V. STATEMENT OF WORK TO BE PERFORMED

The Village of Oak Park, Illinois (Pop. 54,583) seeks to develop a comprehensive Economic Vitality Strategic Plan. Located just nine miles west of downtown Chicago, the Village offers a distinctive urban/suburban lifestyle in a thriving, multi-cultural community. Well-known for progressive values, tree-lined streets, and bustling business districts, Oak Park serves as an ideal place to live, work and play. As a longstanding community of choice, the Village benefits from convenient access to local and regional transit, high quality public schools, and arts and cultural attractions including Frank Lloyd Wright's home and studio and his acclaimed Unity Temple, which was recently designated as a UNESCO World Heritage Site.

The people who live, work and play in Oak Park have a strong sense of community. Intentionally and proudly diverse in race, religion, ethnicity, age, income level and lifestyle, Oak Park is committed to diversity, equity and inclusion principles that welcome, respect and encourage the contributions of all of its community members. With a tradition of citizen involvement and an accessible, supportive local government, the Village invites active participation in decisions that affect community members' lives, families and way of life. Bounded on the east and north by the City of Chicago, on the west by River Forest and Forest Park and on the south by Cicero and Berwyn, Oak Parkers know that all of our lives are interconnected and collaboration and cooperation are necessary to advance our community's aspirations. Qualified respondents should exemplify the Village Organization's core values of community, connection, service and respect.

The Plan must be designed to meet the individual and specific needs of the Village. The development of the plan is to be divided into eight (8) steps:

Step 1. Economic Vitality Conditions Analysis – This assessment is to be performed as a means to establish a quantifiable baseline of the Village's historic and current economic vitality. The selected firm will conduct a thorough review of all existing reports, plans, analyses, incentive programs, and other background materials, in addition to collecting and analyzing local and regional demographic trends, micro and macroeconomic profiles, multi-sector industry trends, and real estate market conditions.

The Economic Vitality Conditions Analysis is expected to (1) provide preliminary Strengths, Opportunities, Weaknesses, Threats/Challenges ("SWOT/C") analysis of the above and (2) provide preliminary recommendations for attraction and retention of consultant-identified industries exhibiting growth potential in Oak Park. Emphasis will be on opportunities to maximize revenue-producing activity, leverage existing local and regional sector clusters, support innovation, and facilitate the diversification and resiliency of the local economy.

Step 2. Data-Driven Prioritization of Development and Redevelopment Sites & Corridors – The prioritization of development and redevelopment sites should be strategically conducted to ensure the highest and best use of development and redevelopment

sites, efficient use of village funds, and effective allocation of potential incentive packages. The selected firm is encouraged to score corridors and sites based on unrealized market potential and identify leakage businesses that facilitate a “15-minute village” development model.

- Step 3. Public Engagement** – Public engagement will be an ongoing component of the Economic Vitality Strategic Plan’s development. The selected firm will facilitate diverse and inclusive client and key stakeholder forums and administer community surveys. Engagement with Minority and Women Business Enterprises (“M/WBE”) will be a critical component of this process. Discoveries stemming from public engagement efforts will be integrated with the finding of Steps 1 through 3 to establish a nuanced framework for the completion of Steps 5 through 7.
- Step 4. Strengths, Opportunities, Aspirations, and Results Analysis (or SOAR Analysis)** – Using the preliminary SWOT/C analysis developed in Step 1 as a baseline, the selected firm will perform a SOAR analysis that integrates the findings of Steps 1 through 4 and provides recommended strategies to leverage strengths, as well as considerations and mitigation strategies for identified weaknesses, opportunities, threats, and challenges. Public engagement will be a critical component of Step 6.
- Step 5. Policy & Incentive Considerations, Economic Vitality Best Practices, and Division Structure** – Using the framework established in Steps 1 through 5, the selected firm will provide recommended policy and incentive considerations customized to suit Oak Park’s unique community attributes and advance the Village’s economic vitality strategy. The selected firm will also provide recommended “best practices” to maintain a supportive business environment. Recommended best practices will include, but are not limited to, recommendations for structuring the Economic Vitality Division within the Development Services Department. Public engagement will be a critical component of Step 6.
- Step 6. Implementation Playbook** – The selected firm will develop an action-oriented Implementation Playbook. The Implementation Playbook will specify milestone dates for each goal, objective, and metric set forth in the Plan. Key to the ultimate implementation of the Plan, this playbook will serve to monitor whether department objectives are being met, thus providing a means by which the Village can measure its overall progress.
- Step 7. Adoption of Economic Vitality Strategic Plan** – Steps 1 through 7 will be compiled in a comprehensive final document. Upon

completion, the final document will be reviewed and discussed by the Village Board and be subjected to public comment. If adopted by resolution, it will serve as the Village's Economic Vitality Strategic Plan. The selected firm will assist in facilitating this process. The Economic Vitality Strategic Plan is intended to be a living document. The adopted plan must be regularly assessed and amended as needed.

