C. **WHEREAS**, among other powers and authority, the Village has the authority to expend funds for economic development that the Village deems necessary or desirable for the promotion of economic development within the Village, pursuant to Section 8-1-2.5 of the Illinois Municipal Code, 65 ILCS 5/8-1-2.5; and

D. **WHEREAS**, the Village is further authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1, et seq., as amended (the "**Act**"), to finance redevelopment in accordance with the conditions and requirements set forth in the TIF Act; and

Subject to Subsection 7.4B of this Agreement, the Village will pay the Village TIF Loan to Developer from the Net Incremental Property Taxes which exist on the date hereof in the TIF Fund. The Village intends to use TIF Funds to reimburse Developer for Redevelopment Project Costs which are qualified for payment under this Agreement and applicable law and pursuant to the procedures set forth in Section 7.10 below. The Developer shall notify the Village from time to time of all new property index numbers (PINs) as they are issued by the Cook County Clerk, it being understood that without such information the Village will be unable to calculate and determine the amount of Net Incremental Property Taxes.

Section 7.6 Reserved.

Section 7.7 Reserved.

Section 7.8 Reserved.

Section 7.9 Reserved.

Section 7.10 Reimbursement Authorization Procedures.

(a) The Village shall pay the Developer the Village TIF Loan pursuant to the terms of this Agreement. Within 30 days after the applicable and required submissions under this Section, the Village shall authorize the distribution of the applicable portion of the Village TIF Loan to

the Developer in accordance with the terms of this Agreement, upon satisfaction of the following conditions only with regard to the Eligible Costs:

(i) Developer has submitted to the Village's Treasurer a disbursement request on a form reasonably acceptable to the Village with respect to such portions.

(ii) Developer is not in material default under this Agreement after expiration of all applicable cure periods.

(iii) The Village has previously inspected and approved the Eligible Costs applicable to the request.

(b) As a prerequisite to the making of payments to the Developer, the Developer must certify to the Village the following:

(i) The Developer (or its successor or assign, if applicable) is duly organized and validly existing.

(ii) The Developer has the right, power and authority to submit the request for payment and to perform its obligations under the Agreement.

(iii) No Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default under this Agreement or an event of default under any financing agreement related to the acquisition of the Property.

(iv) The requested disbursement is for Redevelopment Project Costs which are qualified for payment under this Agreement and applicable law.

(v) None of the items for which payment is requested has already been paid.

(vi) That no lien exists against the Property except those that Developer, in good faith and based upon reasonable grounds, is contesting.

(c) The Developer shall, upon request by the Village, provide the Village with all documentation required to evidence the cost of the Eligible Costs such records to include, but not be limited to, transfer tax declarations, deeds, closing statements, purchase and sale contracts or amendments to purchase and sale contracts. The Village may require an audit of all evidence of the cost of Eligible Costs, such audit to be performed by an auditor selected by the Village in its sole discretion and at the Village's cost.

(d) It is understood that the Village TIF Loan as provided in Section 7.4 of this Agreement and the Sales Tax Rebate as defined in the Sales Tax Rebate Sharing Agreement together are the maximum amount the Village will be required to pay or otherwise reimburse to the Developer for the purchase of the Property and the operations of the Project. Subject to applicable cure periods and provisions and notices, it is further understood that the Village may reimburse itself out of the Sales Tax Rebate for any monies owed by the Developer. Unless otherwise cured, the Sales Tax Rebate will be reduced by the amount of any such reduction.

(e) The Village may use, in the amounts set forth herein, the Net Incremental Property Taxes to finance certain Redevelopment Project Costs (including the Developer's cost of capital). In addition, the Village may, in its discretion, issue general obligation or tax increment allocation bonds or other obligations, secured by lawful revenue sources (as the Village, in its discretion, may determine) pursuant to an ordinance at a later date the proceeds of which may be used to pay for the costs of the Redevelopment Project Costs or Village TIF Loan (including the Developer's cost of capital) not previously paid for from Net Incremental Property Taxes in order to reimburse the Village for the costs of Redevelopment Project Costs or to pay Developer in accordance with the terms hereof.

Section 7.11 No Private Payments.

The Village has represented to the Developer that payments from the Developer to the Village other than payments made by the Developer of taxes of general applicability may be deemed to be private payments under the Internal Revenue Code of 1986, as amended (the "Code"), and that any such payments may cause interest on any bonds of the Village issued to pay for the Eligible Costs and other financing instruments to be includible in the gross income of the owner thereof for federal income tax purposes. Accordingly, if any such bonds are issued on a tax-exempt basis, the Village will accept no payment from the Developer pursuant to any provision of this Redevelopment Agreement without, at the Village's sole expense, first obtaining the advice of Miller, Canfield, Paddock and Stone, P.L.C., Bond Counsel, or other such bond counsel as determined by the Village, that such payment will not impair the status of interest on such bonds or other financing instruments issued on a tax-exempt basis under the Code as not includible in the gross income of the owners thereof for federal income tax purposes.

Section 7.12 Taxes of General Applicability.

The Village further represents that security for such bonds and other financing instruments and payments of interest on such bonds and other financing instruments are limited to (a) taxes of general applicability, and (b) the amounts on deposit in the funds and accounts created under the ordinances authorizing the issuance of such bonds or other financing instruments. The Village recognizes that improper agreements with taxpayers may cause tax receipts to be classified as private payments under the Code. Accordingly, the Village covenants not to enter into or enforce any agreements with taxpayers, including, specifically the Developer, that would modify the obligations of such taxpayers under general law without an opinion of Bond Counsel, at the Village's sole expense, that such agreement or enforcement will not adversely affect the tax-exempt status of interest on such bonds or other financing instruments issued on a tax-exempt basis for federal income tax purposes. In the event that such bonds are issued on a tax-exempt basis, no provision of this Redevelopment Agreement or any agreement, written or oral, will be enforced for the benefit of the holders of such bonds or other financing instruments or in any way to increase revenues available to pay interest on such bonds or other financing instruments. The Village's obligations to pay the Village TIF Loan to the Developer and to otherwise comply with the terms of this Agreement are not subject to, conditioned or otherwise contingent upon any of the provisions in this Section or in Section 7.11 of this Agreement.

ARTICLE 8

Section 8.1 Developer's Development Obligations.

Developer shall have the obligations set forth in this Article Eight for the Project, all subject to the terms and conditions of this Agreement, including without limitation, the Village's financial commitments and compliance with the terms set forth in this Agreement.

Section 8.4 Timing of Developer's Obligations.

Subject to Uncontrollable Circumstances, Developer will complete the acquisition of the Property pursuant to the Project Schedule. The operations of the Project shall conform to all applicable federal, state and local laws, regulations and ordinances, including, but not limited to, zoning, subdivision and planned development codes, building codes, environmental laws (including any law relating to public health, safety and the environment and the amendments, regulations, orders, decrees, permits, licenses or deed restrictions now or hereafter promulgated thereafter), life safety codes, property maintenance codes and any other applicable codes and ordinances of the Village, or any of its rules or regulations or amendments thereto.

The Developer, on behalf of itself and its successors, assigns and Developer Affiliates, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Developer Affiliate operating on the Property (collectively, with the Developer, the “**Employers**” and individually an “**Employer**”) to agree, that for the term of this Agreement with respect to Developer and during the period of any other party’ s provision of services in connection with the occupation of the Property, as follows:

A. No Discrimination in Employment. No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, disability, sexual orientation, military discharge status, marital status, parental status or source of income. Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places on the job site, available to employees and applicants for employment, notices to be provided by the Village setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, disability, sexual orientation, military discharge status, marital status, parental status or source of income.

B. Training Opportunities. To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low-and moderate-income residents of the Village and preferably of the Redevelopment Area.

C. Compliance with Employment Laws. Each Employer shall comply with all federal, state and local equal opportunity employment Laws, statutes, rules and regulations, including but not limited to the Village’s Human Rights Ordinance, codified as Chapter 13 of the Village Code, the Cook County Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

D. Response to Village Inquiries. Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the Village, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

To the extent feasible, each Employer shall include the foregoing provisions of subparagraphs (A) through (D) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

F. Remedies for Violation of Employment Obligations. Failure to comply with the employment obligations described in Sections 8.10 and 8.11 shall be a basis for the Village to pursue remedies under the default provisions of this Agreement.

Section 8.11 No Discrimination in Sales or Lease.

The Developer shall not discriminate based upon race, color, religion, sex, national origin or ancestry, age, disability, marital status, parental status or sexual orientation in the sales, lease or rental, or in the use or occupancy of the Project or any improvements located or to be erected thereon, or any part thereof.

Section 8.12 Advertisements.

Developer will, in all solicitations or advertisements for employees placed by or on behalf of Developer, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.

ARTICLE 9

ADDITIONAL COVENANTS OF DEVELOPER

Section 9.1 Developer Existence.

Developer shall diligently pursue obtaining all required permits and Developer shall cause acquisition of the Property to be prosecuted and completed pursuant to the terms hereof with due diligence, in good faith and without delay, subject to Uncontrollable Circumstances and the other provisions of this Agreement.

Section 9.3 Further Assistance and Corrective Instruments.

The Village and Developer agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may be reasonably required for carrying out the intention of or facilitating the performance of this Agreement to the extent legally permitted and within the Village's and the Developer's sound legal discretion.

Section 9.5 Disclosure.

Concurrently with execution of this Agreement, Developer shall disclose to the Village the names, business addresses and ownership interests of all Persons with a controlling interest in the Developer, together with such reasonably requested supporting documentation. Developer further agrees to notify the Village throughout the term of this Agreement of the names, business addresses and ownership interests of any changes to such Persons. These materials shall be marked confidential and shall to the maximum extent permitted under applicable law, not be subject to public disclosure. The Village shall notify the Developer as soon as the Village receives a request for this information and agrees to consult with the Developer with regard to any possible disclosure.

ARTICLE 10

COVENANTS AND REPRESENTATIONS

Section 10.1 Village Benefits.

The Village is desirous of having the Property acquired and improved in order to service the needs of the Village and its residents, and the Project will increase employment opportunities in the Village, arrest decline in economic conditions existing in the Village, stimulate residential and commercial growth and stabilize the tax base of the Village, and, in furtherance thereof, the Village contemplates certain incentives and continuing economic incentives under the terms and conditions hereinafter set forth to assist in such.

Section 10.2 Need for Economic Assistance.

The parties hereto acknowledge, and the Developer represents and warrants, that it requires economic assistance from the Village as provided in this Agreement in order to

complete the Project, and that, but for said economic assistance, the completion of the Project would not be economically viable nor would the funds necessary for its commencement and completion be available.

Section 10.3 Reserved.

Section 10.4 Conditions Precedent to the Undertakings on the Part of the Village.

All undertakings on the part of the Village pursuant to this Agreement are subject to satisfaction of the following conditions by the Developer on or before the date of the Initial Payment provided for in Section 10.5 below, or as otherwise specifically hereinafter stated:

(a) The Developer shall have obtained final approvals relating to the Project, it being understood and agreed that the Village has the discretion established by law to approve all such work and the Village shall not be deemed to have caused a default hereunder or have any liability for its failure to obtain the necessary approvals.

(b) The Developer shall have obtained any other final approvals necessary from any other governmental unit or agency which has jurisdiction or authority over any portion of the acquisition of the Property.

(c) The Developer shall have certified to the Village that there exists no material default under this Agreement, beyond any applicable cure period set forth herein, or any agreement, guaranty, mortgage or any other document which the Developer has executed in connection with the Project, beyond any applicable cure period set forth therein, that affects or that may affect the Developer's ability to complete the Project, and that the Developer has not received any notice of any violation of any Village ordinances, rules and regulations, or of any applicable laws of the State of Illinois or the United States of America, and/or any agency or subdivision thereof, as well as any ordinances and resolutions of the Village pertaining to the Project which by their respective terms are to have been complied with prior to the completion of the Project.

(d) The Developer agrees that in the event there is an assignment that does not comply with the provisions of Section 19.20 of this Agreement, the Village shall have the right to declare an Event of Default under Article 17 of this Agreement.

(e) If a land trust or limited partnership shall become the owner of the Property, the sole beneficiaries of the Trust or the partners in the limited partnership shall have delivered to the land trustee or general partners as the case may be an irrevocable letter of direction indicating that any notice received by the land trustee or limited partnership which adversely impacts the Developer's title to or interest in the Property, including but not limited to any notice of failure to pay real estate taxes, notice of foreclosure or notice of mechanic's lien(s) on the Property, will be sent to the Village within three (3) business days following receipt thereof. Such letter of direction shall be irrevocable for so long as the Village is required to make payments under this Agreement. The Developer also agrees to send to the Village any such notice received by either of them within three (3) days of receipt.

Section 10.5 Payment Undertaking on the Part of the Village.

Upon satisfaction by the Developer of all the terms and conditions set forth in this Agreement, the Village hereby undertakes to make the payments set forth herein:

(a) Subject to the conditions set forth in Sections 7.10 and 10.4 above, the Developer shall notify the Village of a request for funds constituting the Sales Tax Rebate or Village TIF Loan.

(b) That the Developer shall have delivered to the Village no less than thirty (30) days prior to the initial payment (the “**Initial Payment**”) in accordance herein, and no less than thirty (30) days prior to each subsequent payment, a certificate dated within fifteen (15) days of receipt by the Village that all representations and warranties contained in Section 10.7 herein are true and correct. Provided, however, that once the Project has been completed and any aspects of the Project requiring Village approval have received such approval from the Village as finally completed, the certificate required hereunder need not contain a representation and warranty regarding matters covered in subparagraphs (g) and (h) of said Section 10.7.

(c) That the Village has received no notice from the Developer or from any other source that there exists any material default beyond the applicable cure period under any of the terms, conditions or provisions under any of the loan documents under which the Developer’s financing, if any, for the Project was obtained, that affects or that may affect the Developer’s ability to acquire the Property. The Developer shall provide the Village with any notices received throughout the term of this Agreement relating to the Property which may have an adverse impact on this Project, specifically including any notices regarding any tax or loan delinquencies. Provided, however, that if the Village receives evidence satisfactory to it that any such default has been cured, except as otherwise provided herein, the payments to the Developer required hereunder shall resume if all other requirements have been met.

In the event that the Developer fails to deliver to the Village any or all of the foregoing certifications within the time periods set forth herein, or otherwise violates any term or provision of this Agreement, then in such event, the Village shall have no obligation to make any payment to the Developer until such time as any such failure or violation is corrected to the reasonable satisfaction of the Village (except where this Agreement provides for forfeiture of any such payments), and all rights of the Developer to demand any current or future payment from the Village shall be deemed waived until such failure or violation is so corrected, and all other obligations on the part of the Village arising pursuant to this Agreement shall be deemed suspended and without any further force and effect unless and until such failure or violation is so corrected within the applicable cure period. Where this Agreement provides for forfeiture of any such payments, the Village may in that event cancel this Agreement immediately and permanently.

