**Update and Recommendations to Establish a Reduced Parking Pilot Area From Harlem Ave. to Oak Park Ave. & South Blvd. to Harrison St.**

**Overview:**

At the May 14, 2018 Village Board Special Meeting, staff presented recommendations for a parking pilot which included simplified restrictions based on feedback from the Transportation Commission and public comments. The Village Board asked staff to bring forth a scaled-back parking pilot program. If approved a draft ordinance will be brought forth in September 2018. Subject to approval of the Ordinance, the Pilot Area would be established in October 2018.

**Anticipated Future Actions/Commitments**

It is recommended that the Village Board request staff to bring forth a draft Ordinance creating the Pilot Area as part of a Regular Meeting in September 2018. Subject to approval of the Ordinance, the Pilot Area would be established in October 2018.

Staff recommends an initial 6 month pilot and to report back to the Village Board with changes. Once the program has been categorized as successful, the next step is to evaluate other areas for which the pilot program rules could apply to.

October 2018: Begin Parking Pilot Program

April 2019: 6-mth Review: Evaluate and Review possible changes to Pilot Program

September 2019: End Pilot Program and decide to keep or revert the ordinance

January 2020: Propose rules for other areas

On May 5, 2018, the Village Board approved a motion to direct staff to..."Explore Other Bike Sharing Alternatives." Staff researched how other municipalities have implemented their dockless bike share programs. Staff will work with stakeholders to develop an ordinance to establish permit requirements to regulate the operation of bike share companies within the Village.
