The Village shall approve the use of subcontractors by the Contractor to perform any of the Services that are the subject of this Agreement.

2.2. The Contractor shall submit to the Village all reports, documents, data, and information set forth in the Project. The Village shall have the right to require such corrections as may be reasonably necessary to make any required submittal conform to this Agreement. The Contractor shall be responsible for any delay in the Services to be provided pursuant to this Agreement due to the Contractor’s failure to provide any required submittal in conformance with this Agreement. The Contractor shall to the extent possible submit inspection documentation to the Village electronically.

2.3. In case of a conflict between any proposal provided by the Contractor to the Village and this Agreement, this Agreement shall control to the extent of such conflict.

2.4. Village Authorized Representative. The Village's Public Health Director or the Director's designee shall be deemed the Village's authorized representative, unless applicable law requires action by the Corporate Authorities, and shall have the power and authority to make or grant or do those things, certificates, requests, demands, approvals, consents, notices and other actions required that are ministerial in nature or described in this Agreement for and on behalf of the Village and with the effect of binding the Village as limited by this Agreement. The Contractor is entitled to rely on the full power and authority of the person executing this Agreement on behalf of the Village as having been properly and legally given by the Village. The Village shall have the right to change its authorized representative by providing the Contractor with written notice of such change which notice shall be sent in accordance with Section 20 of this Agreement.

2.5. Contractor's Authorized Representative. In connection with the foregoing and other actions to be taken under this Agreement, the Contractor shall designate in writing an individual as its authorized representative who shall have the power and authority to make or grant or do all things, certificates, requests, demands, approvals, consents, notices and other actions required that are ministerial in nature or described in this Agreement for and on behalf of the Contractor and with the effect of binding the Contractor. The Village is entitled to rely on the full power and authority of the person executing this Agreement on behalf of the Contractor as having been properly and legally given by the Contractor. The Contractor shall have the right to change its Authorized Representative by providing the Village with written notice of such change which notice shall be sent in accordance with Section 20 of this Agreement.

2.6. The Contractor shall be an independent contractor to the Village. The Contractor shall solely be responsible for the payment of all salaries, benefits and costs of supplying personnel for the Services. Nothing contained in this Agreement shall create a contractual relationship with or a cause of action in favor of a third party against Contractor. The Contractor's Services under this Agreement are being performed solely for the Village's benefit, and no other party or entity shall have any claim against the Contractor because of this Agreement or the performance or nonperformance of Services hereunder.

2.7. The Contractor shall provide all personnel necessary to complete the Services. The Contractor shall notify the Village as soon as practicable prior to terminating the employment of, reassigning, or receiving notice of the resignation of, any personnel assigned to provide the Services under this Agreement. The Contractor shall have no claim for damages and shall not bill the Village for additional time and materials charges as the result of any portion of the Services which must be duplicated or corrected due to such termination or for any delay or extension of the time for performance of any Services under this Agreement as a result of any such termination, reassignment, or resignation.

2.8. If any of Contractor's personnel fails to perform the Services in a manner satisfactory to the Village and consistent with commonly accepted professional practices, the Contractor shall immediately upon notice from the Village remove and replace such personnel. The Contractor shall have no claim for damages, for compensation in excess of the amount contained in this Agreement, or for a delay or extension of the time of performance of any Services under this Agreement as a result of any such removal or replacement.

2.9. Time is of the essence in performance of all terms and provisions of this Agreement.

2.10. Unless otherwise provided in this Agreement, any reference in this Agreement to "day" or "days" shall mean calendar days and not business days.

3. COMPENSATION FOR SERVICES.

3.1. The Village shall compensate the Contractor for the Services in an amount not to exceed \$4,000.00 per month for each month this Agreement is in effect at the rate of \$140.00 for a routine inspection and \$75.00 for a follow-up inspection for a total not to exceed amount of \$48,000. The rate for plan reviews and temporary events shall be \$80.00 per hour. The Contractor shall be paid installments not more frequently than once each month ("Progress Payments"). Payments shall be made within thirty (30) days of receipt by the Village of a pay request/invoice from the Contractor. Payments shall be due and owing by the Village in accordance with the terms and provisions of the Local Government Prompt Payment Act, 50 ILCS 505/1 *et seq.*, except as set forth herein. Contractor shall be solely liable and responsible for all out-of-pocket expenses to perform the Services, including but not limited to, travel, printing, reproduction, mailing, insurance premiums, licensing fees, fuel, overhead, administrative costs, delivery charges, and all costs associated with the acquisition and maintenance of vehicles and equipment.

3.2. The Village may, at any time, by written order, make changes within the general scope of this Agreement in the Services to be performed by the Contractor. If such changes cause an increase or decrease in the amount to be paid to Contractor or time required for performance of any Services under this Agreement, whether or not changed by any order, an equitable adjustment shall be made and this Agreement shall be modified in writing accordingly. No service for which additional compensation will be charged by the Contractor shall be furnished without the written authorization of the Village.

3.3. The Contractor shall, as a condition precedent to its right to receive a progress payment, submit to the Village an invoice accompanied by such receipts, vouchers, and other documents as may be necessary to establish costs incurred for all labor, material, and other things covered by the invoice and the absence of any interest, whether in the nature of a lien or otherwise, of any party in any property, work, or fund with respect to the Services performed under this Agreement. In addition to the foregoing, such invoice shall include (a) employee

classifications, rates per hour, and hours worked by each classification, and, if the Services are to be performed in separate phases, for each phase; (b) total amount billed in the current period and total amount billed to date, and, if the Services are to be performed in separate phases, for each phase; (c) the estimated percent completion, and, if the Services are to be performed in separate phases, for each phase.