Notwithstanding any of the foregoing, or any other provision contained herein, if the Developer and/or Owner of the Property, if different than the Developer, fails in any year to timely pay any or all of the real estate taxes on the Property during the allotted time the Cook County Treasurer provides to pay said real estate taxes without penalties accruing (the “**Tax Bill Payment Deadline**”), the Village may, at its sole discretion, declare an Event of Default under

Article 17 of this Agreement. The Developer and/or Owner, if different than the Developer, shall provide evidence to the Village that such taxes were paid within sixty (60) days after the Tax Bill Payment Deadline. Notwithstanding the foregoing, the Developer shall have the right to contest in good faith the assessed valuation of the Property and the improvements thereon from time to time without affecting this Agreement.

Section 10.6 Undertakings on the Part of the Developer.

(a) The Developer shall commence acquisition of the Project in accordance with the Project Schedule, subject to Section 10.13, and shall not cause or permit the existence of any violation of Village ordinances, including but not limited to the Village's Building Code, Zoning Ordinance and Variation Ordinance, Fire Code, Sign Ordinance, Landscaping Ordinance, and any and all rules and regulations thereunder. The Developer shall have substantially completed the entire Project in accordance with the Project Schedule, subject to Section 10.13 of this Agreement, or by such later time as may be agreed by and between the Village and the Developer, with such substantial completion to be evidenced by 1) copies of all paid invoices for the portions of the Project to be financed by the Village and 2) all such inspections and approvals as may be required by the Village. If requested by the Developer, the Village shall provide to Developer a written statement confirming such substantial completion for the purposes of this Agreement.

(b) Prior to any Real Estate Closing, the Village shall disclose to the Developer any and all existing conditions on the Property that are not in compliance with applicable provisions of the Village's Building Code, Zoning Ordinance, Fire Code, Sign Ordinance, Landscaping Ordinance, or any and all other rules and regulations thereunder ("**Existing Violations**"). The Village agrees that the Developer shall in no way be responsible for any of the Existing Violations, even after the Property is conveyed to the Developer under this Agreement, provided that the Developer will be responsible for eliminating the Existing Violations at the various structures only at the time of the issuance by the Village of respective certificates of occupancy for those various portions of the Project or any particular building within the Property.

(c) The Developer shall comply with all of the requirements set forth in Sections 10.4 and 10.6 of this Agreement.

(d) The Developer shall require the title holder of record (if at any time different from the Developer) of the Property to give the Village notice regarding any forfeiture on the financing documents by the Developer for the financing of the Project or its subsequent purchase if an assignment is approved hereunder, and any tax and/or "scavenger" sales of the Property, or any portion thereof.

(e) The Developer covenants that it shall furnish or cause the tenants of any retail business to submit to the Village copies of the tenants' monthly and annual sales tax reports as filed with the Illinois Department of Revenue. The terms of this Section shall be incorporated in the leases for such retail business and shall survive the issuance of the Certificate of Completion. To the extent the documents submitted to the Village pursuant to this paragraph are not considered public documents pursuant to Illinois Freedom of Information Act or other laws, they

shall be deemed confidential and proprietary. This covenant shall survive the issuance of the Certificate of Completion.

(f) The Developer hereby covenants and agrees to promptly pay or cause to be paid as the same become due, any and all taxes and governmental charges of any kind that may at any time be lawfully finally assessed with respect to the Project and/or the Property.

(g) The Developer and the Village each represent to the other that it has not engaged the services of any finder or broker with respect to the purchase of any land related to the Project and that it is not liable for any real estate commissions, broker's fees, or finder's fees which may accrue by means of the acquisitions of any portion of the Property, and each agrees to hold the other harmless from such commissions or fees as are found to be due from the party making such representations.

(h) The Developer hereby represents and warrants that, as of the date of this Agreement, the estimated cost of the Project is anticipated to be as set forth in Exhibit 5.

Section 10.7 Representations and Warranties of the Developer.

(a) The Developer hereby represents and warrants that the Project requires economic assistance from the Village in order to complete the Project and, but for the economic assistance to be given by the Village as heretofore stated, the Project as contemplated would not be economically viable nor would the funds necessary for its completion be made available.

(b) The Developer hereby represents and warrants that at all times it shall comply with all applicable local zoning ordinances and regulations, all building and fire code regulations and all other applicable Village ordinances, resolutions and/or regulations.

(c) The Developer hereby represents and warrants that it shall comply with all applicable laws, rules and regulations of the State of Illinois, The County of Cook and the United States of America, and any and all agencies or subdivisions thereof.

(d) The Developer represents and warrants that it shall comply in all material respects with all terms, provisions and conditions, and that it shall not default or permit a continuing default under any document or agreement relating to the Project or the financing and development of the Project, including but not limited to this Agreement, and all agreements and documentation executed and delivered in connection with any financing or loans for the Project, a default under which would have a material adverse effect on the sales tax revenue generated thereby to the Village.

(e) The Developer hereby represents and warrants that it shall comply with all applicable Village ordinances concerning unlawful employment practices and consumer protection.

(f) The Developer hereby represents and warrants that it is an Illinois limited liability company in good standing under the laws of the State of Illinois.

Section 10.8 Reserved.

Section 10.9 Reserved.

Section 10.10 Reserved.

Section 10.11 Limitation of Liability.

No recourse under or upon any obligation, covenant or condition of Article Ten of this Agreement, or for any claim based thereon or otherwise related thereto, shall be had against the Village, or its officers, officials, agents and/or employees, in any amount in excess of any specific sum agreed by the Village to be paid to the Developer hereunder, subject to the terms and conditions set forth herein, and no liability, right or claim at law or in equity shall attach to, or shall be incurred by, the Village, or its officers, officials, agents and/or employees, in excess of such amounts and any and all such rights or claims of the Developer against the Village, or its officers, officials, agents and/or employees are hereby expressly waived and released as a condition of and as consideration for the execution of this Agreement by the Village.

Section 10.12 Curing Default.

In the event of any default under or violation of this Agreement, the party not in default or violation shall serve written notice upon the party or parties in default or violation, which notice shall be in writing and shall specify the particular violation or default. Except as otherwise provided herein with respect to forfeiture by the Developer of payments due hereunder, as set forth in Sections 10.5 and 10.8 hereof, the parties reserve the right to cure any violation of this Agreement or default hereunder within thirty (30) days following written notice of such default. Except as otherwise provided herein with respect to forfeiture by the Developer of payments due hereunder, if such default is so cured within said thirty (30) day period, all terms and conditions of this Agreement shall remain in full force and effect. If the parties cannot cure a default or violation hereof within said thirty (30) day period, then the other party shall grant a reasonable extension of the cure period, said extension not to exceed ninety (90) days, provided that the party in default or violation is diligently pursuing completion and/or cure and tenders proof of such diligence to the non-defaulting party upon request. The non-defaulting party may, at its sole discretion, grant such additional extensions beyond the aforementioned ninety (90) day extension period as may, in the sole discretion of the non-defaulting party, be reasonably necessary to cure said default. Notwithstanding anything herein to the contrary, the aforesaid time periods shall be extended pursuant to Section 10.13, if applicable.

Section 10.13 Uncontrollable Circumstance.

In the event that either party hereto is delayed, hindered or prevented in performing any act required hereunder by reason of an Uncontrollable Circumstance, the party so delayed, hindered or prevented shall, if reasonably practicable hereunder, be excused from performance only for the period of such delay, hindrance and/or prevention and shall immediately tender said performance upon the removal and/or reconciliation of said interference.

Section 13.1 Organization and Authorization.

Developer is an Illinois limited liability company duly organized and existing under the laws of the State of Illinois, and is authorized to and has the power to enter into, and by proper action has been duly authorized to execute, deliver and perform, this Agreement. Developer is solvent, able to pay its debts as they mature and financially able to perform all the terms of this Agreement. Section 13.2 Non-Conflict or Breach.

Neither the execution and delivery of this Agreement by Developer, the consummation of the transactions contemplated hereby by Developer, nor the fulfillment of or compliance with the terms and conditions of this Agreement by Developer conflicts with or will result in a breach of any of the terms, conditions or provisions of any offerings or disclosure statement made or to be made on behalf of Developer (with Developer's prior written approval), any organizational

documents, any restriction, agreement or instrument to which Developer or any of its partners or venturers is now a party or by which Developer or any of its partners or its venturers is bound, or constitutes a default under any of the foregoing, or results in the creation or imposition of any prohibited lien, charge or encumbrance whatsoever upon any of the assets or rights of Developer, any related party or any of its venturers under the terms of any instrument or agreement to which Developer, any related party or any of its partners or venturers is now a party or by which Developer, any related party or any of its venturers is bound.

ARTICLE 14

REPRESENTATIONS AND WARRANTIES OF THE VILLAGE

The Village represents, warrants and agrees as the basis for the undertakings on its part herein contained that:

Section 14.1 Organization and Authority.

The Village is a municipal corporation duly organized and validly existing under the law of the State of Illinois, is a home rule unit of government, and has all requisite corporate power and authority to enter into this Agreement.

Section 14.2 Authorization.

The execution, delivery and the performance of this Agreement and the consummation by the Village of the transactions provided for herein and the compliance with the provisions of this Agreement (i) have been duly authorized by all necessary corporate action on the part of the Village, (ii) require no other consents, approvals or authorizations on the part of the Village in connection with the Village's execution and delivery of this Agreement, and (iii) shall not, by lapse of time, giving of notice or otherwise result in any breach of any term, condition or provision of any indenture, agreement or other instrument to which the Village is subject.

Section 14.3 Litigation.

To the best of the Village's knowledge, there are no proceedings pending or threatened against or affecting the Village or the TIF District in any court or before any governmental authority which involves the possibility of materially or adversely affecting the ability of the Village to perform its obligations under this Agreement.

Section 14.4 Environmental.

The Village makes no warranties or representations regarding, nor does it indemnify the Developer with respect to, the existence or nonexistence on or in the vicinity of the Property or anywhere within the TIF District of any toxic or hazardous substances or wastes, pollutants or contaminants (including, without limitation, asbestos, urea formaldehyde, the group of organic compounds known as polychlorinated biphenyls, petroleum products including gasoline, fuel oil, crude oil and various constituents of such products, or any hazardous substance as defined in the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (“**CERCLA**”), 42 U.S.C. §§ 961-9657, as amended) (collectively, the “**Hazardous Substances**”). The foregoing disclaimer relates to any Hazardous Substance allegedly generated, treated, stored, released or disposed of, or otherwise placed, deposited in or located on or in the vicinity of the Property or within the TIF District, as well as any activity claimed to have been undertaken on or in the vicinity of the Property that would cause or contribute to causing (1) the Property to become a treatment, storage or disposal facility within the meaning of, or otherwise bring the Redevelopment Agreement within the ambit of, the Resource Conservation and Recovery Act of 1976 (“**RCRA**”), 42 U.S.C. §691 et. seq., or any similar state law or local ordinance, (2) a release or threatened release of toxic or hazardous wastes or substances, pollutants or contaminants, from the Property within the meaning of, or otherwise bring any Property within the ambit of, CERCLA, or any similar state law or local ordinance, or (3) the discharge of pollutants or effluents into any water source or system, the dredging or filling of any waters or the discharge into the air of any emissions, that would require a permit under the Federal Water Pollution Control Act, 33 U.S.C. §1251 et seq. or any similar state law or local ordinance. Further, the Village makes no warranties or representations regarding, nor does the Village indemnify the Developer with respect to, the existence or nonexistence on or in the vicinity of the Project or anywhere within the TIF District of any substances or conditions in or on the Property that may support a claim or cause of action under RCRA, CERCLA, or any other federal, state or local environmental statutes, regulations, ordinances or other environmental regulatory requirements. The Village makes no representations or warranties regarding the existence of any above ground or underground tanks in or about the Property, or whether any above or underground tanks have been located under, in or about the Property and have subsequently been removed or filled.

Section 14.5 Waiver of Certain Claims.

The Developer waives any claims against the Village, and its members and boards, for indemnification, contribution, reimbursement or other payments arising under federal, state and common law or relating to the environmental condition of the land comprising the Property.

Unless otherwise provided in this Article, each policy must contain a provision that the insurer will not cancel nor materially modify the policy without giving written notice to the insured and the Village at least thirty (30) days before the cancellation or modification becomes effective. Not less than fifteen (15) days prior to the expiration of any policy, the Developer, or its successor or assign, must renew the existing policy or replace the policy with another policy conforming to the provisions of this Article. In lieu of separate policies, the Developer or its successor or assign, may maintain a single policy, blanket or umbrella policies, or a combination thereof, having the coverage required herein.

ARTICLE 16

INDEMNIFICATION

The Developer releases from and covenants and agrees that the Village, its governing body members, officers, agents, including independent contractors, consultants and legal counsel, servants and employees thereof (hereinafter, for purposes of this Article, collectively the "**Indemnified Parties**") shall not be liable for and agrees to indemnify and hold harmless the Indemnified Parties against any loss, damage, claims, demands, suits, costs, expenses (including reasonable attorney's fees), actions or other proceedings whatsoever by any person or entity

whatsoever arising or purportedly arising from the actions or inactions of the Developer and its officers, employees, agents and/or contractors (or if other persons acting on its behalf or under its direction or control) under this Agreement, or the transactions contemplated hereby for the Project (“**Indemnified Claims**”); provided, however, that Developer’s indemnity under this Article shall be reduced to the extent the Indemnified Claims are caused, if at all, by the willful misconduct or gross negligence on the part of the Indemnified Parties or to the extent the Indemnified Claims are caused, if at all, by the Village’s failure to comply with any material requirement of this Agreement or other applicable law.

ARTICLE 17

EVENTS OF DEFAULT AND REMEDIES

Section 17.1 Developer Events of Default.

The following shall be Events of Default with respect to this Agreement:

(a) If any material representation made by Developer in this Agreement, or in any certificate, notice, demand or request made by a party hereto, in writing and delivered to the Village pursuant to or in connection with any of said documents, shall prove to be untrue or incorrect in any material respect as of the date made.

(b) Failure of the Developer to comply with any material covenant or obligation contained in this Agreement, or any other agreement, financing or otherwise, concerning the Project, the Property, or the existence, structure or financial condition of Developer.

(c) The entry of a decree or order for relief by a court having jurisdiction in the premises in respect of Developer in an involuntary case under the federal bankruptcy laws, as now or hereafter constituted, or any other applicable federal or state bankruptcy, insolvency or other similar law, or appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator (or similar official) of Developer for any substantial part of its Property, or ordering the winding-up or liquidation of its affairs and the continuance of any such decree or order unstayed and in effect for a period of sixty (60) consecutive days.

(d) The Developer: (i) becomes insolvent; or (ii) is unable, or admits in writing its inability to pay, its debts as they mature; or (iii) makes a general assignment for the benefit of creditors or to an agent authorized to liquidate any substantial amount of its or their property; or (iv) is adjudicated a bankrupt; or (v) files a petition in bankruptcy or to effect a plan or other arrangement with creditors; or (vi) files an answer to a creditor’s petition (admitting the material allegations thereof) for an adjudication of bankruptcy or to effect a plan or other arrangement with creditors; or (vii) applies to a court for the appointment of a receiver for any asset; or (viii) has a receiver or similar official appointed for any of its assets, or, if such receiver or similar official is appointed without the consent of the Developer and such appointment shall not be discharged within sixty (60) days after his appointment or the Developer has not bonded against such receivership or appointment; or (ix) a petition described in (v) is filed against the Developer and remains pending for a period of sixty (60) consecutive days, unless the same has been bonded, and as a result thereof, the Developer ceases to operate; or (x) files any lawsuit,

claim and/or legal, equitable or administrative action affecting the Village's ability to collect any such sales tax revenue hereunder.

