

EXHIBIT 1

The Grantee shall comply with the terms and conditions set forth herein. Any violation of the terms and conditions set forth herein shall subject the Grantee, at the Village's discretion, to possible contract termination or suspension of payments in accordance with the Agreement.

A. Conflicts of Interest and Standards of Conduct.

The Grantee shall adhere to the "Conflicts of Interest and Standards of Conduct" set forth below or to such equivalent policies of the Grantee as has been reviewed and approved by the Village in accordance with the Agreement.

Conflicts of Interest and Standards of Conduct

1. Compensation: Members of the Board of Directors shall serve without salary, but the Board of Directors may authorize payment of the reasonable expenses incurred by such members in the performance of their duties.
2. Impartiality: Every director and employee shall perform his or her duties with impartiality and without prejudice or bias in furtherance of the goals, objectives and contractual obligations of the Grantee. No director or employee shall, in the performance of his or her duties on behalf of the Grantee, grant or make available to any person or entity, including other directors or employees of the Grantee, any consideration, treatment or service beyond that which is available to every other similarly situated person or entity served by the Grantee.
3. Conflict of Interest: No director or employee shall engage in any business transaction or shall have any financial or other personal interest, direct or indirect, which is incompatible with the proper discharge of the Director's official duties in the interest of the Grantee or which may tend to impair his/her independence of judgment or action in the performance of his/her official duties.
4. Interest in contracts: No director or employee shall have any financial or personal interest, directly or indirectly, in any contract, work or business with the Grantee except that a director may provide materials, merchandise, property, services or labor under the following circumstances:
 - a. The contract is with a person, firm, partnership, association, or corporation in which the director has less than a 7.5% share in the ownership, and the aggregate of any contracts awarded to the director or the director's firm, association, partnership or corporation under this subsection (b) during the same fiscal year does not exceed \$25,000; or

- b. The contract does not exceed \$2,000, and the aggregate of any contracts awarded to the director or the director's firm, association, partnership or corporation under this subsection (a) during the same fiscal year does not exceed \$4,000; or
- c. The contract is with a person, firm, partnership, association or corporation in which the director has less than a 1% share in ownership; or
- d. The Grantee is not a party to the contract, and the contract is with a person or entity served by the Grantee as a part of its corporate purpose.

Any contract awarded under this Section 4 must comply with the Grantee's policies concerning competitive bidding and outreach to women and minority business enterprises.¹

- 5. In the event that the Board of Directors considers taking any action, including but not limited to entering into a contract in which any director has any financial or personal interest, direct or indirect, which may reasonably tend to impair the director's independence of judgment or action in the best interests of the Grantee, the director shall:
 - a. Before consideration of the proposed action, publicly disclose any such interest to the Board of Directors; and
 - b. Refrain from evaluating, recommending, approving, deliberating or otherwise participating in negotiation, approval or both of the contract or work; and
 - c. Abstain from voting on the proposed action; and
 - d. The contract must be approved by a majority of the Board of Directors.

For purposes of this Section, personal interest shall include the financial interest of the spouse and minor children of the director, but shall not include any interest that a director may have in a proposed general policy of the Grantee solely by virtue of his business or profession.²

- 6. Disclosure and/or Use of Confidential Information: No director or employee shall, without proper legal authorization, disclose confidential information concerning the property, government or affairs of the Grantee or use such information to advance the financial or other private interest of the director, or employee or others.

¹ The exceptions in Section 4 are drawn from 65 ILCS 5/3.1-55-10.

² The final sentence in Section 5 is intended to ensure that a board member who may be a landlord, realtor, banker, etc., is not prevented from voting on general policies that may have some impact, direct or indirect, on all members of that profession.

7. Corporate Property: No director or employee shall request, permit or engage in the unauthorized use of the Grantee's funds, vehicles, equipment, materials or property of personal convenience or profit.

B. Procurement Policy.

The Grantee shall comply with the provisions set forth below relating to the procurement of goods and services which are funded, in whole or in part, by the Village or through the Village as funding agent, or such equivalent policy of the Grantee as has been reviewed and approved by the Village in accordance with the Agreement.

1. **All Contracts for Goods and Services Require the Approval of the Board of Directors; Exceptions.** No contract shall be made for goods or services when the total cost exceeds ten thousand dollars (\$10,000.00), unless such contract shall have been authorized by the Board of Directors. Whenever the total cost of such contract shall not exceed, in any one case, one thousand dollars (\$1,000.00), the Executive Director or his or her designee (hereinafter "Executive Director"), without such previous authorization, shall cause the same to be purchased upon his or her written order; and further provided that when the total cost thereof shall exceed one thousand dollars (\$1,000.00) but shall not exceed ten thousand dollars (\$10,000.00), the Executive Director may cause the same to be purchased without previous authorization in like manner, but the Executive Director shall first obtain in writing, whenever possible, at least three (3) informal quotes to furnish same, which quotes shall be attached in every case to the accounts payable vouchers authorizing payment for such goods or services and filed with the financial records of the Grantee. All contracts shall be let to the lowest responsible bidder, provided that any and all informal quotes for equipment, supplies or repair work may be rejected by the Executive Director if the character or quality of the goods or services does not conform to requirements. In determining the lowest responsible bid or quote, other factors, in addition to cost, such as experience, availability, expertise, resources, work history with the Grantee, work history with others, quality of work and ability to meet all specifications and/or requirements of the Grantee may be taken into consideration and may form the basis for an award of contract. Many of these factors will have increased significance when considering the award of contracts for professional services.
2. **Contracts Which Require the Use of the Formal Bidding Process.** Except as set forth in Section 3 below, when the total cost of a contract for goods, materials, equipment, supplies or construction work is expected to exceed ten thousand dollars (\$10,000.00), the Executive Director or his or her agent shall issue a call for bids which shall be formally advertised. All such bids for construction work shall require a bond for the faithful performance of the work.

