Village Manager's Budget Message

Date: December 5, 2016

To: Village President and Board of Trustees

From: Cara Pavlicek, Village Manager

Re: FY2017 Budget

Cc: Department Directors

Introduction

The enclosed recommended budget for Fiscal Year 2017 (FY17) is presented for your review and adoption. The budget was developed following a number of internal discussions including individual meetings with all Village Department Directors, the Village Clerk and the six not-for-profit organizations¹ which have a service agreement contract with the Village for FY16 funding and have requested Village funds in FY17. This document additionally incorporates the review of the Finance Committee of the Village Board which met on October 10 and 24, 2016 to review and discuss the draft recommended budget as well as the Village Board discussion from November 7, 14 and 21, 2016.

Appreciation is extended to Village staff for their dedication and expertise that was offered in the development of the recommended budget and I would like to specifically note the extensive time commitment of CFO Drazner and all Department Directors.

Consistent with past practice, on June 20, 2016, the Finance Committee of the Village Board reviewed the independent annual audit and CAFR for the year ending December 31, 2015. The full Village Board reviewed the Audit on June 27, 2016 as part of a special meeting to discuss Village Finances in advance of staff work to begin preparations for presentation of this document. The Village Board also met on July 25, 2016, in a special meeting to discuss the Police and Fire Pension.

¹ Oak Park Area Convention and Visitors Bureau, Oak Park Area Arts Center, Oak Park Economic Development Corporation, Oak Park Housing Authority, Oak Park Residence Corporation and the Oak Park Regional Housing Center

This is the second year in which staff has formally presented a full five year Capital Improvement Plan (CIP) for review by the Finance Committee over two meetings – on August 29 and September 12, 2016. The CIP was subsequently forwarded to the Village Board on September 19, 2016, reviewed October 4, 2016 and accepted October 17, 2016. The development of a detailed five year capital plan is an important tool for the Village to utilize in its financial planning. In addition, the first year of the plan serves as the basis of the capital funding included in the FY17 Recommended budget for all Capital Funds as well as the capital portion of the Enterprise Funds for Parking as well as Water & Sewer.

The draft of the FY17 Recommended Budget has been reviewed by the Finance Committee of the Village Board as follows:

1. October 7, 2016, Recommended FY17 Budget was posted on the Village website and made publicly available.
2. October 10, 2016, Village Board Finance Committee met to review and discuss the Fire and Police Pension Funds
3. October 24, 2016, Village Board Finance Committee met to review and discuss:
 - a. General Fund
 - b. Internal Service Funds
 - i. Review of Health Insurance Fund
 - ii. Review of Self Insured Retention Fund
 - iii. Review of Debt Service Fund
 - c. Enterprise Funds
 - i. Parking
 - ii. Water & Sewer
 - iii. Environmental Services
 - d. Special Revenue Funds

The Village Board of Trustees reviewed the FY17 Recommended Budget as follows:

- a. November 7, 2016, Village Board held the Truth in Taxation Notice and Public Hearing on Budget and heard the 1st Reading of several ordinances related to user fees and utility taxes
- b. November 14, 2016, Village Board held a special meeting to review the recommended budget
- c. November 21, 2016, Village Board held a Public Hearing on the recommended FY17 Budget and adopted several ordinances related to user fees and utility taxes

FY17 Administrative Considerations

Throughout the administrative preparation of the budget there have been conscientious deliberations about increasing demands for Village services and the cost to provide those services. Additionally, the development of the FY17 budget has taken into account the following considerations into the proposed service levels:

1. Village Board Goals

The Village Board reviewed its goals and adopted updates in September of 2015. The Board reaffirmed its core values to be Fiscally Responsible and Accountable as well as to Communicate & Celebrate Success and Build Trust.

The Board additionally reaffirmed, refined and established the following objectives:

Objective 1 - Economic Development: Create an environment for Economic Development that includes a clear comprehensive approach that meets needs of diverse constituents which results in increased commercial vitality village-wide. Focus on retention, recruitment and reinvestment. Prioritize big ideas and unique opportunities that brand Oak Park as a distinctive, one-of-a-kind community.

Objective 2 - Intergovernmental Relations: Collaborate with other taxing bodies and neighboring communities to share resources and address commonly shared community issues that maximize efficient use of the tax dollars.

Objective 3 - Service Delivery: Deliver services to internal and external customers in an efficient, responsive, accurate, professional, welcoming and friendly manner.

Objective 4 - Minimize the Impact of the Eisenhower Expressway on our Community: Prior to year-end 2015, develop multiple coordinated strategies to address the Eisenhower Expressway redevelopment in a manner that will maximize all opportunities for Oak Park.

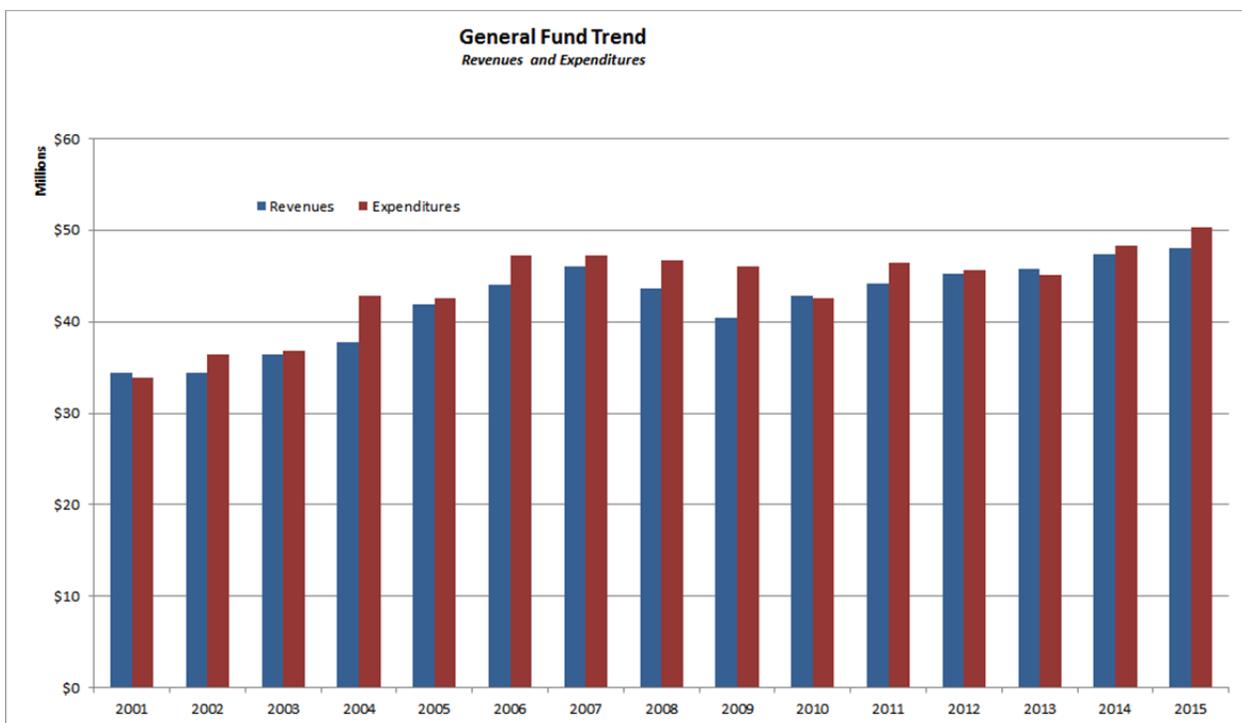

Objective 5 - Revisit Parking Systems: Over the next 24 months, revisit the overall parking systems within Oak Park in a holistic manner. Consider neighborhoods and business districts in order to understand the impact on residents, visitors and employees in the community.

2. Financial Stability

Looking forward to 2017, the Village's long term financial stability continues to be a key driver in decisions that are made in the Budget and reflect:

- Stable staff levels despite increasing trends in demands for services; and
- Increased funding for the State established fire and police pensions; and
- Continued focus on investing in technology to improve the efficiency and effectiveness of service delivery with customer service as a focus; and
- Continued capital investment in critical public infrastructure to ensure systems operate safely and effectively which include our fleet for police, fire and snow removal, the water distribution system and the public street and sidewalk system.

When focused on the Village's General Fund, which captures operating expenditures, the chart below tracks General Fund revenues and expenditures from 2001 – 2015.

3. Public Infrastructure and Capital Planning

The Village will celebrate the 115th Anniversary of its incorporation in 2017. Staff has developed a comprehensive five year Capital Improvement Plan (CIP) and the first year of this plan is the foundation for capital projects in FY17 and allows the Village to identify and evaluate the state of the Village's infrastructure and plan for the associated costs.

For the third year, the Budget continues to provide for an increase in resources for alley and street improvements. Based upon earlier discussions with the Finance Committee - staff has continued the aggressive five year schedule to invest an additional \$20 million in alley and street infrastructure to be funded with a general obligation bond issue.

Under prior Village Board action, fees to pay for this new debt are generated via a portion of the Vehicle Sticker annual fee and a capital fee applied to refuse collection. Each fee is linked to the respective capital investments (e.g. vehicle stickers to streets and garbage collection to alleys). The annual debt service projected for this program over 20 years at a 3% interest rate is \$1.3 million. Specifically, the budget contains offsetting revenue for annual debt service via a portion of the Vehicle Sticker fee (starting in FY16) and a capital customer charge for garage collection services of \$2.50 per month (starting in FY14).

It is also noted that the FY17 budget continues with the implementation of recommendations from the 2014 Water and Sewer Rate study which identified steps towards addressing the condition of the Village's water and sewer system, as a result of community age.

4. Technology

IT Staff in conjunction with the Village Manager and Department Directors have remained focused on the implementation of the priorities established in the IT Strategic Plan. The Plan, which was presented initially to the Village Board on February 24, 2014 proposed a multi-year prioritization of core infrastructure needed to maintain and enhance Village government operations. The Plan was then presented to the citizen advisory board, Civic Information Systems Commissions (CISC), April 17, 2014. The CISC endorsed the use of the priority list established in the strategic plan. On August 4, 2014, the Village Board accepted the IT Strategic Plan and directed staff to proceed with the necessary actions for the Village to become a member of the area GIS Consortium which was a key priority action identified in the IT Strategic Plan. That action supported the implementation of new technologies for Village services also prioritized in the Plan. Since 2014, the IT Strategic Plan has been re-presented annually to the Civic Information Systems Commission (CISC) in the form of a status update and then forwarded to the Village Board for review and approval.

Since 2014 significant progress has been made towards the key technology priorities established in the Plan, including:

- Oak Park adopted an Intergovernmental Agreement with the Consortium (GISC) - a public entity consisting of local governments that work collectively to achieve the benefits of GIS and related technologies.
- Using the GIS platform, CityView (aka VillageView) - a new software solution for permitting, inspections and licensing, was implemented.
- A new Computer Aided Dispatch (CAD) system through the Village's partnership within the West Suburban Consolidated Dispatch Center (WSCDC) was implemented via an upgraded software system. The upgrade to the 911 CAD system is of significant importance to emergency services.
- A replacement ERP system for PeopleSoft has been procured and implementation is underway for the Village's core financials and accounts payable. In addition, the new ERP will replace the Village's separate systems for cashiering (Core) and utility billing (MSI) and payroll (ADP).

Evaluation of the staff recommendation to begin a multi-year update of the Village's wholly owned municipal fiber network has been deferred from the FY17 Budget Recommendations, however, active planning and evaluation of options to update and replace the existing fiber systems with a public or private (or combined solution) is being placed into the Civic Information Systems Commission (CISC) workplan as a priority in order to recommended options to be presented to the Village Board in 2017. The current network is nearing the end of its useful life and supports the Village traffic signal system, police and fire communications, parking revenue collections in the three public parking garages and various parking lots in the business districts. The fiber network is also the backbone of all other Village internal data communication for operating departments' supporting core systems such as telecommunications, GIS, VillageView, 911 CAD, Video & Keycard, ERP and Records Information Management systems.

5. Public Private Partnerships

The Village has a number of public services that are provided in the Village via contractors. While many are provided via a competitive bidding process (such as snow removal or public infrastructure improvements) the Village has a class of contracts with various entities, commonly not-for-profit groups that are collectively referred to as "Partner Agencies" and others that are provided via Intergovernmental Cooperation Agreements supported via a contract for services.

The FY17 Budget includes within the General Fund a total of \$1,668,500 for the Village to enter into contracts with not-for-profit entities hereby defined as Partner Agencies including the Regional

Housing Center, Oak Park Residence Corporation, Oak Park Area Convention and Visitors Bureau, Oak Park Economic Development Corporation and Oak Park Area Arts Council. The recommended budget was not able to meet requests for new services as requested by Partner Agencies in the case of the Regional Housing Center. As a part of the Finance Committee review staff will seek direction as to the alignment of the Partner Agencies with the overall Village Goals.

The FY17 Budget also includes, within the General Fund, funding for the Village to honor existing intergovernmental agreements for youth services including the Youth Interventionist Program via the Oak Park Township and Early Childhood Services via School District 97 and 200.

6. Operational Needs

During the current fiscal year, Department Directors have identified and requested funding for important operational/service needs for which funding is recommended. Service level demands continue to trend higher Oak Park, especially in terms of emergency response:

Calls for Service	2013	2014	2015	2016 thru 8/31
Police	33,155	32,651	34,529	45,532
Fire	6,016	6,419	6,731	4,861

It is noted however, that despite the trends in terms of increasing calls for service, in terms of police services, the Village experienced an overall decrease of 2 percent in crime for 2016 January-August as compared to the same period last year.

Within the Police Department an increase of \$90,000 is included for the acquisition and deployment of tasers to all on duty officers in 2017. Subject to adoption of the General Fund budget, the Police Department would provide for deployment of the equipment to every on duty officer as a standard issue/required equipment under the authority of the Police Chief. It is important to note that the Police Chief has advised his intent to deploy tasers to on-duty sworn staff, subject to the budget appropriation and is proposed to improve officer safety and reduce lost work time due to injuries. The use of less lethal munitions, such as a taser, are not intended to reduce time spent de-escalating a situation or negotiating with an individual to comply with the lawful directions of an officer to stop potentially dangerous behavior.

The Village Manager’s Office continues to make labor relations a key priority. The Human Resources Department has been re-organized under a new Director and all nine Village collective bargaining agreements are current as follows:

1. IAM Local 701 CBA expires 12/31/18
2. IAFF Firefighters/fire lieutenants: CBA expires 12/31/17
3. IBEW Local #9: CBA expires 12/31/17
4. SEIU Local 73 – *water/sewer unit*: CBA expires 6/30/2020
5. SEIU Local 73 – *main unit*: CBA expires 12/31/17
6. Teamsters Local 705: CBA expires 3/31/18
7. FOP Community Service Officers CBA expires 12/31/17
8. FOP Police Officers: CBA expires 12/31/17
9. FOP Police Sergeants: CBA expires 12/31/16

The Budget provides funding for all covered employees’ wages and benefits as established in the applicable agreements. In regard to non-union exempt/non-exempt employees, the Budget includes funding for a 2.5% merit based wage increase tied to performance evaluations. This is equitable to the wage increases negotiated in recent CBAs for 2017.

The FY17 budget contains a net decrease in FTEs of 0.5 positions as a result of vacancies and includes a part-time administrative secretary in Human Resources. Within the Public Works Department it is also proposed that one position in the Water and Sewer Division be reclassified from a Water Sewer Worker to a Pump Operator. The position would be competitively filled through an internal posting.

It is important to consider that personnel expenses (wages and benefits) account for 76% of the General Fund budget and consistent with past practice, the FY17 Budget for General Fund expenditures reflect 98 percent of full staffing which is in line with the historical staffing levels. This practice was first implemented in FY13. A review of the prior fiscal years indicates that actual expenditures for salary and benefits are never 100% of the adopted budget amount:

Fiscal Year	Actual Expenditures for Salary & Benefits as a % of Budgeted Expenditures
2009	94.59%
2010	95.94%
2011	98.43%
2012	98.33%
2013	93.26%
2014	93.83%
2015	98.88%

This strategy allows for the adoption of a General Fund budget which more accurately establishes spending and does not require revenue increases and/or expenditure cuts that are not necessary in conjunction with the Village's need to increase the General Fund balance. In regard to salary and benefit costs, it should also be noted that the use of a salvage calculation in budgeting is intended to account for unexpected position turnover during the fiscal year and corresponding position vacancies as well as the possibility that every employee may not be awarded a merit based pay increase due to performance – although such increases are budgeted when required by a CBA or noted herein for non-union personnel. Salvage does not replace partial funding for new positions in anticipation of hiring dates nor does salvage account for Collective Bargaining Agreement wage increases that may occur after the adoption of the budget in the event contract negotiations are not concluded prior to fiscal year end.

Overall Financial Summary

The Village fiscal year begins January 1, 2017 and ends December 31, 2017 and is comprised of 29 active funds plus 28 grant funds. The primary goal of the recommended municipal budget is to establish a foundation for the Village's financial planning and control. Staff is focused on continuing the positive momentum that exists towards sustained financial stability and improving the quality of public services provided to residents and businesses. The Village currently has an underlying bond rating of AA from Standard & Poor's and A1 from Moody's.

Within the Budget, there is an overall increase of approximately \$3.8 million proposed in a property tax levy which equates to a 13.7% percent over the current fiscal year. This increase would cover an additional combined \$2.6 million in contributions to the police and firefighters' pension funds and \$1.2 million dedicated to the corporate and debt service levy. Staff reviewed in detail with the Finance Committee alternative property tax contributions to the police and fire pension funds and carefully considered the current funding level of each pension fund prior to incorporating the pension levy increase of \$1.5 million for the Fire Pension Fund above and beyond the actuarially recommended pension levy of approximately \$9 million. The budget assumes no change in the Village's Equalized Assessed Valuation (EAV) of \$1.3 billion.

While the total municipal budget relies upon a number of sources of revenue, the property tax levy continues to be a focus of judging the fiscal health of the community. Property tax funded Village expenditures were as follows in FY16:

Debt	\$	4,911,029	19%
Police Pension	\$	4,471,964	17%
Fire Pension	\$	3,574,416	13%
General Fund	\$	13,662,408	51%
	\$	26,619,817	

The following chart highlights the proposed changes from FY16 to FY17 for all property taxes levied to support the Village.

	Fiscal Year 2016 Tax Year 2015		Fiscal Year 2017 Tax Year 2016
	Actual Assessed Valuation	Estimated Assessed Valuation	Loss Allowance %
	1,334,441,513	1,334,441,513	Estimated Assessed Valuation 1,334,441,513
	Tax Year 2015 Extended Levy	Tax Year 2016 Village Levy	Tax Year 2016 Extended Levy
Corporate Levy	14,072,280	15,232,408	3% 15,689,380
Police Pension Levy	4,606,123	4,940,474	3% 5,088,688
Firefighters Pension Levy	3,681,648	5,601,488	3% 5,769,533
Subtotal	22,360,051	25,774,370	26,547,601
Gross Debt Service Levy	7,717,130	8,505,623	5% 8,930,904
Debt Service to be Abated	(2,560,550)	(3,995,524)	5% (4,195,300)
Subtotal Net Debt Service Levy after Abatement	5,156,580	4,510,099	4,735,604
Total Property Tax Levy Request	27,516,631	30,284,469	31,283,205

In addition to property taxes, sales tax revenues are a significant revenue stream for the Village and are established as follows:

Sales Tax in Oak Park	
State portion	5.00%
Village portion	1.00%
County portion	<u>0.25%</u>
Total Sales Tax by State Regulation- General Merchandise	<u>6.25%</u>
Village Home Rule Retailers' Occupation Tax	1.00%
Cook County Home Rule Retailers' Occupation Tax	1.75%
RTA Sales Tax	<u>1.00%</u>
Total Sales Tax Home Rule- General Merchandise	<u>3.75%</u>
Total Combined Sales Tax- General Merchandise**	<u>10.00%</u>

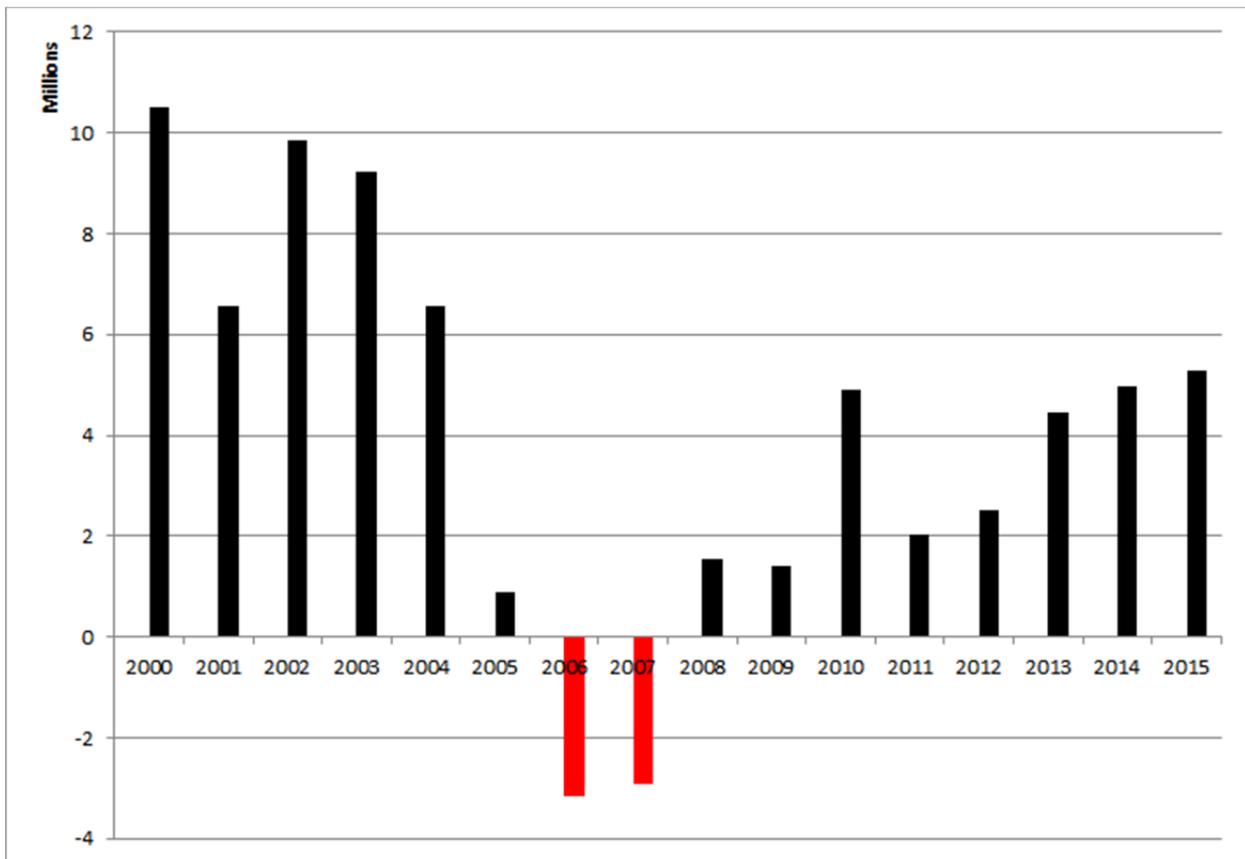

***Registered property (i.e. vehicles) and eligible food & drugs are taxed at a lower rate*

Total expenditures recommended for FY17 are \$135 million excluding approximately \$27 million in inter-fund transfers out and \$14 million in fiduciary fund expenditures (police and firefighters' pension contributions are captured in the General Fund as expense). The General Fund accounts for 36% of total expenditures, Enterprise Funds such as Water, Sewer, Environmental Services, & Parking comprise 18% of total expenditures, capital funds 15%, and the remaining 31% of expenditures are derived from various Special Revenue, Internal Service, and Fiduciary Funds.

Fund Balance

Regarding the General Fund, the **Fund Balance Policy** states that an unreserved fund balance goal of no less than 10% or more than 20% of the current year's estimated operational expenses shall be maintained. Of this balance, cash and investments should compose no less than 60%, or 6% of annual operating expenditures. The audited Fund Balance at the end of FY15 was \$5.3 million which fell slightly short of the 10% low end of the range hereby equating to approximately \$5.8 million.

The chart below provides the History of the General Fund Balance, *unreserved*:

In closing, I would like to reiterate the important role played by all employees in the Village Manager's Office, the Finance Department, and each Department Director along with their respective staff for their dedication to Oak Park and their focus on identifying effective and efficient ways to deliver public services on a daily basis.