(e) Failure to have funds to meet Developer's obligations.

(f) Developer abandons the Project on the Property. Abandonment shall be deemed to have occurred when retail sales stops on the Property for more than sixty (60) consecutive days for any reason other than: (i) Uncontrollable Circumstances, or (ii) work stoppage caused by an action or inaction of the Village that is not in compliance with the terms of this Agreement.

(g) Developer materially fails to comply with applicable governmental codes and regulations in relation to the maintenance of the Property as contemplated by this Agreement.

Section 17.2 Village Events of Default.

The following shall be Events of Default with respect to this Agreement:

(a) If any representation made by the Village in this Agreement, or in any certificate, notice, demand or request made by a Party hereto, in writing and delivered to Developer pursuant to or in connection with any of said documents, shall prove to be untrue or incorrect in any material respect as of the date made; provided, however, that such default shall constitute an Event of Default only if the Village does not remedy the default within sixty (60) days after written notice from Developer.

(b) Default by the Village in the performance or breach of any material covenant contained in this Agreement concerning the existence, structure or financial condition of the Village; provided, however, that such default or breach shall constitute an Event of Default only if the Village does not, within sixty (60) days after written notice from Developer, initiate and diligently pursue appropriate measures to remedy the default, or if the Village fails to cure such default within ninety (90) days of written notice of such default.

(c) Failure of the Village to comply with any of its obligations under this Agreement, including without limitation its obligations to make any payment to the Developer, including without limitation, the Village TIF Loan and the Sales Tax Rebate, as and when due, under this Agreement.

Section 17.3 Remedies for Default.

In the case of an Event of Default hereunder:

(a) The defaulting party shall, upon written notice (in accordance with the provisions of Section 19.3 of this Agreement) from the non-defaulting party, take immediate action to cure or remedy such Event of Default. If, in such case, any monetary Event of Default is not cured within thirty (30) days, or if in the case of a non-monetary Event of Default, action is not taken or not diligently pursued, or if action is taken and diligently pursued but such Event of Default or breach shall not be cured or remedied within a reasonable time, but in no event more than ninety (90) additional days after receipt of such notice, unless extended by mutual agreement, the non-defaulting party may institute such proceedings as may be necessary or desirable in its opinion to cure or remedy such default or breach, including, but not limited to, proceedings to compel specific performance of the defaulting party's obligations under this Agreement.

(b) In case the Village shall have proceeded to enforce its rights under this Agreement and such proceedings shall have been discontinued or abandoned for any reason, then, and in every such case, Developer and the Village shall be restored respectively to their several positions and rights hereunder, and all rights, remedies and powers of Developer and the Village shall continue as though no such proceedings had been taken.

(c) In the case of an Event of Default by Developer, and its failure to cure such default after due notice and within the time frames provided for in this Agreement, in addition to any other remedies at law or in equity, the Village may terminate this Agreement and upon such termination shall be relieved of its obligations under this Agreement, including but not limited to its obligations to accord Developer, "exclusive" developer status as set forth in Article Five, its obligation to pay any further incentive amounts to the Developer and its obligations to convey any land to Developer.

(d) In the case of an Event of Default by the Village and its failure to cure such default after due notice and within the time period provided for in this Agreement, in addition to any other remedies at law or in equity, the Developer may terminate this Agreement and upon such termination shall be relieved of its obligations under this Agreement.

(e) In the case of an Event of Default by the Developer occurring prior to the Developer's purchase of the Property, the Village agrees that it shall have no remedy of specific performance to force the Developer to acquire the Property.

Section 17.4 Third-Party Litigation; Reimbursement of Village for Legal and Other Fees and Expenses

Subject to the limitations on the Developer's hold harmless and indemnification obligations set forth in Article 16 of this Agreement, in the event that any third party or parties institutes any legal proceedings against the Village, and related to the terms of this Agreement, then, in that event, the Developer shall indemnify and hold harmless the Village from any and all such proceedings. Further, the Developer, upon receiving notice from the Village of such legal proceedings, shall assume, fully and vigorously, the entire defense of such lawsuit or proceedings and any and all costs and expenses of whatever nature relating thereto; provided, however, that the Developer may not at any time settle or compromise such proceedings without advance written notice to the Village. If such settlement or compromise involves any admission of wrongdoing on the part of the Village, or any liability imposed on the Village, monetary or

otherwise, then the Developer shall be required to obtain the Village's consent to such settlement or compromise in advance.

In any such litigation, if Illinois Rules of Professional Conduct prohibit the Village and the Developer from being represented by the same counsel or if the positions of the Village and the Developer in such litigation will necessarily be in conflict, then the Village shall have the option of being represented by its own legal counsel. In the event that the Village exercises such option, then the Developer shall reimburse the Village from time to time on written demand from the Village President and notice of the amount due for any and all reasonable out-of-pocket costs and expenses, including but not limited to court costs, reasonable attorneys' fees, witnesses' fees and/or other litigation expenses incurred by the Village in connection therewith.

Section 17.5 No Waiver by Delay or Otherwise.

Any delay by either Party in instituting or prosecuting any actions or proceedings or otherwise asserting its rights under this Agreement shall not operate to act as a waiver of such rights or to deprive it of or limit such rights in any way (it being the intent of this provision that neither Party should be deprived of or limited in the exercise of the remedies provided in this Agreement because of concepts of waiver, laches or otherwise); nor shall any waiver in fact made with respect to any specific Event of Default be considered or treated as a waiver of the rights by the waiving Party of any future Event of Default hereunder, except to the extent specifically waived in writing. No waiver made with respect to the performance, nor the manner or time thereof, of any obligation or any condition under the Agreement shall be considered a waiver of any rights except if expressly waived in writing.

Section 17.6 Rights and Remedies Cumulative.

The rights and remedies of the Parties to this Agreement, whether provided by law or by this Agreement, shall be cumulative, and the exercise of any one or more of such remedies shall not preclude the exercise by such Party, at that time or different times, of any other such remedies for the same Event of Default.

If the Village terminates this Agreement pursuant to this Section 19.2, to the extent it is then appropriate, the Village, at its option, may also terminate its duties, obligation and liability under all or any related documents and agreements provided. Section 19.4 Time of the Essence.

Time is of the essence of this Agreement.

Section 19.5 Integration.

Except as otherwise expressly provided herein, this Agreement supersedes all prior agreements, negotiations and discussions relative to the subject matter hereof and is a full integration of the agreement of the Parties.

Section 19.6 Counterparts.

This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same Agreement.

Section 19.7 Recordation of Agreement.

The Parties agree to record this Agreement, executed by the then current owners of the Property in the appropriate land or governmental records. Developer shall pay the recording charges.

Section 19.8 Severability.

If any provision of this Agreement, or any Section, sentence, clause, phrase or word, or the application thereof, in any circumstance, is held to be invalid, the remainder of this Agreement shall be construed as if such invalid part were never included herein, and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

Section 19.9 Choice of Law, Venue and Waiver of Trial By Jury.

This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois. Venue for any legal proceeding of any kind arising from this Agreement shall be in the Circuit Court of Cook County, Illinois. The Parties hereto waive trial by jury in any action, proceeding or counterclaim brought by either of the Parties against the other on any matters whatsoever arising out of or in any way connected with this Agreement, or for the enforcement of any remedy.

Section 19.10 Entire Contract and Amendments.

This Agreement (together with the Exhibits attached hereto) is the entire contract between the Village and Developer relating to the subject matter hereof, supersedes all prior and contemporaneous negotiations, understandings and agreements, written or oral, between the Village and Developer (specifically including but not limited to the Oak Park Economic Development Corporation correspondence dated January 15, 2015 approved by the Village on February 2, 2015), and may not be modified or amended except by a written instrument executed by the Parties hereto, unless otherwise provided in this Agreement.

Section 19.11 Third Parties.

Nothing in this Agreement, whether expressed or implied, is intended to confer any rights or remedies under or by reason of this Agreement on any other person other than the Village and Developer or permitted assign, nor is anything in this Agreement intended to relieve or discharge the obligation or liability of any third persons to either the Village or Developer, nor shall any provision give any third parties any rights of subrogation or action over or against either the Village or Developer. This Agreement is not intended to and does not create any third party beneficiary rights whatsoever, except as specifically provided otherwise herein.

Section 19.12 Waiver.

Any Party to this Agreement may elect to waive any right or remedy it may enjoy hereunder, provided that no such waiver shall be deemed to exist unless such waiver is in writing. No such waiver shall obligate the waiver of any other right or remedy hereunder, or shall be deemed to constitute a waiver of other rights and remedies provided pursuant to this Agreement.

Section 19.13 Cooperation and Further Assurances.

The Village and Developer each covenant and agree that each will do, execute, acknowledge and deliver or cause to be done, executed and delivered, such agreements,

instruments and documents supplemental hereto and such further acts, instruments, pledges and transfers as may be reasonably required for the better clarifying, assuring, mortgaging, conveying, transferring, pledging, assigning and confirming unto the Village or Developer or other appropriate persons all and singular the rights, property and revenues covenanted, agreed, conveyed, assigned, transferred and pledged under or in respect of this Agreement.

Section 19.14 Successors in Interest.

At any time, the Developer may assign its rights or obligations under this Agreement for the purpose of obtaining financing for the Project or any portion thereof, or to any entity in which the Developer owns a controlling interest. Developer may not otherwise assign its rights or obligations under this Agreement to any other person or entity without prior written consent of the Village pursuant to Section 19.20 of this Agreement.

Section 19.15 No Joint Venture, Agency or Partnership Created.

Nothing in this Agreement, or any actions of the Parties to this Agreement, shall be construed by the Parties or any third person to create the relationship of a partnership, agency or joint venture between or among such Parties.

Section 19.16 No Personal Liability of Officials of Village or Developer.

No covenant or agreement contained in this Agreement shall be deemed to be the covenant or agreement of the Corporate Authorities, Village Manager, any elected official, officer, partner, member, director, agent, employee or attorney of the Village or Developer, in his or her individual capacity, and no elected official, officer, partner, member, director, agent, employee or attorney of the Village or Developer shall be liable personally under this Agreement or be subject to any personal liability or accountability by reason of or in connection with or arising out of the execution, delivery and performance of this Agreement, or any failure in that connection, other than set forth in Exhibit 6 hereof.

Section 19.17 Repealer.

To the extent that any ordinance, resolution, rule, order or provision of the Village's code of ordinances, or any part thereof, is in conflict with the provisions of this Agreement, the provisions of this Agreement shall be controlling, to the extent lawful.

Section 19.18 Term.

The provisions of this Agreement shall run with and bind the Property and shall inure to the benefit of, be enforceable by, and obligate the Village, Developer, and any of their respective, grantees, successors, assigns, and transferees, including all successor legal or beneficial owners of all or any portion of the Property commencing with the Effective Date and expiring upon the expiration of the Loan Term (the "Term"). The expiration of the Term will not affect the Parties respective obligations under the Sales Tax Rebate Sharing Agreement.

Section 19.19 Estoppel Certificates.

Each of the Parties hereto agrees to provide the other, upon not less than ten (10) business days prior request, a certificate (“**Estoppel Certificate**”) certifying that this Agreement is in full force and effect (unless such is not the case, in which such Parties shall specify the basis for such claim), that the requesting Party is not in default of any term, provision or condition of this Agreement beyond any applicable notice and cure provision (or specifying each such claimed default) and certifying such other matters reasonably requested by the requesting Party. If either Party fails to comply with this provision within the time limit specified, it shall be deemed to have appointed the other as its attorney-in-fact for execution of same on its behalf as to that specific request only.

Section 19.20 Nature, Survival and Transfer of Obligations.

A. Successors and Transferees. During the Term of this Agreement and to assure that all grantees, successors, assigns, and transferees of Developer and all successor owners of all or any portion of the Property (except for the conveyance by the Developer to the Village of the Public Property) have notice of this Agreement and the obligations created by it, Developer shall:

- (i) Deposit with the Village Clerk, concurrent with the Village’s approval of this Agreement, any consents or other documents necessary to authorize the Village to record this Agreement in the office of the Cook County Recorder of Deeds;
- (ii) Notify the Village in writing at least 30 days prior to any date on which Developer transfers a legal or beneficial interest in any portion of the Property to a third party (except for the conveyance by the Developer to the Village of the Public Property); and
- (iii) Require, prior to the transfer of all or any portion of the Property (except for the conveyance by the Developer to the Village of the Public Property), or any legal or equitable interest therein, to any third party, the transferee of said portion or interest in the Property to execute an enforceable written agreement agreeing to be bound by the provisions of this Agreement (“**Transferee Assumption Agreement**”) and to provide the Village, upon request, with such reasonable assurance of the financial ability of the transferee to meet those obligations as the Village may require. The Village agrees that upon a successor becoming bound to the obligation created in the manner provided in this Agreement and providing the financial assurances required pursuant to this Agreement, the liability of Developer shall be released to the extent of the transferee’s assumption of the liability. The failure of Developer to provide the Village with a copy of a Transferee Assumption Agreement fully executed by the transferee and, if requested by the Village, with the transferee’s proposed assurances of financial

capability before completing any transfer, shall result in Developer remaining fully liable for all of its obligations under this Agreement but shall not relieve the transferee of its liability for all such obligations as a successor to Developer.

B. Transfer Defined. For purposes of this Agreement, the term “transfer” shall be deemed to include any assignment, sale, transfer to a receiver or to a trustee in bankruptcy, transfer in trust, or other disposition of the Property (except for the conveyance by the Developer to the Village of the Public Property), or any beneficial interest in the Property, in whole or in part, by voluntary or involuntary sale, foreclosure, merger, sale and leaseback, consolidation, or otherwise; provided, however, that notwithstanding anything to the contrary set forth in this Agreement, the term “transfer” shall not be deemed to include any assignment, sale, transfer, or any other disposition of the Property or the rights and obligations under this Agreement as or by Developer to (i) an entity owned or otherwise controlled by RRV Motorcars II, (iii) an entity jointly owned or otherwise controlled by Richard A. Fisher, or (iv) an institutional investor or lending partner that is providing capital to the Project for or on behalf of any of the entities described in this Agreement.

C. Mortgagees of Property. This Agreement shall be binding on all mortgagees of the Property or other secured parties automatically upon such mortgagee assuming title to the Property, in whole or in part, by a foreclosure or a deed in lieu of foreclosure without the necessity of entering into a Transferee Assumption Agreement. Until such time, however, a mortgagee or other secured party shall have no personal liability hereunder.

