A. Paving Construction, Inc., an Illinois corporation (hereinafter referred to as the "Contractor").

RECITALS

WHEREAS, the Village intends to have plowing and/or salting of snow and ice for Village owned or operated parking lots, sidewalks, public ways and other Village-owned property located in the Village performed by the Contractor pursuant to the Contractor's Proposal dated September 10, 2014, attached hereto and incorporated herein by reference (hereinafter referred to as the "Contractor's Proposal"), the Village's Request for Proposals, attached hereto and incorporated herein by reference (hereinafter referred to as the "RFP"), and this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants hereinafter set forth, the parties agree as follows:

1. SERVICES OF THE CONTRACTOR AND TERM OF AGREEMENT.

1.1. The Contractor shall provide the services set forth in the Contractor's Proposal (hereinafter referred to as the "Services") after receiving written authorization by the Village. The Village shall approve the use of subcontractors by Contractor to perform any of the Services that are the subject of this Agreement.

1.2. This Agreement shall be effective from November 1, 2014 through April 30, 2015. The Village may at its option renew this Agreement for the following two periods: (1) November 1, 2015 through April 30, 2016; and (2) November 1, 2016 through April 30, 2017.

1.3. The Contractor shall submit to the Village all reports, documents, data, and information set forth in Contractor's Proposal in a format customarily used in the industry. The Village shall have the right to require such corrections as may be reasonably necessary to make any required submittal conform to this Agreement. The Contractor shall be responsible for any delay in the Services to be provided pursuant to this Agreement due to the Contractor's failure to provide any required submittal in conformance with this Agreement.

1.4. In case of a conflict between provisions of the Contractor's Proposal and the Village's RFP and/or this Agreement, this Agreement and the Village's RFP shall control to the extent of such conflict.

2. COMPENSATION FOR SERVICES.

2.1. The Village shall compensate the Contractor for the Services as set forth pursuant to the Contractor's Proposal in an amount not to exceed \$175,000.00. The Contractor shall be paid not more frequently than once each month ("Progress Payments"). Payments shall be made within thirty (30) days of receipt by the Village of a pay request/invoice from the Contractor. Payments shall be due and owing by the Village in accordance with the terms and provisions of the Local Government Prompt Payment Act, 50 ILCS 505/1 et seq., except as set forth herein.

2.2. The Village may, at any time, by written order, make changes regarding the general scope of this Agreement in the Services to be performed by the Contractor. If such changes cause an increase or decrease in the amount to be paid to Contractor or time required for performance of any Services under this Agreement, whether or not changed by any order, an equitable adjustment shall be made and this Agreement shall be modified in writing accordingly. No service for which additional compensation will be charged by the Contractor shall be furnished without the written authorization of the Village.

2.3. The Contractor shall, as a condition precedent to its right to receive a progress payment, submit to the Village an invoice accompanied by such receipts, vouchers, and other documents as may be necessary to establish costs incurred for all labor, material, and other things covered by the invoice and the absence of any interest, whether in the nature of a lien or otherwise, of any party in any property, work, or fund with respect to the Services performed under this Agreement. In addition to the foregoing, such invoice shall include (a) employee classifications, rates per hour, and hours worked by each classification, and, if the Services are to be performed in separate phases, for each phase; (b) total amount billed in the current period and total amount billed to date, and, if the Services are to be performed in separate phases, for each phase; (c) the estimated percent completion, and, if the Services are to be performed in separate phases, for each phase.

2.4. Notwithstanding any other provision of this Agreement and without prejudice to any of the Village's rights or remedies, the Village shall have the right at any time or times to withhold from any payment such amount as may reasonably appear necessary to compensate the Village for any actual or prospective loss due to: (1) services that are defective, damaged, flawed, unsuitable, nonconforming, or incomplete; (2) damage for which the Contractor is liable under this Agreement; (3) claims of subcontractors, suppliers, or other persons performing Contractors Services; (4) delay in the progress or completion of the Services; (5) inability of the Contractor to complete the Services; (6) failure of the Contractor to properly complete or document any pay request; (7) any other failure of Contractor to perform any of its obligations under this Agreement; or (8) the cost to the Village, including attorneys' fees and administrative costs, of correcting any of the aforesaid matters or exercising any one or more of the Village's remedies set forth in this Agreement. The Village must notify the Contractor of cause for withholding within fourteen (14) days of the Village's receipt of an invoice.