3.4. Notwithstanding any other provision of this Agreement and without prejudice to any of the Village's rights or remedies, the Village shall have the right at any time or times to withhold from any payment such amount as may reasonably appear necessary to compensate the Village for any actual or prospective loss due to: (1) Services that are defective, damaged, flawed, unsuitable, nonconforming, or incomplete; (2) damage for which the Contractor is liable under this Agreement; (3) claims of subcontractors, suppliers, or other persons performing Contractor's Services; (4) delay in the progress or completion of the Services; (5) inability of the Contractor to complete the Services; (6) failure of the Contractor to properly complete or document any pay request; (7) any other failure of Contractor to perform any of its obligations under this Agreement; or (8) the cost to the Village, including reasonable attorneys' fees and administrative costs, of correcting any of the aforesaid matters or exercising any one or more of the Village's remedies set forth in this Agreement. The Village must notify the Contractor of cause for withholding within fourteen (14) days of receiving invoice.

3.5. The Village shall be entitled to retain any and all amounts withheld pursuant to this Agreement until the Contractor shall have either performed the obligations in question or furnished security for such performance satisfactory to the Village. The Village shall be entitled to apply any money withheld or any other money due the Contractor under this Agreement to reimburse itself for any and all costs, expenses, losses, damages, liabilities, suits, judgments, awards, reasonable attorneys' fees, and administrative expenses incurred, suffered, or sustained by the Village and chargeable to the Contractor under this Agreement.

3.6. The Contractor's Services shall be considered complete on the date of final written acceptance by the Village, which acceptance shall not be unreasonably withheld or delayed. As soon as practicable after final acceptance, the Village shall pay to the Contractor the balance of any amount due and owing under this Agreement, after deducting therefrom all charges against the Contractor as provided for in this Agreement ("Final Payment"). The acceptance by Contractor of Final Payment with respect to the Services shall operate as a full and complete release of the Village of and from any and all lawsuits, claims, demands, damages, liabilities, losses, and expenses of, by, or to the Contractor for anything done, furnished for, arising out of, relating to, or in connection with the Services, except for such claims as the Contractor reserved in writing at the time of submitting its invoice for final payment.

The Village's acceptance of any of Contractor's professional Services shall not relieve Contractor of its responsibility to subsequently correct any such errors or omissions, provided the Village notifies Contractor thereof within one year of completion of the Contractor's Services.

10.3. The Contractor shall respond to the Village's notice of any errors and/or omissions within seven (7) days of written confirmation by the Contractor of the Village's notice. 13.2. This Agreement shall not prohibit the Contractor from providing engineering Services to any other public or private entity or person. In the event that the Contractor provides Services to a public or private entity or person, the Village, at its sole discretion, may determine that such Services conflict with a service to be provided to the Village by Contractor, and the Village may select another civil engineer and/or land surveyor to provide such Services as the Village deems appropriate.

14. THE VILLAGE'S REMEDIES.

14.1. The Contractor represents and certifies that, to the best of its knowledge: (1) no Village employee or agent is interested in the business of the Contractor or this Agreement; (2) as of the date of this Agreement, neither the Contractor nor any person employed or associated with the Contractor has any interest that would conflict in any manner or degree with the performance of the obligations under this Agreement; and (3) neither the Contractor nor any person employed by or associated with the Contractor shall at any time during the term of this Agreement obtain or acquire any interest that would conflict in any manner or degree with the performance of the obligations under this Agreement.

15.3. The Contractor agrees to perform no professional Services during the term of the Agreement for any person, firm or corporation, for any project or work that may be subject to the Village's review/inspection, to occur or occurring within the corporate limits of the Village without notification to the Village prior to rendering Services. Code 750 APPENDIX A and Chapter 13 ("Human Rights") of the Oak Park Village Code are incorporated herein as though fully set forth. The Contractor shall not discriminate against any employee or applicant for employment because of race, sex, gender identity, gender expression, color, religion, ancestry, national origin, veteran status, sexual orientation, age, marital status, familial status, source of income, disability, housing status, military discharge status, or order of protection status or physical or mental disabilities that do not impair ability to work, and further

that it will examine all job classifications to determine if minority persons or women are underutilized and will take appropriate affirmative action to rectify any such underutilization. The Contractor shall comply with all requirements of Chapter 13 ("Human Rights") of the Oak Park Village Code.

26.2. In the event of the Contractor's noncompliance with any provision of Chapter 13 ("Human Rights") of the Oak Park Village Code, the Illinois Human Rights Act or any other applicable law, the Contractor may be declared non-responsible and therefore ineligible for future Agreements or subcontracts with the Village, and the Agreement may be cancelled or voided in whole or in part, and such other sanctions or penalties may be imposed or remedies invoked as provided by statute or regulation.

26.3. In all solicitations or advertisements for employees placed by it on its behalf, the Contractor shall state that all applicants will be afforded equal opportunity without discrimination because of race, sex, gender identity, gender expression, color, religion, ancestry, national origin, veteran status, sexual orientation, age, marital status, familial status, source of income, disability, housing status, military discharge status, or order of protection status or physical or mental disabilities that do not impair ability to work.