D. Term of this Agreement. Developer, its successors and assigns shall have no obligation in accordance with this Section subsequent to the expiration of the Term of this Agreement as set forth in Section 19.18 of this Agreement.

Section 19.21 Collateral Assignment.

In the event that any lender (“Lender”) is to succeed to Developer’s interest in the Property, or any portion thereof, and in conjunction with such succession accepts an assignment of Developer’s interest in this Agreement, the Village shall recognize such party as the successor in interest to Developer with respect to the Property or the portion acquired by such Lender. However, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if the Lender accepts an assignment of Developer’s interest under this Agreement, it automatically accepts not only the Developer’s rights hereunder but also all of Developer’s obligations hereunder. However, if such Lender does not expressly accept an assignment of Developer’s interest hereunder, such Lender shall be entitled to no rights and benefits under this Agreement. The foregoing (Lender’s lack of expressly accepting an assignment) shall apply whether the succession is by foreclosure or deed in lieu of foreclosure or any other remedy. Under all such circumstances, the Property may only be developed in accordance with this Agreement.

With respect to a mortgage to which the Village has not consented in writing, if that mortgagee or any other party shall succeed to Developer's interest in the Property or any portion of it and in conjunction with such succession accepts an assignment of Developer's interest in the Property, the Village shall not be obligated to recognize such party as the successor in interest to Developer under this Agreement. Unless and until the Village accepts, in writing, such Party as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement and the foregoing shall apply whether the succession is by foreclosure or deed in lieu of foreclosure or any other remedy. The exercise of any such remedy and the transfer of title to the Property or any portion of it to a mortgagee or any other party in connection with such exercise shall not be subject to the consent of the Village.

Neither Developer's making of a collateral assignment of its interest under this Agreement or the Sales Tax Rebate Sharing Agreement to a Lender, nor the exercise by a Lender of any of its remedies, shall constitute an acceptance by such Lender or any other party of such assignment. Such Lender or other party shall not be deemed to have accepted such assignment until such time as such Lender or other party has executed and delivered to the Village a written acceptance of such assignment. In the absence of such acceptance, such Lender or other party shall have no rights or benefits under this Agreement.

For so long as the Property is the subject of a TIF District, neither the Property nor any improvements on it may be collaterally assigned or otherwise encumbered for any purpose other than to finance the ownership and development of the Project pursuant to this Agreement.

If a default by Developer under this Agreement occurs and Developer does not cure it within the cure period that applies to Developer under this Agreement, then the Village shall promptly give the Lender, a notice of expiration of such cure period (the "**Cure Period Expiration Notice**"). The Lender shall have the right, but not the duty, to perform any obligation of Developer under this Agreement and to cure any default. Such Lender shall have thirty days after receipt of the Cure Period Expiration Notice to cure such default. However, with respect to any default by Developer, the cure of which requires the Lender to possess and control the Property, if such Lender undertakes, by written notice to the Village within thirty days after receipt of the Cure Period Expiration Notice, to exercise reasonable efforts to cure such default, such Lender's cure period shall continue for such additional time as may reasonably be required to obtain possession and control of the Property and thereafter cure the default within one hundred and twenty days. Such Lender may abandon exercise of its cure rights without liability to the Village or any other party provided it gives the Village express written notice that it is so abandoning exercise of its cure rights. The Village shall accept cure by such Lender in fulfillment of Developer's obligations, for the account of Developer and with the same force and effect as if performed by Developer.

It is understood and acknowledged that, irrespective of any Lender remedies, the Property may not be developed, redeveloped, completed or maintained except in accordance with this Agreement. This restriction shall attach to and run with the land whether or not a Lender or any other entity holding an interest in the Property accepts the assignment of this Agreement. Notwithstanding anything in this Agreement or any other document to the contrary and irrespective of the underlying zoning of the Property, it is the intent of the Parties that any successor in interest to Developer shall have only the development rights accorded by this

Agreement and any approvals or permits issued pursuant to it. Further, each and every covenant, dependent or independent, and each and every obligation of this Agreement shall encumber such development.

Moreover, if any such Lender, mortgagee or other party thereafter seeks to sell, transfer, assign, or otherwise dispose of the Property and/or the Project, any such sale, transfer, assignment or disposition shall be governed by the provisions of Section 19.20 above.

Dear Ladies and Gentlemen of the OPEDC:

I wrote a letter to Mr. John Hedges of the Executive Director of the OPEDC on November 30th, 2014 introducing myself and making the request for partnership with Oak Park by establishing The Autobarn Volvo of Oak Park, a Richard Fisher Dealership. Please find that letter reproduced here.

Dear Mr. Hedges:

First, thank you for taking the time to meet with Peter Hett and myself on this past Monday. Before I jump in to the reasons for my letter today, allow me to give a little background on myself.

I grew up in England, moving to Chicago by myself a few months before my 22nd birthday. Obsessed with cars almost since birth, I began selling cars at Scala/O'Brien Porsche/Audi/SAAB/Subaru. Nine months later I was recruited to the Patrick Dealer Group to sell SAABs - sparking a life-long love of Swedish Automobiles. My first General Manager's Position, starting in 1988 - was at Patrick Volvo in Schaumburg. My first success as a Dealership Operator came during the following two years at the Volvo store, and I formed a very strong bond with Volvo as a brand; since that time, I have always wanted to represent Volvo as a Dealer Principal. In May of 1990 I left Patrick to start my own company, The Autobarn Ltd. - I remain friendly to this day with the dealer principal of the Patrick Group and role model for me at that time - Hanley Dawson III.

Today I operate Volkswagen, Mazda, Nissan and Fiat Dealerships in Evanston Illinois, where I have been since 1992 - and since 2011, a Volkswagen Dealership in the City of Chicago on Irving Park Road. My ex-wife operates other dealerships started by me, with help from our son, Richard Jr: Volkswagen and Subaru in Countryside Illinois and Volkswagen in Mount Prospect Illinois.

I am as obsessed with cars as ever; my non-work time is spent racing cars or reading magazines about them. Whilst I am engaged in the car hobby (I'm restoring a 1967 Volvo Amazon Wagon currently), I am also engaged in the car business: my company retailed over 550 vehicles this month. We employ over 300 people, and unlike many automobile dealerships we have had long relationships with many of our employees; we are fortunate to have a great many good people working with us.

As I related to you when I met with you, the Volvo dealership in Oak Park is in a troubled state, and will doubtless be sold before it goes out of business. I have the desire to purchase it, and the ability and people with me to more than double its annual dollar volume in sales. The pricing involved to extricate the Scalzos from the business and from the Real Estate is, however, quite high.

The 'Pros' for the dealership, for me are:

- Location - Oak Park is a perfect audience for The Autobarn and for Volvo; the last time that I was approached by Mr. Scalzo (about 6-8 months ago) it was to purchase the real-estate only, as he intended at that time to move the Volvo franchise to Downers Grove. I would have no intention of moving the dealership; in fact I would agree - as part of any TIF Financing or Sales Tax sharing agreement that we ultimately enter into - that the dealership remain at its current location for 15 years. Further to this, having operated dealerships in Evanston for some 22 years with reasonable success - I feel that my company is uniquely qualified to operate the store successfully over the long haul whilst fulfilling a meaningful role in the Oak Park Community.

- The Marque: I know that Volvo has tremendous new products coming, and a long history of great, well-made cars. They have managed to retain their 'Swedishness' as a brand and as a car company, whilst channeling the substantial capital available from their Chinese ownership into great Research and Development.
- The Facility: Say what we will about the cramped operating quarters (the Usual Operating Condition of any Urban Dealership – I am very used to it) the dealership building itself is charming, attractive, and in great condition.
- The Market: Most Automobile Dealers like to have their stores near other Automobile stores, creating such automobile 'rows' as Golf Road in Schaumburg or 159th Street in Tinley Park, and would see being the lone dealership in a Village of 52,000 residents as a negative. I don't – I see it as a positive. I see it as an opportunity to function as part of the community, and to garner support from the community as the town's only car dealership. If the automobile dealer is willing to participate in the community, such a market condition can be extremely positive.

The 'Cons':

- Price: As stated earlier in this document, the price of admission is substantial. You and Annan asked a great question during our meeting; "What if we made no agreement with you? Would you still buy the dealership, or would they eventually just go out of business?" The answer for my part is no, I would not still buy the dealership in the absence of any kind of partnership with the Village – for a number of reasons. It is my belief that if I were to exit these negotiations unable to get to a workable place, then someone else would replace me who would do – if not exactly the same type of due diligence – then very similar. In any case, I believe that a scenario exists where a win/win can be achieved.
- Pre-Driven Storage/Prep: This is the number one problem here, and the number one reason that the existing dealer is failing and that subsequent dealers would fail. In order to operate a dealership like this properly, a pre-driven vehicle throughput of 60-75 per month must be achieved consistently. In order to do this, a standing, ready inventory of 140-150 pre-driven vehicles must be stocked (itself an investment of \$4.5 - 5M). A realistic prep area for detailing, dent-buster, bumper-spraying and high-quality photography could be a building as small as 7,500 sf with outside parking/ display for 90-100 vehicles. Mr. Scalzo has pointed out three separate pieces of property opposite the dealership which could be combined to achieve this successfully: a small body-shop (which he says is for sale), a building with a fenced-in lot (which he says that he had an agreement to purchase for \$170,000) and a portion of the cement yard (Mr Scalzo already rents a small piece and claims that the proprietor would like to sell some off...) If these pieces of property could be combined, an ideal, practical situation could be created here which would not only substantially beautify a rather blighted-looking stretch but which would create about 10-12 new jobs.
- New Car Storage: The Autobarn Volvo of Oak Park would become the largest retailer of New Volvos in the Chicagoland area. In order to do this, it is necessary to keep about 150 new cars in stock in a safe, orderly, accessible storage area. This is something that I am confident that we can find, and for the first few years, rent. Since meeting with you, I understand better the situation regarding Sales Tax sharing and Volvo of Oak Park. I understand that \$500,000 of the sales tax sharing agreement was 'paid forward', and the agreement then closed out – which, for that particular agreement would have taken \$50 million in sales (some years in the case of Volvo of Oak Park,) to earn. In respect of those facts, here is what I would propose:

1. \$1.5M in TIF as a forgivable loan with a 15 year repayment term. These funds would be used 50% toward the purchase & signage of the Volvo dealership building and 50% toward purchase and rehabilitation of other (Oak Park) Property for pre-owned storage/get-ready/display. We understand which parts of a project may be funded by TIF, and fully understand that all equipment etc, is our direct expense. The 15 –year term protects the municipality against the TIF recipient moving their business. We would agree to a clause that aside from the sales tax sharing agreement referenced in Item 2, we would not apply for any partnering of any kind from the Village in the future.

2. We would forego a Sales Tax Sharing Agreement until such time as we have completed \$50 million in gross sales. At such time we would receive an eight year agreement at 50% with no cap, including a clause that this will be the final partnering of any kind between our company and the Village.

I have a history of keeping my word in business, and a 100% Performance Record with regard to the commitments made in agreements with Municipalities with whom I've dealt in the past. I have completed several sales tax sharing agreements with the City of Countryside, and I look back on those projects with pride; I believe that they performed on all levels. Please feel free to call upon Gail Paul, who is the Director of Economic Development and City Administrator in Countryside to discuss the same. Her number is 708 473 1296, and her email address is gpaul@countryside-il.org.

As I've previously stated, I have been in business in Evanston since July 1992. We are Evanston's #1 Sales Tax Provider, ahead of such Big Box Operators as Home Depot, Target, Best Buy, Office Max etc. We did \$113 million in sales volume in 2013. I have completed one sales tax sharing agreement with Evanston and am currently in a TIF Agreement with them as well as two sales tax sharing agreements. I would be happy to furnish you with copies of those agreements this week. Further, should there be any positive reaction to this letter, I would be happy to prepare a full presentation for you regarding The Autobarn Volvo of Oak Park and our attendant requests for partnership. I am completely confident that we'll become – perennially – Oak Park's largest Sales Tax provider. I would like to stress how excited I would be to work with you and your Village.

Thanking you in advance for your attention,
Yours Sincerely,

Richard A. Fisher - President

Partnering with Oak Park: What we're requesting to help facilitate this CHANGE of ownership.

We met two days ago with John Hedges and Viktor Schrader at our dealership campus in Evanston. We discussed in great depth how our approach may lead to success at The Autobarn Volvo of Oak Park: how a focus on establishing and maintaining a consistent throughput of 60 to 70 pre-owned vehicles per month is absolutely vital to the long term survival of this business. We discussed our history of high performing pre-owned and certified pre-owned sales departments. We discussed the need to find and establish more pre-owned vehicle storage, display and get-ready facilities within Oak Park. We discussed the coming products from Volvo and the fact that based on at least two years of research that I believe that this manufacturer is on the cusp of a recovery. Most importantly, we discussed my belief in the unique 'fit' between myself, my organization, and the Village of Oak Park. Let me explain:

Many people discuss the similarities between the Evanston and Oak Park communities, referring to Oak Park as the "Evanston of the West" or Evanston as "Oak Park by the Lake". The fact is that the two communities have uniqueness, diversity, urban-ness, and similar cultural interests. Like Evanston, Oak Park has only one new car dealership remaining. Most new car dealers today would regard this as a distinct negative and would immediately think in terms of moving the franchise to a neighboring more

"obvious" locations such as Elmhurst or Westmont, lining up next to the other luxury dealerships. We think differently! We relish the fact that Volvo of Oak Park is the only dealership in this community - and based on our experience and success over the last 22 years in Evanston we feel that we are uniquely qualified to keep Volvo in Oak Park permanently. We will grow it into a vital and successful part of the community. We will become a resource that both the municipality and the residents of Oak Park can rely on.

We reviewed with Mr. Hedges previous projects that we have completed in Countryside and Evanston and visited a large TIF project that we have underway in Evanston. I expressed to them that my record of "Delivery On Promise" with the municipalities whom I have previously dealt stands at 100%. Further, we have a record of "staying where we are": the Evanston dealerships that we first established in 1992 are still there flourishing and growing. The Countryside dealerships started in 2000 are still there flourishing and growing. The Mount Prospect Volkswagen dealership opened by me in 1998 is still there flourishing and growing.

Although my letter requests Tax Increment Financing in the amount of \$1.5 million upon further research and reflection (more commitment on my part!) I believe that the purchase of the main dealership facility could be achieved with \$1 million of Tax Increment Financing. We should bear in mind that further properties near to the dealership will have to be purchased and re-habilitated by my company in the near future for pre-owned display and preparation. Off-site storage facilities for new vehicles will also need to be acquired or leased. Our request for Tax-Sharing remains unchanged from my initial letter: we would voluntarily complete \$50 million in sales for the Village of Oak Park before the start of any revenue sharing.

In closing, if we were to become the owners/managers of the Oak Park Volvo dealership, we commit to deliver over 750 pre-owned vehicles and over 400 new Volvos during 2015 - amounting to between \$35 and \$40 million in sales volume - an improvement over today's performance of about three-fold.

Very Truly Yours,

Richard A. Fisher
President

Volvo Plans New Compact Crossover and Sedan, Luxe 90-Series Models...

