Re: Village of Oak Park Tree Watering Contract

Dear Mr. Sproule:

We would gladly accept the renewal for the 2015 Tree Watering contract. Based on the CPI increase of 1.8% our hourly rate will increase to \$40.72/hour for the 2015 season. We appreciate the working relationship we have with the village and look forward to the years ahead.

Sincerely,

A handwritten signature in black ink, appearing to read "Joe Juricic".
