Agenda Item Title

A Resolution Approving an Independent Contractor Agreement with H&H Electric Co. for 2023 Emergency Street Lighting and Traffic Control Repairs in an Amount Not to Exceed \$45,000.00 and Authorizing Its Execution

Overview

The Public Works Department typically makes in-house repairs and upgrades to the street lighting and traffic signal systems. When in-house staff is unavailable or lack the necessary equipment to perform emergency repairs or upgrades, an outside contractor is utilized to do the work. H&H has perform this work for the Village in the past.

Recommendation

Approve the Resolution.

Background

The Public Works Department Street Lighting Division staff typically makes in-house repairs to the street lighting and traffic signal systems. When in-house staff is unavailable or lacks the necessary equipment to perform emergency repairs or improvements, an outside contractor is needed to do the work. Typical examples of such repairs are streetlight and/or traffic signal pole knockdowns due to vehicular accidents, underground electrical cable failures due to contractors hitting and breaking the lines and, if the budget allows, assisting the Department on street and alley light outages.

Pricing for these services for 2023 was requested from area electrical contractors. The Request for Bids was also posted on the Village Web Site. The Street Lighting Division received two bids in response. To avoid delays we have utilized an approved list of contractors at their proposed hourly rates. Public Works practice is to call out the contractor with the lowest pricing first, but also taking into consideration their ability to respond and expertise in different areas of work. After looking over the bids from each respondent, both contractors have been selected to enter into independent contractor agreements with the Village: H & H Electric Co. (\$45,000.00), and Lyons Electric Company, Inc. (\$25,000.00). The Village has a long history of working with these contractors and has been very satisfied with their work.

Fiscal Impact

The Fiscal Year 2023 General Fund, Street Lighting budget provides \$80,000.00 for Emergency Street Lighting and Traffic Control Repairs for 2023 in the General Contractuals account no. 1001-43720-101-530667. Staff propose allocate \$45,000.00 towards this agreement.

Such obligation shall not be construed to negate, abridge or otherwise reduce any other right to indemnity which the Village and its officers, officials, employees, volunteers and agents would otherwise have. The Contractor shall similarly protect, indemnify and hold and save harmless, the Village and its officers, officials, employees, volunteers and agents against and from any and all claims, costs, causes, actions and expenses, including, but not limited to, legal fees incurred by reason of the Contractor's breach of any of its obligations under, or the Contractor's default of, any provisions of this Contract. Scope of Work

The Village is seeking Bids from qualified contractors for emergency street lighting and traffic control repair. Particular emphasis will be placed on high standards of quality and professionalism including: timely responses to request for service, site and traffic management, and competent and efficient repairs.

In the event of an emergency, the Village will notify the contractor of the repair required. The Contractor will provide the Village with a written estimate of the time and materials needed, with an estimate of cost, to make the repair. If acceptable, the Village will then provide written notice to proceed to the Contractor. The Contractor must then begin the repair work within 24 hours unless agreed otherwise by the Village. Final costs will be based on the actual time and materials required to make the repair. See detailed specifications below for further details on repairs.

Responsibility of Contractor

The selected contractor shall furnish all labor, supervision, tools, equipment, materials and supplies, and other means necessary for performing and completing the work, including debris hauling, and shall obtain and pay for any required permits.

Extent of Services

It is expected that the contractor will provide emergency street lighting and traffic control repair services from seven (7) days after the notice to proceed through December 31, 2023. This would include emergency response during overnight hours and weekend. The Village reserves the right to award the contract to the lowest responsible bidder.

Work of this nature shall be carried out only to the extent of bringing the condition under control. The Village shall be notified immediately. A Change in the Scope of Work will then be negotiated and executed for the work performed, and for work remaining, if any.

- **Minor Changes (Field Orders):** The Village may verbally authorize minor changes in the Scope of Work in order to prevent a delay in the progression of the work. These field orders may not involve a change in the agreement price or be inconsistent with the Scope of Work.