2.5. The Village shall be entitled to retain any and all amounts withheld pursuant to this Agreement until the Contractor shall have either performed the obligations in

question or furnished security for such performance satisfactory to the Village. The Village shall be entitled to apply any money withheld or any other money due the Contractor under this Agreement to reimburse itself for any and all costs, expenses, losses, damages, liabilities, suits, judgments, awards, attorneys' fees, and administrative expenses incurred, suffered, or sustained by the Village and chargeable to the Contractor under this Agreement.

3. TERMINATION.

3.1. This Agreement may be terminated, in whole or in part, by either party if the other party substantially fails to fulfill its obligations under this Agreement through no fault of the terminating party. The Village may terminate this Agreement, in whole or in part, for its convenience. No such termination may be effected unless the terminating party gives the other party (1) not less than ten (10) calendar days written notice pursuant to Section 14 below of its intent to terminate, and (2) an opportunity for a meeting with the terminating party before termination.

3.2. If this Agreement is terminated by either party, the Contractor shall be paid for Services performed to the effective date of termination, including reimbursable expenses. 9.3. The Contractor shall respond to the Village's notice of any errors and/or omissions within seven (7) days of written confirmation by the Contractor of the Village's notice. The Contractor shall also comply with all conditions of any federal, state, or local grant received by the Village or the Contractor with respect to this Agreement.

9.6. The Contractor shall be solely liable for any fines or civil penalties that are imposed by any governmental or quasi-governmental agency or body that may arise, or be alleged to have arisen, out of or in connection with the Contractor's, or its subcontractors', performance of, or failure to perform, the Services required pursuant to this Agreement or any part thereof.

10. DOCUMENTS AND BOOKS AND RECORDS.

At the Village's request, or upon termination of this Agreement, the Documents shall be delivered promptly to the Village. The Contractor shall have the right to retain copies of the

Documents for its files. The Contractor shall maintain files of all Documents unless the Village shall consent in writing to the destruction of the Documents, as required herein.

10.2. The Contractor's Documents and records pursuant to this Agreement shall be maintained and made available during performance of the Services under this Agreement and for three (3) years after completion of any Services. The Contractor shall give notice to the Village of any Documents to be disposed of or destroyed and the intended date after said period, which shall be at least ninety (90) days after the effective date of such notice of disposal or destruction. The Village shall have ninety (90) days after receipt of any such notice to given notice to the Contractor not to dispose of or destroy said Documents and to require Contractor to deliver same to the Village, at the Village's expense. The Contractor and any subcontractors shall maintain for a minimum of three (3) years after the completion of this Agreement, or for three (3) years after the termination of this Agreement, whichever comes later, adequate books, records and supporting documents to verify the amounts, recipients and uses of all disbursements of funds passing in conjunction with the Agreement. The Agreement and all books, records and supporting documents related to the Agreement shall be available for review and audit by the Village and the federal funding entity, if applicable, and the Contractor agrees to cooperate fully with any audit conducted by the Village and to provide full access to all materials. Failure to maintain the books, records and supporting documents required by this subsection shall establish a presumption in favor of the Village for recovery of any funds paid by the Village under the Agreement for which adequate books, records and supporting documentation are not available to support their purported disbursement. The Contractor shall make the Documents available for the Village's review, inspection and audit during the entire term of this Agreement and three (3) years after completion of the Project as set forth herein and shall fully cooperate in responding to any information request pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/1 *et seq.* by providing any and all responsive documents to the Village.

10.3. The Contractor shall have the right to include among the Contractor's promotional and professional materials those drawings, renderings, other design documents and other work products that are prepared by the Contractor pursuant to this Agreement (collectively "Work Products"). The Village shall provide professional credit to the Contractor in the Village's development, promotional and other materials which include the Contractor's Work Products.

10.4. The Contractor shall furnish all records related to this Agreement and any documentation related to the Village required under an Illinois Freedom of Information Act (ILCS 140/1 *et. seq.*) ("FOIA") request within five (5) business days after the Village issues notice of such request to the Contractor. The Contractor shall not apply any costs or charge any fees to the Village regarding the procurement of records required pursuant to a FOIA request. The Contractor agrees to defend, indemnify, and hold harmless the Village, and agrees to pay all reasonable costs connected therewith (including, but not limited to reasonable attorney's and witness fees, filing fees, and any other expenses) for the Village to defend any and all causes, actions, causes of action, disputes, prosecutions, or conflicts arising from the Contractor's actual or alleged violation of the FOIA, or the Contractor's failure to furnish all documentation related to a request within five (5) days after the Village

issues notice of a request. Furthermore, should the Contractor request that the Village utilize a lawful exemption under FOIA in relation to any FOIA request thereby denying that request, the Contractor agrees to pay all costs connected therewith (such as reasonable attorney's and witness fees, filing fees, and any other expenses) to defend the denial of the request. The defense shall include, but not be limited to, challenged or appealed denials of FOIA requests to either the Illinois Attorney General or a court of competent jurisdiction. The Contractor shall defend, indemnify, and hold harmless the Village, and agrees to pay all costs connected therewith (such as reasonable attorney's and witness fees, filing fees and any other expenses) to defend any denial of a FOIA request by the Contractor's request to utilize a lawful exemption to the Village.

