

2025 Proposed Work Plan - Civic Information Systems Commission

<u>Enabling Language</u>	<u>Project</u>	<u>Outcomes</u>	<u>Time Frame</u>	<u>Cost</u>	<u>Village Board Goals</u>
Civic Engagement and Communication	Digital Platforms	Continued recommendation of platforms and improvements that migrate village services online	Throughout 2025	\$100	
Transparency	Digital Platforms	Continued advocacy for open data options that tie into the Village website, enhancing transparency to Oak Park residents	Throughout 2025	\$100	
Efficiency and Sustainability	Smart City	Provide support to Village of Oak Park smart city initiatives as directed by the Village Board, staff and commissions. Advocate for solutions that maximize use of the village infrastructure and existing technology.	Throughout 2025	\$100	
Communication, Equity	Broadband Services	Continue to advocate for getting affordable and fast broadband and internet to village residents	Throughout 2025	\$100	
Cable and Telecommunications Providers	Cable Provider Contract	Support the village attorney on negotiations with Comcast for the cable contract agreement.	Q1, 2025	\$100	
Transparency and Civic Engagement	Public Availability of Police Radio Communications	Explore options for residents to monitor emergency responder communications in a way that balances transparency and officer safety	Q2, 2025	\$100	
Efficiency	Village Operations	Support Village staff in their exploration of technology solutions, including AI, for operations benefits.	Throughout 2025	\$100	
Efficiency	Local Government Operations	Collaboration with Village commissions to determine ways to work together for greater advisory efficiency	Throughout 2025	\$100	

2024 Completed Initiatives - Civic Information Systems Commission

<u>Enabling Language</u>	<u>Project</u>	<u>Outcomes</u>	<u>Time Frame</u>	<u>Cost</u>
Efficiency and Sustainability	Smart City	Engage independent research teams (e.g. universities) to determine how the Village can successfully move toward a smart city infrastructure	COMPLETED 2024	\$100

2024 - 2025

Changes:

1. Rather than suggest smart city solutions, CISC preferred to support staff and Village Board with their recommended initiatives, advocating for maximizing existing OP tech and infrastructure
2. CISC preferred to advocate for affordable internet in Oak Park, rather than suggesting specific paths to that end
3. CISC removed the 2024 item on recommending specific AI staff solutions, preferring to support staff in their exploration of technology solutions, which might include AI