1. Promptly repair or replace the defective work, without expense to the Village, including costs associated with repairing any damage to property caused by the replacement work; or;
2. If the Village deems it unacceptable to have the Contractor correct work which has been incorrectly done, a deduction from the agreement price shall be made based on the costs to the Village to have the work repaired. Such a deduction from the agreement price shall in no way affect the Village's other remedies or relieve the Contractor from responsibility for defects and related damage occurring as a result of defective or unacceptable work.

Bidder's Representative

The bidder shall have at all times a competent foreman or superintendent on the job that shall have full authority to act for the bidder, and to receive and execute orders from the Village Manager or appointed representative. Time of Work

Bidder may be asked to perform work at any hour of the day or night including during weekends and holidays. Bidder is expected to respond promptly to calls for service. The scope and scale of the emergency will dictate the timing of emergency response.

Dispute Resolution

All disputes, including collection disputes, shall be brought in the Circuit Court of Cook County, Illinois. This agreement shall be interpreted in accordance with the laws of the State of Illinois. INDEPENDENT CONTRACTOR AGREEMENT

THIS INDEPENDENT CONTRACTOR AGREEMENT (hereinafter referred to as the "Contract" or "Agreement") is entered into on the ___ day of _____, 20___, by and between the Village of Oak Park, an Illinois home rule municipal corporation (hereinafter referred to as the "Village"), and _____, an _____ corporation/limited liability company (hereinafter referred to as the "Contractor").

WHEREAS, Contractor submitted a Proposal dated _____, _____, a copy of which is attached hereto and incorporated herein by reference, to provide _____ (hereinafter referred to as the "Work") for the _____ (hereinafter referred to as the "Project") pursuant to the Village's Request for Proposals dated _____, 20___, incorporated herein by reference as though fully set forth; and

WHEREAS, the Contractor represented in said Proposal that it has the necessary personnel, experience, and competence to promptly complete the Project and the Work required hereunder (hereinafter referred to as the "Work"); and

The above recitals are incorporated herein as though fully set forth.

2. SCOPE OF WORK

Contractor shall perform the Work for the Project in accordance with its Proposal for a price not to exceed \$_____ plus \$_____ contingency for unforeseen

conditions for a total cost of \$_____ ("Contract Price"). Contractor shall complete the Work in accordance with any applicable manufacturers' warranties and in accordance with its Proposal, the Village's Request for Proposals, and this Contract, all of

which together shall constitute the "Contract Documents." The Contractor acknowledges that it has inspected the site(s) where the Work is to be performed and

that it is fully familiar with all of the conditions at the site(s), and further that its Proposal has adequately taken into consideration all of the conditions at the sites. The Contractor hereby represents and warrants that it has the skill and experience necessary to complete the Work in a good and workmanlike manner in accordance with the Contract Documents, and that the Work shall be free from defects.

Contractor shall achieve completion of all work required pursuant to the Contract Documents by _____, 20__ ("Contract Time"). The Contract Time is of the essence. In the event the Contractor fails to complete the Project on or before said date, the Village shall be entitled to liquidated damages in the amount of \$500.00 per day for each day the Project remains uncompleted beyond the completion date set forth above. This amount is not a penalty, and the parties agree to said amount given the difficulties associated with determining or calculating damages to the Village in the event the Project is not completed on time. Contractor shall have no claim for damages, for compensation in excess of the Contract Price, or for a delay or extension of the Contract Time based upon conditions found at, or in the vicinity of, the site(s).

3. DESIGNATED REPRESENTATIVES

Contractor shall designate in writing a person to act as its designated representative with respect to the Work to be performed under this Contract who shall have the power and authority to make or grant or do all things, certificates, requests, demands, approvals, consents, notices and other actions required that are ministerial in nature or described in this Agreement for and on behalf of Contractor and with the effect of binding Contractor. Contractor shall have the right to change its designated representative by providing the Village with written notice of such change which notice shall be sent in accordance with Section 12 of this Agreement.

Contractor is entitled to rely on the full power and authority of the person executing this Agreement on behalf of the Village as having been properly and legally given by the Village. The Village shall have the right to change its authorized representative by providing Contractor with written notice of such change which notice shall be sent in accordance with Section 12 of this Agreement.

