substance Use" section of the IPLAM, partnered with the Community Mental Health Board and Thrive Counseling Center on a campaign to raise awareness for mental health and crisis response during Suicide Prevention Awareness Month.
- Completed core public health services for Tobacco Free Communities activities and Smoke Free Illinois Act enforcement, along with Childhood Lead Prevention case management and HIV surveillance-based services for the community.

### **Environmental Health Division**

- Assisted the Public Health Director with food planning and food safety training at the migrant shelters.
- Completed nearly 900 food safety inspections across Oak Park's licensed food establishments and inspected approximately 40 temporary food vendors. Division staff also conducted inspections of body art and tanning facilities in compliance with grant requirements.
- Investigated cases of elevated childhood lead levels and assisted in enforcing the Smoke-Free Illinois Act.
- Enforced the flavored tobacco ban, educating operators and successfully removing the prohibited products from shelves.
- Educated restaurant operators on the single-service and polystyrene ban, offering resources to help them purchase approved products.
- Trained a new Animal Control Officer after a long-time vacancy to continue critical services in animal licensing, enforcing Village ordinances related to the care and keeping of animals, and providing appropriate care for animals in the Village.
- Distributed West Nile Virus prevention pamphlets to over 100 properties and conducted educational presentations on West Nile Virus prevention at adult care centers.
- Invested in new software for animal licensing. This software will streamline the tracking of all licensed domestic animals in the Village and support the Animal Control Officer in reuniting lost pets with their owners.
- Implemented changes to enhance effectiveness in the Village's rodent control contract by switching to a bait called Final Blox, which has proven to be more effective than the previous bait.
- Collaborated with the IT Department to enhance the process of sending animal license renewal reminders via email, rather than relying solely on paper mail. This initiative will reduce postage costs and improve efficiency for both residents and the Village.
- Two Environmental Health Specialist successfully obtained their licenses, further enhancing the team's expertise and capacity to address public health issues in the community.

### **Nursing and Clinical**

- Assisted with the Village's response to the migrant crisis with onsite medical triage and referrals including working with Cook County Health and Hospitals to address medical needs.
- Provided vaccines for all migrant children attending school in Oak Park, as well as MMR vaccines to all migrants in need during the Measles outbreak in early 2024.
- Responded to communicable disease outbreaks such as foodborne illnesses, COVID-19 outbreaks, chickenpox, measles and mpox.
- Collaborated with local providers, daycares, schools, long term care facilities and hospital staff to provide education and access to care.
- Provided required surveillance services of reportable communicable diseases occurring in any Oak Park resident and sexually transmissible illness positive lab results for any person treated by an Oak Park healthcare provider.
- Provided vaccines for vaccine preventable diseases to school aged children who were un or under insured as well as MMR vaccines for any adults in need.
- Provided surveillance work required by the Illinois Department of Public Health for sexually transmitted infections.
- Began implementation of a new IL Department of Public Health disease surveillance reporting system. The staff nurse is continuing to focus on the communicable disease portion of the reporting while the contracted nurse is focusing on the STI reporting.

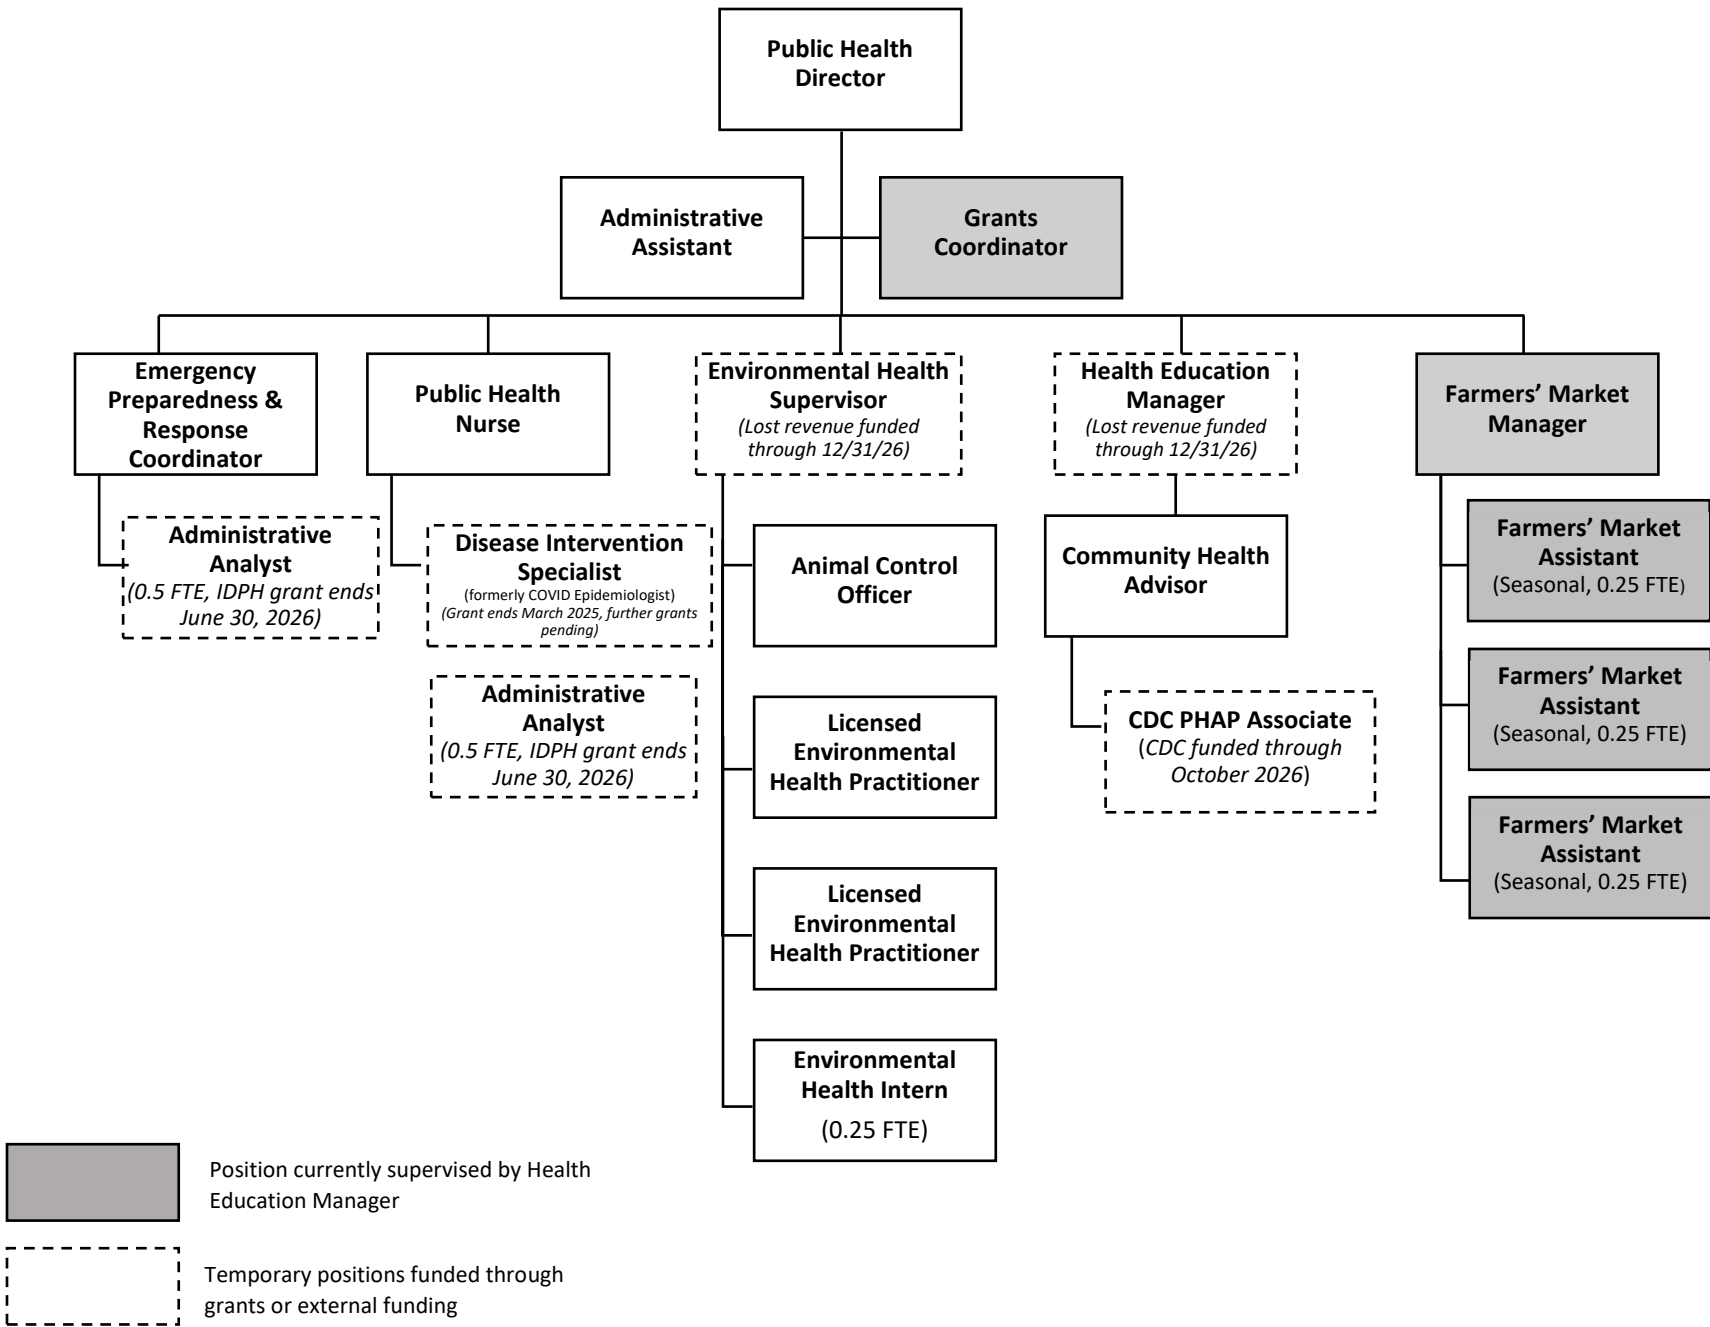

- Implemented a new requirement of the IL Department of Public Health to track and report on enteric diseases which were previously handled by the State of Illinois. The Department shifted the grant funded epidemiologist position in Administration to Nursing to assist with this project (a.k.a. Disease Intervention Specialist).
- The Health Department reorganized and moved the Epidemiologist fellow into the Nursing & Clinical Division. This position was renamed a Disease Intervention Specialist. This position is under contract through March of 2025 and will be evaluated with new grant funding sources available at the conclusion of 2024.

### **Emergency Preparedness Division**

- Supported efforts regarding the arrival of migrants in Oak Park including staffing the first few weeks at Church shelter sites until the Village opened their own shelters and provided ongoing assistance.
- Updated existing rosters and began new recruitment efforts for our Medical Reserve Corps (MRC) volunteer groups.
- Trained Medical Reserve Corp volunteers with the Nursing Division and Fire Department to support various Village emergency operations.
- Provided all deliverables in support of the Public Health Emergency Preparedness (PHEP) Grant and the Cities Readiness Initiative (CRI) Grant, and successfully applied and gained State approval for FY25.
- Reinstated regular community stakeholder emergency planning meetings.
- Participated in several table top exercises with our local hospitals, schools, the CTA.
- Coordinated with the Farmer's Market Manager to develop a new Farmer's Market Emergency Operation Plan.
- Supported various agencies in Cook County, Chicago, and surrounding counties to prepare the region for the Democratic National Convention, and monitored events during the convention to support the development of a common operating picture and share situational awareness with our partners.
- Coordinated with Neighborhood Services on developing a Village policy on warming and cooling centers in Oak Park.

## **PUBLIC WORKS DEPARTMENT**

---

The Village of Oak Park Public Works Department is responsible for the care, maintenance, installation and improvement of the Village's public infrastructure and facilities.

### **DEPARTMENTAL OVERVIEW**

The Department of Public Works is charged with a wide range of tasks associated with the Village's infrastructure. In addition to the more traditional infrastructure-related duties such as street maintenance, safe drinking water delivery, sewer collection, and capital improvements, Divisions within the Department also maintain the Village's extensive urban forest, manage refuse and recycling collections, and maintain traffic signals and streetlights. Public Works staff is also responsible for maintaining all municipal facilities and equipment, including vehicles for Police, Fire, and Park District as well as its own vehicles. Services are provided through the following Divisions: Administration, Building Maintenance, Engineering, Fleet Services, Forestry, Streets Services, Street Lighting, Water and Sewer, and Environmental Services.

The Department maintains approximately 103 center line miles (250 lane miles) of streets, 51 miles of alleys, approximately 235 miles of sidewalks, 43 traffic signal intersections (15 of those are maintained for the Illinois Department of Transportation), over 5,000 street lights, 1,000 alley lights and nearly 19,000 trees.

In addition, the Department maintains 214 Village vehicles and equipment, 105 miles of watermains, 3 water pumping stations, over 13,000 water services, 1,200 fire hydrants, 1,350 water valves, 104 miles of sewers, 6,500 catch basins and 2,000 manholes.

The Department resources include the General Fund, Water and Sewer Fund, Capital Improvements Fund, Motor Fuel Tax Fund and Environmental Services Fund.

#### Administration

The Administration division is responsible for the general oversight of the Public Works Department. This includes management of the department safety program, the Village Call Center and workorder management system, and contract administration and payment processing.

#### Building Maintenance

The Building Maintenance Division is responsible for the safe, efficient and economical management of daily operations of eight Village-owned facilities. Staff ensure all building systems, including but not limited to, mechanical, electrical, plumbing and structural, remain fully functional, are properly maintained and are repaired as needed. The Building Maintenance Division also plans for and implements Building Improvement Fund projects.

#### Engineering

The Engineering Divisions (Capital Engineering Division and Transportation Engineering Division) of Public Works are responsible for managing the infrastructure in the public right-of-way (ROW) and on Village owned properties; overseeing the management of the Village's transportation networks including the roadways, traffic signal system, and bicycle and pedestrian infrastructure; coordinating with private utility companies such as ComEd, AT&T, Comcast, Nicor, etc. for the management of their facilities in the ROW; and the oversight of private permit work which impacts the ROW.

### Environmental Services

The Environmental Services Division is responsible for directing and managing the Village's waste collection and reduction programs and coordinating assigned activities and events with outside agencies, professional groups, and the general public. This division administers the Village's environmental programs including the Refuse, Recycling, and Compost Collection Program, Annual Leaf Collection Program, Sidewalk Shoveling Program, Green Block Party Program, Neighborhood and Alley Clean Up, and Adopt a Block Program.

### Fleet Services

The Fleet Services Division is responsible for the maintenance, repair, acquisition, and disposal of approximately 250 vehicles and pieces of equipment that make up the Village of Oak Park fleet. Fleet Services also maintains Park District and Township equipment through Intergovernmental Agreements as well as manages fuel services for all Village of Oak Park, Oak Park Township, Park District, School District 97, and School District 200 vehicles through the fuel island maintained at the Public Works Center.

