THIS PROFESSIONAL SERVICES AGREEMENT (hereinafter referred to as the "Agreement") is entered into this 4th day of May, 2022, between the Village of Oak Park, an Illinois home rule municipal corporation (hereinafter referred to as the "Village"), and On Time Embroidery Incorporated, d/b/a Unique Apparel Solutions, an Illinois corporation (hereinafter referred to as the "Contractor").

RECITAL

WHEREAS, the Village intends to have the Contractor to provide uniform services for the Village's Fire Department personnel pursuant to Contractor's Proposal dated March 28, 2022, attached hereto and incorporated herein by reference (hereinafter referred to as "Contractor's Proposal"), the Village's Request for Proposals ("RFP"), attached hereto and incorporated herein by reference, and this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants hereinafter set forth, the parties agree as follows:

1. RECITAL INCORPORATED.

The above recital is incorporated herein as though fully set forth.

2. SERVICES OF THE CONTRACTOR.

2.1. The Contractor shall provide to provide uniform services for the Village's Fire Department personnel as more completely described in the Contractor's Proposal and the Village's RFP (hereinafter referred to as the "Project"). After written authorization by the Village, the Contractor shall provide the Services for the Project. The Village shall approve the use of subcontractors by the Contractor to perform any of the services that are the subject of this Agreement.

2.2. The Contractor shall submit to the Village all reports, documents, data, and information set forth in the Project. The Village shall have the right to require such corrections as may be reasonably necessary to make any required submittal conform to this Agreement. The Contractor shall be responsible for any delay in delivering the Project to be provided pursuant to this Agreement due to the Contractor's failure to provide any required submittal in conformance with this Agreement.

2.3. In case of a conflict between provisions of the Contractor's Proposal, the Village's RFP and/or this Agreement, this Agreement and/or the Village's RFP shall control to the extent of such conflict.

2.4. **Village Authorized Representative.** The Village's Fire Chief or the Fire Chief's designee shall be deemed the Village's authorized representative, unless applicable law requires action by the Corporate Authorities, and shall have the power and authority to make or grant or do those things, certificates, requests, demands, approvals, consents, notices and other actions required that are ministerial in nature or described in this Agreement for and on behalf of the Village and with the effect of binding the Village as limited by this Agreement. The Contractor is entitled to rely on the full power and authority of the person executing this Agreement on behalf of the Village as having been properly and legally given by the Village. The Village shall have the right to change its authorized representative by providing the Contractor with written notice of such change which notice shall be sent in accordance with Section 17 of this Agreement.

2.5. **Contractor's Authorized Representative.** In connection with the foregoing and other actions to be taken under this Agreement, the Contractor hereby designates James Clifton as its authorized representative who shall have the power and authority to make or grant or do all things, certificates, requests, demands, approvals, consents, notices and other actions required that are ministerial in nature or described in this Agreement for and on behalf of the Contractor and with the effect of binding the Contractor. The Village is entitled to rely on the full power and authority of the person executing this Agreement on behalf of the Contractor as having been properly and legally given by the Contractor. The Contractor shall have the right to change its Authorized Representative by providing the Village with written notice of such change which notice shall be sent in accordance with Section 18 of this Agreement.

2.6. The Contractor shall be an independent contractor to the Village. The Contractor shall solely be responsible for the payment of all salaries, benefits and costs of supplying personnel for the Services. Nothing contained in this Agreement shall create a contractual relationship with or a cause of action in favor of a third party against contractor. The Contractor's services under this Agreement are being performed solely for the Village's benefit, and no other party or entity shall have any claim against the Contractor because of this Agreement or the performance or nonperformance of services hereunder.

3. COMPENSATION FOR SERVICES.

3.1. The Village shall compensate the Contractor for the Services in an amount not to exceed \$40,000.00. Payments shall be made within thirty (30) days of receipt by the Village of a pay request/invoice from the Contractor. Payments shall be due and owing by the Village in accordance with the terms and provisions of the Local Government Prompt Payment Act, 50 ILCS 505/1 *et seq.*, except as set forth herein.

3.2. The Village may, at any time, by written order, make changes within the general scope of this Agreement in the services to be performed by the Contractor. If such changes cause an increase or decrease in the amount to be paid to Contractor or time required for performance of any services under this Agreement, whether or not changed by any order, an equitable adjustment shall be made and this Agreement shall be modified in writing accordingly. No service for which additional compensation will be charged by the Contractor shall be furnished without the written authorization of the Village.

