### Agenda Item Title

**A Resolution Approving an Independent Contractor Agreement with Rozalado & Co. for Custodial Services in an Amount not to Exceed \$101,000.00 Annually for a Three Year Period and Authorizing its Execution**

### Overview

The current custodial services contract expires on December 31, 2017. Staff solicited proposals from custodial contractors and is recommending a three-year contract with Rozalado & Co., an MBE, for custodial services at Village Hall, Public Works Center, Dole Center and the Metra station.

### Staff Recommendation

Approve the Resolution.

### Fiscal Impact

The cost for these services would not exceed \$101,000.00 annually for a three year period and would be funded through the proposed FY 2018 and subsequent Fiscal Years in the Public Works Department, Building Maintenance, Operating Budget, account numbers 1001-43790-711, 712, 713 and 717-530660 which provides \$103,000.00 for Custodial Services. The proposed agreement allows for additional services that may be required in addition to the proposal amount. Services such as emergency clean up work on weekends may be needed from time to time.

As part of the Request for Proposals, contractors were advised they would be responsible to adhere to the current Village and County Ordinances regarding minimum wage.

### Background

The current custodial services contract expires at the end of 2017. Staff issued a Request for Proposals (RFP) for custodial services on August 9, 2017. A pre-bid and site walk-through meeting was held on August 16, 2017. Thirteen contractors attended the pre-bid meeting. A total of five proposals were received on August 25, 2017. After careful review of the top three bidders, and based on the information provided by the references submitted, staff recommends awarding the contract to Rozalado & Co.

Although Crystal Maintenance provided the low proposal, staff does not recommend that the Village approve an agreement with Crystal Maintenance as they were the custodial services contractor for the Village prior to the current contractor and they did not perform well. Their contract was terminated in 2008 by the Village for

poor performance.

The second lowest proposal, ECO Clean Maintenance, submitted references that were mostly non-responsive and staff was unable to compile a useful or positive profile of their performance. One of the ECO Clean references who did reply stated that the workers require frequent follow up and often miss many of the required work items.

Rozalado & Co. showed the most interest in this contract as they visited the sites multiple times to meet and discuss the scope of work with staff and to assure the Village that their performance would be worth the cost for their services. Also, Rozalado & Co. is also the only MBE among the five bidders who submitted proposals.

**Alternatives**

The Board can delay action to gain additional information.

**Previous Board Action**

The Village Board previously approved a three year contract with ABC Maintenance for these services in 2014.

**Citizen Advisory Commission Action**

N/A.

**Anticipated Future Actions/Commitments**

Staff anticipates that this work will continue to be completed by contract services thus future agreements will be brought to the Board for consideration.

**Intergovernmental Cooperation Opportunities**

None at this time.

**Performance Management (MAP) Alignment**

This work is in alignment with the Governance Priority for the Department of Public Works for Maintenance and Service Programs.

**INDEPENDENT CONTRACTOR AGREEMENT**

**THIS INDEPENDENT CONTRACTOR AGREEMENT** ("Contract") is entered into on this 11 day of November, 2017, by and between the Village of Oak Park, an Illinois home rule municipal corporation (hereinafter the "Village"), and Rozalado & Co., an Illinois Corporation (hereafter the "Contractor").

**WHEREAS**, Contractor submitted a proposal dated August 25, 2017, a copy of which is attached hereto and incorporated herein by reference, to provide custodial services at Village Hall, Public Works Center, Dole Center and Metra Station (hereinafter referred to as the "Work") pursuant to the Village's Request for Proposals dated August 8, 2017, incorporated herein by reference as though fully set forth; and

**WHEREAS**, the Contractor represented in said proposal that it has the necessary personnel, experience, and competence to complete the Work required hereunder; and

**WHEREAS**, Contractor shall perform the Work pursuant to the terms and conditions of this Contract.

**NOW, THEREFORE**, in consideration of the premises and the mutual promises contained in this Contract, and other good and valuable consideration received and to be received, it is mutually agreed by and between the parties as follows:

**1. RECITALS INCORPORATED**

The above recitals are incorporated herein as though fully set forth.