Sincerely,

A handwritten signature in cursive script that reads "Cara Pavlicek".

Cara Pavlicek
Village Manager

Introduction

The Budget Adoption Process

The process for adoption and amendment of the Village of Oak Park budget, along with a calendar of the major dates and activities related to the development of the 2017 Recommended Village of Oak Park Budget is outlined in this section. Chapter 2 of the Village of Oak Park's Municipal Code establishes the foundation for the Municipal Budget. Excerpts from Chapter 2 follow:

- The Village's fiscal year is January 1 - December 31.
- The Board of Trustees must adopt the annual budget prior to the start of the Fiscal Year and passage of the annual budget shall be in lieu of passage of the appropriation ordinance.
- On or before the Village Board of Trustees' first regular meeting in November of each year, the Village Manager shall submit to the Board of Trustees an annual Municipal budget which contains estimates of revenues together with recommended expenditures in conformity with good fiscal management practice.
- The recommended budget presented by the Village Manager shall show the specific fund from which anticipated expenditures are charged.
- The annual budget may contain funds set aside for contingency purposes not to exceed ten percent (10%) of the total budget, commonly referred to as the Working Cash Fund.
- At least one public hearing shall be held by the Board of Trustees on the tentative annual budget prior to final action by the Board of Trustees. Copies of the tentative annual budget shall be made available for public inspection for at least ten (10) days prior to the hearing. After said hearing, the tentative budget may be further revised and passed without further notice, inspection or hearing.

The Budget Amendment Process

Annually, following adoption of the Budget, it may be necessary for the Village Board to consider amendments to the Adopted Budget in response to unforeseen issues as follow:

- **§2-6-5 (F)Revision of Annual Budget:** The Municipal Budget Officer, subject to approval by the Village Manager, may delete, add to, or change items within object classes, provided the budget for the object class is not increased.
- The Municipal Budget Officer, subject to approval by the Village Manager, may delete, add to, or change items, up to an amount of three thousand dollars (\$3,000.00) between object classes, provided the total fund budget is not increased and the annual aggregate of such transfers does not exceed one percent (1%) of the total fund budget.
- The corporate authorities, by a vote of two-thirds ($\frac{2}{3}$) of the members then holding office, shall have the authority to revise the budget by transferring monies from one fund to another or adding to any fund. No revision of the annual budget shall be made increasing the budget

in the event monies are not available to do so. (Ord. 1989-0-52, 7-5-89).

- Budget amendments will be compiled and submitted to the Board of Trustees for consideration in the month subsequent to each quarter end with the exception of the fourth quarter. Therefore, it is anticipated that a budget amendment will be included in Board agenda in the following months:
 - April (for quarter ended 3/31)
 - July (for quarter ended 6/30)
 - October (for quarter ended 9/30)
 - December (to adjust budget based on final year end projections)
- Should a requested budget amendment increase an account without an offsetting decrease in a different account, adequate revenue and/or reserves are required for an amended appropriated amount.

Financial Policies

The following is a summary of the Village of Oak Park's financial policies related to the following areas:

- Accounting and Budgeting Methods
- Balanced Budget
- Fund Balance
- Debt Limits
- Purchasing Practices
- Investment Practices

Accounting and Budgeting Methods – The accounting and budgeting records for general governmental operations are maintained on the modified accrual basis of accounting. Under this method, revenues are recorded when available and measurable and expenditures are recorded when materials or services are received and the liability is incurred. Accounting and budgeting records for the Village's enterprise funds, internal services funds and pension trust funds are maintained on the accrual basis of accounting.

Balanced Budget – A balanced budget is defined as a Fund in which annual budgeted revenues either meet or exceed annual budgeted expenditures or expenses, without the necessity of utilizing reserves or fund balance as a revenue source.

Fund Balance Policy – Appropriate fund balance levels are necessary to respond to unexpected emergencies and annual cash flow requirements. For the General Fund, the objective is to have an on-hand unreserved fund balance between 10% and 20% of the current year's estimated operating expenditures. Since unreserved fund balance is often comprised of non-cash amounts, it is furthermore the goal that cash and investment comprise no less than 60% of the targeted unreserved fund balance under this policy. Thus, it is the policy that total General Fund cash and investment balances be in the range of 6% and 12% of annual operating expenditures. For example, if the General Fund has annual budgeted expenditures of \$50 million, the goal would be for the General Fund to have a net (after offsetting inter-fund receivables/payables) \$3 million to \$6 million in cash/investments.

Debt Limit Policy – Under the 1970 Illinois Constitution, there is no legal limit for home rule municipalities, of which Oak Park is, except as set by the General Assembly. Reasonable rules of financial management, however, do offer some guidance which is subject to Village Board policy. The Village does not currently have any formula driven debt limit, but looks to the market to determine its credit worthiness which, in part, takes various measures of debt into account.

Purchasing Policy (subject to change pursuant to adoption of new policy) – When the total cost of any contract made for supplies, equipment, repair work or personal services exceeds \$25,000, or the total cost of making any public improvement exceeds \$10,000, the expenditure must be authorized by the Board of Trustees.

Additional policies on the bidding process – When the total cost of a public work or improvement is expected to exceed \$10,000, or when the total cost of any supplies, equipment or repair work is expected to exceed \$25,000, a call for bids is to be formally advertised. Bidding in all instances may

be waived by a two-thirds vote of the Board of Trustees. In cases of urgently needed material or urgent repairs involving labor and material, repairs and material may be obtained through negotiated contract without formal advertising with the approval of the Village Manager, when it is in the best interest of the Village and when it is not practical to convene a meeting of the Board of Trustees. Negotiated purchases without formal advertising may be approved by the Board of Trustees when it is impractical to secure competition, impossible to draft adequate specifications or any other adequately detailed description of the required property or services, or when the contemplated contract involves maintenance, repair, alteration or inspection and the exact nature or amount of work to be done is not known. However, staff shall first obtain in writing, whenever possible, at least three informal bids for the work whenever possible.

Investment Policy

Pooling of Funds – Except in certain restricted and special funds, the Village of Oak Park will consolidate cash balances from all funds to maximize investment earnings. Investment income will be allocated to the various funds based on their respective participation and in accordance with generally accepted accounting principles.

Safety of Principal – Investments shall be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio. The objective will be to mitigate credit risk and interest rate risk.

Liquidity – The investment portfolio shall remain sufficiently liquid to meet all operating requirements that may be reasonably anticipated. This is accomplished by structuring the portfolio so that securities mature concurrent with cash needs (static liquidity). Furthermore, since all possible cash demands cannot be anticipated, the portfolio should consist of securities with active secondary or resale markets (dynamic liquidity). A portion of the portfolio may be placed in money market mutual funds or local government investment pools that offer the same-day liquidity as for short-term funds.

Rate of Return – The investment portfolio shall be designed with the objective of attaining a market rate of return throughout budgetary and economic cycles, taking into Investment risk constraints and liquidity needs. Return on investment is of least importance compared to the safety and liquidity objectives. The core of investments is limited to relatively low-risk securities in anticipation of earning a fair return relative to the risk being assumed. Securities shall not be sold prior to maturity with the following exceptions:

- Declining credit security could be sold early to minimize loss of principal
- Security swap would improve the quality, yield or target duration in the portfolio
- Liquidity needs of the portfolio require that the security be sold.

Consistent with Illinois Compiled Statutes 23 5/2, the following investments will be permitted by this policy:

- U.S. Government obligations, U.S. Government agency obligations and U.S. Government instrumentality obligations, which have a liquid market and a readily determinable market value

- Investment-grade obligations of state, provincial and local governments and public authorities
- Certificates of deposits and other evidences of deposit at financial institutions, bankers' acceptances and commercial paper, rated in the highest tier by a nationally recognized rating agency
- Money market mutual funds regulated by the SEC and whose portfolios consist only of domestic securities
- Local government investment pools, either state-administered or through joint powers, statutes or other intergovernmental agreement legislation.

In accordance with Illinois Compiled Statutes, collateralization of Public Deposits will be required on non-negotiable certificates of deposits.

- The Village of Oak Park will limit maximum final stated maturities to five (5) years unless specific authority is given to exceed or the investment is matched to a specific cash flow. To the extent possible, the Village will attempt to match its investments with anticipated cash flow requirements.
- Reserve funds and other funds with longer-term investment horizons may be invested in securities exceeding five (5) years if the maturity of such investments is made to coincide with the expected use of funds.

GENERAL FUND

Overview

The General Fund of the Village includes all the operating departments and general operating revenues which are not classified elsewhere. The following operating departments are budgeted in this Fund:

- Administrative Adjudication
- Administrative Services- Village Manager's Office
- Administrative Services- Communications
- Administrative Services- Human Resources
- Administrative Services- Law
- Community Relations
- Development Customer Services
- Finance
- Fire
- Public Health
- Information Technology
- Police
- Public Works
- Village Clerk's Office
- Village President & Board of Trustees

There are several revenue sources devoted to the General Fund in the following broad categories:

- Taxes
- Licenses & Permits
- Charges for Services
- Grants
- Fines
- Interfund Transfers-In
- Financing & Investment
- Other/Miscellaneous

General Fund Revenues

General Fund Revenues are the taxes, fees, and charges that the Village assesses to provide services to its citizens. General Fund revenues are managed within the Village's General Fund, and are comprised of the following revenue categories:

- Tax revenues (e.g.- property taxes)
- Licenses, permits, and fees (e.g.- business licenses)
- Charges for services (e.g.- police reports)
- Grants
- Fines (e.g.- parking tickets)
- Other financing sources (transfer of resources from other funds)

The following table presents a summary of the Village's major General Fund taxes and revenues:

<u>General Fund Revenues</u>	<u>Description</u>
Property Taxes	Property tax revenues are the proceeds that the Village receives from assessing taxes on residential and commercial properties within the Village. Each year, the Village Board adopts a fixed levy that is used to fund operations, debt service, and Village contributions into the Police and Fire Pension funds. In order to collect the necessary amount, the County extends the levy by a set percentage beyond the Village's request to account for any potential loss in collections. This additional "loss" percentage varies from 3.0% -5.0%
Liquor Taxes	Liquor Tax Revenues are the revenues that the Village charges to vendors that sell liquor within the Village. The current Liquor Tax rate is 3% of the liquor purchase price. This is a locally administered tax.
Natural Gas Use Tax	The Natural Gas Use Tax is a tax that the Village charges to customers who purchase natural gas from outside the State of Illinois and assessed at 2.2 cents per therm. This tax is collected and remitted by NICOR.
Sales Taxes	<p>In the State of Illinois, there is a base 6.25 % Sales Tax on general merchandise. It is administered and collected by the Illinois Department of Revenue. One percent (1%) of this Sales Tax is distributed to the municipality where the sale occurred. This tax, officially referred to as the Retailer's Occupation Tax (ROT) is captured in the Village's General Fund and is used to support general Village operations.</p> <p>The Village also imposes a 1% Home Rule Occupation Tax (HROT). While approved locally, this tax is also administered and collected at the state level. This tax is dedicated to the Capital Improvement Project (CIP) Fund. Pursuant to State law, the HROT tax is not assessed on qualifying food, drugs, or registered property purchases (vehicles).</p>

Real Estate Transfer Tax	The Real Estate Transfer Tax (RETT) is a tax on the seller of property within the Village. The tax is assessed at \$8 for every \$1,000 of the sale or “transfer” price. For example, when a \$500,000 house is sold, the seller would pay a RETT of \$4,000 ($\$500,000/\$1,000 = 500 \times \$8 = \$4,000$).
Utility Taxes	The Electricity Tax and the Natural Gas Tax. Both taxes are assessed based upon user consumption within the Village. The Electricity Tax is based on the number of kilowatt hours (kwh) consumed. The actual rate varies from a low of \$0.00202/kwh to a high of \$0.0033/kwh, based on usage. The Natural Gas Tax is assessed on natural gas purchased within State lines at a rate of 5.0%.
Licenses and Permits	The Village charges fees to individuals, businesses and other entities to acquire authorization and permission to conduct certain activities within the Village. These authorizations and permissions are extended in the form of licenses and permits. For example, the Village charges business licensing fees for entities that wish to conduct business within the Village. Individuals that wish to park in public spaces within the Village must acquire a parking permit.
Intergovernmental Revenues	Intergovernmental revenues are revenues that the Village receives from other government entities. Apart from other grants, the revenues that the Village receives from this revenue stream are primarily from the State of Illinois. Intergovernmental revenues typically take the form of grants, entitlements, shared revenues, or payments in lieu of taxes.
Charges for Services	The Village provides a number of services for which it charges fees directly to the service recipient. Such services include: drafting of police reports, ambulance services, animal adoption services, and environmental health services.
Fines	The Village charges fines and penalties to individuals and businesses when they become non-compliant with Village rules and regulations. Parking citations is an example of such a fine for which the Village charges a fee directly to the offender.

General Fund Expenditures

General Fund Expenditures are the expenditures related to the performance of direct Village services, such as police, fire, public works and housing services. General fund expenditures also relate to the performance of administrative services such as finance, human resources, and information technology. General Fund Expenditures are managed within the Village's General Fund, and are comprised of the following expenditure types:

- Personal Services (e.g.- salaries and overtime)
- Fringe Benefits (e.g.- health insurance and pension contributions)
- Materials and Supplies (e.g.- printing and office supplies)
- Contractual Services (e.g.- vendor service contracts, Telecommunications)
- Capital Outlay (e.g.- infrastructure, Fleet Management)
- Granting Activities (e.g.- funding of community services via funds allocated from another agency)
- Transfers (e.g.- transfer of resources from other Village funds)

The following table presents a summary of the Village's major General Fund Expenditures:

<u>General Fund Expenditure Types</u>	<u>Description</u>
Personal Services	Personal Services expenditures are the expenditures for the compensation of Village staff to perform Village services and activities. Given the labor-intensive nature of Village services, personnel and benefits expenditures typically make up the largest proportion of general fund expenditures.
Fringe Benefits	Fringe Benefits expenditures are the expenditures for the insurance and pension support for which the Village provides its employees. Similarly to Personal Services, Fringe Benefits typically make up a large portion of general fund expenditures.
Materials and Supplies	Materials and Supplies expenditures are expenditures related to maintaining administrative operations within Village departments. These expenditures include costs such as printing costs, general maintenance and upkeep, telephones services and software support.
Contractual Services	Contractual Services are for infrequent or unique services that are provided to the Village by independent contractors or by consultants. These expenditures are tracked separately from the Village's salary and benefit resources.

Capital Outlay

Capital Outlay expenditures are for the maintenance of Village physical and technical infrastructure.

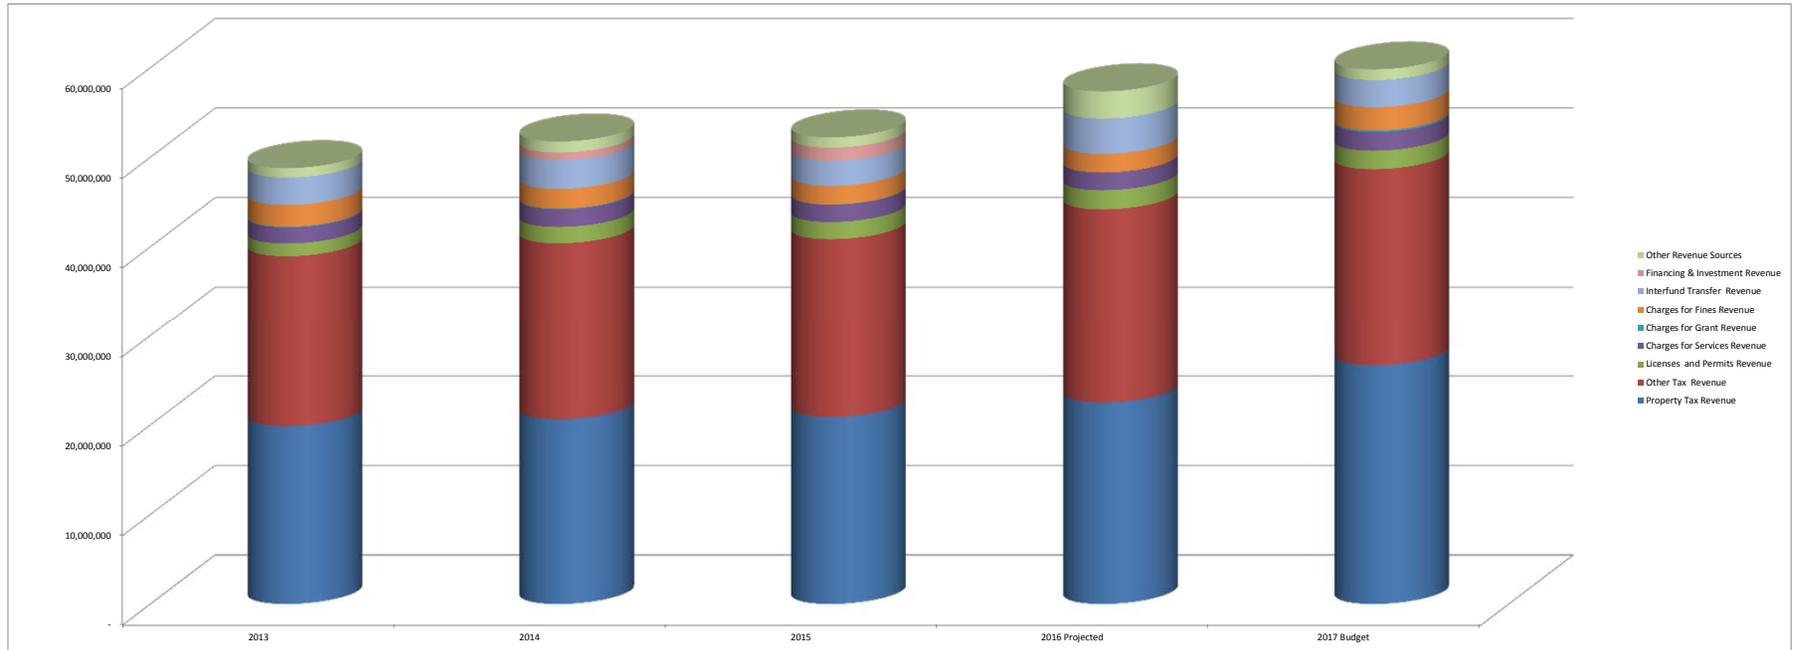

Grants

In some cases, the Village serves as a grantor of funds to local community service providers, who provide services to the community on behalf of the Village. Grants expenditures are associated with these types of activities.

Transfers

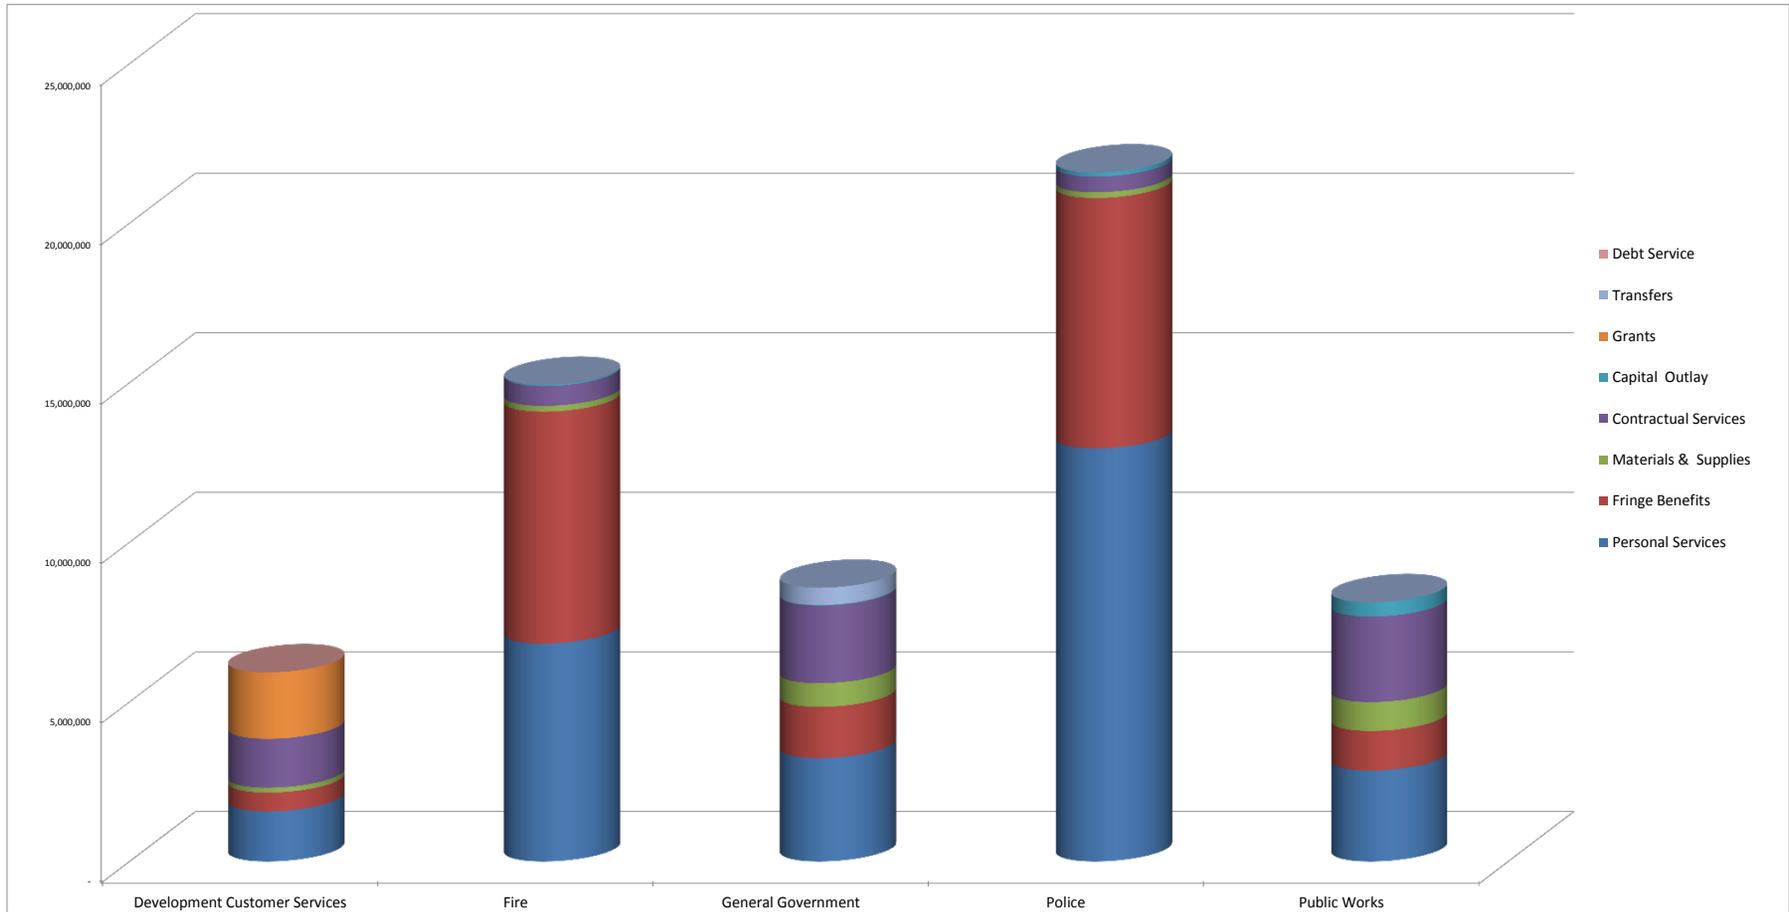

Transfer expenditures are the expenditures that are transferred from the General Fund to support service activities or other types of reimbursements.

2017 Budget General Fund Revenues: \$ 59,814,330

Administrative Adjudication

Executive Overview

Departmental Summary

Administrative Adjudication conducts administrative hearings for the Village of Oak Park, Illinois. The hearings are divided into two primary categories: Parking and Local Ordinance Violations. The citations that are adjudicated are issued by various departments/divisions in the Village including Police, Fire, Health, Public Works and Development Customer Services. The department maintains the records of the hearings and transmits notices to individuals that have pending matters.

2016 Accomplishments

Adjudication made significant steps to improve customer service and will issue a customer service survey.

Adjudication added Rosecrance as a provider for juvenile respondents. As a result, professional substance assessments along with other services are available to the youth respondents.

Adjudication working with IT was able to improve the functionality of the local ordinance computerized database. The changes, in part, made the database more user-friendly, enhanced security, reduced the possibility of erroneous entries and created better tracking of data entries. These improvements better allow for the continued use of the database until a replacement database is installed.

