Department of Public Works
Administration Division
MEMORANDUM

February 13, 2022

TO: Kevin Jackson, Village Manager

FROM: Rob Sproule, Public Works Director

CC: Ken Crowley, Fleet Services Superintendent

RE: Village Manager Spending Authority: 2023 -6 Nissan Leaf Purchase

Per conversations with the Village Manager's Office on Wednesday, February 08, 2023 Fleet Services staff have negotiated and executed the purchase of six 2023 Nissan Leaf S vehicles from Gerald Nissan of North Aurora Illinois. These vehicles are now the scheduled replacements for administration vehicles that were approved as part of the 2022/2023 Fleet Replacement Fund.

The proposed replacement vehicles are a combination of 2022 vehicles that were canceled by the manufacturer's and 2023 vehicles scheduled for replacement. The previous avenues of purchases are currently unavailable. Due to the limited production numbers, the only vehicles available at this point and time are units that were cancelled by customers, or scarce, in stock vehicles, that currently available on the retail market.

Staff contacted multiple dealers requesting notification if and when vehicles matching the Village's specifications became available. Gerald Nissan of North Aurora notified Village Staff on Thursday, February 9th that they could acquire the vehicles matching the Village's specifications as well as deliver them. The vehicles are available and staff recommended the purchase based on a number of reasons including: staff were able to view, and test drive the actual vehicles, this will eliminate six ICE vehicles from the Village's fleet, there are no delivery fees associated with the purchase and there is a \$5400 commercial purchase rebate per vehicle from the manufacturer, possibly expiring at the end of February.

The purchase of these six in-stock 2023 Nissan Leaf S vehicles from Gerald Nissan of North Aurora cost are \$160,843.56. Funding in the amount of \$180,000.00 is provided in the Fiscal Year 2023 Fleet Vehicle Replacement Funds Account No. 3032.43900.101.570750 and 3032.43900.858.570750 for these units.

Based on the urgent need to replace certain vehicles, the market constraints, and the impracticability of convening a meeting of the Board of Trustees for the purchase of vehicles, staff requested the Village Manager grant authority to negotiate and execute the contract for the purchases of this vehicle.

On February 08, 2023, the Village Manager authorized the purchase of these vehicles pursuant to Resolution 22-225_C_101022 approved by the Village Board on October 10, 2022 granting the Village Manager authority to negotiate and execute contracts for the purchase of Fleet vehicles for the remainder of fiscal year 2022 in an amount not to exceed \$388,000.00 and waiving the Village's bid process for said purchases.

Staff are presenting a resolution to the Board approving this purchase at the March 06, 2023 Village Board Meeting.

If you have any questions regarding this matter, please let me know.

Subject: Six 2023 Nissan Leafs for Village Purchase

Kevin,

We have been offered the purchase of six 2023 Nissan Leafs through a Nissan municipal purchase program. We have been offered a \$5,400.00 municipal discount off the total cost of the vehicles, putting their purchase price at \$26,807.26 each with a total cost of \$160,843.56. The 2023 Fleet Replacement fund had scheduled for the replacement of five admin vehicles with a cost of \$36,000.00 each. There are sufficient funds for the purchase of these vehicles. Please provide your approval for us to move forward with this purchase. We will start working immediately to secure the vehicles. Please let me know if you have any questions.