11. SAVINGS CLAUSE.

11.1. If any provision of this Agreement, or the application of such provision, shall be rendered or declared invalid by a court of competent jurisdiction, or by reason of its requiring any steps, actions or results, the remaining parts or portions of this Agreement shall remain in full force and effect.

12. NON-WAIVER OF RIGHTS.

12.1. No failure of either party to exercise any power given to it hereunder or to insist upon strict compliance by the other party with its obligations hereunder, and no custom or practice of the parties at variance with the terms hereof, nor any payment under this agreement shall constitute a waiver of either party's right to demand exact compliance with the terms hereof.

12.2. This Agreement shall not prohibit the Contractor from providing services to any other public or private entity or person. In the event that the Contractor provides Services to a public or private entity or person, the Village, at its sole discretion, may determine that such Services conflict with a service to be provided to the Village by the Contractor, and the Village may select another Contractor to provide such Services as the Village deems appropriate.

13. THE VILLAGE'S REMEDIES.

13.1. If it should appear at any time prior to payment for Services provided pursuant to this Agreement that the Contractor has failed or refused to prosecute, or has delayed in the prosecution of, the Services to be provided pursuant to this Agreement with diligence at a rate that assures completion of the Services in full compliance with the requirements of this Agreement, or has attempted to assign this Agreement or the Contractor's rights under this Agreement, either in whole or in part, or has falsely made any representation or warranty, or has otherwise failed, refused, or delayed to perform or satisfy any other requirement of this Agreement or has failed to pay its debts as they come due ("Event of Default"), and has failed to cure, or has reasonably commenced to cure any such Event of Default within fifteen business days after Contractor's receipt of written notice of such Event of Default, then the Village shall have the right, at its election and without prejudice to any

other remedies provided by law or equity, to pursue any one or more of the following remedies:

13.1.1. The Village may require the Contractor, within such reasonable time as may be fixed by the Village, to complete or correct all or any part of the Services that are defective, damaged, flawed, unsuitable, nonconforming, or incomplete and to take any or all other action necessary to bring Contractor and the Services into compliance with this Agreement;

13.1.2. The Village may accept the defective, damaged, flawed, unsuitable, nonconforming, incomplete, or dilatory Services or part thereof and make an equitable reduction;

13.1.3. The Village may terminate this Agreement without liability for further payment of amounts due or to become due under this Agreement except for amounts due for Services properly performed prior to termination;

13.1.4. The Village may withhold any payment from the Contractor, whether or not previously approved, or may recover from the Contractor any and all costs, including attorneys' fees and administrative expenses, incurred by the Village as the result of any Event of Default or as a result of actions taken by the Village in response to any Event of Default; or

13.1.5. The Village may recover any damages suffered by the Village as a result of the Contractor's Event of Default.

14. NO COLLUSION.

14.1. The Contractor hereby represents and certifies that the Contractor is not barred from contracting with a unit of state or local government as a result of: (1) a delinquency in the payment of any tax administered by the Illinois Department of Revenue unless Contractor is contesting, in accordance with the procedures established by the appropriate revenue Act, its liability for the tax or the amount of the tax, as set forth in 65 ILCS 5/11-42.1-1; or (2) a violation of either Section 33E-3 or Section 33E-4 of Article 33E of the Criminal Code of 1961, 720 ILCS 5/33E-1 et seq. The Contractor hereby represents that the only persons, firms, or corporations interested in this Agreement are those disclosed to the Village prior to the execution of this Agreement, and that this Agreement is made without collusion with any other person, firm, or corporation. If at any time it shall be found that Contractor has in procuring this Agreement, colluded with any other person, firm, or corporation, then the Contractor shall be liable to the Village for all loss or damage that the Village may suffer thereby, and this Agreement shall, at the Village's option, be null and void and subject to termination by the Village.