2017 Work Plan

Adjudication will continue to work to improve all services including the automation of more processes. The goal of automation is to make the process smoother but also to limit or eliminate the use of paper.

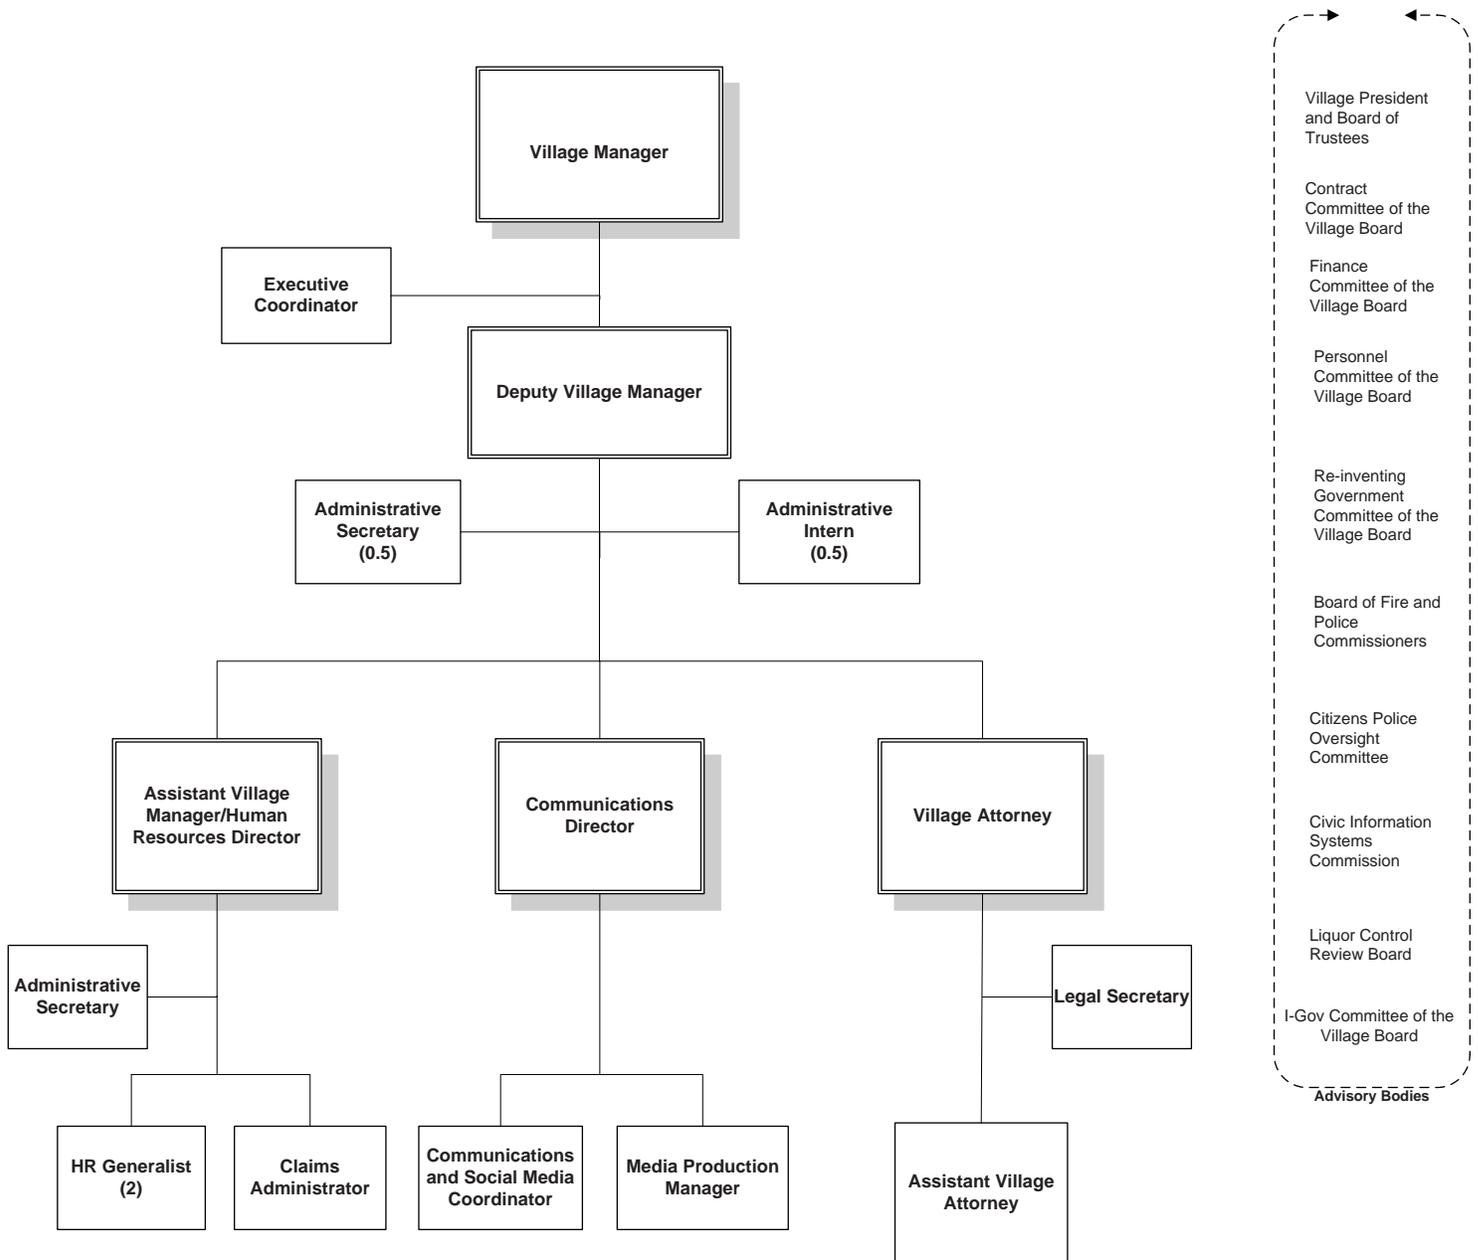

Additionally, the office is continually working on customer service issues and assessing the viability of various tools in an adjudication environment.

Adjudication will continue to work to improve the services to juveniles that appear for hearings. One focus will be the ongoing interaction with service providers such as the Oak Park Township Youth Services in order to fully deliver non-financial and non-punitive remedies to youth respondents. Another focus will be to develop a greater number of opportunities for non-Oak Park and River Forest youth that appear in Adjudication.

Administrative Services

Village Manager's Office

Executive Overview

Departmental Summary

The Village Manager's Office is responsible for overseeing day-to-day operations of the Village. This is accomplished by the Village Manager, Deputy Village Manager, Assistant Village Manager/Human Resources Director, Secretary to the Village Manager and a part time Administrative Secretary. The group of employees is responsible for providing staff support to the Mayor and Board of Trustees along with the five Committees of the Village Board (Personnel, Finance, Contractual, Intergovernmental and Reinventing Government).

The Village Manager position is established pursuant to 65 Illinois Compiled Statutes 5/5-3-7 and the Village Manager shall be appointed by the Board of Trustees. The General Duties of the Village Manager are stated in §2-4-2 of the Municipal Code and note that the Village Manager shall be the chief administrative officer of the Village and exercise all powers and duties assigned to him or her by Statute and such other authority as may be granted by the Board of Trustees. The Manager shall be charged with hiring all employees, other than those under tenure of office laws (e.g. sworn police officers and sergeants, firefighters and lieutenants) and with the enforcement of all laws and ordinances within the municipality insofar as their enforcement is within the powers of the Village. The Manager shall attend all meetings of the Board of Trustees, shall keep the Board informed as to the affairs of the Village, and shall recommend to the Board such actions as may be necessary or expedient for the welfare of the Village.

Under the policy direction and leadership of the Mayor and Board of Trustees, the Village Manager's Office mission is to create excellence in local services via professional local government management, consistent with the following Guiding Principles and Values that inform or influence staff activities at all levels of the organization:

Communication: Sharing our knowledge, perspectives and information openly, regularly and clearly with citizens and each other

Customer Service: Understanding and providing for the needs of our customers in a prompt, courteous and caring manner

Diversity: Valuing, promoting and nurturing human diversity in staff, consultants and contractors

Fiscal Stewardship: Assuring the most cost-effective and efficient use of the public's money; earning and maintaining public trust

Integrity: Committed to the highest ideals of honor and integrity in all public and professional relationships

Learning Organization: Challenging ourselves to learn, grow and expand our professional and technical knowledge

Professional Management: Dedicated to consistent, accountable, equitable and effective management techniques and systems

Recognition: Appreciating the contributions of our most important resource: Village employees and those citizens who volunteer their time and expertise in service to the community

Team Work: Working collaboratively through personal initiative, professional accountability, mutual respect and trust

2016 Accomplishments

- Success of the Village Manager's Office is largely a function of the extent to which individual operating departments execute their roles and responsibilities in a manner that reflects the Guiding Principles and Values, and advances the Village Board's Objectives and Goals. Our operating departments have placed considerable focus this year on a number of priorities including but not limited to: economic development, technology, public safety, infrastructure, planning for the future investment in the Eisenhower I-290, and customer service improvements both internally and externally.
- To support and continue to grow a high performing organization, the Village Manager's Office continued in FY16 group training activities with Department Directors related to Gallup's Strength Based Training, Administrative Professional training, ongoing strategies to improve relationships with our collective bargaining units through a focused effort to keep contracts current, employee training opportunities for all staff while on duty (topics were selected by employees) and increase recognition events, supervision (coaching and counseling) and performance evaluation.
- The Village Manager's Office hosted employee appreciation breakfasts to celebrate each new year and we held an ice cream social to celebrate the end of summer for all employees. Village wide, new training opportunities for all employees, entitled Oak Park 101 were continued in 2016.
- Externally, the construction of Vantage at the corner Lake and Forest is nearing completion and the first tenants moved in July 1, 2016. West on Lake Street the Oak Park Station Development is under construction.
- The 2015 Village of Oak Park Citizen Survey was completed and results presented in January 2016.
- The Village Manager welcomed CFO Steven Drazner and Asst. Village Manager/Human Resources Director Julia Scott-Valdez in 2016.

2017 Work Plan

The FY17 Village Manager's Office work plan is aligned with the adopted Village Board Objectives and supports the underlying goals. The Objectives updated and adopted September 21, 2015, and include the following **Core Values:**

- Be Fiscally Responsible
- Be Accountable (including outside agencies)
- Communicate & Celebrate Success
- Build Trust

Objectives include:

Economic Development. *Create an environment for Economic Development that includes a clear comprehensive approach that meets needs of diverse constituents which results in increased commercial vitality village-wide. Focus on retention, recruitment and reinvestment. Prioritize big ideas and unique opportunities that brand Oak Park as a distinctive, one-of-a-kind community.*

Intergovernmental Relations. *Collaborate with other taxing bodies and neighboring communities to share resources and address commonly shared community issues that maximize efficient use of the tax dollars.*

Service Delivery. *Deliver services to internal and external customers in an efficient, responsive, accurate, professional, welcoming and friendly manner.*

Minimize the Impact of the Eisenhower Expressway on our Community. *Prior to year-end 2017, develop multiple coordinated strategies to address the Eisenhower Expressway redevelopment in a manner that will maximize all opportunities for Oak Park*

Revisit Parking Systems. *Over the next 24 months, revisit the overall parking systems within Oak Park in a holistic manner. Consider neighborhoods and business districts in order to understand the impact on residents, visitors and employees in the community.*

In addition to reviewing, helping to shape, and monitoring annual work plans presented by the various operating departments to maximize support for the 2015-2016 Village Board Objectives and Goals, the Village Manager's Office will undertake the following departmental activities requiring its resources:

- Continue to plan and implement a model for sustained organizational excellence. This effort includes internally-focused initiatives, such as deployment of the MAP Program and selection of an instrument to survey management and organizational patterns, as well as externally-focused initiatives, such as developing and executing strategies for enhanced listening and accountability to the varied customer/user segments of Village programs and services, whether by choice or by necessity/obligation.
- Plan and conduct the 2017 Village of Oak Park Citizen Survey.
- Use a combination of high-tech and high-touch to improve both vertical and horizontal employee communications. This may include an interactive e-communication forum.
- Continue to identify and implement solutions that simplify access to public services while at the same time ensuring the quality of such interactions along five critical dimensions of service delivery: Employee knowledge/consistency, timeliness, courtesy, fairness/equity, and outcome – receiving what one requests on the first contact, as appropriate.
- Continued training efforts along with enhanced coordination between VMO and the Human Resources Department to improve employee relations and engage all Supervisors in the importance of providing meaningful staff evaluations.

- Continue to develop and deploy strategies to ensure that all public services are provided in a simplified, friendly and timely manner.

Communications

Executive overview

Departmental Summary

The Communications Department keeps the public informed about municipal government programs, services and activities through a wide range of public information tools. Communications staff writes, designs, produces and manages informational messages for the full range of communication tools, including electronic, broadcast and print. Staff produces publications such as brochures and booklets, the *OP/FYI* community newsletter and quarterly *Employee News*. Staff also serves as in-house editors and writers of a wide range of messages created by other departments and volunteer bodies, applying basic principles of journalism to ensure messages are free of insider jargon and understandable by laypersons. In addition, the department manages news media relations, including issuing news releases, answering inquiries from reporters and handling crisis communications and response. Other duties include operating the Village's government access cable television station VOP-TV, producing original video programming, managing the public website, oak-park.us, and the employee intranet website, and publishing *enews*, an ongoing subscription-based, electronic news information dissemination tool. The Department also manages the official social networking communications tools, including [Facebook](https://www.facebook.com), [Twitter](https://twitter.com), [YouTube](https://www.youtube.com) and [Pinterest](https://www.pinterest.com). Staff also provides support to the Village Manager's Office assembling materials and disseminating agenda materials for the Village Board.

2016 Accomplishments

- Launched a new employee website, including overseeing design and creating all content.
- Enhanced the television broadcasting, online streaming and in-person experience for meetings held in Council Chamber and room 101 by updating and improving the sound system that was part of the original broadcasting system installed in the late 1990s.
- Increased reach of Facebook messages, reaching an average of about 108,000 people per month. On track to post more than 250 messages this year to a growing base of about 6,500 fans. Engagement with the Village's Facebook followers is on the rise as the Village's posts have been shared more than 700 times and commented on more than 500 times.
- Tweeted some 150 messages through the first half of the year. The official Village Twitter account is on track to break 5,000 followers by the end of 2016.
- Distributed an average of three e-news messages to a growing list of more than 2,700 subscribers.
- Produced 30 new, original programs for VOP-TV and YouTube through first half of 2016. Now have more than 340 original videos online that have received almost 46,000 individual views so far this year, representing some 80,000 minutes of Village-centric messages watched on YouTube.
- Published nine issues of the six-page *OP/FYI* community newsletter that is distributed to nearly 25,000 Oak Park households, taking the Village messages across all socio-economic levels.

- Supported Police in managing and disseminating public information messages related to multiple high-profile incidents.
- Managed regular updates to Village website, which is on pace for more than 1.5 million page views this year.
- Supported the mission of the Civic Information Systems Commission.

2017 Work Plan

- Continue efforts to help build and maintain morale and loyalty among Village employees with a focus on internal communications, small-scale special events and recognition of individual efforts.
- Supplement long-standing public information *push* programs with broader citizen engagement through communications channels that make it easier for citizens to request services, report problems and share opinions.
- Grow the Village's social media presence as an additional, effective tool for timely, direct citizen interaction.
- Effectively integrate the device-responsive public website with a growing number of third-party applications that are being embraced for service administration, including the GIS Consortium and VillageView.
- Integrate short-term needs to upgrade aging VOP-TV equipment within longer-range plans that will help ensure video capabilities remain at high standards for maintaining this vital public policy making communications channel.
- Continue to support all Village departments with public information message packaging and distribution to maximize effectiveness and maintain professional communications standards.
- Support the mission of the Civic Information Systems Commission.

Human Resources

Executive Overview

Departmental Summary

Human Resources provides internal services to all departments via highly complex administrative support of the Village Manager, Department Directors and all employees by managing recruiting procedures, employee/retiree services, equal opportunity employment plan management, position classification and pay plan management, records maintenance for all Village employees reflecting tenure, qualifications and service, leaves of absence and related matters, and administration of retirement and insurance plans via a third party contractor.

Services are provided through the following programs:

- **General Administration** – Maintaining accurate employment and benefit records
- **Labor Relations** – Assisting in the negotiation and administration of nine collective bargaining agreements and administering the Personnel Manual to ensure that contractual terms and conditions of employment and general Village policies are applied in a fair and equitable manner.
- **Benefits Administration** - Providing and administering a comprehensive employee benefits program that is cost effective while also considered by employees as having value in terms of their total compensation from the Village.
- **Employment** – Being recognized as an employer of choice through an effective talent management program that includes applicant management, on-boarding, performance management, learning management and recognition and rewards (including compensation) management.
- **Training** – Creating and sustaining a learning environment to communicate Village Guiding Principles and Values, enhance employee engagement through opportunities for personal and professional growth, and evaluate and affirm that programs and services are aligned to Village Board priorities and strategic objectives in a cost-effective manner.

2016 Accomplishments

- Reorganization of the Human Resource Department to better meet the needs of the Village organization.
 - Backfilled vacancy with the hire of a Human Resource Generalist to focus on the daily administration of the health insurance plan, workplace leaves and the coordination of Worker's Compensation.
 - Replaced the retired Administrative Secretary position with a Human Resource Generalist to focus on recruitment, training employee relations and timely hiring.
 - Trained generalists to become subject matter experts on all areas of Village operations.

- Realigned the hiring protocol in order to fill vacancies in a more timely manner; providing the best candidate and working within the standards provided by Village policy and collective bargaining agreement.
- Remapped the leave request process to provide more accurate information to the employee and the manager or supervisor.
- Worked closely with the Benefits consultant to ensure that the 2017 health insurance re-enrollment met the benchmark of a 0% error rate.
- Successfully implemented a new occupational health program which included developing an RFP, selecting a new vendor and defining work flow, policies, procedures and transitioning run-off cases.

2017 Work Plan

1. Improve employee relations:

- a. In order to encourage a respectful workplace, the Human Resource department will focus on building relationships with all levels of management and employees and encouraging a cooperative environment for labor management.
- b. The Human Resource Department will focus on the integration of Village principles and values as an integral part of the work culture through the development of a better on-boarding experience for new and promoted employees. The on-boarding experience will include the development of a new employee video which will help employees better understand the Village's expectations as an employer and present policy and principle in an easy to understand presentation, tours of Village facilities and online training to reinforce values and principles.

2. Improve employee soft and technical skills

- a. Develop a training curriculum that will combine online learning with classroom support. Training will focus on improving technical skills required for the ERP update, improving workplace skills such as customer service and building a respectful workplace.
- b. Develop a training curriculum and mentoring programs for Village managers and supervisors which focuses on building better communication skills, legal requirements and awareness of collective bargaining agreements as well as an annual rotation of mandated topics such as harassment, reasonable suspicion, OSHA and public safety training.

3. Improve benefit administration

- a. The Human Resource Department has approached the daily administration of benefits through an ad-hoc lens focusing only on clerical changes rather than understanding the benefits program as a whole. Working closely with Vista, the Village's benefits consultant, HR will bring a higher level of accountability and claims management through monthly plan audits, closer scrutiny during

enrollments, monitoring the award of duty disability benefits and educating employees on their rights and responsibilities.

- b. Managing health through wellness is an important component of modern benefit administration. The Village has made some inroads in providing employees the opportunity to improve their health through their Oak Park 101 series. Human Resources would build on this momentum through the development of an employee-based wellness group, onsite fitness classes and additional opportunities for education and participation.

4. Develop a strong leave management program

- c. Managing employee leaves, whether due to an illness or a workplace injury, requires that the employer be respectful of the employee's rights, the legal arena of worker's compensation and the needs of an operation. It also requires the handling of a significant amount of personal and medical information as well as diligence in responding within defined timeframes. Poor leave management can cost the Village in both absenteeism and poor morale. In order to protect the privacy and needs of the employee as well as the operational needs of the Village, outsourcing the administrative process would be recommended. This does not remove the Village's responsibility in managing the contract and auditing the leaves but it does remove the legal liability in the decision-making process while providing a fair and neutral request process for the employee.
- d. Develop a comprehensive worker's compensation program including reintroducing the light duty program, Human Resources has begun the initial partnership with the Legal department to gain a better understanding of current injuries and the worker's compensation process. A closer audit of policies and practices is required to understand the Village's exposure. Returning employees to the workplace through work hardening programs and light duty assignments has historically reduced this exposure.

Law Executive Overview

Departmental Summary

The mission of the Law Department is to provide effective legal services to the Village Board, the Village Manager, Boards and Commissions and Village staff.

The Law Department is responsible for all legal matters concerning the Village of Oak Park. Such matters include the following: advice and counsel, the prosecution and defense of civil litigation, workers' compensation claims and other contested matters, real estate, land use and zoning matters, transactional matters, development agreements, the drafting of ordinances, resolutions, contracts, policies, memorandums and other documents, the enforcement of the Village Code and Village ordinances, traffic court prosecutions, collections, document review, and various other matters as they arise. The Law Department consists of the Village Attorney, Assistant Village Attorney, Claims Administrator, and Legal Secretary.

2016 Accomplishments

Significant accomplishments include a reduction in pending civil litigation and workers' compensation cases pursuant to dismissals or settlements reached during the year, bringing additional work in-house at a cost-savings to the Village, the drafting and adoption of numerous ordinances to be codified as part of the Village Code, acting as the liaison to the Liquor Control Review Board and working to implement various processes for the Board, the drafting, review and approval of 252 contracts from January 1, 2016 through June 30, 2016, and 333 during 2015. The Law Department completed the sale of Village-owned properties for the Oak Park Station development, the transfer of property to Oak Park Elementary School District 97 for the District's new administration building, and continued with the legal work regarding the Lake and Forest development and other real estate developments in the Village.

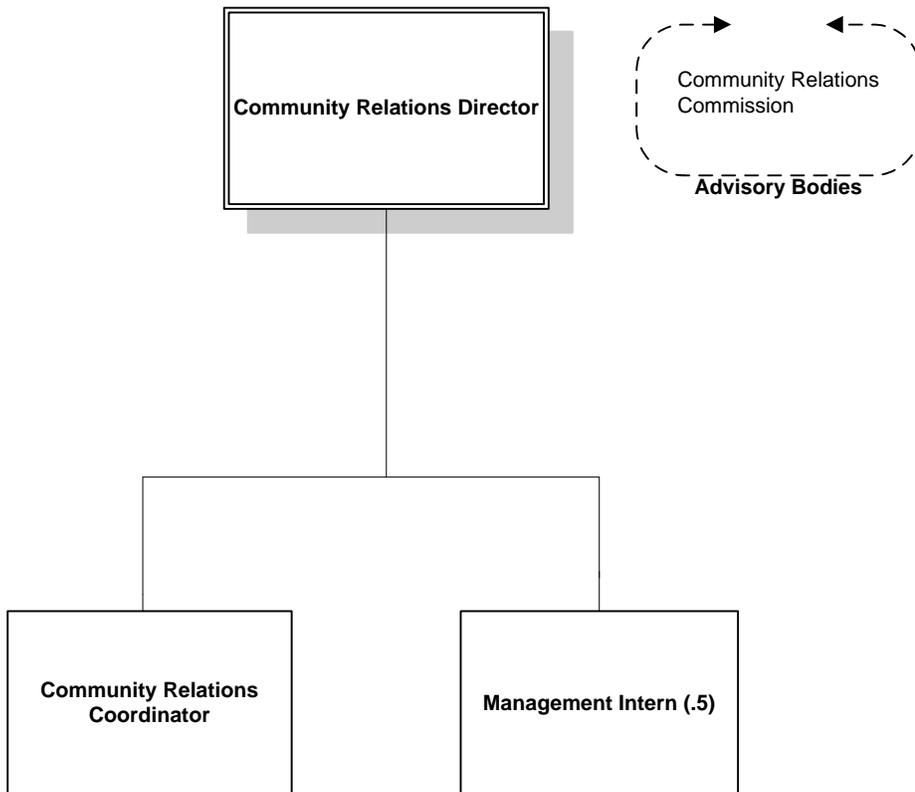

Projects and planned accomplishments for the remainder of 2016 include completion of various real estate transactions for properties on Madison Street, continuing work on pending civil litigation and workers' compensation cases and bringing such matters to a successful conclusion, various negotiations on utility franchise agreements, work related to various pending property developments in the Village and the review of liquor license classifications and fees for licenses and whether additional classifications are necessary.