All contracts for which bids are required shall be let to the lowest responsible bidder within the judgment of the Board of Directors, provided that any and all bids received in response to an advertised call for bids may be rejected by the Board of Directors if the

character or quality of goods, materials, equipment, supplies or construction work does not conform to the specifications and/or requirements set forth in the call for bids.

3. **Exception to Bid Requirements for Urgent Materials or Repairs; Lack of Competition and Inability to Draft Adequate Specifications; Bid Waiver.** In cases of urgently needed materials or urgently needed repairs which are expected to exceed ten thousand dollars (\$10,000.00), the Executive Director is authorized to obtain such materials and/or services through a negotiated contract without formal advertising when it is in the best interest of the Grantee and it is impractical to convene a meeting of the Board of Directors. If it is practical to convene a meeting, the Board of Directors shall be required to waive the bidding requirement and approve such a negotiated agreement.

Such negotiated contracts may also be approved by the Board of Directors when (1) the contract is for professional services, (2) it is impractical to secure competition, or (3) it is impossible to draft adequate bid specifications. The Executive Director or his or her designee shall, however, whenever possible, obtain in writing at least three (3) informal quotes to furnish same.

Bidding in all instances may be waived by a two thirds (2/3) vote of the Board of Directors.

4. **Procedure for Advertising for Bids.** Whenever any formal bids are required, as stated above, the Executive Director or his/her authorized agent shall advertise in some newspaper published in the Village and/or in such other newspaper of general circulation as, in his/her judgment, may be desirable. A plan or profile of the work to be done, accompanied by specifications for doing the same and specifications for material, supplies or equipment to be furnished, shall be first placed on file in the office of the Executive Director or his/her authorized agent before any such advertisement shall be made, which plan, profile and specifications for goods, material, supplies, equipment or construction work shall at all times be open for public inspection. Such advertisement shall be published not less than ten (10) days before the day fixed for opening such bid, and shall state the work to be done, or material, supplies or equipment to be furnished, and the time and place for the filing and the opening of the sealed bids.
5. **Filing of Bids; Deposit Accompanying Bids, Preservation and Opening of Bids.** In all cases, the formal bids under the preceding section shall be sealed bids and directed to the Executive Director. A bid deposit may be required, the amount of which shall be fixed by the Executive Director but which shall not exceed five percent (5%) of the estimated cost of the work or material to be furnished, not less than the sum of twenty-five dollars (\$25.00). Such bid deposit shall be in the form of a cashier's check, a certified check, or at the discretion of the Executive Director, a bid bond. Checks shall be drawn upon a bank in good standing, payable to the order of the Grantee and shall be forfeited to the Village in the event the bidder shall neglect or refuse to enter into a contract and bond when required, with approved sureties, to execute the work or furnish the material for the price mentioned in his/her bid and according to the plans and specifications in case

the contract shall be awarded to him/her. Bids shall be opened at the hour and place mentioned in the notice.

6. **Contracts to be Executed in Writing.** All contracts, whether for work or materials, shall be executed in writing and in duplicate by the President of the Board of Directors or the Executive Director. One original so executed shall be kept and filed in the Grantee's office and the other shall be given to the Grantee. All contracts and bonds so taken shall be in the name of, and run to, the Grantee.
7. **Grantees' Bonds.** Whenever any construction work, expected to be in excess of ten thousand dollars (\$10,000.00), is let by contract to any person or entity, the Grantee shall, in all cases, take a bond from such person or entity with good and sufficient sureties, licensed in the State of Illinois to be approved by the Board of Directors, in such amount as shall not only be adequate to insure the performance of the work in the time and manner required in such contract, but also to save and indemnify and keep harmless the Grantee against all liabilities, judgments, costs and expenses which may in any manner accrue against the Grantee in consequence of granting such contract or which may in any manner result from the carelessness or neglect of such person, or entity or its agents, employees or workers in any respect whatever.
8. **Bid Tabulation.** The Grantee shall prepare a spreadsheet for each separate contract over ten thousand dollars (\$10,000.00) for goods and services awarded by it. Each spreadsheet shall name and identify all entities submitting bids or proposals on specific contracts by name and address, describe the goods provided or the work performed, set forth the cost, fee or amount proposed by each such entity in response to the call for bids or request for proposals or quotes, the name and address of the entity who was awarded the contract, and the reasons therefore. The Grantee shall submit copies of all such spreadsheets to the Village on a quarterly basis as a part of the general quarterly reporting process required under this agreement.