### Forestry

The Forestry Division is responsible for the care and maintenance of over 18,000 trees that make up the Village's Urban Forest. This includes planting, pruning and other maintenance activities along with tree removal and stump removal. In addition, the division is responsible for over 180 landscape areas including village facilities, medians, and business districts. The Division oversees the planting and maintenance of over 450 seasonal containers as well.

### Street Services

The Streets Division is responsible for the maintenance of more than 103 miles of Village-owned streets and the attached curbs, gutters and sidewalks. Personnel remove snow, repair pavement, clean streets, pick up leaves and remove refuse. The Division also maintains, repairs and replaces traffic and parking signs within the Village, as well as pavement markings along Village streets and parking lots.

### Street Lighting

The Street Lighting Division is responsible for the maintenance, repair and replacement of all Village-owned streetlights, alley lights, EV stations, and traffic safety devices including signals. Personnel monitor and replace lamps in more than 7,000 lighting fixtures and 42 traffic signals throughout the Village.

### Water & Sewer

The Water & Sewer Division is responsible for the delivery of safe, potable water to residents and businesses and for fire suppression support within the Village. The division delivers this by maintaining, repairing, and replacing water mains, water valves, fire hydrants, water meters, and pumping equipment. The Division is also responsible for the maintenance, repair, and replacement of combination sewers, catch basins and manholes. Village sewage is transported to the interceptor sewers of the Metropolitan Water Reclamation District of Greater Chicago where it is eventually treated and discharged into the receiving streams.

**2025 WORK PLAN**  
**Key Initiatives or Projects in Support of Board Goals**

**COMMUNITY HEALTH & SAFETY**

- **Priority 2: Explore Alternatives for Youth Engagement**
  - e. Collaborate with D97 and D200 to create a youth opportunity in schools that encourage and elevate youth voices to understand their community experiences and provide civic engagement opportunities.
    - Partner for a third year with D200 to hire OPRF high school students as summer seasonal staff within the Department (Administration).
    - Continue to host Arbor Day events that engage students from D97 and D200 (Forestry).
  
- **Priority 5: Provide for Safe Mobility**
  - a. Create and implement a Vision Zero Plan (VZP) including robust community engagement. The VZP will include recommendations for specific improvements, policy changes, and other treatments and tools to improve safety for vehicles, pedestrians, and cyclists in the Village with a goal of reducing or eliminating fatalities and severe injuries for all users of the Village’s transportation network. Recommendations for specific VZP projects and safety improvements will be included in future CIP and Budget documents for implementation starting in 2025 in alignment with Climate Ready Oak Park Plan Goals: VT02/VT08/ET04.
    - Implement recommendations from the Vision Zero Plan for safety improvements for high injury network locations and priority areas adjacent to schools and parks (Engineering).
  
  - b. Evaluate traffic calming measures installed across the Village to confirm their effectiveness in slowing traffic and improving safety.
  
- **Priority 6: Ensure Healthy Work Environments for Village Workers**
  - a. Improve existing Village facilities (i.e. police station and Village Hall are currently in process) and create a long-term strategy for all other facilities such as fire station needs.
    - Follow the 2025 CIP Building Improvement Fund Plan and ensure that all projects listed are completed or addressed appropriately (Building Maintenance).
    - Continuation of the Property Condition Assessments effort for Village owned buildings and implement recommended actions (Building Maintenance).
    - Complete space needs analyses and feasibility studies for Fire Station 1 and 2 (Building Maintenance)

**VIBRANT, DIVERSE, CONNECTED NEIGHBORHOODS**

- **Priority 4: Infrastructure that Promotes Sustainable Transportation**
  - b. Complete the design and continue to accelerate construction of the Neighborhood Greenways Plan with the intent of full implementation by the end of fiscal year 2026. Update the 2008 Bike Plan and evaluate the feasibility of protected bike lanes.
    - Construct a large portion of the Neighborhood Greenway/Bike Boulevard system (Engineering).
    - Implement recommendations for bicycle improvements from the bike plan update (Engineering).

- Complete the feasibility study for bike lanes on Ridgeland Avenue (Engineering).

## **SUSTAINABILITY & RESILIENCY**

- **Priority 1: Implement Climate Action Plan**

- h. Advance Village policies and programs to support the transition of the Village's and community's land to green infrastructure.

- ii. In accordance with the updated Urban Forestry Management Plan develop a policy to recognize trees as critical infrastructure, increase awareness of the value of the urban forest, and encourage planting on private property (based on CROP EP03).

- Update the Village's tree ordinance to highlight their value and recognize trees at critical infrastructure (Forestry)

- Continue to partner with West Coast Wild Ones to provide reduced cost trees for Oak Park residents to be installed on private property through their annual native plant sale (Forestry)

## Department Baseline Service Levels and Goals

### Administration 1001.43710.101

#### ***Current Service Levels***

- Complete performance measures and monthly reporting.
- Continue development and implementation of a comprehensive safety program that targets required OSHA training frequencies and encourages a robust safety-minded culture.
- Provide opportunities for continued professional growth of the staff utilizing professional organizations.
- Continue submitting eligible expenditures to various grants in order to maximize revenues and cash flows to Village.
- Continue to follow VOP Purchasing Policy with regard to bidding procedures and procurement of materials and supplies to ensure the most cost-effective measures are realized and to obtain competitive pricing.

#### ***Department Goals***

- Complete the implementation of the new Customer Service Request Management software within the Public Works Department including the development of necessary work flows to manage customer service requests.
- Complete the expansion and implementation of the Customer Service Request Management software across multiple departments of the Village.

### Building Maintenance 1001.43790.101

#### ***Current Service Levels***

- Continue utilizing the task order process for Building Improvement Fund projects to maximize efficient use of staff time, streamline projects and stay on schedule with project timelines.
- Work closely with the Building Maintenance contractor to ensure all building operations run smoothly, safely and effectively.
- Continue to follow the Village's benchmarking ordinance for tracking building performance and energy usage and adjust operations as needed to ensure maximum energy savings.
- Implement the recommended actions outlined in the Energy Audit report at all buildings included in the audit; Prepare cost information for other recommended actions that are higher cost items and incorporate the work into the 5-year CIP Building Improvement Fund.
- Implement Energy Conservation Measures (ECMs) on the Public Works Center Building Automation System (BAS) to optimize performance and energy usage of the building's HVAC system.

#### ***Department Goals***

- Implement the Angus Asset Management Program and complete all data entry into the system. Begin using the system to improve operations, reduce repairs costs and track work orders and inventory.

**Current Service Levels**

- Oversee construction of the annual CIP including the Oak Park Avenue Streetscape, Austin Boulevard Resurfacing, Resurfacing of Various Streets, Alley Improvements, and Water and Sewer Main Improvements.
- Complete permit reviews and work with large private developments, including Pete’s Fresh Market, for projects which impact the public right of way.
- Assisted in development of the 2026-2031 Capital Improvement Program and 2026 Budget.
- Continue to work with the Transportation Commission on modifying the traffic calming petition process based on recommendations from Vision Zero and continue reviews of future traffic calming petitions.
- Continue the management of the traffic signal system software and explore opportunities to improve traffic data collection and congestion
- Construct the Oak Park Avenue Streetscape project in the Hemingway District
- Continue work on the Cap the Ike Feasibility Study.
- Work with IDOT to incorporate Village’s requests into the design of a new bridge on Ridgeland Avenue over I-290.

**Department Goals**

- Start design of a joint North Avenue Streetscape project with CDOT.
- Start design of the gateway monuments on North Ave.
- Start the design of a new Home Avenue Bridge.
- Review and adjust traffic signal timing to include pedestrian safety and accessibility features.
- Upgrade and improve roadway lighting to new LED dark-sky compliant fixtures.

**Current Service Levels**

- Ensure that the highest return on surplus vehicles and equipment is recouped.
- Continue to collect and recycle scrap, diverting waste from landfills, and returning funds to the Village.
- Maintain Fleet Services ASE Blue Seal of Excellence classification, demonstrating the quality and professionalism of the Fleet Services employees.
- Continue to search for increased educational opportunities to improve our employee’s skill sets, both soft and technical.
- Collaborate with divisions to review their fleet requests; continue to spec out and replace, or rebuild, designated pieces of equipment through the Fleet Replacement fund pending Village Board approval.
- Become proficient with Fleet Services new user-friendly Fleet Asset Management software program, to better evaluate and manage the Village’s diverse fleet of equipment using predictive analytics.
- Working with Parking Services, assist in the design and implementation of EV charging infrastructure for Village owned fleet vehicles and equipment.
- Continue to collect and examine the Telematics data in Village equipment to help Fleet evaluate new technologies, usage and needs, as well as provide coaching for proper vehicle usage.
- Continue to collect and examine data on EV charging station usage as well as EV usage, helping to direct resources to the most appropriate locations.
- Evaluate adding additional electric or other alternative fuel vehicles to expand the Village Green Fleet while remaining fiscally responsible by utilizing all available rebates/funding resources.

**Department Goals**

- Add another Emergency Vehicle Technician (EVT) Master Technician certification to the Fleet Services Division.
- Add another ASE Master Technician certification to Fleet Services.
- Complete hands on inventory of the parts department.
- Conduct a comprehensive reevaluation of the entire village fleet.

Forestry 1001.43800.101

**Current Service Levels**

- Improve the quality of the urban forest and reduce resident request-based work by continuing the cyclical pruning program for all trees over 2”.
- Evaluate performance of both contractors and division staff for different types of work.
- Continue the care and maintenance of bee hives at Village Hall and the Public Works Center.
- Collaborate with the Village’s Law Department on tree-related claims.
- Be named as a Tree City USA and Growth Award recipient from the Arbor Day Foundation.
- Maintain and enhance the Village’s landscaped areas, greenspace, and containers in a competent and timely manner.
- Rebid the tree watering and landscape maintenance contracts

Streets 1001.43740.101

**Current Service Levels**

- Continue safety and equipment training for all staff.
- Continue in-house street restorations in a timely manner.
- Continue to improve the Department’s response to snow mitigation using new technology, training and techniques.
- Continue the immediate clean-up of vehicle accident sites to ensure safe traffic and pedestrian passage.
- Continue the immediate clean-up of graffiti, litter, garbage.
- Continue assisting with special events
- Continue the patching of streets in a timely, efficient manner.

Street Lighting 1001.43720.101

**Current Service Levels**

- Continue training and certification to stay up to date with the changing traffic control and street lighting technologies.
- Continue upgrading Traffic Signal Cabinets.
- Continue to repair street light and traffic signal outages in a timely manner to ensure safe traffic and pedestrian passage.
- Continue to do J.U.L.I.E. Locating in a timely & accurate fashion to safeguard work throughout the community.
- Continue to upgrade our street lighting system to energy efficient LED lighting.
- Continue the upgrade of the Traffic Signal Cabinets and hardware.

**2024 ACCOMPLISHMENTS**  
**Key Initiatives or Projects in Support of Board Goals**

**COMMUNITY HEALTH & SAFETY**

- **Priority 2: Explore Alternatives for Youth Engagement**
  - e. Collaborate with D97 and D200 to create a youth opportunity in schools that encourage and elevate youth voices to understand their community experiences and provide civic engagement opportunities.
    - Partnered for a second year with D200 to hire six OPRF high school students as summer seasonal staff within the Department (Administration).
    - Collaborated with the Park District of Oak Park and Brooks Middle School to celebrate Arbor Day at Mills Park (Forestry).
  
- **Priority 5: Provide for Safe Mobility**
  - a. Create and implement a Vision Zero Plan (VZP) including robust community engagement. The VZP will include recommendations for specific improvements, policy changes, and other treatments and tools to improve safety for vehicles, pedestrians, and cyclists in the Village with a goal of reducing or eliminating fatalities and severe injuries for all users of the Village’s transportation network. Recommendations for specific VZP projects and safety improvements will be included in future CIP and Budget documents for implementation starting in 2025 in alignment with Climate Ready Oak Park Plan Goals: VT02/VT08/ET04.
    - Completed a Vision Zero Plan using State grant funds (Engineering).
  
- **Priority 6: Ensure Healthy Work Environments for Village Workers**
  - a. Improve existing Village facilities (i.e. police station and Village Hall are currently in process) and create a long-term strategy for all other facilities such as fire station needs.
    - Followed the 2024 CIP Building Improvement Fund Plan and ensure that all projects listed are completed or addressed appropriately (Building Maintenance).
    - Property Condition Assessments were completed at all three fire stations in 2024. Staff used the information for future planning and budgeting of Building Improvement Fund projects (Building Maintenance).
    - Successful completion of the main fire station bunk room renovation project to create private sleeping areas on time and within budget (Building Maintenance).

**VIBRANT, DIVERSE, CONNECTED NEIGHBORHOODS**

- **Priority 4: Infrastructure that Promotes Sustainable Transportation**
  - b. Complete the design and continue to accelerate construction of the Neighborhood Greenways Plan with the intent of full implementation by the end of fiscal year 2026. Update the 2008 Bike Plan and evaluate the feasibility of protected bike lanes.
    - Continued design and constructed segments of Neighborhood Greenway system with various projects (Engineering).
    - Started the feasibility study for bike lanes on Ridgeland Avenue (Engineering)
    - Worked on the Bike Plan Update (Engineering)

## SUSTAINABILITY & RESILIENCY

- **Priority 1: Implement Climat Action Plan**

- h. Advance Village policies and programs to support the transition of the Village's and community's land to green infrastructure.

- ii. In accordance with the updated Urban Forestry Management Plan develop a policy to recognize trees as critical infrastructure, increase awareness of the value of the urban forest, and encourage planting on private property (based on CROP EP03).

- Developed Urban Forest Management Plan for the Village that was adopted by the Village Board in January (Forestry).

- Partnered with Wild Ones West Cook to offer discounted native tree to Village residents for planting on private property (Forestry).

### 2024 ACCOMPLISHMENTS

#### Department Baseline Service Levels and Goals

Administration 1001.43710.101
-------------------------------

- The Customer Service Call Center located at the Public Works Center is on pace to make over 40,000 customer contacts throughout 2024. These contacts consist of phone calls, voice mails, emails and in-person contacts generating approximately 9,000 work orders.
- Approximately 4,000 invoices processed through the accounts payable process.
- Over 250 Block Parties processed this year.
- Coordinated the development of the 2025 Capital Improvement Program and General Fund Budget.
- Successfully hired or promoted key staff within the department including engineering staff and an Assistant Village Engineer and Building Maintenance Superintendent.

Building Maintenance 1001.43790.101
-------------------------------------

- Building Maintenance Division successfully continued the Master Agreement / Task Order system with engineering firms for the CIP Building Improvement Fund projects. All projects undertaken in 2024 under the Task Order system were completed effectively.
- Successful completion of the south fire station roof replacement project on time and within budget.
- Successful completion of the Air Handling Unit #2 air conditioning system replacement project at the Public Works Center.
- Seven new exterior doors were installed at the Public Works Center replacing seven existing doors that had become rusted, damaged or warped.
- A new domestic water booster pump system was installed at the Public Works Center replacing the existing system which had become antiquated and inoperable.
- The north fire station mechanical equipment replacement project began in late summer of 2024. Efforts from staff and one of the task order engineering firms, along with solid direction from the Village Manager's Office and Village Board, allowed this project to be realized. Building envelope improvements were also a part of this project.
- All of the exterior sprinkler piping and sprinkler heads over the Public Works Center fuel station were replaced in 2024. This project was identified in the 2024 Building Improvement Fund.