2017 Work Plan

The 2017 Work Plan for the Law Department includes continued aggressive efforts to successfully defend civil litigation and workers' compensation matters brought against the Village, the rewrite and revision of various chapters of the Village Code, continued standardization of contracts, intergovernmental agreements and forms for use by the Law Department and other departments, acting as liaison to the Liquor Control Review Board and the handling and processing of liquor license matters to the Village Board. The proposed 2017 budget will provide the necessary resources to handle these matters and other matters as they arise throughout the 2017 budget year.

Community Relations

Executive Overview

Departmental Summary

Established in 1971, the Oak Park Community Relations Department is responsible for monitoring and enforcing the Village's Fair Housing and Public Accommodations Ordinances. The Department is established specifically by Municipal Code and also provides a wide range of intervention and outreach services to the community designed to enhance the overall quality of life and promote the Village's goal of fostering diversity and respect for human differences. The Community Relations Department works amongst and through each department within the Village for the provision of its multiple services to residents. The department accomplishes its mission via three areas of service delivery, including:

Tenant/Landlord Relations – investigates complaints of discrimination, unlawful management practices and code compliance for mitigation; provides diversity counseling and training to the public, residents, landlords and realtors to increase awareness of diversity and inclusion issues; mediates landlord tenant disputes to promote long term tenancies in rental sector; and conducts fair housing and educational sessions to realtors, landlords, tenants and public.

Community Outreach Services – serves as Village social services information clearinghouse; develops programs that promote neighbor connectivity; provides new resident information and orientation services; facilitates neighborhood and community conflict resolution; provides referrals to community resources; trains residents for community organizing projects; and coordinates Village's graffiti hotline and removal program

Special Events and Services – Coordinates Day in Our Village Festival, July 4th Diversity Parade, Middle School Human Relations Awards, Youth Life/Employment Skills Program and Diversity Dialogue Dinner Program.

2016 Accomplishments

- Coordinated 43rd Annual Day in our Village Festival to promote diversity and community engagement throughout the Village. This year's 164 participants made it the largest vendor roster since the festival's inception.
- Produced the 2016 July 4th Diversity Parade to showcase the Village's diversity and commitment to community pride. Outreach to neighboring communities resulted in largest registration of participants since the event's inception.
- Coordinated and produced the 12th Annual Youth Skills Workshop program, which provides youth with critical skills necessary to navigate the employment arena and make positive life choices.
- Provided consultation and technical assistance to the City of Valparaiso, Indiana on racial sensitivity and human rights issues. Meetings held in Valparaiso with the public and elected officials led to the city's first human rights ordinance and preliminary work to institute a community relations department there.

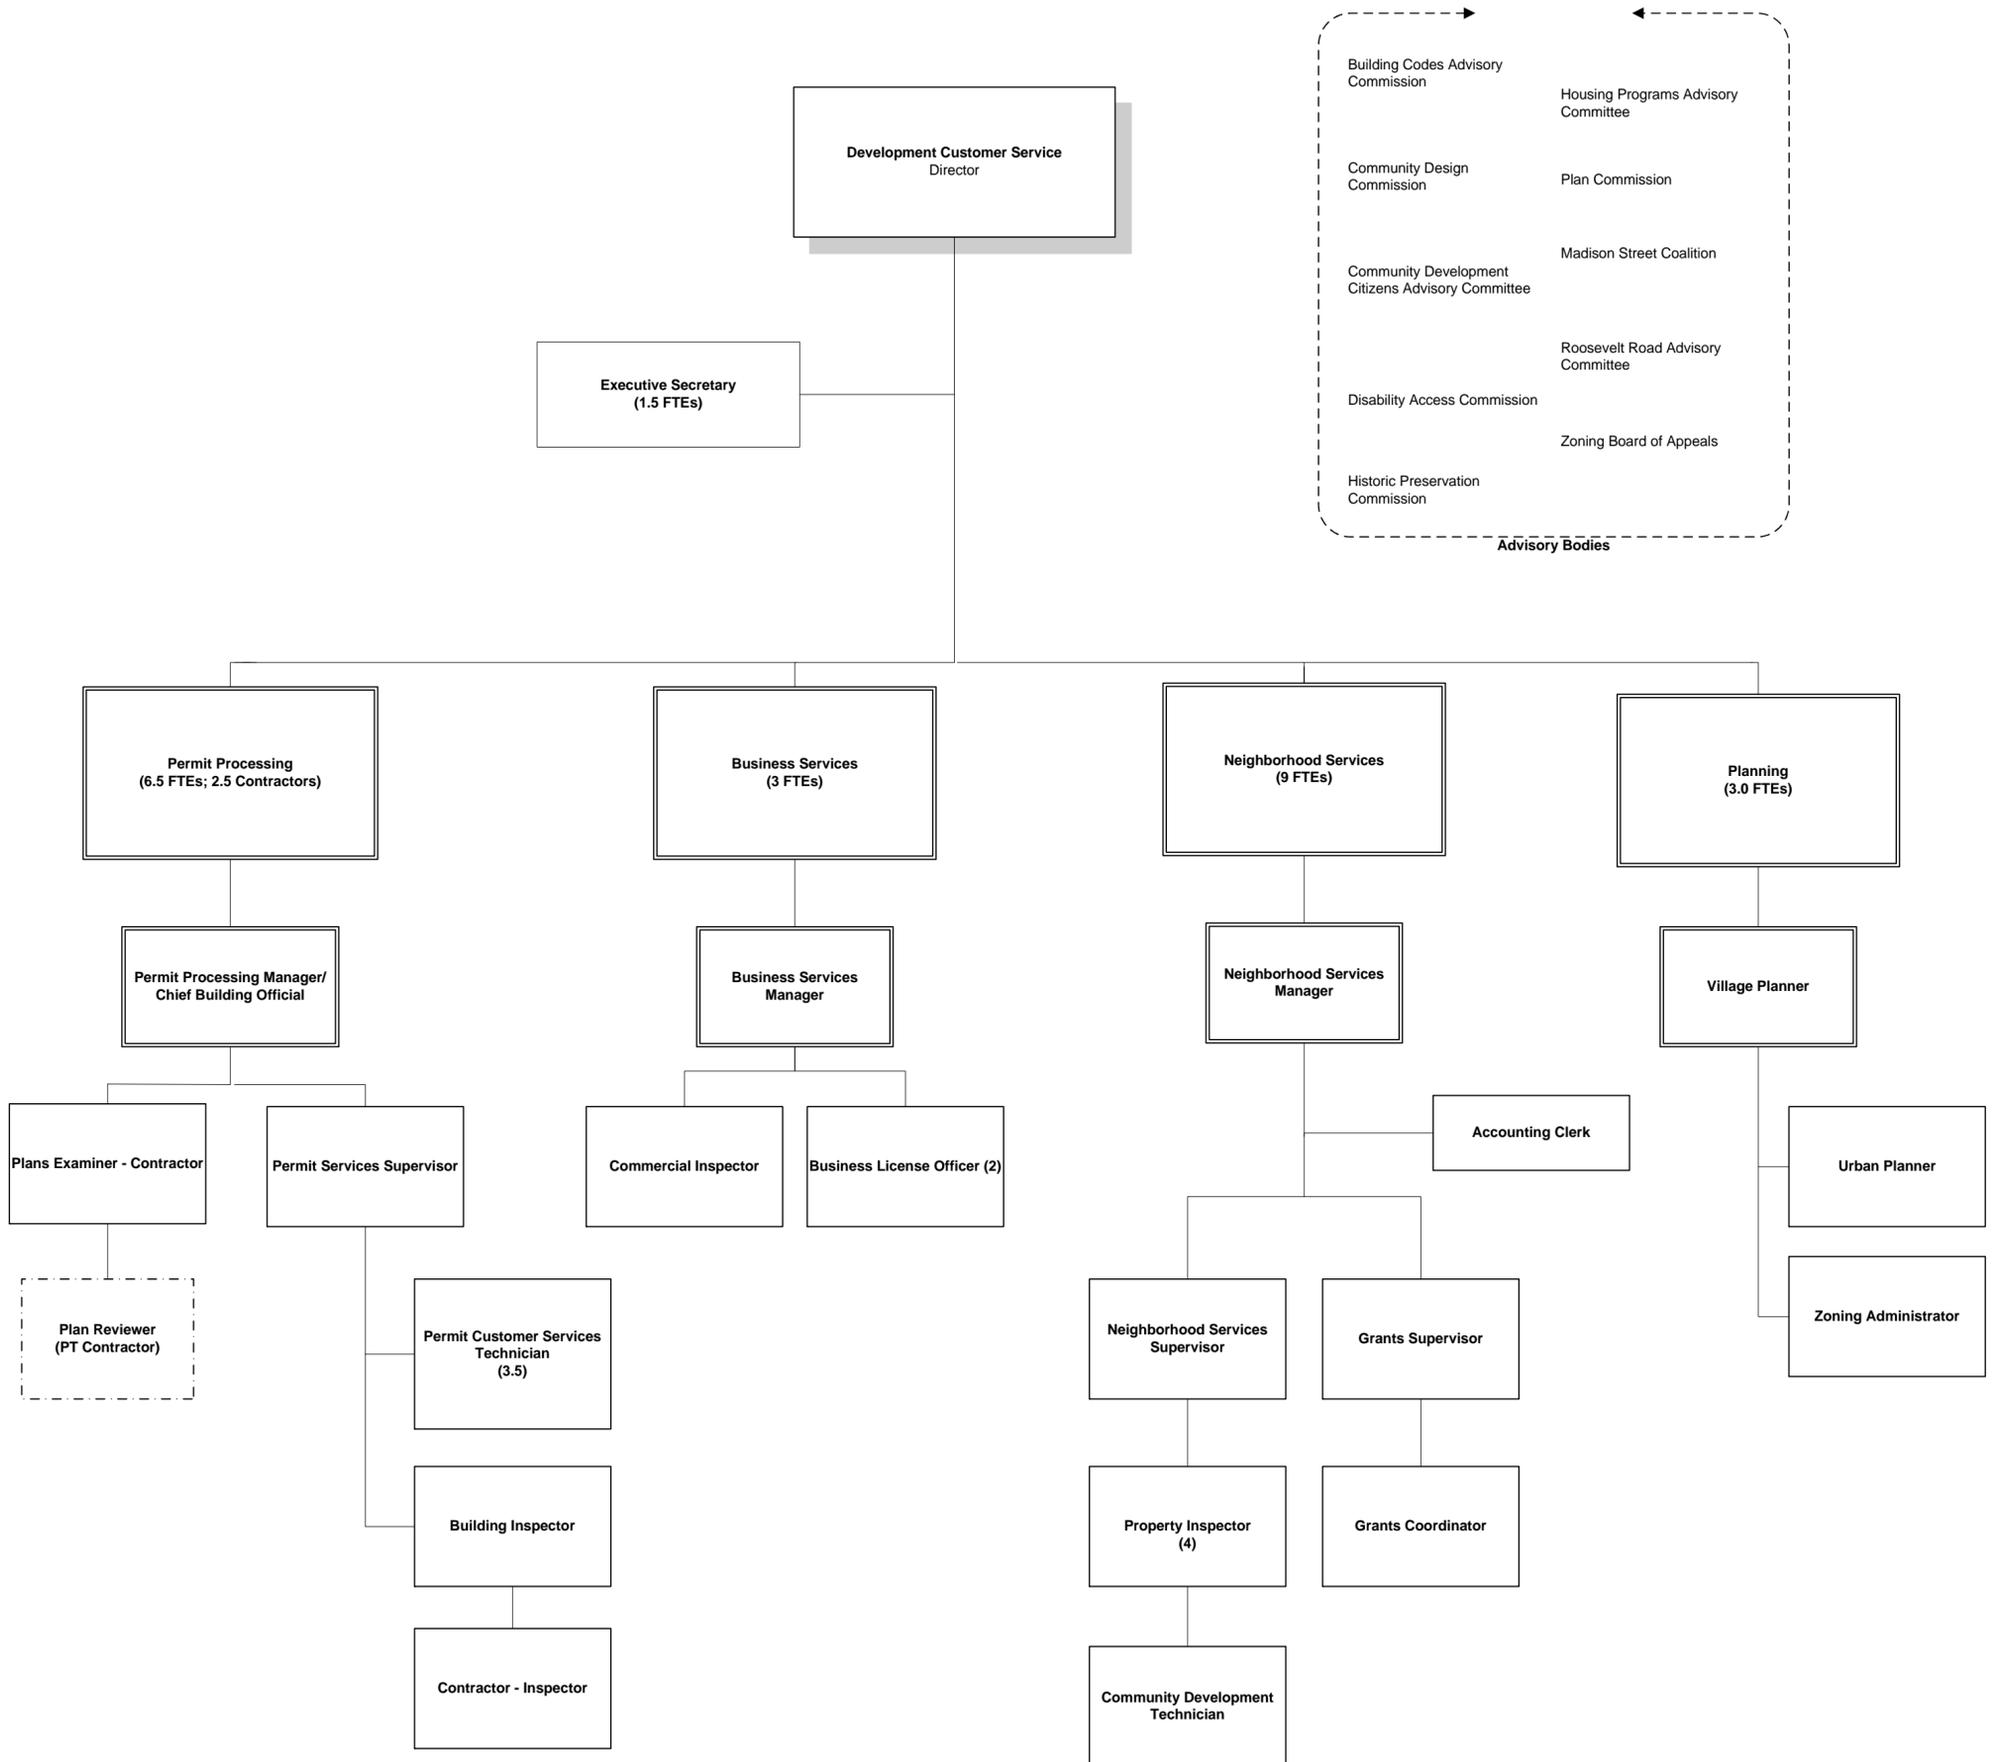

- Launched a fair housing partnership initiative with the Housing Forward board of directors, providing educational training sessions for agency caseworkers.
- Conducted fair housing training for 30 members of Housing Forward to improve their knowledge of issues and resources.
- Authored an essay outlining the department's popular Dinner & Dialogue program published in *Transformations*, a regional resource.

2017 Work Plan

- Work with Housing Forward staff to develop and implement tenant information seminars to educate and equip program clients with basic information that will lead them to become more knowledgeable on their rights as tenants.
- Partner with the Community Relations Commission to serve as liaison with local service entities working to develop a cadre of volunteers to assist with important special events such as A Day in our Village and the July 4th parade.
- Coordinate and execute the 44th Annual A Day in our Village Festival.
- Coordinate and execute the 12th Annual July 4 Diversity Parade and related activities.
- Coordinate and execute the 2017 Youth Skills Initiative in partnership with the Oak Park Public Library.
- Continue to serve as consultant to school districts 97 and 200 on community issues related to race relations, the achievement gap and diversity.
- Begin updates and modifications to the Tenant Handbook and Landlord Handbook.
- Expand cross-community activities with Austin, Berwyn, Cicero and Galewood by establishing quarterly meetings to share updates on community events and activities.

Development Customer Services

Executive Overview

Departmental Summary

The Development Customer Services Department is a combination of four divisions: Business Services, Planning, Permit Processing and Neighborhood Services. The department delivers its services through the following divisions:

Administrative Division – oversees the work of the four divisions and manages the development activities of the Village.

Business Services Division – responsible for licensing and inspections of all businesses and is a liaison to the business districts. Business Services is the first point of entry for new businesses in the community.

Planning Division – responsible for all planning activities including new developments and existing Village plans. The Division also is responsible for zoning and historic preservation.

Permit Processing Division – responsible for issuing of permits for all construction activities in the Village.

Neighborhood Services Division – responsible for the Village's housing programs, Community Development Block Grant activities and property maintenance issues, including the Neighborhood Walk program, rental unit inspections and neighborhood complaints.

2016 Accomplishments

Administration

- Coordinated the activities of the entire Department including the successful implementation of a new software solution that combines the Permitting, Licensing and Inspection functions into a single solution, VillageView.
- Managed all major development projects for the Village, including negotiating and implementing all redevelopment activities, and coordinating timely and efficient response from all other Village departments involved. Major projects included Chicago Maple, Oasis, Sherwin Williams, 1 Lake Street, Elevate Oak Park, Lincoln Properties, District House and Vantage Oak Park.

Business Services

- Provided business ombudsman services to more than 100 new businesses entering the community.
- Conducted 40 preliminary property needs assessment site visits.
- Continued oversight of a funding resource strategy for the Roosevelt Road business corridor.

- Developed an on-line business handbook providing access to information regarding opening and maintaining businesses in the Village.
- Completed the assessment and design phases of a comprehensive review of current wayfinding signage.
- Developed a new ordinance governing AirBnBs that was adopted by the Village Board.
- Notified appropriate businesses of new projecting signs regulations that now require insurance for objects over the public.
- Continued management of Village-owned property.
- Issued 2,000 business licenses, including liquor and chauffeur licenses.
- Conducted more than 400 commercial inspections, both scheduled and complaint based.
- Reviewed and revised as needed all licensing and commercial inspection processes.
- Developed detailed retail sales tax report for use by the Village Manager's Office and Board of Trustees.
- Worked closely with the Oak Park River Forest Chamber of Commerce to develop and implement a business district support strategy.

Neighborhood Services

- Serviced seven projects under the Single Family Housing Rehabilitation Loan Program. Some 66 inquiries were received, 15 of which would be eligible for the program, with the seven submitting applications.
- Assist 10 new buildings under the Small Rental Properties Rehabilitation Loan Program. Of the 10 inquiries received, five resulted in applications submitted with another three applications likely.
- Awarded grants under the Multi-family Housing Incentives Program to 16 properties. Staff also continued working with grant recipients of grants from the prior four years. The program now encompasses 96 buildings containing 1,716 units.
- Distributed 150 water conservation kits under the Residential Energy and Water Conservation Program.
- Processed 63 new applications for the Sewer Backup Protection Grant Program for the Public Works Department.
- Shared a booth at A Day in Our Village the Housing Programs Advisory Committee, Community Development Citizen Advisory Committee and the Disability Access

Commission, informing residents about programs and distributing residential water saver kits.

- Allocated more than \$350,000 in Community Development Block Grant (CDBG) and Emergency Solutions Grant (ESG) to fund non-profit agencies that provided services such as fair housing, health, early childhood development and nutrition for low income individuals and assisted persons experiencing homelessness and those at risk of becoming homeless.
- Applied to Housing and Urban Development for funds to create a loan pool for economic development. The program would allow businesses to apply for capital and construction financing that creates or retains jobs for low and moderate income people.

Permit Processing

- Completed approximately 2,858 reviews, including about 1,315 over-the-counter reviews. More than 400 revised plans also were reviewed.
- Conducted more than 6,000 inspections, including building, mechanical, electrical, plumbing, accessibility, energy and conveyance.
- Facilitated many business occupancies including Oak Park Station, Lincoln Development, District House, Bank of America, Spenga Fitness, District 97 administration building, several Park District properties, Vantage Oak Park and The Oasis
- Processed nearly 3,500 permit applications, issued more than 3,000 permits at the front counter including five new, single family homes and 22 townhomes.
- Compiled more than 190,000 documents for the new document imaging program, with another 220,000 documents in the packaging process.
- Answered more than 5,000 telephone calls within the first two months of the implementation of a new phone system. The majority of the calls were related to scheduling inspections and plan reviews.
- Implemented the new permit fee schedule that simplified calculation and mad the schedule easier for customers to understand.
- Helped more than 40 potential new businesses at pre-project meetings to answer code-related questions and determine if their business model was viable.
- Continued to work with contractor HR Green to provide customers with quicker plan reviews as well as next-day availability of inspectors.
- Continued digitizing all legacy paperwork to reduce the need to store thousands of paper files and offer quicker access by staff and the public.

Planning

- Reviewed more than 1,900 building and sign permit applications for compliance with the Zoning Ordinance, Sign Code and historic preservation regulations.
- Reviewed and approved 55 business licenses for zoning compliance.
- Processed 41 certificates of appropriateness
- Participated in 87 after-hour meetings for various boards and commission and community matters, including preparing agendas, supporting documentation and draft minutes for most events.
- Issued monthly e-newsletter regarding historic preservation matters for interested property owners and citizens.
- Reviewed and processed many sign variance applications, special use applications, Planned Development Ordinance amendments/reinstatements, Zoning Ordinance variation applications, Zoning Ordinance text amendment applications, Section 106 historic reviews and historic preservation applications.
- Performed reviews for certificates of zoning, prepared zoning verification letters, reviewed complaints of various zoning issues and conducted onsite inspections for on-going Planned Development projects.
- Served as liaisons to the Plan Commission, Zoning Board of Appeals, Historic Preservation Commission and its subcommittees, Community Design Commission, Madison Street Coalition
- Served or attended meetings and workshops: Business Association Council, Oak Park Economic Development Corporation meetings, Project Review Team, Downtown Construction Team and Permitting and Licensing System Committee
- Participated in a wide range of projects, including those related to streetscape projects on Harrison Street, Chicago and Harlem avenues, and Lake Street and South Boulevard, in addition to the Madison Street right-of-way, 1- 290 bridge enhancements, Chicago Avenue pedestrian crossing, wayfinding signage and Divvy bicycle sharing stations locations.
- Facilitated 2016 awards for historic preservation and Cavalcade of Pride.
- Researched historic landmark nominations.
- Finalized Historic Preservation Guidelines.

2017 Work Plan

Administration

- Continue to take the lead in implementing VillageView, including beginning an intensive communications strategy to ensure the public understands how the system works and refining the system to improve the customer service experience.
- Focus on development projects on the Madison Street corridor, while also working to support the Village Board goal of creating an economic development environment that includes a clear, comprehensive approach to meeting the needs of diverse constituents for commercial vitality throughout the Village.

Business Services

- Review and recommend revisions as needed to Chapter 8, Articles 3-35 of the Village (Business Licensing).
- Work with the Law Department to review and recommend revisions as needed to Chapter 3 of the Village Code (Alcohol Liquor Dealers), including fee structures.
- Implement new ordinance requirements for vacation rental operations such as AirBnb.
- Monitor and revise business licensing processes to provide enhanced services to our customers.
- Work with the Police and Public Works departments to conduct a comprehensive review of current taxi licensing processes, including exploring a multi-jurisdictional process with neighboring communities.
- Provide staff support to the Business Association Council, and act as Village representative on the boards of the various business districts.
- Finalize and implement a financial analysis of appropriate funding resources for Roosevelt Road.
- Develop a business support program to help mitigate the negative impacts to the local business community from development projects that may break ground in the downtown commercial district and Madison Street corridor over the next two years.
- Initiate the final two phases of the wayfinding project to be scheduled over a multi-year period.

Neighborhood Services

- Continue working to increase efficiencies related to property complaints, including implementing the performance-based rental licensing and inspections ordinance to ensure that residential properties are maintained and available funding is used to proactively address issues.

- Complete seven rehabilitations and assist 10 households through the Single Family Housing Rehabilitation Program.
- Continue to offer Sewer Back-up Prevention grants and water saver kits.
- Continue to recruit buildings in need of diversity or at risk of segregation to participate in the Multi-Family Housing Incentives Program.
- Implement the federal Section 108 Loan Pool pilot program, providing three loans of up to \$300,000 each. Each loan will create or retain one job to a low or moderate income person for every \$35,000 financed.

Permit Processing

- Continue implementation and modification of the new online permit system software VillageView. Benchmarks will include expanding the level of online services, improving process transparency and improving interdepartmental communication related to plan reviews through an electronic tracking system.
- Maintain a high level of customer service while learning to be more effective and efficient.
- Continue the document imaging program by allocating additional staff time to prepare documents for scanning.
- Continue overhauling all bulletins and guidelines previously issued to inform the general public of code requirements for various construction activities.
- Meet an anticipated high volume of plan reviews and inspections for ongoing large-scale developments, residential and commercial inspections, plan reviews and permit processing.
- Continue to focus on staff training and obtaining certifications.

Planning

- Retain design consultant for building permit and planned development plan reviews.
- Develop a North Avenue Plan as requested by the business and neighborhood associations.
- Update the South Town and Harrison Arts District Plan that was created by the University of Illinois at Chicago in 2002/2003.
- Update the historic preservation data into the existing Ruskin Arc software, including inputting new information and updating existing data in preparation for migration to VillageView.

- Update the Frank Lloyd Wright Guidebook, one of several historic preservation resources maintained by the Planning Division.

