AN ORDINANCE AMENDING CHAPTER 20 ("PUBLIC HEALTH") OF THE OAK PARK VILLAGE CODE TO ADD A NEW ARTICLE 14 ("RETAIL SINGLE-USE BAG PILOT PROGRAM")

WHEREAS, the Village of Oak Park ("Village") as a home rule unit of local government as provided by Article VII, Section 6 of the Illinois Constitution of 1970 has the authority to exercise any power and perform any function pertaining to its government and affairs except as limited by Article VII, Section 6 of the Illinois Constitution of 1970; and

WHEREAS, the Village Board has determined that the production, use, and disposal of disposable plastic shopping bags have significant adverse impacts on the environment; and

WHEREAS, the Village determined that to discourage and decrease the use of disposable plastic shopping bags within the Village, it is necessary to regulate such use; and

WHEREAS, the Village has determined that it is not desirable to replace the use of disposable plastic shopping bags with paper bags; and

WHEREAS, as a home rule unit, the Village of Oak Park's powers shall be construed liberally as held by the Illinois Supreme Court in the case of *Scadron v. City of Des Plaines*, 153 Ill.2d 164 (1992); and

WHEREAS, this Ordinance is presumed constitutional and the burden of rebutting that strong presumption is on the party challenging the validity of the statute to clearly demonstrate a constitutional violation as held by the Illinois Supreme Court in the case of *Napleton v. Village of Hinsdale*, 229 Ill.2d 296, 306 (2008); and

WHEREAS, it is well-settled law in Illinois that the legislative judgment of the Village Board must be considered presumptively valid, and a court has a duty to uphold the constitutionality of an ordinance when reasonably possible, *Glenview State Bank v. Village of Deerfield*, 213 Ill.App.3d 747 (2nd Dist. 1992); and

WHEREAS, the Village Board finds that there is a compelling governmental interest in implementing reasonable regulations on the use of disposable shopping bags within the Village and that such regulations are essential to discourage and decrease the use of disposable plastic shopping bags within the Village; and

WHEREAS, said regulations are in the best interest of the health, safety, and welfare of Village residents and these regulations reduce the adverse impacts of disposable shopping bags on the environment and the Village; and

WHEREAS, at the Village Board study session on March 14, 2016, staff was directed to propose an ordinance to store owners and/or managers of establishments that generate a large number of carryout single-use bags; and

WHEREAS, on July 7, 2015, the Village's Environment and Energy Commission EEC voted to recommend that the Oak Park Village Board consider a single-use bag fee equally applicable to paper and plastic bags pursuant to a vote of seven (7) in favor and one (1) against; and

WHEREAS, this Ordinance shall be effective on July 1, 2017 through June 30, 2019 and participating stores that wish to participate in the program shall be "green partner certified" or other similar designated by the Village and shall be eligible for marketing grants or other approved Village incentives from the Village from the amounts remitted to the Village for waste stream diversion and litter reduction activities; and

WHEREAS, other retail establishments not subject to this Ordinance that provide carry-out bags as defined in this Ordinance that wish to voluntarily meet the requirements of this Ordinance shall be eligible for marketing grants from the Village from the amounts remitted to the Village for waste stream diversion and litter reduction activities; and

WHEREAS, Village staff shall develop requirements for the marketing grants or other incentives set forth above which shall be subject to Village Board approval.

NOW THEREFORE, BE IT ORDAINED by the President and Board of Trustees of the Village of Oak Park, Cook County, Illinois, in the exercise of their home rule powers, as follows:

B. Each participating store must collect the amount of the fee imposed pursuant to this section when the customer makes any payment for goods in person, through the Internet, by telephone, by facsimile, or by any other means. The participating store must hold the fees required to be collected under this Section in trust for the Village until remitted as required by this article.

C. Each participating store may retain five (5) cents from each ten (10) cent fee that the store collects to cover the administrative expense of collecting and remitting the fee to the Village.

D. A participating store must indicate on the customer's transaction receipt the number of carryout bags that the store provided to the customer and the total amount of fee levied under this section.

20-14-3: REMITTANCE:

D. If the participating store does not file a required report within the time required by this section, the Director may estimate the amount of fee due. The Director may base the estimate on a reasonable projection of bags supplied or provided and may consider fees reported by other stores.

E. The Director may send a notice of the estimated fee due, including penalties pursuant to Section 20-14-4 below, to the participating store's last known address. The participating store must pay the estimated fee, including any interest and penalty assessed by the Director, within ten (10) days after the notice is sent.

F. Funds received by the Village pursuant to this article shall be deposited into the Village's Sustainability Fund.

20-14-4: FAILURE TO PAY FEE:

A participating store may provide reusable bags to its customers for the purpose of enabling the customer to carry away goods from the point of sale. The fee imposed pursuant to Section 20-14-2 above shall not apply to reusable bags.

20-14-6: PERMITTED BAGS:

Nothing in this article shall be construed to prohibit a customer from using bags of any type that the customer brings to the store for the customer's own use or from carrying away goods from the store that are not placed in a bag provided by the store.

All such books and records shall be subject to and available for inspection by the Director during regular business hours.

20-14-9: PENALTIES:

Any person or retail establishment that participates in the program that violates any provision of this article shall be subject to a fine of not less than \$150.00 for each offense. Each day that a violation continues shall constitute a separate and distinct offense. In addition, the Village Manager may revoke or suspend a retail establishment's program participation if the Village Manager determines the participating store has failed to comply with the duties imposed under this article after notice and hearing. The suspension or revocation of program participation shall not release or discharge the participating store from its liability to pay the fee or from any other penalties authorized by this article.

20-14-10: EFFECT AND REPEAL:
