Re: Certificate of Appropriateness – 238 S. Kenilworth Avenue

Dear Doug:

It is my understanding that given that the Historic Preservation Committee voted not to approve the Certificate of Appropriateness for 238 S. Kenilworth at their meeting on January 12th, our next appeal is to the Village Board. Please consider this letter our formal request to make that appeal and appear before the Village Board.

Per our correspondence, I understand that you are working toward getting the Village Manager's office the necessary information so the appeal can be heard at the February 6th meeting of the Board. Please let me know if you need anything else from me or the Owners prior to the submittal or the meeting.

Sincerely,