Finance

Executive Overview

Departmental Summary

The Finance Department oversees and manages all financial operations of the Village and is responsible for providing internal customer service to other Village Departments and maintain the financial health of the organization in accordance with the annual budget and the requirements of the Municipal Code. The Finance Department directly oversees accounting, audit, budget, debt issuances, purchasing and payroll.

The department resources include the General Fund, Sewer Fund and the Equipment Replacement Fund. Services are provided through the following divisions: Administration, Accounting, Budgeting and Performance Management, Payroll, Records storage and retention for all Departments and Purchasing. Services are provided through the following divisions:

Administration – The Administration Division provides general support to the operating divisions of the department. Tasks include providing customer service regarding all department activities to both internal and external customers.

Accounting – The Accounting Division is responsible for the timely and accurate recording and financial reporting of Village financial activity.

Budgeting and Performance Management – The Budget Division is responsible for management and oversight of the process by which the Village Board and Manager allocate resources. As a means to evaluate competing demands, the division also coordinates the Village’s MAP program to assess and communicate how to best utilize resources to meet the policy objections of the governing body.

Payroll – A decision was made to outsource payroll in early 2014. Although this function is outsourced, in essence there is still a great deal of internal tasks which are required such as tracking and approving time, reviewing payroll reports and files, and updating employee pay rates (including retroactive calculations) and deductions.

Purchasing – The Purchasing Division coordinates the overall procurement of goods and services to ensure the process results in the selection of the most cost-effective solution to the Village. The division ensures the Village’s purchasing process meets all state and local rules and regulations.

2016 Accomplishments

- Staff continues to look for ways to improve the transparency and communication of the financial health of the Village utilizing the budget document and expects to incorporate more robust reporting on capital projects within the FY 2017 Budget creation process.
- A vendor for a new enterprise resource planning system has been selected and the implementation of the ERP will begin in 2016 and may extend into 2017.
- The Comprehensive Annual Financial Report (CAFR) was produced in a timely manner and management letter comments will be appropriately addressed. The Village received the GFOA Certificate of Achievement Award for FY14 and has applied for this reward for the FY15 CAFR.
- The Finance Department Office Manager position was filled with an individual who will be performing the payroll function as well as assisting with purchasing, budget, and audit.

- Staff improved the budget amendment process and all adopted quarterly amendments are now being tracked from the original budget.
- A new credit card policy was drafted and additional cards were ordered for selected individuals and departments.
- A review of the purchasing policies and a new purchasing policy was drafting and pending adoption.
- Staff migrated the Village to a new office supply vendor to receive savings in addition to consolidate the route with other local taxing bodies.

2017 Work Plan

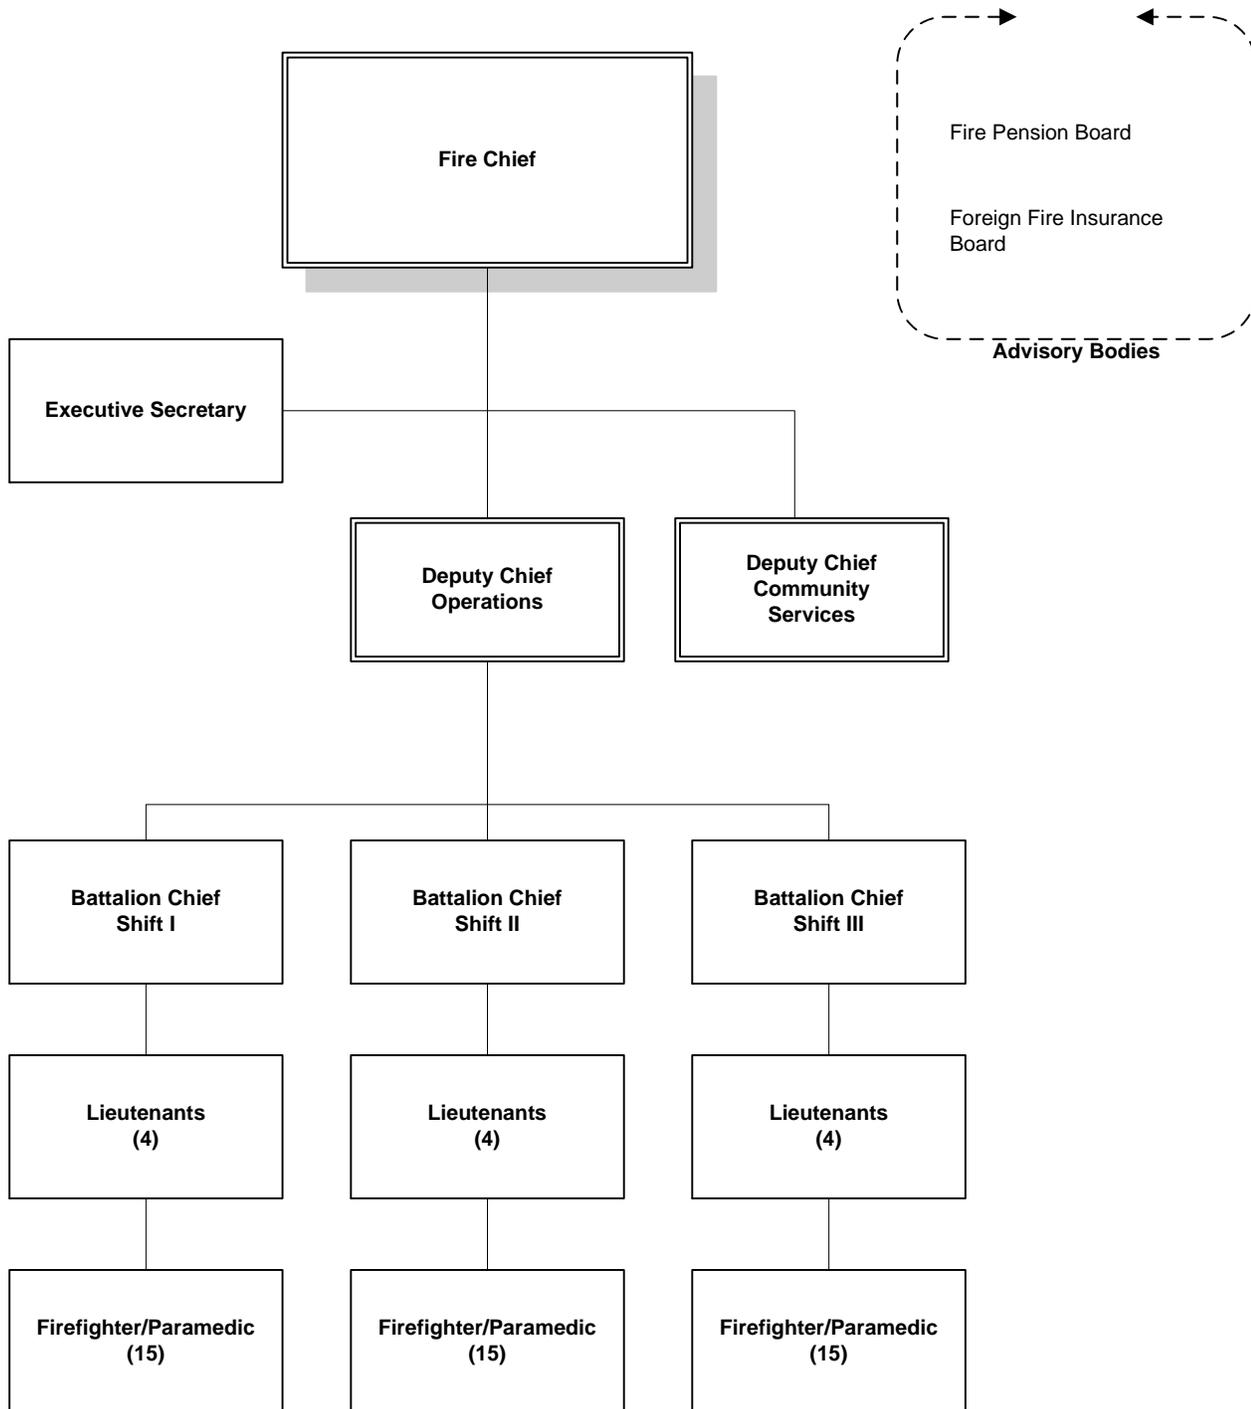

- Implementation of core financials and utility billing under the new enterprise resource planning system is expected to be completed in fiscal year.
- Set up payroll in BS&A so it may begin to be processed internally utilizing the new ERP system effective with the first payroll in calendar year 2018.
- Apply for and receive both the Certification of Achievement for Financial Reporting Excellence for audit year 2016 and the GFOA Budget Award for 2017.
- Review and continual improvement of internal controls.
- Streamline operations wherever possible and improve efficiencies within the department to maximum production and quality of work.
- Continual improvement of the budget document.
- Strategically plan and focus on the Village's overall finances, especially in areas related to outstanding debt and capital improvements.
- Improve financial reporting for elected officials and management.

Fire

Executive Overview

Departmental Summary

The Oak Park Fire Department's primary mission is to protect the lives and property of all residents and visitors on a daily basis. This is accomplished through the delivery of fire suppression operations, emergency medical services and fire prevention through inspections, public education and code enforcement. The Fire Department will assist the public in all areas of emergency and non-emergency situations as well as providing mutual aid to other local and state agencies. The department provides emergency medical care in both advanced and basic life support with highly trained licensed paramedics.

The Oak Park Fire Department maintains three fire stations that are strategically located to provide optimal response times to emergencies within the Village of Oak Park. Included are divisions for Administration, Operations, Emergency Medical Services (EMS), Fire Prevention and Fire Investigation, Training, Public Education and the Technical Rescue Team (TRT).

2016 Accomplishments

Accomplished:

- Additional FTE Hired: Deputy Fire Chief of Community Service is responsible for Fire Inspections, Plan Review, Fire Investigations, Code Enforcement and Public Education.
- Fire Prevention Division relocated to Village Hall.
- New Ambulance Billing Company: Andres Medical
- Firehouse Software Record Management System implemented, using training and inventory modules.
- FireRescue1 Academy is an online training program that was implemented and is currently being used by FD personnel. The Academy features over 500 high-definition training videos, lesson plans, quizzes and courses in categories such as Fire Suppression, Firefighter Safety and Survival, Command and Control, Emergency Medical Service and Hazardous Materials.
- Call back system implemented; which is used to call back personnel, when staffing levels are below minimum. This program is part of the FD Telestaff software system for scheduling, payroll, sick leave, and vacations.
- New Ambulance delivered: 2016 Ford F550 Type I AEV Ambulance. Replaced a 10 year old reserve ambulance. Placed in service on July 1, 2016.
- The Watch Office and Battalion Chief Office at Station 1 remodel project was completed which included new floors, painting, new workstations and storage cabinets.

- Assisted West Suburban Consolidated Dispatch with the relocation of the main FD radio transmitter to 150 Forest Ave.
- Station 2 installed new kitchen stove range. Replaced old stove that was 20+ years old.
- Upgraded 3 gas monitors for front-line fire apparatus.
- Established Physical Fitness Committee for FD Wellness and Fitness program.
- CPR/AED and First Aid Programs completed roll out of new 2015 American Heart Association guidelines in April of 2016.
- Contracted with Fire Recovery, USA to recoup costs associated with our mitigation of natural gas leaks and power line incidents.

In-Progress:

- Fire Prevention is the process of implementing the VillageView computer software for fire inspections and plan reviews.
- Vehicle Back-Up System will be installed in Truck 631's Apparatus Bay at Station 1. Installation will be completed July 20, 2016
- Assisting Police Department with Narcan program: FD applied for grant and was approved. Narcan training planned for July. FD will assist with training and implementation of program.
- Digitalize policies and procedures are on target to be completed at the end of 2016 using Lexipol software.
- Establish a new Battalion Chief and Lieutenant Promotion eligibility list. Lieutenant's list expires at the end of July 2016. Battalion Chief Promotion list was exhausted in June of 2016.
- Entry Level Firefighter/Paramedic eligibility list for bands 2 and 3 will be completed by the end of July.
- Hire (2) FTE Firefighter/Paramedic to fill vacancies in 2016. Vacant positions due to retirement and promotion.
- Vehicle replacement: (5) support vehicles are still on target to be replaced in September of 2016.
- Building (Capital Projects) Station 1: Pending Village Board approval – new storage garage north parking lot and second floor locker room remodel

2017 Work Plan

A major effort of the Oak Park Fire Department is to maintain a results-oriented agency. Continuous improvement and maximum efficiency and service are pursued through the following anticipated accomplishments in 2017:

- Develop and improve training programs to safely and effectively support the mission of the Oak Park Fire Department.
- Develop and implement response best practices and data collection/analysis process to support effective and efficient emergency service response times.
- Develop a preventive maintenance program for all Fire Department facilities
- Continue to work with Union leaders to establish a Wellness/Fitness program for the Fire Department.
- Expand current public education outreach programs and explore partnerships with other local agencies.
- Develop performance standards for fire inspectors in the Fire Prevention Bureau.
- Develop incident action plans for special events that take place within the Village of Oak Park.
- Develop and implement a more consistent training schedule for on duty personnel.
- Develop and implement an effective and efficient continuing quality improvement program for emergency medical services and fire inspection delivery.
- Labor Relations: Lieutenants and Firefighters Union Contract expires at the end of 2017. Develop a management plan for negotiations with Village staff.
- VillageView: Deputy Chief of Community Services and Inspectors will continue to implement the inspection and plan review programs.
- Capital fleet replacement: New Ambulance will be purchased in 2017 to replace 2009 Ambulance.
- Fully implement and train on new hydrant collector which was created by Oak Park GIS Consortium.
- Fully implement the Bike Medic Program for special events.
- Request GIS Business Intelligence Tool: The business intelligence tool is designed to work with our records management system (Firehouse Software) and provide us with a multi-directional data analysis tool to evaluate the data collected in Firehouse.
- Lexipol software program which contains all of the Fire Department policies and procedures will be implemented in the 2nd quarter of 2017.

- Continue to utilize the FireRescue1 Academy for a method of delivering training to all personnel.
- Develop Fire Department internship program for high school or college students interested in a career in the fire service.
- Develop a strategic planning committee to work on creating a plan for the entire Fire Department and Foreign Fire Fund for the next 3-5 years.
- Complete the following building capital improvement projects pending approval from Village of Oak Park Board:
 - Station 1: Repair administration roof, remodel basement restroom and window replacement on the apparatus floor.
 - Station 2: Remodel apparatus restroom, bunk room and repair stairs 1st and 2nd floor.
 - Station 3: Remodel locker room and restroom.

Health Executive Overview

Departmental Summary

The Oak Park Health Department has been an Illinois certified local health department since 1948 and is one of only four municipal certified health departments in suburban Cook County. As such, the Department is required to deliver the follow 10 essential public health services of a local health department:

1. Monitor health status to identify and solve community health problems.
2. Diagnose and investigate health problems and health hazards in the community.
3. Inform, educate, and empower people about health issues.
4. Mobilize community partnerships and action to identify and solve health problems.
5. Develop policies and plans that support individual and community health efforts.
6. Enforce laws and regulations that protect health and ensure safety.
7. Link people to needed personal health services and assure the provision of health care when otherwise unavailable.
8. Assure competent public and personal health care workforce.
9. Evaluate effectiveness, accessibility, and quality of personal and population-based health services.
10. Research for new insights and innovative solutions to health problems.

As a delegate agency for the State of Illinois a certified health department must maintain qualified staff to carry out public health programming and must complete a community health needs assessment and strategic plan (IPLAN) every five years. The IPLAN for 2011-2016 was completed in 2011 and submitted as part of the State's recertification requirement and is posted on the Village website. In 2016, the Health Department will begin the process to update the IPLAN for the period 2017-2022. Given the vacancy of the Public Health Director position, the Village received a one-year extension from the State to complete this project.

A certified local health department is uniquely qualified to deliver Local Health Protection programs which are core public health programs and include food protection and communicable disease control. The Local Health Protection Grant is awarded to every certified health department, annually, to help defray a portion of the costs of carrying out these programs.

Every year the Health Department receives grants from local and state agencies including Cook County, the Illinois Department of Human Services and the Illinois Department of Public Health (IDPH) to carry out a variety of public health programs. These include:

- Food Protection
- Communicable Disease Prevention and Surveillance
- HIV Surveillance
- Childhood Lead Poisoning Prevention
- Illinois Tobacco Free Communities Programming
- Teen Pregnancy Prevention Programs

- West Nile Virus/ Mosquito Prevention Programs
- Body Art (Tattoo) Inspections
- Public Health Emergency Preparedness and Response Activities
- Rodent Control to the External Environment, and
- Family Case Management

In addition to delivering grant funded programs, the Health Department is also required to address the health priorities identified by the Department and the community in the IPLAN process. The health priorities for 2011-2016 are obesity, chronic disease and the inability to access adequate health and dental care. In addition, two areas of interest were also identified: 1) teen alcohol and drug use; 2) mental health for all ages.

The Health Department staff consists of the Director, two Licensed Environmental Health Practitioners ('Sanitarians'), one Public Health Nurse, one Administrative Assistant, one part-time Grants Coordinator and one Animal Control Officer. In addition, the Department contracts with a part-time Public Health Specialist, to carry out various grant funded work related programs such as teen pregnancy prevention and tobacco prevention. The Department also contracts with the PCC Wellness Center for required Medical Consultation by Paul Luning, MD, MPH and with an Illinois licensed pest control company for additional rat control resources.

The Department is responsible for management of animal control. The Department provides monitoring and oversight of the Village's agreement with the Animal Care League (ACL), entered into in 2007, which provides care for impounded animals, redemption of animals as well as adoption services at a cost of \$100,000 per year.

The Oak Park Farmers' Market and its contracted staff also are managed by the Health Department. The Farmers' Market which runs from mid-May through the end of October annually has contracted staff including a Market Manager and Market Assistants.

There are two advisory bodies that work under the Health Department, the Board of Health and the Farmers' Market Commission. The Board of Health has seven members and serves as an advisory body to the Director of Public Health and makes recommendations on issues related to disease prevention and health promotion. The Farmers' Market Commission has eleven members and works closely with the Market Manager to make the Oak Park Farmers' Market one of the most successful farmers' markets in Illinois. The Commission coordinates special events, helps publicize the market, volunteers on market Saturdays and recommends any changes in operating policies and/or regulations to the Market Manager, Director of Public Health and Village Board.

2016 ACCOMPLISHMENTS

- Implements the Tobacco 21 ordinance in response to the Oak Park Township's and subsequent Board of Health's recommendation to increase the minimum age for sale of tobacco products from 18 to 21 years of age. The ordinance also increased the minimum age for possession to 21 years of age. Various Health staff played integral roles in the new ordinance.
- Entered into grant agreements with the Illinois Department of Public Health, the Cook County Health Department and the Public Health Institute of Metro Chicago for a total of approximately \$251,000 for FY 2016-17.

- Worked in collaboration with the Development Customer Services Department and received a Cook County Department of Public Health Lead Poisoning Prevention Grant Award in the Amount of \$160,000. The grant monies are to be used for mitigation/abatement of lead building components at properties where a child and/or pregnant mother are living and/or have lived in the past. The focus of the grant is to provide monies to those properties where there is confirmed childhood lead and where there is a property owner that meets specific income requirements.
- Participated as a coalition partner for the Strategic Prevention Framework – Partnership for Success Grant. The purpose of the grant is to support the Township and all the coalition partners to reduce the 30-day alcohol use rates and negative consequences of underage drinking amount 8th to 12th graders, as reported in the Illinois Youth Survey.
- Participated on the Health Impact Collaborative of Cook County Central Stakeholder Advisory Team meeting which is responsible for completing a comprehensive needs assessment for not-for-profit hospitals located in Cook County.
- Played a significant role in planning for the implementation of the new VillageView Permitting, Licensing and Code Enforcement System.
- Received an additional \$10,000 in CDBG funding to help support the Double Value Coupon Program to allow Link recipients purchase up to an additional \$20 worth of Link eligible food products at each Farmers' Market.
- Entered into an annual agreement with the Public Health Institute of Metropolitan Chicago to carry out additional surveillance work on residents who have been diagnosed with HIV/AIDS and are apparently no longer in care, in order to reengage with medical care, case management and to offer partner notification systems.
- Provided surveillance services for communicable diseases occurring in any Oak Park resident and STI treatment confirmation, etc. for any persons treated by Oak Park health care providers.
- Taught the “Draw the Line/Respect the Line” teen pregnancy Prevention program, an evidenced-based curriculum for adolescents, with 7th grade students at St. Catherine’s School. The program was funded under a grant from the IDPH Teen Pregnancy Prevention Grant.
- Produced a public service announcement (PSA) for the IDPH Teen Pregnancy Prevention Program. This was the 3rd PSA for this grant. The new PSA aired this summer at the Lake Street Theater.
- Facilitated several presentations at Oak Park parent and professional organizations titled “Talking to Kids about Sex”. The presentations were funded under a grant from the IL Department of Public Health Teen Pregnancy Prevention Program.

- Completed the annual IDPH Medical Counter Measures - Operational Readiness Review (MCM ORR). This was previously known as the LTAR, the Illinois Department of Public Health inspected Village plans, policies and training in relation to the Strategic National Stockpile (SNS) plan. The SNS plan is designed to provide medicine to the population of Oak Park in 48 hours of activation.
- Completed a Strategic National Stockpile (SNS) drill working closely with the Illinois Department of Public Health. This drill tested the Village's capacity to dispense medication to all of Oak Park's 52,000 residents within a 48 hour period.
- Health Department and Farmers' Market staff were featured speakers at the Illinois Farmers' Market Association annual conference in Chicago. They talked about how the Village uses a Microsoft Access database to collect information on LINK card transactions and coupons, and then use the date to reconcile transactions, process coupon reimbursements and create grant reports.
- Signed a contract with a third party Illinois licensed pest control company to provide for village-wide rodent control.
- Worked closely with several Oak Park schools, students, parents and close contacts to provide for education, surveillance and consultation on cases of pertussis at the schools.
- Worked closely with residents, local health care providers and the Illinois Department of Public Health to obtain testing for the Zika Virus.
- Worked with the IT Department to continue the process of sending animal license renewal reminders via email versus solely paper mail reminders, saving the Village money on postage and making the process more efficient for both residents and the Village.
- Worked collaboratively with the Village's Communicable Disease Nurse to manage several cases where humans came into contact with bats. Management included testing the bats and post-exposure rabies prophylaxis for two individuals when the bat they came into contact with tested positive for rabies.
- Participated in an event to 'Beat Diabetes' along with five of the six Cook County certified local health departments. The event showcased the important role of public health in preventing disease, prolonging life and promoting health. The Village presented the Health Department's approach to affecting nutritional habits with a Farmers' Market Healthy Nutrition Incentives Program that encourages Supplemental Nutrition Assistance Program participants from Oak Park and areas surrounding Oak Park to purchase farm-fresh and nutritious specialty crops (fruits, vegetables, nuts, etc.) at the Market.
- Complete about 1,000 food safety inspections at Oak Park's licensed food establishments and permit/inspect approximately 85 temporary food vendors.

- Helped more than 400 cats and dogs found at-large returned safely to their owners.
- Investigated revenue opportunities to increase revenue from existing and/or new programs to help fund the Health Department activities.

2017 Work Plan

- In FY 2015 the Village Board recommended a reduced scope of services for the Health Department and further requested staff to research program areas that were duplicative to County or State programs. For FY 2017 the Department is recommending that the Long Term Care Inspection Program and the portion of the Child Care program be eliminated. This recommendation makes sense at this point and time because of a reduction in staffing and because the two programs are already licensed, managed and inspected by the Illinois Department of Public Health (IDPH) and the Illinois Department of Children and Family Services (DCFS).
- The Department is also recommending elimination of the Tanning Inspection program. The Village has two tanning facilities that were inspected as part of a grant agreement with the Illinois Department of Public Health. Current grant funding is inadequate to fully fund the program and if eliminated, the Illinois Department of Public Health and/or the Cook County Department of Public Health will take over inspection of the tanning facilities.
- The Department will work with the Collaboration for Early Childhood on a partnership around the Public Health Nurse position and the Family Case Management (FCM) program and coordinated outreach and referral for home visiting programs throughout Oak Park. Through this partnership, the Collaboration would provide funding support for this position, above the amount of the FCM grant. This would help the Village to support this position at full time and possibly increase the salary range of the position to attract a qualified registered nurse. The Nurse Family Case Management position ensures children under age two who are medically fragile, low income or living in other very challenging home environments receive visits from a trained nurse who follows the child to monitor their growth and development. Equally as important are the referrals and connections to the home visiting programs that the Nurse Family Case Manager has provided in the past. The Collaboration would benefit from this arrangement by consolidating the outreach and intake function for home visiting, ensuring that children are referred to the home visiting program in Oak Park that best meets their needs.
- The Department will continue the partnership with the PCC Wellness Center for medical consultation as needed.
- The Department will be starting the Illinois Project for Local Health Assessment (IPLAN) process in second half of 2016 and complete the process in 2017. The IPLAN is a community health assessment and strategic planning tool required of certified health departments in Illinois every five years. The IPLAN process is a series of activities including an organizational capacity assessment that addresses the Health Department's strengths and areas for improvement; a community health needs assessment in which a representative group of community stakeholders reviews health data to assist in identifying community health priorities; and a community health planning process which results in evidence based strategies to address community health priorities. Staff resources will be heavily invested in the process.

