In early 2021 the Public Works Center was identified as the location for Village sponsored Drive-through Clinic for COVID-19 vaccines. Facility improvements were necessary to provide the necessary infrastructure to manage these events and protect the necessary staff and supplies. Electrical work was needed to provide the necessary light, power, and security for staff and vaccines. Funds must be transferred to the Public Works Property Repair fund to replace funds used for that project and cover other necessary repairs at the end of fiscal year 2021.

Explanation Below

On March 22, 2021 the Village Manager approved a purchase price agreement with Elmhurst-Chicago Stone Company to supply Redi Mix Concrete for street restoration in 2021. There have been many restorations this year due to an increase of service upgrade requests, sewer collapses and main breaks. We expect this to continue. Therefore, we will need to amend our agreement with Elmhurst-Chicago Stone Company from \$15,000.00 to \$20,000.00. In order to achieve this, it is necessary for a Budget Amendment to transfer the \$5,000 needed for this amendment from the Water and Sewer Operational Supplies account no 5040-43750-781-560631 to the Water and Sewer Roadway Maintenance account no. 5040-43730-777-560633.