**2. SCOPE OF WORK**

Contractor shall perform the Work in accordance with its Proposal for a price not to exceed \$99,840.00 annually ("Contract Price") plus a contingency of \$1,160.00 for extra services for a total amount of \$101,000.00. Contractor shall complete the Work in accordance with any applicable manufacturers' warranties and in accordance with its Proposal, the Village's Request for Proposals, and this Contract, all of which together shall constitute the "Contract Documents." Contractor acknowledges that it has inspected the sites where the Work is to be performed and that it is fully familiar with all of the conditions at the sites, and further that its Proposal has adequately taken into consideration all of the conditions at the sites. Contractor hereby represents and warrants that it has the skill and experience necessary to complete the Work in a good

and workmanlike manner in accordance with the Contract Documents, and that the Work shall be free from defects. Contractor shall achieve completion of all work required pursuant to the Contract Documents by December 31, 2020 ("Contract Time"). The Contract Time is of the essence. In the event the Contractor fails to complete the Work on or before said date, the Village shall be entitled to liquidated damages in the amount of \$500.00 per day for each day the Work remains uncompleted beyond the completion date set forth above. This amount is not a penalty, and the parties agree to said amount given the difficulties associated with determining or calculating damages to the Village in the event the Work is not completed on time. Contractor shall have no claim for damages, for compensation in excess of the Contract Price, or for a delay or extension of the Contract Time based upon conditions found at, or in the vicinity of, the site(s).

### **3. DESIGNATED REPRESENTATIVES**

Contractor shall designate in writing a person to act as its designated representative with respect to the Work to be performed under this Contract who shall have the power and authority to make or grant or do all things, certificates, requests, demands, approvals, consents, notices and other actions required that are ministerial in nature or described in this Agreement for and on behalf of Contractor and with the effect of binding Contractor. The Village is entitled to rely on the full power and authority of the person executing this Contract on behalf of Contractor as having been properly and legally given by Contractor. Contractor shall have the right to change its designated representative by providing the Village with written notice of such change which notice shall be sent in accordance with Section 12 of this Agreement.

The Village's Building Maintenance Superintendent, or the Superintendent's designee, shall be deemed the Village's authorized representative for purposes of this Agreement, unless applicable law requires action by the Corporate Authorities, and shall have the power and authority to make or grant or do those things, certificates, requests, demands, approvals, consents, notices and other actions required that are ministerial in nature or described in this Agreement for and on behalf of the Village and with the effect of binding the Village as limited by this Contract. Contractor is entitled to rely on the full power and authority of the person executing this Agreement on behalf of the Village as having been properly and legally given by the Village. The Village shall have the right to change its authorized representative by providing Contractor with written notice of such change which notice shall be sent in accordance with Section 12 of this Agreement.

### **4. TERM OF CONTRACT**

Contractor shall perform the Work pursuant to this Contract beginning on the effective date as defined herein and ending after three (3) years on December 31, 2020. The Contractor shall invoice the Village for the Work provided pursuant to this Contract at

the rates set forth in its Proposal. The term of this Contract may be extended in writing for additional periods of time pursuant to the consent of the parties.

## **5. PAYMENT SCHEDULE**

Contractor shall, as a condition precedent to its right to receive any payment, submit to the Village an application for payment and such receipts, vouchers, and other documents as may be necessary to establish the Contractor's payment for all labor and material and the absence of any interest whether in the nature of a lien or otherwise of any party in any property, work, or fund with respect to the Work performed hereunder. Such documents shall include, where relevant, the following forms, copies of which are attached hereto:

- (i) Contractor's sworn statement;
- (ii) Contractor's partial or final waiver of lien;
- (iii) Subcontractor's sworn statement(s); and
- (iv) Subcontractor's partial or final waiver of lien.