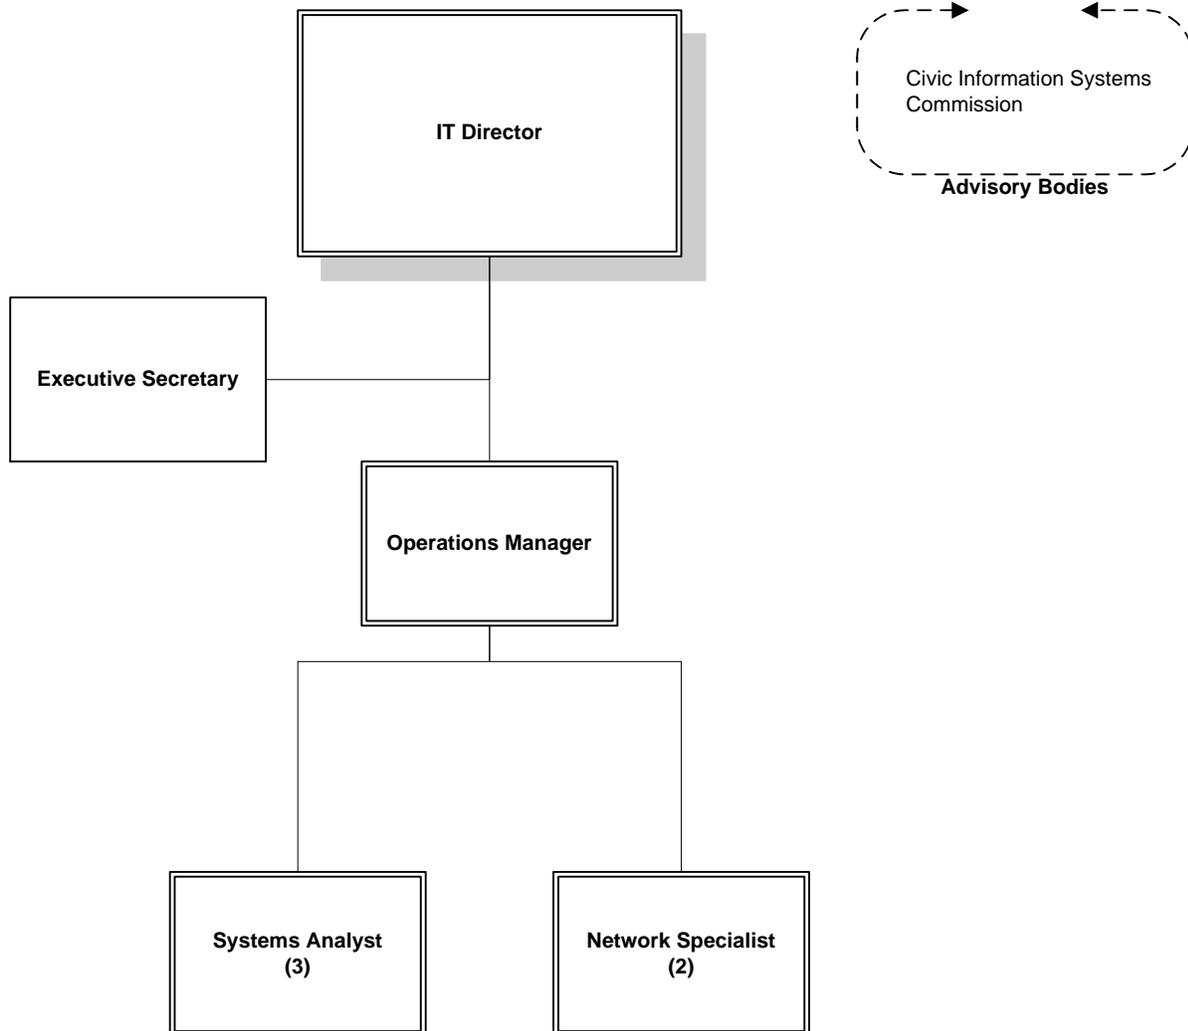

- The Oak Park Township's Community Mental Health Board, the River Forest Township's Mental Health Committee and the Health Department will partner and collaborate to complete their respective required community needs assessments. This will be a beneficial partnership to leverage creativity, experience and community resources. For all three organizations a comprehensive needs assessment is an essential foundation of planning for the organizations' future.
- The Village will seek to fill the vacant Public Health Nurse position. The Public Health Nurse will be responsible for managing the Family Case Management program, Childhood Lead program, HIV/Aids Surveillance program and Communicable Disease program.
- The Emergency Preparedness Program will continue to seek ways to outreach in the community as well as review opportunities for collaborating with nearby communities.
- The Village entered into the fifth year of a five year agreement with Animal Care League for care and impoundment of animals on July 1, 2014. The annual amount paid to ACL by the Village in 2016, under the Agreement, will be \$100,000 for the period of July 1, 2016 – June 30, 2017. Contract negotiations will begin soon to extend the agreement with the ACL.
- The Link double-coupon program will be marketed to, and utilized by, an increased number of recipients as a result of continued funding obtained from the CDBG program as well as from private grant funders.
- Opportunities for increased outreach by organizations and agencies in the community at the Farmers Market will be made available.
- The Food Protection Program will transition to using the Village's new VillageView software solution for food inspections at the Village's 220+ food establishments. The system will allow staff to complete electronic web-based food inspections from the field and to capture data that can be shared with other Village Departments.

Information Technology

Executive Overview

Departmental Summary

The Information Technology (IT) Department oversees the Village's computer and telephone systems and is responsible for providing internal services to other Village Departments via the administration and support of various office technology services, communication systems and data processing services that are utilized daily in all department operations in accordance with the annual budget document. Basic office technology support ranges from printer, desktop, laptop and mobile devices. Communication systems include local data network, Internet, security, wireless, cellular, fiber-network, radio and voice. Data processing services include the business and process analysis to enhance service to the operating departments and the residents of Oak Park.

2016 Accomplishments

- Implementation of VillageView (CityView) including GIS integration
- Upgrade and deployment of mobile devices
- Upgrade of Finance, Police and Development Customer Services desktop computers
- Implementation Police & Fire CAD/RMS (2015-Q4) including GIS data
- Reconfiguration of Village Hall offices phase 1
- Implementation of Parking TIBA Revenue system
- Lake & Forest Development, e.g. fiber network, telephone, intercom, video and revenue services
- Enhancements to Adjudication Local Ordinance system
- Backup HVAC in Village Hall computer room
- Research and testing of new Police MDT
- Parking Permit rate changes
- Vehicle Sticker rate changes
- Parking Citation rate changes
- CIP Story Map (2015-Q4)

Other ongoing efforts include the following:

- Reconfiguration of Village Hall offices phase 2

- Upgrade of Police MDT's
- Video security upgrade
- Keycard access control upgrade
- Support and enhancement of VillageView
- Implementation of ERP (data conversion)
- Continued work of 3-year Fiber network project
- Continued work on Parking Technology solution project – this will require Parking, Police, Adjudication and Finance participation
- Continued work on enhanced integration with CAD/RMS

2017 Work Plan

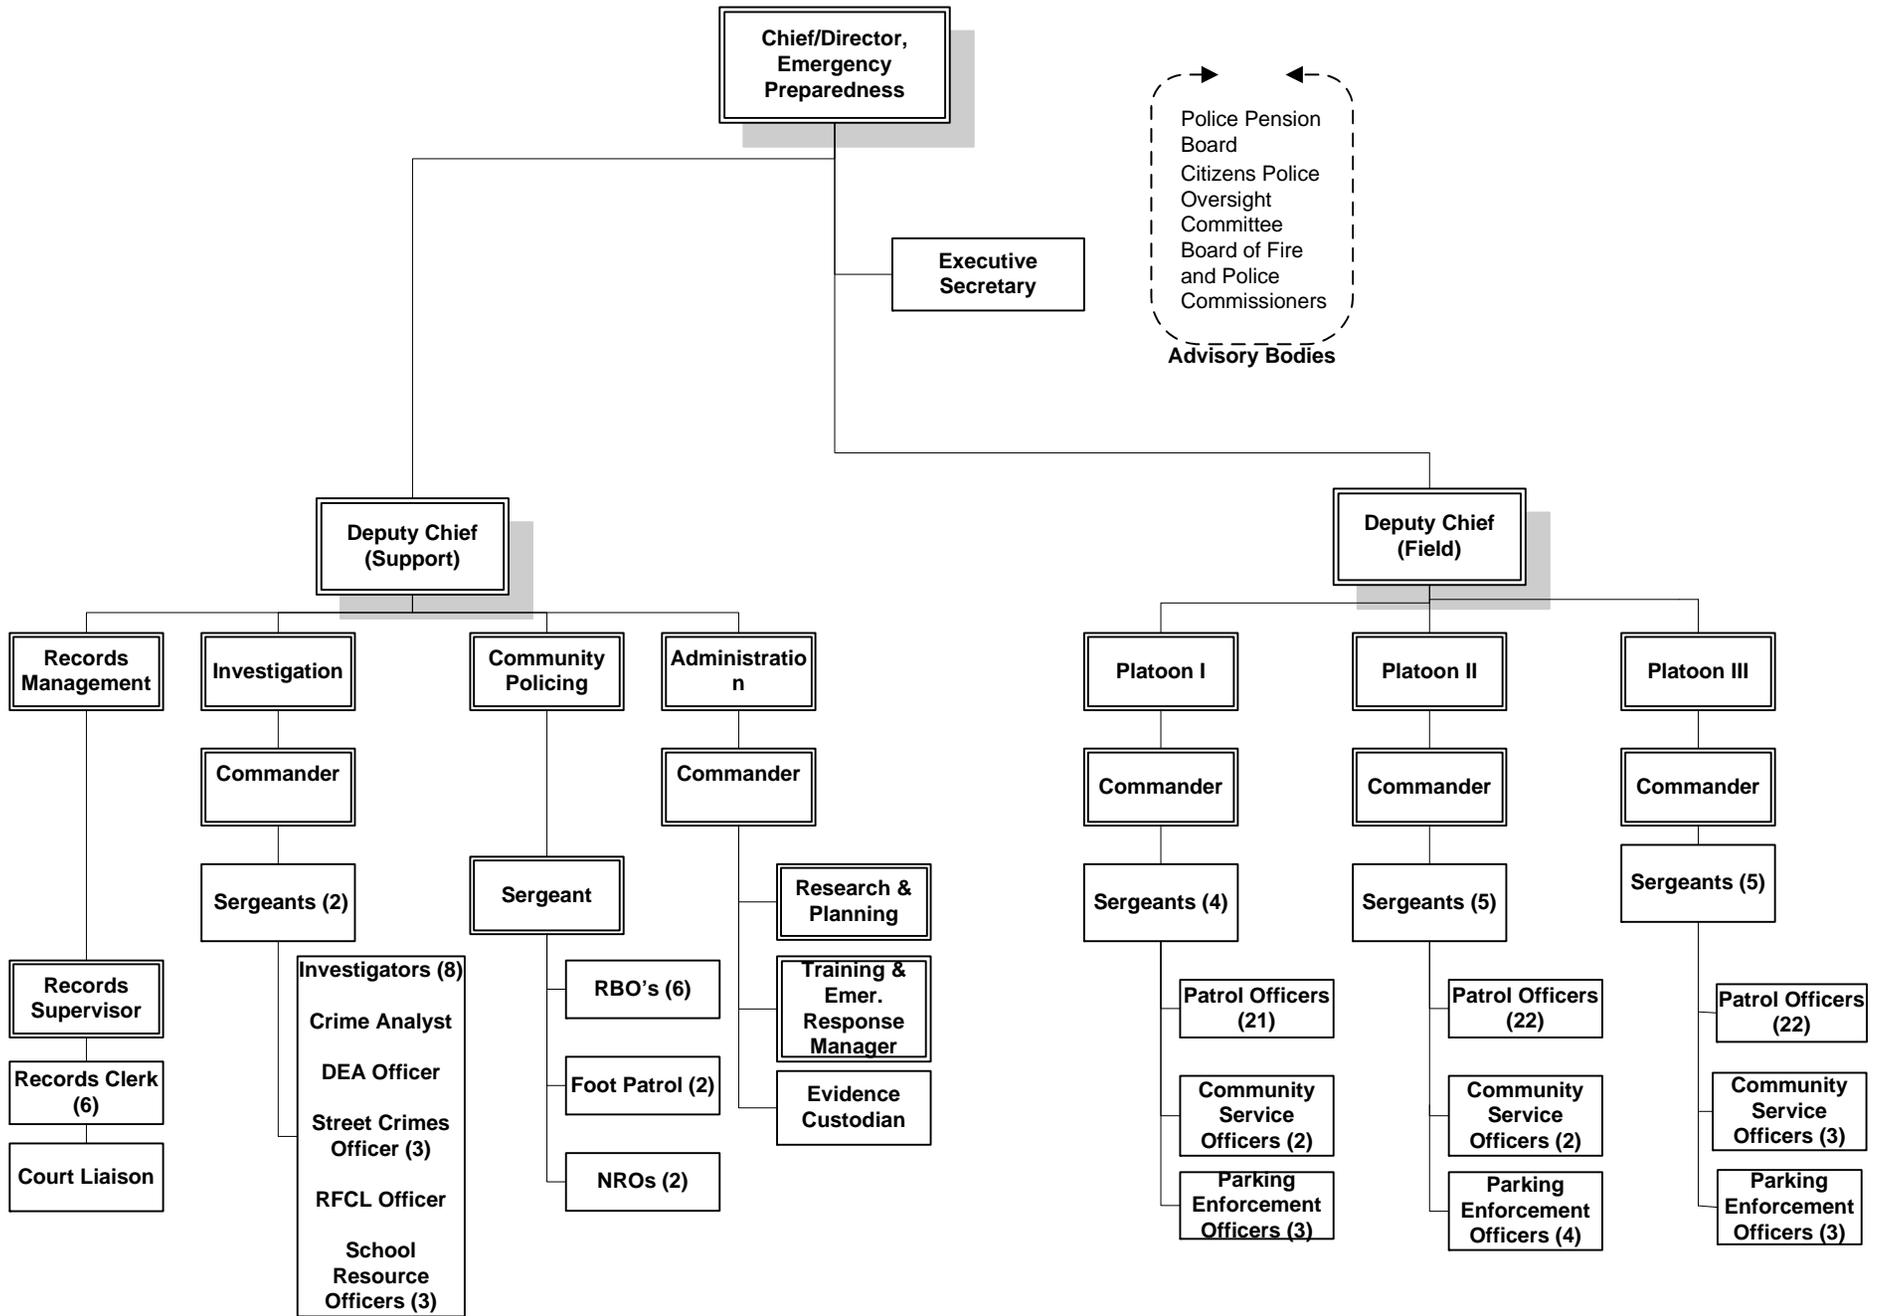

- Finance's Enterprise Resource Planning system – this work will continue in 2017 with Finance participation
- Parking Technology solution project – this will require Parking, Police, Adjudication and Finance participation
- Electronic Content Management system – this is to be integrated with the ERP and CityView systems and will require Finance and Development Customer Services participation
- Continue work fiber network project – this will require PW, Parking Services and Fire participation
- GIS – manage and review that it's aligned with IT Strategic Plan which will require all departments participation
- CityView system – continued review of the system including maximizing the system and integration of services which will require Development Customer Services and other departments participation for specific activities
- Police & Fire CAD/RMS project – continued review of system including maximizing the system and integration of services and will require Police and Fire participation
- Upgrade of Police mobile computers as part of scheduled replacement cycle and will require Police participation

POLICE

EXECUTIVE OVERVIEW

Departmental Summary

The Oak Park Police Department is a full-service law enforcement agency serving the citizens of the Village of Oak Park. The mission of the Department is to provide high-quality police services that are accessible to all members of the community. The Department believes in the dignity of all people and respects individual and constitutional rights in fulfilling this mission. In order to achieve this mission, the Department has adopted Community Based Policing which includes the following components: citizen involvement, problem solving and quality of life focus, ethical behavior, situational leadership, and employee value. It is our goal to incorporate these values in the organization, and throughout our interactions with the community to promote a desirable quality of life in the community, with a commitment to maintaining and improving peace, order, and safety through excellence in law enforcement and community service.

The department has both sworn police officers and civilian personnel assigned to operating and support programs in two bureaus:

Field Services Bureau – The Field Services Bureau is responsible for performing a variety of duties related to the protection of life and property and enforcement of criminal and traffic laws, parking enforcement, prevention and investigation of crime, collection and preservation of evidence, preservation of the public peace, and the apprehension of violators of the law. This bureau also manages the Field Training and Evaluation Program.

Support Services Bureau – The Support Services Bureau includes: Investigations, Drug Enforcement Administration (DEA) and Regional Computer Forensic Laboratory (RCFL) assignments, Resident Beat Officer and Neighborhood Resource Officer Programs, Records, School Resource Officer Program, Evidence and Property, Training and Research and Planning.

2016 Accomplishments

- The police department redefined the goals, mission and structure of the Community Policing Unit and increased the number of unit members to address the needs of the community.
- Building on what was learned from the 2015 Procedural Justice for Law Enforcement course; the department partnered with the University of Illinois and provided procedural justice training for all sworn and civilian supervisory personnel.
- The department continued to investigate the feasibility of body cameras and the ability to obtain outside funding for said initiative.
- All department personnel were trained in the utilization of the new Computer Aided Dispatch System (CAD) and the ability to complete police reports from the mobile data terminals in police vehicles.
- The department continued to explore alternatives to the current police firing range.

- The department's management staff is at full-staff with the addition of two new police commanders.
- In collaboration with the Northwestern University's Center for Public Safety, the police department evaluated the patrol schedule and implemented an 8-hour shift to maximize staffing while addressing community needs.
- In coordination with the Department of Public Health, the department participated in a full scale drug distribution exercise to test local plans which provide command and logistical details sufficient enough to distribute these drugs to the population of 53,000 residents in a 48 hour period. This year's exercise evaluated the response and delivery of "drugs" to first responders, Village employees and their families.
- All current investigative staff that are certified Lead Homicide Investigators were recertified by the Illinois Law Enforcement Training and Standards Board.
- Using grant funds, the department purchased two new speed trailers in the spring of 2016. These units serve as effective tools for promoting overall awareness of posted speed limits and are a warning to drivers when alerted to their own speed over the posted speed limit.

2017 Work Plan

- With the goal of having all sworn personnel certified over the next two years, the department will host a 40-hour state-certified Crisis Intervention Team training. The specialized course provides sworn personnel with tools for responding to calls involving mental illness, substance abuse and other related crisis incidents.
- Building on the department's partnership with the University of Illinois, the third phase of procedural justice training will be offered to all line level police personnel.
- The department will develop a promotional process to assess qualified police officer candidates for promotion to the rank of sergeant.
- The department will investigate the feasibility of Tasers as well as funding sources, policy review and training.
- The department will analyze alternatives to the current patrol shift schedule and assess if a modification should be made while maximizing current resources and responding to community needs.
- The department will continue its research on the utilization of body cameras.
- The department will review and update all general orders, rules and regulations, training bulletins and special directives. These revised materials will be disseminated to all department personnel.
- A training program will be developed for all personnel at the rank of sergeant including newly promoted and existing staff. This curriculum will include participation in the Northwestern University's Center for Public Safety's Supervision of Police

Personnel and courses related to developing leadership skills and industry knowledge.

- During 2017, all supervisors will be trained in professional standards and internal investigations.
- The department will install printers in all marked patrol vehicles to increase the efficiency of traffic accident report processing.
- The department will launch a citizen online reporting system that will provide a convenient way to report minor, non-emergency incidents through an online service.

Public Works Director

Public Works Executive Overview

Departmental Summary

The Department of Public Works is charged with a wide range of tasks associated with the Village's infrastructure. In addition to the more traditional infrastructure-related duties such as street maintenance, safe drinking water delivery, sewer collection, and capital improvements, divisions within the department also maintain the Village's extensive urban forest, manage refuse and recycling collections, and maintain traffic signals and streetlights. Public Works staff is also responsible for maintaining all municipal facilities and equipment, including vehicles for Police, Fire, Park District as well as its own vehicles.

The department resources include the General Fund, Water and Sewer Fund, Capital Improvements Fund, Motor Fuel Tax Fund and Environmental Services Fund.

Services are provided through the following divisions: Administration, Engineering, Streets Services, Fleet Services, Building Maintenance, Street Lighting, Forestry, Water and Sewer and Environmental Services.

2016 Accomplishments

Administration Division

- The Customer Service Call Center located at the Public Works Center is on pace to make approximately 23,000 customer contacts throughout 2016. These contacts consist of phone calls, voice mails, emails and in-person contacts generating approximately 16,000 work orders. Approximately 5,300 invoices will be processed through accounts payable. It is anticipated that over 440 Block Parties will be processed this year.

Engineering Division

- Successfully designed and managed the 2016 Capital Improvement Program which reached approximately \$25 million including Water and Sewer Improvements. The most challenging projects were construction of the South Blvd. streetscape project, the Chicago Ave. sewer and resurfacing project and the local street and alley improvements.
- Managed a variety of consulting firms working on major projects or studies including: the Madison St. streetscape and road diet project, alley improvements; Chicago Ave. resurfacing construction management; South Blvd. streetscape improvements; Harrison St. lighting construction management; and the Lake St. streetscape project.
- Continued working with private developments for environmental coordination and for public utility and streetscape improvements including the Lake & Forest development, the Oak Park Station Development, the South Blvd. & Harlem development, and the District House.

- Assisted in the development of the 2017 Capital Improvement Program.
- Applied for TIGER grants for the Harlem viaduct replacement project, and ITEP grants for Lake Street, historic stone sidewalk improvements, and for the Marion Street viaduct enhancement, and worked with IDOT to ensure the future I-290 reconstruction project meets the Village's needs and addresses the community's concerns on a variety of issues.

Street Division

- Continued with the ongoing maintenance of over 103 miles of Village streets, curbs, gutters and sidewalks.
- Continued to strive to increase the quality of utility opening pavement restoration work including sidewalk and concrete curb work.
- Replaced/installed approximately 700 signs Village wide.
- Removed graffiti from several hundred locations in the public way.
- Continued to repair/replace brick paver sidewalk and bluestone in various business districts.
- Used more than 300 tons of material to fill potholes and to repair pavement.
- Completed the annual fall season leaf pushing program.
- Plowed and salted streets for snow storm events to keep streets safe.

Street Lighting Division

- Completed quarterly inspections of burned out street lights and worked with in-house staff and contractors to replace them as well as responding to resident calls for burned out lights.
- Completed the street lighting inventory and the GIS street lighting map.
- Continued to research and field test newer LED style lighting fixtures for low level and high level street lights.
- Continued to upgrade pedestrian signals/buttons at Ridgeland/Madison, Highland/Jackson, Oak Park/Garfield and Oak Park/Harrison.
- Continued to change out green and red LED traffic signals at Highland/Jackson and Ridgeland/Lenox.

- Continued to monitor and repair the traffic signals at 41 intersections.

Fleet Services Division

- Re-evaluated entire village fleet.
- Completed hands on inventory of the parts department.
- Managed all new vehicle purchases as part of the Fleet Replacement program and disposed of older vehicles.
- Prepared new vehicles for service with signage, striping, emergency lighting, radios and computer equipment.
- ASE Master Mechanic certification was achieved by another technician in Fleet Services.
- Eleven Hybrids were purchased replacing the aging Compressed Natural Gas vehicles in the alternate fuel vehicle inventory.
- Through anti idling efforts and the use of alternate fuels the Village's usage of fossil fuels was reduced.
- Maintained the Blue Seal certification for Fleet Services.