- In late 2024, exterior façade repairs and mechanical equipment repair and replacement at the Public Works Center was completed as part of the 2024 Building Improvement Fund.
- HVAC fan motor balancing was completed at the Public Works Center ensuring that all fan motors are operating as efficiently as possible. Additional Energy Conservation Measures (ECMs) are also being implemented in the fall of 2024 to optimize equipment performance.
- Staff continued to work closely with the ComEd SEM group to communicate project progress and submit applications for incentives and project cost reductions.

Engineering 1001.43700.101
----------------------------

- Oversaw construction of the annual CIP including the Madison Street Streetscape, Resurfacing of Various Streets, Alley Improvements, Water and Sewer Main Improvements, and various Pump Station Improvements, sidewalk improvements, pavement preservation, and the Forest and Ontario Traffic Calming and Landscaping.
- Worked with large private developments including Pete’s Fresh Market, 7 Van Buren, 835 Madison, and 203 S. Marion for the and building construction and right of way improvements.
- Managed a variety of consulting firms and selected consultants for future task order engineering contracts to design and manage future projects.
- Selected a consultant to start work on a future Home Avenue Bridge and started the feasibility study for Cap the Ike.
- Assisted in development of the 2025 Capital Improvement Program and Budget.
- Applied for and multiple grants for State and Federal funds.
- Continued management of the traffic management software.
- Completed review of the Madison Street road diet and traffic calming study.
- Hired a consulting firm to provide staffing for the Transportation Engineering position and to implement and advance the Village’s transportation related goals and policies.
- Obtained \$125,000 Cook County grant for construction of the 2025 Neighborhood Greenway system, offsetting some local CIP and Parking Fund costs for these projects.
- Entered into agreements to utilize \$500,000 in State DCEO funds for the Madison Street Streetscape project
- Applied for Safe Streets for All grant to fund implementation of parts of the Vision Zero Plan
- Completed the Madison Street Corridor traffic study and revised signal timings on Madison to improve congestion and pedestrian accommodations
- Installed portions of the Neighborhood Greenway system and numerous traffic calming and pedestrian safety improvements as part of the local street resurfacing project, Madison Street Streetscape project, and the Bike Boulevard project.
- Completed the design for Oak Park Avenue Streetscape project in the Hemingway District.
- Constructed the Madison Street Streetscape project.
- Implemented numerous traffic calming improvements and Neighborhood Greenway improvements.
- Processed a number of traffic calming petitions with a consultant and the Transportation Commission and Village Board.
- Completed construction of green alleys and a permeable pavement system for the Lot 10 project using MWRD grant funds.

Fleet 1001.43900.101

- Between June 2023 to June 2024, 28,940 pounds of scrap metal has been recycled utilizing the container centrally located in Fleet Services. Through online auction proceeds, Fleet has recouped almost \$152,000 from surplus vehicle/equipment disposal.
- Saved the Village over \$60,000 utilizing manufacturer and government rebates for EV purchases.
- Replaced three frontline drop in salters to more precisely control the salt distribution during snow removal.
- Replaced two frontline pick-up trucks with plows.
- Replaced one small loader with a tracked unit to better suit current divisional needs.
- Replaced one Water and Sewer service truck.
- Replaced one asphalt truck with a unit that utilizes technology that eliminates the need to change out bulky/heavy propane tanks for usage.
- Placed 4 new hybrid vehicles in service across the fleet.
- Replaced 3 internal combustion engine (ICE) Police vehicles with 3 Police tested EVs.
- Placed a new frontline brine applicating super duty into service, helping to reduce the salt required for snow removal. Maintained the Automotive Service Excellence (ASE) Blue Seal certification for the Fleet Services division for the 17th year in a row.
- Fleet Services consolidated and expanded our Telematics services. The telematics provider can show comparisons of new technologies to legacy equipment. Example: Hybrid squad cars have shown a doubling to tripling of miles per gallon (MGP) compared to their internal combustion engine (ICE) counterparts. Telematics can inform us if equipment is being used properly, and is necessary, by running usage reports.
- Fleet Services monitored the EV charging stations, helping collect data on usage of stations helping direct expansion of the Village's EV charging options, as well as Village EV fleet charging. Example: Over their lifetime, Village owned EVs have eliminated over 17,000 kg of GHG (greenhouse gas) emissions, and there has been over 22,000 sessions at all Village owned EV chargers from June 2023 to June 2024.
- Fleet Services, with Building Maintenance, acquired, programed, and installed an electronic Pool car key locker at VH. This will increase accountability, as well as provide a more accurate look at pool car usage.
- Five electric vehicles have been added to the Village Green Fleet displacing three ICE engine vehicles.
- Expanded the Village's Green Fleet with the addition of one hybrid police vehicle, and three hybrid fleet vehicles, further reducing fuel usage.

Forestry 1001.43800.101

- The Division and its contractors pruned approximately 4,800 parkway trees in the southern portion of the Village (1 - south of Harrison and 2 - west of S East Ave and south of Madison St.) through the Village's cycle pruning program.
- The Division and its contractors removed approximately 275 parkway trees across the Village that were dead, diseased or otherwise in decline.
- Planted a diverse mix of 275 high-performing, properly sited parkway trees throughout the Village and maintained them with contracted watering crews.
- Re-inventoried one third of the Village's Urban Forest.
- Received the Tree City USA and Growth Awards from the Arbor Day Foundation.

- Continued care and maintenance of two bee hives on the roof of the Public Works Center and two hives on the roof of Village Hall.
- Rebid green roof maintenance contract.
- Updated Tree Ordinance and referenced the Urban Forest Management Plan.
- Continued to manage the urban forest with the use of an online GIS based inventory.
- Presented at the Urban and Community Forestry Conference about the Village's use of tree equity data to prioritize areas selected for the root collar excavation program.
- Maintained over 180 permanent landscape areas and planting and maintained over 525 planters in 12 Business Districts throughout the Village.

Streets 1001.43740.101
------------------------

- Snow Mitigation response continued to improve with new staffing and equipment malfunctions.
- Continued regular pavement maintenance such as, pothole repair, bluestone and brick paver upkeep using both in house and contractual staff.
- Replacement of faded/unreadable/low reflective signage Village wide and the rapid replacement of damaged STOP and other regulatory signs continued to be a priority.
- In-house staff will complete utility patching restorations in 2024 as needed.
- Power washed sidewalks in-house that were previously contracted out. This work was done in sections in the early morning hours as to not disturb residents at night or the businesses during the day.
- Graffiti removal removed within 3 days.
- During Snow season, the Department was able to keep the streets clear and ice free while making the alleys passable within an acceptable timeframe.
- Worked with DEI staff on the design and implementation of Pride Month Celebration Installation at the Village Hall.
- In response to the high incidences of graffiti, the Street Division worked closely with the Development Customer Services department to identify and address these incidents in a timely manner.
- Successfully worked with local businesses to power wash sidewalks in Downtown Oak Park, Pleasant District areas and business districts as needed.
- Street Division staff dismantled and reassembled outdoor dining areas to maintain outdoor dining for restaurants during the season.
- Maintained streets and inlets to be clear of debris through in-house supplemental street sweeping to assist the contractor with permit and business areas.
- Timely upkeep and maintenance activities throughout the Village, including business district areas and viaducts, with in-house litter removal, trash container emptying and regular sidewalk power washing.