We know that the XC90 will spearhead the company's self-described rebirth, but we now know what the whole new product line will eventually include:

Volvo is planning on building nine core models over three key model lines: the 40-, 60-, and 90-series. Each group will consist of a sedan, a wagon, and an SUV/crossover. Today, Volvo's global lineup includes the non-U.S. compact V40 wagon; an S60 sedan, V60 wagon, and XC60 crossover; the larger S80 sedan, Euro-market V70 wagon, and XC70 off-road wagon; and finally, the new XC90.

The new information indicates that the S80 and V70—Volvo's aging "flagship" duo—will be replaced by a large-mid-size S90 with a V90 wagon counterpart previewed by the gorgeous Concept Estate. The 60-series rides will remain Volvo's mid-size offerings, while the 40-series line appears to regain an S40 sedan (which has been dead since 2012) and get an all-new XC40 compact crossover. All of these models, we're told, have the potential for global sale. Yes, that means the U.S., too.

All of the fresh models in the new 60- and 90-series family will utilize Volvo's Scalable Product Architecture (SPA), a shared modular platform that, days ago, made its debut under the 2016 XC90. All of the SPA-based cars will bow by 2017 or 2018, and the S90 should be the next major product launch. The 40 group will, by the end of the decade, have switched entirely onto Volvo's CMA architecture, a compact front-drive platform in co-development with the Swedes' Chinese Geely overlords.

So how does a lifetime of selling and servicing European (and more recently Asian) cars translate to our ability to be successful with Volvo...

- We talk about the car not just it's price. We train from day one, with enthusiasm and knowledge, the ability to have a genuinely comparative conversation about the various cars in a given segment. We believe fiercely in the power of the test-drive...of really driving the cars.
- We talk about the brand, its heritage, its meaning and its tradition. Not a difficult thing to do with Volvo given its rich history - but a fun and engaging task anyway.
- We have the appropriate marketing experience for a Euro brand. You will not see full-page newspaper ads or cable TV commercials shouting about \$5,000.00 discounts. What you will see is extensive use of Google ad words, social media, email and direct mail to our 57,000 strong customer database, superb graphics and.....lest we forget, some pretty tasteful radio ads which are just as likely to run on Pandora as on regular stations based on proper demographic awareness.
- We believe in choice, and the power of good inventory. We like to stock a lot of cars. I know that it's not necessarily fashionable, but big inventory/choice drives traffic.
- Strong Community Presence: We are the only car-dealership company in a town of nearly 80,000 people. We are active with Evanston Chamber of Commerce, Evanston Township High school and Young Evanston Artists (YEA). We will make the same type of commitments in Oak Park. See our detail page later in this document.
- We will hire and train people not necessary experienced in the car business but absolutely enthusiastic about cars, European cars and Volvo specifically.
- When it comes to sales and service management and parts and accessories marketing we have a proven core group of managers with strong documented processes who can quickly learn Volvo's language.

The Autobarn - our Customer

- The Village of Oak Park is surrounded by very affluent neighboring suburbs.
- The median household income within an 8 mile radius is \$70,000.00.
- The surrounding area is very dense in population.
- We will be the only auto dealership in Oak Park and will grow to retail over 125 vehicles per month.

- A multi-tier Internet Program using Search Engine Optimization, Pay-Per-Click and Geo-targeted messaging.
- With 3 brands and 4 dealerships our on-line presence penetrates many different customer demographic types widening our potential customer base.
- An established radio voice that over the past 20 years has developed into a brand staple.

18. Special assessments, if any, for work actually commenced or special assessments levied prior to the date of this Contract shall be paid by Seller no later than Closing. All special assessments levied after Closing shall be paid by Purchaser.

19. As of the closing date, Purchaser will not be obligated under any of Seller's maintenance, management, service or any other contract pertaining to the Real Estate.

~~improvements from adjoining land onto the Property or any part thereof which would materially~~ affect the use of the Property as a new and used motor vehicle sales and service facility or marketability of the Property, (vi) an access endorsement, and (vii) a PIN endorsement issued by Chicago Title Insurance Company bearing date on or subsequent to the date of the acceptance of this offer, in the amount of the purchase price subject to no other exceptions than those listed in this Contract, and copies of all recorded documents identified in the Commitment for Title Insurance. The cost for the Commitment for Title Insurance with extended coverage over general exceptions 1, 2, 3, 4 and 5 shall be paid for by the Seller. The cost for all other endorsements shall be split by the Seller and by Purchaser 50/50. The Commitment for Title Insurance furnished by Seller hereunder shall be conclusive evidence of title as therein shown. If evidence of title discloses other exceptions, Seller shall have ten (10) days from Seller's receipt of evidence of title to cure such exceptions and notify Purchaser accordingly, and as to those exceptions which may be removed at closing by payment of money, Seller shall have same removed at closing by using the proceeds of sale in payment thereof. If Seller is unable to remove such other exceptions, Purchaser, at its sole option, may terminate this Contract and all monies paid hereunder shall be returned to Purchaser.

21. Seller shall maintain the Property until the earlier of closing or occupancy of Purchaser in materially the same condition as of the date of acceptance of his Contract, except for ordinary wear and tear. If, prior to closing, the Property is damaged in an amount of not more than ten percent (10%) of the selling price, Seller shall be obligated to repair the Property and restore it to the same condition that it was on the day of this Contract. If the damage shall exceed such sum, Seller shall promptly notify Purchaser in writing of the damage and this Contract may be cancelled at the option of Purchaser. Should Purchaser elect to carry out this Contract despite such damage, Purchaser shall be entitled to the insurance proceeds relating to the damage to the Property, plus a credit towards the purchase price equal to the amount of Seller's deductible on such policy.

22. If, prior to Closing, the Property or any substantial portion thereof is taken by eminent domain, Seller will promptly notify Purchaser, and Purchaser will have the option of either (a) canceling this Agreement by delivery of written notice to Seller, whereupon the Title

~~Company will return to Purchaser the earnest money, and both parties will be relieved of all~~ further obligations under this Contract, or (b) proceeding with the Closing without reduction of the purchase price, whereupon (y) Purchaser will be entitled to (and Seller will assign without recourse or warranty to Purchaser all of Seller's interest in) all condemnation awards and settlements applicable to the Property and (z) Seller will be relieved of the obligation to deliver the portion(s) of the Property so taken. Purchaser will notify Seller of its election within fourteen (14) days of delivery of notice from Seller of such condemnation, and if Purchaser fails to do so, Purchaser will be deemed to have elected the remedies set forth in item (b) of this Section. For purposes of this subsection, a "substantial portion" of the Property means (x) reasonable access to the Property, (y) parking areas that would reduce the amount of parking to less than required by applicable zoning laws or (z) equal to or greater than ten percent (10%) of the gross number of square feet contained in the improvements on the Property.

Under the creation of such an escrow, anything herein to the contrary notwithstanding, payment of the purchase price and delivery of the deed shall be made through the escrow and this Contract and the earnest money shall be deposited in the escrow. All escrow fees shall be divided equally between Purchaser and Seller.

26. the party not exercising the right of exchange. Seller and Purchaser agree to cooperate with each
other in all respects as may be reasonable to complete the Exchange Transaction in accordance
with the requirements of the Code.

32. Purchaser and Seller hereby agree to make all disclosures and do all things necessary

LOAN COMMITMENT AND

UNCONDITIONAL AND CONTINUING GUARANTY

THIS UNCONDITIONAL AND CONTINUING GUARANTY (“**Guaranty**”) is jointly and severally made as of this 17th day of March, 2015 (“**Effective Date**”) by **RICHARD A. FISHER**, an individual, having an address of _____ (“**Guarantor**”) in favor of **VILLAGE OF OAK PARK**, an Illinois home rule municipal corporation (“**Village**”).

RECITALS

A. RRV Motorcars II, an Illinois limited liability company (“**Developer**”), intends to purchase real estate located at 1140 Garfield Street in the Village of Oak Park, Cook County, Illinois (“**Property**”) to continue operations of an auto dealership.

B. The Village and Developer have entered into a *Redevelopment Agreement* dated March 16, 2015 (“**Development Agreement**”), together with any and all amendments, modifications or supplements thereto, to govern the acquisition and continuing operation of the Property.

C. The Village has agreed to enter into and to perform under the terms of the Development Agreement, provided, among other things, that the Guarantor unequivocally and unconditionally guarantees the performance of the Guaranteed Obligations (hereinafter defined) as more fully set forth below.

D. Guarantor is the Managing Member of and has a financial interest in Developer and will accordingly derive substantial economic benefit from Developer entering into the Development Agreement with the Village.

NOW, THEREFORE, for TEN DOLLARS (\$10.00) and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, stipulating to the veracity of the recitals above and for the purpose of inducing the Village to enter into the Development Agreement with the Developer, Guarantor hereby agrees, covenants and warrants as follows:

Section 1 Recitals.

The above Recitals are hereby incorporated into this Guaranty as if fully set forth herein.

Section 2 Defined Terms.

In addition to the terms defined elsewhere in this Guaranty or in the Development Agreement, the following terms shall have the respective meanings set forth below:

(a) **"Affiliate"** means any Person directly or indirectly controlling or controlled by, or under direct or indirect common control with, another Person. A Person shall be deemed to control another Person for the purposes of this definition if such Person possesses, directly or indirectly, the power to direct, or cause the direction of, the management and policies of the other Person, whether through the ownership of voting securities, common directors, trustees or officers, by contract or otherwise; provided that, in any event for purposes of this definition, any Person that owns, directly or indirectly, 5% or more of the securities having the ordinary voting power for the election of directors or governing body of a corporation or 5% or more of the partnership, membership or other ownership interest of any other Person (other than as a limited partner of such other Person) will be deemed to control such corporation or other Person.

(b) **"Business Day"** means any day other than a Saturday, Sunday, public holiday or other day on which banking institutions in Chicago, Illinois, are generally closed and do not conduct banking business.

(c) **"Event of Default"** means the occurrence of any breach or default under: (i) the Development Agreement; (ii) any agreements, contracts or obligations entered into by the Developer or its Affiliate relating to the Property; or (iii) this Guaranty, which remains uncured following the expiration of any period of notice or grace applicable thereto under the pertinent agreement.

(d) **"Guaranteed Obligations"** means: (i) the payment when due, by acceleration or otherwise, of the Loan Obligation, as defined herein, the Developer or any Affiliate of the Developer to the Village, which may be or become payable in accordance with Development Agreement, but which may be reduced solely by the Obligation Limitation as provided in this Guaranty and in the Development Agreement, as well as the Developer's indemnity in accordance with Article 16 of the Development Agreement; (ii) all costs and expenses reasonably incurred by the Village in enforcing this Guaranty, including court costs and reasonable attorneys' fees which are regardless of any Obligation Limitation as provided herein and which shall not be limited by any Obligation Limitation. **"Loan Repayment Obligation"** means the amount of \$1,000,000, plus interest, which amount represent the Loan of funds from the Village's Special Tax Allocation Fund of the Harlem and Garfield Redevelopment Project Area to Developer or its Affiliates in accordance with the Development Agreement.

(e) **"Person"** means an individual, partnership, corporation, limited liability company, association, trust, unincorporated organization or any other entity or organization, including a government or agency or political subdivision thereof.

(f) **"Property"** means that certain real property, improvements and rights attendant thereto owned by Developer as more fully described in the Development Agreement.

Section 3 Guaranty of Payment.

This instrument is a guaranty of payment and performance, and not a guaranty of collection. Upon the occurrence of any Event of Default, the Village may proceed against the Guarantor to collect the Guaranteed Obligations, with or without proceeding against the Developer, any co-maker or co-surety or co-guarantor due or to become due, now existing or hereafter incurred, which may arise under, out of, or in connection with the Development Agreement. The sole and exclusive limitation to the Guaranteed Obligations is the reduction of the Repayment Obligation through forgiveness set forth in Section 7.1B of the Development Agreement (collectively "**Obligation Limitation**").

Section 4 Guaranty Unconditional.

Guarantor absolutely and unconditionally guarantees the prompt payment and performance when due of the Guaranteed Obligations. Guarantor undertakes this continuing, absolute, and unconditional guaranty of the aforementioned payment and performance by the Developer notwithstanding that any portion of the Guaranteed Obligations may be void, voidable or unenforceable as between the Developer and the Village. The obligations of the Guarantor shall be a guaranty of payment and performance and not of collection, irrespective of the validity, regularity or enforceability of the Development Agreement, or any provision thereof, the absence of any action to enforce the same, any waiver or consent with respect to or any amendment of any provision thereof (provided that any amendment of this Guaranty and any amendment to the Development Agreement shall be in accordance with the terms hereof and thereof, as applicable), the recovery of any judgment against any Person or action to enforce the same, any failure or delay in the enforcement of the obligations of the Developer under the Development Agreement, or any setoff, counterclaim, recoupment, limitation, defense or termination whether with or without notice to the Guarantor. The Guarantor hereby waives diligence, demand for payment, filing of claims with any court, any proceeding to enforce any provision of the Development Agreement, any right to require a proceeding first against the Developer, or against any other guarantor or other party providing collateral, or to exhaust any security for the performance of the obligations of the Developer, any protest, presentment, notice or demand whatsoever, and Guarantor hereby covenants that this Guaranty shall not be terminated, discharged or released except, subject to Section 3 hereof, upon final payment in full of all Indebtedness due and to become due from the Developer as and to the extent described above, and only to the extent of any such payment, performance and discharge.

Without limiting the generality of the foregoing, the obligations of the Guarantor under this Guaranty, and the rights of Village to enforce the same by proceedings, whether by action at law, suit in equity or otherwise, shall not be in any way affected to the extent permitted by applicable law, by (i) any insolvency, bankruptcy, liquidation, reorganization, readjustment, composition, dissolution, winding up or other proceeding involving or affecting the Developer, the Guarantor or any other person including any discharge of, or bar or stay against collecting, all or any of the Indebtedness in or as a result of any such proceeding; (ii) any change in the ownership of any of the ownership interests of Developer, the Guarantor, or any other, or any of their respective Affiliates; (iii) the election by Village, in any bankruptcy proceeding of any person, to apply or not apply Section 1111(b)(2) of the Bankruptcy Code; (iv) any extension of credit or the grant of any security interest or lien under Section 363 of the Bankruptcy Code;

(v) any agreement or stipulation with respect to the provision of adequate protection in any bankruptcy proceeding of any person; (vi) the avoidance of any security interest or lien in favor of Village for any reason; (vii) any action taken by Village that is authorized by this paragraph or any other provision of this Guaranty; or (viii) any other principle or provision of law, statutory or otherwise, which is or might be in conflict with the terms hereof.