Building Maintenance Division

- Two new boilers were installed in Village Hall in May/June of 2016. The new boilers replaced two old boilers that were original to the building from 1975. New pumps and piping were included as well as asbestos abatement from the old pipe insulation.
- Additional upgrades to the new Village Hall Chiller Building Automation System (BAS) were completed in early 2016. Digital controls replaced old and inoperable pneumatic damper actuators. More upgrades to the BAS are planned for late 2016 when the new Village Hall boiler is added to the system and in 2017 when all pneumatic controls are replaced with digital controls.
- The first phase of the Village Hall furniture project was successfully completed in late 2015/early 2016. The project included painting of all interior offices and conference rooms and new carpeting in all offices, conference rooms and west and north wings. Electrical and data cabling work was also done as part of the project and some minor office remodeling was also completed. The second phase of this project is scheduled to begin in late August of 2016.
- An elevator feasibility study was completed in the summer of 2016 to identify opportunities and costs to replace the existing ADA vertical platform lift near the Council Chambers with a new passenger elevator. The study will also explore the

possibility of installing a new passenger elevator at the main entrance. The existing elevator at the Lombard St. entrance will have the interior remodeled in the fall of 2016.

- Village Hall roof repairs were completed in 2016 as noted in the Building Condition Index (BCI) report that was completed in 2015. The BCI identified needed maintenance and repairs to all major building systems and components and staff utilized the BCI report to plan the work in 2016 and beyond. A BCI for the Public Works Center is planned for late 2016.
- A new storage garage is being constructed at the main fire station in the fall of 2016. The garage will allow the Fire Dept. to store critical equipment and vehicles safely and securely. The men's locker room at the main station is also being remodeled in the fall of 2016. New lockers and flooring are included.
- A new staff member in the Public Works Building Maintenance Division was added in the spring of 2016 – Building Maintenance Contract Coordinator. Since then, work orders and maintenance/repair items are being tracked and completed more effectively and efficiently.

Forestry Division

- The Four-year tree pruning cycle contract was completed on time and within budget. This consists of contractual pruning more than 3,500 trees over six inches in diameter on the south side of the village.
- In house staff pruned all trees six inches and under in the south half of the village (approximately 5,000 trees).
- 279 trees were removed at off-season rates. This contract is bid for winter removal of trees in order to reduce costs. The Village obtained very favorable rates for these winter removals.
- A diverse mix of 348 high-performing properly sited parkway trees were planted throughout the Village, maintaining them with contracted watering crews.
- Forces maintained over 180 permanent landscape areas and planting and maintaining over 500 planters in 12 Business Districts throughout the Village.
- Placed more than 1,400 cubic yards of mulch in Village-owned planting beds.
- Improved and replaced plant materials at multiple locations across the village.
- Tracking the tree removal, stumping and planting process within the GIS inventory.
- Installed and maintained two honeybee hives on the Public Works Center roof.

- Re-inventory one-quarter of the Village's urban forest.
- Partnered with the Park District of Oak Park for Arbor Day celebration.
- Formalized Village's Tree Valuation process.
- Developed new Forestry webpage and educational materials.

2017 Work Plan

Administration Division

- Continue to work to provide exceptional customer service by managing requests and work orders through the Request for Action (RFA) database and VillageView programs as well as complete performance measures and monthly reporting.
- Host a Public Works Center open House as part of the EarthFest event.
- Continue to coordinate regular safety meetings of the entire Department.
- Continue to have regular Public Works Employee Committee meetings to improve efficiencies and moral.

Engineering Division

- Design and manage the 2017 Capital Improvement Program.
- Refine and publish asset management plans for major capital assets utilizing GIS databases. Finalize newer databases for assets not currently tracked (street lighting and traffic signals); and complete the water service database to link with Development Customer Service CityView software. Asset management plans will utilize life cycle cost analysis to evaluate most cost effective materials, maintenance programs and replacement options for various assets.
- Design Lake Street streetscape project for 2018 construction and work with the Board, Village Manager and Development Customer Service Department to prioritize and define the various business district improvements so projects can be coordinated with planned resurfacing and utility improvements and funding sources can be identified and pursued.
- Manage Madison Street streetscape and road diet projects through final design and construction.
- Continue to manage various consultants working on capital projects.

- Coordinate with private development construction projects for public infrastructure and streetscape improvements to minimize impacts to the community.

Street Division

- Continue to improve and excel in the timely upkeep and maintenance activities of Village business district areas.
- Continue with prompt repair of street pavement utility repairs.
- Strive to excel in the communities satisfaction of the snow and ice removal program.
- Increase work output and production with thermoplastic and painting of pavement markings.
- Increase replacement of faded/unreadable signs Village wide.
- Continue to improve the oversight, accountability and performance of the various Division contractor services.
- Continue to improve the skill diversity of the Division work force through training.

Street Lighting Division

- Develop and implement a plan to repair outages in a more timely manner utilizing in-house staff and contractors.
- Continue to upgrade Village street lights to more energy efficient light fixtures, and continue monitoring energy savings from installation of more energy efficient light fixtures.
- Continue research and development of energy efficient lighting.
- Continue to research methods to make traffic signals more bicycle friendly and continue to install these devices.
- Find a solution and repair leaking globe pedestrian fixtures along Austin Blvd.

Fleet Services Division

- Maintain Fleet Services ASE Blue Seal of Excellence classification.
- Continue to find ways of decreasing the Village's fuel usage.
- Continue to decrease the percentage of equipment exceeding replacement criteria.

- Continue to increase employee productivity while maintaining our high level of service.
- Provide increased educational opportunities to improve our employee's skill sets.
- Add an EVT Master Technician certification to Fleet Services.
- Add another ASE Master Technician certification to Fleet Services.

Building Maintenance Division

- Implement the new Building Maintenance services contract. The existing contract with Midway Building Services is expiring in November of 2016. An RFP for Building Maintenance Services is being issued in July of 2016 and the new contract would begin the second week of November 2016.
- Replace all pneumatic HVAC controls throughout Village Hall. This would improve the overall performance of the HVAC system by allowing more accurate digital controls to run the HVAC system. This would also reduce maintenance costs as the old pneumatic control air compressor would be removed from the system.
- Continue the Building Condition Index program. The program provides a detailed analysis of the existing condition of all Village buildings and specifies a maintenance plan and repair / replacement cost information for each major system of the building (mechanical, electrical, plumbing and structural / envelope). The program helps staff be better suited and knowledgeable to prepare future budgets and maintenance plans for Village facilities.
- Complete Fire Department projects included in the 2017 CIP Building Improvement Plan. Projects include remodeling of the kitchen and locker rooms/bathrooms at the south fire station, roof repairs and window replacement at the main station and stair replacement and bunk room remodeling at the north station.
- Implement the third and final phase of the Public Works Center structural repairs and concrete sealing project. The concrete floor on the first level north end will be cleaned, repaired and sealed, concluding the work for the entire floor.
- Continue assisting the Village Managers Office with the Village Hall remodeling project.

Forestry Division

- Continue four-year cycle tree pruning program focusing on the area between North Boulevard and Chicago Avenue from Harlem Avenue to Austin Boulevard, and

Chicago Avenue and Division Street, from East Avenue to Austin Boulevard.

- Re-Inventory one-quarter of Village Trees.
- Replace approximately 500 trees removed for various reasons.
- Improve and expand Public Works Facility Green Roof.
- Design and install demonstration rain garden at Public Works Facility.
- Complete development of the Urban Forestry Management Plan.
- Seek Accreditation from Society of Municipal Arborists for our Forestry Program.
- Seek Accreditation from Tree City USA.
- Track cycle pruning and resident request process within the GIS inventory.
- Investigate Elm and Ash Treatment program for specimen quality trees.
- Maintain the Village urban forest in a safe, competent and timely manner.

Village Clerk's Office

Executive Overview

Departmental Summary

The Office of the Village Clerk records the proceedings of all Village Board meetings, including committee and special meetings; maintains all official records of the Village Board (including minutes and ordinances), certifications and the Village seal; and monitors Village compliance with the Open Meetings Act and Freedom of Information Act. The office also serves as the local election authority and registrar for voters.

The statutory requirements of the Village Clerk include:

- Serving as the keeper of the Village Board of Trustee's permanent records, including minutes, ordinances, resolutions, proclamations and contracts

Under the Village Code, Oak Park has also locally designated the Village Clerk as:

- Serving as the Chair of Special Events Team
- Issuing permits and various licenses
- Serving as the liaison for the Village's Citizen Involvement Commission (CIC)

The customary duties of the Village Clerk include:

- Compliance with Local Records Act and
- Coordinating FOIA responses
- Serving as the local elections official (also for Parks & Library) and voter registration.

2016 Accomplishments

- **Village Board Captioning And Transcription Services** – This year the Village Clerk's office converted to a new and more reliable captioning and transcription service which has also provided more flexibility in scheduling (to avoid paying for extra hours not used). The key benefit has been reduction in costs for this service. In addition, we were able to provide captioning and transcription services for a meeting of the Plan Commission to assist a resident who requested this due to a disability.
- **Special Events** – Reviewing the proliferation of requests by new organizations for races and the challenges and parking and public safety issues presented by such events, it has become clear that the Village needs to provide specific parameters for races in the Village. Through polling of other Chicago suburban communities which face similar challenges and recommendations from the departments which support special events through the Special Events Team, a proposal is being developed to set limits on the dates/times/location and arrangements for races to avoid the problems raised by recent race events. The Clerk's office offered to work with the Legal Department to determine whether these changes require ordinance amendments or will be considered administrative issues. For those events which do not meet specifications, alternatives such as bike rides and walks to highlight specific areas have been proposed as alternatives. These changes can reserve Village staff resources for races that fit the schedule of events and construction in Oak Park. This

proposal was prepared last year but the Village Clerk's office was advised by the Manager in the summer of 2015 that any changes to the Code would need to await hiring of an assistant Village Attorney. Now that the Assistant Attorney has been hired, the Clerk has been advised that this will be handled by outside counsel and subject to budget approval.

- **Advisory Boards and Commissions** – The process for appointment of members of boards and commissions has been streamlined to advise applicants of openings and allow them to make an informed decision about commission service before the interview and recommendation to the Board. At mid-year there were candidates for 30 (virtually all) upcoming vacancies for the rest of the year, who will be scheduled for Board approval as future vacancies become available. A standard policy has been developed to recognize outgoing commissioners who have served at least one full three-year term upon their departure from commission service with a letter from the Village President and a certificate recognizing their service. For those who depart earlier the commission has the option of sending a note of thanks from the commission chair and staff liaison.

2017 Work Plan

- **Advisory Boards and Commissions** – Known vacancies for 2017 (due to retirements) have already been identified, and current waiting list candidates who do not have a commission vacancy available will be informed as these vacancies are confirmed or additional vacancies due to resignations develop.
- **Special Events** – New proposals for handling race applications could be fully implemented in the 2017 special events season if processed by the legal department this year.
- **FOIA Automation** – The Village Manager's office has advised the Clerk's office that any implementation must await implementation of the Village ERP, and if this module is available in the selected product.

Village President and Board of Trustees

Pursuant to §2-2-4 of the Municipal Code the Village President and Board of Trustees via their legislative authority established under state law are elected by the citizens of Oak Park to establish the policies related to the operation of the Village Government. The Village President and Board of Trustees are responsible for the selection and employment of the Village Manager and annually establish the goals and vision for the organization and authorize the annual budget/appropriations document to support the implementation of these goals.

Special Revenue Funds

Special Revenue Funds are isolated from the general operations of the Village. These funds are for the financial management of Village services funded by revenues that have been earmarked for specific purposes. While the use of such revenues is sometimes guided by state and federal requirements, they can also be guided by policy directives from the Village Board of Trustees.

The Village maintains the following Special Revenue Funds:

- Community Development Block Grant (CDBG)
- Community Development Block Grant Revolving Loan Fund
- Downtown Oak Park Tax Increment Financing District Fund
- Earth Fest Fund
- Enhanced 911 Fund
- Farmer's Market
- Federal Recovered Drug Asset Forfeiture (RICO) Fund
- Foreign Fire Insurance Fund
- Harlem/Garfield Tax Increment Financing District Fund
- Madison Street Tax Increment Financing District Fund
- Motor Fuel Tax Fund
- Special Services Area (SSA) #1
- Special Services Area (SSA) #7
- State Recovered Drug Asset Forfeiture (RICO) Fund
- Sustainability Fund

Community Development Block Grant (CDBG)

Fund Summary

The Community Development Block Grant (CDBG) program is HUD's most important community development program and it is one of the most flexible programs provided to the Village by the federal government. This flexibility is designed to promote innovative programs in economically disadvantaged areas of the community.

The Emergency Solutions Grant (ESG) program is designed to identify sheltered and unsheltered homeless persons, as well as those at risk of homelessness, and provide the services necessary to help those people quickly regain stability in permanent housing after experiencing a housing crisis and/or homelessness.

Community Development Revolving Loan Fund

Fund Summary

At present, funding for the single family rehab loan program is from the Village's Revolving Loan Fund. The Revolving Loan Fund consists of funds that were re-paid by prior homeowners. Additionally, we give homeowners with lead based paint hazards a grant using CDBG funds to correct such hazards.

Downtown Oak Park Tax Increment Financing (DTOP TIF) District

Fund Summary:

The Downtown Oak Park Tax Increment Financing (DTOP TIF) District was established in 1983 with the intent of revitalizing the downtown business district. Revenues are generated by incremental property taxes calculated by taking the overall property rate multiplied by the incremental equalized assessed valuation (EAV) above and beyond the frozen or base EAV when the TIF was first adopted. The intent is to use this increment for economic development projects, enhancing the tax base to develop above what development would have occurred otherwise. This fund is subject to the 2011 TIF settlement agreement.

The 2011 TIF settlement agreement was amended in 2013 to provide for the capture of increments for public infrastructure costs associated with the proposed development of Colt-Westgate properties generally located east of Harlem Avenue between Lake & North Boulevard.

Farmer's Market

Fund Summary

The Oak Park Farmers' Market offers high quality, locally grown produce. The Market offers a vision of stepping back to simpler times when produce could be purchased directly from farmers.

The Market is open every Saturday beginning the second to last Saturday of May through October. Market hours are 7 a.m. - 1 p.m. Pilgrim Church, right next door to where the market is held, offers fresh warm donuts, juice and coffee, with live bluegrass music nearby. The Oak Park Farmers' Market is located at 460 Lake St., just one block west of Ridgeland Avenue. The [Farmers' Market Commission](#), which oversees the Oak Park Farmer's Market, is comprised of volunteers appointed by the Village Board to coordinate and promote outdoor food and produce marketing. The Commission's 11 members each serve three-year terms.

Federal RICO Fund

Fund Summary

The Federal Recovered Drug Asset Forfeiture Fund is a fund by which assets related to drug crimes can be seized by federal government. A percentage of those seized assets can then be turned over to the involved local enforcement agencies. Proceeds can only be used for law enforcement purposes and have been utilized in the past to purchase police vehicles and other crime fighting equipment.

Foreign Fire Insurance Fund

Fund Summary

The Foreign Fire Insurance program is comprised of a Board of Directors that is elected from the members of the Oak Park Fire Department. The mission of the Board is to receive and account for revenues from the tax issued on fire insurance policies sold by foreign (out of state) insurance companies, and to use such funds for the maintenance, use, and benefit of the Oak Park Fire Department.

Harlem/Garfield Tax Increment Financing District

Fund Summary

The Harlem/Garfield Tax Increment Financing (TIF) District was originally created in 1993 for the purpose of remediation of the site for a retail redevelopment project. Due to financial circumstances, the development never occurred. In 2003, the Village approved a Business Retention Agreement to move the Volvo Dealership from Madison Street to the corner of Harlem & Garfield.

Madison Street Tax Increment Financing District

Fund Summary

The Madison Street TIF was adopted by the Village Board on February 6, 1995 and at that time it identified the following projects (along with costs estimates) for the Madison TIF District:

Public Improvements	\$7,000,000
Land Acquisition	\$8,000,000
Site Preparation	\$7,500,000
Rehabilitation of Existing Buildings	\$3,000,000
<u>Administration and Professional Services</u>	<u>\$2,500,000</u>
Total	\$28,000,000

The above project estimates were established in accordance with the TIF. The Village, under the Illinois TIF Act generally is allowed to use property tax increment generated by the TIF within the District for the following:

- Property acquisition
- The rehabilitation or renovation of existing public or private buildings
- Infrastructure improvements
- Relocation expenses
- Financing costs, including interest assistance
- Studies, surveys, and plans
- Marketing sites within the TIF District
- Professional services (such as architectural, engineering, legal, and financial planning)
- Demolition and site preparation

Motor Fuel Tax Fund

Fund Summary

The Motor Fuel Tax (MFT) Fund receives the Village's share of the state gasoline tax distributed to municipalities based on a multi-layered formula. These funds are transferred to the General Fund to be used for labor and material costs associated with maintaining roadways throughout the Village.

Special Service Area (SSA) #1

Fund Summary

The Special Service Area (SSA) #1 Fund is used to account for the property tax receipts as collected by the County. The area, which is confined to the greater downtown Oak Park area, levies a separate tax to assist in the marketing and promoting of businesses in the district.

The expenditure of these funds is subject to the on-going application of an agreement between the Village of Oak Park and the Harlem Lake Marion Corporation (commonly referred to as Downtown Oak Park) which was approved by the Village Board December 5, 2005 for a three year term.

Sustainability Fund

Fund Summary

The Village Manager's Office oversees Sustainability initiatives and the Sustainability Fund was established in 2009 with Grant Funds for the hiring of a position to support sustainability efforts in the Village. After the grant expired, all sustainability related costs have been provided via a transfer from the Environmental Service Funds – an enterprise fund generating revenue from waste hauling fees. This revenue is proposed to support the development of the Intergovernmental Environmental Community Organization (i-ECO) in an amount up to \$125,000 per year.

Beginning in 2016, as part of the Village's Community Choice electrical aggregation program, a 0.3¢/kWh local fee to support the Smart City USA renewable energy projects within the Village was established. That revenue, currently estimated at \$500,000 per year is shown as revenue in this fund as well.

Capital Improvement Funds

The Capital Improvement Fund generates revenue through a dedicated 1 percent sales tax, a six cent per gallon gasoline tax, as well as IMF Telecommunications Taxes distributed through the state. The fund's most notable expenses are the repair and replacement of local streets, alleys and sidewalks. It also funds the other capital funds through inter-fund transfers.

Although the current focus is on the actual infrastructure improvements it is not possible to have a valid conversation about the fund's ability to pay for the costs of projects without also discussing the other expenses of the fund.

The revenue and expense table below illustrates the overall fund finances. However, the operations portion (i.e. everything beyond the capital costs), are currently under review and will come before the Finance Committee and Village Board as a part of the operational budget recommendation.

The Public Works Department is responsible for the oversight and management of three Capital Funds including the Capital Improvement Fund, Building Improvement Fund and Fleet Replacement Fund. These funds support equipment and projects that have an extended life. Streets, sidewalks, HVAC systems and vehicles are typical expenditures from these funds. The Capital Improvement Fund also includes expenditures for personnel salaries and benefits that support the Funds programs and projects. The Capital Improvement Fund includes expenditures to the other capital funds through inter-fund transfers.

The Finance Department is responsible for the oversight and management of the Equipment Replacement Fund, which tracks expenses related to major technical equipment purchases for Village departments.

Criteria

Capital projects must meet the following criteria:

- Minimum value of \$25,000
- Useful life of longer than two years
- Results in a fixed asset
- If an engineering study, leads to a capital program

Capital projects include costs in the following six main categories:

- Professional Services
- Land Acquisition
- Infrastructure Improvements
- Building Improvements
- Machinery and Equipment
- Other/Miscellaneous

Building Improvement Fund

Fund Summary

The Building Improvement Fund revenue is transferred from the primary Capital Improvement Fund and is therefore indirectly funded by bond proceeds. This fund accounts for all expenses related to the repair and maintenance of all Village owned facilities.

The Fund should be reviewed in conjunction with the other CIP Funds.

Fleet Replacement Fund

Fund Summary

The Fleet Replacement Fund tracks expenses related to vehicle purchases for Village departments outside of one of the Village's Enterprise funds (Water/Sewer, Parking and Environmental Services). In recent years, purchases have shifted toward leases or installment loans rather than outright purchases in order to maximize purchasing power while leveraging historically low interest rates.

The Fleet Division within the Department of Public Works reviews vehicle needs with relevant departments and determines when equipment needs to be replaced based on an analysis of cost effectiveness of maintenance.

Capital Improvement Fund

Fund Summary

The Capital Improvement Fund generates revenue through a dedicated 1% home rule sales tax, a six cent per gallon gasoline tax, an allocated 1% telecommunications tax, as well as grants and bond proceeds.

The fund's most notable expenses are the repair and replacement of local streets, alleys and sidewalks. It also funds the other capital funds through inter-fund transfers.

Enterprise Funds Overview

The Village has the following three enterprise Funds:

- Environmental Services
- Parking
- Water

Enterprise Funds are distinguished from other Village Funds in that they are often run similar to a business and funded by user fees rather than taxes or other revenue sources typically assessed to the public for funding general Village operations. Enterprise Funds usually serve a very specific purpose such as providing water/sewer services or refuse pickup and such services are billed directly to the customer or user of such service.

For these types of Funds, the Village may still issue bonds to help pay for non-routine capital improvements or expenditures but the payment on the debt service for this bonds is usually abated (removed) from the tax levy and paid by user fee revenue within the Fund. Finally, although expenses in these Funds are kept separate and not paid for by general Village revenues, the same rules apply regarding purchases and same level or degree of due diligence is performed to receive the best services at the lowest possible cost.

Environmental Services Fund

Fund Summary

The Department of Public Works is responsible for the oversight and management of this Fund through its Environmental Services Division. This division manages the Village's solid waste collection and comprehensive recycling programs. Waste collection and recycling is provided through contract services for single family units and multi-family unit residents up to five unit buildings as well as over 80 institutional facilities. Several collection days are held throughout the year for electronics drop collection, medication drop off, shredding of personal documents and paint exchanges. Also included in this fund is support of the Village's fall leaf collection program, the Keep Oak Park Beautiful program and an enforcement program which relates to the enforcement of Village Ordinances for alleys and solid waste that would be considered a nuisance.

This Fund transfers resources to the Sustainability Fund (a special revenue fund) which supports all expenditures related to Sustainability (a function in the Village Manager's Office) including personnel, materials and supplies and contractual services.

Revenues for this fund are generated through the solid waste collection fees which cover the cost of collection and disposal.

2016 Accomplishments

- Administered the final year of a five-year contract with Waste Management for collection, transportation, recycling and yard waste services and the eighth year of a 10-year contract for waste disposal as a participating community in the Regional Disposal Project provided by the West Cook County Solid Waste Agency.
- Managed *CompostAble*, the organics collection program for food scraps, food-soiled paper products and yard waste that has grown steadily since its pilot in 2012 with 110 participants. More than 1,000 households, eight churches, 10 schools, three Park District facilities, the Farmers' Market and the Oak Park River Forest Food Pantry now participate in the program.
- Collected latex paint from more than 200 households through a semi-annual exchange program.
- Diverted 9,268 pounds of materials from landfills by shredding documents containing personal information and collected old clothing for repurposing at a single event at the Public Works Center.
- Hosted the seventh annual Earth Fest, Oak Park's celebration of green living and learning, attracting an estimated 550 residents.
- Accepted orders for 1,386 free rain barrels through a partnership with the Metropolitan Water Reclamation District of Greater Chicago to encourage disconnecting gutter downspouts disconnects to help alleviate flooding. This program ends December 15, 2016.

- Hosted four electronics recycling events to provide a way for residents to safely dispose of items no longer accepted in Illinois landfills.
- Partnered with the Village of River Forest to update the *Beyond the Bin* recycling guide that offers residents information on how to properly dispose of a wide range of materials.