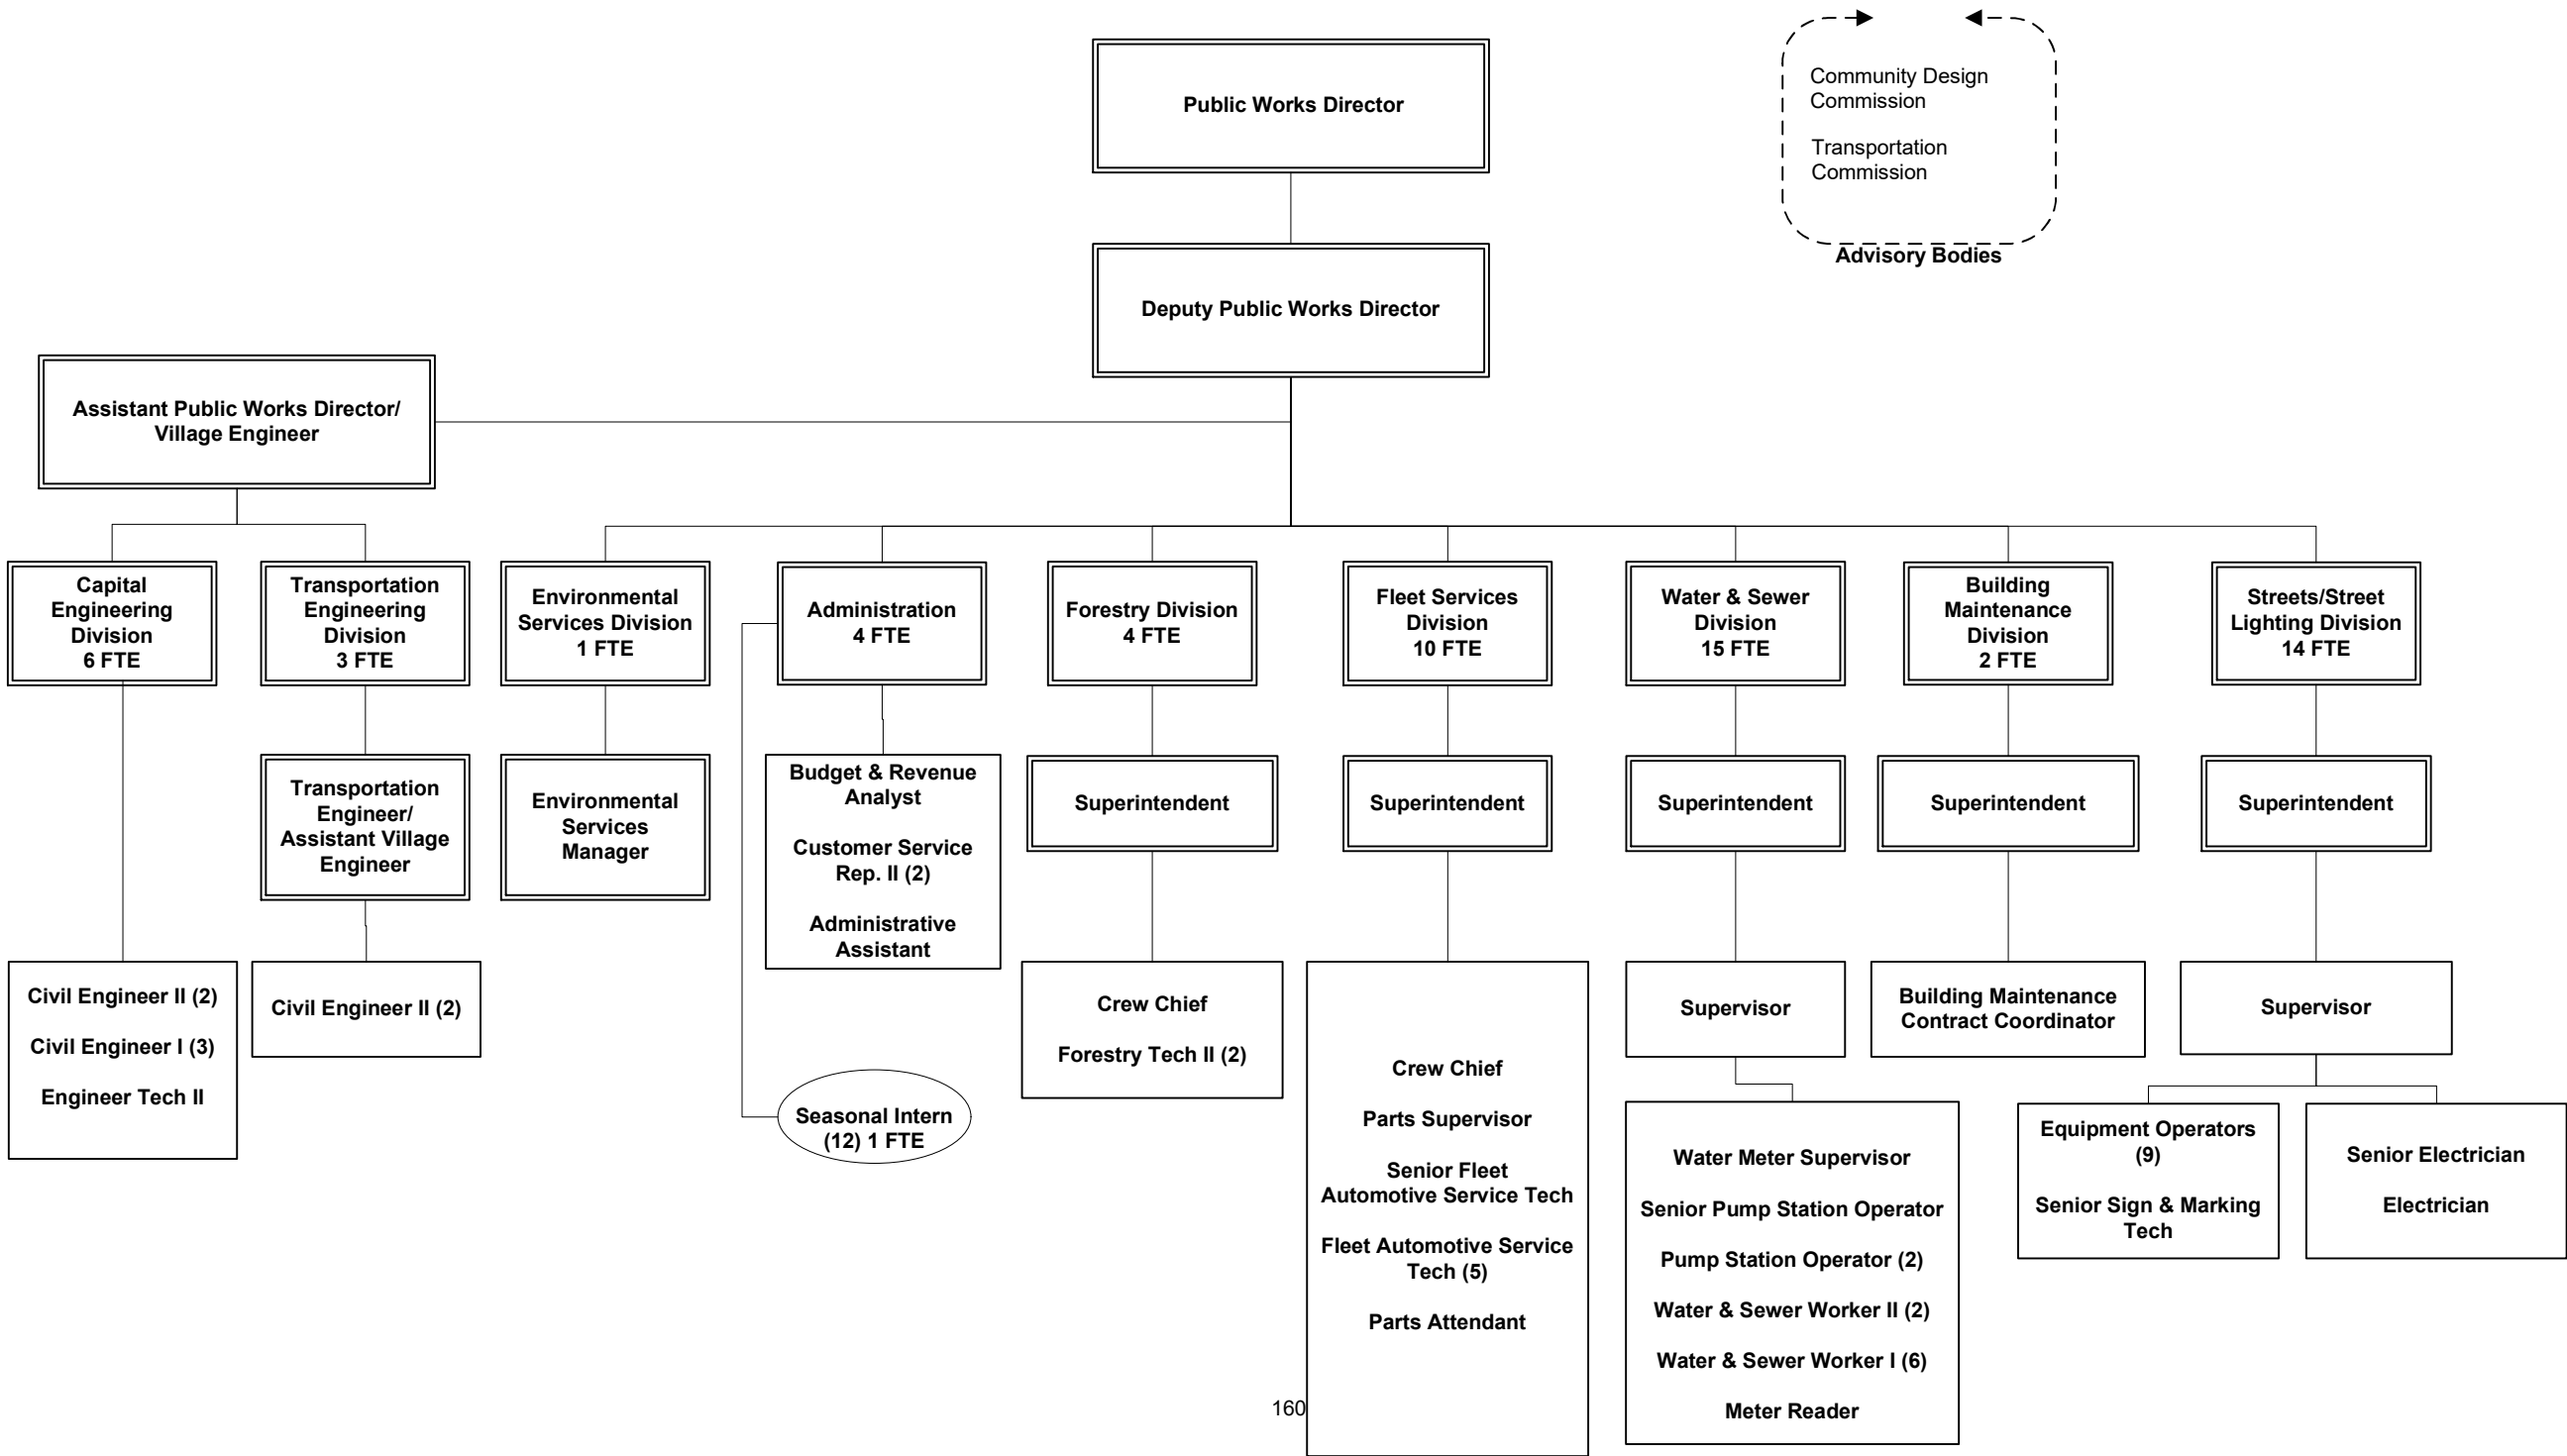

Street Lighting 1001.43720.101
--------------------------------

- Made timely repairs on streetlight and traffic signals and responded to JULIE Locates.
- Seventy percent (75%) of street light outages repaired within five (5) days.
- Continued to upgrade incandescent traffic signals to LED.
- Implementation of the Street Lighting System Rehabilitation Project
- Attended training on the maintenance and repair for the EV Charging Station technology the Village currently utilizes.
- Retrofitted Metal Halide lights with LEDs in several areas throughout Village.

- Implemented upgrades to the Traffic Signal Cabinets.

### **DEPARTMENT PERFORMANCE MEASURES**

FINANCE DEPARTMENT WILL CUT/PASTE METRICS TO THIS PAGE

## OFFICE OF THE VILLAGE CLERK

---

*Mission Statement - **Our Purpose** is to keep official records in an independently managed and publicly accessible elected office. **Our Business** is to provide meticulous and professional records management, and to facilitate public participation in open government. **Our Values** are to provide gracious, diplomatic customer service, and serve with fairness and accuracy.*

### EXECUTIVE OVERVIEW

#### DEPARTMENTAL SUMMARY

The Office of the Village Clerk records the proceedings of all Village Board meetings, including committee and special meetings; maintains all official records of the Village Board (including minutes and ordinances), is the keeper of the Village Seal; and monitors Village compliance with the Open Meetings Act and Freedom of Information Act. The Village Clerk's office also serves as the local election authority and registrar for voters.

The statutory requirements of the Village Clerk's Office include:

- Attend all meetings of the Corporate Authorities (Village Board) and keep a full journal of its proceedings. 65 ILCS 5/3.1-35-90(a).
- Keep the corporate seal of the Village, and keep all books, records, ordinances, resolutions, and papers belonging to the Village, the custody and control of which are not given to other officers.
- Prepare for and supervise all Village elections. 65 ILCS 5/1-1.8.
- Issue all notices under the Open Meetings Act, including the annual notice and notices of special meetings. 5 ILCS 120/2.02(a).
- Administer oaths. 65 ILCS 5/5-3-9.
- Administer the Freedom of Information Act and the Local Records Act, which provides for the preservation and destruction of public records. 5 ILCS 140/3.5; 50 ILCS 205/4.
- Manage all reports, filings, notices and publications made on behalf of the Village, including the filing of a certified copy of the tax levy ordinance, copies of annexation or disconnection ordinances, copies of subdivision plats and other documents with the county clerk and county recorder. 65 ILCS 5/5-3-2.
- Prepare a certification of the authenticity of the annual report and further attest that it was published or posted as required by state statute. 50 ILCS 305/1.
- Receive service of process in litigation filed against the Village. 735 ILCS 5/2-211.

Under the Village Code, Oak Park has designated the Village Clerk's Office to:

- Receive and maintain all disclosure statements for conflict of interest and code of ethics for elected and appointed officers of the Village.
- Work with the Citizen Involvement Commission in order to foster citizen participation on various boards, commissions, and committees of the Village.

## **2025 WORK PLAN**

### **Key Projects in Support of Board Goals**

#### **COMMUNITY AFFORDABILITY**

- Provide on and off-site notary services at no cost.
- Offer a variety of services for voter registration to ensure accessibility.

#### **COMMUNITY HEALTH & SAFETY**

- Offer programs and events within the community and amongst Village employees, which promote positive health and wellness through physical activity.

#### **RACIAL EQUITY**

- Continue to collaborate with the Office of Diversity, Equity and Inclusion.

#### **VIBRANT, DIVERSE, CONNECTED NEIGHBORHOODS**

- Host community education and/or recreation events.
- Create programming which encourages civic engagement and participation in local government.
- Engage youth at the elementary through high school level.

#### **SUSTAINABILITY & RESILIENCY**

- Digitize Village archives, including ordinances, resolutions, Board of Trustees meeting agendas and minutes to promote transparency, as well as create efficiencies within the Freedom of Information Act Request process.

## Department Baseline Service Levels, Goals and Initiatives

Village Clerk's Office 1001.41100.101
---------------------------------------

### **MINUTES AND RECORDS MANAGEMENT**

The Office of the Village Clerk will continue to prepare minutes for all Village of Oak Park Regular, Special and Committee Board meetings and Executive sessions. Minutes, records, resolutions, proclamations, ordinances, and Village Board approved agreements will be maintained in the Office of the Village Clerk.

### **ADVISORY BOARDS, COMMITTEES AND COMMISSIONS**

The Office of the Village Clerk will process applications and maintain membership records for all advisory boards, committees and commissions. The Village Clerk serves as the Staff Liaison to the Citizen Involvement Commission.

### **LOCAL ELECTION AUTHORITY, VOTER REGISTRATION, AND OATH OF OFFICE**

The Office of the Village Clerk is the local election authority and registrar. The Clerk's Office hosts voter registration events throughout the community. The Office of the Village Clerk administers the official oath and performs the swearing-in ceremony for all newly appointed and elected officials, police officers, and firefighters/paramedics.

### **NOTARY SERVICES AND ADDITIONAL SERVICES TO THE COMMUNITY**

The Village Clerk's Office provides free notary services. A vast amount of community members are supported by phone, email and in-person by the Office of the Village Clerk.

## **2024 ACCOMPLISHMENTS**

### **Key Projects in Support of Board Goals**

#### **COMMUNITY AFFORDABILITY**

- Provided on and off-site notary services at no cost.
- Offered a variety of services for voter registration to ensure accessibility.

#### **RACIAL EQUITY**

- Collaborated with the Office of Diversity, Equity and Inclusion to coordinate multi-cultural special events and prepare proclamations to recognize and be inclusive of Oak Park's diverse community.
- Coordinated the inaugural Resource Fair with numerous community organizations and partners to participate at the Juneteenth Cookout.

#### **VIBRANT, DIVERSE, CONECTED NEIGHBORHOODS**

- In collaboration with the Citizen Involvement Commission, the Office of the Village Clerk increased civic engagement and recruitment from all sectors of the community for advisory boards, commissions and committees.
- Hosted Neighborhood Clean-Up event with community members, elected officials and staff in celebration of Earth Month and National Volunteer Month.
- Engaged students at the Oak Park and River Forest High School Service Learning Fair.
- Created a youth Junior Deputy Clerk pilot program for elementary school students to participate in civic engagement throughout the summer months.

#### **SUSTAINABLE FUTURE**

- Continued to implement the Granicus Boards & Commission Suite by developing and executing an onboarding processes for Staff Liaisons and Advisory Commission Chairs. The Office of the Village Clerk collaborated with the Human Resources department to roll out a new online Learning Management System (LMS) to onboard all advisory commission, committee, and board members.
- Issued the Request for Proposal (RFP) to digitize archived documents within the Office of the Village Clerk dating back to 1902, and collaborating with the Information Technology department to make the documents accessible to the public.

## **Department Baseline Service Levels and Goals**

### **MINUTES AND RECORDS MANAGEMENT**

The Office of the Village Clerk prepares minutes for all Village of Oak Park Regular, Special and Committee Board meetings and Executive sessions. Minutes, records, resolutions, proclamations, ordinances, and Village Board approved agreements are maintained in the Office of the Village Clerk.

- Completed meeting minutes for 58 Board of Trustees and Committee Meetings, and Citizen Involvement Commission meetings
- Codified approximately 32 ordinances

### **ADVISORY BOARDS, COMMITTEES AND COMMISSIONS**

The Office of the Village Clerk accepts applications and maintains membership records for 19 advisory boards, committees and commissions. The Village Clerk serves as the Staff Liaison to the Citizen Involvement Commission.

### **LOCAL ELECTION AUTHORITY, VOTER REGISTRATION, AND OATH OF OFFICE**

The Office of the Village Clerk is the local election authority and registrar. The Clerk's Office hosts voter registration events throughout the community. The Office of the Village Clerk administers the official oath and performs the swearing-in ceremony for all newly appointed and elected officials, police officers, firefighters/paramedics, and other applicable positions.

- Hosted early voting at Village Hall for the March Presidential Primary (2,502 voters) and the November Presidential Election (TBD) for Suburban Cook County voters
- Hosted 12 voter registration events
- Performed 30 swearing-in ceremonies

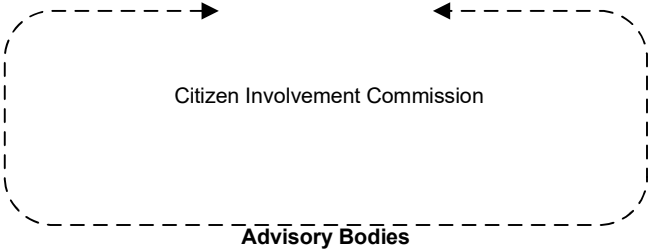

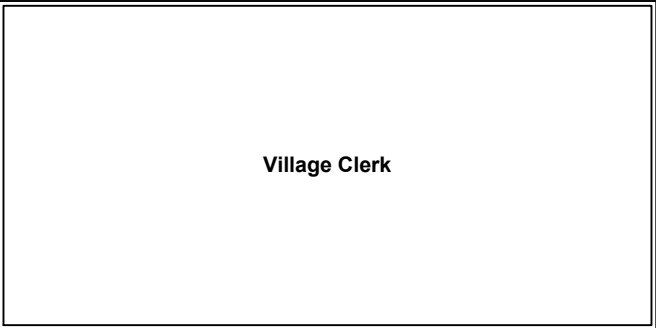

### **NOTARY SERVICES AND COMMUNITY SERVICE**

The Village Clerk's Office provided free notary services to approximately 10 residents a month and assisted 200 members of the public with access to Village records and services.

- Notarized approximately 75 documents

## **VILLAGE PRESIDENT & BOARD OF TRUSTEES**

Pursuant to §2-2-4 of the Municipal Code the Village President and Board of Trustees via their legislative authority established under state law are elected by the citizens of Oak Park to establish the policies related to the operation of the Village Government. The Village President and Board of Trustees are responsible for the selection and employment of the Village Manager and annually establish the goals and vision for the organization and authorize the annual budget/appropriations document to support the implementation of these goals.

## Special Revenue Funds

Special Revenue Funds are isolated from the general operations of the Village. These funds are for the financial management of Village services funded by revenues that have been earmarked for specific purposes. While the use of such revenues is sometimes guided by state and federal requirements, they can also be guided by policy directives from the Village Board of Trustees.

The Village maintains the following Special Revenue Funds:

- American Rescue Plan Fund
- Bullet Proof Vest Grant Fund
- Community Development Block Grant (CDBG) Fund
- Community Development Block Grant Revolving Loan Fund
- Cook County Lead Hazard Prevention Grant Fund
- Earth Fest Fund
- Emergency Solutions Grant Fund
- Farmer's Market Fund
- Federal Recovered Drug Asset Forfeiture (RICO) Fund
- Foreign Fire Insurance Fund
- Health Grant Funds
- Jag Grant
- IL Department of Transportation Grant Fund
- Madison Street Tax Increment Financing District Fund
- Motor Fuel Tax Fund
- Special Services Area (SSA) #1 Fund
- Section 108 Loan Fund
- Special Services Area (SSA) #7
- Special Services Area (SSA) #8
- State Recovered Drug Asset Forfeiture (RICO) Fund
- Sustainability Fund
- Tobacco Enforcement Program Fund
- Travel, Training & Wellness Fund

## Affordable Housing Fund

### Fund Summary

This Fund tracks developer contributions that the Village uses for affordable housing projects and programs. During Fiscal Year 2022, the Village Board enacted the Housing Trust Fund Ordinance, which established the Housing Trust Fund which provides sustainable financial resources to address the affordable housing needs of eligible households in Oak Park. This is accomplished by preserving and producing affordable housing, providing housing-related financial support and services to eligible households, and providing financial support for not-for-profit organizations that actively address the affordable housing needs of eligible households. In 2023, four projects totaling \$1,484,423 were approved for funding. As of December 31, 2024, those four projects have \$866,439 in unspent funds. Unallocated funds available in the fund as of December 31, 2024 is \$1,963,335.

