CITY OF CHICAGO

DEPARTMENT OF PROCUREMENT SERVICES

MAR 28 2023

Charles Marsh  
Wolf Electric Supply Company, Inc.  
55 Gordon Street  
Elk Grove Village, IL 60007

RE: CONTINUATION OF CERTIFICATION

Dear Mr. Marsh:

We are pleased to inform you that **Wolf Electric Supply Company, Inc.** continues to be certified as a **Minority-Owned Business Enterprise ("MBE")** and **Veteran-Owned Business Enterprise ("VBE")** by the City of Chicago ("City"). This recertification is a continuation of your previous certification which expired **March 15, 2023** and will remain effective for as long as your firm continues to meet all certification eligibility requirements and is contingent upon the firm affirming its eligibility by filing an **annual No-Change Affidavit** each year. In the past, the City has provided you with an annual letter confirming your certification; such letters will no longer be issued. Therefore, we require you to be even more diligent in filing your **annual No-Change Affidavit 60 calendar days before your annual anniversary date of March 15<sup>th</sup>**.

It is now your responsibility to check the City's certification directory and verify your certification status. As a condition of continued certification, you must **file an annual No-Change Affidavit 60 calendar days before your anniversary date of March 15<sup>th</sup>**. Please remember, you have an affirmative duty to file your No-Change Affidavit 60 days prior to the anniversary date for timely processing. Failure to file your annual No-Change Affidavit may result in the suspension or rescission of your certification.

It is important to note that you also have an ongoing affirmative duty to notify the City of any changes in ownership or control of your firm, or any other fact affecting your firm's eligibility for certification **within 10 days** of such change. These changes may include but are not limited to a change of address, change of business structure, change in ownership or ownership structure, change of business operations, gross receipts and or personal net worth that exceed the program threshold. Failure to provide the City with timely notice of such changes may result in the suspension or rescission of your certification. In addition, you may be liable for civil penalties under Chapter 1-22, "False Claims", of the Municipal Code of Chicago.

You shall be deemed to have had your certification lapse and will be ineligible to participate as an **MBE/VBE** if you fail to:

- File your annual No-Change Affidavit within the required time period;
- Provide financial or other records requested pursuant to an audit within the required time period;

- Notify the City of any changes affecting your firm's certification **within 10 days** of such change; or
- File your recertification within the required time period.

You have an obligation to cooperate with the City with any reviews, audits or investigation of its contracts and affirmative action programs. We strongly encourage you to assist us in maintaining the integrity of our programs by reporting instances or suspicions of fraud or abuse to the **City's Inspector General at [chicagoinspectorgeneral.org](http://chicagoinspectorgeneral.org), or 866-IG-TIPLINE (866-448-4754).**

If you or your firm is found to be involved in certification, bidding and/or contractual fraud or abuse, the City will pursue decertification and debarment. In addition to any other penalty imposed by law, any person who knowingly obtains, or knowingly assists another in obtaining a contract with the City by falsely representing the individual or entity, or the individual or entity assisted is guilty of a misdemeanor, punishable by incarceration in the county jail for a period not to exceed six months, or a fine of not less than \$5,000 and not more than \$10,000 or both.

Your firm's name will be listed in the City's Directory of Minority and Women-Owned Business Enterprises in the specialty area(s) of:

**NAICS Code(s):**

**423610 - Construction Materials, Electrical, Merchant Wholesalers**

**423610 - Electric Light Fixtures Merchant Wholesalers**

**423610 - Fixtures, Electric Lighting, Merchant Wholesalers**

**423610 - Fuses, Electric, Merchant Wholesalers**

**423610 - Wire, Insulated, Merchant Wholesalers**

Your firm's participation on City contracts will be credited only toward **MBE/VBE** goals in your area(s) specialty. While your participation on City contracts is not limited to your area of specialty, credit toward goals will be given only for work that is self-performed and providing a commercially useful function that is done in the approved specialty category.

Thank you for your interest in the City's Minority, Women-Owned Business Enterprise, Veteran-Owned Business Enterprise and Business Enterprise Owned or Operated by People with Disabilities (MBE/WBE/VBE/BEPD) Program.

