A Resolution Authorizing a Change Order for to the Contract with MYS, Incorporated for the Salt Storage Building Project 15-14, for an Additional \$8,983.

Overview:

Changes orders following award of the project due to Cook County Building Department's permit requirements resulted in a contract overage for the Salt Storage Building Project. The changes were primarily associated with Cook County's requirements to make the salt storage fabric structure designed to meet snow loading requirements for a permanent structure which changed the design and size of the salt storage area. The various changes in design and associated change orders amount to an increase of \$8,983. The change order adjusts the contract with MYS, Incorporated from the previously authorized amount of \$50,000 to \$58,983.
