**Reference: Request for One (1) Year Extension of On-Call Engineering Services Contract**

Dear Mr. McKenna,

TranSystems is requesting an extension to the Master Agreement for our On-Call Engineering Services Contract. The current Master Agreement expired on September 21, 2024.

TranSystems is requesting a one (1) year extension to the current contract to continue providing on-call engineering services to the Village through September 21, 2025. This one-year extension would be under the same terms and conditions as the original Master Agreement.

Attached please find our current Hourly Rate Schedule by Classification on file with IDOT, which will be utilized for 2025. Future requests for task order services will utilize these rates to develop the associated cost proposals.

Thank you for the opportunity to submit this request for an extension to our On-Call Engineering Services Contract. We look forward to providing another year of engineering services to the Village. If you have any questions, please feel free to contact me at (847) 354-5732 (cell) or [lgbeugnet@transystems.com](mailto:lgbeugnet@transystems.com).

Sincerely,

A handwritten signature in black ink that reads "L Beugnet". The signature is fluid and cursive.