Guarantor assumes the risk of keeping itself informed concerning the financial condition of the Developer and all other circumstances bearing upon the risk of performance by the Developer under the Development Agreement. The Guarantor hereby waives to the fullest extent possible under applicable law:

(a) any defense based upon the doctrine of marshaling of assets or upon an election of remedies by Village, including, without limitation, an election to proceed by non-judicial rather than judicial foreclosure;

(b) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal;

(c) any duty on the part of Village to disclose to Guarantor any facts Village may now or hereafter know about the Developer or the Property, regardless of whether Village has reason to believe that any such facts materially increase the risk beyond that which Guarantor intends to assume or has reason to believe that such facts are unknown to Guarantor or has a reasonable opportunity to communicate such facts to Guarantor, since Guarantor acknowledges that it is fully responsible for being and keeping informed of the financial condition of the Developer and of all circumstances bearing on the risk of non-payment of any Indebtedness hereby guaranteed;

(d) any claim for reimbursement, contribution, exoneration, indemnity or subrogation, or any other similar claim, which Guarantor may have or obtain against the Developer, by reason of the existence of this Guaranty, or by reason of the payment by Guarantor of any amounts owed to the Village or the performance of this Guaranty or the Development Agreement, unless and until the Development Agreement is fully performed. Any such claim at any time when the obligations of Guarantor under this Guaranty shall not have been fully and finally paid shall be held by Guarantor in trust for Village, segregated from other funds of Guarantor, and forthwith upon receipt by Guarantor shall be turned over to Village in the exact form received by Guarantor (duly endorsed to Village by Guarantor, if required), to be applied to Guarantor's obligations under this Guaranty, whether matured or unmatured in such order and manner as Village may determine; and

(e) any other event or action (excluding compliance by Guarantor with the provisions hereof) that would result in the discharge by operation of law or otherwise of Guarantor from the performance or observance of any obligation, covenant or agreement contained in this Guaranty.

The Guarantor acknowledges and agrees that this is a knowing and informed waiver of the undersigned's rights as discussed above and that Village is relying on this waiver in extending any credit to the Developer and in entering into the Development Agreement with the Developer and the Guarantor as its Managing Member.

Village may proceed, either in its own name or in the name of the Guarantor, or otherwise, to protect and enforce any or all of its rights under this Guaranty by suit in equity, action at law or by other appropriate proceedings, or to take any action authorized or permitted under applicable law, and shall be entitled to require and enforce the performance of all acts and things required to be performed hereunder by the Guarantor. Each and every remedy of Village shall, to the extent permitted by law, be cumulative and shall be in addition to any other remedy given hereunder or now or hereafter existing at law or in equity.

No waiver or release shall be deemed to have been made by Village of any of its rights hereunder unless the same shall be in writing and signed by or on behalf of Village, and any such waiver shall be a waiver or release only with respect to the specific matter and Guarantor to the extent of its involvement, and shall in no way impair the rights of Village or the obligations of the Guarantor under this Guaranty in any other respect at any other time.

At the option of Village, the Guarantor may be joined in any action or proceeding commenced by Village against the Developer or its Affiliates in any way involved with the Development Agreement or any provision thereof, and recovery may be had against the Guarantor in such action or proceeding or in any independent action or proceeding against any of them, without any requirement that Village first assert, prosecute or exhaust any remedy or claim against the Developer and/or any of its Affiliates.

Section 5 **Obligations Unaffected.**

The obligations of the undersigned Guarantor under this Guaranty extend to all amendments, supplements, modifications, renewals, replacements or extensions of the Development Agreement. The liability of Guarantor and the rights of the Village under this Guaranty will not be impaired or affected in any manner by, and Guarantor hereby consents in advance to, and waives any requirement of notice for, any (i) disposition, impairment, release, surrender, substitution, or modification of any collateral securing the Guaranteed Obligations or the obligations created by this Guaranty or failure to perfect a security interest in any collateral; (ii) release (including adjudication or discharge in bankruptcy) or settlement with Developer or any other party which may be or become liable for the Guaranteed Obligations (including, without limitation, any maker, indorser, guarantor or surety); (iii) delay in enforcement of payment of the Guaranteed Obligations or delay in enforcement of this Guaranty; (iv) delay, omission, waiver, or forbearance in exercising any right or power with respect to the Guaranteed Obligations or this Guaranty; (v) defense arising from the enforceability, validity or genuineness of any of the Development Agreement; (vi) defenses or counterclaims that the Developer may assert under or in respect of the Development Agreement, including, but not limited to, failure of consideration, breach of warranty, fraud, payment, statute of frauds, bankruptcy, infancy, statute of limitations, Village liability, accord and satisfaction and usury; (vii) extensions or modifications of any Guaranteed Obligations; or (viii) other act or omission which might otherwise constitute a legal or equitable discharge of the undersigned. Guarantor waives all

defenses based on suretyship or impairment of collateral, presentment, protest, demand for payment, any right of set-off, notice of dishonor or default, notice of acceptance of this Guaranty, notice of the incurring of any of the Guaranteed Obligations and notice of any other kind in connection with the Guaranteed Obligations or this Guaranty. Village has sole authority to determine the order of application of any amounts received under the Development Agreement or the Guaranteed Obligations.

Section 6 **SUBROGATION AND SUBORDINATION.**

UNTIL SUCH TIME AS ONE HUNDRED PERCENT (100%) OF THE GUARANTEED OBLIGATIONS SHALL HAVE BEEN SATISFIED OR DISCHARGED, REGARDLESS OF THE AMOUNT OF GUARANTOR'S OBLIGATION TO VILLAGE HEREUNDER, GUARANTOR IRREVOCABLY WAIVES ANY AND ALL RIGHTS SUCH GUARANTOR MAY HAVE AT ANY TIME (WHETHER ARISING DIRECTLY OR INDIRECTLY, BY OPERATION OF LAW OR CONTRACT) TO ASSERT ANY CLAIM AGAINST THE DEVELOPER ON ACCOUNT OF PAYMENTS MADE BY SUCH GUARANTOR UNDER THIS GUARANTY, INCLUDING, WITHOUT LIMITATION, ANY AND ALL RIGHTS OF SUBROGATION, REIMBURSEMENT, EXONERATION, CONTRIBUTION OR INDEMNITY. UNTIL SUCH TIME AS ONE HUNDRED PERCENT (100%) OF THE GUARANTEED OBLIGATIONS SHALL HAVE BEEN SATISFIED OR DISCHARGED, REGARDLESS OF THE AMOUNT OF GUARANTOR'S OBLIGATION TO VILLAGE HEREUNDER, GUARANTOR IRREVOCABLY SUBORDINATES ANY AND ALL INDEBTEDNESS OF THE BORROWER TO GUARANTOR, PRESENT AND FUTURE, HOWEVER EVIDENCED, TO THE PRIOR PAYMENT OF THE GUARANTEED OBLIGATIONS TO VILLAGE.

Section 7 **Effect of Bankruptcy Proceeding, Etc.**

If at any time any whole or partial payment of the Guaranteed Obligations is rescinded or must otherwise be restored or returned by the Village upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Developer or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Developer, this Guaranty will continue to be effective, or be reinstated, as the case may be, all as though such payment had not been made. Notwithstanding anything to the contrary contained herein, it is the intention of the Guarantor and Village that the amount of the Guarantor's obligations hereunder shall be in, but not in excess of, the maximum amount thereof not subject to avoidance or recovery by operation of applicable law governing bankruptcy, reorganization, arrangement, adjustment of debts, relief of debtors, dissolution, insolvency, fraudulent transfers or conveyances or other similar laws (collectively, "**Applicable Insolvency Laws**"). To that end, but only in the event and to the extent that the Guarantors' respective obligations hereunder or any payment made pursuant thereto would, but for the operation of the foregoing proviso, be subject to avoidance or recovery under Applicable Insolvency Laws, the amount of the Guarantor's obligations hereunder shall be limited to the largest amount which, after giving effect thereto, would not, under Applicable Insolvency Laws, render the Guarantor's respective obligations hereunder unenforceable or avoidable or subject to recovery under Applicable Insolvency Laws. To the extent any payment actually made hereunder exceeds the limitation contained in this Section 7, then the amount of such excess shall, from and after the time of

payment by the Guarantor, be reimbursed by Village upon demand by Guarantor. The foregoing proviso is intended solely to preserve the rights of Village hereunder against the Guarantor to the maximum extent permitted by Applicable Insolvency Laws and neither the Developer nor any Guarantor nor any other Person shall have any right or claim under this Section 7 that would not otherwise be available under Applicable Insolvency Laws.

Section 8 Certain Transfers Prohibited.

Guarantor hereby agrees that so long as any portion of the Guaranteed Obligations remains outstanding, Guarantor will not give or otherwise transfer or dispose of any material portion of Guarantor's assets to any other Person for less than the reasonably equivalent value of such assets.

Section 9 Guarantor Representations.

In order to induce Village to enter into the Development Agreement, Guarantor makes the following representations and warranties to Village set forth in this Section. Guarantor acknowledges that but for the truth and accuracy of the matters covered by the following representations and warranties, Village would not have entered into the Development Agreement with the Developer.

(a) Guarantor resides at the address set forth on page one above.

(b) Any and all balance sheets, net worth statements, and other financial data with respect to Guarantor that have heretofore been given to Village by or on behalf of Guarantor fairly and accurately present the financial condition of Guarantor as of the respective dates thereof in all material respects.

(c) The execution, delivery, and performance by Guarantor of this Guaranty does not and will not contravene or conflict with (i) any laws, order, rule, regulation, writ, injunction or decree now in effect of any government authority, or court having jurisdiction over Guarantor, (ii) any contractual restriction binding on or affecting Guarantor or Guarantor's property or assets that may adversely affect Guarantor's ability to fulfill its obligations under this Guaranty, (iii) the instruments creating any trust holding title to any assets included in Guarantor's financial statements, or (iv) the organizational or other documents of Guarantor, if any.

(d) This Guaranty creates legal, valid, and binding obligations of Guarantor enforceable in accordance with its terms.

(e) Except as disclosed in writing to Village, there is no action, proceeding, or investigation pending or, to the knowledge of Guarantor, threatened or affecting Guarantor, that may materially and adversely affect Guarantor's ability to fulfill its respective obligations under this Guaranty. There are no judgments or orders for the payment of money rendered against Guarantor that have been undischarged for a period of thirty (30) or more consecutive days and the enforcement of which is not stayed by reason of a pending appeal or otherwise. Guarantor is not in default under any

agreements that may materially and adversely affect Guarantor's ability to fulfill Guarantor's obligations under this Guaranty.

(f) Without the prior written consent of the Village, Guarantor shall not (1) be or become subject at any time to any law, regulation, or list of any government agency (including, without limitation, the U.S. Office of Foreign Asset Control list) that prohibits or limits Village from making any advance or extension of credit to Developer, or Guarantor or from otherwise conducting business with Developer or Guarantor or (2) fail to provide documentary and other evidence of Guarantor's identity as may be requested by Village at any time to enable Village to verify Developer's identity or to comply with any applicable law or regulation, including, without limitation, Section 326 of the USA Patriot Act of 2001, 31 U.S.C. Section 5318.

(g) All statements set forth in the Development Agreement and the Recitals are true and correct.

Section 10 Payment in Full.

Except as otherwise expressly provided in this Guaranty, this Guaranty will terminate on the payment and fulfillment in full of the Guaranteed Obligations; provided, however, that the termination of this Guaranty shall not relieve the Guarantor from liability with respect to: (a) obligations created or incurred prior to the date of termination; (b) general obligations for indemnity or contribution; (c) obligations relating to the Environmental Indemnity; and, (d) fees, costs or expenses incurred with respect to the Guaranteed Obligations on or after such date.

Section 11 USA Patriot Act.

The Village hereby notifies Guarantor that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Act"), it is required to obtain, verify and record information that identifies Guarantor, which information includes the name and address of Guarantor and other information that will allow the Village to identify Guarantor in accordance with the Act.

Section 12 Miscellaneous Provisions.

(a) From time to time at the Village's request, Guarantor will execute and deliver to or as directed by the Village any and all documents, instruments or agreements of further assurance that the Village may reasonably require to confirm this Guaranty or to carry out the purpose and intent hereof.

(b) This Guaranty may not be modified, amended, discharged or terminated except by a written instrument executed by each party against whom such modification, amendment, discharge or termination is sought.

(c) No course of dealing and no delay by the Village in exercising any right or remedy hereunder will affect or impair any other or future exercise of any such right or remedy. The rights and remedies of the Village under this Guaranty are cumulative and not exclusive of any rights or remedies which may be available to the

Village under the Development Agreement, at law or in equity; any or all such remedies may be exercised concurrently or successively.

(d) Guarantor agrees to pay, or to reimburse the Village for, any and all out-of-pocket expenses reasonably incurred by the Village (including, without limitation, reasonable attorneys' fees and costs) in connection with the enforcement of the Village's rights under this Guaranty.

(e) If any provision of this Guaranty, or the application of any such provision to Guarantor or circumstance, is held invalid or unenforceable, the remainder of this Guaranty or the application of any such provision to other Persons or circumstances will not be affected thereby, and will remain valid and enforceable to the fullest extent permitted by law.

(f) This Guaranty will not be extinguished by the death, disability or legal existence of Guarantor and will continue to be binding upon and constitute an obligation of Guarantor, an obligation of Guarantor's personal representatives, successors and assigns, and will inure to the benefit of the Village and its successors and assigns.

(g) This Guaranty will be governed by the laws of Illinois.

(h) AS A SPECIFIC INDUCEMENT FOR THE VILLAGE TO ENTER INTO THE DEVELOPMENT AGREEMENT, AND AFTER HAVING THE OPPORTUNITY TO CONSULT COUNSEL, GUARANTOR AND VILLAGE, BY ITS ACCEPTANCE HEREOF, EXPRESSLY WAIVE ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN CONNECTION WITH ANY SUIT, ACTION OR PROCEEDING ARISING FROM OR RELATED TO THIS GUARANTY.

(i) TO THE EXTENT PERMITTED BY APPLICABLE LAW, GUARANTOR SHALL NOT ASSERT, AND HEREBY WAIVES, ANY CLAIM AGAINST THE VILLAGE, ON ANY THEORY OF LIABILITY, FOR SPECIAL, INDIRECT, CONSEQUENTIAL OR PUNITIVE DAMAGES (AS OPPOSED TO DIRECT OR ACTUAL DAMAGES) ARISING OUT OF, IN CONNECTION WITH, OR AS A RESULT OF, THIS GUARANTY OR THE DEVELOPMENT AGREEMENT, OR ANY AGREEMENT OR INSTRUMENT CONTEMPLATED HEREBY OR UNDER THE DEVELOPMENT AGREEMENT OR THE TRANSACTIONS CONTEMPLATED THEREUNDER.

