Kevin,

We were given notification this morning that five of the six Hybrid Police Squad Ford Explorers we ordered in the fall after our 2022 order was cancelled are schedule to arrive later this week or early next week at the dealer. We do not expect to receive the sixth vehicle. Please confirm your approval of this purchase and we will begin executing the necessary paperwork. We will plan to bring an item to the Board at the next available meeting to confirm the purchase. Please let me know if you have any questions.