15.1. This Agreement sets forth all the covenants, conditions and promises between the parties, and it supersedes all prior negotiations, statements or agreements, either

written or oral, with regard to its subject matter. There are no covenants, promises, agreements, conditions or understandings between the parties, either oral or written, other than those contained in this Agreement.

BASE PROGRAM: The Village of Oak Park requires its residents to clear snow and ice from their public sidewalks within 24 hours after the end of a snow fall. Recognizing that there are residents who are not able to remove snow without assistance, the Village has provided snow removal assistance to residents since 2007.

The Village provides a hotline phone number for registered residents to call at the end of a winter snow storm. Currently, there are approximately one hundred and fifteen (115) registered residents who may require assistance. The Village will compile the list of requests and fax or email it to the contractor. The contractor will remove the snow and ice from the public sidewalks at all listed locations within twenty-four (24) hours after the end of the snow storm. On occasion, the Village may request that the Contractor spread salt on the public sidewalks after snow and ice has been removed.

The contractor will remove the snow from the sidewalks on the list and submit a list of the addresses completed on a daily or per storm basis.

The Village of Oak Park will communicate the availability of this service to its residents using some or all of the available local visual and print media including the local press, the local Village cable TV, Village newsletters, community meetings, etc.

During the past three winter seasons, there were an average of twenty-five (25) to thirty-five (35) locations listed for each winter snow storm.

ALTERNATE PROJECT A: The Village of Oak Park may request assistance for sidewalk snow and ice removal at thirty (30) crossing guard locations (approximately 120 corners) at school crosswalks throughout the Village. School crosswalks must be cleared no later than 7:00 a.m. on school days. Depending on the storm, the contractor may also be required to clear sidewalk snow and ice from school crosswalks before 2:30 p.m. on school days.

ALTERNATE PROJECT B: The Village of Oak Park may request assistance for back-up plowing and salting operations to clear snow and ice from residential streets and alleys. Contractor pricing should include driver, truck, plow and salt spreader (if available). If salting is required, Village salt will be used.

The purpose of this contract is for the plowing and/or salting of snow and ice for Village owned or operated parking lots and sidewalks and other Village-owned property located in the Village of Oak Park. The locations for plowing and salting are:

See attached lists in the Appendix for exact locations and sizes of the lots.

1. Furnish all labor, materials, and equipment to remove snow that has accumulated in the parking lots and spread road salt in order to maintain the lots in a safe condition at all time.
2. Furnish all labor, materials, and equipment to remove snow from parking lot areas and sidewalks and to spread the appropriate deicing agents for all pedestrian areas in and around the parking lot and sidewalks. By Village Ordinance, sidewalks shall be free of snow and ice within twenty four (24) hours of the end of the cessation of a snow or ice storm.

The Village retains the right to award a "Single Contract" for all work OR separate this work into two (2) sections, one section north of the CTA Green Line "North Section" and one section south of the CTA Green Line "South Section". Respondents may submit a bid for the single contract work or the individual North Section or South Section. The Village reserves the right to modify by adding or combining the sections or to add or delete parking lots to the contract. A list of locations is attached to this document.

The North Section Contract is comprised of 40 locations that contain a parking capacity of 1,643 spaces.

The South Section Contract is comprised of 78 locations that contain a parking capacity of 1,799 spaces.

The Single Contract for the entire Village parking system (which is the North & South Sections combined) is comprised of 110 locations and a total parking capacity for snow removal and salting of 3,309 spaces.

Requirements:

The proper timing and use of equipment is essential to maintain the continuous, expeditious and safe operating of the parking lots and other locations. Consequently, it is imperative that all equipment be in good operating condition at all times so as to insure maximum working efficiency and prevent unnecessary delays in service. Time is of the essence in arriving at the scene to begin snow removal efforts.

The Respondent shall perform the work in the following manner:

- A. The Respondent shall at all times maintain a force of qualified personnel sufficient to perform the work required and described herein. The force of qualified personnel shall be sufficient to respond to emergency calls, which may be received at any time. One designated supervisor in the Respondent's organization shall be available on the job site at all times during snowplowing operations.

- 1. Pre-salting, sidewalks only
- 2. Pre-salting, sidewalks and lots
- 3. Snow removal in lots and sidewalks
- 4. Snow removal in lots and sidewalks following by salting
- 5. Recall for additional snow removal in lots, due to lack of cars in lot (which were present during initial snow removal efforts)
- 6. Recall for single lot treatment, e.g. salting and hand shoveling between cars such as at Village Hall parking lot.