(j) TO THE GREATEST EXTENT PERMITTED BY LAW, GUARANTOR HEREBY WAIVES ANY AND ALL RIGHTS TO REQUIRE MARSHALLING OF ASSETS BY VILLAGE. NOTHING IN THIS GUARANTY SHALL PRECLUDE VILLAGE FROM BRINGING A PROCEEDING IN ANY OTHER JURISDICTION NOR WILL THE BRINGING OF A PROCEEDING IN ANY ONE OR MORE JURISDICTIONS PRECLUDE THE BRINGING OF A PROCEEDING IN ANY OTHER JURISDICTION. **SALES TAX REBATE SHARING AGREEMENT BY AND BETWEEN
THE VILLAGE OF OAK PARK, COOK COUNTY, ILLINOIS and
RRV MOTORCARS II**

DATED AS OF MARCH 16, 2015

**SALES TAX REBATE SHARING AGREEMENT BY AND BETWEEN
THE VILLAGE OF OAK PARK, COOK COUNTY, ILLINOIS and
RRV MOTORCARS II**

THIS SALES TAX REBATE SHARING AGREEMENT (“*Agreement*”) is made and entered into as of this 16th day of March, 2015 (“*Effective Date*”), by and between the Village of Oak Park, Cook County, Illinois, an Illinois home rule municipal corporation (“*Village*”), and RRV Motorcars II, an Illinois limited liability company (“*Developer*”), and its successors and assigns as owners of the Property and only as authorized pursuant to the conditions set forth in Section 14 of this Agreement

IN CONSIDERATION OF the recitals and mutual covenants and agreements set forth herein, the receipt and sufficiency of which are hereby acknowledged, the Developer and the Village hereby agree as follows:

SECTION 1. RECITALS.

A. The Developer is in the process of purchasing auto dealership property in the Village, generally located at 1140 Garfield Street in the Village’s Harlem and Garfield Redevelopment Project Area, and legally described in Exhibit A to this Agreement (“**Total Property**”).

B. The Developer desires and proposes to acquire and develop a portion of the Total Property (the “**Property**”) with an auto dealership facility with approximately 1.47 acres land and 29288 square feet for the building to be used for new and used car sales and service (“**Facility**”), in accordance with the Redevelopment Agreement (as defined in this Agreement).

C. Reserved.

D. The Developer has entered into a Redevelopment Agreement with the Village dated as of March 16, 2015, recorded on March __, 2015, as document number _____ (“**Redevelopment Agreement**”).

E. The Approving Ordinance and the Redevelopment Agreement set forth the terms and conditions for the development of the Total Property (“**Proposed Development**”).

F. The date on which all infrastructure improvements and related requirements of the Redevelopment Agreement are complete, and the Facility is open for business on the Property, is anticipated to be March 17, 2015.

G. As of the Effective Date of this Agreement, the Village receives sales taxes on new vehicles, pre-owned vehicles and parts.

H. The Village has further determined that the redevelopment of the Total Property with auto sales and repair uses will be consistent with the Village’s Redevelopment Plan and Project for the Harlem and Garfield Redevelopment Project Area by helping to create a sustainable revenue base for the Village without impairing the Village’s ability to deliver high-

quality, cost-effective services, and is likely to result in enhancements to the Village's Harlem and Garfield Redevelopment Project Area.

I. The Village has determined that the operation of the Facility on the Property will generate significant sales and property tax revenue for the Village, as well as the school, library, and park districts that serve Village residents, and that the redevelopment of the Property with auto sales and repair uses fits with the Village's Comprehensive Land Use Plan.

J. The Developer's investment in the Proposed Development will enhance economic development opportunities for the Village and its residents. Because the upfront costs of the Proposed Development require extraordinary investment by the Developer, the parties acknowledge that various economic incentives, including, without limitation, those provided pursuant to this Agreement, are necessary and desirable to realize the significant economic development benefits of the Proposed Development.

K. The President and Board of Trustees of the Village have determined that entering into this Agreement is necessary to ensure the implementation of the Proposed Development of the Property and provide for the related economic development benefits to the Village.

L. The Village and the Developer desire to enter into this Agreement, to enable the development, use, and occupancy of the Property in a manner consistent with the Village's Comprehensive Plan, the Approving Ordinance and the Redevelopment Agreement, and in a manner that will enhance the economic vitality of the Village and ensure the unified and proper use and development of the Property in accordance with this Agreement, the Approving Ordinance, and the Redevelopment Agreement.

M. The Village has the power and authority to enter into this Agreement pursuant to, but without limitation, the home rule powers of the Village under Section 6, Article VII of the 1970 Constitution of the State of Illinois. Developer has the corporate power and authority to enter into this Agreement.

SECTION 2. DEFINITIONS. Whenever used in this Agreement, the following terms shall have the following meanings unless a different meaning is required by the context.

A. "Commencement Date" means the date established pursuant to Section 3 of this Agreement.

B. "Consumer Price Index" means the Consumer Price Index-All Urban Consumers for the Chicago-Gary-Kenosha Metropolitan Statistical Area for a 12-month period.

C. "Corporate Authorities" means the President and Board of Trustees of the Village of Oak Park, Cook County, Illinois.

D. "Force Majeure" means a strike, lockout, act of God, or other factor beyond a party's reasonable control and reasonable ability to remedy; provided, however, that Force Majeure shall not include delays caused by weather conditions, unless those conditions are unusually severe or abnormal considering the time of year and the particular location of the Property.

E. "Gross Receipts" shall have the meaning ascribed to it in the Retailers' Occupation Tax Act.

F. "Home Rule Sales Tax" means the sales tax imposed in the Village pursuant to Village's Home Rule Sales Tax Ordinance under the Home Rule Municipal Retailers' Occupation Tax Act, 65 ILCS 5/8-11-1.

G. "Municipal Sales Tax" means that portion or component of the Sales Taxes collected by the Developer from sales generated at the Facility that the Village actually receives from the State of Illinois.

H. "Property" means the property legally described in *Exhibit A* attached hereto and, by this reference, incorporated herein.

I. "Requirements of Law" shall have the meaning set forth in Subsection 4H of this Agreement.

J. "Retailers' Occupation Tax Act" means the Illinois Retailers' Occupation Tax Act, 35 ILCS 120/1 *et seq.*, as the same has been, and may, from time to time hereafter be, amended.

K. "Sales Taxes" means any and all taxes imposed and collected by the State of Illinois pursuant to the Home Rule Sales Tax, the Retailer's Occupation Tax Act, the Service Use Tax Act, 35 ILCS 110/1 *et seq.*, the Service Occupation Tax Act, 35 ILCS 115/1 *et seq.*, and the Use Tax Act, 35 ILCS 105/1 *et seq.*, including, without limitation, a vehicle lease tax that is substituted, in whole or in part, for any or all of the foregoing; and, subject to Section 4D of this Agreement, any other "sales tax" or successor tax that may be enacted by the State of Illinois that the Village is able to verify as being generated from the Facility.

L. "Sales Tax Rebate" means the rebate payment to the Developer of a portion of the Municipal Sales Taxes that the Village receives that it is required to make pursuant to this Agreement.

M. "Sales Tax Year" means the period of time commencing on the Commencement Date and ending on the date that is one year after the Commencement Date, and each of the succeeding years thereafter under this Agreement.

SECTION 3. COMMENCEMENT OF SALES TAX REBATE.

The "**Commencement Date**" under this Agreement is hereby declared to be the actual date the Developer acquires the Property (assumed to be March 17, 2015).

SECTION 4. SALES TAX REBATE.

A. **Maximum Total Rebate.** In no event shall the Village rebate to the Developer sales tax proceeds for a period greater than the time period set forth in Section 8 hereof. The Sales Tax Rebate includes only those Sales Taxes generated by the Developer's Facility.

B. Calculation of Sales Tax Rebate.

1. Sales Tax Rebate Percentages. Beginning on the Commencement Date, the Village shall rebate to the Developer a portion of the Municipal Sales Tax generated by the operations on the Facility as set forth below:

- a. First \$50,000,000 in sales volume generated by the Facility (as mutually agreed by the Village and the Developer) – no Sales Tax Rebate, and
- b. \$50,000,000 in sales volume is exceeded (as mutually agreed by the Village and the Developer) – 50% of Sales Taxes rebated to Developer.

C. Village Payment. Within 120 days after the end of the sixth and twelfth month of each Sales Tax Year, the Village shall pay the applicable Sales Tax Rebate for that portion of the particular Sales Tax Year to the Developer, based on the records of the Illinois Department of Revenue. If, for any reason, the State of Illinois fails to distribute the Municipal Sales Tax revenue to the Village in sufficient time for the Village to make the semi-annual payments, the Village shall provide notice of that fact to the Developer. In that event, the Village shall make the required Sales Tax Rebate payment within 60 days after the date on which the Village actually receives the Municipal Sales Tax revenue due the Village for the applicable, semi-annual payment period. If at the end of any Sales Tax Year, there is a need to adjust and reconcile the amount of any semi-annual Sales Tax Rebate payment to account for any provision of this Agreement or to account for the amount of Municipal Sales Tax actually paid by the State of Illinois, the Village and the Developer shall cooperate with each other to accomplish the reconciliation. To the extent necessary in that circumstance, as determined by the Village, the parties agree that the Village may require the Developer to submit such specified financial statements and copies of the applicable State of Illinois Sales Tax Reports from those businesses operating in the Facility as are necessary to verify the amount of Sales Tax collected from operations at the Facility. The Developer shall require any tenants to sign releases authorizing the State of Illinois to issue the reports to the Village. Any information received by the Village from Developer or its tenants under this Agreement shall be kept confidential to the extent allowed by the Requirements of Law.

D. Change in the Law.

1. The Village and the Developer acknowledge and agree that the Village's obligation to pay the Sales Tax Rebate to the Developer is predicated on existing State law governing the distribution of Sales Taxes to the Village, including, without limitation, the Retailers' Occupation Tax Act. The Village and the Developer further acknowledge that the General Assembly of the State has, from time to time, considered proposals to modify or eliminate the distribution of Sales Taxes to Illinois municipalities. The Village and the Developer make express provision for the effect of any change upon the operation of this Agreement in Paragraph 2 of this Subsection.

2. In the event that the State of Illinois amends or repeals the Retailers' Occupation Tax Act or makes any other promulgation, enactment, or change that eliminates the distribution of Sales Taxes to the Village, or otherwise alters the distribution formula in a manner that prevents the Village and the Developer from determining with a reasonable degree of certainty the amount of the Municipal Sales Tax ("***Change in Law***"), the provisions of this Agreement with regard to Municipal Sales Tax generated from the Facility on or after the effective date of the Change in Law shall automatically be terminated, and the Village shall have no obligation whatsoever to pay to the Developer any of the Municipal Sales Tax generated on or after the effective date of the Change in Law, subject to the following. If, within the period five years after the effective date of the Change in Law, the State of Illinois effects another Change in Law that either results in the distribution of Sales Taxes to the Village or allows the Village and Developer to determine with a reasonable degree of certainty the amount of the Municipal Sales Tax, the provisions of this Agreement with regard to Municipal Sales Tax generated from the Facility shall automatically be reinstated and will continue for the period necessary for Developer to receive Sales Tax Rebates for the maximum total rebate set forth in Subsection 4A.

However, if a Change in Law results in replacement taxes for the Sales Taxes directly resulting from Gross Receipts at the Facility as contemplated hereunder, then, for purposes of this Agreement, the replacement taxes shall be defined as Sales Taxes, subject in all respects to the Village's actual receipt of its portion of the replacement taxes as well as the Village's authority under state law to provide for rebate of the replacement taxes, as contemplated herein.

If there is a Change in Law, the parties will cooperate with each other to accomplish the intent of this Agreement as set forth in Section 1 of this Agreement.

E. No Guarantee. The parties acknowledge and agree that none of the terms, conditions, or provisions of this Agreement shall be construed, deemed, or interpreted as (1) a guarantee that the Village will receive any Sales Taxes as a result of the operation of the Facility on the Property, or (2) a requirement or obligation by the Developer or any of its tenants to generate Gross Receipts from the Property.

F. Limited Liability. Notwithstanding any other provision of this Agreement to the contrary, the Village's obligation to pay the Sales Tax Rebate payments shall not be a general debt of the Village or a charge against its general credit or taxing powers, but shall be a special limited obligation payable solely out of the Municipal Sales Tax received by the Village, as specifically defined in Section 2 of this Agreement. The Developer shall have no right to, and agrees that it shall not, compel any exercise of the taxing power of the Village to pay the Sales Tax Rebate payments, and no execution of any claim, demand, cause of action or judgment shall be levied upon or collected from the general credit, general funds or other property of the Village (unless the Village refuses to make the payment to the Developer in violation of this Agreement). No recourse shall be had for any payment pursuant to this Agreement against any past, present, or future director, member, elected or appointed officer, official, agent, representative, employee, or attorney of the Village in his or her individual capacity.

G. Closure.

1. Unless mutually agreed otherwise by the Parties pursuant to an amendment to this Agreement, in the event that, at any time during the term of this Agreement, the Developer permanently abandons, closes, or terminates the use of more than 80% of the square footage of the Facility (subject to Paragraph 4G of this Agreement) ("**Closure**"), then the provisions of this Agreement with regard to Municipal Sales Tax generated from the Facility shall, as of the date of the Closure, automatically terminate and become null and void and be of no further force or effect, and the Village shall have no obligation whatsoever to perform any of the Municipal Sales Tax Rebate obligations in Section 4 of this Agreement with regard to any Sales Tax collected by the Developer in the Sales Tax Year of the Closure.

2. The Developer shall provide the Village with no less than 60 days written notice prior to any Closure, except to the extent any Requirement of Law prohibits Developer from providing 60 days' notice, in which event Developer will provide notice in the minimum time allowed by the Requirements of Law.

3. This Subsection shall not apply to Temporary Closures as defined in Section 8 of this Agreement.

H. Limitations on Payment of Sales Tax Rebate. The Developer acknowledges and agrees that the Property must be used and maintained in strict compliance with the Redevelopment Agreement, and all applicable Village codes, ordinances, and regulations (collectively, the "**Requirements of Law**"), and that if the Developer fails to comply in all material respects with the Requirements of Law the Village will suspend payment of the Sales Tax Rebate for the entire period that the Developer is not in material compliance with the Requirements of Law, and the Village will have no further obligation to provide any Sales Tax Rebate to the Developer until the Village determines in its reasonable discretion that the Developer is, during the Term, in material compliance with the Requirements of Law, at which time all suspended payments will be remitted to Developer. A legal nonconformity created as a result of the Village's amendment to the Requirements of Law subsequent to the Commencement Date will not constitute a failure of the Developer to comply with the Requirements of Law.

SECTION 5. REAL PROPERTY VALUATION.

The Developer recognizes that the Village has legitimate interests and concerns regarding the valuation and assessment of the Property for real estate tax purposes. Accordingly, the Developer shall notify the Village prior to the commencement or initiation of any protest or appeal by the Developer of the real property valuation of the Property established by the Cook County Assessor.

SECTION 6. FORCE MAJEURE.

Whenever a period of time is provided for in this Agreement for either the Developer or the Village to perform any act or obligation, and the Developer or the Village, as the case may be, is unable to perform or complete the act or obligation because of a Force Majeure, then upon the occurrence of the Force Majeure, the time period for the performance and completion of the

acts or obligations shall be extended for a reasonable time to accommodate the delay caused by the Force Majeure.

SECTION 7. LITIGATION AND DEFENSE OF AGREEMENT.

