

**VILLAGE OF OAK PARK**

**BID NO: 21-135 PUBLIC WORKS**  
**PROJECT NAME: 2021 EMERGENCY FIBER OPTIC CABLE REPAIR RATES**  
**DATE ISSUED: 8/18/2021**

---

**REQUEST FOR BIDS**

The Village of Oak Park will receive bids for Emergency Fiber Optic Cable Repairs Rates at the Public Works Service Center, Monday through Friday, 7:30 a.m. to 4:00 p.m., at 201 South Boulevard, Oak Park, Illinois 60302. Bids will be accepted until 4:00 p.m. local time, September 1st, 2021. Bids can also be faxed to the Department of Public Works at (708) 358-5711 or emailed to Scott Brinkman, Street and Street Lighting Superintendent: [sbrinkman@oak-park.us](mailto:sbrinkman@oak-park.us)

Bidders must submit their bid on the form included in this Request for Bids.

The Village of Oak Park is asking for bids for the repair of damaged fiber optic cables. Since the locations and conditions will vary, the Village is looking for more of a 'time & material' bid that would be good for the 2021 year.

Upon formal award to the successful Bidder, a Purchase Order will be issued to secure this purchase and the Bidder will enter into an agreement with the Village. (See attached Independent Contractor Agreement).

The Village of Oak Park as a municipality pays neither Federal Excise Tax nor Illinois Retailers Occupational Tax, and therefore these taxes should be excluded from quotations.

In responding to this Request for Bids, the official logo of the Village of Oak Park is not to be used in any form. Use of the Village logo is strictly prohibited by law and such use could subject the Bidder to disqualification.

The bid will be awarded in whole or in part to the responsible Bidder or Bidders whose bids, conforming to the Request for Bids, will be most advantageous to the Village; price and other factors considered.

The Board of Trustees reserves the right to accept or reject any and all bids or to waive technicalities, or to accept any item of any bid. Additional information is available at the Public Works Service Center 2nd floor office, Village of Oak Park, Illinois 60302, telephone (708) 358-5700, Attention Scott Brinkman, Streets and Street Lighting Superintendent, email-[sbrinkman@oak-park.us](mailto:sbrinkman@oak-park.us).

II
