

Village of Oak Park Single-Use Plastics Survey

The Village of Oak Park is attempting to better understand the potential effect of new ordinances about single-use plastic utensils, polystyrene (Styrofoam) food packaging, and single-use plastic shopping bags in the community. *Please note, the proposed changes do not apply to plastic drinking straws.*

A survey of community members, Oak Park restaurant owners and owners of retail stores larger than 5,000 square feet is now open. The feedback from this survey will be used to help evaluate the potential new ordinances as the Village Board is scheduled to consider the item on May 15, 2023.

The Oak Park Green Business Program has a free helpline for small businesses with questions. Visit **www.sustainoakpark.com/greenbusinessprogram** or call 800-214-7954 for more information.