A. Litigation. If, during the term of this Agreement, any lawsuits or proceedings are filed or initiated against either party before any court, commission, board, bureau, agency, unit of government or sub-unit thereof, arbitrator, or other instrumentality, that may materially affect or inhibit the ability of either party to perform its obligations under, or otherwise to comply with, this Agreement ("**Litigation**"), the party against which the Litigation is filed or initiated shall promptly deliver a copy of the complaint or charge related thereto to the other party and shall thereafter keep the other party fully informed concerning all aspects of the Litigation.

B. Defense. The Village and the Developer do hereby agree to use their respective commercially reasonable efforts to defend the validity of this Agreement, and all ordinances and resolutions adopted and agreements executed by such party pursuant to this Agreement, including every portion thereof and every approval given, and every action taken, pursuant thereto. Each party shall have the right to retain its own independent legal counsel, at its own expense, for any matter. The Village and the Developer do hereby agree to reasonably cooperate with each other to carry out the purpose and intent of this Agreement.

C. Indemnity. The Developer agrees to, and does hereby, hold harmless and indemnify the Village, the Corporate Authorities, and all Village elected or appointed officials, officers, employees, agents, representatives, engineers, and attorneys, from any and all claims that may be asserted at any time against any of such parties in connection with any claim brought by a third party against any of the parties identified in this paragraph arising out of or relating to this Reimbursement Agreement; provided, however, that the Developer's indemnification obligation shall be reduced to the extent the indemnified claims are caused, if at all, by the willful misconduct or gross negligence on the part of the Village or to the extent the indemnified claims are caused, if at all, by the Village's failure to comply with any material requirement of the Requirements of Law (except if such failure to comply with such Requirements of Law is caused, if at all, by the acts or omissions of Developer, its agents, representatives, or engineers).

D. Defense Expense. The Developer shall, and does hereby agree to, pay all reasonable expenses, including legal fees and administrative expenses, incurred by the Village in defending itself with regard to any and all of the claims referenced in Subsection 7.C of this Agreement.

SECTION 8. TERM.

A. General. This Agreement shall be in full force and effect commencing on the Effective Date and until the Developer receives six (6) years (72 months) in Sales Tax Rebate payments from the Village pursuant to the terms of this Agreement ("**Term**"). This Agreement shall, during its Term, run with and bind the Property and shall inure to the benefit of and be enforceable by the Developer and the Village, and any of their respective permitted legal representatives, heirs, grantees, successors, and assigns.

B. Temporary Closure. If the Facility temporarily closes ("*Temporary Closure*") due to renovation of the Facility or damage or Force Majeure, then, in each case, the Term of this Agreement shall be automatically extended for a period equal to the period commencing on the date of the Temporary Closure through the date on which the Facility reopens ("*Temporary Closure Period*"), the Village will continue to make any and all payments during a Temporary Closure Period as required by Subsection 4C of this Agreement.

SECTION 9. RELEASE OF INFORMATION.

The Developer agrees to execute and provide all documentation necessary to cause the Illinois Department of Revenue to release to the Village the Sales Tax generated by the Developer from the Property, including copies of State of Illinois Sales Tax Reports, during each of the Sales Tax Years pursuant to applicable State law. Any information received by the Village from Developer under this Agreement shall be kept confidential to the extent allowed by the Requirements of Law.

SECTION 10. PAYMENT OF VILLAGE FEES AND COSTS.

During the Term, the Developer shall pay to the Village, as and when due, all application, inspection, and permit fees, and all other fees, charges, and contributions required by applicable Village codes, ordinances, resolutions, rules, or regulations. The preceding sentence does not relieve the Developer from complying with any Requirements of Law.

SECTION 11. LIABILITY AND INDEMNITY OF VILLAGE.

A. No Liability for Village Review. The Developer acknowledges and agrees (1) that the Village is not, and shall not be, in any way liable for any violations of restrictive covenants applicable to the Property that may occur, or for any damages or injuries that may be sustained, as the result of the Village's review and approval of any plans for the Property, or as a result of the issuance of any approvals, permits, certificates, or acceptances relating to the use and development of the Property; and (2) that the Village's review and approval of any of the plans and the issuance of any of the approvals, permits, certificates, or acceptances does not, and shall not, in any way, be deemed to insure the Developer, or any of its heirs, successors, assigns, tenants, or licensees, or any third party, against restrictive covenant violations or damage or injury of any kind at any time.

B. Village Procedures. To the best of Developer's knowledge all notices, meetings, and hearings have been properly given and held by the Village with respect to the approval of this Agreement. Developer agrees not to challenge any of those actions on the grounds of any procedural infirmity or of any denial of any procedural right.

C. Indemnity. The Developer agrees to, and does hereby, hold harmless and indemnify the Village, the Corporate Authorities, all Village elected and appointed officials, officers, employees, agents, representatives, and attorneys, from any and all claims that may, at any time, be asserted against any of those parties in connection with (i) the Village's review and approval of any plans, or the issuance of any approvals, permits, certificates, or acceptances relating to the use and development of the Property; (ii) any actions taken by the Village pursuant to Subsection B of this Section; (iii) the development, construction, and maintenance of

the Property; and (iv) the performance by the Developer of its obligations under this Agreement and all related ordinances, resolutions, or other agreements; provided, however, that Developer's indemnity under this Agreement shall be reduced to the extent the indemnified claims are caused, if at all, by the willful misconduct or gross negligence on the part of the Village or to the extent the indemnified claims are caused, if at all, by the Village's failure to comply with any material requirement of the Requirements of Law (except if such failure to comply with such Requirements of Law is caused, if at all, by the acts or omissions of Developer, its agents, representatives, or engineers).

D. Defense Expenses. The Developer shall, and does hereby agree to, pay all expenses incurred by the Village in defending itself with regard to any and all of the indemnified claims identified in Subsection C of this Section. These expenses shall include all out-of-pocket expenses, including attorneys' and experts' fees.

SECTION 12. ENFORCEMENT.

A. Enforcement. The parties to this Agreement may, in law or in equity, by suit, action, mandamus, or any other proceeding, including without limitation specific performance, enforce or compel the performance of this Agreement, including without limitation an action by Developer for payment of Sales Tax Rebates pursuant to the limitations provided in Section 4 of this Agreement; provided, however, that the Developer agrees that it will not seek, and does not have the right to seek, to recover a judgment for monetary damages against the Village or any past, present, or future director, member, elected or appointed officer, official, agent, representative, employee, or attorney, of the Village on account of the negotiation, execution, or breach of this Agreement. In the event of a judicial proceeding brought by one party to this Agreement against the other party to this Agreement pursuant to this Section, the prevailing party shall be entitled to reimbursement from the unsuccessful party of all costs and expenses, including without limitation reasonable attorneys' fees, incurred in connection with the judicial proceeding.

B. Notice and Cure. Neither party may exercise the right to bring any suit, action, mandamus, or any other proceeding pursuant to Subsection A of this Section without first providing written notice to the other party of the breach or alleged breach and allowing 30 business days to cure the breach or alleged breach. If the breach cannot be cured within the 30-business-day period ("*Time for Cure*"), then the Time for Cure shall be extended accordingly, provided that the notified party has promptly commenced to cure the breach and continued to prosecute the cure of the breach with diligence.

SECTION 13. NATURE, SURVIVAL, AND TRANSFER OF OBLIGATIONS.

A. Obligations. The parties agree that all charges payable pursuant to this Agreement, together with interest and costs of collection, including attorneys' fees, shall constitute both the personal obligation of the party liable for its payment, and the successors of that party.

B. Binding Effect. The Developer acknowledges and agrees that this Agreement shall be binding upon the Developer and any and all of the Developer's heirs, successors, permitted assigns, and the successor owners of record of all or any portion of the Property.

C. Transferee Assumption. To assure that any potential heir, successor, or permitted assign or successor owner has notice of this Agreement and the benefits and obligations created by it, the Developer agrees:

1. that this Agreement shall be recorded with the Cook County Recorder of Deeds as provided in Subsection 15S of this Agreement;
2. to require, prior to the transfer of a legal or beneficial interest in all or any portion of the Facility or all or any portion of the Property on which the Facility is located the transferee to execute an enforceable transferee assumption agreement in a form acceptable to the Village Attorney ("*Transferee Assumption Agreement*"). The Village agrees that, upon a successor becoming bound to the personal obligation created in this Agreement in the manner provided, the personal liability of the Developer or other predecessor obligor shall be released to the extent of the transferee's assumption of liability and that the transferee will have all the benefits of the Developer hereunder, subject to Subsection F of this Section with regard to the transferability of the right to receive rebates of Municipal Sales Taxes under this Agreement. The Developer agrees to notify the Village in writing at least 30 days prior to the date on which the Developer proposes to transfer a legal or beneficial interest in all or any portion of the Facility or all or any portion of the Property on which the Facility is located to a transferee. The Developer shall, at the same time, provide the Village with a fully executed copy of the Transferee Assumption Agreement. As clarification, no Transferee Assumption Agreement or other Village consent is required under this Agreement to transfer a portion of the Property on which the Facility is not located (but Developer will need to comply with any other generally applicable subdivision or other Requirements of Law).

D. Transfer Defined. For purposes of this Agreement, the term "transfer" shall be deemed to include any assignment, transfer, sale, transfer to a receiver or to a trustee in bankruptcy, transfer in trust, or other disposition of the Facility or Property, or any beneficial interest in the Facility or Property, in whole or in part, by voluntary or involuntary sale, foreclosure, restructuring, merger, sale and leaseback, consolidation, or otherwise.

E. Mortgagees of Property. This Agreement shall be binding on all mortgagees of the Property or other secured parties automatically upon such mortgagee assuming title to the Property, in whole or in part, by a foreclosure or a deed in lieu of foreclosure without the necessity of executing such assumption agreement. Until such time, however, a mortgagee or other secured party shall have no personal liability hereunder.

F. **Assignments of Right to Municipal Sales Tax Rebates.** It is the express intent of the parties that, except as expressly provided or allowed in this Subsection, this Agreement, and all of the rights and privileges granted pursuant to this Agreement with regard to rebates of Municipal Sales Taxes ("***Rebate Rights***"), are for the sole and exclusive benefit of the Developer. In the event that the Developer does, or attempts to, voluntarily or involuntarily transfer its interest in the Facility or any portion of the Property on which the Facility is located, in whole or in part, the Rebate Rights will remain with the Developer, unless requested otherwise by the Developer and approved by the Village. The Village agrees that its consent is not required under this Agreement with regard to a transfer to an affiliate of the Developer or one of the permitted assigns described in Section 19.20 of the Redevelopment Agreement, provided that (i) the Developer provides the Village with 60 days advance notice of the transfer and (ii) the transfer complies with the other provisions of this Section including Subsection C.

SECTION 14. REPRESENTATIONS AND WARRANTIES.

A. **By the Village.** The Village represents, warrants and agrees as the basis for the undertakings on its part contained in this Agreement that:

1. The Village is a municipal corporation duly organized and validly existing under the law of the State of Illinois and has all requisite corporate power and authority to enter into this Agreement;

2. The execution, delivery and the performance of this Agreement and the consummation by the Village of the transactions provided for herein and the compliance with the provisions of this Agreement: (i) have been duly authorized by all necessary municipal action on the part of the Village; (ii) require no other consents, approvals or authorizations on the part of the Village in connection with the Village's execution and delivery of this Agreement; and (iii) shall not, by lapse of time, giving of notice or otherwise, result in any breach of any term, condition or provision of any indenture, agreement or other instrument to which the Village is subject; and

3. To the best of the Village's knowledge, there are no proceedings pending or threatened against or affecting the Village or the Property in any court or before any governmental authority that involves the possibility of materially or adversely affecting the ability of the Village to perform its obligations under this Agreement.

B. **By the Developer.** In order to induce the Village to enter into this agreement and to adopt the ordinances and grant the rights herein provided for, the Developer hereby warrants and represents to the Village as follows:

1. The Developer is a duly organized, validly existing corporation or limited liability company in good standing under the laws of the State of its incorporation and is qualified to do business in Illinois.

2. The Developer has the corporate authority and the legal right to make, deliver, execute, and perform this Agreement and has taken all necessary corporate actions necessary to authorize the execution, delivery, and performance of this Agreement.

3. All necessary consents of any Board of Directors, shareholders, creditors, investors, partners, judicial, or administrative bodies, governmental authorities, or other parties including specifically, but without limitation regarding the execution and delivery of this Agreement have been obtained.

4. The consent or authorization of, filing with, or other act by or in respect of any governmental authority (other than the Village, and the State of Illinois with respect to distribution of Sales Taxes) is required in connection with the execution, delivery, performance, validity, or enforceability of this Agreement.

5. The individuals executing this Agreement on behalf of the Developer have the power and authority to execute and deliver this Agreement on behalf of the Developer.

6. The execution, delivery, and performance of this Agreement (i) is not prohibited by any Requirement of Law or under any contractual obligation of the Developer; (ii) will not result in a breach or default under any agreement to which the Developer is a party or to which the Developer, in whole or in part, is bound; and (iii) will not violate any restriction, court order, or agreement to which the Developer or/and the Property, in whole or in part, is or are subject.

SECTION 15. GENERAL PROVISIONS.

A. Entire Agreement and Release of Claims. This Agreement constitutes the entire agreement between the parties and supersedes any and all prior agreements and negotiations and understandings between the parties, whether written or oral, relating to the subject matter of this Agreement. The Developer does hereby release and waive any and all claims and causes of action that it had or may have had against the Village related to or resulting from any past written or oral agreements, negotiations, understandings, or prior policies of the Village, or any actions that the Village may have taken or failed to take, relating to the subject matter of this Agreement.

E. Interpretation. This Agreement shall be construed without regard to the identity of the party who drafted the various provisions of this Agreement. Moreover, each and every provision of this Agreement shall be construed as though all parties to this Agreement participated equally in the drafting of this Agreement. As a result of the foregoing, any rule or

construction that a document is to be construed against the drafting party shall not be applicable to this Agreement.

F. **Change in Laws.** Except as otherwise explicitly provided in this Agreement, any reference to laws, ordinances, rules, or regulations of any kind shall include the laws, ordinances, rules, or regulations of any kind as they may be amended or modified from time to time hereafter.

H. **Time of Essence.** Time is of the essence in the performance of this Agreement.

I. **No Third Party Beneficiaries.** Except as expressly provided in this Agreement, no claim as a third party beneficiary under this Agreement by any person, firm, or corporation shall be made or valid against the Village.

M. **Counterparts.** This Agreement may be executed in several counterparts, each of which, when executed, shall be deemed to be an original, but all of which together shall constitute one and the same instrument.

N. **Waiver.** Neither the Village nor the Developer shall be under any obligation to exercise any of the rights granted to them in this Agreement except as it shall determine to be in its best interest from time to time. The failure of the Village or the Developer to exercise at any time any of those rights shall not be deemed or construed as a waiver of that right, nor shall the failure void or affect the Village’s or the Developer’s right to enforce those rights or any other rights.

O. **Rights Cumulative.** Unless expressly provided to the contrary in this Agreement, each and every one of the rights, remedies, and benefits provided by this Agreement

shall be cumulative and shall not be exclusive of any other rights, remedies, and benefits allowed by law.