## American Rescue Plan Act Fund

### Fund Summary:

Under the American Rescue Plan Act of 2021, the Village received a total allocation of \$38,984,402. Half of this amount, or \$19,492,201 was distributed to the Village in 2021 and the second half was distributed in June 2022.

These Funds can be spent under the following broad categories:

- 1) Replacing lost revenues for four calendar years (2020, 2021, 2022 and 2023)
- 2) Support public health in response to COVID-19 (i.e. vaccinations, education, rental assistance, business grants/relief)
- 3) Provide for economic mobility by addressing negative economic impacts created by the public health emergency related to COVID-19 (i.e. homelessness)
- 4) Health equity (water, sewer, and broadband infrastructure)

Pursuant to #1 above (lost revenues), once funds have been deemed by the municipality and accepted by the US Treasury as lost revenue, according to Federal guidance, these funds will then become less restrictive with the only spending prohibitions being: 1) using those funds paying for debt service (principal and interest), 2) paying down pension liabilities, 3) payment of legal settlements/judgements, and 4) replenishing financial reserves.

## **Bullet Proof Vest Grant Fund**

### **Fund Summary:**

The Bullet Proof Vest Grant is a U.S. Department of Justice initiative designed to provide a critical resource to state and local law enforcement. The police department applies for the grant every year to purchase and replace sworn officers' bullet proof vests.

## Community Development Block Grant (CDBG)

### Fund Summary

The Community Development Block Grant (CDBG) Program receives revenue from the Federal Department of Housing and Urban Development (HUD). HUD's community development program supports local activities to build stronger communities through activities, which may include infrastructure improvements, economic development, housing rehabilitation and public services.

In program year (PY) 2023 (October 1, 2023 – September 30, 2024) and Village fiscal year 2024 (January 1, 2024 – December 31, 2024), the Village received \$1,539,187 in federal CDBG funding from HUD. Returned funds were allocated to the PY23 budget in the amount of \$1,357,784. The Revolving Loan Fund balance included \$175,000 for a total PY23 budget allocation of \$2,896,971. When returned funds are available from previous HUD allocations they can be allocated to a new program year. In PY2023, additional funds were allocated to Public Works Infrastructure projects. These funds support infrastructure projects that are identified in Low-to-Moderate Income Areas of the Oak Park community.

The total amount of CDBG funds obligated for public services activities must not exceed 15 percent and for administration must not exceed 20 percent of the annual grant allocation. The Village Board approved the allocation of \$230,878 in CDBG funds to 14 non-profit subrecipients who, in turn, funded 15 programs. These 14 non-profit subrecipient organizations have helped to serve thousands of individuals through the following programs:

- The Village's Farmer's Market received \$12,000 in PY23 allocation. CDBG funds are used at the market as a part of a coupon program where SNAP participants receive up to a \$25 match in the form of "LINK bucks" to purchase additional farm-fresh products. It is estimated that over 200 individuals benefited from this program.
- Five non-profit organizations received Public Facility Improvement funds for a total amount of \$218,256. These organizations are located in the Oak Park community and provide services to clients who qualify as low to moderate income (LMI). Eligible activities for facility improvement funds are required to follow HUDs guidelines.
- CDBG funds support infrastructure and housing rehabilitation. Public Works Infrastructure projects this year include: alley, ADA sidewalks and ramps, and water line improvements totaling \$1,400,000. Housing rehabilitation includes: single family rehabilitation, small rental rehabilitation, project implementation, lead hazard reduction, and code enforcement for \$240,000.
- Administration funds helped to Oak Park Homeless Coalition and the CDBG Staff. The total amount of CDBG funds for this activity received \$307,837 to support both programs.

In program year (PY) 2024 (October 1, 2024 – September 30, 2025) and Village fiscal year 2025 (January 1, 2025 – December 31, 2025), the Village will receive \$1,581,724 in federal CDBG funding from HUD. Returned funds were allocated to the PY23 budget in the amount of \$644,558.58. The Revolving Loan Fund balance included \$175,000 for a total PY24 budget allocation of \$2,226,282.58. When returned funds are available, from previous HUD allocations, they can be allocated to a new program year. In PY2024, additional funds were allocated to Public Works Infrastructure projects. These funds support infrastructure projects that are identified in Low-to-Moderate Income Areas of the Oak Park community. The total amount of CDBG funds obligated for public services activities must not exceed 15 percent and for administration must not exceed 20 percent of the annual grant allocation.

In Program Year 2024 CDBG Funds will be used to help accomplish the current 2024-2024 Village Board of

Trustee Goals:

- **Vibrant, Diverse, and Connected Neighborhoods**
  - Examine increasing financial and programmatic support for organizations working to assist the unhoused.
  - Explore the potential use of any Village satellite office space for street outreach.
  - Engage and bridge gaps with private landlords to allow access to available, vacant residential properties in the Village.
  - Host community forums to promote education, awareness, and advocacy within the community for residents, social services, and our unhoused population.
  - Provide resources to the business communities to ensure they understand how the Village is working to address unhoused residents and panhandling.
  - Review policies around unattended belongings and encampments within the community and Village staff engagement with unhoused residents.
  - Support the Oak Park Homelessness Coalition in identifying warming and cooling shelters that are accessible throughout the year as inclement weather conditions effect the area.
  - Support Housing Forward and the Oak Park Homelessness Coalition to advocate with State Officials and the Homelessness Office for additional resources in the Oak Park community.
  - Include support for the unhoused in the Village’s alternative mental health call response model.
  
- **Sustainability & Resiliency:**

Identify, review, and seek Board direction on revenue options for Climate Ready actions, i.e., a) incorporating housing-related actions into CDBG programming; b.) funding transportation-related actions through the motor fuel tax and fee-based EV charging; c.) funding energy-related actions through energy utility revenue; d.) funding Office of Sustainability & Resilience staff personnel costs from the General Fund (outside the Sustainability Fund). Beginning October 1, 2024 there is a new CDBG Initiative for an LMI families to utilize an Energy Efficiency program.

## **Community Development Revolving Loan Fund**

### **Fund Summary**

Funding for the Village's Single-Family Rehab Loan Program comes from the Village's Community Development Revolving Loan Fund, which is composed of funds repaid by previous participants in the program. Additionally, the Village offers a grant to homeowners facing lead-based paint hazards, utilizing other Community Development Block Grant (CDBG) funds to remedy the situation. This program helps Village homeowners maintain safe and habitable living conditions while also encouraging community development. By providing a low-interest loan option, the Village can address the needs of homeowners who may otherwise struggle to fund necessary repairs. The Revolving Loan Fund allows for continued investment in the program, ensuring its long-term viability and positive impact on the community. With the help of the CDBG funds, homeowners can rest easy knowing that their living conditions are safe and healthy, contributing to the overall well-being of the Village.

## **Cook County Lead Hazard Prevention Grant Fund**

### **Fund Summary**

The Cook County Board of Commissioners authorized the creation of the Lead Poisoning Prevention Fund that led to the establishment of a Lead Prevention Program. Funds from the County's Lead Prevention Program are utilized to award grants to provide for the provision of lead mitigation and abatement services to low income applicants in Cook County. The County's Lead Prevention Program (LLP) Grant is administered by the Cook County Department of Public Health Lead Poisoning Prevention and Healthy Homes Unit (LPPHHU).

The Village of Oak Park is a Cook County LLP grant recipient. The Village is responsible for soliciting, receiving, maintaining and documenting its review of all applications for assistance through the LPP Grant Program. The Village's grant award has, over time, been expanded to include outreach and education activities.

The Lead Prevention Program is limited to single family homes or single dwellings within a residential building and is further targeted towards persons at risk. Qualifying residential units must be owned or occupied by low income homeowners with an income of less than 120% AMI (Adjusted Median Income) and be occupied by at least one pregnant woman or occupied by at least one child, six years or younger. Direct lead hazard control activities, as administered and initiated by the Village, can consist of lead abatement or mitigation, lead risk assessments, occupant relocation, and clearance testing.

## Farmer's Market

### Fund Summary:

The Oak Park Farmers' Market has been a source of sustainable, healthy, and locally-grown food for 49 years. It also serves as a shared community space for socializing, coalition building, community engagement and education. Shopping at the market supports our regional agricultural system and green economy. The market season begins on the second to last Saturday of May and continues through the end of October, and the current market hours are 7:00am – 1:00pm.

In the 2024 season, the Market hosted 26 fulltime vendors, along with community non-profit bake sales, several pop-up vendors, and children's events from local youth-serving organizations. The Market also hosted its traditional special events, including Go Green Days, the annual corn roast fundraiser, the pie bake-off and the season-closing Stone Soup event. Staff also sold Oak Park Farmers Market branded t-shirts, sweatshirts, onesies and stickers.

The Farmers' Market accepts LINK payments for the purchase of fresh produce and other Market goods, an important resource for Oak Park residents as well as those that live in the surrounding communities. In addition to accepting LINK cards, the market also provides matching vouchers for purchases up to \$25. This program provides food security for low-income visitors and allows them to continue to shop the market. For the 2024 season, CDBG funds were used to reimburse vendors for these purchases, and in 2024 granted the Market \$12,000 for this purpose. In addition, Experimental Station provided the Market \$18,000 in funds for a similar matching program, which provides advertising funds to grow the program and matching funds up to \$25 in LINK dollars to redeem on fruits and vegetables.

## **Federal RICO Fund**

### **Fund Summary:**

The Federal Recovered Drug Asset Forfeiture Fund is a fund by which assets related to drug crimes can be seized by federal government. A percentage of those seized assets can then be turned over to the involved local enforcement agencies. Proceeds can only be used for law enforcement purposes and have been utilized in the past to purchase police vehicles and other crime fighting equipment.

## **Foreign Fire Insurance Fund**

### **Fund Summary:**

The Foreign Fire Insurance program is comprised of a Board of Directors that is elected from the members of the Oak Park Fire Department. The mission of the Board is to receive and account for revenues from the tax issued on fire insurance policies sold by foreign (out of state) insurance companies, and to use such funds for the maintenance, use, and benefit of the Oak Park Fire Department.

## Health Grant Funds

### Funds Summary:

The Oak Park Public Health Department is funded from a combination of sources including local fee-for-services, local tax support and grant funding from Federal, State, County and other not-for-profit grant sources. The Oak Park Public Health Department has been Illinois State Certified Public Health Department since 1948. Being a certified state health department makes the Health Department eligible to apply for various state grants only available to state certified health departments. The Public Health Department's 2024 budget includes \$863,183.00 in potential grant revenue from sixteen different grant programs. Of those sixteen (16) grants, ten (10) grants have been awarded because the Health Department is a state certified health department.

1. Local Health Protection Grant: As a certified local health department, the Oak Park Public Health Department must implement a comprehensive program to control infectious diseases and a comprehensive food protection program. Each certified local health department must administer these health protection programs in accordance with the Local Health Protection Grant Code (77 Ill. Adm. Code 615).
2. Body Art Grant: This Body Art Establishment funding makes possible the inspection of businesses in Oak Park that provide body art services. Inspections are conducted as required by the Body Piercing Establishment Registration Act by trained local health department inspectors.
3. Tanning Grant: Under this grant, the Public Health Department makes inspections and investigations under the authority of the Tanning Facility Permit Act (210 ILCS 145/1-83) and the Tanning Facilities Code (77 Ill. Adm. Code 795). The Environmental Health team performs inspections, investigation, surveillance, enforcement and administrative activities for the performance of this grant agreement.
4. Lead Poisoning Prevention Grant: Provides funding to local health departments to carry out the provisions of the Lead Poisoning Prevention Act (410 ILCS 45/1) and Lead Poisoning Prevention Code (77 IAC, Part 845) through nursing case management and environmental inspection.
5. Vector Surveillance and Control Grant (IDPH & Cook County): Provides funding to local health departments for surveillance and prevention of West Nile virus, Zika and other mosquito-borne and vector-borne diseases (mosquitoes, ticks, rodents and other potential vectors of human disease, and conduct surveillance of animals that provide a reservoir for disease producing organisms) as described in the Vector Control Act (410 ILCS 95).
6. Tick Surveillance Grant: With this new grant the Public Health Department will conduct tick surveillance in the spring and fall which includes pathogen testing and informing the public about personal protection against tickborne disease. The Illinois Department of Public Health may issue grants for vector surveillance and prevention as described in the Vector Control Act (410 ILCS 95).

7. Illinois Tobacco-Free Communities Grant: The purpose of this grant is to provide funding to certified Illinois local health departments to implement strategies and activities for tobacco prevention, control and business compliance with the Smoke-Free Illinois Act within their jurisdictions. Under the Illinois Tobacco-Free Communities (ITFC) program, local tobacco prevention and control programs will implement science-based, policy-focused strategies aligned with State and national goals and objectives to 1) prevent tobacco use among youth; 2) promote tobacco use cessation among adults and youth; 3) eliminate exposure to secondhand smoke; and 4) identify and eliminate tobacco-related health disparities among specific population groups. Each year the Department selects an enhancement activity for this program; in FY24, this includes working with multi-unit building owners and managers to establish smoke-free environments.
8. Public Health Emergency Preparedness Grant: The purpose of this grant is to fund eligible Illinois certified local health departments to assess, prioritize, build, and exercise the necessary resource elements, tasks, and functions of the Centers for Disease Control and Prevention's (CDC) 15 Public Health Emergency Preparedness (PHEP) Capabilities National Standards. These standards are intended to prepare the Village to prevent, mitigate, and recover from the top hazards to public health in its jurisdiction. This includes both specific mandated deliverables from the Scope of Work and Performance Measures selected during the application process, as well as various activities selected and prioritized by the applicant according to these instructions.
9. Community Readiness Initiative Grant: The purpose of the Cities Readiness Initiative Program is to provide funding to certain certified, local health departments located in federally-designated Metropolitan Statistical Areas (called MSAs) in Illinois, outside of the City of Chicago, to prepare for public health events involving the distribution and mass dispensing/ mass vaccination of emergency medical countermeasures. These jurisdictions in Illinois are as follows: Chicago MSA, Peoria MSA, and St. Louis MSA. The geographical boundaries of the Metropolitan Statistical Areas are as defined by the Federal Office of Management and Budget (OMB).
10. COVID-19 Crisis Grant: The purpose of this multi-year (December 1, 2021-June 30, 2024) grant is intended to establish, expand, train, and sustain the public health workforce to support jurisdictional COVID-19 prevention, preparedness, response, and recovery initiatives. CDC expects public health agencies to use available funding to recruit, hire, and train personnel to address projected jurisdictional COVID-19 response needs, including hiring personnel to build capacity to address public health priorities deriving from COVID-19.
11. Medical Reserve Corp grant: This grant supports the operational needs of the Village's Medical Reserve Corp.
12. Public Health Institute of Metropolitan Chicago HIV Grant: The Public Health Department has provided HIV surveillance-based-service to targeted individuals living with HIV through an agreement with the Public Health Institute of Metropolitan Chicago since January 1, 2014. This agreement continues the project to locate and intervene with HIV/AIDS positive individuals, previously identified as last residing in Oak Park, who appear to have fallen out of care.
13. CDBG Farmers' Market Healthy Nutrition Incentives Program: This grant provides funding to support the Farmers' Market's SNAP benefits Double Coupon program.