2017 Work Plan

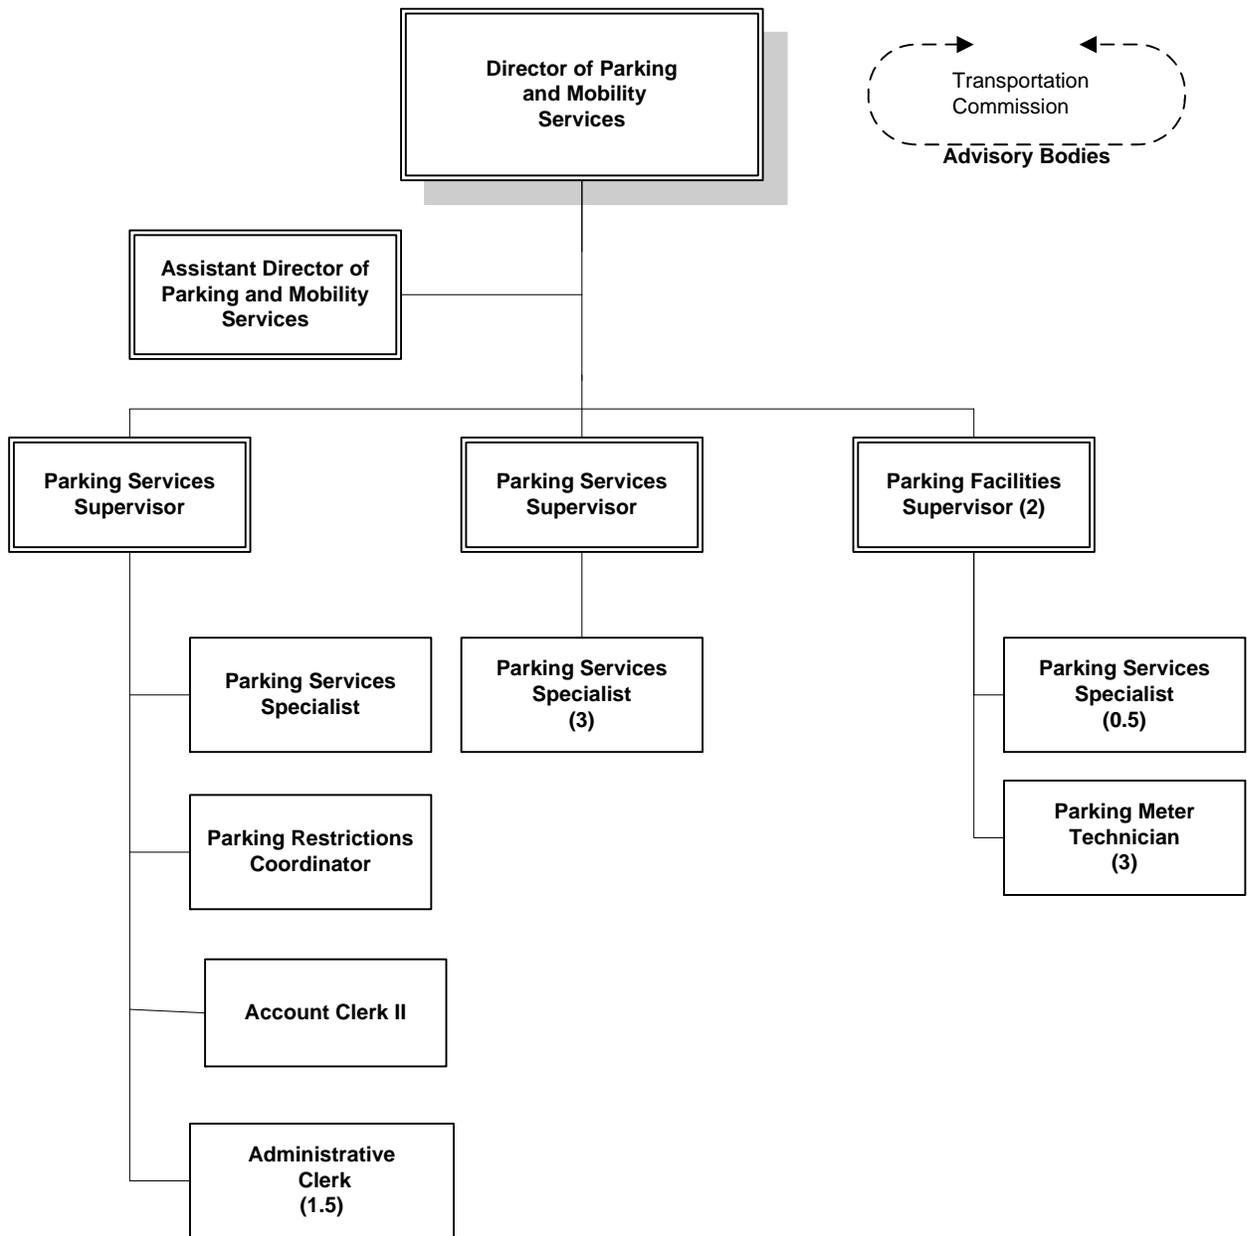

- Implement new programs proposed in a new refuse and recycling collection contract.
- Expand participation in the CompostAble organics collection program.
- Continue to offer special collection events such as for paper shredding and repurposing old clothing.
- Conduct a refuse cart inventory and work with the Finance Department to validate refuse billing accounts.
- Implement a pilot program for shoe recycling in partnership with Oak Park schools and churches.
- Promote Keep Oak Park Beautiful and maintain effort to meet Keep America Beautiful reporting requirements.

Parking Fund

Departmental Summary

In densely populated Oak Park - with a population of 52,000 and an automobile population estimated at nearly 30,000, the limited supply of parking must be managed. The management of parking in the Village requires regulation about where and how parking is allowed, for how long and, in some cases, by whom. By managing the parking supply - most of which is on public property - the Village's Parking Services Department helps Oak Park residents and business owners meet their parking needs, while also maintaining the character of the community.

Parking Services manages publicly provided parking, four public parking garages, more than 100 off-street lots and nearly 1,500 meters. In addition, the department manages a comprehensive parking permit system that includes 3,600 quarterly, 24-hour parking permits, 2,300 quarterly on-street, overnight permits and some 2,500 permits for residents and their guests who request temporary on-street parking. The Parking Department also oversees the sale of Village Vehicle Stickers. Parking Services also reviews, researches, and recommends the addition and revision of parking regulations within the Village as the staff liaison to the Transportation Commission.

2016 Accomplishments

- Completed camera and intercom upgrades for Village garages as part of the overall Village property updates. The technology is aging and becoming obsolete, in the last few years there were several times when repairs had to be made.
- Completed upgrades to the Village Parking Garages revenue control system.
- Worked with a consultant to prepare a request for proposal and implementation of upgrades to the Parking Services permit, vehicle sticker, and citations, as well as License Plate recognition.
- Upgraded online overnight parking pass system to include extended 24 passes via the internet.
- Completed parking facilities maintenance study and started implementation.
- Continued comprehensive review of on-street parking restrictions with plans to complete about another quarter of all Village Streets by the end of the year.
- Completed review and design of the Parking Wayfinding System.
- Completed an Intergovernmental Agreement with the Cities of Chicago and Evanston and launch a regional bike share program (Divvy).
- Completed Construction of the new parking garage at Lake Street and Forest Avenue.

2017 Work Plan

- Continue implementation of the parking facilities maintenance study that was completed in 2016 with an annual budget of \$300,000.
- Review for possible expansion of the regional bike share program (Divvy) with a budgeted amount of \$260,000 for 4 new stations.
- Start fabrication and installation of the Parking Wayfinding System that is anticipated to take three years at \$325,000 per year.
- Continue a comprehensive review of all parking related ordinances and policies as part of the Village Board goals for 2016-2017.
- Implement upgrades to the Parking Services permit, vehicle sticker, and citations, as well as License Plate recognition with a budgeted amount of \$550,000. This will require participation by the Adjudication, Finance, Information Technology, and Police Departments.
- Start installation of new on-street parking restriction signage that is anticipated to take four years at \$250,000 per year.
- Expand the Village's (EV) charging station program by adding up to three new dual EV charging stations at the Village Parking Garages with a budgeted amount of \$46,000.

Water & Sewer Fund

Departmental Summary

The Department of Public Works is responsible for the oversight and management of the Public Works portion of this Fund through its Water & Sewer Division. In FY 2013, the Village Board approved the collapse of the Water & Sewer Funds into a single fund.

Water Services – Public Works is responsible for the delivery of safe, potable water to residents and businesses within the Village and for fire suppression. Purchased directly from the City of Chicago, water is stored in several sites throughout the Village and pumped through 105 miles of water mains. Personnel and contractors supported by this fund are responsible for the emergency replacement of broken mains as well as repair and exercising of system water valves and fire hydrants, repair and replacement of water meters and pumping equipment. The division also responds to requests for locating underground water facilities via the one call system Joint Utility Locating Information for Excavators (JULIE). Revenues for the Water Fund are generated through the users of the water system through quarterly metering. Rates are determined based on the charges from the City of Chicago for the delivery of water and the Village's expenses and programming.

Sewer Services – Village sewage is transported to the interceptor sewers of the Metropolitan Water Reclamation District of Greater Chicago (MWDGC) where it is eventually treated and discharged into the receiving streams. Revenues for the Sewer fund are generated through the users of the water system as a portion of the utility charges. The Village does not pay the MWDGC for discharging to their sewers. Property owners are assessed on their property tax bill for this service. Although the current focus is on the actual infrastructure improvements it is not possible to have a valid conversation about the fund's ability to pay for the costs of projects without also discussing the other expenses of the fund. Below is a revenue and expense table that illustrates the overall fund finances. However, the operation portion, everything beyond the capital costs, is currently under review and will come before the Finance Committee and Village Board as a part of the operational budget recommendation.

2016 Accomplishments

- Purchased and distributed 1.76 billion gallons of water from the City of Chicago.
- Completed improvements to the North and South Pumping stations, including installing elevated walkways for the access to fill valves, flow meters and chemical feed equipment during maintenance and repair activities. Repairs also were made to the walls and floors, flow indicators, pipe color coding and existing metal stair landings.
- Installed new cellular technology on the Chicago water meters at the North Pumping station that allow daily real-time readings, increasing accountability and worker safety.
- Completed 100 water and sewer excavations.
- Began water and sewer mains on replacements on Highland Avenue from Jackson Boulevard to Madison Street and on Taylor Avenue from Flournoy Street to Harrison Street, including reconstruction of the streets.

- Replaced 1,000 water meter and register heads as part of the ongoing replacement program.
- Distributed Annual Water Quality Report via electronic format instead of by U.S. Mail method, saving about \$5,000 in postage.
- Completed a Village wide leak detection survey and hydrant maintenance program.

2017 Work Plan

- Continue to review the Village's non-revenue water losses and evaluate ways to reduce it.
- Continue repair and replacement of defective water valves and water lines identified during the 2016 Leak Detection survey.
- Replace another 1,000 meters/register heads as part of the ongoing program. Only 1,500 units will remain to be replaced in future years.
- Continue the priority of repairing sewer failures within 72 hours of notification.
- Continue lead abatement water service replacement program.
- Continue annual storm sewer inlet/catch basin cleaning.
- Continue annual sewer jetting program.
- Continue evaluating the storm sewer inlet restrictor program and add additional locations in an effort to prevent basement back-ups during heavy rainfall events.
- Continue the sewer backup grant program to aid residents in basement backup protection.

Note: Total Fund balance at 1/1/16 was \$50,992,363 which consisted of \$1,366,693 of liquid and \$49,625,670 of illiquid balances

Internal Service Funds

The Villages Internal Service Fund (ISF) are used to track revenues and expenses that do not require legal separation from the General Fund but are budgeted and tracked independently for internal control, transparency, and accounting purposes. The following ISF are included under this section:

- Debt Service Fund
- Health Insurance Fund
- Self Insured Retention Fund (SIRF)

The Self Insured Retention Fund is used to account for all expenses related to general liability and workers compensation case claim payments as well as related insurance premiums paid for stop loss coverage which is currently \$750,000. This Fund does not have its own dedicated revenue source and is funded by inter-fund transfers-in from other Village Funds.

The Health Insurance Fund is used to track and account for expenses related to the Village's health and life insurance benefits provided to eligible full time employees. Eligible employees receive a comprehensive health insurance benefit which includes either a PPO or HMO option chosen by each employee and a prescription drug benefit as well.

In addition, the Village provides eligible employees with a flat \$50,000 life insurance benefit at no cost and employees may purchase at their own expense additional coverage above this amount.

Finally, with a certain limited exception, dental insurance is available and offered to employees at an employee's own expense.

The largest expense in this Fund is related to health insurance coverage. The Village is self-insured and uses Blue Cross/Blue Shield to administer its plans. Actual health insurance claims are paid out of this fund and budgeted as expense while corresponding revenues are budgeted from Village contributions, employee payroll contributions, and pensioner/COBRA contributions.

The Debt Service Fund accounts for all principal and interest payments made on bond issues which are not dedicated to Special Revenue or Enterprise Funds. Detailed schedules by bond issue are provided within this budget document.

Debt Service Fund

Fund Summary

The Debt Service Fund accounts for the general debt of the Village. Debt is also paid directly by the Village's Enterprise Funds if the proceeds were used for expenses in one of those Funds.

Annual Debt payments are primarily funded through a portion of the Village's property tax levy.

Health Insurance Fund

Fund Summary

The Human Resources Department develops, supports, and administers an employee benefits program that is cost effective while also considered by employees as having value in terms of their total compensation from the Village. Specific benefits provided include:

- Health insurance in the form of two Blue Cross/Blue Shield PPOs and HMOs
- An insurance opt-out program for employees covered under a spouse's health insurance plan
- A prescription drug plan with a three-tier co-pay (\$10, \$30 and \$50)
- Village paid basic life and accidental death and dismemberment insurance
- Outsourced S-125 Plan administration for reimbursement of qualified expenses
- Reimbursement for qualified transportation expenses

The Human Resources Department relies on assistance from an insurance broker to provide the most cost-effective benefit plans and options to its employees.

Self-Insured Retention Fund

Fund Summary

The Self Insured Retention Fund exists to fund the payment of liability judgments and settlements, workers compensation settlements, payments, attorney fees and related costs necessary to the defense of those cases.

In recent years, staff has been reviewing various options as they pertain to how the Village insures itself. While maintaining a self-insured status of \$750,000, the Village Board is continually seeking alternatives such as joining an intergovernmental insurance pool in order to reduce costs.

Fiduciary Funds

Pursuant to State of Illinois Compiled Statutes (ILCS), the Village maintains an independent pension board for both the Police and Firefighters' Pensions. The function of these boards is to serve in a fiduciary manner and diligently invest pension assets according to the limitations provided within their respective pension code sections of the ILCS.

On an annual basis, the Village levies a fixed amount which is adopted with its General Fund levy in December of each year. Each pension fund then collects the distributions from its levy and may use the proceeds to either invest and/or pay pensioner benefits. Investments and expenses in the pension funds are not managed by Village staff but are rather handled by the elected or appointed members on each pension board. As such, the Village has limited control over the expenses and investment results in these funds.

The Village does at a minimum adopt the recommended levy based on an annual valuation performed by a qualified, credential, and independent actuary hired by the Village. The Village Board may levy an amount which equals the recommended actuarial amount or increase it at its discretion to reduce unfunded pension liabilities. At a pension board's discretion, it may too hire its own actuary to provide an actuarial valuation and recommend the annual Village levy amount as the employer contribution into the pension fund.

Glossary of Terms

Accrual Basis: A basis of accounting in which transactions are recognized at the time they are incurred not necessarily at the time they are received. For example, a parking ticket issued (once in final determination) in December, it becomes a receivable to the Village under the accrual basis of accounting. This is different than the cash basis where all activity is recorded only when money changes hands.

Adopted Budget: The revenue and expenditure plan for the Village for the fiscal year, as reviewed and approved by the Village Board.

Appropriation: An authorization by the Village Board to expend monies and incur obligations for a specific purpose. The adopted budget is the Village's appropriation of fiscal resources for the specific fiscal year.

Assets: Property and equipment owned by the Village which has monetary value.

Audit: A review of the Village's accounts by an independent accounting firm to verify that the Village's financial statements accurately reflect the Village's financial position. In Oak Park's case, the Village also includes additional information that results in the document to be classified a Comprehensive Annual Financial Report.

Bond: A written promise to pay a specified sum of money, called the face value of principal amount, at a specified date or dates in the future, called the maturity date(s), together with periodic interest at a specified rate.

Budget: A financial plan consisting of an estimate of proposed expenditures and their purposes for a given period, and the proposed means of financing.

Budget Amendment: An adjustment made to the budget during the fiscal year, by the Village Board, to properly account for unanticipated changes in revenues and/or expenditures and for program initiatives occurring during the fiscal year.

Capital Improvement: A permanent major addition to the Village's real property assets, including the design, construction or purchase of land, buildings or facilities, or major renovations of same. These include installation of re-paved streets, storm drains, water and sewer lines, and other public facilities.

Capital Improvement Budget: A financial plan of proposed capital improvement projects and the means of financing them for a given period of time.

Capital Outlay: Expenditures relating to the purchase of equipment, facility modifications, land and other fixed assets.

Contingency: Funds set aside for unanticipated expenditure requirements, new programs, or to absorb unexpected revenue losses.

Debt Service: Payment of interest and principal on an obligation resulting from the issuance of bonds, notes or certificates of indebtedness. There are different types of debt instruments issued by the Village with the most common being General Obligation (GO) debt.

Also included is cash, assets, investments and accounts receivable against outstanding liabilities, such as accounts payable and outstanding contracts.

Deficit: (1) the excess of an entity's liabilities over its assets; (2) the excess of expenditures over revenues during a single accounting period (e.g., a fiscal year).

Department: A major unit of organization in the Village, comprised of sub-units named divisions. i.e. Police; Fire; Public Works

Division - A group of related tasks to provide a specific benefit to either the general public or the Village organization. A division is a sub-organizational unit of the department.

Encumbrance: Obligations in the form of purchase orders or contracts, which are to be met from an appropriation and for which a part of the appropriation is reserved so that a line-item is not overspent.

Enterprise Fund: A fund established to account for the total costs of those governmental facilities and services which are operated in a manner similar to private businesses. These programs are predominately self-supporting from user fees. i.e. Water; Sewer; Parking.

Equalized Assessed Valuation: The taxable value placed upon a property in the Village by the Cook County Assessor. The cumulative total of value is a basis for the calculation of the tax levy.

Expenditure: Amounts paid for all purposes, including expense provisions for retirement of debt and capital outlay.

Financial Plan: A major section of the budget which contains the statement of estimated expenditures, revenues and balances for each major fund.

Fiscal Year: A 12-month period of time to which the annual budget applies. For the Village of Oak Park, the fiscal year begins on January 1st and ends on December 31st.

Fixed Asset: A fixed asset is tangible in nature and has a useful life of more than one year. A fixed asset will be capitalized if it meets the previous criteria and has a value of \$10,000 or greater.

Fringe Benefits: Various non-wage compensations provided to [employees](#) in addition to their normal [wages](#) or [salaries](#) or paid on their behalf. For example, the employer paid portion of health insurance premiums, federal wage taxes, etc.

Full-Time Equivalent (FTE): A part-time position converted to the decimal equivalent of a full-time position, usually based on either 1,950 or 2,080 hours per year. A full-time position that is funded for the year is equal to 1.0 FTE.

Fund: A fiscal entity with revenues and expenditures which are segregated for the purpose of carrying out a specific purpose or activity.

Fund Balance: The fund equity of governmental funds and trust funds at a particular point of time, usually the end of a fiscal year. The Fund Balance is usually presented on a net accrual basis.

Generally Accepted Accounting Principles (GAAP): Uniform minimum standards for financial accounting and recording, encompassing the conventions, rules, and procedures that define accepted accounting principles.

General Fund: The Village's principal operating fund which is supported by taxes and fees which can be used for any legal government purpose. It accounts for resources devoted to financing the general services which the Village provides its citizens. In Oak Park, the General Fund funds a majority of Public Safety, Administration, Economic Development, Health and Public Works functions other than enterprise activities.

General Fund Full-Time Equivalents (FTE's): The positions that are 100% funded by the Village's General Fund

General Obligation (GO) Debt: Debt issued by the Village backed by the full-faith and credit of the government.

Grants: Contributions or gifts of cash or other assets from another governmental entity or organization to be used or expended for a specific purpose or activity. As policy, the Village tracks grants in individual funds for transparent reporting.

Infrastructure: The basic physical framework or foundation of the Village, referring to its buildings, roads, sidewalks, water system and sewer system.

Inter-fund Transfer: The transfer of asset revenue from one fund to another to either pay for that fund's proportionate share of expenses incurred or for some other corporate purpose.

Internal Service Fund: A fund used to account for the financing of goods and services provided by one department or fund to other departments or funds within the Village.

Modified Accrual Basis of Accounting: For all governmental funds and agency funds under which revenues are recorded when they become measurable and available. Expenditures are recorded when the liability is incurred, except for interest on general long-term obligations, which are recorded when due.

Non-Operating Budget: Costs that do not relate to any one department but represent costs of a general Village-wide nature, such as debt service and appropriated reserve.

Ordinance: A law set forth by a governmental authority; a municipal law established by the Village Board.

Operating Budget: Annual appropriation of funds for ongoing program costs, including personal services, fringe benefits, materials and supplies, capital outlay, and debt service.

Personal Services: Salary and wages of Village employees inclusive of overtime.

Performance Management: The M.A.P. program, as it is known in Oak Park, stands for Measure, Analyze, Perform and includes activities which ensure that organizational goals are consistently being met in an effective and efficient manner. Performance management can focus on the performance of an organization, a department, employee, or even the processes to build a product or service, as well as many other areas.

It is also known as a process by which organizations align their resources, systems and employees to strategic objectives and priorities.

Program Budget: Budget that presents all related expenditures associated with the completion of a particular function or process. i.e. Oak Park's budget reflects the expenditures (personnel, fringe benefits and associated costs for materials and supplies) in providing Police services for patrol and resident beat officers separately.

Property Tax: Revenue received by the Village that is collected by Cook County based on an established rate and then calculated against the equalized assessed valuation of property.

Recommended Budget: The Village Manager presents a recommended budget to the Board and Finance Committee each year. Once the Board has had opportunity to review and edit as it sees fit, the document evolves into the Adopted Budget.

Revenues: Sources of the Village's monetary resources, such as income from taxes, licenses, permits, fines and fees.

Resources: Total amounts available for appropriation during the fiscal year, including revenues, fund transfers and beginning fund balances.

Revenue Bonds: Bonds issued to construct capital facilities, repaid from revenue produced by the operation of those facilities. i.e. water rates assist in the payment of the debt service for the water revenue bonds the Village has issued in the past.

Special Service Area: A specially established district contained within the Village that is levied an additional special tax for the financing of improvements or services that benefit only the properties in that area. i.e. Special Service Area 6 funded additional streetscape improvements in the Oak Park/Eisenhower business district. Those property owners pay an additional tax for reimbursement to the Village for those improvements.

Tax Increment Finance (TIF) District: A Tax Increment Finance (TIF) District is a legally defined area that allows for the capture of property tax receipts above a base amount, usually the amount collected just before the district is created. This incremental property tax collected is then earmarked for economic development projects within the district.

Total Department Full Time Equivalent (FTE's): While many Village departments are solely funded with General Fund resources, a number of departments have staff members that are funded with non-General Fund resources. This summary identifies total number of department FTE's, by their supporting fund.

Turnover: Position turnover is an expenditure discount that reflects the difference between the Village's budgeted personnel costs and its anticipated cost savings from personnel events that occur throughout the year. Personnel events that contribute to position turnover discount include resignations, retirements, terminations, etc. While the Village budgets for all costs related to salaries, benefits and anticipated merit increases, the Village historically experiences budgetary savings in these areas.

Unreserved Fund Balance: Unreserved fund balance represents the equation of assets less liabilities and any other commitments on a given date. It also represents the accumulation of revenues in excess of expenditures over time.

Village of Oak Park Pension Summary

Qualifying Village employees participate in one of the following three pension plans, depending on the position:

- 1) Illinois Municipal Retirement Fund (IMRF)
- 2) Police Pension
- 3) Firefighters' Pension

All three plans are governed under the Illinois Compiled Statutes. Both the Police and Firefighters' pensions are considered single -employer plans, while IMRF is structured as an agent multiple-employer plan. The single employer plans for eligible sworn public safety employees are independently managed by Village's Police and Fire Pension Plan Boards while IMRF is managed by a separate organization not connected to the Village.

Employee contributions into each plan are set by State statute and summarized as follow:

- 1) IMRF 4.5% of pensionable salary
- 2) Police 9.91% of pensionable salary
- 3) Fire 9.455% of pensionable salary

IMRF determines the employer contributions on an annual basis and in recent years it approximated 14%. The Village contributions for the public safety pensions are determined by an independent actuarial valuation and the Village typically levies the recommended actuarial amount which is then directly distributed to each pension plan from the Cook County's Treasurer's Office.

Pension plan funding ratios for last five years are summarized below:

	Actuarial Value <u>Assets</u>	Actuarial Accrued <u>Liability</u>	Funding <u>Ratio</u>	Notes
Police Pension 12/31/11	69,560,813	116,975,968	59.5%
