Overview:

Pursuant to the Village Board's adopted goals, a study session was held on February 14, 2022, to review the history of policies related to the Village's parking system and determine consensus for direction on the next steps. The Village Board directed staff to conduct further analysis of potential fee revisions. Staff subsequently prepared a number of recommendations for the Village Board's review.

Overview:

This presentation provides draft goals and actions of the 2022 Comprehensive Sustainability, Climate Action, and Resiliency Plan for the Village of Oak Park ("Oak Park Climate Plan"), developed by the Village's consultant team GRAEF, and ERG. Revised actions will be included in the final draft Climate Plan document, following additional community engagement activities. The Board of Trustees is requested to provide input on the draft impact areas and actions. Because of the large number of actions developed (over one hundred), a selection of key actions will be presented for Trustee feedback concerning appropriateness for the community of Oak Park. The Trustees are invited to provide feedback on all draft actions, following tonight's meeting.