14. Farmers' Market Link Match Program: This grant increases the affordability and accessibility of nutritious Link-eligible foods sold at the Oak Park Farmers' Market for low-income patrons, rebuilding linkages between local agricultural producers and consumers. This grant that helps achieve this goal by providing the Oak Park Farmers' Market with funding for the Double Value Coupon incentive programs for Link Card (Illinois' SNAP program, formerly known as "food stamps") shoppers.
  
15. Cook County West Nile Virus Grant: The purpose of this grant is to provide additional funding for control larval mosquitoes of the genus *Culex*, the primary vectors of WNV and SLE in suburban Cook County, CCDPH.
  
16. Strengthening Illinois Public Health Administration: This is a 5-year grant; the Public Health Department will receive the entire grant amount of \$350,000 and will allocate between \$60,000 - \$110,000 per year. U.S. public-health agencies have been fighting on the front line to protect Americans against COVID-19 for almost three years. To respond to the pandemic, public-health departments across the country have had to assume new and expanded responsibilities while continuing to deliver their core responsibilities and services as part of the public-health system. Almost half of all employees in state and local public health agencies left their jobs between 2017 and 2021. If this trend continues, half of the governmental public health workforce will have left their jobs by 2025. Stagnant funding and cumbersome hiring processes have left departments struggling to attract, retain and train the specialized and diverse talent they need to better reach, serve, and reflect their communities. The Public Health Department will use the funds for workforce development activities, including hiring, retention, training, and other incentives to support and sustain the public health workforce.

## **Rebuild Illinois Grant Fund**

### **Fund Summary:**

In 2019 Governor Pritzker signed the REBUILD ILLINOIS capital plan to fund transportation projects throughout the state. As part of this plan the Motor Fuel Tax (MFT) law was amended to increase the motor fuel tax. A portion of this increased revenue from motor fuel taxes is being used to fund the roughly \$1.5 billion REBUILD ILLINOIS capital plan. The State distributed these Rebuild Illinois grant funds to municipalities in six (6) disbursements over a three (3) year time period. The Village of Oak Park received \$3,418,964 over this three (3) year time period starting in 2020.

Rebuild Illinois Grant Funds can only be used for bondable transportation capital improvements with an average useful life of 13 or more years and must follow The Illinois Department of Transportation processes and procedures. The Village was approved to use the REBUILD funds for the Division Street Resurfacing project and the Madison Street Improvement project.

## **JAG Grant Fund**

### **Fund Summary:**

The Justice Assistance Grant (JAG) program is the primary provider of federal criminal justice funding to units of local government. The awards are based on a statutory formula. The funds may be used to purchase equipment, supplies, contractual support, training, technical assistance, and information systems for criminal justice. Criminal justice is defined as “activities pertaining to crime prevention, prevention or reduction, or the enforcement of the criminal law.”

## **Madison Street Tax Increment Financing District**

### **Fund Summary:**

The Madison Street TIF was adopted by the Village Board on February 6, 1995 and at that time it identified the following projects (along with costs estimates) for the Madison TIF District:

The Madison Street TIF terminated on December 31, 2019. However, a budget is provided to account for any residual expenses which were obligated on or before this TIF expiration date but have not yet been invoiced or paid.

## **Motor Fuel Tax Fund**

### **Fund Summary:**

The Motor Fuel Tax (MFT) Fund receives the Village's share of the state gasoline tax distributed to municipalities based on a multi-layered formula. These funds are transferred to the General Fund to be used for labor and material costs associated with maintaining roadways throughout the Village.

## **Special Service Area (SSA) #1**

### **Fund Summary:**

The Special Service Area (SSA) #1 Fund is used to account for the property tax receipts as collected by the County. The area, which is confined to the greater downtown Oak Park area, levies a separate tax to assist in the marketing and promoting of businesses in the district.

The expenditure of these funds is subject to the on-going application of an agreement between the Village of Oak Park and the Harlem Lake Marion Corporation (commonly referred to as Downtown Oak Park).

## **Section 108 Loan Fund**

### **Fund Summary:**

The Village's Section 108 Loan Fund was established in order for Oak Park businesses to be able to utilize up-to \$3 million dollars in available federal money provided by the Department of Housing and Urban Development (HUD). Eligible Oak Park Section 108 Loan Fund activities include acquisition, rehabilitation, operating capital and the purchase and installation of equipment.

Federal guidelines require that every Section 108 Loan Fund activity must be CDBG-eligible and must create and/or retain permanent full-time jobs, at least 51 percent of which must be held by or made available to low and moderate income persons. Also, one low and moderate income full-time equivalent job must be created, or retained, for every \$35,000 invested in a Section 108 Loan Fund activity.

Oak Park businesses seeking a Section 108 loan are expected to have additional sources of funding for the proposed economic development activity. In order to minimize the risk to the Village, each loan application is required to go through an intensive and thorough review process, based on accepted underwriting standards and HUD guidelines.

## **Travel, Training & Wellness**

### **Fund Summary:**

The Travel, Training & Wellness Fund exists to fund initiatives related to the professional and personal development of the Village's workforce. Revenues in the Fund are generated from point rewards issued when purchases are made with Village credit cards. The credit card rebate is paid to the Village each January and credited to prior year budget revenue. There are no legal restrictions for use of these funds.

## Fleet Replacement Fund

### Fund Summary

The Fleet Replacement Fund is dedicated to tracking expenses associated with vehicle purchases for Village departments, excluding those within the Village's Enterprise funds (Water/Sewer, Parking, and Environmental Services).

The Fleet Services Division, part of the Public Works Department, collaborates with relevant departments to assess equipment needs and determine optimal replacement cycles. This process is based on a thorough analysis of maintenance cost-effectiveness, life expectancy, technological advancements, environmental impacts, and the reinvestment of resale proceeds.

The Fleet Services Division is committed to the fiscally responsible expansion of our Green Fleet. Our goal is to ensure that all equipment meets the specific needs of each Village department while reducing fuel consumption and contributing to environmental sustainability. The Village's Green Fleet currently includes 2 Compressed Natural Gas (CNG) pickup trucks, 34 hybrid vehicles, 20 electric vehicles, and 58 diesel vehicles running on B20 biodiesel fuel. As a result, 53% of our fleet now uses alternative fuels, underscoring our dedication to a sustainable future.

The Village owns and maintains 214 vehicles and pieces of equipment dedicated to each department as follows:

- Village Hall vehicles include Development Customer Services, Health Department, and Pool cars: 19 total: 6 hybrid sedans, 10 EV sedans, 1 EV van, and 1 ICE SUV.
- Police: 75 total: 41 marked squads and 22 unmarked squads. The remaining vehicles consist of CSO vehicles, specialty vehicles, and generators. Of these, there are 11 Patrol hybrid SUVs, 1 unmarked hybrid SUV, 3 unmarked EV SUVs, and 1 CSO hybrid sedan.
- Parking Enforcement: 5 total: 1 Minivan, 2 hybrid pickups, and 2 hybrid SUVs.
- Fire: 17 total: 3 Pumpers, 1 ladder truck, 4 ambulances, 1 pickup truck, 2 SUVs, 1 sedan, 2 admin hybrid sedans, 2 inspector EV sedans, and 1 ATV.
- Public Works: 65 total: 4 admin/pool EVs, 7 admin/pool hybrid vehicles, 1 admin/pool SUV, 1 full-size van, 1 minivan, 8 pickup trucks, 1 bi-fuel CNG pickup, 4 aerial trucks, 14 large trucks, 2 front end loaders, 5 one-ton trucks, 1 garbage truck, 1 street sweeper, 1 tow truck and 14 various pieces of equipment and trailers.
- Parking Fund vehicles: 5 total: 1 hybrid pickup, 2 minivans, 1 bi-fuel CNG pickup truck with plow, and 1 small SUV.
- Water & Sewer Fund vehicles: 27 total: 5 large trucks, 3 one-ton trucks, 2 backhoe/loaders, 1 front-end loader, 3 pickup trucks, 1 portable pumping station generator, 1 stationary pumping station generator, 2 hybrid pickup trucks, 1 EV sedan, 1 minivan, 1 EV van, 1 step van, and 5 various pieces of equipment and trailers.
- Environmental Services Fund: 1 pickup truck.

## **Capital Improvement Fund**

### **Fund Summary:**

The Capital Improvement Fund generates revenue through a dedicated 1% home rule sales tax, a six cent per gallon gasoline tax, a 3% local cannabis tax, an allocated 1% telecommunications tax, as well as grants and bond proceeds.

The fund's most notable expenses are the repair and replacement of local streets, alleys and sidewalks. It also funds the other capital funds through inter-fund transfers.

## **Enterprise Funds Overview**

The Village has the following three enterprise Funds:

- Environmental Services
- Parking
- Water

Enterprise Funds are distinguished from other Village Funds in that they are often run similar to a business and funded by user fees rather than taxes or other revenue sources typically assessed to the public for funding general Village operations. Enterprise Funds usually serve a very specific purpose such as providing water/sewer services or refuse pickup and such services are billed directly to the customer or user of such service.

For these types of Funds, the Village may still issue bonds to help pay for non-routine capital improvements or expenditures but the payment on the debt service for this bonds is usually abated (removed) from the tax levy and paid by user fee revenue within the Fund. Finally, although expenses in these Funds are kept separate and not paid for by general Village revenues, the same rules apply regarding purchases and same level or degree of due diligence is performed to receive the best services at the lowest possible cost.

## **ENVIRONMENTAL SERVICES FUND PUBLIC WORKS DEPARTMENT**

---

### **EXECUTIVE OVERVIEW**

#### **DEPARTMENTAL SUMMARY**

The Public Works Department provides oversight and management of the Environmental Services Fund through its Environmental Services Division. This division manages the Village's solid waste collection and comprehensive recycling and compost programs. Waste, compost and recycling collections are provided through a contracted waste hauler. The contracted services are provided to single and multi-family residential structures up to five units, as well as several municipal and institutional facilities.

The Environmental Services Fund also supports the fall leaf collection program, Keep Oak Park Beautiful programs, Household Hazardous Waste and Electronics recycling programs, special collections and an enforcement program which provides enforcement of the Village Ordinances including solid waste and alley related violations.

This Fund transfers resources to the Sustainability Fund (a special revenue fund) which supports all expenditures related to Sustainability (a function in the Village Manager's Office) including personnel, materials, supplies and contractual services. The Fund also transfers money to the alley replacement program. The alley replacement fees are assessed on water bill invoices as a refuse charge on residential properties, and as an alley improvement fee, on commercial properties.

Revenues for this fund are generated through the solid waste collection fees which cover the cost of both collection and disposal.

## 2024 WORK PLAN

### Key Projects in Support of Board Goals

#### RACIAL EQUITY

- The Environmental Services Manager is a member of the interdepartmental E2 Team that focuses on integrating sustainability, environmental justice, and equity into individual work throughout all departments at the Village.
- Continue to partner with the Chief Diversity, Equity, and Inclusion Officer to achieve and develop equity-related goals.

### Department Baseline Service Levels, Goals and Initiatives

Environmental Services 5055.43760.101
---------------------------------------

- Continue to promote the Village’s Composting program and offerings in the hopes of reaching a 20% increase to the 2024 participation rate (increase from 23.2% to 27.8%). This includes planning another resident engagement for 2024 International Compost Awareness Week.
- Continue to provide education on acceptable recyclable materials to reduce the overall contamination of Oak Park recycling. Annual recycling audits are conducted by Lakeshore Recycling Services to track contamination rates.
- Continue to work with the Development Customer Services and Sustainability departments to provide technical support and guidance for multi-family residents and commercial composting programs.
- Expand the Keep Oak Park Beautiful alley and neighborhood clean-up programs by partnering with schools and youth groups and providing kid-sized clean-up supplies.
- Continue to compile and post the recycling rate reports from commercial haulers throughout the study window.
- Continue to promote the Green Block Party program and work with community partners at Green Community Connections.
- Continue to facilitate zero-waste programming at community events.
- Manage the 2024 leaf collection and the sidewalk snow removal programs.

## 2023 ACCOMPLISHMENTS

### Key Projects in Support of Board Goals

#### AFFORDABILITY

- In May 2023, the Village implemented a Kitchen Compost Pail Program to provide a lower-cost option for supporting organics diversion in Oak Park. Residents (both single family and multi-family) may purchase a kitchen compost pail from the Cashier's Window at Village Hall for \$10 to facilitate collection of food scraps inside of the home and increase utilization of the four public compost drop-off sites throughout the community.

#### COMMUNITY SAFETY

- The Environmental Services Division of Public Works manages the sidewalk snow removal program for residents who are not physically able to remove snow and ice helping to maintain pedestrian safety during the winter.

### Department Baseline Service Levels

- The Village continues to work closely with the contracted waste hauler's Operations Supervisor, Municipal Services Manager, and Customer Service Representatives to quickly, efficiently, and equitably resolve all waste-related issues and improve the level of services provided to residents.
- The compost program serves over 2,799 residents, approximately a 25% participation rate. In May 2023, the Village initiated a Compost Bingo Raffle Game as part of International Compost Awareness Week. The engagement raised awareness of all Environmental Services programs and the Climate Ready Oak Park Plan, resulting in 9 new compost participants that week. In 2020, the Village Board initiated an incentive of providing three months free, for one year of participation in the program, along with a free kitchen pail. The Village Board incentive is a continued contributing factor to the increase in participation.
- The Green Block Party program has been enhanced with additional sustainability-related programming provided by our community partners at Green Community Connections.
- The Village restarted the Recycling Participation Rate Study for Commercial Waste Haulers in July 2023 to determine if a Commercial Waste Hauling Franchise agreement can be adopted by the Village. The three-year study window will continue through June 30, 2026. The hauler reports are compiled and posted publicly on the Village website.
- The Village hosted two Paper Shredding Events in 2023, with the addition of Foam Recycling Collection at the Fall event.
- The Village facilitated zero-waste and waste reduction/diversion initiatives at community events.

## **PARKING FUND DEVELOPMENT SERVICES DEPARTMENT**

---

*The Development Services Department's mission is to enhance the quality of life in the Village of Oak Park by providing efficient, consistent, cost-effective, courteous and prompt customer services designed to encourage investment in our community.*

### **PARKING & MOBILITY SERVICES DIVISION SUMMARY**

Parking is a scarce resource in the Village of Oak Park, which was fully developed by the 1930's before the number of vehicles had reached today's levels. The Parking and Mobility Services Division of the Development Services Department manages all operations related to public parking including the allocation, regulation, and enforcement of this limited, shared resource. In managing the supply and demand of public parking resources, the Division balances the needs of Oak Park residents, businesses, customers, commuters and visitors. The Division continues its work educating the public on how walkable the Oak Park community is with many public transit resources that reduces the need for private car transportation.

The Parking and Mobility Services Division manages all publicly provided parking, including four public parking garages comprised of 2,348 spaces, 93 off-street parking lots, an estimated 100 blocks of on-street permit parking and nearly 1,500 pay-by-plate or metered parking spaces comprised of 156 pay stations and a white label mobile app, called "*ParkOakPark*" or "POP". In addition, the Division manages a comprehensive parking permit and pass system. In Fiscal Year 2025, the Parking Enforcement Division of the Police Department will transition from the Parking & Mobility Services Division of the Development Services Department to ensure consistent enforcement activities, better align communications, and harness existing and new technologies.