3.3. The Contractor shall, as a condition precedent to its right to receive a progress payment, submit to the Village an invoice accompanied by such receipts, vouchers, and other documents as may be necessary to establish costs incurred for all labor, material, and other things covered by the invoice and the absence of any interest, whether in the nature of a lien or otherwise, of any party in any property, work, or fund with respect to the services performed under this Agreement. In addition to the foregoing, such invoice shall include (a) employee classifications, rates per hour, and hours worked by each classification, and, if the services are to be performed in separate phases, for each phase; (b) total amount billed in the current period and total amount billed to date, and, if the services are to be performed in separate phases, for each phase; (c) the estimated percent completion, and, if the services are to be performed in separate phases, for each phase.

3.4. Notwithstanding any other provision of this Agreement and without prejudice to any of the Village's rights or remedies, the Village shall have the right at any time or times to withhold from any payment such amount as may reasonably appear necessary to compensate the Village for any actual or prospective loss due to: (1) services that are defective, damaged, flawed, unsuitable, nonconforming, or incomplete; (2) damage for which the Contractor is liable under this Agreement; (3) claims of subcontractors, suppliers, or other persons performing Contractor's services; (4) delay in the progress or completion of the services; (5) inability of the Contractor to complete the services; (6) failure of the Contractor to properly complete or document any pay request; (7) any other failure of Contractor to perform any of its obligations under this Agreement; or (8) the cost to the Village, including reasonable attorneys' fees and administrative costs, of correcting any of the aforesaid matters or exercising any one or more of the Village's remedies set forth in this Agreement. The Village must notify the Contractor of cause for withholding within fourteen (14) days of receiving invoice.

3.5. The Village shall be entitled to retain any and all amounts withheld pursuant to this Agreement until the Contractor shall have either performed the obligations in question or furnished security for such performance satisfactory to the Village. The Village shall be entitled to apply any money withheld or any other money due the Contractor under this Agreement to reimburse itself for any and all costs, expenses, losses, damages, liabilities, suits, judgments, awards, reasonable attorneys' fees, and administrative expenses incurred, suffered, or sustained by the Village and chargeable to the Contractor under this Agreement.

3.6. The Contractor's services shall be considered complete on the date of final written acceptance by the Village, which acceptance shall not be unreasonably withheld or delayed. As

soon as practicable after final acceptance, the Village shall pay to the Contractor the balance of any amount due and owing under this Agreement, after deducting therefrom all charges against the Contractor as provided for in this Agreement ("Final Payment"). The acceptance by Contractor of Final Payment with respect to the Services shall operate as a full and complete release of the Village of and from any and all lawsuits, claims, demands, damages, liabilities, losses, and expenses of, by, or to the Contractor for anything done, furnished for, arising out of, relating to, or in connection with the services, except for such claims as the Contractor reserved in writing at the time of submitting its invoice for final payment.

4. TERM AND TERMINATION.

4.1. This Agreement shall take effect upon the Effective Date as defined herein and shall expire one (1) year thereafter. Upon mutual agreement, this contract may be extended for three one-year optional extensions. An economic adjustment for labor, material, and equipment costs may be negotiated for each one-year extension to the contract after the initial one-year contract period.

4.2. This Agreement may be terminated, in whole or in part, by either party if the other party substantially fails to fulfill its obligations under this Agreement through no fault of the terminating party. The Village may terminate this Agreement, in whole or in part, for its convenience. No such termination may be affected unless the terminating party gives the other party not less than ten (10) calendar days written notice pursuant to Section 18 below of its intent to terminate.

4.3. If this Agreement is terminated by either party, the Contractor shall be paid for Services performed to the effective date of termination, including reimbursable expenses. In the event of termination, the Village shall receive reproducible copies of drawings, specifications and other documents completed by the Contractor pursuant to this Agreement.

5. INDEMNIFICATION.

5.1. To the fullest extent permitted by law, the Contractor hereby agrees to defend, indemnify and hold harmless the Village and its officers, officials, agents, employees and volunteers against all injuries, deaths, loss, damages, claims, patent claims, suits, liabilities, judgments, cost and expenses, including, but not limited to, reasonable attorney's fees and court costs (hereinafter referred to as "Claims") which may accrue against the Village and its officers, officials, agents, employees and volunteers to the extent arising out of the negligent performance of the work by the Contractor, its employees, or subcontractors, except for the negligence of the Village or its officers, officials, agents, employees and volunteers.

6. INSURANCE.

This provision (or reasonable equivalent) shall also be stated on each Certificate of Insurance: "Should any of the above described policies be canceled before the expiration date, the issuing company shall mail fifteen (15) days' written notice to the certificate holder named to the left." The Contractor shall require any of its subcontractors to secure and maintain insurance as set forth in this Section 6 and indemnify, hold harmless and defend the Village and its officers, officials, agents, employees and volunteers as set forth in this Agreement.