Sincerely,

  
Tammi Morgan

**Re:** BE Enrolled Business Enterprise Program (BE BEP)

Dear Mr. Charles Marsh:

Congratulations, as Chairperson of the Illinois Commission on Equity and Inclusion (CEI), I would like to advise you that your business qualifies for enrollment in the new Be Enrolled Business Enterprise Certification Program (BE BEP). In January 2022, the Commission on Equity and Inclusion (CEI) was created to modernize the state's practices and protocols related to equity and inclusion in contracting and hiring. The BEP Program was removed from CMS and placed in CEI, whose mission is directly aligned with the mission of BEP. As we establish our new agency, CEI has been carefully reviewing all aspects of the BEP program and council. The BE BEP Certification Program was established to allow for the seamless activation state M/W/PBE certification and reduces duplicative red tape. CEI enrolled your business in the BE BEP Program based on the diversity certification issued by the City of Chicago's and/or Cook County's MWBE Vendor directory OR certified within the IL UCP program by CTA, Pace, Metra, IDOT, or the City of Chicago.

**Host Agency:** City of Chicago

**Renewal Date:** July 14, 2024

**Certification Expiration Date:** July 14, 2024

**Certification Type:** Minority Business Enterprise (MBE)

Your new BE BEP Certification is based on your business maintaining its certification with its initial host agency. The newly activated BE BEP Certification duration and commodity codes will match the existing certification held with the City of Chicago and/or Cook County. If the vendor's certification with the host agency expires or its bidding privileges are suspended, then your BE BEP Certification will also be suspended. You may however apply for full State of Illinois BEP Certification at [cei.illinois.gov/bepvendor](http://cei.illinois.gov/bepvendor).

You will be notified by BEP through email to update your BE BEP Certification 60 days prior to the expiration of your host agency's certification and your BE BEP Certification.

Additionally, you must notify BEP within two weeks if any of the following changes occur:

- Changes in ownership
- Changes in who controls the business; or
- Changes in the business' certification status with the host organization.

Failure to notify BEP of these changes may result in the termination of the business' BE BEP Certification.

Activation of your BE BEP Certification has several benefits. Your business's name will be listed in the state's BEP Certified Vendor Directory, used by prime vendors to identify certified M/W/PBEs who can fulfill the state's minority contracting goals. Your business name will appear in the BEP Certified Vendor Directory as a Minority Business Enterprise (MBE). The State of Illinois uses National Institute of Government Purchasing (NIGP) commodity codes that have been translated from your NAICS codes to NIGP codes as listed below. The translation table may be accessed: <https://cei.illinois.gov/content/dam/soi/en/web/cei/documents/CEI%20BEP%20CROSSWALK.xls>.

**NIGP 28569: MISC. ELECTRICAL EQUIPMENT AND SUPPLIES (NOT OTHERWISE CLASSIFIED)**  
**NIGP 28597: MISCELLANEOUS ELECTRICAL EQUIPMENT & SUPPLIES**

Please note that there are four (4) Chief Procurement Officers (CPO) who exercise the state's procurement authority. Each of the four CPOs have a separate bulletin that publishes the state's solicitations and opportunities to bid for each of their respective portfolios. BEP strongly recommends **all** certified vendors register with **each** of the four State of Illinois Procurement Bulletins (<https://cei.illinois.gov/business-enterprise-program/illinois-procurement-opportunities.html>) to ensure you receive notification of all prime and subcontractor bidding opportunities that match the goods and services your company provides.

**State Procurement Sites:**

Chief Procurement Officer of General Services has oversight of 65 state agencies:

- <https://www2.illinois.gov/cpo/pathwaytoprocurement/pages/bidbuy.aspx>
- [www.illinoistollway.com](http://www.illinoistollway.com)

## EMPLOYMENT OF ILLINOIS WORKERS ON PUBLIC WORKS ACT

This law comes into effect following two consecutive months of a state unemployment rate above 5 percent. More information about the Employment of Illinois Workers on Public Works Act can be found here: <http://www.ilga.gov/legislation/ilcs/ilcs3.asp?ActID=549&ChapterID=7>.

The Employment of IL Workers on Public Works Act requires the workforce on all public works projects to be comprised of a minimum of 90% Illinois residents.

The Illinois Department of Labor (IDOL) administers the Employment of Illinois Workers on Public Works Act, which was enacted to alleviate unemployment in Illinois by ensuring that most workers on public works projects live in the state. The requirement applies to all labor on public works projects or improvements. That includes public works projects that are funded in whole or in part with state funds or funds administered by the state of Illinois. Any public works project financed in whole or in part by federal funds administered by the State of Illinois is covered under the provisions of this act.

By signing below, the Contractor confirms awareness of this requirement.