The Division also administers the sale of Oak Park Village vehicle licenses (previously stickers), which became sticker-less in 2019, along with all parking permits, in an effort to streamline enforcement while reducing paper use and expenditures. The Division also reviews, researches, and recommends any additions or revisions to existing public parking regulations within the Village, as liaison to the Transportation Commission. Division staff also coordinates the displacement of registered vehicles during major capital improvement projects, private construction projects and special events. Further, the Division oversees traffic safety and construction logistic plans in conjunction with the Engineering Division of the Village's Public Works Department.

The Division oversees an extensive elective vehicle charging station network, providing charging capabilities for up to 32 electric-vehicles charging ports that are located in various public garages and parking lots throughout the community.

## 2025 WORK PLAN

### Key Projects in Support of Board Goals

Parking Administrative 5060.43770.101
---------------------------------------

#### **AFFORDABILITY**

- Evaluate additional opportunities for residents to qualify for the Village’s Reduced Parking Permit Fee Program. This program, implemented in 2023, was originally only available for participants of the Oak Park Housing Authority’s Housing Choice Voucher Program. Since then, eligibility was expanded to residents of select affordable housing properties, clients of an interim housing shelter operated by Housing Forward, and residents of other emergency shelter locations in the Village.
- Continue the evaluation of the future of the Village’s Oak Park & River Forest High School Community Parking Garage through continued collaboration and negotiations with School District 200.

#### **COMMUNITY SAFETY**

- Implement technology-based upgrades to the *ParkOakPark* application for Village parking permits, vehicle licenses, citations, vehicle immobilization, as well as license plate recognition capabilities. Completion of this task continues to require coordination with the Adjudication, Finance, Information Technology and Police Departments.
- In coordination with the Village’s comprehensive wayfinding initiatives, design, fabricate and install upgraded public parking lot regulation signage to improve readability and overall compliance with regulations.
- In collaboration with Public Works Department staff and the Transportation Commission, implement the relative work items outlined in the Village’s 2024 update to the Bike Plan, including but not limited to bike-sharing.

#### **VIBRANT NEIGHBORHOOD**

- Manage the transition of Parking Enforcement from the Police Department to the Development Services Department to approach enforcement through customer service, economic vitality and equity lenses.
- Coordinate the third phase of fabrication and installation of revised and improved on-street parking restriction signage, as approved by the Village Board and as tested as part of the Village’s Parking Pilot Program.
- Continue the ongoing evaluation of the Village’s High-Volume Business Validation Parking Program to determine if program eligibility needs to be adjusted to expand the number

of qualifying businesses in an effort to lessen parking pressures for neighborhoods in and around business districts.

- Implement the results of the operations and technology assessment of Village-owned parking structures in an effort to maximize functionality of the facilities and the various customer types and parking programs administered by the Village. This will result in an improved overall customer experience as well as improved vibrancy for nearby business districts and residential neighborhoods.
- Coordinate the site-selection, purchase, installation and programming of additional pay-by-plate parking terminals on roadways and public lots and enclaves throughout various business districts. These stations are integrated with the *ParkOakPark* application, allowing parkers to also pay via their mobile device. Pay stations are necessary from an equity perspective to ensure that users with limited access to technology and/or electronic payment are still able to utilize public parking. From an environmental justice perspective, the pay stations are solar-powered and do not require the continued use of fossil fuels.

## **SUSTAINABILITY**

- In conjunction with the Public Works Department, coordinate the capital improvement projects identified for 2025 in the multi-year condition assessment of the three (3) parking structures owned by the Village in an effort to extend the useful life of the facilities and address building safety concerns.
- Assist the Office of Sustainability & Resilience in the planning and implementation of a potential first/last mile electric transportation service.
- In accordance with the annual lot capital improvement plan and in coordination with the Public Works Department, oversee seal coating, crack filling, drainage improvements and/or complete pavement improvement projects for several municipal parking lots.
- Using funds awarded to the Village through the Illinois Environmental Protection Agency's Climate and Equitable Jobs Act EV Charging Infrastructure Grant Program, manage the installation of five (5) Level 2 dual-port electric vehicle charging stations in Municipal Lot 24 (438 S. Taylor Avenue) and five (5) Level 2 dual-port electric vehicle charging stations in Municipal Lot 15 (924 S. Oak Park Avenue).
- Pending the award of funds through the Federal Highway Administration (FHWA) and U.S. Department of Transportation (USDOT) Charging and Fueling Infrastructure Grant Program, continue the site-selection, procurement and installation of electric vehicle charging infrastructure throughout the community, with an emphasis on locations that serve residents without access to private parking.

## 2024 ACCOMPLISHMENTS

### Key Projects in Support of Board Goals

#### AFFORDABILITY

- Conducted a comprehensive evaluation of the Village's *Employee Discount Parking Program* to identify potential process improvements aimed at increasing availability, access, convenience and overall customer satisfaction. Staff continued the promotion of this very important program, which provided reduced daily parking rates at two (2) Village-owned parking structures to employees that meet particular earning requirements. Approximately 50 businesses benefited from this program each month in 2024.
- Initiated the evaluation of the existing Intergovernmental Agreement with School District 200 for the Village's Oak Park & River Forest High School Community Parking Garage to determine staff recommendations for the future ownership and operation of the facility.
- Secured an access agreement for data from the Illinois Secretary of State Department of Motor Vehicles to improve enforcement efforts surrounding the Village's Vehicle License program, which provides much-needed revenue to fund Village infrastructure projects. This access will ensure the equitable application of the Village's Vehicle License requirement, regardless of whether the resident utilizes public permit parking or private parking.

#### COMMUNITY SAFETY

- The Division, in collaboration with Public Works Department staff and the Transportation Commission, participated in the 2024 update to the Village's Bike Plan, including the evaluation of potential on-street parking loss as well as the evaluation of reinstating a bike share program.
- The Division managed all temporary parking accommodation requests arising from infrastructure projects, development projects, special events and filming production projects in the community.
- The Division reviewed all right-of-way obstruction permit applications related to the placement of dumpsters, storage pods or moving trucks within the public right-of-way.

#### VIBRANT NEIGHBORHOOD

- Following the 2023 expansion to seven (7) overnight on-street parking permit zones, staff recommended additional modifications to two (2) select zones in order to further improve parking access for residents, particularly those in multi-family dwellings.

- The Division continued the improvement of and promotion of the *ParkOakPark* app, aimed at centralizing various parking services, including mobile pay-by-license-plate parking, permit and vehicle license sales, and parking citation payment and management. Specifically, in 2024, the Village launched a mobile guest check-out option, providing a convenient payment option for tourists and other visitors to the Oak Park community.
- The Division completed Phase 2 of the daytime parking restriction sign upgrade project, which standardizes weekday daytime parking restriction signage throughout the community, as tested in the Village's Parking Pilot Program. The project also updated other existing signage, including overnight permit parking signage. A major component of this project is the continued promotion and education campaign surrounding the resident exemption from daytime parking restrictions (when parked on their residential block face), as verified by enforcement staff through possession of an active Village Vehicle License.

## **SUSTAINABILITY**

- The Division secured a \$100,000.00 grant from the Illinois Environmental Protection Agency's Climate and Equitable Jobs Act EV Charging Infrastructure Program and began coordination with ComEd and other stakeholders. The project, which will be completed in 2025, calls to install five (5) Level 2 dual-port electric vehicle charging stations in Municipal Lot 24 (438 S. Taylor Avenue) and five (5) Level 2 dual-port electric vehicle charging stations in Municipal Lot 15 (924 S. Oak Park Avenue).
- Effective August 26, 2024, pursuant to Village Board direction, the Division implemented a user fee of \$0.25 per kWh for the Village's publicly-accessible electric vehicle charging stations. Revenue from this fee will be used to offset operation and maintenance costs associated with EV charging infrastructure. Furthermore, any profit from the user fee can be dedicated to the expansion of public EV charging infrastructure.
- Pursuant to a five-year condition assessment of three (3) Village-owned parking structures, the Village completed significant improvements and repairs to the structures in 2024. This work, which will continue in 2025, will ensure safe and efficient facility operations and extend the overall lifespan of the structures.
- Seal coating, crack filling, drainage, and other improvements to various surface parking lots originally slated for 2023 were deferred so funds could be reallocated to the Lot 10 Reconstruction and Streetscape Project. This project included the installation of permeable pavement to mitigate contaminated stormwater runoff among other significant improvements.
- The Division applied for Round 2 funding through the Federal Highway Administration and U.S. Department of Transportation Charging and Fueling Infrastructure Discretionary Grant Program. If awarded, this funding would significantly increase the number of Village-owned publicly-accessible EV charging ports over the next several years. In

accordance with *Climate Ready Oak Park*, the project would specifically seek to increase access to EV charging stations and parking for residents who do not own a garage.

- The Division continued its efforts to promote electronic access to Village parking services. Nearly 75% of all parking permit and vehicle license transactions, that previously required residents to come in person to Village Hall to facilitate, are now handled online. Continued process and technology improvements in 2024 have improved the virtual use of the Village's ParkOakPark application and the Passport software.

## **WATER & SEWER FUND**

### **DEPARTMENTAL SUMMARY**

The Public Works Department is responsible for the oversight and management of the Public Works portion of this Fund through its Water & Sewer Division.

The Department maintains 105 miles of watermains, 3 water pumping stations, 1,200 fire hydrants, 1,350 water valves, 104 miles of sewers, 6,500 catch basins and 2,000 manholes.

#### ***Water Services***

Public Works is responsible for the delivery of safe, potable water to residents and businesses within the Village and for fire suppression. Purchased directly from the City of Chicago, water is stored in several sites throughout the Village and pumped through water mains. Personnel and contractors supported by this fund are responsible for the emergency replacement of broken mains as well as repair and exercising of system water valves and fire hydrants, repair and replacement of water meters and pumping equipment. The division also responds to requests for locating underground water facilities via the one call system Joint Utility Locating Information for Excavators (JULIE).

Revenues for the Water portion of the Fund are generated through the users of the water system through quarterly metering. Rates are determined based on the charges from the City of Chicago for the delivery of water and the Village's expenses and programming.

#### ***Sewer Services***

Village sewage is transported to the interceptor sewers of the Metropolitan Water Reclamation District of Greater Chicago (MWDGC) where it is eventually treated and discharged into the receiving streams.

Revenues for the Sewer portion of the Fund are generated through the users of the water system as a portion of the utility charges. The Village does not pay the MWDGC for discharging to their sewers. Property owners are assessed on their property tax bill for this service.

**2024 WORK PLAN**  
**Department Baseline Service Levels and Goals**

Water & Sewer 5040.43730.101
------------------------------

- Water purchase from the City of Chicago is projected to approach 1.85 billion gallons for 2024. The City of Chicago is expected to increase their water rates June 1, 2024 based on the Consumer Price Index.
- Non-revenue water data will be submitted to the Illinois Department of Natural Resources.
- In an effort to reduce non-revenue water the following programs are proposed:
  - Complete an annual water distribution system leak survey and make all necessary repairs.
  - Continue to focus on the large water meter testing and/or replacement program to ensure and increase accurate water billing revenue.
  - Develop a non-revenue water distribution monitoring system using available technology.
  - Continue repair/replacement of defective/leaking water valves, fire hydrants and water lines.
  - Install system wide-leak detection system .
  
- Continue the lead water service line replacement program for public water services.
- Continue with engineering design and construction of watermain and sewer replacements per the Capital Improvement Plan.
- Lead Service Line Inventory Report will be submitted to the IEPA.
- Lead Service Line Initial Replacement Plan will be submitted to IEPA.
- Continue the sewer backup grant program to aid residents in basement backup protection.
- Continue the RainReady grant program to encourage private property storm water improvements.
- Continue regular sewer and storm drain cleaning.
- Begin replacement of North Pumping Station Pumps and check valves.
- Included with the development of the AMI is the roll out of a customer service portal where water customers will be able to see their water use via the portal or smart phone. The portal can also be set up to provide customers with notifications when water use is high or a leak is suspected.
- Continue use and updating of the water & sewer GIS data.

**2023 ACCOMPLISHMENTS**  
**Department Baseline Service Levels and Goals**

Water & Sewer 5040.43730.101
------------------------------

- The Water & Sewer Division is on pace to complete approximately 140 water and sewer utility repairs in 2023.
- On pace to complete over 80 water service upgrades, on the Village side, from lead to copper as part of the Village program for lead water service line replacement.
  - For the third year, a contractor was approved to assist with this work. CDBG program is available to fund private side lead service line replacement.
- Pilot Program for our system wide leak detection system was installed. System was installed in early April and shown positive results.
- Advanced Metering Infrastructure is being installed and completion in 2024. This will allow for daily reading of the water sold and provide better recording of the Village's non-revenue water.
- Two leak detection surveys of the water system were completed in 2023 with repairs taking place shortly after the leaks were found.
- The testing and/or replacement of over 25 of the Village's large water meters (greater than 2") will be completed by contractor.
- Testing of the Central, South, and North Station Master Meters was completed by a contractor. These are the meters that record the water purchased from the City of Chicago.
- The Public Works Department is projecting the water purchase from the City of Chicago to be approximately 1.80 billion gallons for the 2023 calendar year.
- Based on the current trending, the Village may experience 19% non-revenue water for the water distribution system. The non-revenue water data is to be submitted annually to the Illinois Department of Natural Resources.
- Central Station Pump station improvements which will replace pumps and Variable frequency drives.
- Engineered and constructed Sewer Replacement on Division from Grove to Oak Park and near Ridgeland. Sewer lined on Division from Hayes to Humphrey.
- Engineered and constructed Water Main Replacement on Madison from East to Oak Park, Division from East to Elmwood, Augusta from Lombard to Austin.
- Emergency Disconnects will be removed at Harlem & Garfield and Roosevelt & Austin
- Distributed the Annual Water Quality Report via electronic format.
- Valve Replacement Program will be completed by a contractor to replace three large diameter valves.
- Annual Sewer Inspection, Cleaning, and Televising.
- The Village continued the sewer backup protection program and RainReady grant programs. Both programs have been very popular and at times will have a waiting list.

## Internal Service Funds

The Villages Internal Service Fund (ISF) are used to track revenues and expenses that do not require legal separation from the General Fund but are budgeted and tracked independently for internal control, transparency, and accounting purposes. The following ISF are included under this section:

- Debt Service Fund
- Health Insurance Fund
- Self-Insured Retention Fund (SIRF)

The Self Insured Retention Fund is used to account for all expenses related to general liability and workers compensation case claim payments as well as related insurance premiums paid for stop loss coverage which is currently \$750,000. This Fund does not have its own dedicated revenue source and is funded by inter-fund transfers-in from other Village Funds.

The Health Insurance Fund is used to track and account for expenses related to the Village's health and life insurance benefits provided to eligible full time employees. Eligible employees receive a comprehensive health insurance benefit which includes either a PPO or HMO option chosen by each employee and a prescription drug benefit as well.

In addition, the Village provides eligible employees with a flat \$50,000 life insurance benefit at no cost and employees may purchase at their own expense additional coverage above this amount.

Finally, with a certain limited exception, dental insurance is available and offered to employees at an employee's own expense.

The largest expense in this Fund is related to health insurance coverage. The Village is self-insured and uses Blue Cross/Blue Shield to administer its plans. Actual health insurance claims are paid out of this fund and budgeted as expense while corresponding revenues are budgeted from Village contributions, employee payroll contributions, and pensioner/COBRA contributions.

The Debt Service Fund accounts for all principal and interest payments made on bond issues which are not dedicated to Special Revenue or Enterprise Funds. Detailed schedules by bond issue are provided within this budget document.