6.4. 8. FORCE MAJEURE.

8.1. Neither the Contractor nor the Village shall be responsible for any delay caused by any contingency beyond their control, including, but not limited to: acts of nature, war or

9.1. This Agreement may be modified or amended from time to time provided, however, that no such amendment or modification shall be effective unless reduced to writing and duly authorized and signed by the authorized representative of the Village and the authorized representative of the Contractor.

10. STANDARD OF CARE.

10.1. The Contractor is responsible for the quality, technical accuracy, timely completion, and coordination of its services furnished or required under this Agreement, and shall endeavor to perform such services with the same skill and judgment which can be reasonably expected from similarly situated professionals.

10.2. The Contractor shall be responsible for the accuracy of its professional services under this Agreement and shall promptly make revisions or corrections resulting from its errors, omissions, or negligent acts without additional compensation. The Village's acceptance of any of Contractor's professional services shall not relieve Contractor of its responsibility to subsequently correct any such errors or omissions, provided the Village notifies Contractor thereof within one year of completion of the Contractor's services.

10.3. The Contractor shall respond to the Village's notice of any errors and/or omissions within seven (7) days of written confirmation by the Contractor of the Village's notice. Such confirmation may be in the form of a facsimile confirmation receipt by the Village, or by actual hand delivery of written notice by the Village to the Contractor.

10.4. The Contractor shall comply with all federal, state, and local statutes, regulations, rules, ordinances, judicial decisions, and administrative rulings applicable to its performance under this Agreement.

10.5. The Contractor shall give all notices, pay all fees, and take all other action that may be necessary to ensure that the services are provided, performed, and completed in accordance with all required governmental permits, licenses, and other approvals and authorizations that may be required in connection with providing, performing, and completing the Services, and with all applicable statutes, ordinances, rules, and regulations, including, but not limited to, the Fair Labor Standards Act; any statutes regarding qualification to do business; any statutes prohibiting discrimination because of, or requiring affirmative action based on race, color, religion, sex, national origin, ancestry, age, order of protection status, marital status, physical or mental disability, military status, sexual orientation, or unfavorable discharge from military service or other prohibited classification, including, without limitation, the Americans with Disabilities Act of 1990, 42 U.S.C. §§ 12101 *et seq.*, and the Illinois Human Rights Act, 775 ILCS 5/1-101 *et seq.*

The Contractor shall also comply with all conditions of any federal, state, or local grant received by the Village or the Contractor with respect to this Agreement.

10.6. The Contractor shall be solely liable for any fines or civil penalties that are imposed by any governmental or quasi-governmental agency or body that may arise, or be alleged to have arisen, out of or in connection with the Contractor's, or its subcontractors', performance of, or failure to perform, the services required pursuant to this Agreement or any part thereof.

11. DRAWINGS, DOCUMENTS AND BOOKS AND RECORDS.

11.1. Drawings, plans, specifications, photos, reports, information, observations, calculations, notes and any other reports, documents, data or information, in any form, prepared, collected, or received by the Contractor in connection with any or all of the Services to be provided pursuant to this Agreement ("Documents") shall be and remain the property of the Village upon completion of the project and payment to the Contractor all amounts then due under this Agreement. At the Village's request, or upon termination of this Agreement, the Documents shall be delivered promptly to the Village. The Contractor shall have the right to retain copies of the Documents for its files. The Contractor shall maintain files of all Documents unless the Village shall consent in writing to the destruction of the Documents, as required herein.

11.2. The Contractor's Documents and records pursuant to this Agreement shall be maintained and made available during performance of the Project under this Agreement and for three (3) years after completion of the Project. The Contractor shall give notice to the Village of any Documents to be disposed of or destroyed and the intended date after said period, which shall be at least ninety (90) days after the effective date of such notice of disposal or destruction. The Village shall have ninety (90) days after receipt of any such notice to give notice to the Contractor not to dispose of or destroy said Documents and to require Contractor to deliver same to the Village, at the Village's expense. The Contractor and any subcontractors shall maintain for a minimum of three (3) years after the completion of this Agreement, or for three (3) years after the termination of this Agreement, whichever comes later, adequate books, records and supporting documents to verify the amounts, recipients and uses of all disbursements of funds passing in conjunction with the Agreement. The Agreement and all books, records and supporting documents related to the Agreement shall be available for review and audit by the Village and the federal funding entity, if applicable, and the Contractor agrees to cooperate fully with any audit conducted by the Village and to provide full access to all materials. Failure to maintain the books, records and supporting documents required by this subsection shall establish a presumption in favor of the Village for recovery of any funds paid by the Village under the Agreement for which adequate books, records and supporting documentation are not available to support their purported disbursement. The Contractor shall make the Documents available for the Village's review, inspection and audit during the entire term of this Agreement and three (3) years after completion of the Project as set forth herein and shall fully cooperate in responding to any information request pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/1 et seq. by providing any and all responsive documents to the Village.