4. TERM OF CONTRACT

Contractor shall perform the Work pursuant to this Contract beginning on the effective date as defined herein and ending on the date that the Work is completed as determined by the Village. The Contractor shall invoice the Village for the Work provided pursuant to this Contract at the rates set forth in its Proposal. The Village of Oak Park has the right to renew the contract on an annual basis for two (2) optional one-year terms (January 1 to December 31).

5. PAYMENT SCHEDULE

Contractor shall, as a condition precedent to its right to receive any payment, submit to the Village an application for payment and such receipts, vouchers, and other documents as may be necessary to establish the Contractor's payment for all labor and material and the absence of any interest whether in the nature of a lien or otherwise of any party in any property, work, or fund with respect to the Work performed hereunder. Such documents shall include, where relevant, the following forms, copies of which are attached hereto:

- (i) Contractor's sworn statement;
- (ii) Contractor's partial or final waiver of lien;
- (iii) Subcontractor's sworn statement(s); and
- (iv) Subcontractor's partial or final waiver of lien.

Payment by the Village shall be conditioned upon an inspection by the Village of the Work completed and submission of required waivers by the Contractor. Payment by the Village shall in no way constitute a waiver of, or relieve the Contractor from, any defects in the work. All payments shall be made in accordance with the Illinois Local Government Prompt Payment Act, 50 ILCS 505/1 *et seq.* Final payment for any Work performed by the Contractor pursuant to an invoice by Contractor shall be made by the Village to the Contractor when Contractor has fully performed the work and the work has been approved by the Village and submission of required waivers and paperwork by Contractor. Approval of the work and issuance of the final payment by the Village shall not constitute a waiver of, or release Contractor from, any defects in the work.

The Village shall have the right to withhold from any payment due hereunder such amount as may reasonably appear necessary to compensate the Village for any actual or prospective loss due to Work which is defective or does not conform to the Contract Documents; damage for which Contractor is liable hereunder; liens or claims of liens; claims of third parties, subcontractors, or material men; or any failure of the Contractor to perform any of its obligations under this Contract. The Village may apply any money withheld or due Contractor hereunder to reimburse itself for any and all costs, expenses, losses, damages, liabilities, suits, judgments, awards, and attorney's fees incurred, suffered, or sustained by the Village and chargeable to Contractor.

6. TERMINATION

Such obligation shall not be construed to negate, abridge or otherwise reduce any other right to indemnity which the Village and its officers, officials, employees, volunteers and agents would otherwise have. The Contractor shall similarly protect, indemnify and hold and save harmless, the Village and its officers, officials, employees, volunteers and agents against and from any and all claims, costs, causes, actions and expenses, including, but not limited to, legal fees incurred by reason of the Contractor's breach of any of its obligations under, or the Contractor's default of, any provisions of this Contract. Contractor shall be solely liable for paying the difference between prevailing wages and any wages actually received by laborers, workmen and/or mechanics engaged in the Work for the Project.

The indemnification obligations of this section on the part of Contractor shall survive the termination or expiration of this Agreement. In any such claim, complaint or action against the Indemnified Parties, Contractor shall, at its own expense, appear, defend and pay all charges of reasonable attorney's fees and all reasonable costs and other reasonable expenses arising therefrom or incurred in connection therewith, and, if any judgment or award shall be rendered against the Indemnified Parties in any such action, Contractor shall at its own expense, satisfy and discharge such judgment or award.

Contractor shall provide said certified payroll records within seven (7) days upon the request of the Director of Public Works.

27. EQUAL OPPORTUNITY EMPLOYER

Contractor is an equal opportunity employer and the requirements of 44 Ill. Adm. Code 750 APPENDIX A and Chapter 13 ("Human Rights") of the Oak Park Village Code are incorporated herein by reference.

The Contractor shall not discriminate against any employee or applicant for employment because of race, sex, gender identity, gender expression, color, religion, ancestry, national origin, veteran status, sexual orientation, age, marital status, familial status, source of income, disability, housing status, military discharge status, or order of protection status or physical or mental disabilities that do not impair ability to work, and further that it will examine all job classifications to determine if minority persons or women are underutilized and will take appropriate affirmative action to rectify any such underutilization.