## **Debt Service Fund**

### **Fund Summary:**

The Debt Service Fund accounts for the general debt of the Village. Debt is also paid directly by the Village's Enterprise Funds if the proceeds were used for expenses in one of those Funds.

Annual Debt payments are primarily funded through a portion of the Village's property tax levy.

## HEALTH INSURANCE FUND

### Fund Summary:

The Human Resources Department develops, supports, and administers an employee benefits program that is cost effective while also considered by employees as having value in terms of their total compensation from the Village. Specific benefits provided include:

- Health insurance in the form of two Blue Cross/Blue Shield PPOs and HMOs
- A prescription drug plan with a three-tier co-pay (\$10, \$30 and \$50)
- Village paid basic life and accidental death and dismemberment insurance
- Outsourced S-125 Plan administration for reimbursement of qualified expenses
- Reimbursement for qualified transportation expenses

The Human Resources Department relies on assistance from an insurance broker to provide the most cost-effective benefit plans and options to its employees.

## SELF-INSURED RETENTION FUND

### **Fund Summary:**

The Self Insured Retention Fund exists to fund the payment of liability judgments and settlements, workers compensation settlements, payments, attorney fees and related costs necessary to the defense of those cases.

In recent years, staff has been reviewing various options as they pertain to how the Village insures itself. While maintaining a self-insured status of \$800,000, the Village Board is continually seeking alternatives such as joining an intergovernmental insurance pool in order to reduce costs.

## **Fiduciary Funds**

Pursuant to State of Illinois Compiled Statutes (ILCS), the Village maintains an independent pension board for both the Police and Firefighters' Pensions. The function of these boards is to serve in a fiduciary manner and diligently invest pension assets according to the limitations provided within their respective pension code sections of the ILCS.

On an annual basis, the Village levies a fixed amount which is adopted with its General Fund levy in December of each year. Each pension fund then collects the distributions from its levy and may use the proceeds to either invest and/or pay pensioner benefits. Investments and expenses in the pension funds are not managed by Village staff but are rather handled by the elected or appointed members on each pension board. As such, the Village has limited control over the expenses and investment results in these funds.

The Village does at a minimum adopt the recommended levy based on an annual valuation performed by a qualified, credential, and independent actuary hired by the Village. The Village Board may levy an amount which equals the recommended actuarial amount or increase it at its discretion to reduce unfunded pension liabilities. At a pension board's discretion, it may too hire its own actuary to provide an actuarial valuation and recommend the annual Village levy amount as the employer contribution into the pension fund.

## GLOSSARY OF TERMS

**Account Number:** A line-item code defining an appropriation.

**Accounts Payable:** A liability account reflecting amounts on open account owing to private persons or organizations for goods and services furnished by a government.

**Accounts Receivable:** An asset account reflecting amounts owing on open account from private persons or organizations for goods and services furnished by a government.

**Accrual Basis:** A basis of accounting in which transactions are recognized at the time they are incurred not necessarily at the time they are received. For example, a parking ticket issued (once in final determination) in December, it becomes a receivable to the Village under the accrual basis of accounting. This is different than the cash basis where all activity is recorded only when money changes hands.

**Adopted Budget:** The revenue and expenditure plan for the Village for the fiscal year, as reviewed and approved by the Village Board.

**Appropriation:** An authorization by the Village Board to expend monies and incur obligations for a specific purpose. The adopted budget is the Village's appropriation of fiscal resources for the specific fiscal year.

**Assessed Valuation:** A valuation set upon real estate or other property by a government as a basis for levying taxes.

**Assets:** Property and equipment owned by the Village which has monetary value.

**Audit:** A review of the Village's accounts by an independent accounting firm to verify that the Village's financial statements accurately reflect the Village's financial position. In Oak Park's case, the Village also includes additional information that results in the document to be classified a Comprehensive Annual Financial Report.

**Balanced Budget:** A budget in which planned revenues available equal planned expenditures.

**Basis of Accounting:** A system used by an individual government to determine when revenues have been realized and when expenditures have been incurred. The Village uses the modified accrual basis.

**Bond:** A written promise to pay a specified sum of money, called the face value of principal amount, at a specified date or dates in the future, called the maturity date(s), together with periodic interest at a specified rate.

**Bonded Debt:** That portion of indebtedness represented by outstanding bonds.

**Budget:** A financial plan consisting of an estimate of proposed expenditures and their purposes for a given period, and the proposed means of financing.

**Budget Amendment:** An adjustment made to the budget during the fiscal year, by the Village Board, to properly account for unanticipated changes in revenues and/or expenditures and for program initiatives occurring during the fiscal year.

**Budget Calendar:** The schedule of key dates that a government follows in preparation and adoption of the budget.

**Budget Period:** The period for which a budget is proposed or a budget ordinance is adopted. Normally coincides within the fiscal year.

**Budget Transfer:** A procedure utilized by department to revise budget appropriations within the departmental operating budget accounts. Transfers monies from one account to another and does not increase or decrease the overall budget appropriation for the department.

**Capital Assets:** Assets of significant value and having a useful life of several years.

**Capital Improvement:** A permanent major addition to the Village's real property assets, including the design, construction or purchase of land, buildings or facilities, or major renovations of same. These include installation of re-paved streets, storm drains, water and sewer lines, and other public facilities.

**Capital Improvement Budget:** A financial plan of proposed capital improvement projects and the means of financing them for a given period of time.

**Capital Outlay:** Expenditures relating to the purchase of equipment, facility modifications, land and other fixed assets.

**Capital Project:** A project that results in the purchase or construction of capital assets. Capital projects may encompass the purchase of land, construction of a building or facility, or purchase of a major piece of equipment.

**Chart of Accounts:** A numbering system that assigns a unique number to each type of transaction and to each budgetary unit in the organization.

**CIP:** Capital Improvement Plan.

**Contingency:** Funds set aside for unanticipated expenditure requirements, new programs, or to absorb unexpected revenue losses.

**Debt Limit:** The maximum amounts of gross or net debt that is legally outstanding debt.

**Debt Service:** Payment of interest and principal on an obligation resulting from the issuance of bonds, notes or certificates of indebtedness. There are different types of debt instruments issued by the Village with the most common being General Obligation (GO) debt.

Also included is cash, assets, investments and accounts receivable against outstanding liabilities, such as accounts payable and outstanding contracts.

**Debt Service Fund:** A fund that is established to account for the accumulation of resources for the payment of long-term obligations.

**Deficit:** (1) the excess of an entity's liabilities over its assets; (2) the excess of expenditures over revenues during a single accounting period (e.g., a fiscal year).

**Department:** A major unit of organization in the Village, comprised of sub-units named divisions. i.e. Police; Fire; Public Works

**Depreciation:** Expiration in the service life of capital assets attributable to wear and tear, deterioration, action of the physical elements, inadequacy or obsolescence.

**Division** - A group of related tasks to provide a specific benefit to either the general public or the Village organization. A division is a sub-organizational unit of the department.

**Encumbrance:** Obligations in the form of purchase orders or contracts, which are to be met from an appropriation and for which a part of the appropriation is reserved so that a line-item is not overspent.

**Enterprise Fund:** A fund established to account for the total costs of those governmental facilities and services which are operated in a manner similar to private businesses. These programs are predominately self-supporting from user fees. i.e. Water; Sewer; Parking.

**Equalized Assessed Valuation:** The taxable value placed upon a property in the Village by the Cook County Assessor. The cumulative total of value is a basis for the calculation of the tax levy.

**Expenditure:** Amounts paid for all purposes, including expense provisions for retirement of debt and capital outlay.

**Financial Plan:** A major section of the budget which contains the statement of estimated expenditures, revenues and balances for each major fund.

**Fiscal Year:** A 12-month period of time to which the annual budget applies. For the Village of Oak Park, the fiscal year begins on January 1<sup>st</sup> and ends on December 31<sup>st</sup>.

**Fixed Asset:** A fixed asset is tangible in nature and has a useful life of more than one year. A fixed asset will be capitalized if it meets the previous criteria and has a value of \$10,000 or greater.

**Fringe Benefits:** Various non-wage compensations provided to [employees](#) in addition to their normal [wages](#) or [salaries](#) or paid on their behalf. For example, the employer paid portion of health insurance premiums, federal wage taxes, etc.

**Full-Time Equivalent (FTE):** A part-time position converted to the decimal equivalent of a full-time position, usually based on either 1,950 or 2,080 hours per year. A full-time position that is funded for the year is equal to 1.0 FTE.

**Fund:** A fiscal entity with revenues and expenditures which are segregated for the purpose of carrying out a specific purpose or activity.

**Fund Balance:** The fund equity of governmental funds and trust funds at a particular point of time, usually the end of a fiscal year. The Fund Balance is usually presented on a net accrual basis.

**Generally Accepted Accounting Principles (GAAP):** Uniform minimum standards for financial accounting and recording, encompassing the conventions, rules, and procedures that define accepted accounting principles.

**General Fund:** The Village's principal operating fund which is supported by taxes and fees which can be used for any legal government purpose. It accounts for resources devoted to financing the general services which the Village provides its citizens. In Oak Park, the General Fund funds a majority of Public Safety, Administration, Economic Development, Health and Public Works functions other than enterprise activities.

**General Fund Full-Time Equivalents (FTE's):** The positions that are 100% funded by the Village's General Fund

**General Obligation (GO) Debt:** Debt issued by the Village backed by the full-faith and credit of the government.

**Governmental Accounting Standards Board:** GASB

**Grants:** Contributions or gifts of cash or other assets from another governmental entity or organization to be used or expended for a specific purpose or activity. As policy, the Village tracks grants in individual funds for transparent reporting.

**Infrastructure:** The basic physical framework or foundation of the Village, referring to its buildings, roads, sidewalks, water system and sewer system.

**Inter-fund Transfer:** The transfer of asset revenue from one fund to another to either pay for that fund's proportionate share of expenses incurred or for some other corporate purpose.

**Internal Service Fund:** A fund used to account for the financing of goods and services provided by one department or fund to other departments or funds within the Village.

**Investment:** Securities and real estate held for production of revenue in the form of interest, dividend, rentals or lease payments. The term does not include fixed assets used in government operations.

**Levy:** To impose taxes, special assessments of service charges for the support of governmental activities.

**Material and Supplies:** Items of expense in the operating budget which, after use, are consumed or show a material change in their physical condition, and which are generally of limited value and rapidly depreciate. Examples: office supplies, diesel/gasoline.

**Mission:** The reason or purpose of the organizational unit's existence.

**Modified Accrual Basis of Accounting:** For all governmental funds and agency funds under which revenues are recorded when they become measurable and available.

Expenditures are recorded when the liability is incurred, except for interest on general long-term obligations, which are recorded when due.

**Net Income:** Enterprise Fund in excess of operating revenues, non-operating revenues, and operating transfers-in over operating expenses, non-operating transfer-out.

**Non-Operating Budget:** Costs that do not relate to any one department but represent costs of a general Village-wide nature, such as debt service and appropriated reserve.

**Ordinance:** A law set forth by a governmental authority; a municipal law established by the Village Board.

**Operating Budget:** Annual appropriation of funds for ongoing program costs, including personal services, fringe benefits, materials and supplies, capital outlay, and debt service.

**Personal Services:** Salary and wages of Village employees inclusive of overtime.

**Performance Management:** The M.A.P. program, as it is known in Oak Park, stands for Measure, Analyze, Perform and includes activities which ensure that organizational goals are consistently being met in an effective and efficient manner. Performance management can focus on the performance of an organization, a department, employee, or even the processes to build a product or service, as well as many other areas.

It is also known as a process by which organizations align their resources, systems and employees to strategic objectives and priorities.

**Program Budget:** Budget that presents all related expenditures associated with the completion of a particular function or process. i.e. Oak Park's budget reflects the expenditures (personnel, fringe benefits and associated costs for materials and supplies) in providing Police services for patrol and resident beat officers separately.

**Property Tax:** Revenue received by the Village that is collected by Cook County based on an established rate and then calculated against the equalized assessed valuation of property.

**Recommended Budget:** The Village Manager presents a recommended budget to the Board and Finance Committee each year. Once the Board has had opportunity to review and edit as it sees fit, the document evolves into the Adopted Budget.

**Revenues:** Sources of the Village's monetary resources, such as income from taxes, licenses, permits, fines and fees.

**Resources:** Total amounts available for appropriation during the fiscal year, including revenues, fund transfers and beginning fund balances.

**Revenue Bonds:** Bonds issued to construct capital facilities, repaid from revenue produced by the operation of those facilities. i.e. water rates assist in the payment of the debt service for the water revenue bonds the Village has issued in the past.

**Special Service Area:** A specially established district contained within the Village that is levied an additional special tax for the financing of improvements or services that benefit only the properties in that area. i.e. Special Service Area 6 funded additional streetscape improvements in the Oak Park/Eisenhower business district. Those property owners pay an additional tax for reimbursement to the Village for those improvements.

**Tax Increment Finance (TIF) District:** A Tax Increment Finance (TIF) District is a legally defined area that allows for the capture of property tax receipts above a base amount, usually the amount collected just before the district is created. This incremental property tax collected is then earmarked for economic development projects within the district.

**Total Department Full Time Equivalent (FTE's):** While many Village departments are solely funded with General Fund resources, a number of departments have staff members that are funded with non-General Fund resources. This summary identifies total number of department FTE's, by their supporting fund.

**Turnover:** Position turnover is an expenditure discount that reflects the difference between the Village's budgeted personnel costs and its anticipated cost savings from personnel events that occur throughout the year. Personnel events that contribute to position turnover discount include resignations, retirements, terminations, etc. While the Village budgets for all costs related to salaries, benefits and anticipated merit increases, the Village historically experiences budgetary savings in these areas.

**Unreserved Fund Balance:** Unreserved fund balance represents the equation of assets less liabilities and any other commitments on a given date. It also represents the accumulation of revenues in excess of expenditures over time.

Office of the County Clerk

Note : Property in the Village is reassessed each year. Property is assessed at 33% of actual value.

## Village of Oak Park Pension Funding Summary

Qualifying Village employees participate in one of the following three pension plans, depending on the position:

- 1) Illinois Municipal Retirement Fund (IMRF)
- 2) Police Pension
- 3) Firefighters' Pension

All three plans are governed under the Illinois Compiled Statutes. Both the Police and Firefighters' pensions are considered single - employer plans, while IMRF is structured as an agent multiple-employer plan. The single employer plans for eligible sworn public safety employees are independently managed by Village's Police and Fire Pension Plan Boards while IMRF is managed by a separate organization not connected to the Village.

Employee contributions based on eligible (pensionable) compensation into each plan are fixed by State statute and summarized as follows:

- |           |        |
|-----------|--------|
| 1) IMRF   | 4.500% |
| 2) Police | 9.910% |
| 3) Fire   | 9.455% |

IMRF determines the employer contributions on an annual basis and for 2023 it is 2.73%. The Village contributions for the public safety pensions are determined by an independent actuarial valuation and the Village typically levies the recommended actuarial amount which is then directly distributed to each pension plan from the Cook County's Treasurer's Office.

Pension plan funding ratios for last five years are summarized below:

<b>Pension Plan</b>	<b>Actuarial Value Assets</b>	<b>Actuarial Accrued Liability</b>	<b>Funded Ratio</b>
Police 12/31/11	69,560,813	116,975,968	59.5%
