**Explanation Below**

Village President Scaman is requesting that the Village of Oak Park sponsor the GreenTown Conference. It is likely but not confirmed that this conference will be held in February of 2027. However, sponsorship funding need to be committed in 2026 for conference planning.

We are requesting a budget amendment for new funding be allocated to the Climate Plan Administration account as it relates to the Climate Plan Implementation Goal #2: Activate Community. By approving a new money request, the requested amount of \$20,000 will ultimately draw down on the Sustainability fund balance currently at approximately \$1.5 Million.
