Of the 23 boards and commissions listed above, three (3) operate independently from the Village and have the authority to spend Village funds that are appropriated to them. Those are: (1) Foreign Fire Insurance Board; (2) Firefighters Pension Board; and (3) Police Pension Board. Other than these three (3) boards, the Village's boards and commissions and their individual members do not have authority to spend Village funds or direct staff unless otherwise specifically provided. The majority of the boards and commissions listed above are advisory in nature to the Village Board unless a state statute or the Village Code gives them final decision making authority on a particular matter.

B. Appointments to Boards and Commissions

The Illinois Constitution requires that home rule municipalities such as the Village shall make appointments to board and commissions as "authorized by law." Ill. Const. 1970, art. VII, § 6(f) ("Section 6(f)"). Section 6(f) specifically provides as follows:

A home rule unit shall have the power subject to approval by referendum to adopt, alter or repeal a form of government provided by law, except that the form of government of Cook County shall be subject to the provisions of Section 3 of this Article. A home rule municipality shall have the power to provide for its officers, their manner of selection and terms of office only as approved by referendum or as otherwise authorized by law. A home rule county shall have the power to provide for its officers, their manner of selection and terms of office in the manner set forth in Section 4 of this Article.

State statute gives the Village President the authority to appoint board or commission members and chairs of boards and commissions consistent with the Illinois Constitution. This statute provides as follows:

Sec. 3.1-30-5. Appointed officers in all municipalities.

(a) The mayor or president, as the case may be, by and with the advice and consent of the city council or the board of trustees, may appoint (1) a treasurer (if the treasurer is not an elected position in the municipality), (2) a collector, (3) a comptroller, (4) a marshal, (5) an attorney or a corporation counsel, (6) one or more purchasing agents and deputies, (7) the number of auxiliary police officers determined necessary by the corporate authorities, (8) police matrons, (9) a commissioner of public works, (10) a budget director or a budget officer, and (11) other officers necessary to carry into effect the powers conferred upon municipalities.

65 ILCS 5/3.1-30-5 (emphasis added). The Village President's authority to appoint board and commission members cannot be altered or delegated unless provided by state statute. *Pechous v. Slawko*, 64 Ill.2d 576, 591-592 (1976); *People v. McCann*, 247 Ill. 130, 143 (1910). An example of such a delegation is where a village president does not serve as the local liquor control commissioner due to the village president's holding of a liquor license, which is the case in Oak Park. 235 ILCS 5/4-2. In such an instance, the applicable state statute provides for the board to appoint another person to serve in the role. *Id.* The Village maintains a Liquor Control Review Board ("LCRB") and the person who serves as the Local Liquor Control Commissioner appoints members to the LCRB with the advice and consent of the Board of Trustees. *Id.*; Oak Park Village Code at Sec. 3-2-2.

The manner by which appointments of members to individual boards and commissions is discussed below. Unless a state statute provides otherwise, the Village President or must appoint the members of the Village's boards and commissions by law. The appointment of the chairs and members of the boards and commissions that exist exclusively pursuant to the Village Code set forth above are subject to the advice and consent of the Village Board.

The Village President also appoints the members of the Oak Park Housing Authority with the "approval" of the Village Board by state statute. 310 ILCS 10/3. This appointment authority exists although the Housing Authority is an independent municipal corporation that operates separately from the Village pursuant to the Housing Authorities Act, 310 ILCS 10/1 et seq., with its own funding.