C. Diversity Statement

In 1997, the Village of Oak Park first adopted what is now known as the Village's "Diversity Statement." Every new Village Board elected since that time has readopted this Diversity Statement incorporating amendments over time which have added to the Statement's scope and strength.

The Village shall upon request provide the Grantee with the names of known MBEs and WBEs and business referral agencies.

The Grantee shall annually submit to the Village an Equal Employment Opportunity ("E.E.O.") Report in the form attached as Exhibit B showing the breakdown of its employees by race, sex and job classification. In addition, the Grantee shall report the race, sex and job classifications for any new employee hired during the preceding year and indicate the general efforts which were made by the Grantee during the course of the previous year to recruit qualified women and minority candidates for such position(s).

The Grantee shall also provide a report to the Village, on an annual basis, which indicates the number of contracts and the dollar value of contracts for goods and services which it let during the preceding year and the number of contracts, the dollar value of contracts and the percentage of the total dollar value of contracts for goods and services which have been let to women and minority Grantees.

This report shall also contain a section setting forth the general efforts made by the Grantee during the course of the previous year to affirmatively recruit women and minority businesses to participate in the contracting process.

The Grantee's E.E.O. employment and contracting reports for the entire preceding year shall be submitted as a part of the regular quarterly report submitted for the fourth quarter of the year.

The content of the notice set forth below sets forth the policy of the Village with regard to the Village as a drug free workplace. The Grantee shall post the notice below or its own equivalent policy in a conspicuous location on the Grantee's premises where it will be visible to all employees, or provide a copy of the following notice or its own equivalent policy to each employee. Sexual harassment is illegal and against the employment policy of the (Name of Grantee).

Any employee found by the (Name of Grantee) to have engaged in sexual harassment will be subject to appropriate disciplinary action, up to and including termination.

“Sexual harassment” means any unwelcome sexual advances or requests for sexual favors or any verbal or physical conduct of a sexual nature when (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment, (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or (3) such conduct has the purpose or effect of unreasonably interfering with an individual’s work performance or creating an intimidating, hostile or offensive working environment.

EXHIBIT A
Diversity Statement

Oak Park's Diversity, Equity and Inclusion Statement

The Village of Oak Park reverently recognizes this land that we live, learn, play, and work on was first the original homelands of numerous Native Nations. These indigenous sovereign tribes were unjustly removed from their ancestral land through colonial force. We acknowledge this painful history to ground the work of becoming a diverse, equitable, and inclusive community beginning with recognition and acknowledgment of the harm, hardships, and horrors experienced by the Indigenous community. Nevertheless, the Native American community remains steadfast and enduring in their cultural traditions, rich histories, and relentless advocacy to protect and preserve their sacred homelands. May we atone by honoring this land through our commitment around sustainability, and overall environment wellbeing for all that inhabit this biodiverse land.

As, the Village of Oak Park commits itself to diversity, equity, and inclusion by recognizing that creating a mutually respectful, multicultural and equitable environment does not happen on its own; it must be intentional.

We believe and put into praxis diversity. As Oak Park is a dynamic community that welcomes, respects, and encourages the contributions of all people, in all our rich variety by race, color, ethnicity, ancestry, national origin, religion, age, sex, sexual orientation, gender identity or expression, marital and/or familial status, language, mental and/or physical impairment and/or disability, military status, economic class, immigration status, foster status, body size, criminal history, or any of the other characteristics that are often used to marginalize people and communities.

We believe in and put into praxis equity. As Oak Park leads with an explicit but not exclusive focus on racial equity. We work tirelessly to break down systems of oppression, including racism, sexism, ableism, ageism, homophobia, transphobia,

islamophobia, xenophobia and other forms of bias and hate to achieve a society where everyone has what they need to thrive. This is both a process and a goal. As we must actively reject and rectify any barriers that prevent the full participation of marginalized groups. As equity requires an active attention to the advancement for historically excluded communities.

We believe in and put into praxis inclusion. As Oak Park must create environments in which all voices can genuinely and safely be themselves. Which is achieved through full and broad participation of all community members, and the ongoing commitment to active and intentional engagement. We believe the best decisions are made when everyone is authentically represented in decision-making and power is shared collectively.

In conclusion, the Village of Oak Park commits itself to always reflecting on our past, taking steps presently, in order to ensure a future grounded in diversity, equity, and inclusion in all aspects of local governance and community life. We strive to advance these values by ensuring

that they are operationally reflected in our everyday practices and priorities. We strive to always push ourselves outside of our comfort zones to grow in our understandings to cultivate a diverse, equitable, and inclusive society for all. May we always remain in a perpetual state of learning, listening, and leading in all ways that promotes diversity, equity, and inclusion.

The President and Board of Trustees of the Village of Oak Park reaffirm their dedication and commitment to these precepts.