Village of Oak Park personnel notify the Respondent via telephone when a snow event has been determined. The Respondent may not respond to a snow event without Village authorization.

- C. For a snowfall in excess of two (2) inches, Respondent shall provide sufficient equipment to remove snow and ice from all paved areas including adjacent sidewalks. Snow removal is accomplished by plowing snow to the edge of the roadways in areas designated or to the center of the parking lots. If there are vehicles in the parking lot when the Respondent arrives to remove the accumulated snow, the Respondent shall remove all snow from roadways, aisles and empty spaces. Equipment shall be provided to continue removal operations through completion to the satisfaction of the Village. The Respondent will also be required to remove snow away from the parking meters so patrons can access the parking meters for payment. The Village reserves the right to modify its request for salting, shoveling or plowing based upon ice conditions regardless of snowfall amounts.
- D. The Respondent shall be paid for the operation-described on a per hour rate basis.

- E. The Respondent shall accomplish snow removal and ice control operations within the following parameters:

However, in the event of a prolonged snow storm (more than 24 hours straight) the Respondent may be allowed to park their equipment (only those items listed as minimum equipment necessary for this contract) overnight at a parking lot designated and approved by the Village.

- H. The Respondent will clear the pedestrian areas and sidewalks of snow in and around assigned parking lots within twenty four (24) hours of the cessation of a snow or ice storm.
- I. Respondent shall take great care to avoid putting snow on and/or striking adjacent landscaping (trees, shrubs, etc.) and to avoid blocking walkways, street crossings, and lot entrances and exits. Respondent shall be held responsible for any and all damage to existing landscaping, vehicles and structures.
- J. After call out and before starting any snow removal operation, the Respondent and its employees shall report to Parking Facilities Operations Offices at the Holley Court Parking Structure located 1125 Holley Court, or another location determined by the Village, to receive instructions and to document the Respondents starting time, equipment and work force. Additionally, the Respondent shall report to the same location at the end of the operation.
- K. The Village reserves the rate to establish the equipment type used by Respondent for services by location (e.g. which lots require One Ton Truck versus which lots require 4x4 small trucks with plow).
- L. Unless other directed by Village, Respondent shall complete salting and order snow removal activities in the order established in the Report Sheets provided by the Village to the contractor. This order is:

This work is typically completed by utilizing a large front end loader or skid steer and loading a large dump truck or semi tractor/trailer. The Village will determine when it is necessary to complete a snow hauling operation.

Payment:

All charges for snow removal will start when equipment begins operation at the assigned parking lots and shall end when the operation at the site is completed. No separate charge for transportation of equipment to or from the site will be allowed.

Standby fees may be charged when standby time is authorized in advance by Village personnel for the purpose of improving snow removal efforts for snowstorms that are predicted with unspecified start times.

It will be the responsibility of the Respondent to notify the Parking Garage Supervisor or his/her designee when the snow removal operation is complete. A form to verify these items will be provided by the Village (a sample of which is attached hereto) and will be signed by both the Respondent and the appropriate Village representative at the completion of each operation (or no later than 48 hours after the event). No charge for inoperable equipment due to mechanical failure will be allowed. It will be the Respondent's responsibility to find replacement equipment in the event of breakdown.

All billing for services must be submitted to the Parking Garage Supervisor for processing within 10 business days of service. Failure to bill for services within this timeframe will result in grounds for termination of contract.

The Respondent shall take great care to avoid putting snow on/or striking adjacent landscaping (trees, shrubs, etc.). Respondent shall be held responsible for all damage to property including, but not limited to, existing landscaping, planters, bicycle racks, litter containers, light and traffic signal poles, parking meters, fire hydrants, curbs, vehicles, buildings and structures, etc. All damage will be the responsibility of the Respondent to repair to its original condition and to the satisfaction of the Village.

INDEPENDENT CONTRACTOR AGREEMENT

THIS INDEPENDENT CONTRACTOR AGREEMENT ("Agreement") is entered into this 10 day of Sept, 2014, between the Village of Oak Park, an Illinois home rule municipal corporation (hereinafter referred to as the "Village"), and GA PAVING CO. (hereinafter referred to as the "Contractor").