Payment by the Village shall be conditioned upon an inspection by the Village of the Work completed and submission of required waivers by Contractor. Payment by the Village shall in no way constitute a waiver of, or relieve Contractor from, any defects in the work. All payments shall be made in accordance with the Illinois Local Government Prompt Payment Act, 50 ILCS 505/1 *et seq.* Final payment for any Work performed by the Contractor pursuant to an invoice by Contractor shall be made by the Village to the Contractor when Contractor has fully performed the work and the work has been approved by the Village and submission of required waivers and paperwork by Contractor. Approval of the work and issuance of the final payment by the Village shall not constitute a waiver of, or release Contractor from, any defects in the work.

The Village shall have the right to withhold from any payment due hereunder such amount as may reasonably appear necessary to compensate the Village for any actual or prospective loss due to Work which is defective or does not conform to the Contract Documents; damage for which Contractor is liable hereunder; liens or claims of liens; claims of third parties, subcontractors, or material men; or any failure of the Contractor to perform any of its obligations under this Contract. The Village may apply any money withheld or due Contractor hereunder to reimburse itself for any and all costs, expenses, losses, damages, liabilities, suits, judgments, awards, and attorney's fees incurred, suffered, or sustained by the Village and chargeable to Contractor.

## **6. TERMINATION**

The Village may terminate this Contract for cause, which includes but is not necessarily limited to, the Contractor's failure to perform the work pursuant to this Contract. The Village shall provide the Contractor with five (5) days' written notice of a termination for cause pursuant to the provisions of Section 12 below. The Village may also terminate

this Contract when it determines the same to be in its best interests by giving fourteen (14) days' written notice to Contractor pursuant to the provisions of Section 12 below. In such event, the Village shall pay to Contractor all amounts due for the work performed up to the date of termination.

**7. COMPLIANCE WITH APPLICABLE LAWS**

Contractor shall comply with all applicable laws, regulations, and rules promulgated by any federal, state, county, municipal and/or other governmental unit or regulatory body now in effect during the performance of the work. By way of example only and not as a limitation, the following are included within the scope of the laws, regulations and rules with which the Contractor must comply: all forms of workers' compensation Laws, all terms of the equal employment opportunity rules and regulations of the Illinois Department of Human Rights, statutes relating to contracts let by units of government, and all applicable civil rights and anti-discrimination laws and regulations.

**8. INDEMNIFICATION**

To the fullest extent permitted by law, Contractor shall waive any right of contribution against the Village and shall indemnify and hold harmless the Village and its officers, officials, employees, volunteers and agents from and against all claims, damages, losses and expenses, including, but not limited to, legal fees (attorney's and paralegal's fees, expert fees and court costs) arising out of or resulting from the performance of the Contractor's work, provided that any such claim, damage, loss or expense is attributable to bodily injury, sickness, disease or death, or injury to or destruction of property, other than the work itself, including the loss of use resulting therefrom, or is attributable to misuse or improper use of trademark or copyright-protected material or otherwise protected intellectual property, to the extent it is caused in whole or in part by any wrongful or negligent act or omission of Contractor, any subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable. Such obligation shall not be construed to negate, abridge or otherwise reduce any other right to indemnity which the Village and its officers, officials, employees, volunteers and agents would otherwise have. Contractor shall similarly protect, indemnify and hold and save harmless, the Village, its officers, officials, employees, volunteers and agents against and from any and all claims, costs, causes, actions and expenses, including, but not limited to, legal fees incurred by reason of the Contractor's breach of any of its obligations under, or Contractor's default of, any provisions of this Contract. The indemnification obligations under this Section shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for the Contractor or any subcontractor under Workers' Compensation or Disability Benefit Acts or Employee Benefit Acts.

**9. INSURANCE**

Contractor shall at Contractor's expense secure and maintain in effect throughout the duration of this Contract, insurance of the following kinds and limits set forth in this Section.
