A Motion to Amend the Work Plan of the Disability Access Commission to Add a Review of Accessibility Options to Village Hall, Including the Elevator at the Southwest Lombard Entrance and the Vertical Platform Lift for Council Chambers

Overview:

As part of the FY 2019 Budget conversation, the Village Board requested that the Disability Access Commission review the accessibility options specifically related to the elevator at the southwest Lombard entrance to Village Hall and the vertical platform lift for Council Chambers and make a recommendation to the Village Board. A decision on this project has been on-going since 2016. In 2016, the Village Board asked staff to not use the funds budgeted to repair the lift at the Village Hall, and instead, conduct a feasibility study for adding elevators at Village Hall to improve public access to the building. The Village Board also asked the Historic Preservation Commission to provide feedback on the options for an elevator presented in the feasibility study. These reports were completed in 2017. A copy of both reports are attached to this item.