RECITALS

WHEREAS, the Village intends to have plowing and/or salting of snow and ice for Village owned or operated parking lots, sidewalks, public ways and other Village-owned property located in the Village performed by the Contractor pursuant to the Contractor's Proposal dated 9-10-14, attached hereto and incorporated herein by reference (hereinafter referred to as the "Contractor's Proposal"), the Village's Request for Proposals, attached hereto and incorporated herein by reference (hereinafter referred to as the "RFP"), and this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants hereinafter set forth, the parties agree as follows:

1. SERVICES OF THE CONTRACTOR AND TERM OF AGREEMENT.

1.1. The Contractor shall provide the services set forth in the Contractor's Proposal (hereinafter referred to as the "Services") after receiving written authorization by the Village. The Village shall approve the use of subcontractors by Contractor to perform any of the Services that are the subject of this Agreement.

1.2. The Contractor shall submit to the Village all reports, documents, data, and information set forth in Contractor's Proposal in a format customarily used in the industry. The Village shall have the right to require such corrections as may be reasonably necessary to make any required submittal conform to this Agreement. The Contractor shall be responsible for any delay in the Services to be provided pursuant to this Agreement due to the Contractor's failure to provide any required submittal in conformance with this Agreement.

1.3. In case of a conflict between provisions of the Contractor's Proposal and the Village's RFP and/or this Agreement, this Agreement and the Village's RFP shall control to the extent of such conflict.

2. COMPENSATION FOR SERVICES.

2.1. The Village shall compensate the Contractor for the Services as set forth pursuant to the Contractor's Proposal in an amount not to exceed \$?. The Contractor shall be paid not more frequently than once each month ("Progress

Payments"). Payments shall be made within thirty (30) days of receipt by the Village of a pay request/invoice from the Contractor. Payments shall be due and owing by the Village in accordance with the terms and provisions of the Local Government Prompt Payment Act, 50 ILCS 505/1 et seq., except as set forth herein.

2.2. The Village may, at any time, by written order, make changes regarding the general scope of this Agreement in the Services to be performed by the Contractor. If such changes cause an increase or decrease in the amount to be paid to Contractor or time required for performance of any Services under this Agreement, whether or not changed by any order, an equitable adjustment shall be made and this Agreement shall be modified in writing accordingly. No service for which additional compensation will be charged by the Contractor shall be furnished without the written authorization of the Village.

2.3. The Contractor shall, as a condition precedent to its right to receive a progress payment, submit to the Village an invoice accompanied by such receipts, vouchers, and other documents as may be necessary to establish costs incurred for all labor, material, and other things covered by the invoice and the absence of any interest, whether in the nature of a lien or otherwise, of any party in any property, work, or fund with respect to the Services performed under this Agreement. In addition to the foregoing, such invoice shall include (a) employee classifications, rates per hour, and hours worked by each classification, and, if the Services are to be performed in separate phases, for each phase; (b) total amount billed in the current period and total amount billed to date, and, if the Services are to be performed in separate phases, for each phase; (c) the estimated percent completion, and, if the Services are to be performed in separate phases, for each phase.

2.4. Notwithstanding any other provision of this Agreement and without prejudice to any of the Village's rights or remedies, the Village shall have the right at any time or times to withhold from any payment such amount as may reasonably appear necessary to compensate the Village for any actual or prospective loss due to: (1) services that are defective, damaged, flawed, unsuitable, nonconforming, or incomplete; (2) damage for which the Contractor is liable under this Agreement; (3) claims of subcontractors, suppliers, or other persons performing Contractors Services; (4) delay in the progress or completion of the Services; (5) inability of the Contractor to complete the Services; (6) failure of the Contractor to properly complete or document any pay request; (7) any other failure of Contractor to perform any of its obligations under this Agreement; or (8) the cost to the Village, including attorneys' fees and administrative costs, of correcting any of the aforesaid matters or exercising any one or more of the Village's remedies set forth in this Agreement. The Village must notify the Contractor of cause for withholding within fourteen (14) days of the Village's receipt of an invoice.

2.5. The Village shall be entitled to retain any and all amounts withheld pursuant to this Agreement until the Contractor shall have either performed the obligations in question or furnished security for such performance satisfactory to the Village. The Village shall be entitled to apply any money withheld or any other money due the Contractor under this Agreement to reimburse itself for any and all costs, expenses, losses, damages, liabilities, suits, judgments, awards, attorneys' fees, and administrative expenses incurred, suffered, or sustained by the Village and chargeable to the Contractor under this Agreement.

3. TERMINATION.

3.1. This Agreement may be terminated, in whole or in part, by either party if the other party substantially fails to fulfill its obligations under this Agreement through no fault of the terminating party. The Village may terminate this Agreement, in whole or in part, for its convenience. No such termination may be effected unless the terminating party gives the other party (1) not less than ten (10) calendar days written notice pursuant to Section 14 below of its intent to terminate, and (2) an opportunity for a meeting with the terminating party before termination.