12. SAVINGS CLAUSE.

12.1. If any provision of this Agreement, or the application of such provision, shall be rendered or declared invalid by a court of competent jurisdiction, or by reason of it requiring any steps, actions or results, the remaining parts or portions of this Agreement shall remain in full force and effect.

13. NON-WAIVER OF RIGHTS.

13.1. No failure of either party to exercise any power given to it hereunder or to insist upon strict compliance by the other party with its obligations hereunder, and no custom or practice of the parties at variance with the terms hereof, nor any payment under this agreement shall constitute a waiver of either party's right to demand exact compliance with the terms hereof.

13.2. This Agreement shall not prohibit the Contractor from providing engineering services to any other public or private entity or person. In the event that the Contractor provides services to a public or private entity or person, the Village, at its sole discretion, may determine that such services conflict with a service to be provided to the Village by Contractor, and the Village may select another civil engineer and/or land surveyor to provide such services as the Village deems appropriate.

14. THE VILLAGE'S REMEDIES.

14.1. If it should appear at any time prior to final payment that the Contractor has failed or refused to prosecute, or has delayed in the prosecution of, the services to be provided pursuant to this Agreement with diligence at a rate that assures completion of the Services in full compliance with the requirements of this Agreement, or has attempted to assign this Agreement or the Contractor's rights under this Agreement, either in whole or in part, or has falsely made any representation or warranty, or has otherwise failed, refused, or delayed to perform or satisfy any other requirement of this Agreement or has failed to pay its debts as they come due ("Event of Default"), and has failed to cure, or has not reasonably commenced to cure any such Event of Default within fifteen (15) business days after Contractor's receipt of written notice of such Event of Default, then the Village shall have the right, at its election and without prejudice to any other remedies provided by law or equity, to pursue any one or more of the following remedies:

14.1.1. The Village may require the Contractor, within such reasonable time as may be fixed by the Village, to complete or correct all or any part of the Services that are defective, damaged, flawed, unsuitable, nonconforming, or incomplete and to take any or all other action necessary to bring Contractor and the Services into compliance with this Agreement;

14.1.2. The Village may accept the defective, damaged, flawed, unsuitable, nonconforming, incomplete, or dilatory Services or part thereof and make an equitable reduction in the Contract Price;

14.1.3. The Village may terminate this Agreement without liability for further payment of amounts due or to become due under this Agreement except for amounts due for Services properly performed prior to termination;

14.1.4. The Village may withhold any progress payment or final payment from the Contractor, whether or not previously approved, or may recover from Contractor, any and all costs but not exceeding the amount of the Contract Price, including attorneys' fees and administrative expenses, incurred by the Village as the result of any Event of Default or as a result of actions taken by the Village in response to any Event of Default; or

14.1.5. The Village may recover any damages suffered by the Village as a result of the Contractor's Event of Default.

15. NO COLLUSION.

15.1. The Contractor hereby represents and certifies that the Contractor is not barred from contracting with a unit of state or local government as a result of: (1) a delinquency in the payment of any tax administered by the Illinois Department of Revenue unless Contractor is contesting, in accordance with the procedures established by the appropriate revenue Act, its liability for the tax or the amount of the tax, as set forth in 65 ILCS 5/11-42.1-1; or (2) a violation of either Section 33E-3 or Section 33E-4 of Article 33E of the Criminal Code of 1961, 720 ILCS 5/33E-1 *et seq.* The Contractor hereby represents that the only persons, firms, or corporations interested in this Agreement are those disclosed to the Village prior to the execution of this Agreement, and that this Agreement is made without collusion with any other person, firm, or corporation. If at any time it shall be found that Contractor has in procuring this Agreement, colluded with any other person, firm, or corporation, then the Contractor shall be liable to the Village for all loss or damage that the Village may suffer thereby, and this Agreement shall, at the Village's option, be null and void and subject to termination by the Village.

16. ENTIRE AGREEMENT.

16.1. This Agreement sets forth all the covenants, conditions and promises between the parties, and it supersedes all prior negotiations, statements or agreements, either written or oral, with regard to its subject matter. There are no covenants, promises, agreements, conditions or understandings between the parties, either oral or written, other than those contained in this Agreement.