II. SUPPORT TEAM

The selected contractor will be expected to work with individuals representing the Village's management and key staff.

The Village's acceptance of any of the Contractor's Services shall not relieve Contractor of its responsibility to subsequently correct any such errors or omissions, provided the Village notifies the Contractor thereof within one (1) year of completion of Contractor's Services.

10.3. The Contractor shall respond to the Village's notice of any errors and/or omissions within seven (7) days of written confirmation by the Contractor of the Village's notice. Failure to maintain the books, records and supporting documents required by this section shall establish a presumption in favor of the Village for recovery of any funds paid by the Village under this Agreement for which adequate books, records and supporting documentation are not available to support their purported disbursement. The Contractor shall make the Documents available for the Village’s review, inspection and audit during the entire term of this Agreement and three (3) years after completion of the Services as set forth herein and shall fully cooperate in responding to any information request pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/1 *et seq.* by providing any and all responsive documents to the Village.

Furthermore, should the Contractor request that the Village utilize a lawful exemption under FOIA in relation to any FOIA request thereby denying that request, the Contractor shall pay all costs connected therewith (such as reasonable attorney's and witness fees, filing fees, and any other expenses) to defend the denial of the request. The defense shall include, but not be limited to, challenged or appealed denials of FOIA requests to either the Illinois Attorney General or a court of competent jurisdiction. The Contractor shall defend, indemnify, and hold harmless the Village, and its officers, officials, employees, agents, and volunteers, and shall pay all costs connected therewith (such as reasonable attorney's and witness fees, filing fees and any other expenses) to defend any denial of a FOIA request by the Contractor's request to utilize a lawful exemption to the Village.

14.1. No failure of either party to exercise any power given to it hereunder or to insist upon strict compliance by the other party with its obligations hereunder, and no custom or practice of the parties at variance with the terms hereof, nor any payment under this agreement shall constitute a waiver of either party's right to demand exact compliance with the terms hereof.

14.2. This Agreement shall not prohibit the Contractor from providing services to any other public or private entity or person. In the event that the Contractor provides Services to a public or private entity or person, the Village, at its sole discretion, may determine that such Services conflict with a service to be provided to the Village by Contractor, and the Village may select another contractor to provide such Services as the Village deems appropriate.

15. THE VILLAGE'S REMEDIES.

The Village may require the Contractor, within such reasonable time as may be fixed by the Village, to complete or correct all or any part of the Services that are defective, damaged, flawed, unsuitable, nonconforming, or incomplete and to take any or all other action necessary to bring the Contractor and the Services into compliance with this Agreement;

15.1.2. The Village may accept the defective, damaged, flawed, unsuitable, nonconforming, incomplete, or dilatory Services or part thereof and make an equitable reduction;

15.1.4. The Village may withhold any payment from the Contractor, whether or not previously approved, or may recover from Contractor any and all costs, including attorneys' fees and administrative expenses, incurred by the Village as the result of any Event of Default or as a result of actions taken by the Village in response to any Event of Default; or

15.1.5. The Village may recover any damages suffered by the Village as a result of Contractor's Event of Default.

The Contractor hereby represents and certifies that Contractor is not barred from contracting with a unit of state or local government as a result of: (1) a delinquency in the payment of any tax administered by the Illinois Department of Revenue unless Contractor is contesting, in accordance with the procedures established by the appropriate revenue Act, its liability for the tax or the amount of the tax, as set forth in 65 ILCS 5/11-42.1-1; or (2) a violation of either Section 33E-3 or Section 33E-4 of Article 33E of the Criminal Code of 1961, 720 ILCS 5/33E-1 *et seq.* The Contractor hereby represents that the only persons, firms, or corporations interested in this Agreement are those disclosed to the Village prior to the execution of this Agreement, and that this Agreement is made without collusion with any other person, firm, or corporation.