3.2. If this Agreement is terminated by either party, the Contractor shall be paid for Services performed to the effective date of termination, including reimbursable expenses. 9.2. The Contractor shall promptly make revisions or corrections regarding its Services resulting from its errors, omissions, or negligent acts without additional compensation. The Village's acceptance of any of Contractor's Services shall not relieve Contractor of its responsibility to subsequently correct any such errors or omissions, provided the Village notifies Contractor thereof within one year of completion of the Contractor's Services.

9.3. The Contractor shall respond to the Village's notice of any errors and/or omissions within seven (7) days of written confirmation by the Contractor of the Village's notice. Such confirmation may be in the form of a facsimile confirmation receipt by the Village, or by actual hand delivery of written notice by the Village to the Contractor.

10. DOCUMENTS AND BOOKS AND RECORDS.

10.1. Reports, examinations, information, observations, calculations, notes and any other reports, documents, data or information, in any form, prepared, collected, or received by the Contractor in connection with any or all of the Services to be provided pursuant to this Agreement ("Documents") shall be and remain the property of the Village upon completion of the project and payment to the Contractor all amounts then due under this Agreement. At the Village's request, or upon termination of this Agreement, the Documents shall be delivered promptly to the Village. The Contractor shall have the right to retain copies of the Documents for its files. The Contractor shall maintain files of all Documents unless the Village shall consent in writing to the destruction of the Documents, as required herein.

10.2. The Contractor's Documents and records pursuant to this Agreement shall be maintained and made available during performance of the Services under this Agreement and for three (3) years after completion of any Services. The Contractor shall give notice to the Village of any Documents to be disposed of or destroyed and the intended date after said period, which shall be at least ninety (90) days after the effective date of such notice of disposal or destruction. The Village shall have ninety (90) days after receipt of any such notice to give notice to the Contractor not to dispose of or destroy said Documents and to require Contractor to deliver same to the Village, at the Village's expense. The Contractor and any subContractors shall maintain for a minimum of three (3) years after the completion of this Agreement, or for three (3) years after the termination of this Agreement, whichever comes later, adequate books, records and supporting documents to verify the amounts, recipients and uses of all disbursements of funds passing in conjunction with the Agreement. The Agreement and all books, records and supporting documents related to the Agreement shall be available for review and audit by the Village and the federal funding entity, if applicable, and the Contractor agrees to cooperate fully with any audit conducted by the Village and to provide full access to all materials. Failure to maintain the books, records and supporting documents required by this subsection shall establish a presumption in favor of the Village for recovery of any funds paid by the Village under the Agreement for which adequate books, records and supporting documentation are not available to support their purported disbursement. The Contractor shall make the Documents available for the Village's review, inspection and audit during the entire term of this Agreement and three (3) years after completion of the Project as set forth herein and shall fully cooperate in responding to any information request pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/1 et seq. by providing any and all responsive documents to the Village.

10.3. The Contractor shall have the right to include among the Contractor's promotional and professional materials those drawings, renderings, other design documents and other work products that are prepared by the Contractor pursuant to this Agreement (collectively "Work Products"). The Village shall provide professional credit to the Contractor in the Village's development, promotional and other materials which include the Contractor's Work Products.

10.4. The Contractor shall furnish all records related to this Agreement and any documentation related to the Village required under an Illinois Freedom of Information Act (ILCS 140/1 et. seq.) ("FOIA") request within five (5) business days after the Village issues notice of such request to the Contractor. The Contractor shall not apply any costs or charge any fees to the Village regarding the procurement of records required pursuant to a FOIA request. The Contractor agrees to defend, indemnify, and hold harmless the Village, and agrees to pay all reasonable costs connected therewith (including, but not limited to reasonable attorney's and witness fees, filing fees, and any other expenses) for the Village to defend any and all causes, actions, causes of action, disputes, prosecutions, or conflicts arising from the Contractor's actual or alleged violation of the FOIA, or the Contractor's failure to furnish all documentation related to a request within five (5) days after the Village issues notice of a request. Furthermore, should the Contractor request that the Village utilize a lawful exemption under FOIA in relation to any FOIA request thereby denying that request, the Contractor agrees to pay all costs connected therewith (such as reasonable attorney's and witness fees, filing fees, and any other expenses) to defend the denial of the request. The defense shall include, but not be limited to, challenged or appealed denials of FOIA requests to either the Illinois Attorney General or a court of competent jurisdiction. The Contractor shall defend, indemnify, and hold harmless the Village, and agrees to pay all costs connected therewith (such as reasonable attorney's and witness fees, filing fees and any other expenses) to defend any denial of a FOIA request by the Contractor's request to utilize a lawful exemption to the Village.

11. SAVINGS CLAUSE.

11.1. If any provision of this Agreement, or the application of such provision, shall be rendered or declared invalid by a court of competent jurisdiction, or by reason of its requiring any steps, actions or results, the remaining parts or portions of this Agreement shall remain in full force and effect.

12. NON-WAIVER OF RIGHTS.

12.1. No failure of either party to exercise any power given to it hereunder or to insist upon strict compliance by the other party with its obligations hereunder, and no custom or practice of the parties at variance with the terms hereof, nor any payment under this agreement shall constitute a waiver of either party's right to demand exact compliance with the terms hereof.

12.2. This Agreement shall not prohibit the Contractor from providing services to any other public or private entity or person. In the event that the Contractor provides Services to a public or private entity or person, the Village, at its sole discretion, may determine that such Services conflict with a service to be provided to the Village by the Contractor, and the Village may select another Contractor to provide such Services as the Village deems appropriate.

13. THE VILLAGE'S REMEDIES.

13.1. If it should appear at any time prior to payment for Services provided pursuant to this Agreement that the Contractor has failed or refused to prosecute, or has delayed in the prosecution of, the Services to be provided pursuant to this Agreement with diligence at a rate that assures completion of the Services in full compliance with the requirements of this Agreement, or has attempted to assign this Agreement or the Contractor's rights under this Agreement, either in whole or in part, or has falsely made any representation or warranty, or has otherwise failed, refused, or delayed to perform or satisfy any other requirement of this Agreement or has failed to pay its debts as they come due ("Event of Default"), and has failed to cure, or has reasonably commenced to cure any such Event of Default within fifteen business days after Contractor's receipt of written notice of such Event of Default, then the Village shall have the right, at its election and without prejudice to any other remedies provided by law or equity, to pursue any one or more of the following remedies:

13.1.1. The Village may require the Contractor, within such reasonable time as may be fixed by the Village, to complete or correct all or any part of the Services that are defective, damaged, flawed, unsuitable, nonconforming, or incomplete and to take any or all other action necessary to bring Contractor and the Services into compliance with this Agreement;

13.1.2. The Village may accept the defective, damaged, flawed, unsuitable, nonconforming, incomplete, or dilatory Services or part thereof and make an equitable reduction;

13.1.3. The Village may terminate this Agreement without liability for further payment of amounts due or to become due under this Agreement except for amounts due for Services properly performed prior to termination;

13.1.4. The Village may withhold any payment from the Contractor, whether or not previously approved, or may recover from the Contractor any and all costs, including attorneys' fees and administrative expenses, incurred by the Village as the result of any Event of Default or as a result of actions taken by the Village in response to any Event of Default; or

13.1.5. The Village may recover any damages suffered by the Village as a result of the Contractor's Event of Default.

14. NO COLLUSION.

14.1. The Contractor hereby represents and certifies that the Contractor is not barred from contracting with a unit of state or local government as a result of: (1) a delinquency in the payment of any tax administered by the Illinois Department of Revenue unless Contractor is contesting, in accordance with the procedures established by the appropriate revenue Act, its liability for the tax or the amount of the tax, as set forth in 65 ILCS 5/11-42.1-1; or (2) a violation of either Section 33E-3 or Section 33E-4 of Article 33E

of the Criminal Code of 1961, 720 ILCS 5/33E-1 et seq. The Contractor hereby represents that the only persons, firms, or corporations interested in this Agreement are those disclosed to the Village prior to the execution of this Agreement, and that this Agreement is made without collusion with any other person, firm, or corporation. If at any time it shall be found that Contractor has in procuring this Agreement, colluded with any other person, firm, or corporation, then the Contractor shall be liable to the Village for all loss or damage that the Village may suffer thereby, and this Agreement shall, at the Village's option, be null and void and subject to termination by the Village.

15. ENTIRE AGREEMENT.

15.1. This Agreement sets forth all the covenants, conditions and promises between the parties, and it supersedes all prior negotiations, statements or agreements, either written or oral, with regard to its subject matter. There are no covenants, promises, agreements, conditions or understandings between the parties, either oral or written, other than those contained in this Agreement.
